Smut ahead!

Let me know if you want any specific warnings!

This one includes:

-nothing to warn for! It's all very vanilla this time :P

-A bit of Howl/Sophie, Marnie/Roman/Tulien, Sylvia/Terry and a fair bit of Val/Fliss- who are in the SFW sketchbook, if you want to see them not-naked first.

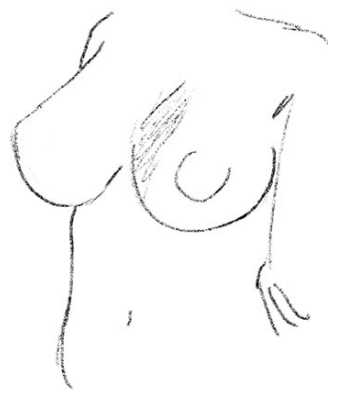

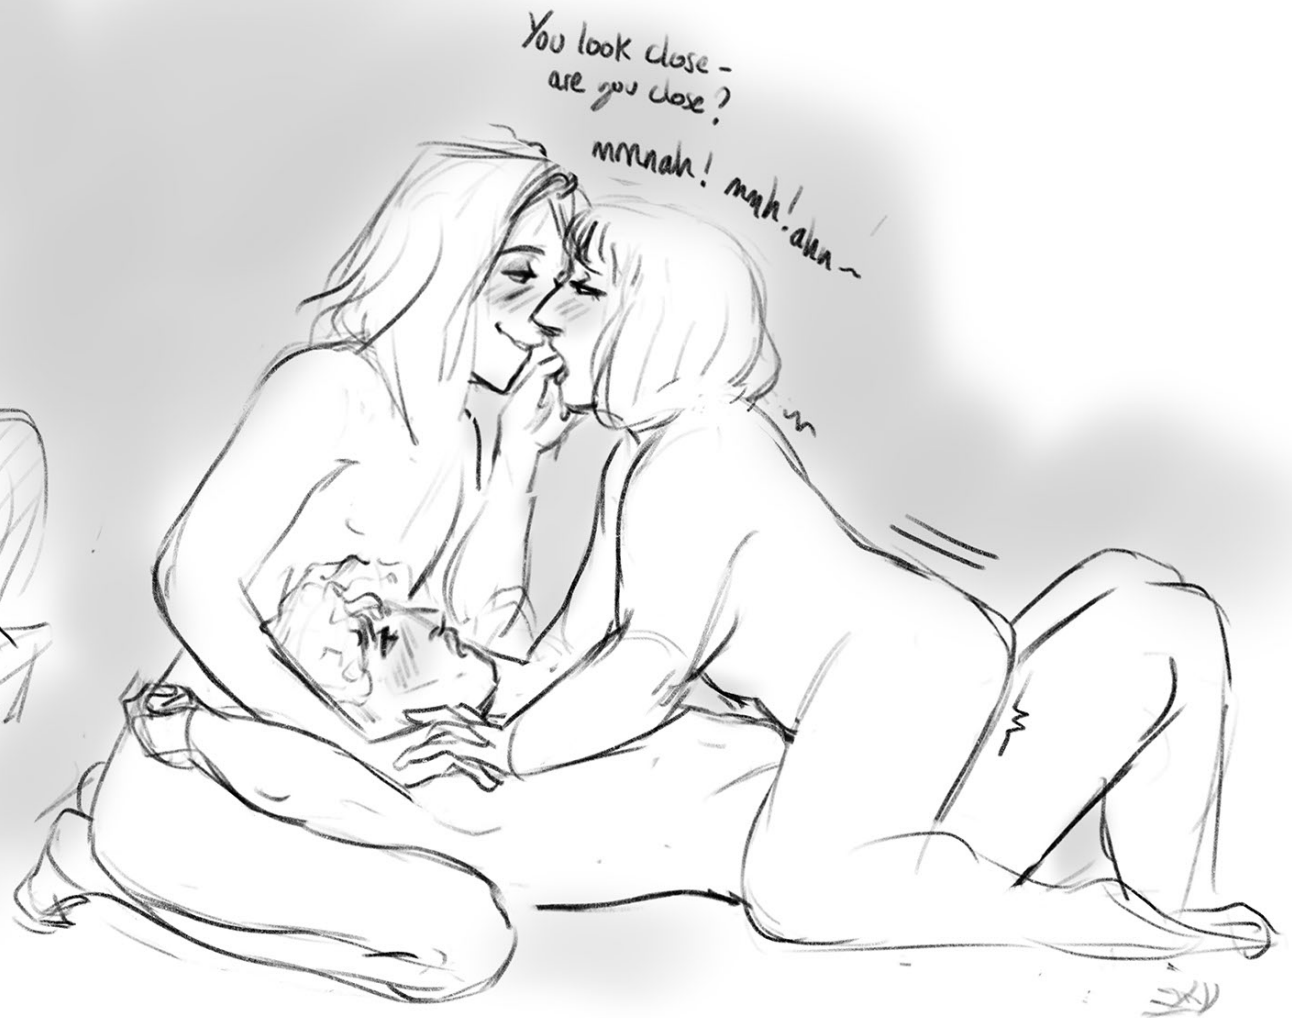

Oh Darling, You're
so wet. Are you going to come
for me?

no Hhh ~
