AFTER SCHOOL

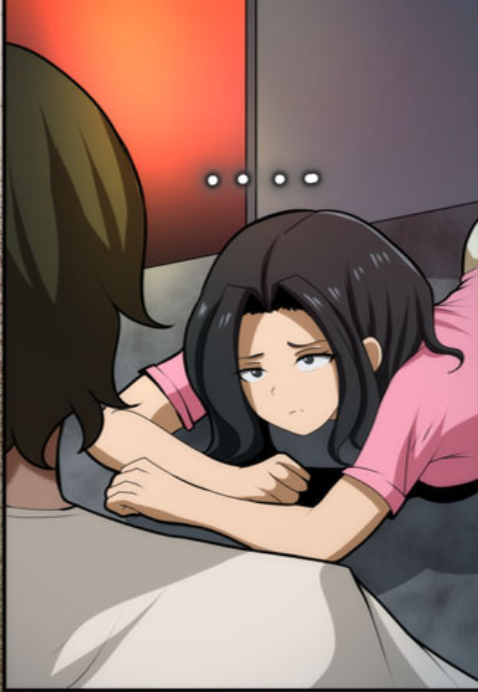

You're responding well...

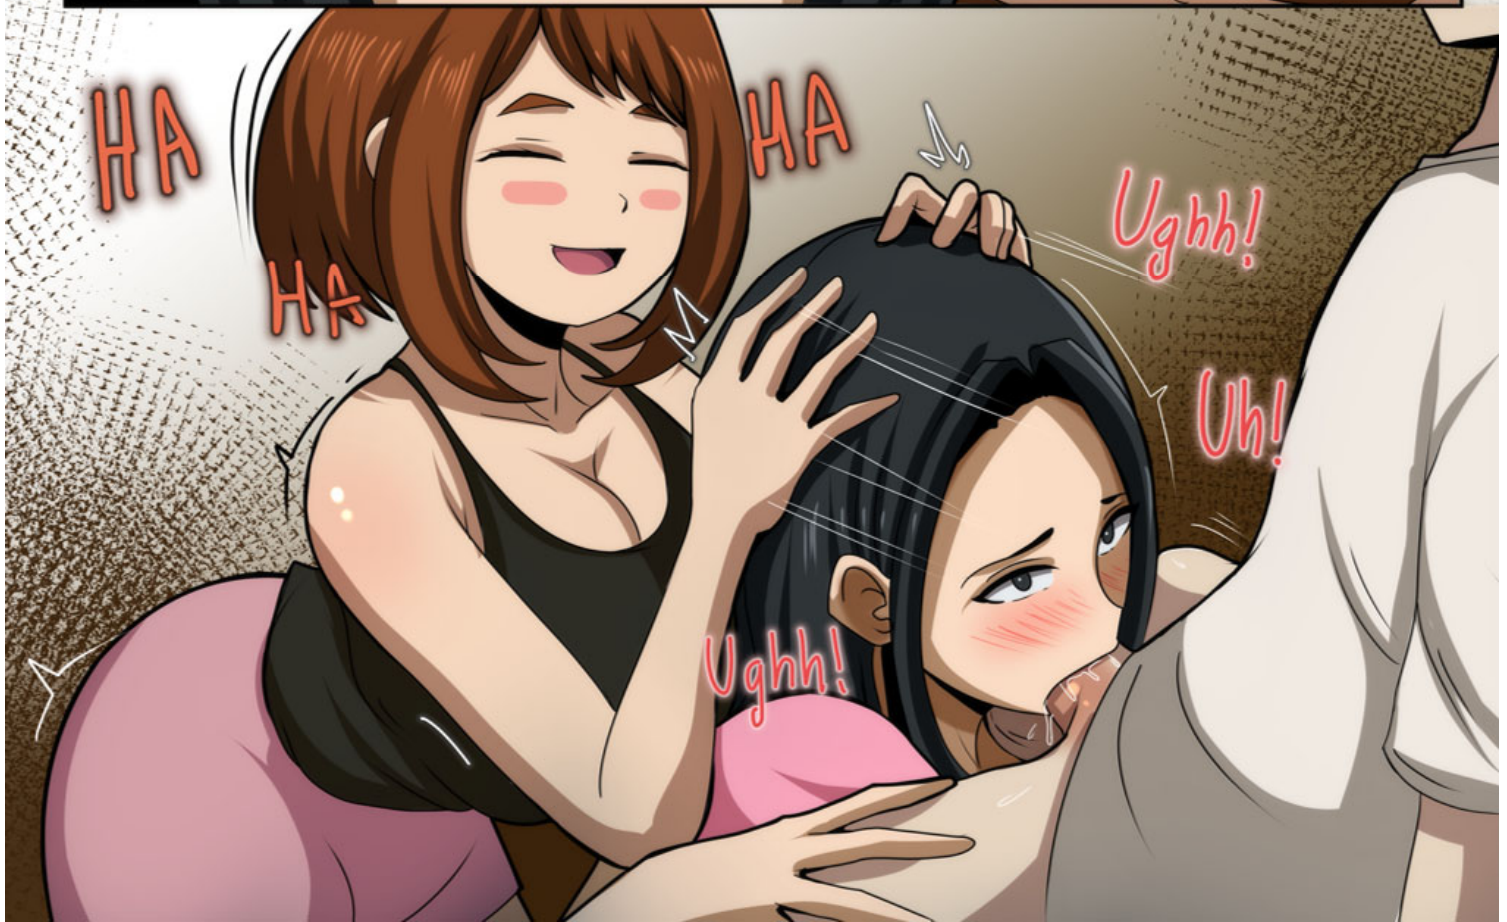

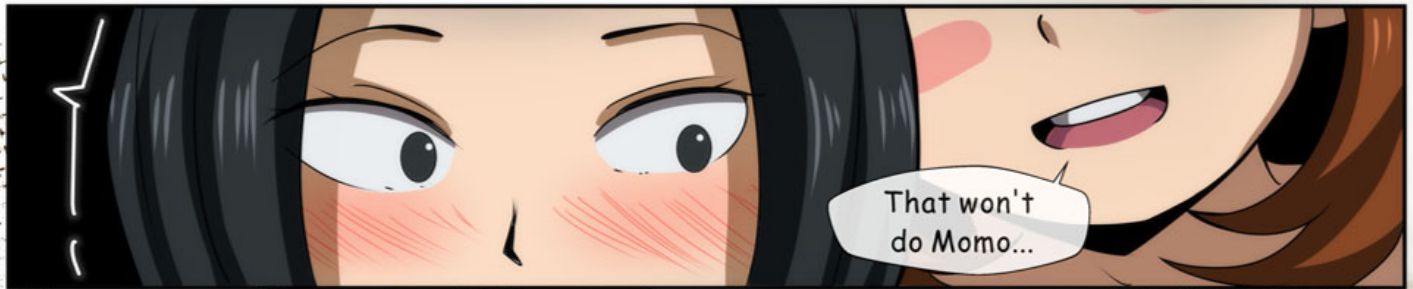

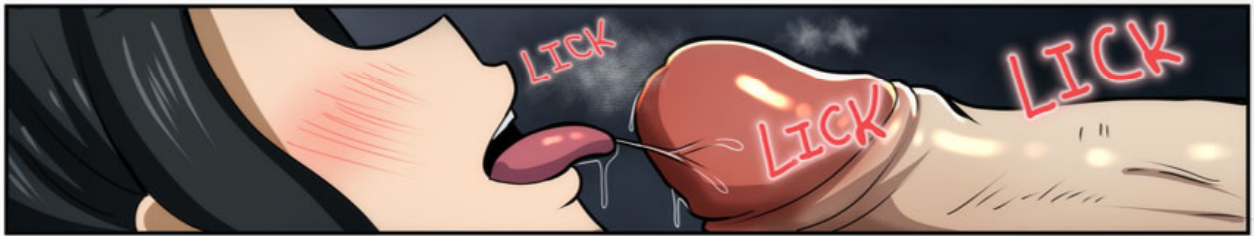

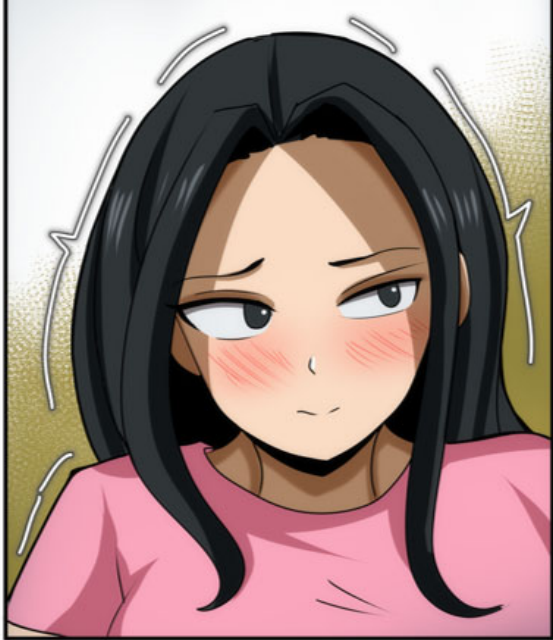

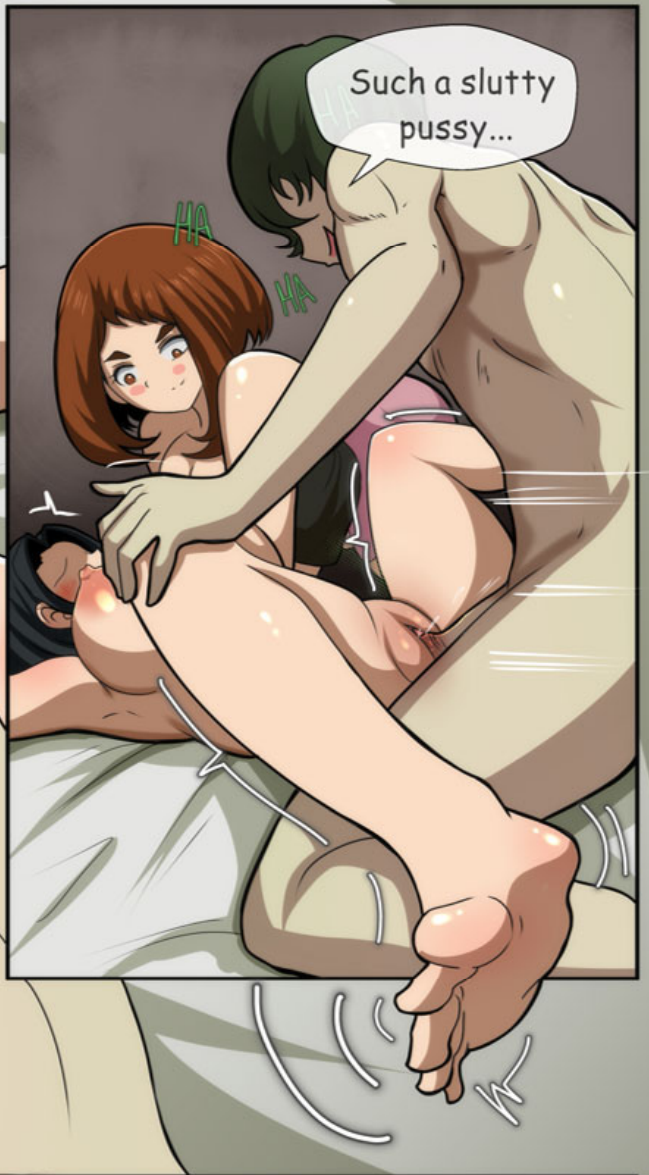

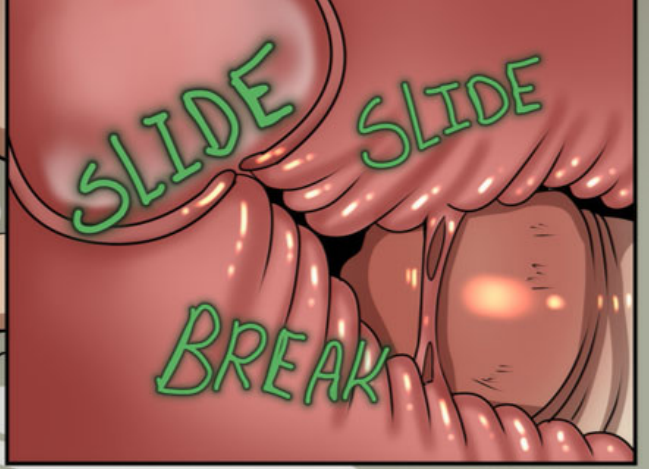

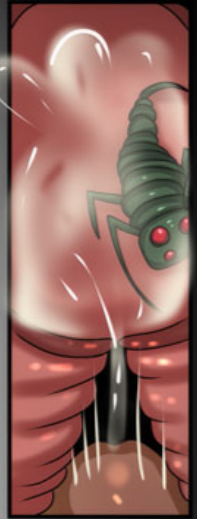

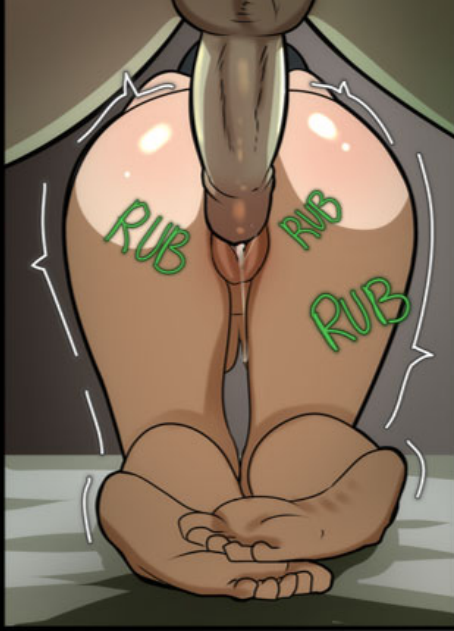

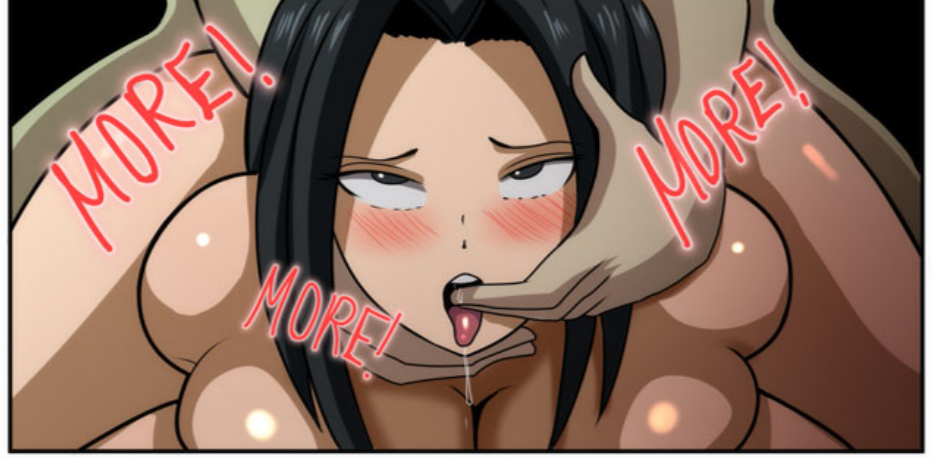

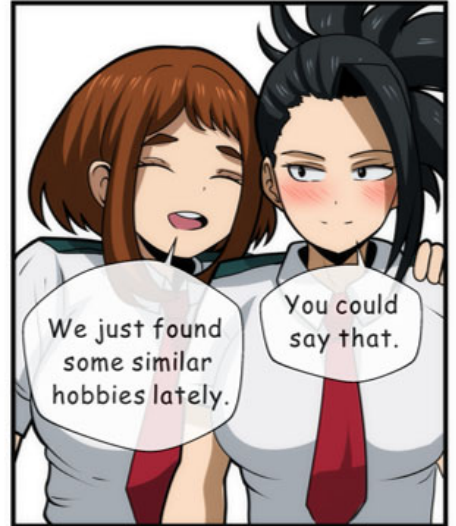

Afterword:

Heroine Corruption Chp 2 is finally out! From the feedback and the number of people asking about the sequel, the current series seems to be (hopefully) liked by y'all. Have an idea for the next girl, which I hope y'all will like, but we'll see haha. Let me know if y'all have any guesses who's next haha XD

Oh right, that reminds me, there seems to be some confusion about where I post my stuff, other than Gumroad, Pixiv, Twitter, SubscribeStar and Patreon, I don't post my stuff anywhere else. Been getting some people from very suspicious sounding sites asking me pretty interesting questions lol, which left me equally impressed and concerned.

As always, thank all of you for your support! I know I say this a lot, but I really appreciate all of you supporting us like this. Let me know if you have any feedback or suggestions yeah!
