

THE TOWER

Outside the Tower of Shadows....

Pay the toll,
dog!

My business is
with your master,
alone!

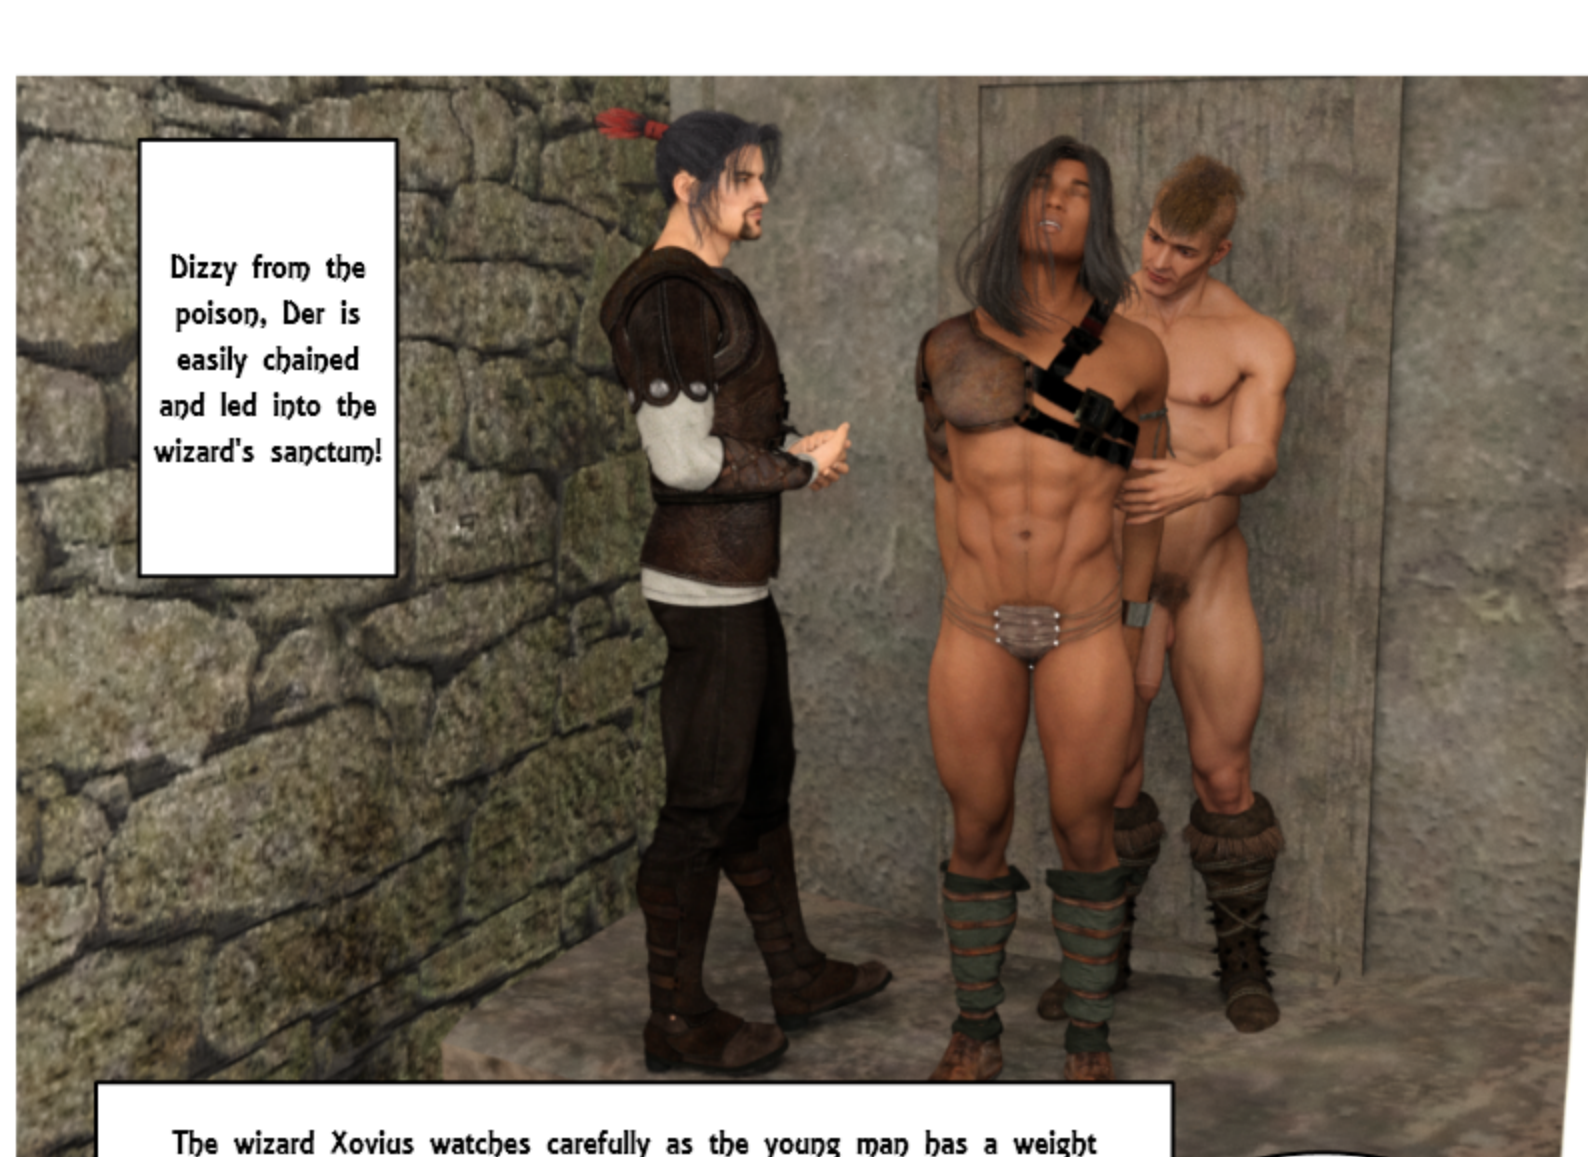

Der is wrestled
into submission,
then suddenly...
the axe's
poisoned edge!

Der is overcome by trickery!

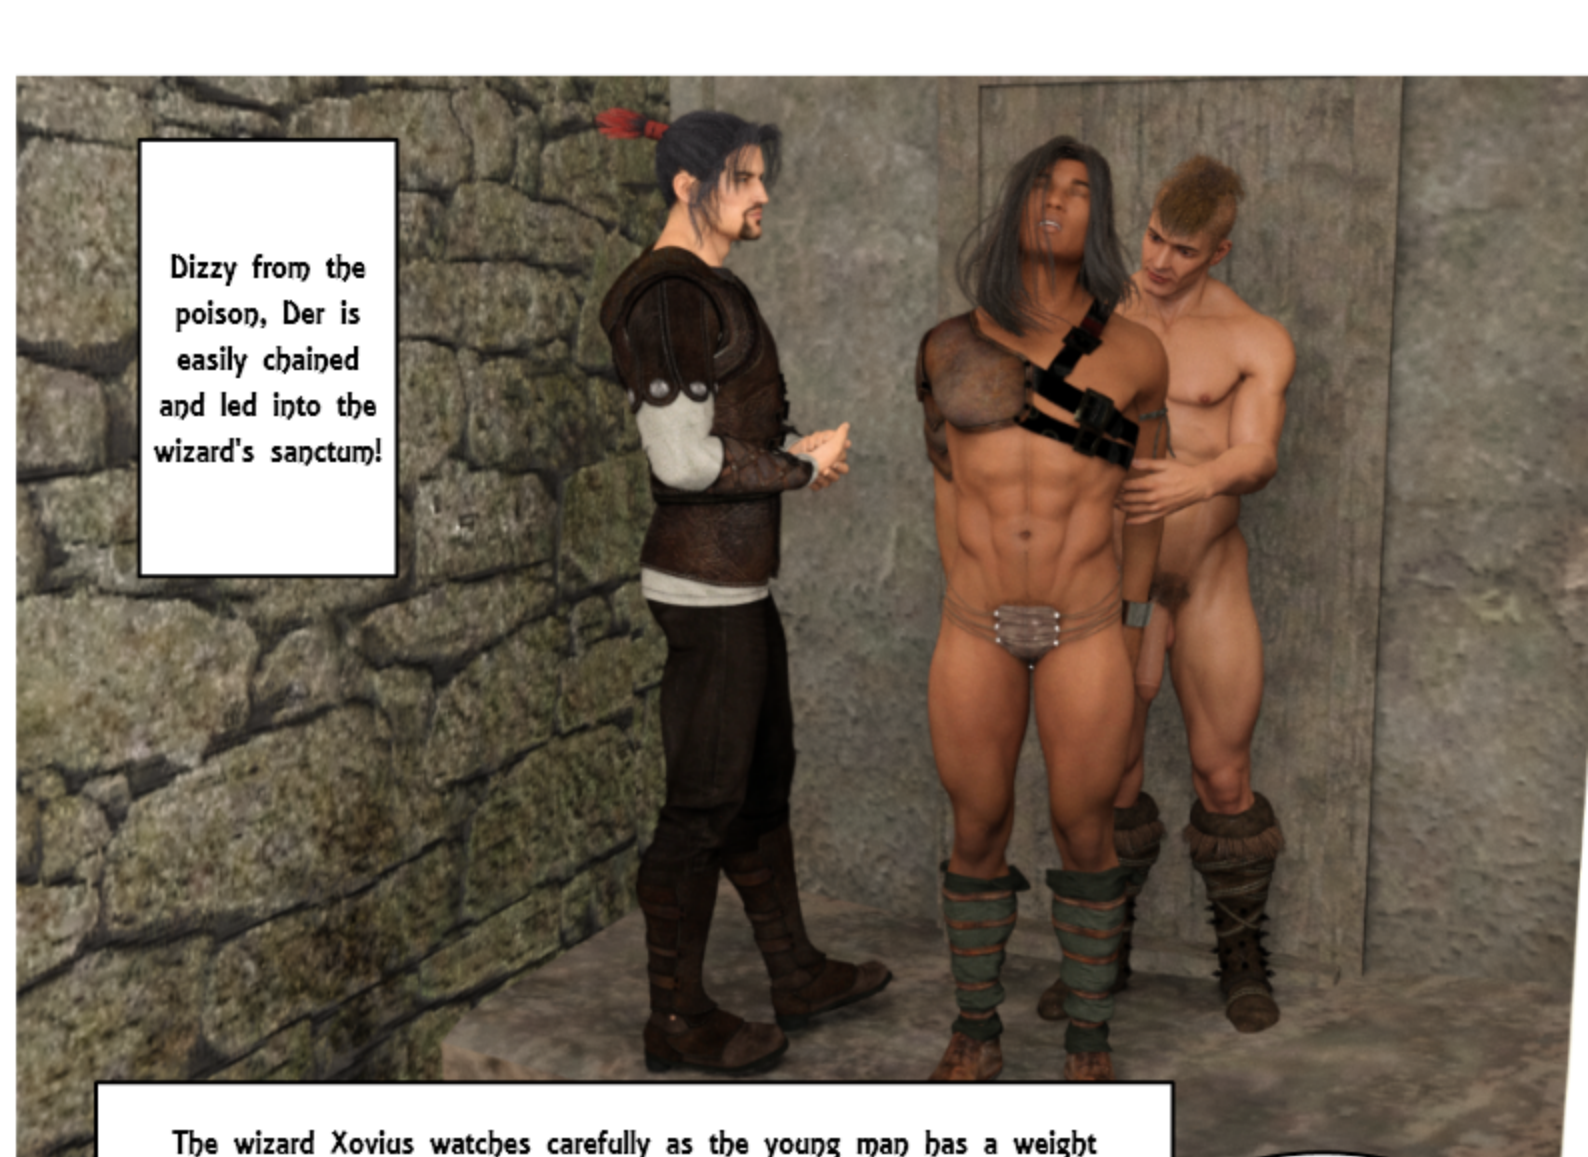

Hold him down! I've never fed my cum to a plains barbarian before....

Fuck! Yes!
Take it!

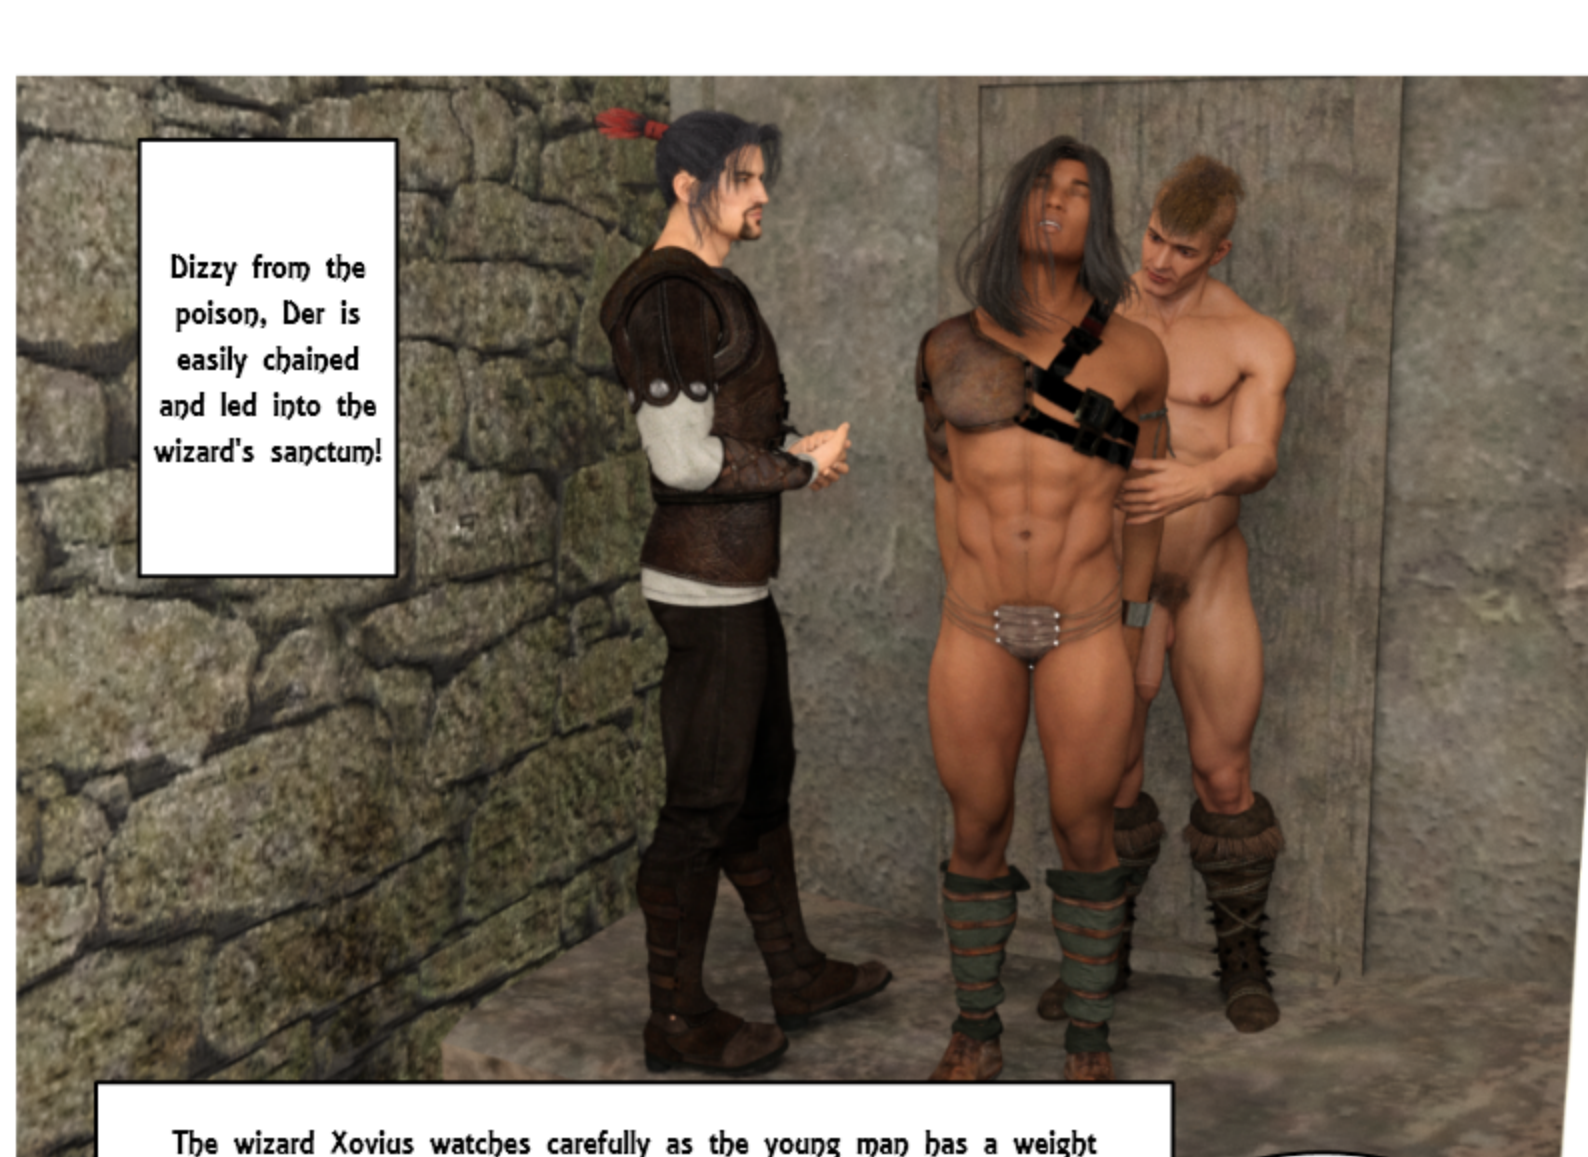

Der shivers with humiliation as the guard paints his face with hot, steaming spunk!

Dizzy from the poison, Der is easily chained and led into the wizard's sanctum!

The wizard Xovius watches carefully as the young man has a weight chained to his balls, and is then brutally fucked by his chief guard.

Oh fuck, yes; tight little bitch, aren't you?

I need the boy's foreskin for an experiment!

Next time you defy me, I'll use that knife on your entire cock!

Der shivers in silent agony as he's circumcised, his hot young blood giving the wizard a rush of power!

NNOOOOO!
Stop! I.. I.. can't
resist... must..
obey...

Yeessss, feel it tear
at your will. You
belong to me, would-
be slayer of
wizards!

Der hangs helplessly in mid-air as his cum is torn from his throbbing nuts! He knows his new master's torments have just begun....
