Will Mai really be able to Can you make them all cum within the 72 hours the drug is active?

If you can make them all cum, I'll give you a pill that won't get you pregnant

Service them as best you can, just like you did at the handshake session

If you disappoint your fans, I'll throw the pills away!

Let me drink first! I'll give you a blow job or whatever you want... please!

If you keep on spoiling it, we'll get more and more of them, okay?
