"Please return safety.."

Meanwhile..

*pant*.. *pant*..

Hah.. How long..
do I have to.. walk
like this..

"It's not good that I
lost track of him
in this huge desert.."

"Also, my magic is being depleted.. And I'm getting heated up.."

"Maybe.. this is the last drop of water barrier in order to keep me going.."

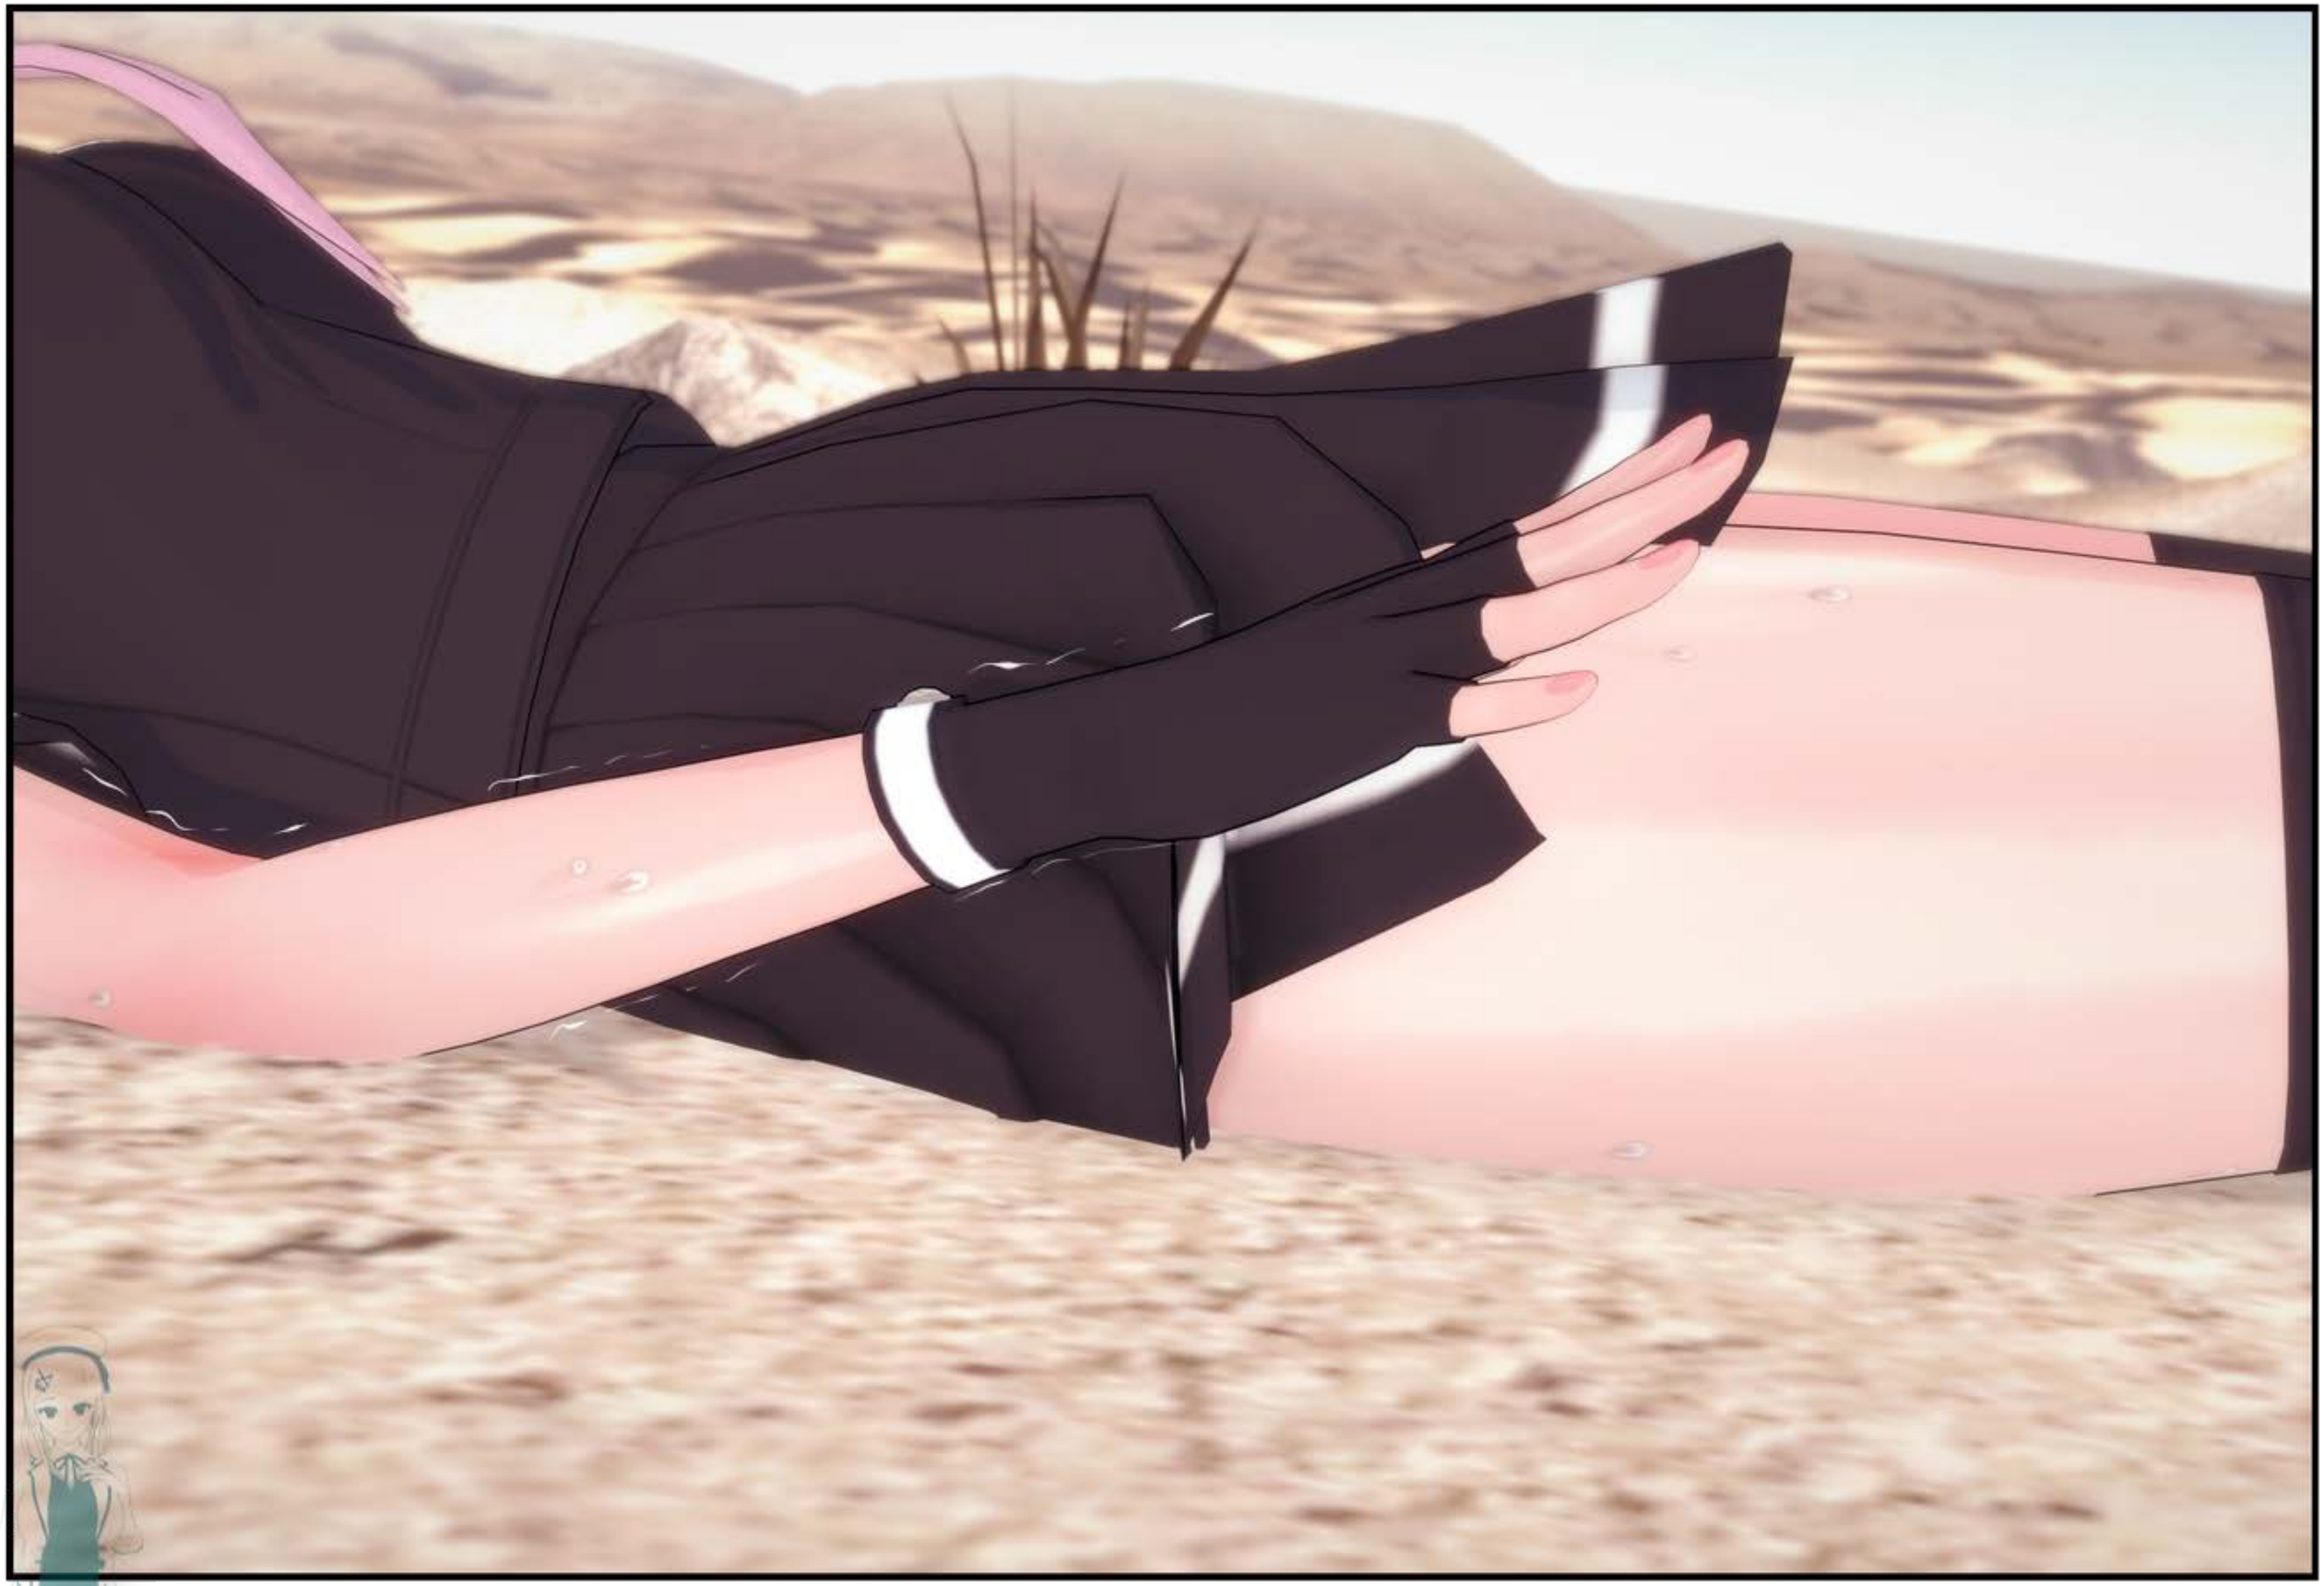
"I can't navigate anything under this brighty sun.."

"I have to.. keep..
moving? Ah.. W-Wha.."

"Why..? Was it because I stay here for too long?"

"Come on.. I must..
keep going.. Stand.. up..!!"

"Ah.. I can't.."



"Haha.. Look like..
I'm not going to be
a dry skeleton, right?"

"Hmph.. I finally possessed a strong body."

"Still, I didn't know why I overreacted back there.."

"But at least, I don't cause too much attention."

"In order for me
to use her to observe
this place for a while."

"This village.. almost the same as the one in that forest.."

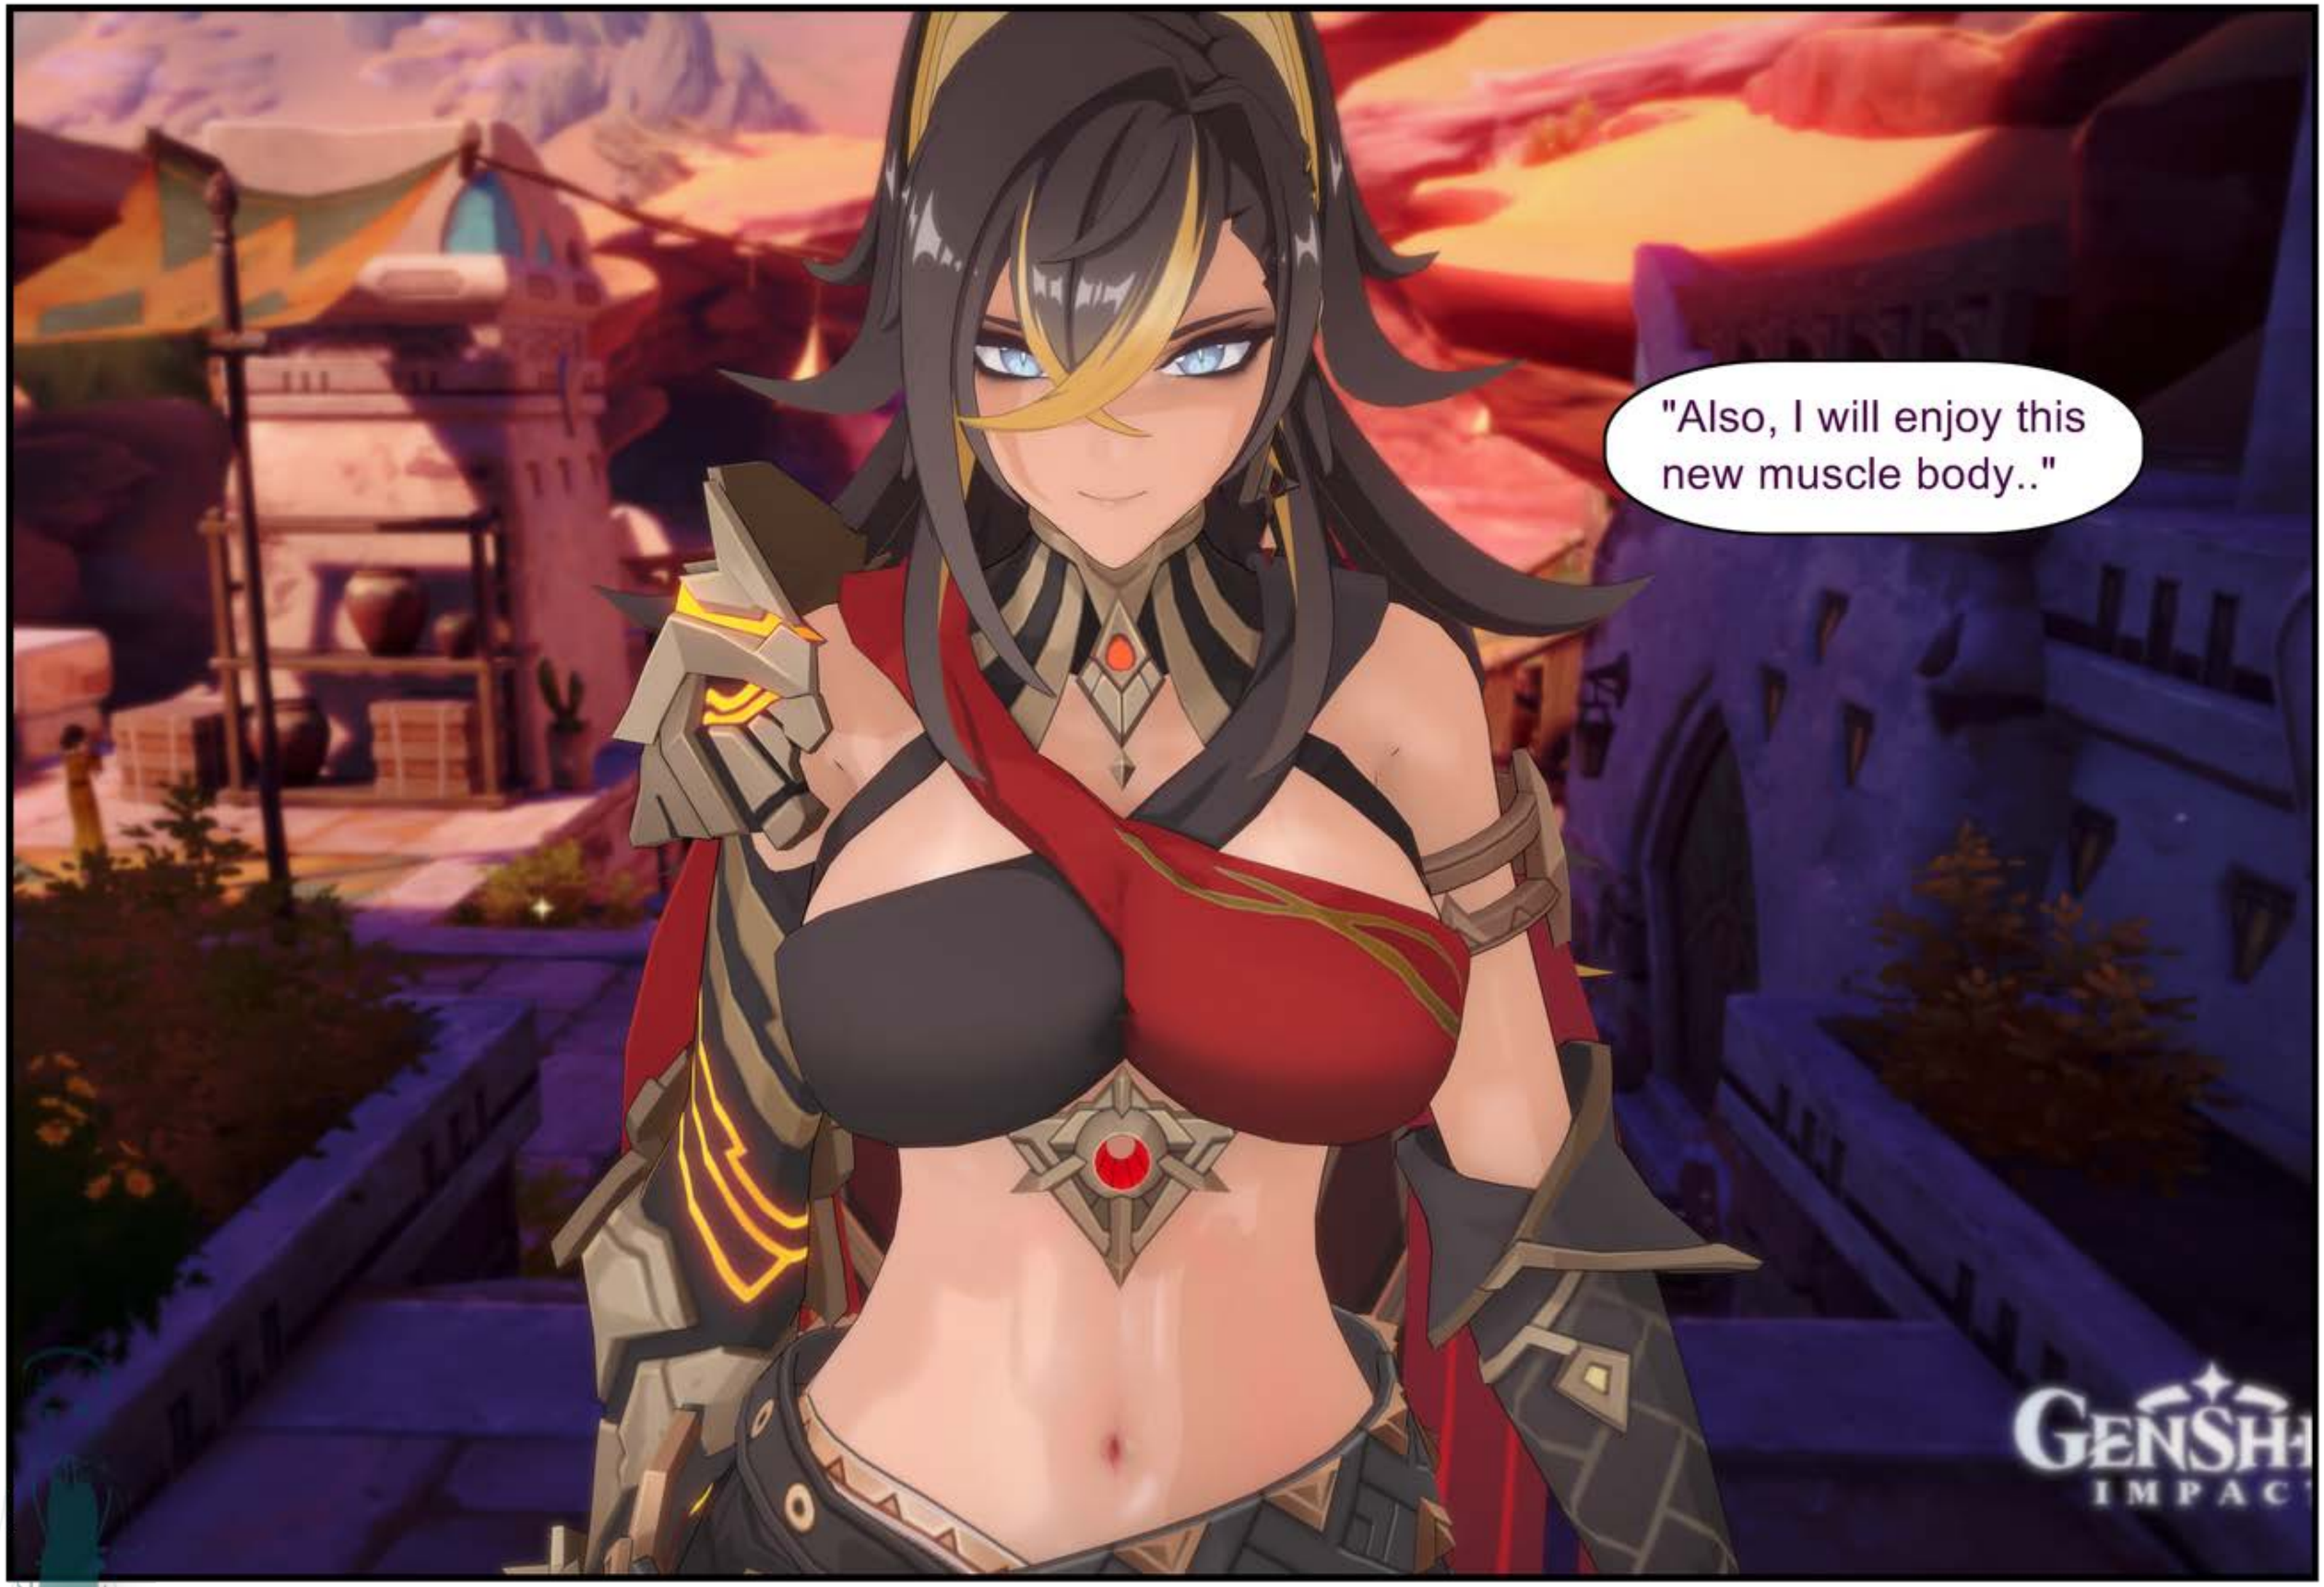
"As both are pretty distinguished.."

"As I extract a little memories from her, this is the animal use for transportation?"

"It's a decent and peaceful place though.."

"And I'm going to take over this village as my base.. Hehe.."

"For now, I have to find a shelter which I can settle down."



"Also, I will enjoy this new muscle body.."

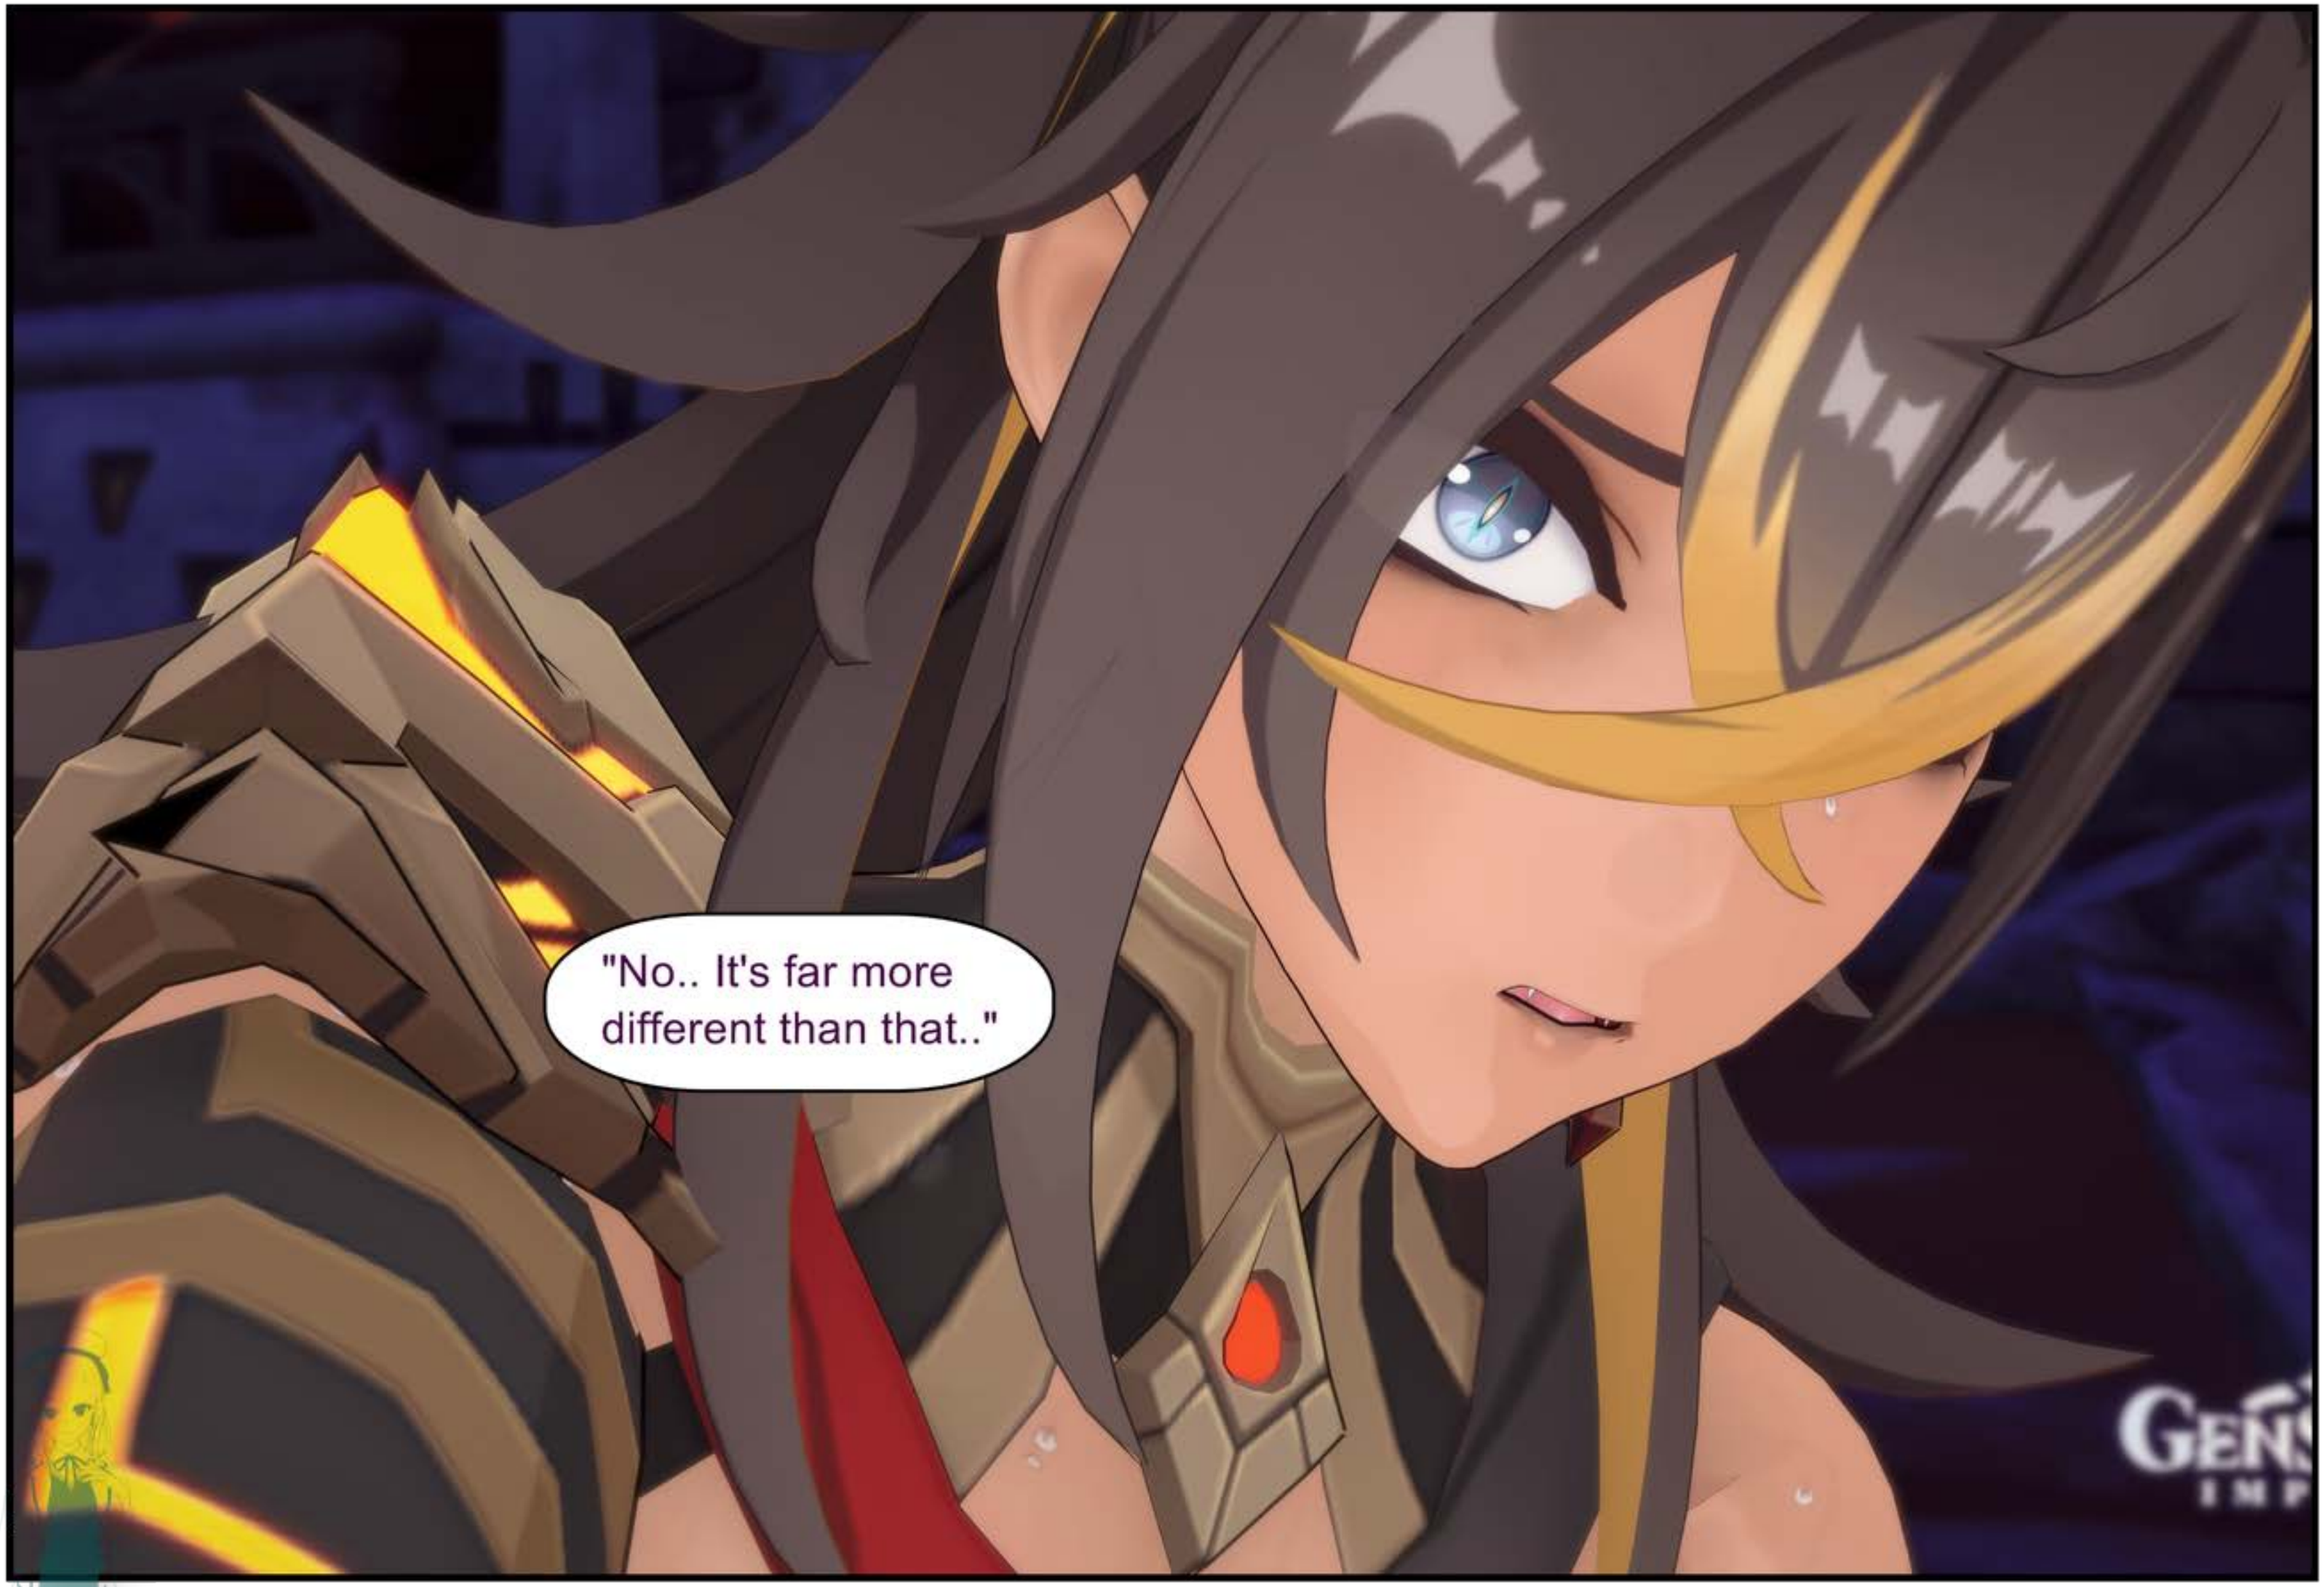
"W-Wha..!? Is she resisting..?"



"No.. It's far more different than that.."

"I'm getting too much attention.."

Dehya..? Are you doing alright?

Is she okay? Let's get her to village chief!

I'm okay.. I just..
need a little break.

"What is happening to me..? If I wasn't being resisted.. then.."

GENSHIN IMPACT

"Harder breathing..
Something is urging
inside me.."

"It's a deep,
and hollow place.."

"Am I.. belong to it..?"

Dehya?

Are you.. doing okay? I saw you at the stair..

I'm good, there's no need to worry about me.

Is it true? You don't need to hide it..

It's getting dark soon,
I think you should go

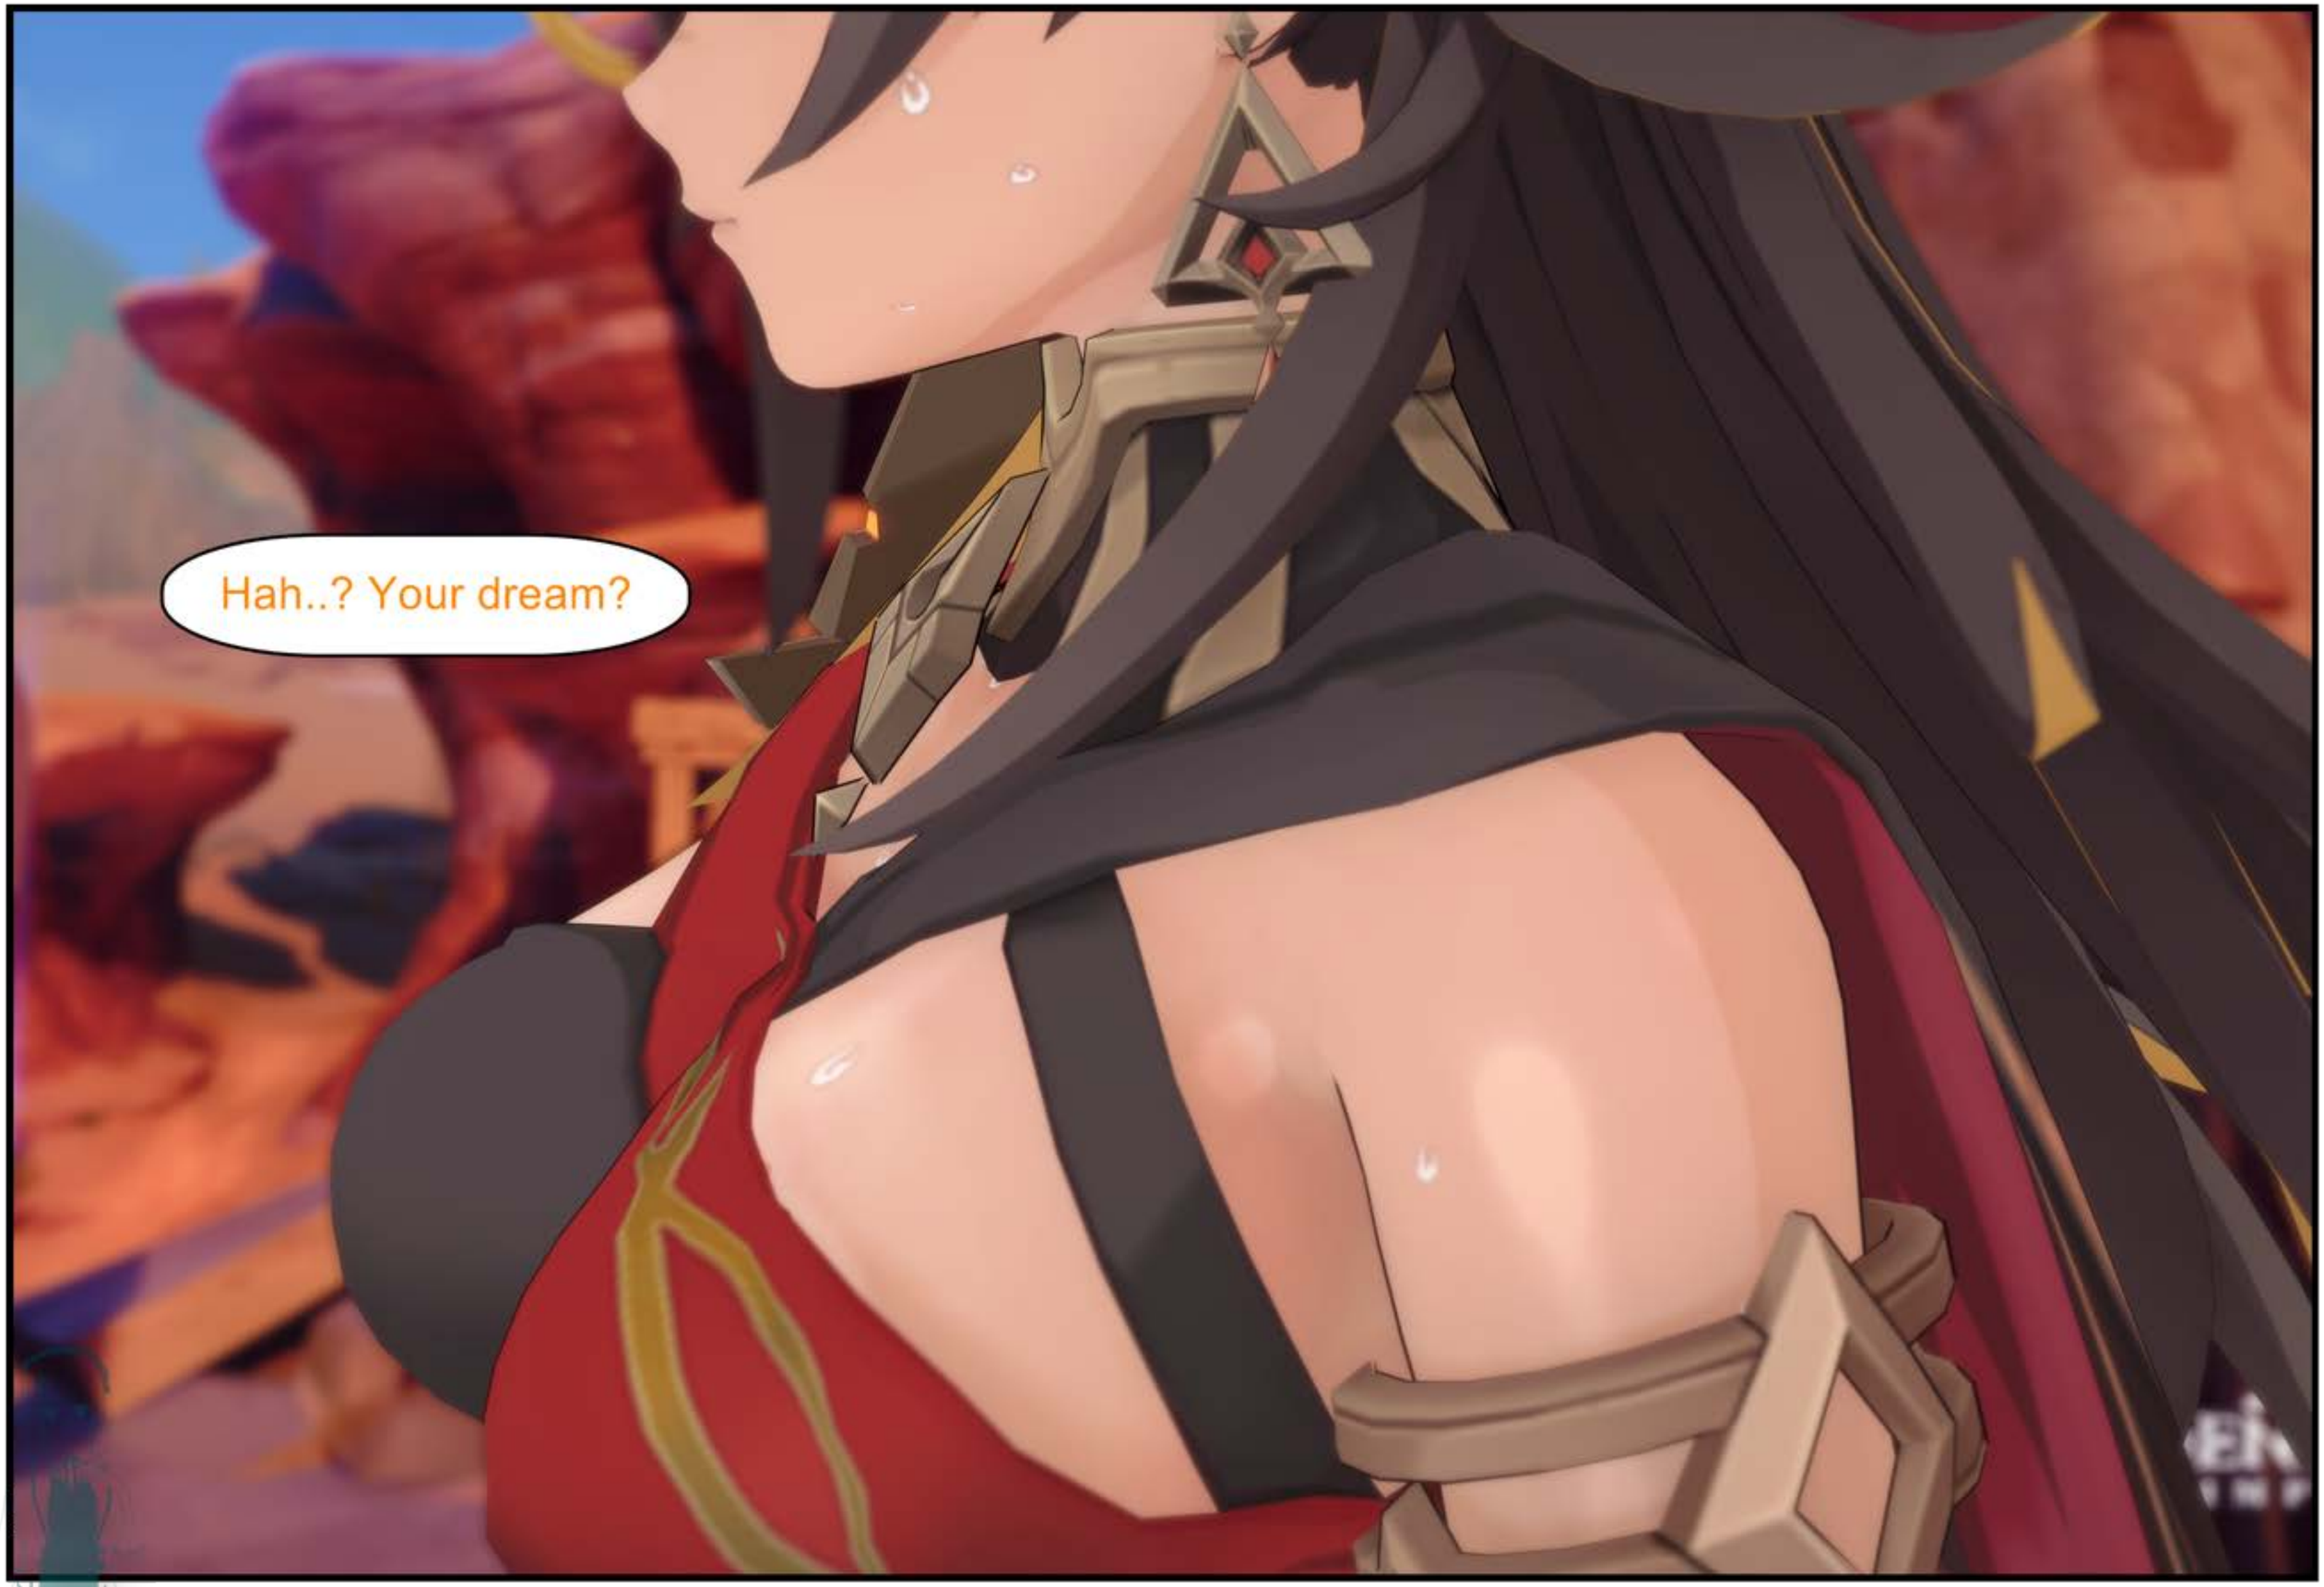
It's okay, Dehya!
I can take care of
myself just like you!

"A.. dream..?"

Because when I grow up, I dream of having an adventure in the desert with Dehya!



Hah..? Your dream?

I surprised that a ghost also have it..

Of course! Mine will be very big!

Taking over the world, having people serve me as their Master..

Drop that, and don't use Yumiko to say it.

She allow you to take over, but didn't mean that you can do whatever you like.

Then.. What about
a smaller dream?

Becoming an actual person, and having a happiness life?

You can. But aren't you having us.. as a small family?

Oh.. right, I almost forgot that I have you and Yumiko..

Even my dream of conquer the world not yet true..

..But I still have my own base here~

Along with my two Servants also.. Ahaha!!

You better watch your mouth.. I still can seal you off, got it?

D-Dehya..?

Why are you crying?

W-Well.. I..

It's nothing.. I just having dust in my eyes.

"I can't understand
myself anymore.."

"Am I.. really want
to go back that much?"

"Actually.. I really am.. to be with them again.."

"If then.. Should I just wait?"

"No.. I better work
my way out also..
This is what Yumiko will.."

"..say.. to.. me!?"

That feeling.. Uh..
Again.. Aaahhhh!!

"Stop lying to
yourself.. You don't
want to go back."

"This is your world, take it and achieve your dream."

T-That's.. not..

"Do it! Better than
go back, and imprisoned!"

"Right.. There's
no way to return.."

Why didn't I.. think of it.. Why did I hestitate..?

They will never come for me..

..and I am going to be.. the new ruler of this Teyvat!

D-Dehya? Are you alright..? Since you.. ran off like that..
