Panties down.

Your attitude towards your punishment is important. Behave yourself.

Only 96 marks?
Is it that difficult for you
to get 100? You think you
can go to a college
in Tokyo like that?

In my first lesson after going to school for the first time,
I got a really scary literature teacher.
She would make every student read a passage
from the textbook,

and if someone didn't pay attention and
read the wrong passage, she'd make them lie
on the desk and spank their bottoms
with a cane as punishment.
