The Succubi Wish

By MassManic

My name is Zack,
as you can see from
my room I am not an
'average' guy, in fact,
I desperately want to
be a girl... but I am
scared of taking
hormone replacements
or surgery. I just wish
there was
another way...

Right,
just need to
repeat
this...

One impulse buy later.

The 'anatomia de succubi' ...
or so it says on the front
page. According to this, you
can summon a succubus to
fulfil any wish. I don't believe
in this crap, but here goes
nothing...

Yeah, this
is a little bit
corny... I'll
finish it
though.

'To the
harlots of the
night, to those
who give
the pure
fright' ...

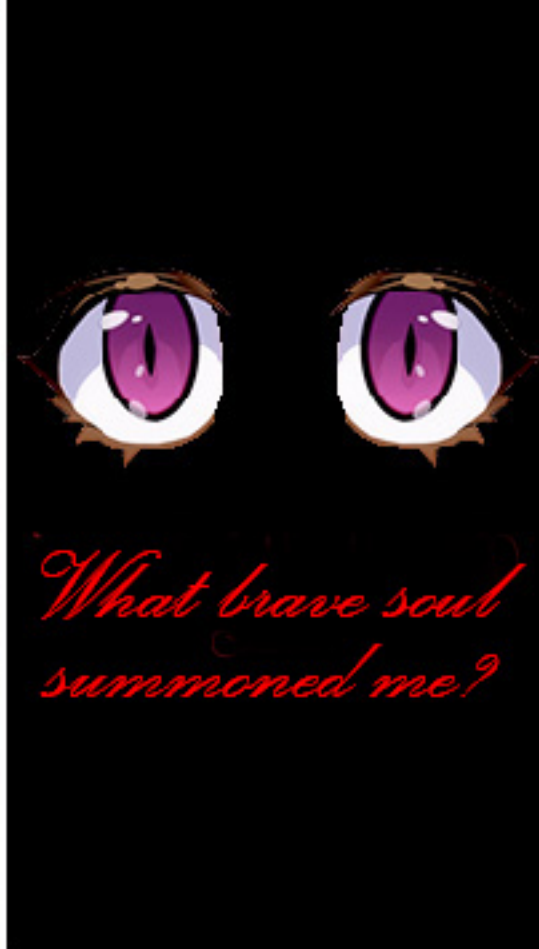

... 'this one
wishes to break your
seal, to make a demonic
deal. So those who see
humans in a light
nonchelant, come forth
and give me what I
want'!

... 'whose
generosity is a
fount, that requires
sacrifice of some
amount' ...

Ah! That light!

SHINE

What brave soul summoned me?

Float

thud

Holy crap! This chick is seriously scary!

Y-yeah... that's me...

Are you the one who summoned me?

Holy crap, it worked; a real succubus! Maybe I'll get my wish after all!

Hm?

Well now, aren't we a cute little morsel...

Wait!

"Not into girls"? You've summoned a succubus and you don't like females?

Yeah...

I'm not into girls... that's why I summoned you actually...

Behold; Succubus Lilly at your service master.

A girl?
Well the decor in this
room certainly makes
sense now. I'll require
semen to start the
process.

Fresh semen as
well. No masturbating.
See the problem?

Well...
maybe I'll
close my eyes
while you 'do
what you have to'
so I don't have
to look at
you...

I don't
know? I'm
new to this...
Look, for my
wish I want
to turn into
a girl...

You summon
'a demon of the
night' and don't wish
to partake in carnal
acts? I should kill you
for such an insult. How
did you expect to
barter with me
prey tell?

Do you
have no tact?
Why not just
say that I'm
ugly?

Well I-

What?

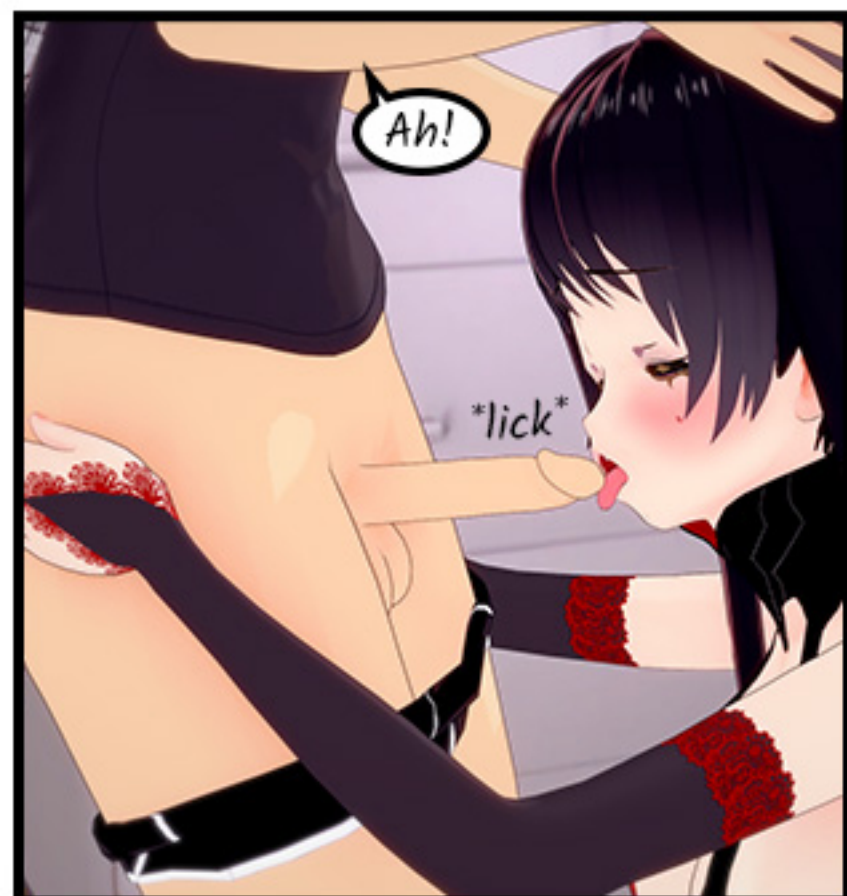

Throb!

Shut up
fool. *Kiss*.

Mmm!

smooch

Brace yourself, a succubus' mouth is better than a human's pussy... not that you'd know.

Hm, the taste isn't totally unpleasant.

What is this?! It feels like her throat's alive! It's gripping and undulating, I won't last long like this!

SUUUUCCOCKKKK!

I'm cumming!

grip

gulp

I really mean it!

Mm-hm.

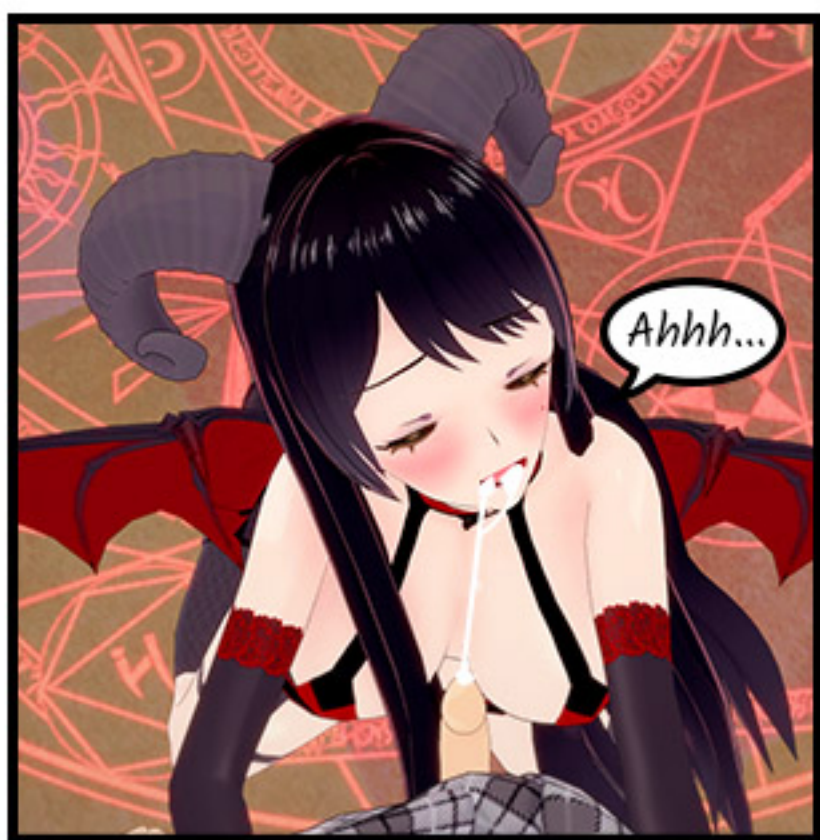

Lilly, I'm going to cum!

Mm-hm.

Did ish feel good?

Ahhh...

Yeah, a bit weird for me though...

Well, it's time. Are you ready?

GULP

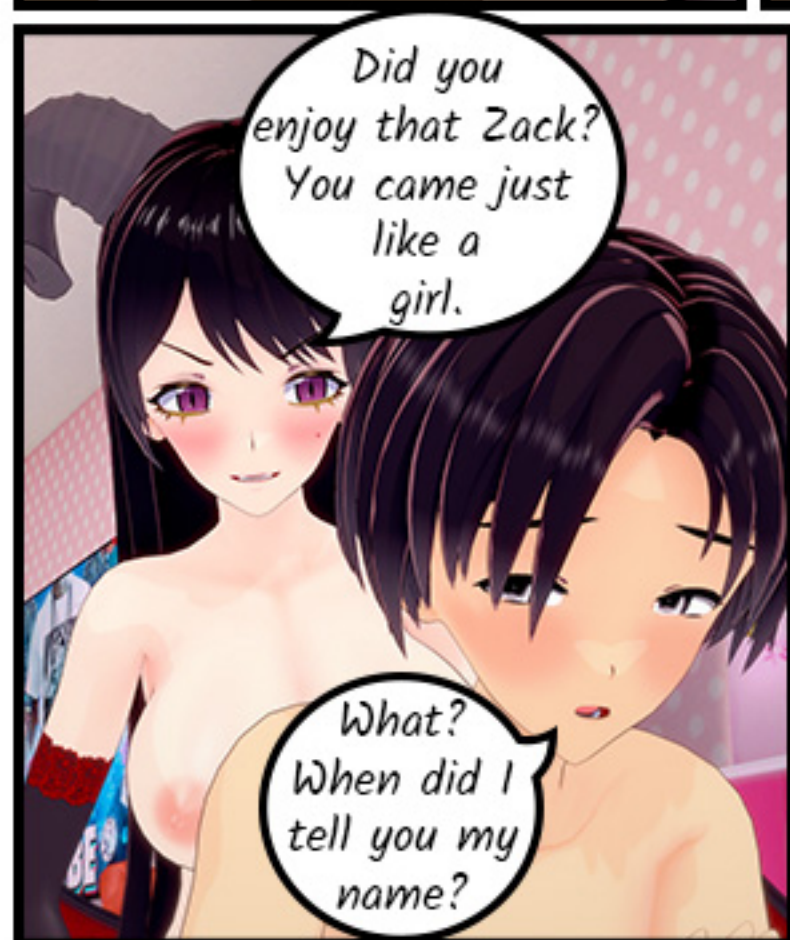

That was it? That's all you needed?

poke

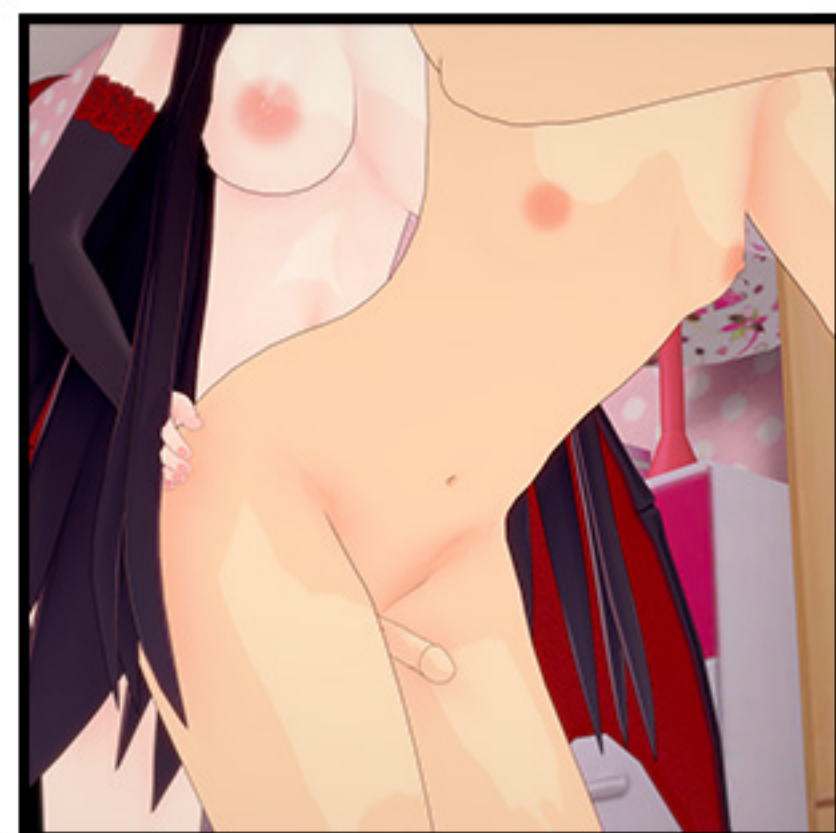

Yes, now we'll have sex to start your transformation...

What?
Again?!

SNAP!

What do
you
mean?

Fufu...
how cute. I
promise you
Zack, it's not
your ass I'm
angling
for.

twitch

Lilly, can
you leave my
ass alone?
You weren't
very gentle
before...

Ahn!
That's a pussy?!
I have a pussy
now?!

Well you
have such a
lovely pussy here
it would be a
shame for us not
to fully test
it.

It feels
so strange something
entering me... It's
completely different
from my
ass!

squish

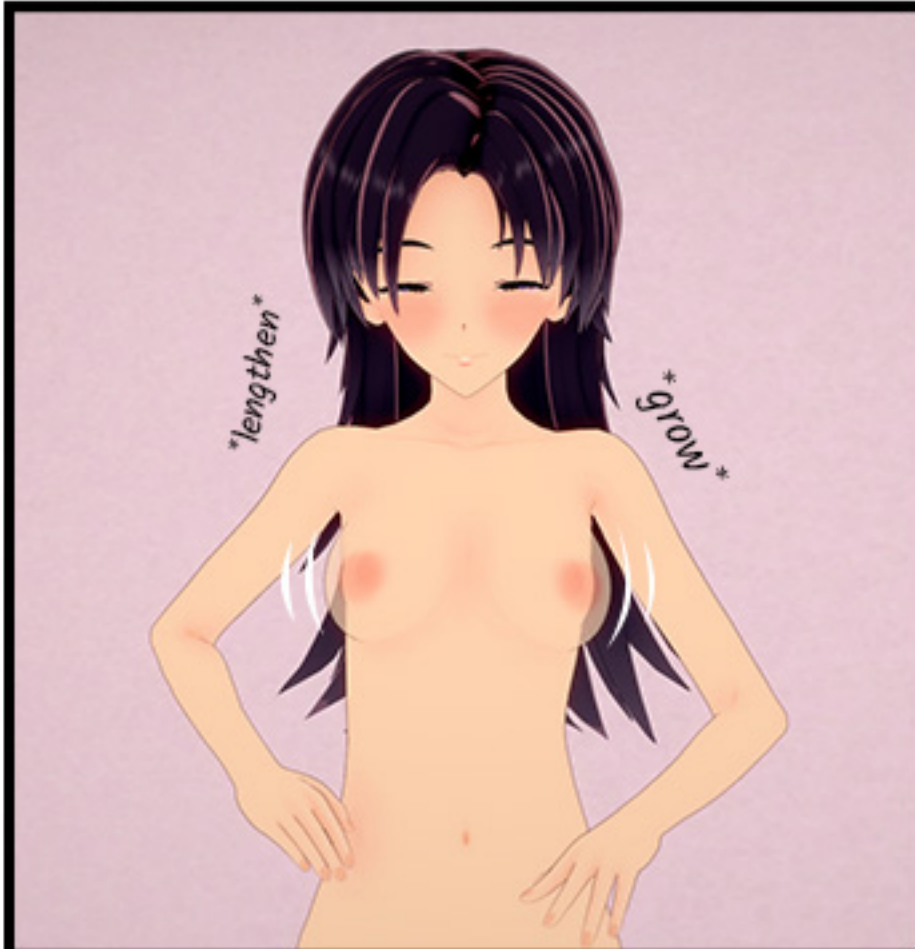

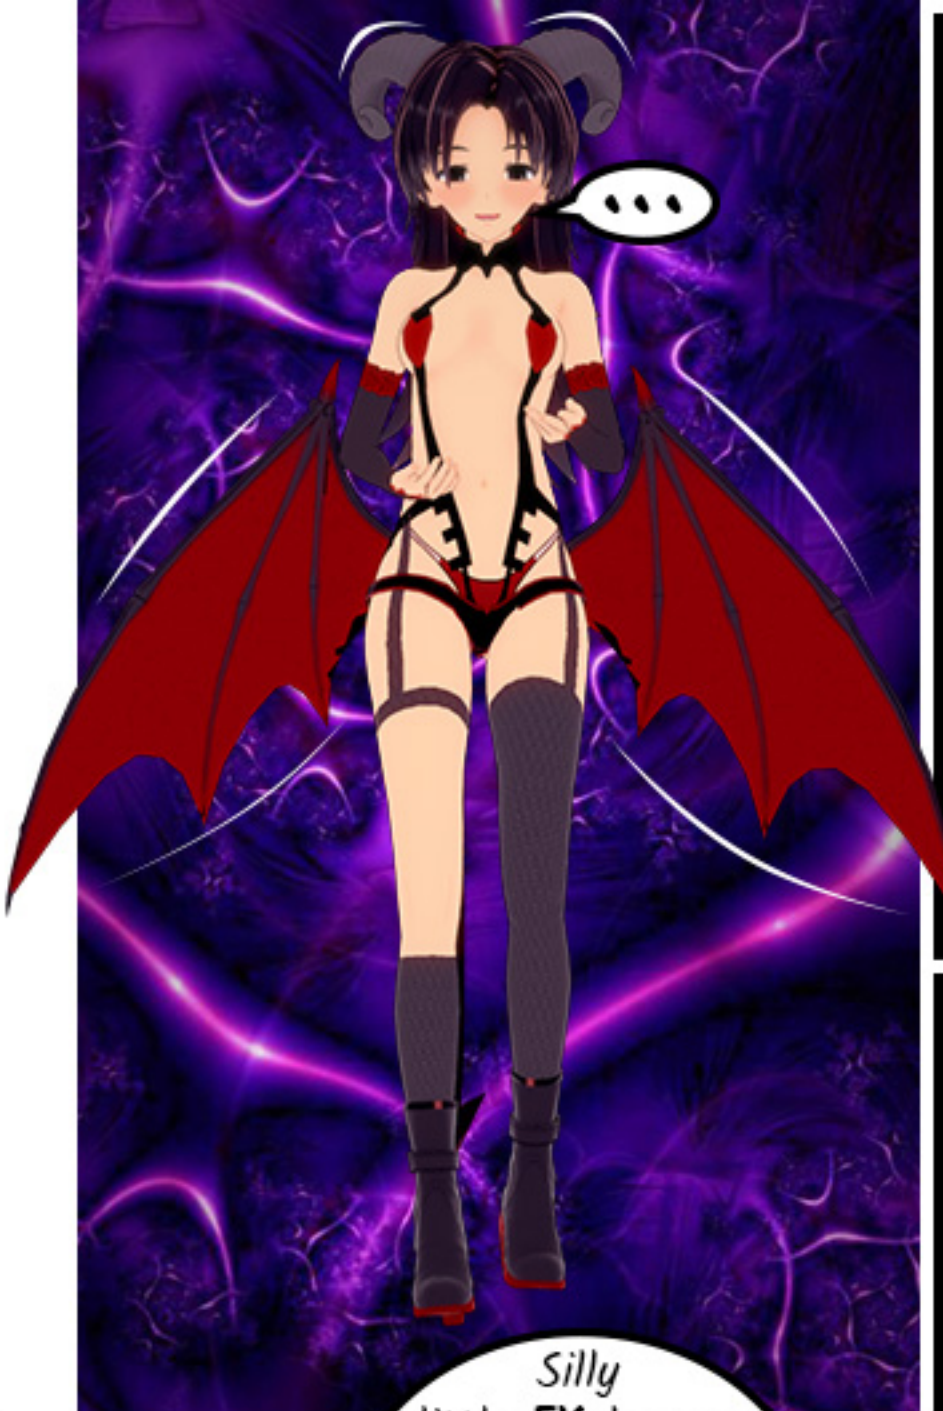

No... sorry, I'm just so happy, I've wanted this for so long.

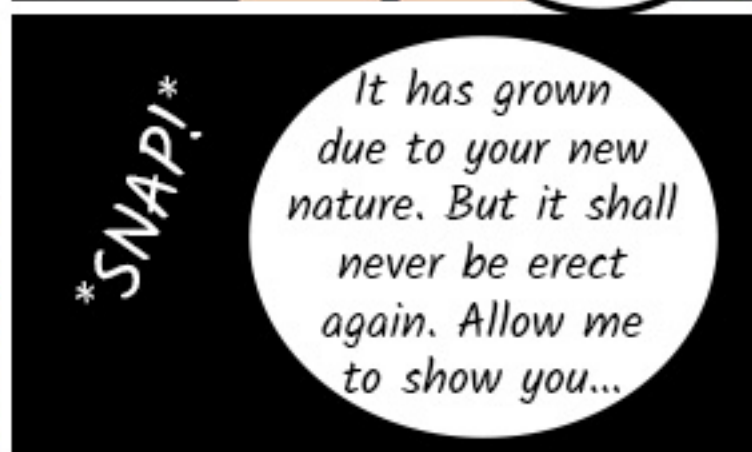

Silly little EX-human the trade here wasn't for sperm. That was a catalyst, what I, no we, want is you!

I- I'm a girl... I'm so happy... but didn't my penis shrink?

I thought it would disappear completely...

SNAPI

It has grown due to your new nature. But it shall never be erect again. Allow me to show you...

Silly little EX-human the trade here wasn't for sperm. That was a catalyst, what I, no we, want is you!

Are these horns?! What have you done?!

Fufufu, you missed the tail and wings.

Welcome to the pack, sister.

The end?
