A character with long, wavy purple hair and purple eyes is shown in a three-quarter view, looking towards the left. She has a white top with purple accents and a purple skirt. Her hair is styled with a white flower and a gold ornament. The background is a dark, misty landscape.

What bring you here, stranger?

Hm.. I'm impressed
that you can easily
take over Kequing.

I don't like the talkative one..

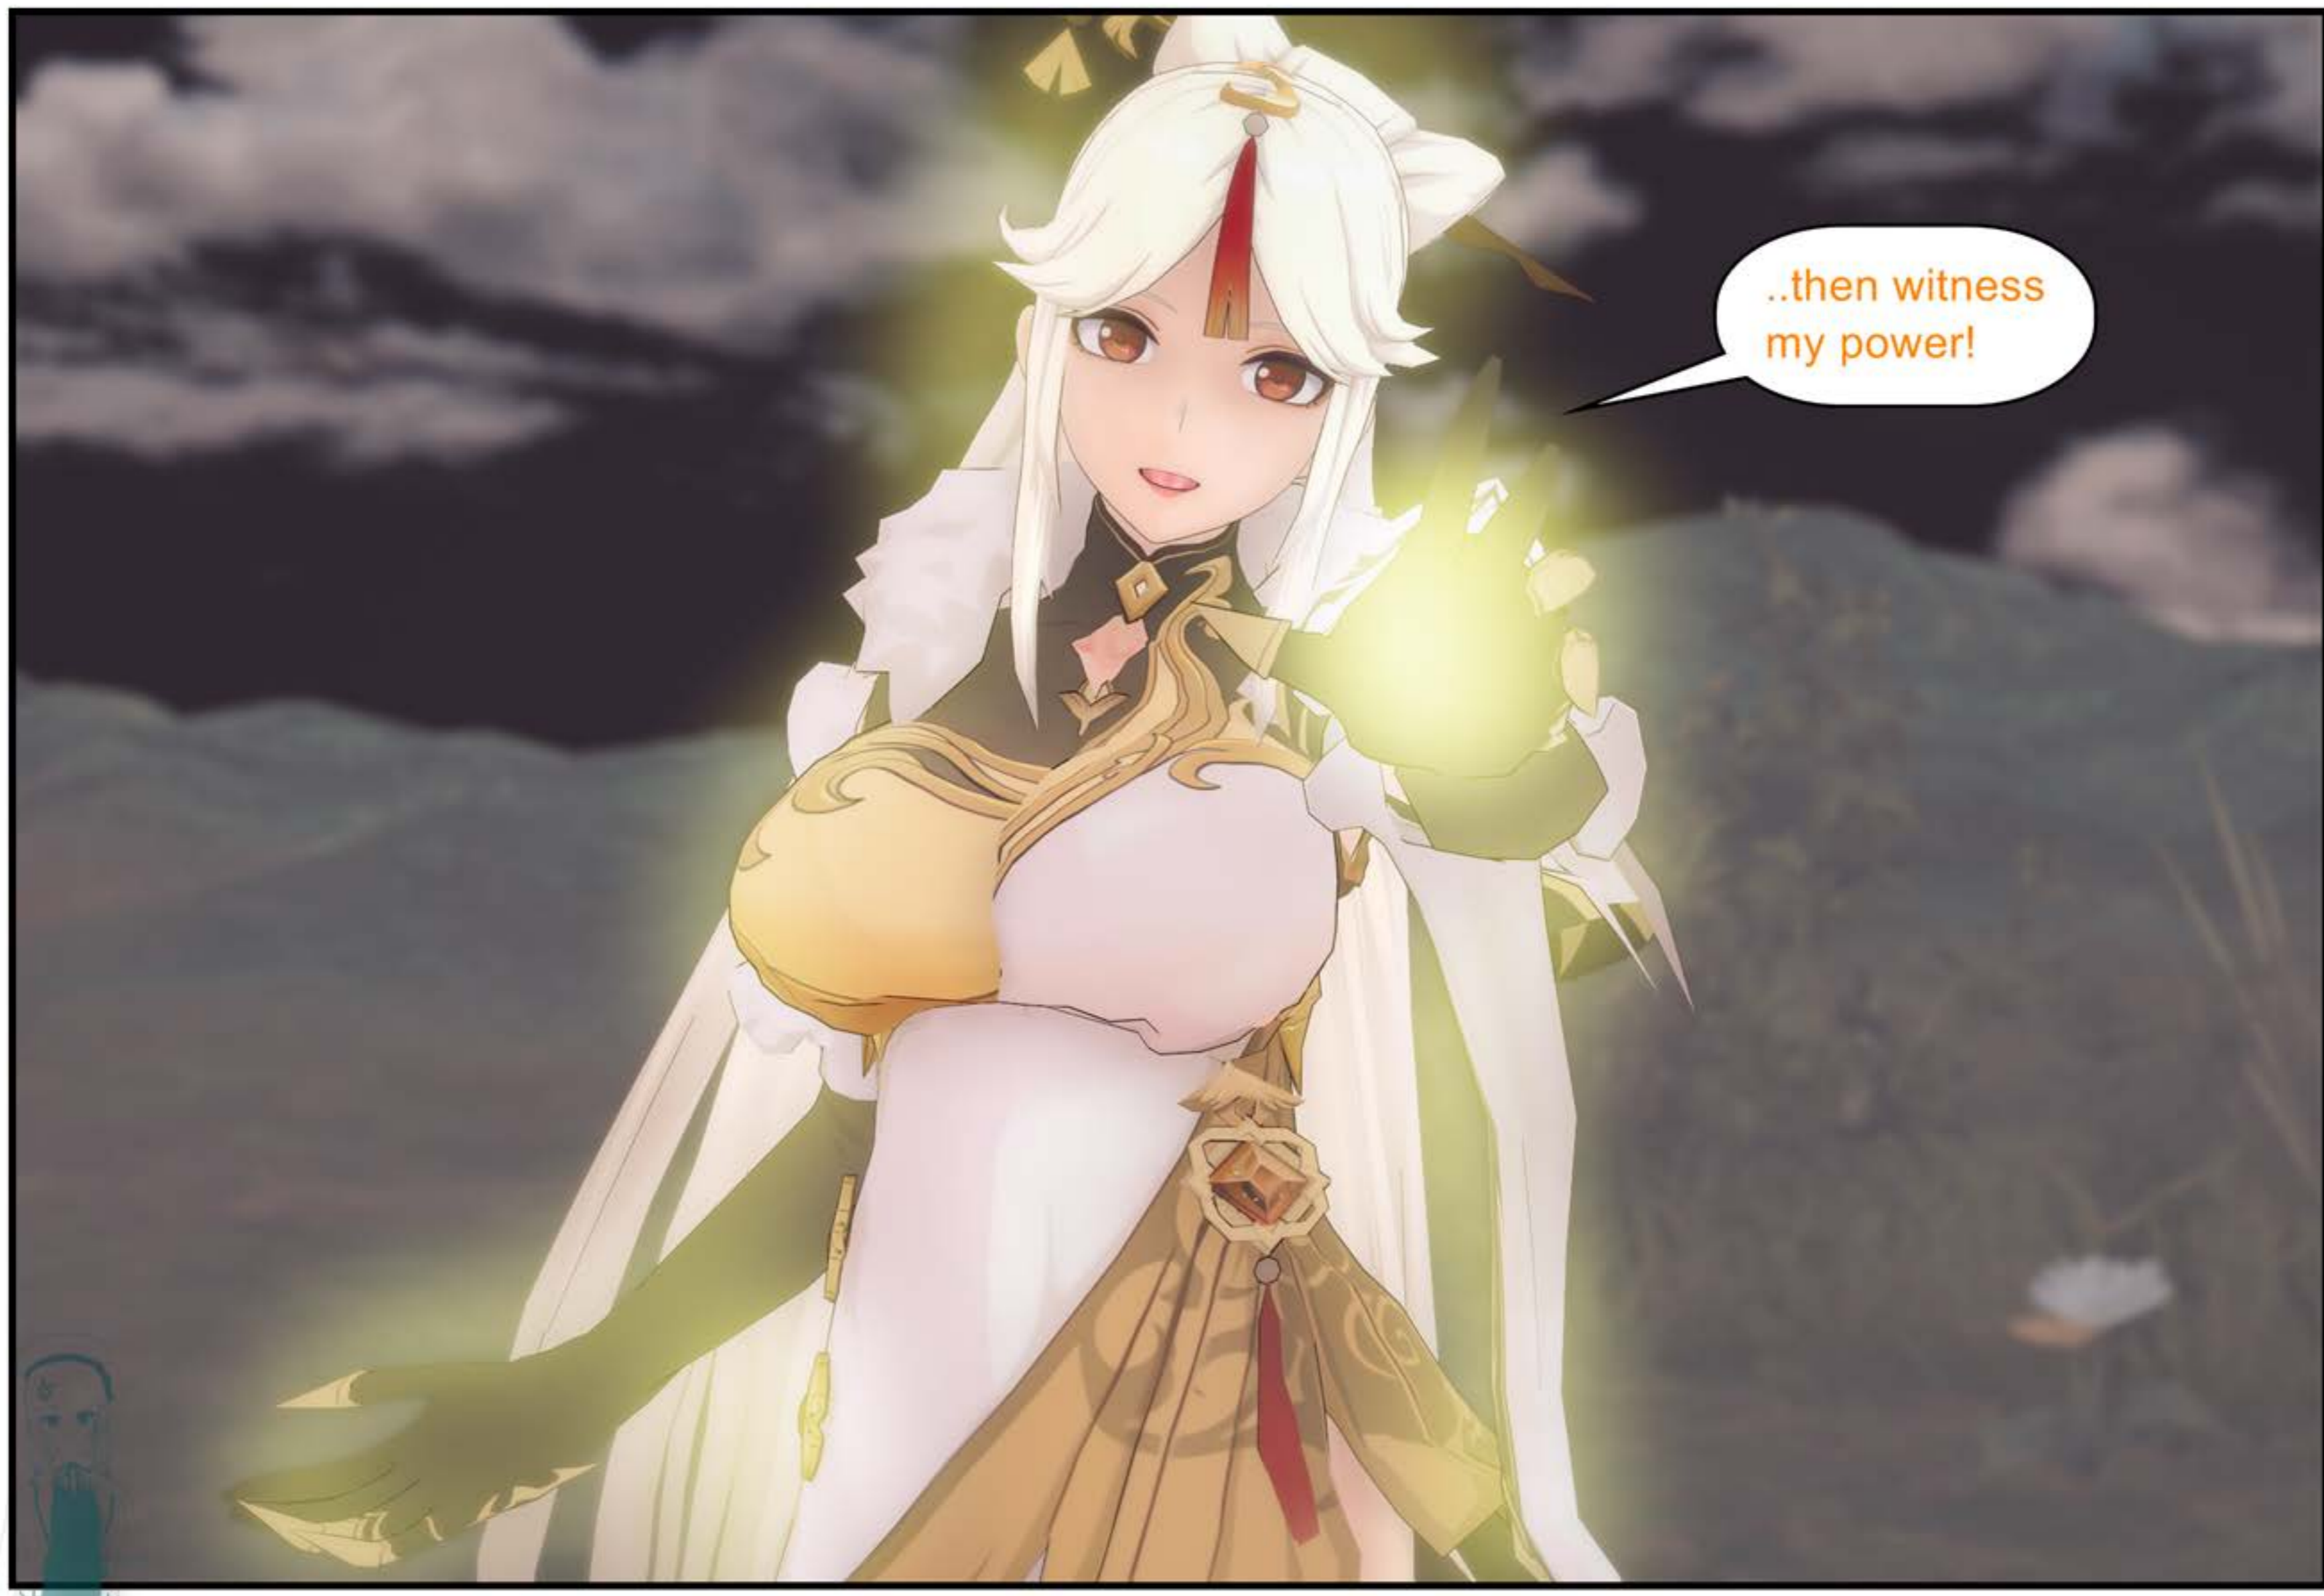

Show me what
you got, will you?

A character with long, flowing white hair and a white and gold outfit stands in a dark, rocky landscape. The character's outfit features intricate gold patterns and a black corset-like piece. The background is a dark, rocky terrain with some sparse vegetation. A speech bubble is positioned to the right of the character.

Fine. If this is what you wanted..

..then witness
my power!

"Huh.. Pretend to attack from above.. but a normal slash."

"Kequing's elemental skill!?"

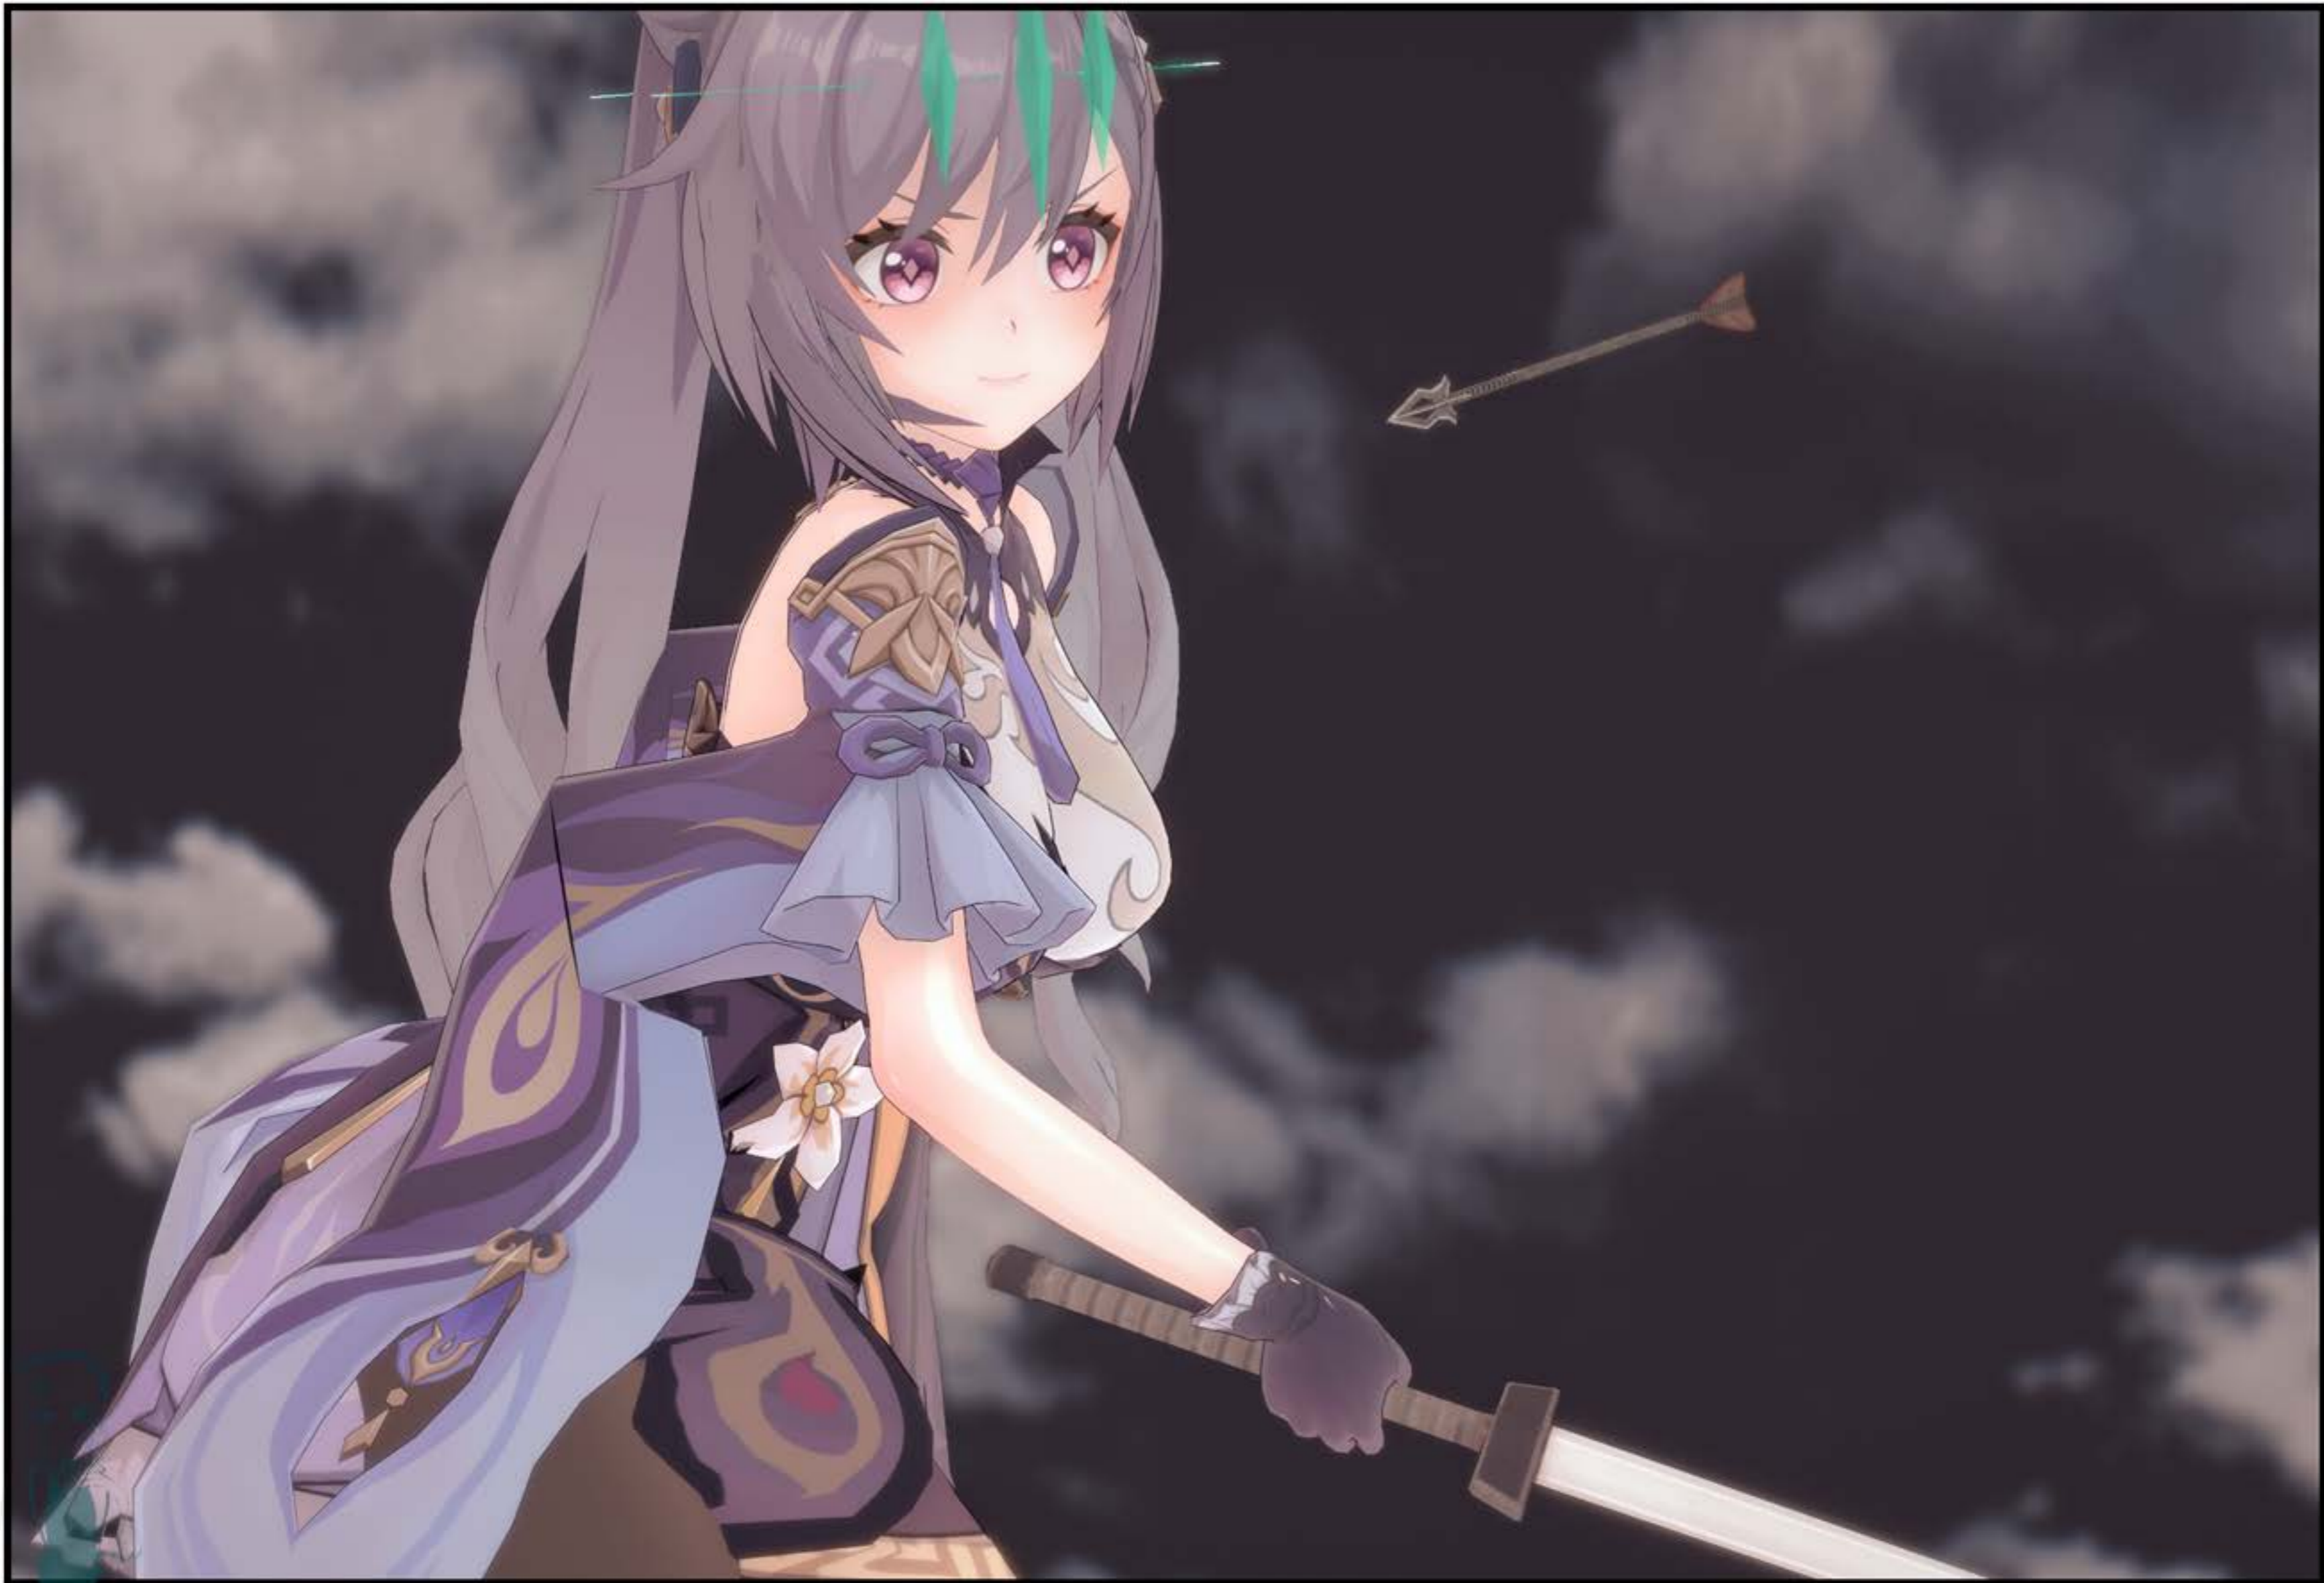

"Whatever it is,
it can active a
person's ability
upon possession.."

"If it was Keqing's burst, I couldn't survive the strike."

"So.. Kequing is possessed?"

"I have guessed,
but now seen it
with my own eyes."

Was it the Abyss
or the Fatui did this?

I don't think
either of them.

Anyway, let's do this fast before Keqing gets hurt.

"Two on one.. Not a fair fight, also I'm going to out of strength."

You are not
going to dodge it
the second time!

Hold on, Ningguang.
Something is..

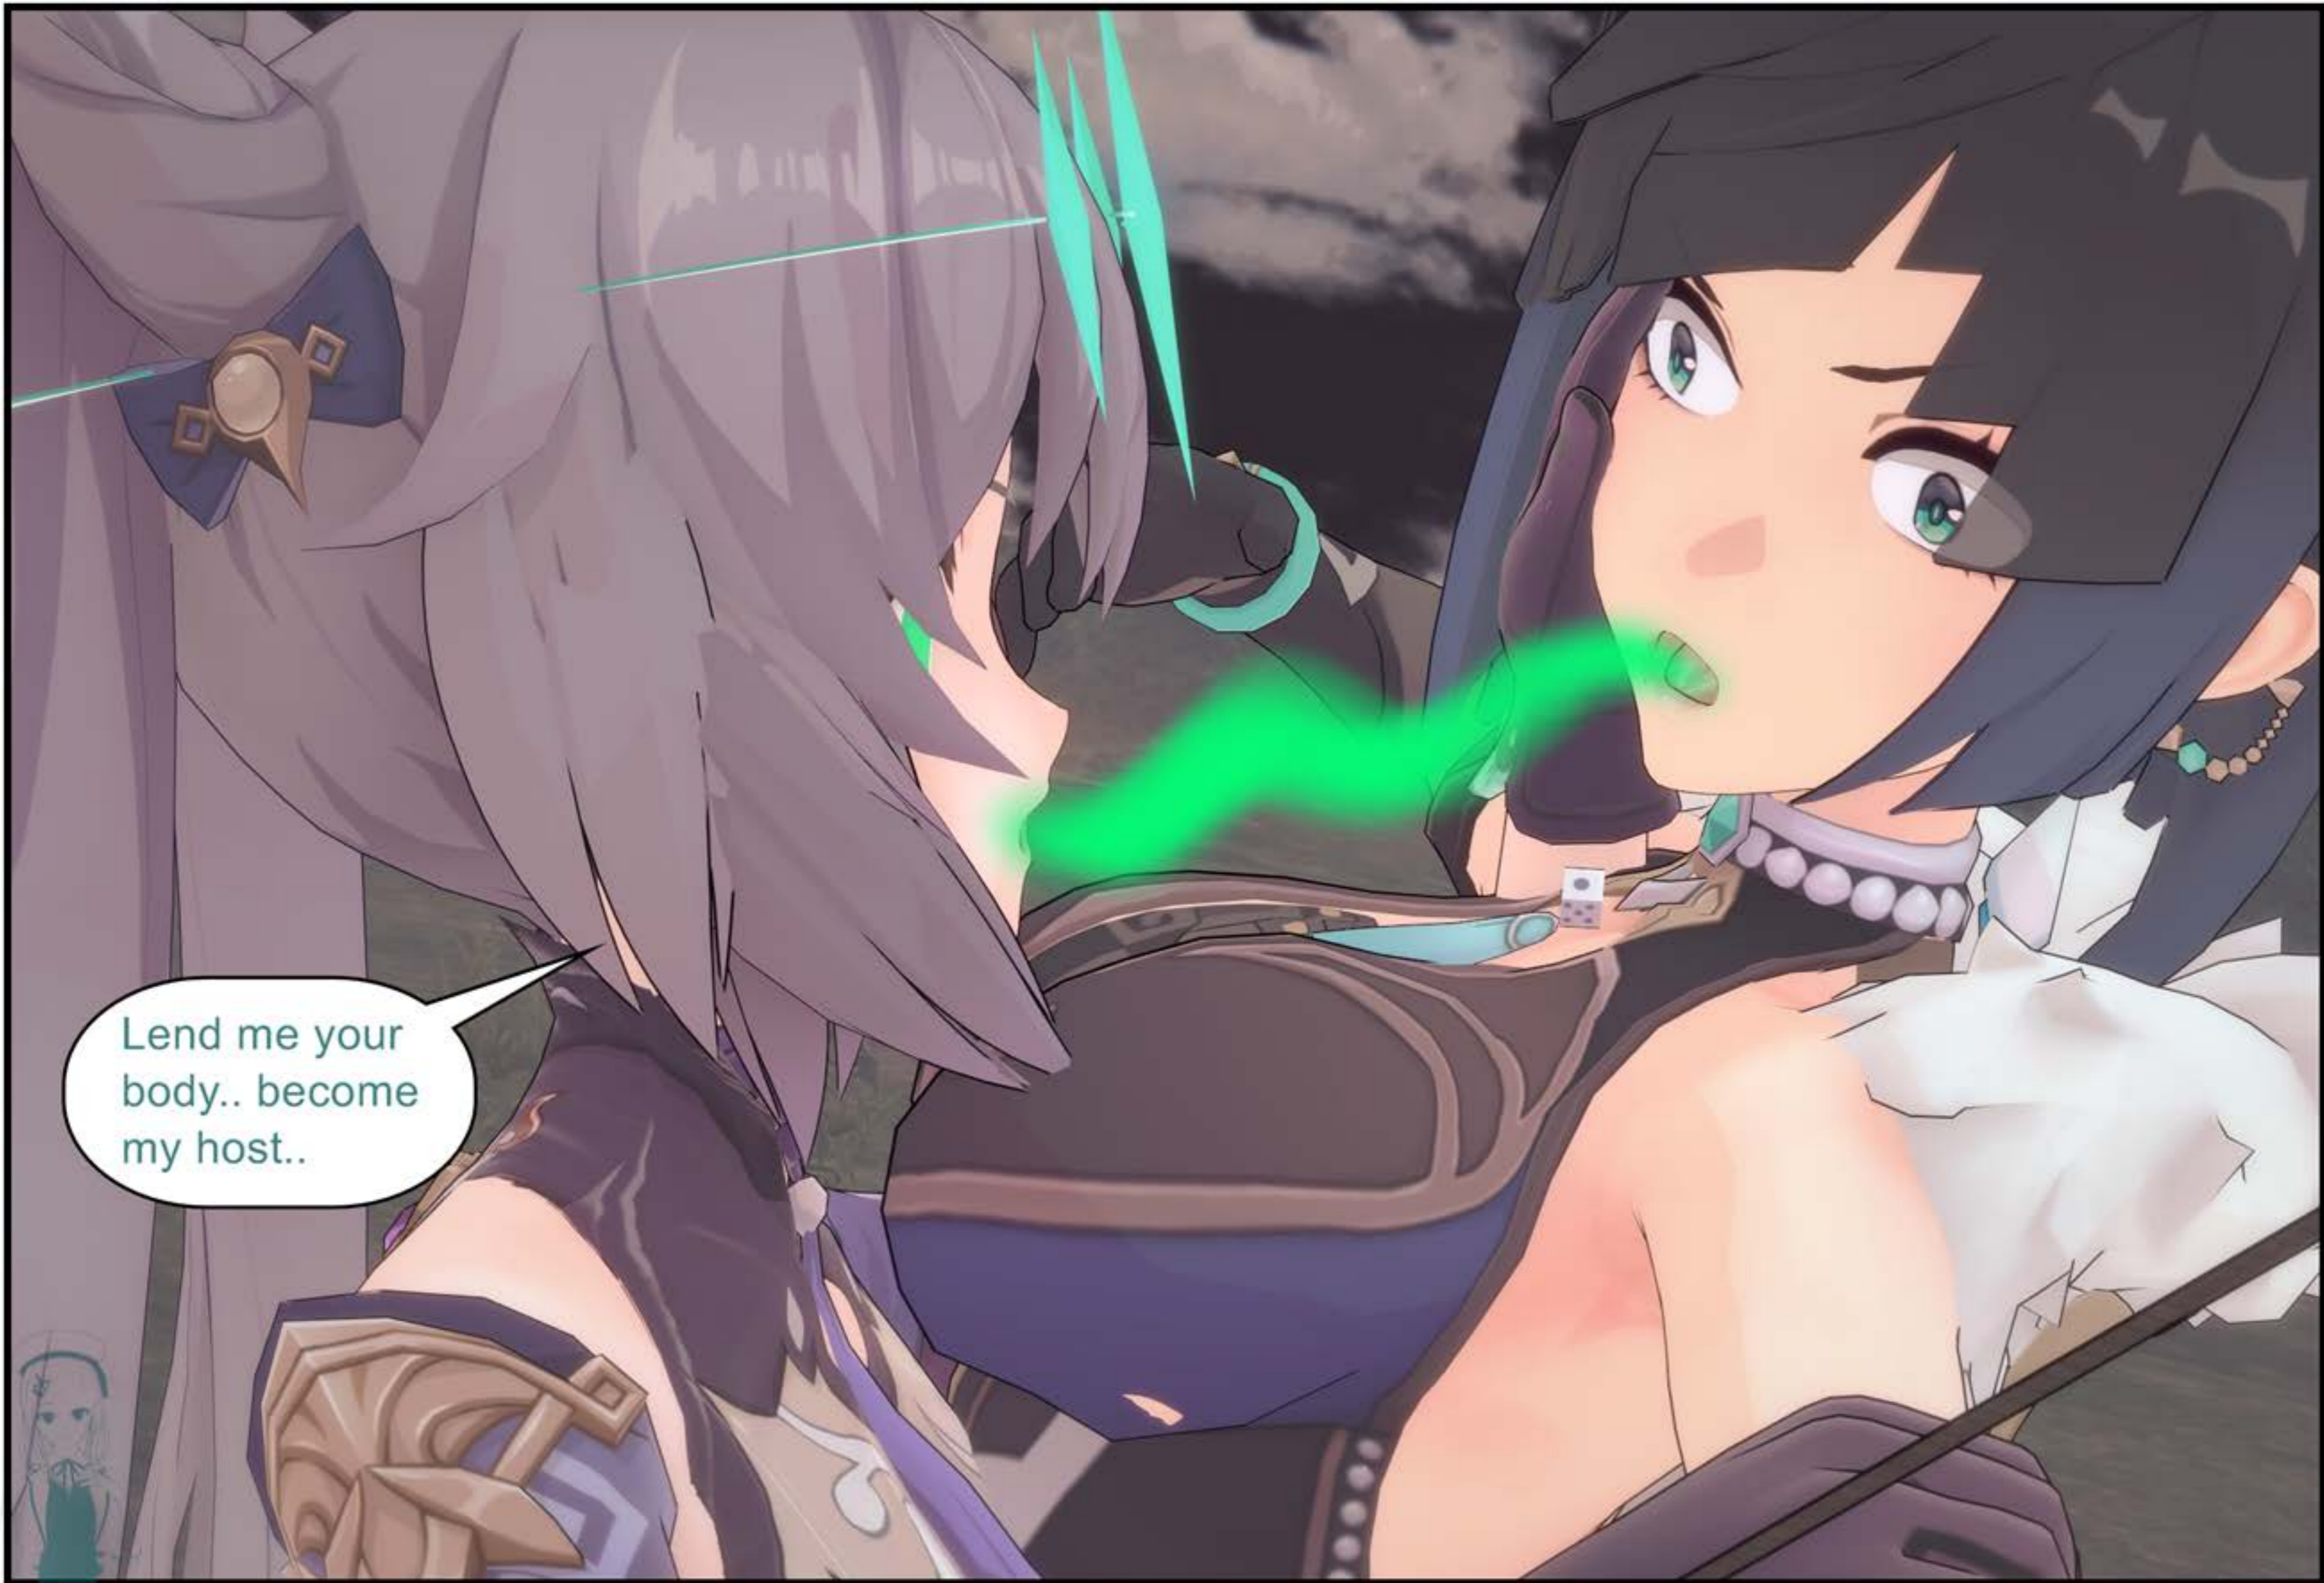

Ning! Keqing is..
Hey!? Can you
hear me!?

She can't.. Both
of you still trap
in my mist..

Lend me your body.. become my host..

"Darn it.. I can't..
move my muscle.."

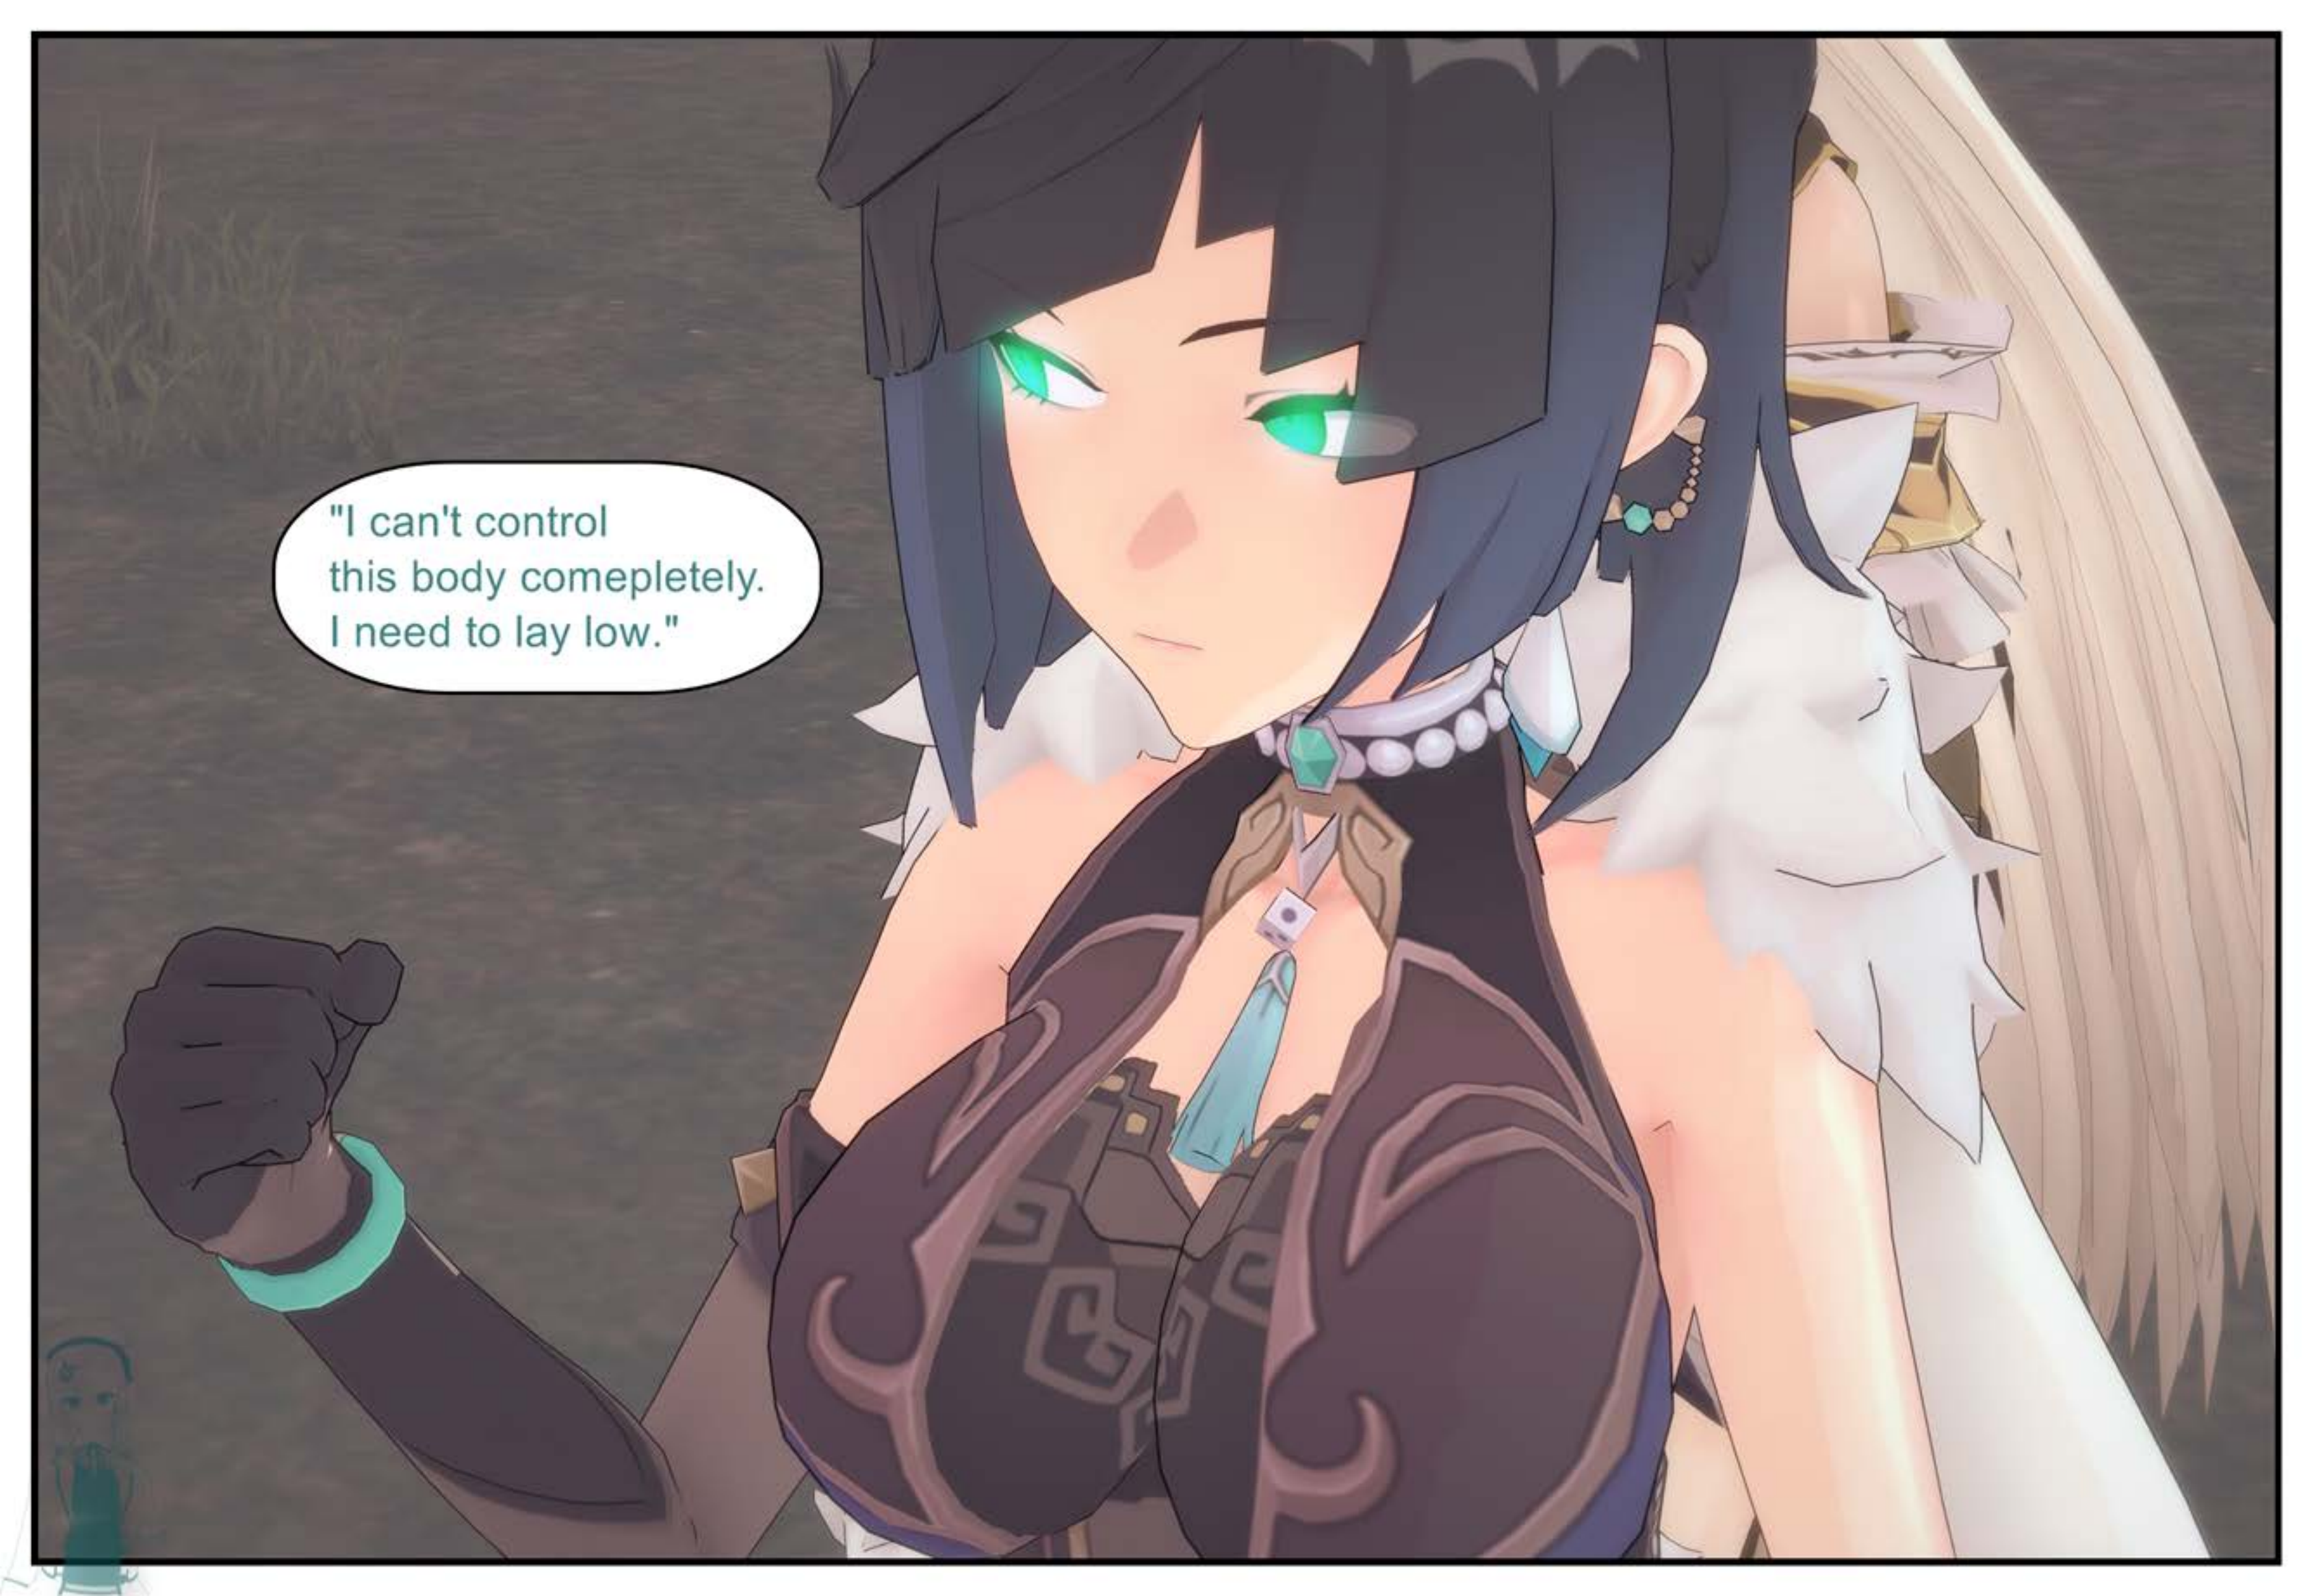

Tch.. He ran away in that green mist..

And dis-
possessed Kequing.

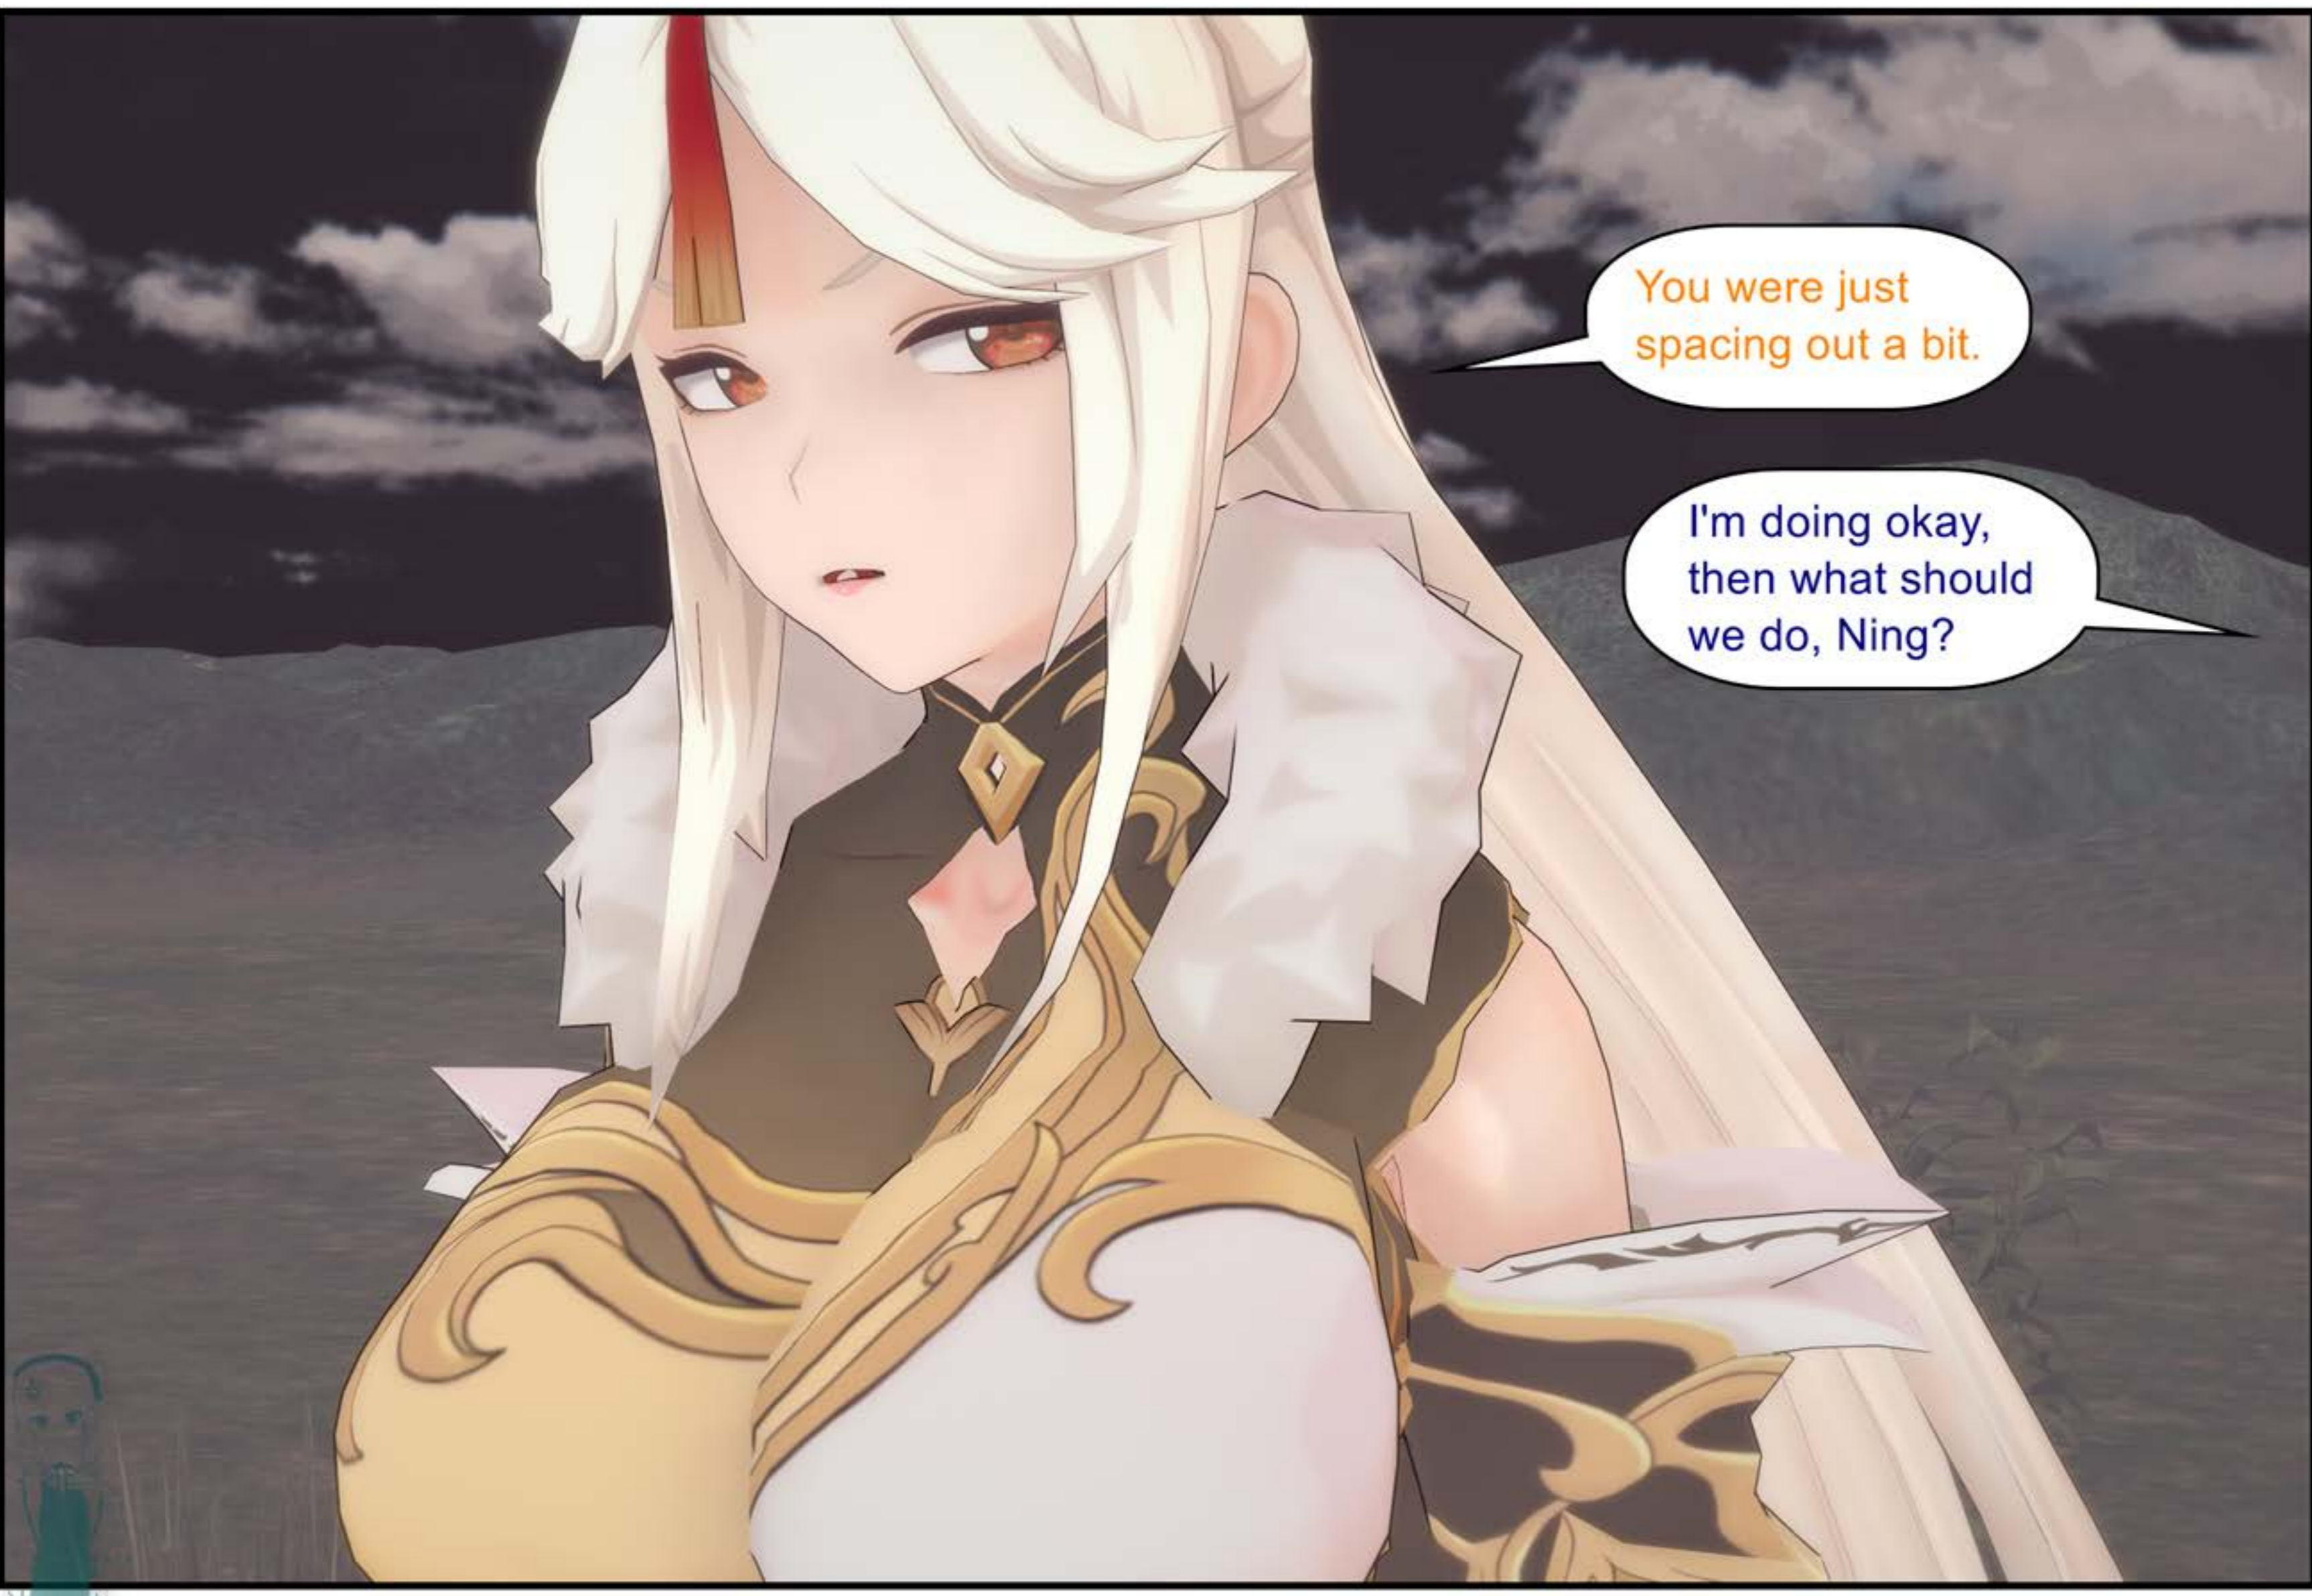

"I can't control
this body completely.
I need to lay low."

"Yelan? Are you alright?"

You were just spacing out a bit.

I'm doing okay, then what should we do, Ning?

We will increase
Liyue's security..
And you..

I know, that one
hasn't run far.

Fine, I will leave that to you, Yelan.

"All good, I should take a good rest while there's a chance."

Hmph.. Liyue is interesting, wonder what can I do to this body.

Are you the one
who call for me?

Well.. Let's started
our deal..

I have never.. seen
you in Liyue before..

You don't need
to know who I am.

Let's move to
insertion, okay?

"Uh.. A bit hot
come inside.."

So.. we finished our deal, can I leave now?

Of course, as in it, do not tell anyone about this.

You got it, I will keep my mouth shut.

"People of Liyue..
they respect
trade and busniess."

Hm.. With that,
I can easily make
use of their strength
for my mana.

"Liyue will be my new kingdom.."

"..but I can't rule this alone."

"Whoever you are, I will find you, Traveler."

Any news
for me?

SHIN

Let's go outside,
I may found the
key to all this.

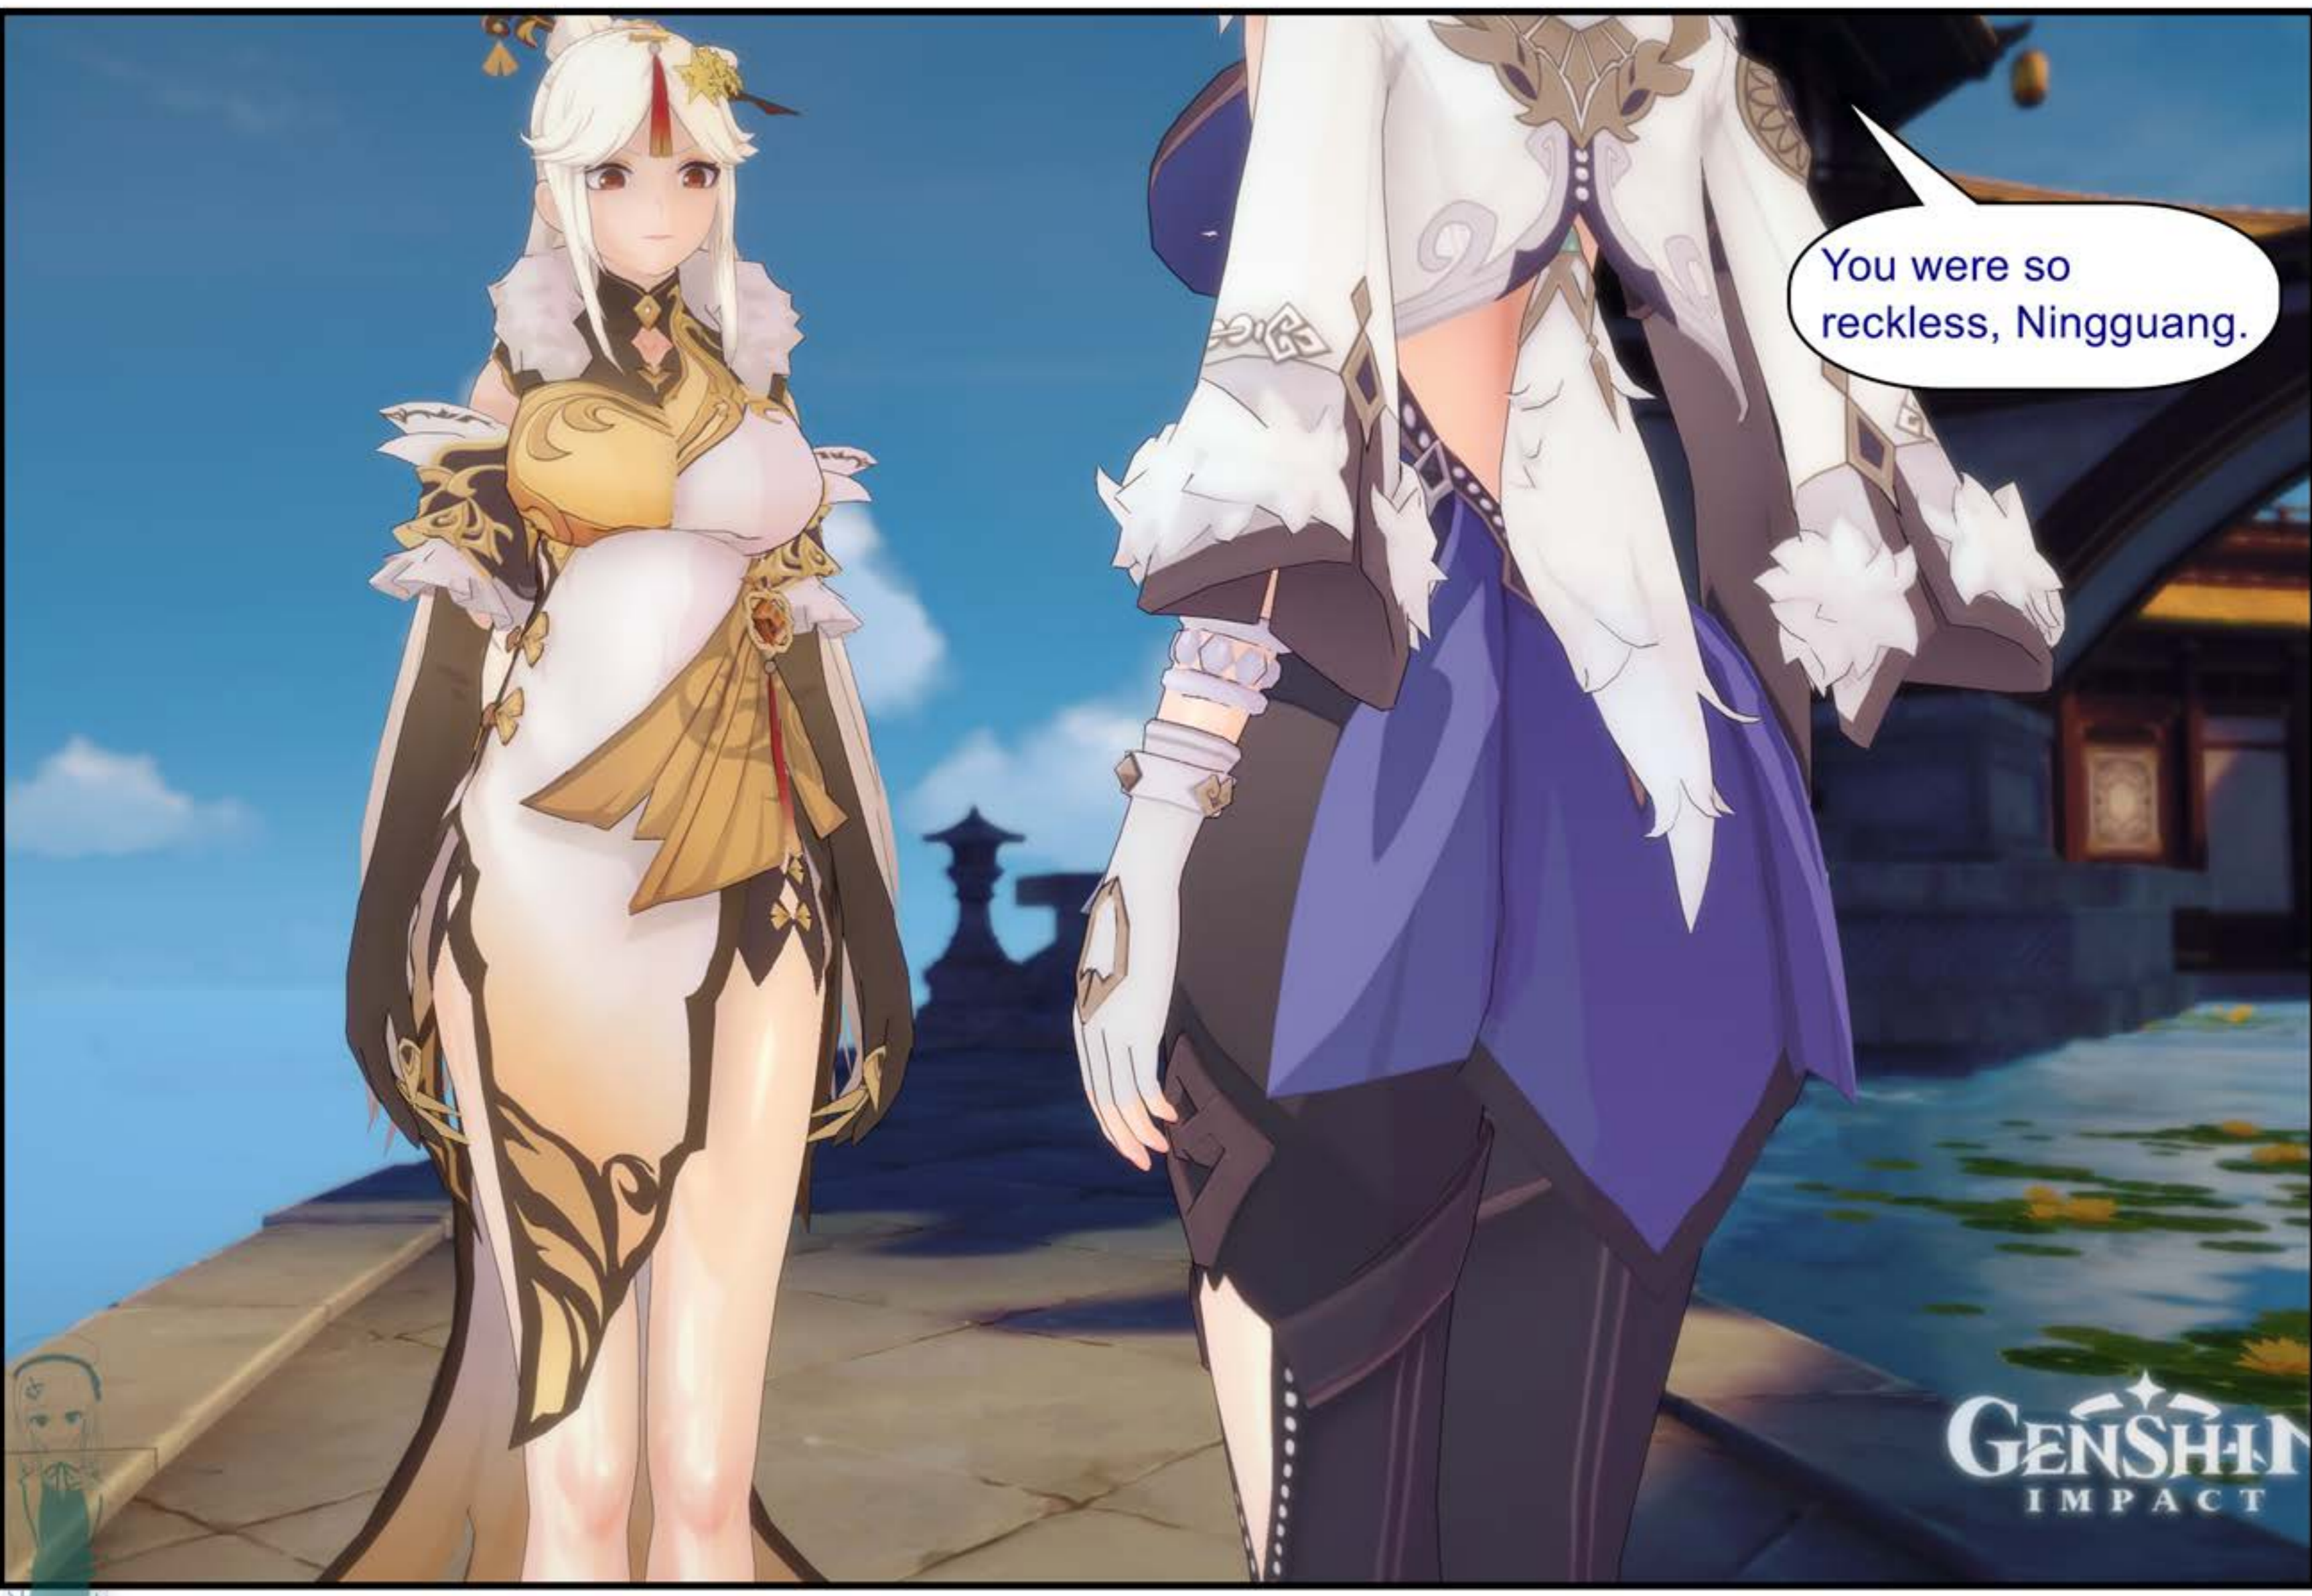

Then.. what
is it, Yelan?

Something that
you didn't know.

What do you mean, Yelan?
What did I don't know?

You were so reckless, Ningguang.

Y-Yelan...!?

GENS
I M P

Now you have two choices..

Tell me where's
the Traveler, or
witness me destroy
your Liyue.

Another is that
Yelan will die
under your hand.

Resisting or following order, Ningguang?

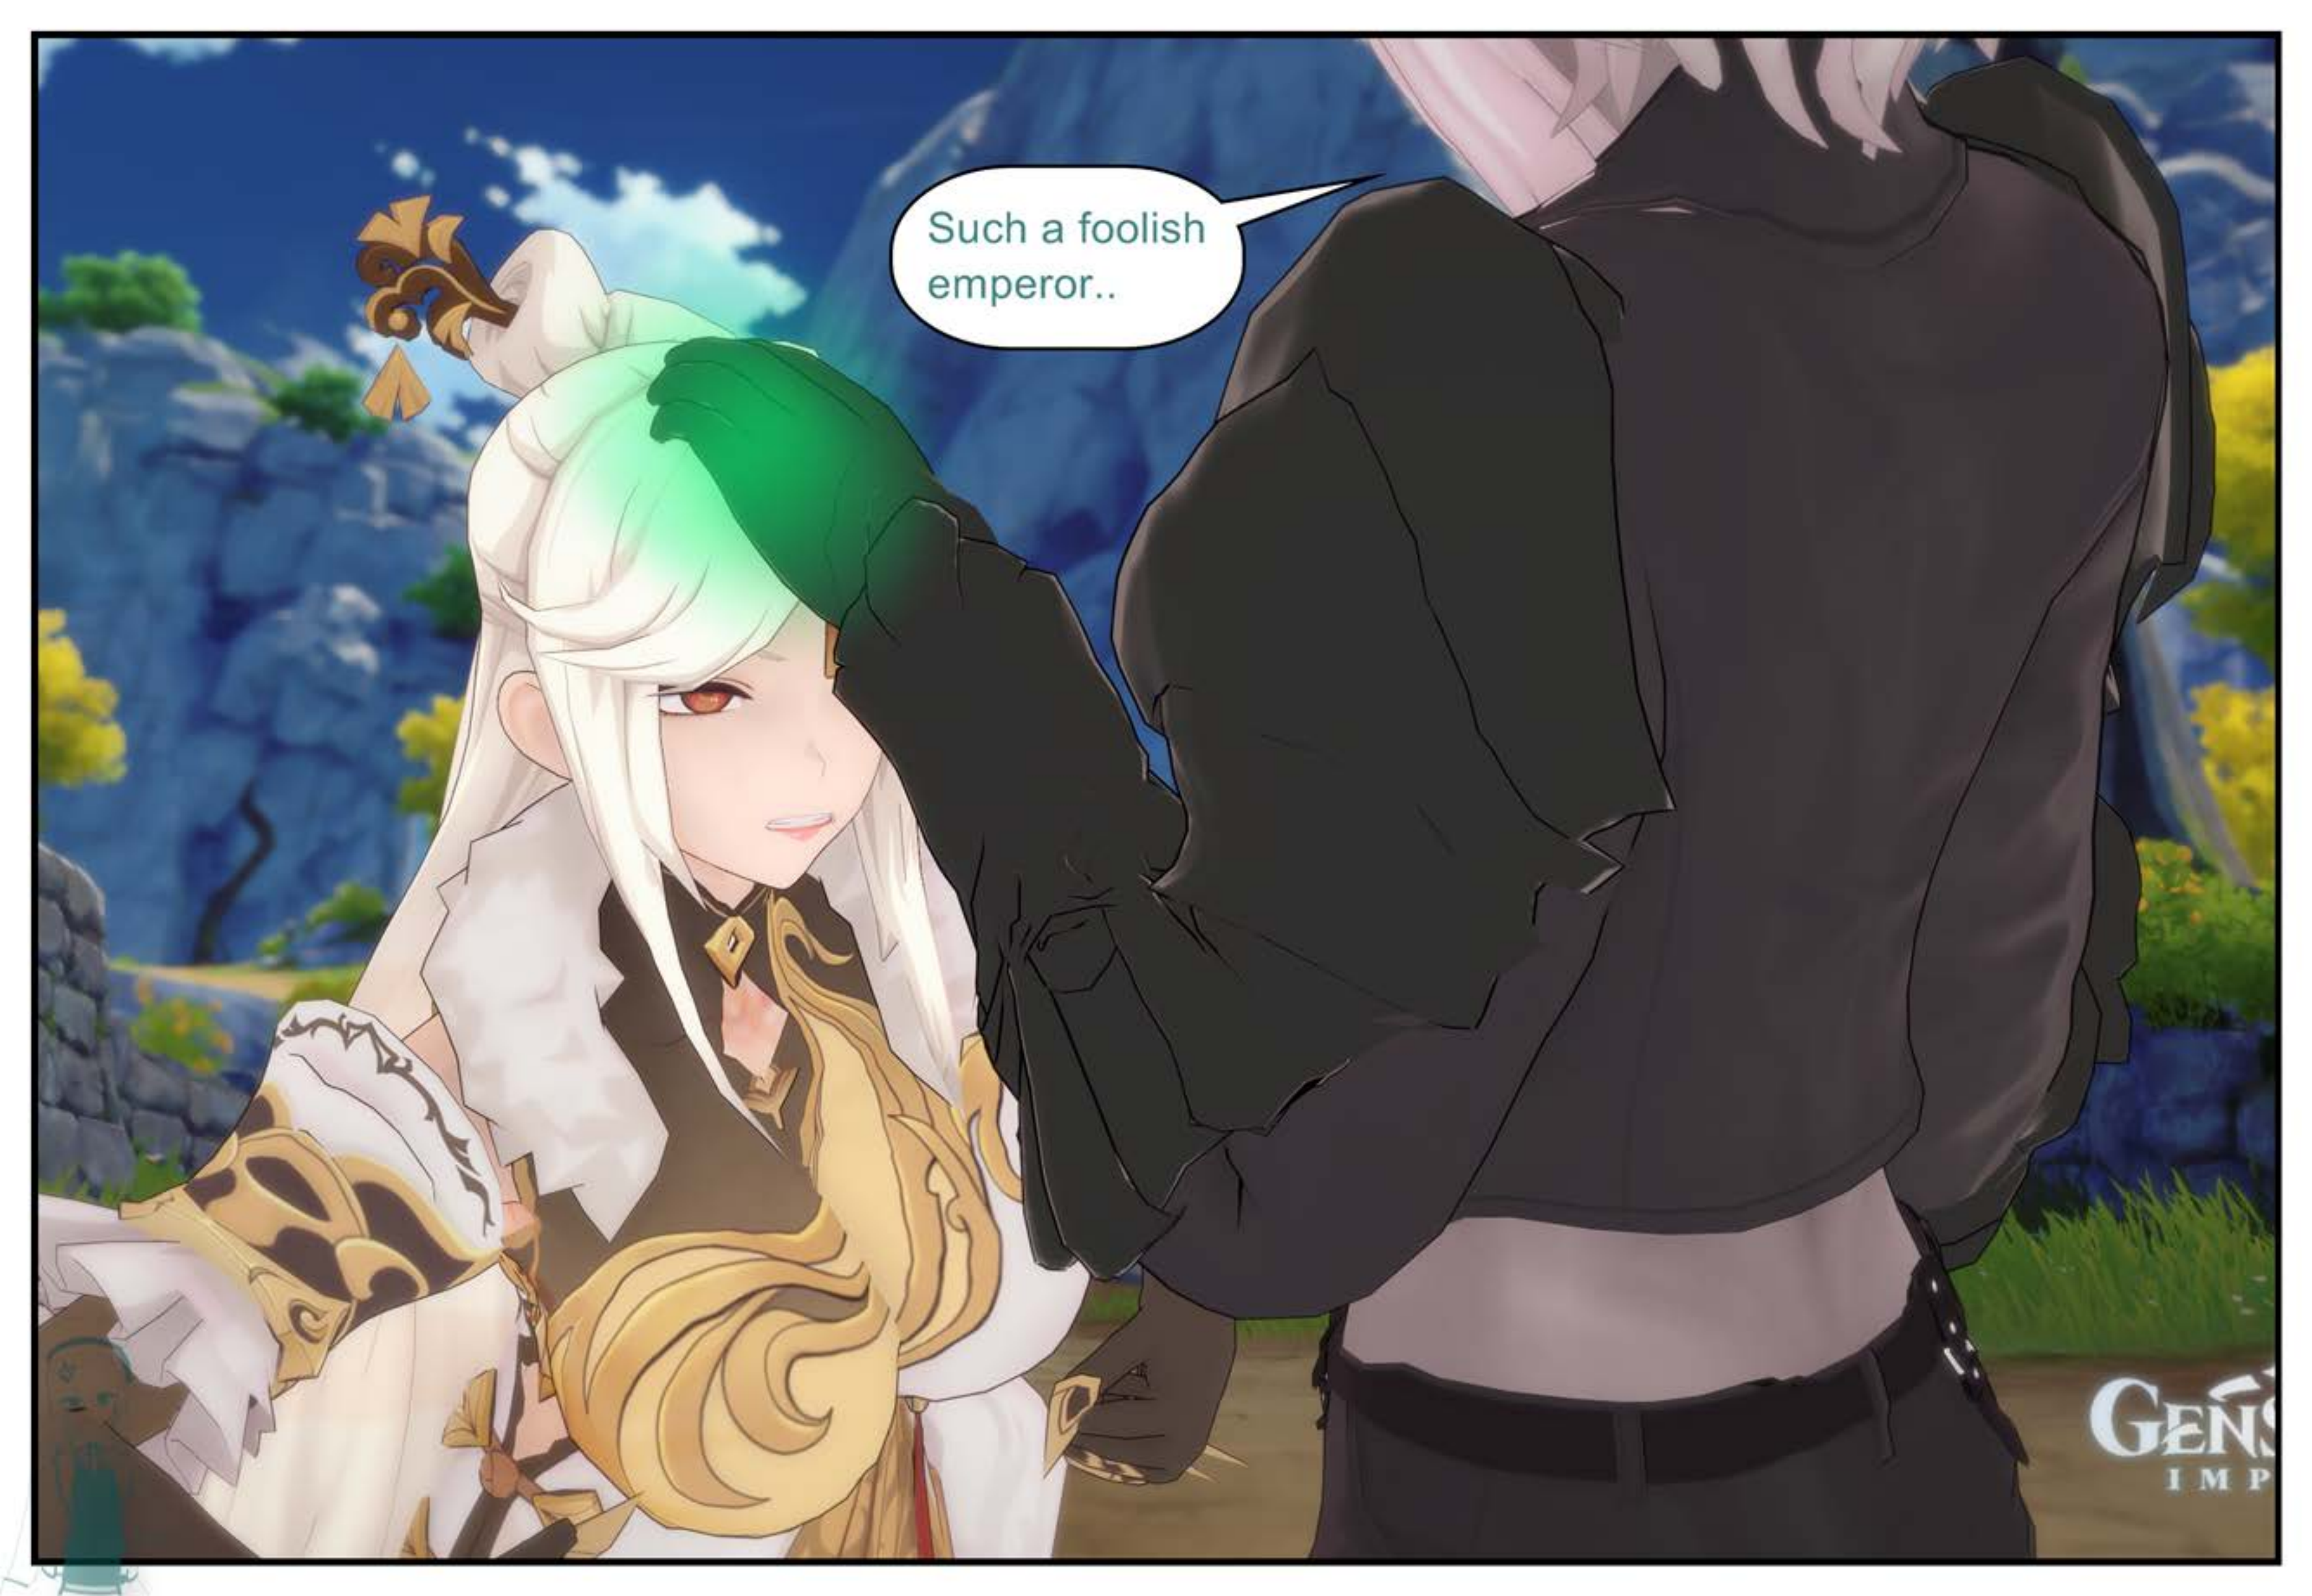

I don't want to wait long for an answer.

Isn't that obvious!?
This is my answer!

Such a foolish emperor..

Submit..

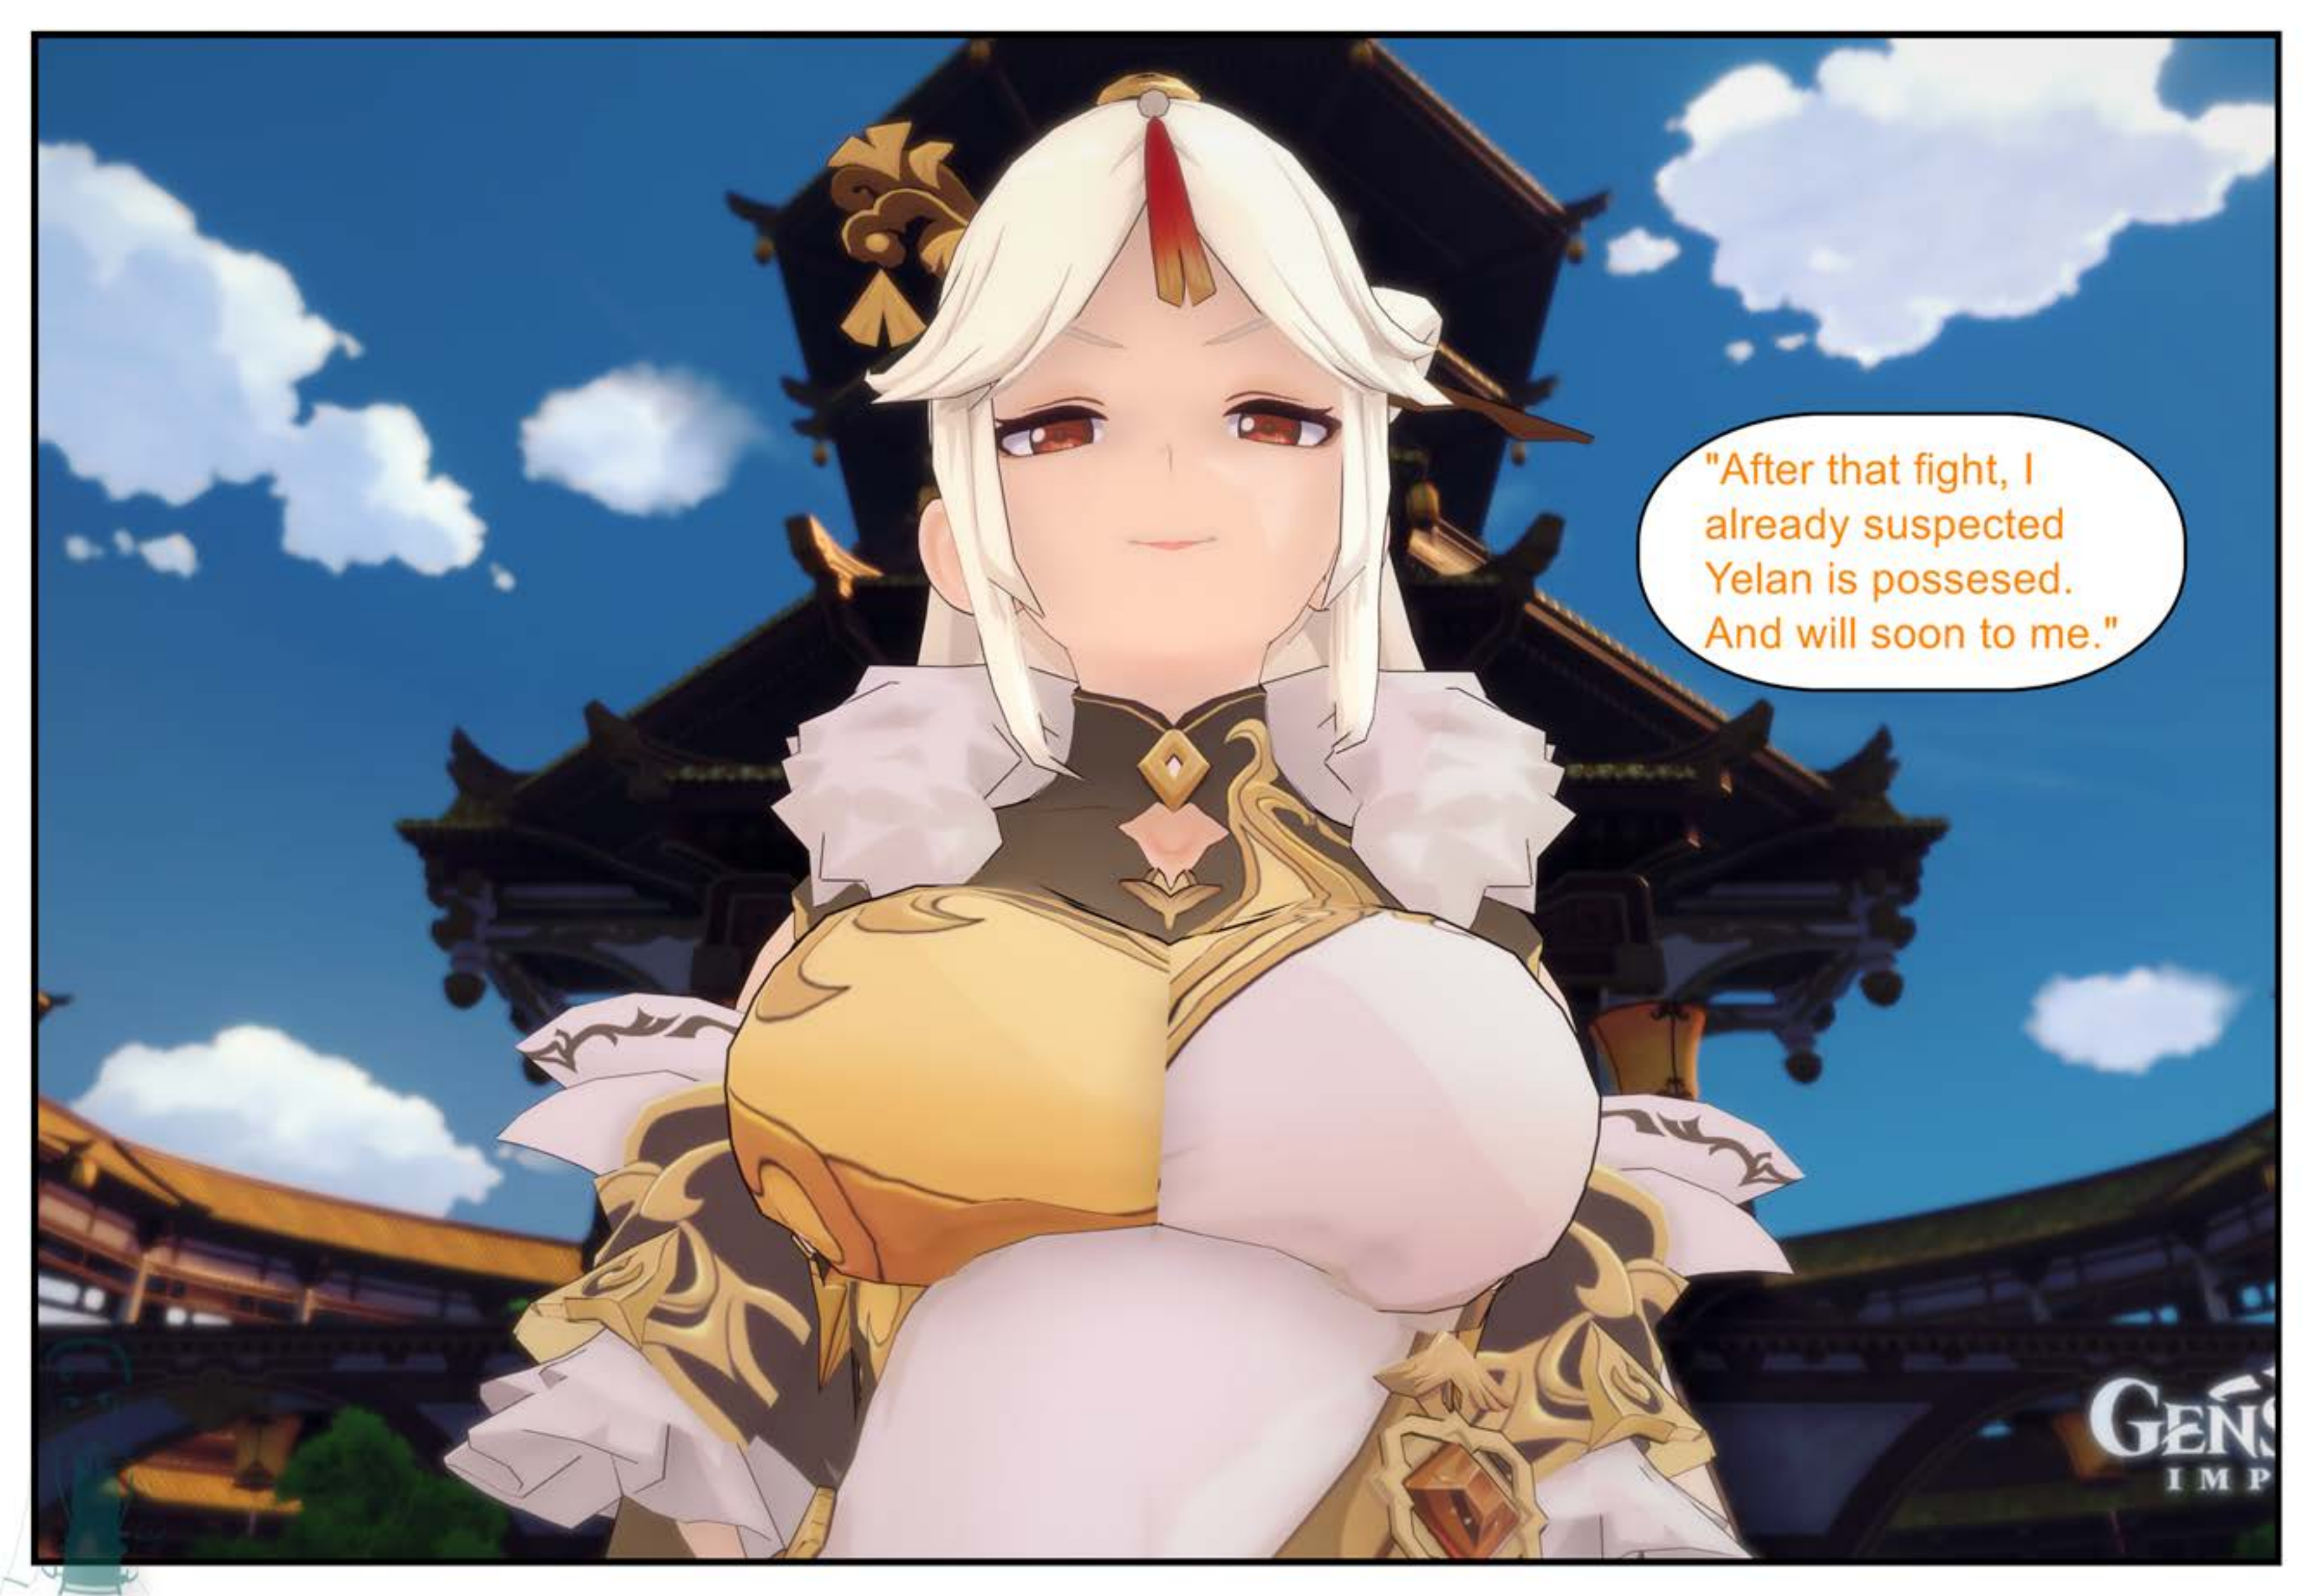

A character with long, flowing white hair and a white dress with gold and black patterns is walking across a vast, flat, sandy desert. The sky is a clear, bright blue with scattered white clouds. In the distance, a large, domed structure is visible on the horizon. The character is wearing black high-heeled shoes. A speech bubble is positioned to the right of the character.

"Dear Traveler,
When you read this
letter, Liyue is no
longer a safe place."

"There's one that has been looking for you, both I and Yelan are not its opponent."

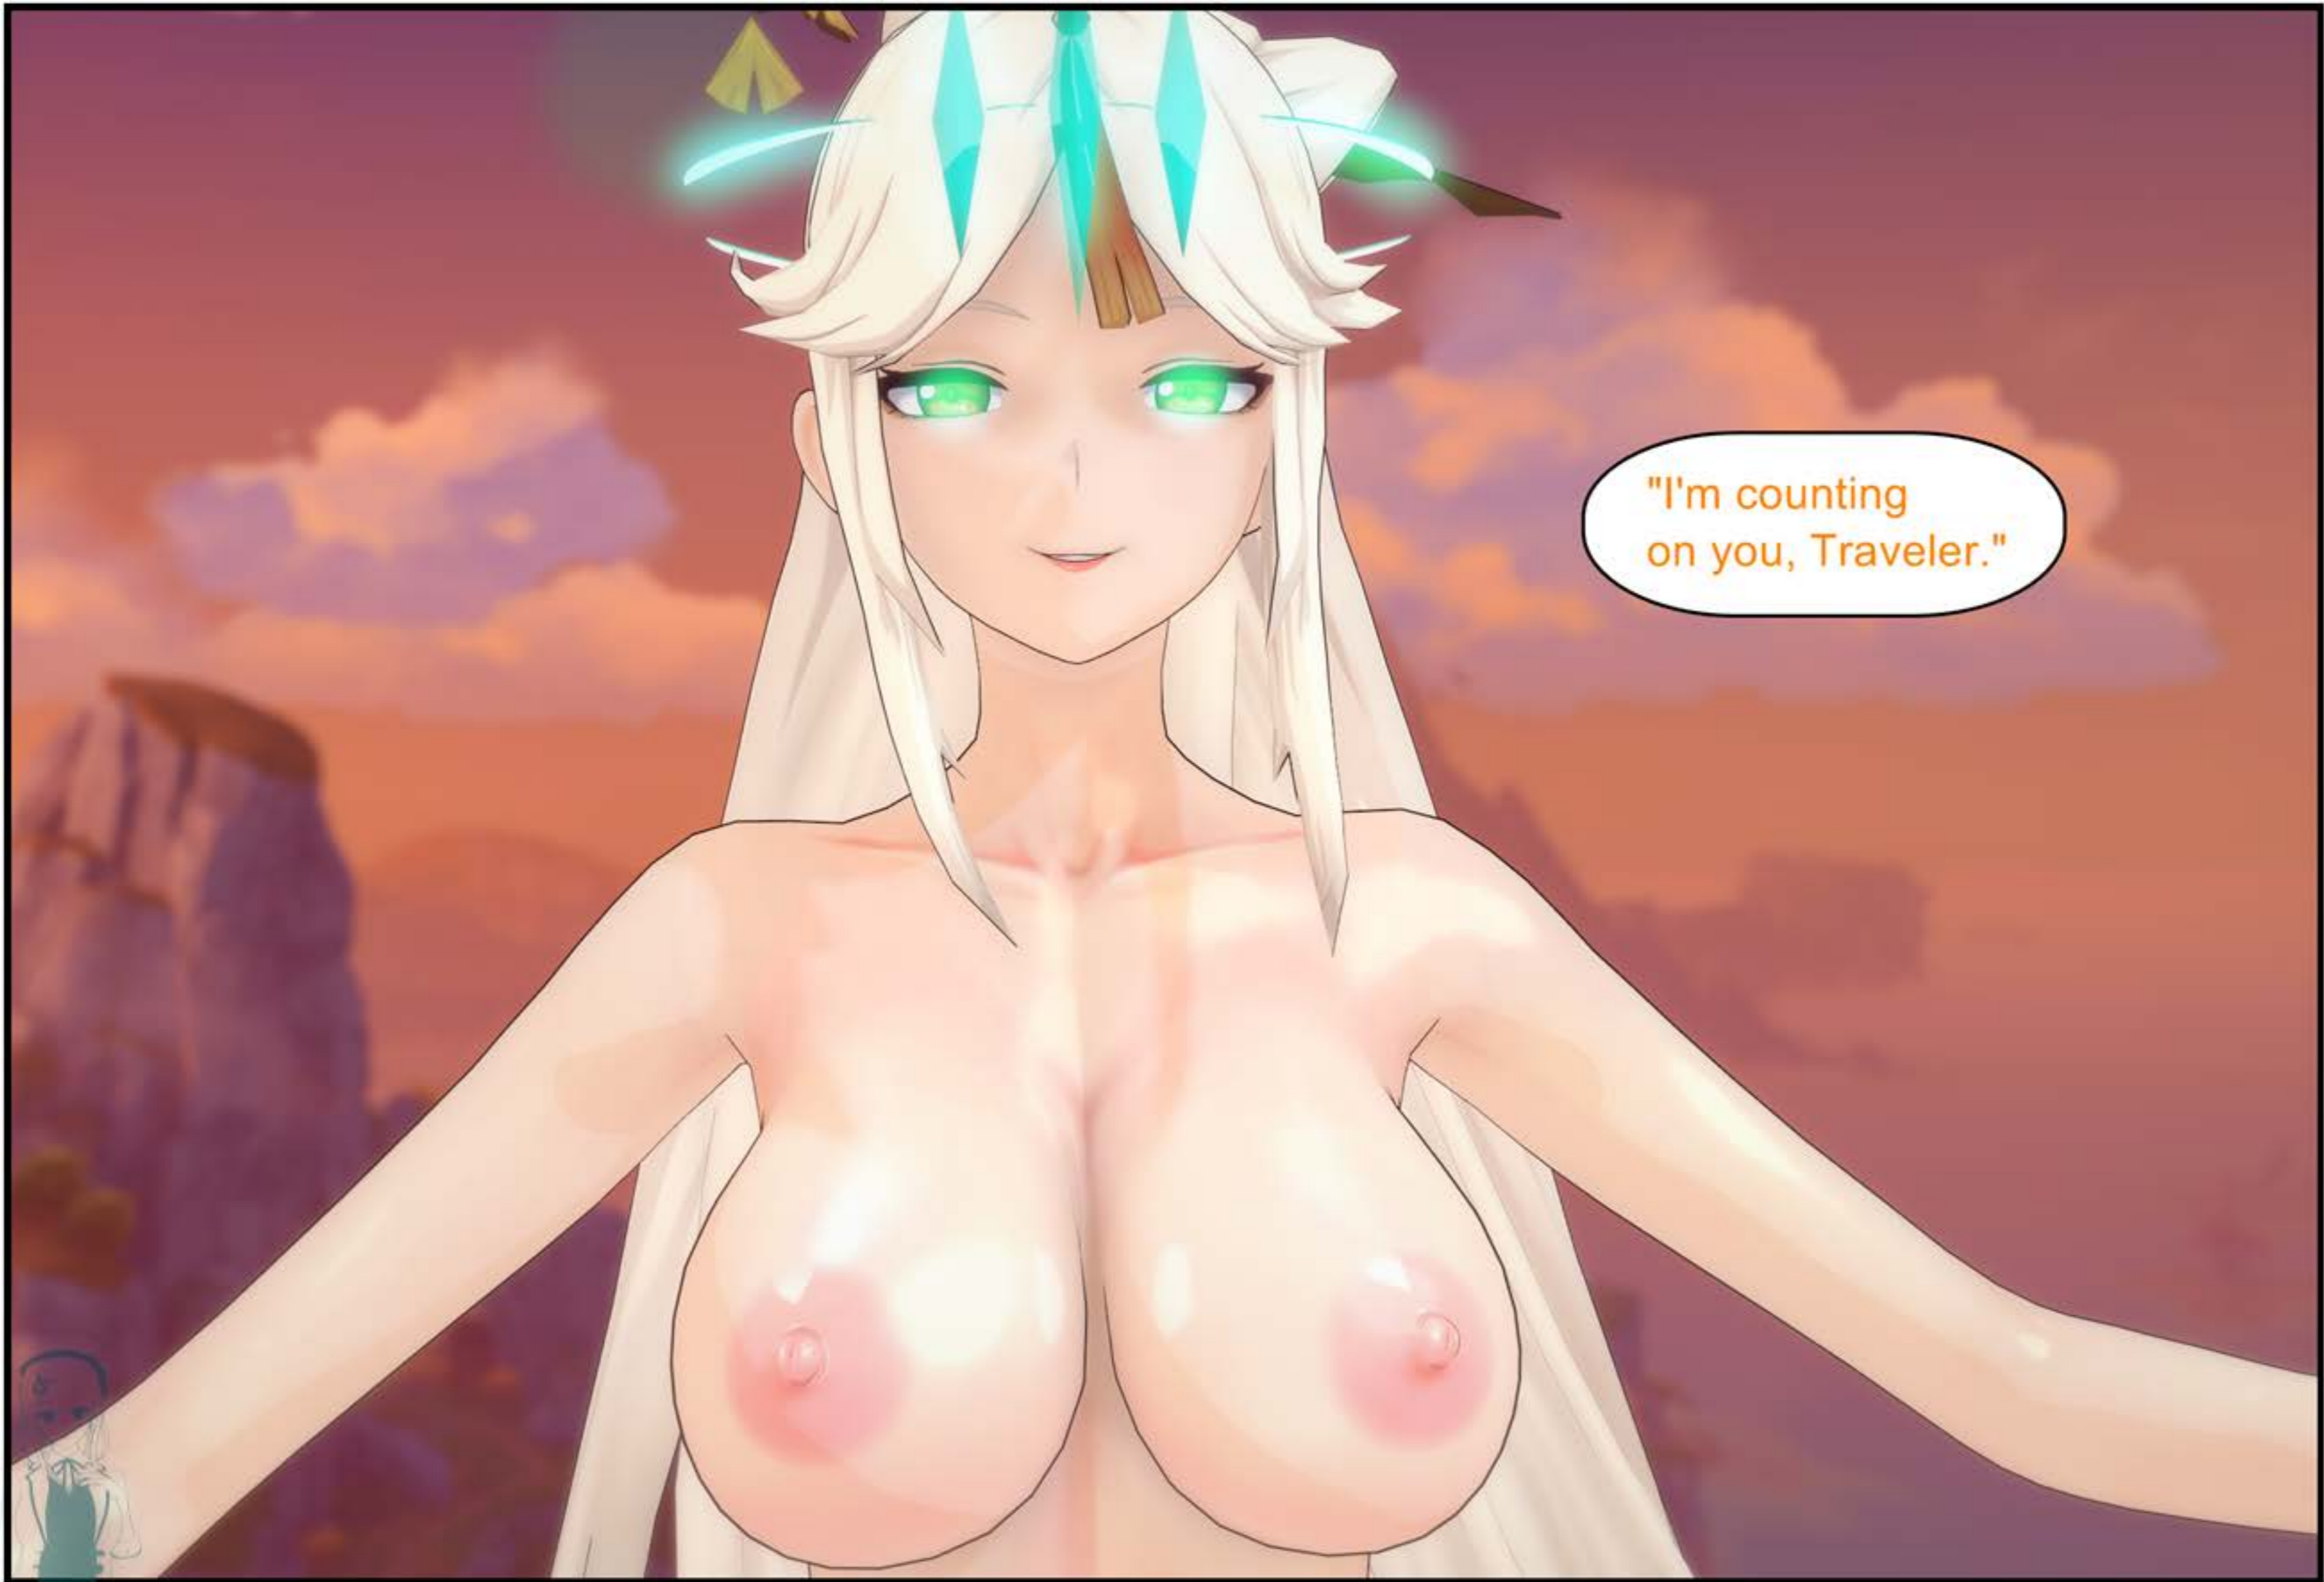

"After that fight, I
already suspected
Yelan is possessed.
And will soon to me."

"Before it destroyed Liyue with my body, you must stop that happen at all cost."

"I'm counting on you, Traveler."

"P/s: Kill me if you have to."

I entrust you to deliver this to her.

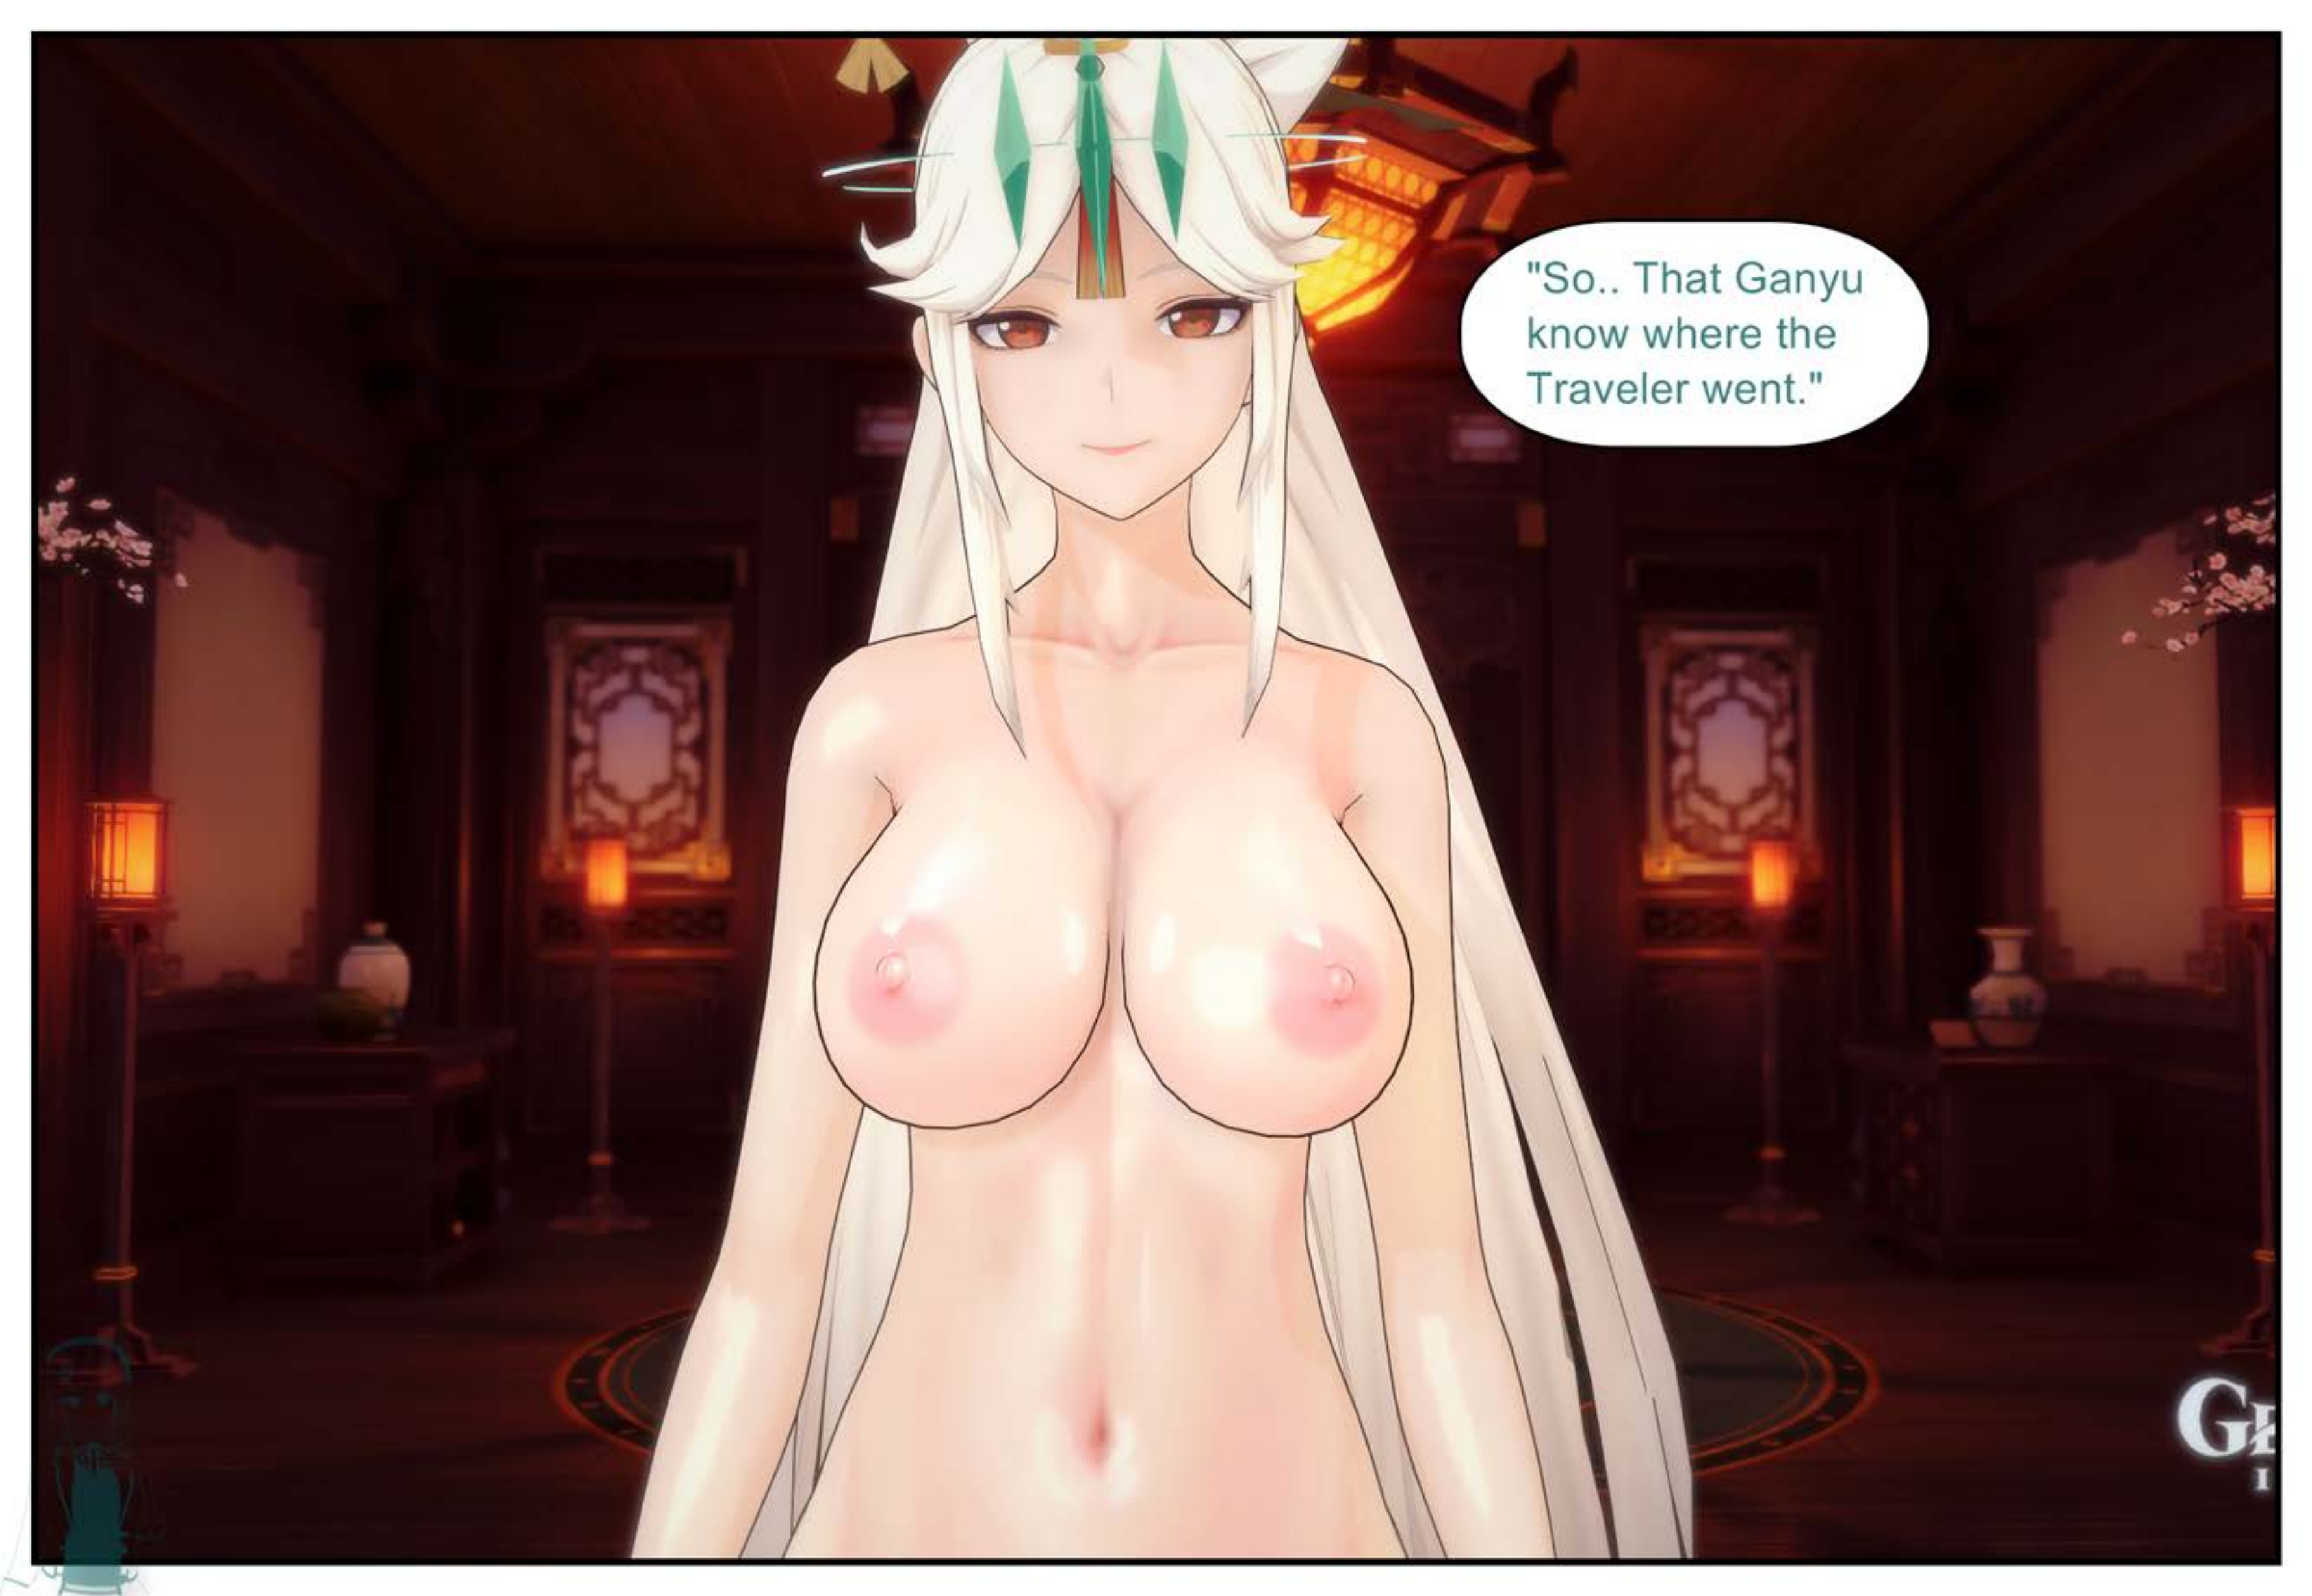

What about you, Ningguang?

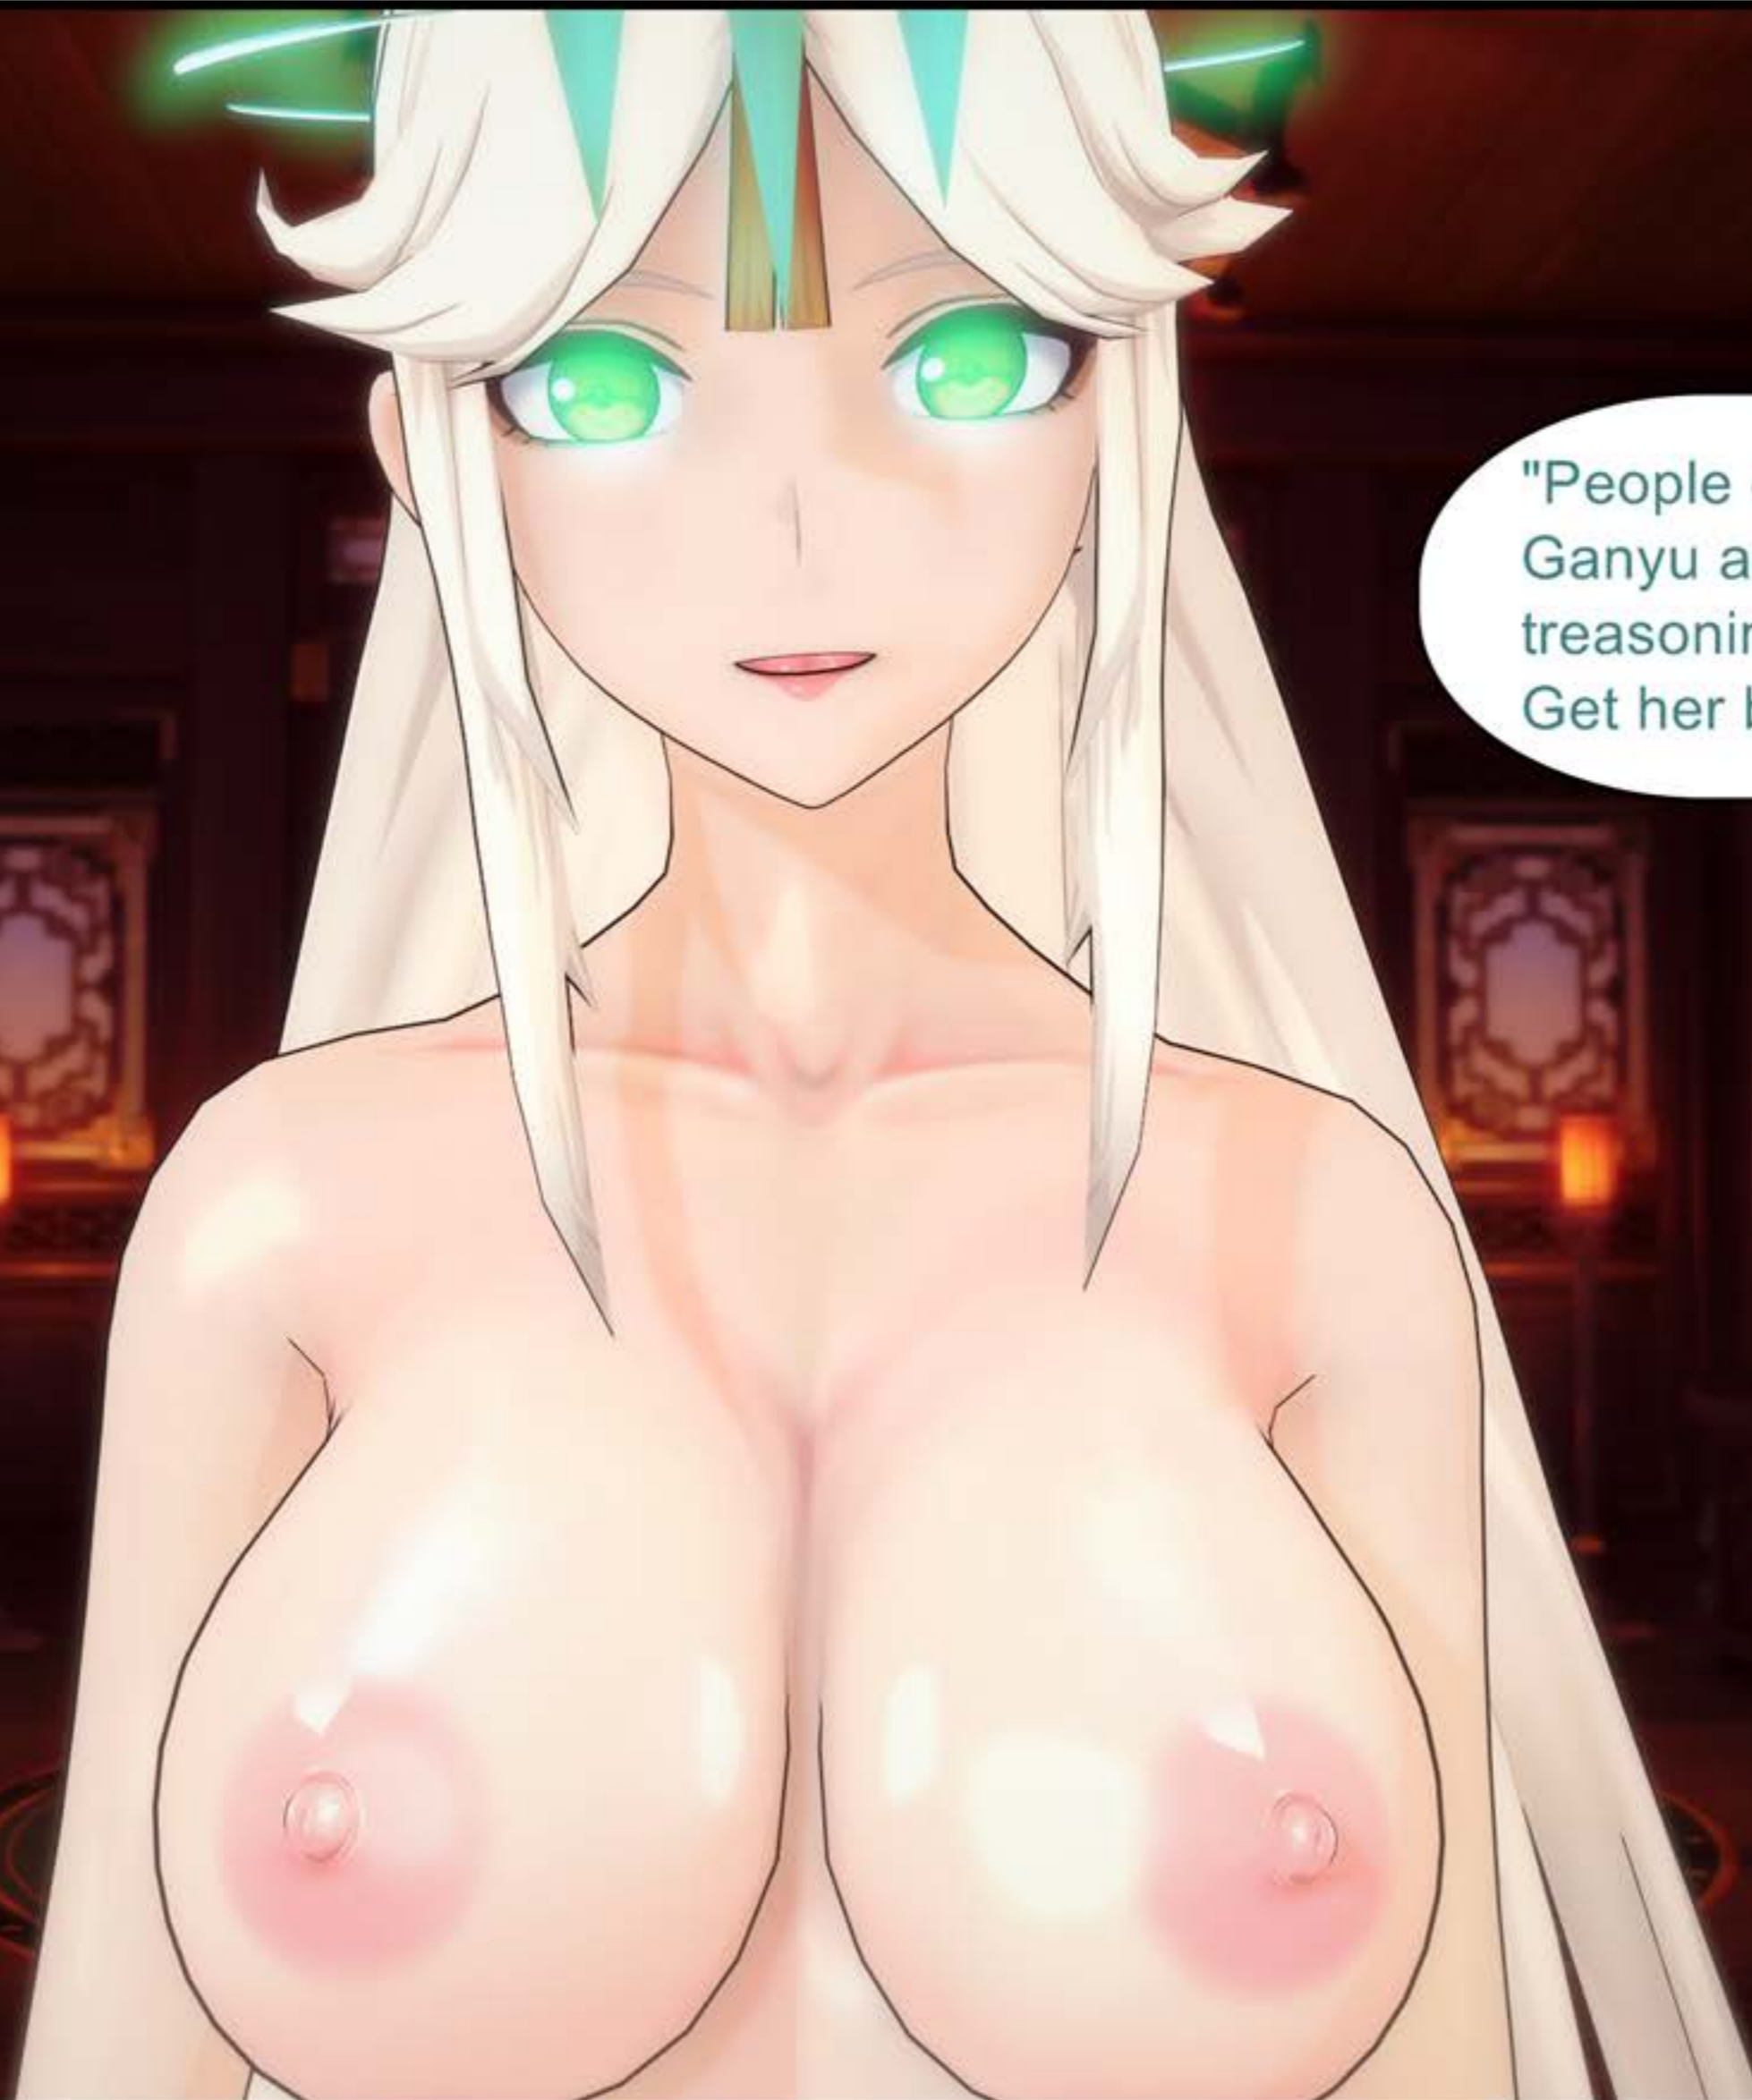

..Ganyu. You know where she headed.

I will stay and
play my role..

A character with long white hair and a green headpiece is shown from the chest up, wearing a white, sheer, form-fitting garment. She is standing in a traditional Chinese room with dark wood paneling, lanterns, and a vase. The lighting is warm and dim. A speech bubble is positioned to her right.

"So.. That Ganyu know where the Traveler went."

"People of Liyue,
Ganyu accuse of
treasoning our country.
Get her back here alive."

To be continued?
