

The Ludora Occupation Forces of Her Holy Light's Army have found you guilty of the following offences:

As a member of the Zummari Resistance

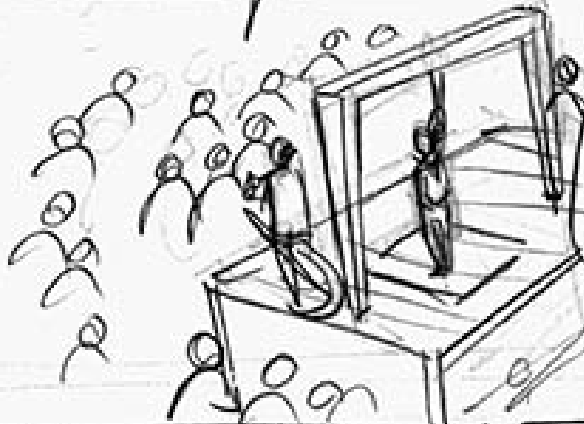

You destroyed the East 3rd Street munitions factory...

... which resulted in the death of FIVE Kelori officers.

Zuli taught us
PACIFISM because one
misguided act of violence
provokes a reaction.

So even if we
survive this conflict,
the next generation
suffers retaliation.

teachings!

Zuli
Ain't coming
to save
us!

Every day
more Zumen
starve to
death

get worked
to death

or a
sickness
takes 'em

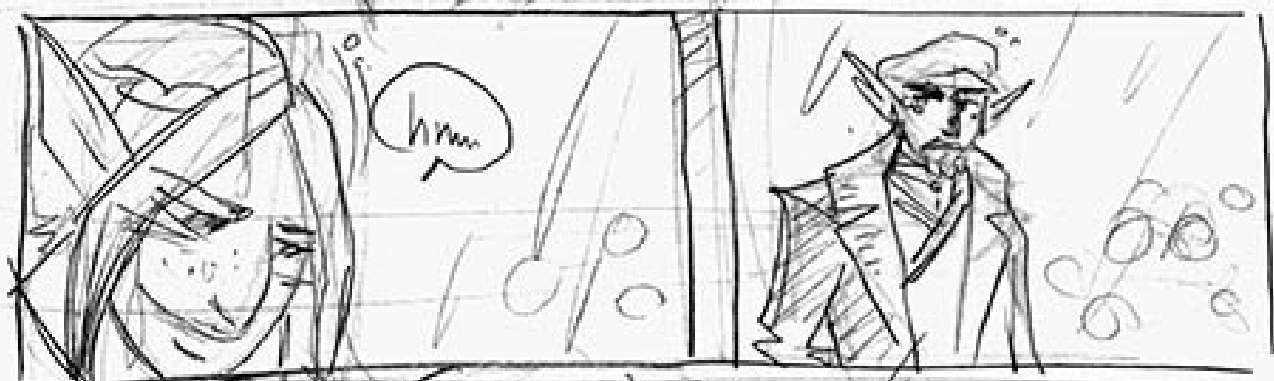

If we don't
fight the
Kolari who
enslave us in
our own city

ain't gonna
be noone LEFT
to pray to Zuli!

Guess Zuli's got a path in mind for me after all...
