A 3D-rendered scene of a mosque interior. In the foreground, a wooden minbar with a red cloth draped over its side is visible. The background features a red curtain and several ornate, white chandeliers with gold accents and tassels. A speech bubble is centered in the image.

"Today is the day..."

"...where I can end my revenge..."

"...To the one who  
blew me into pieces..."

"This is the last moment  
you can breath, Crimson Girl!"

What are you  
doing here...

...Yunyun...?

H-Hah...?

"H-How could this happen...!?"

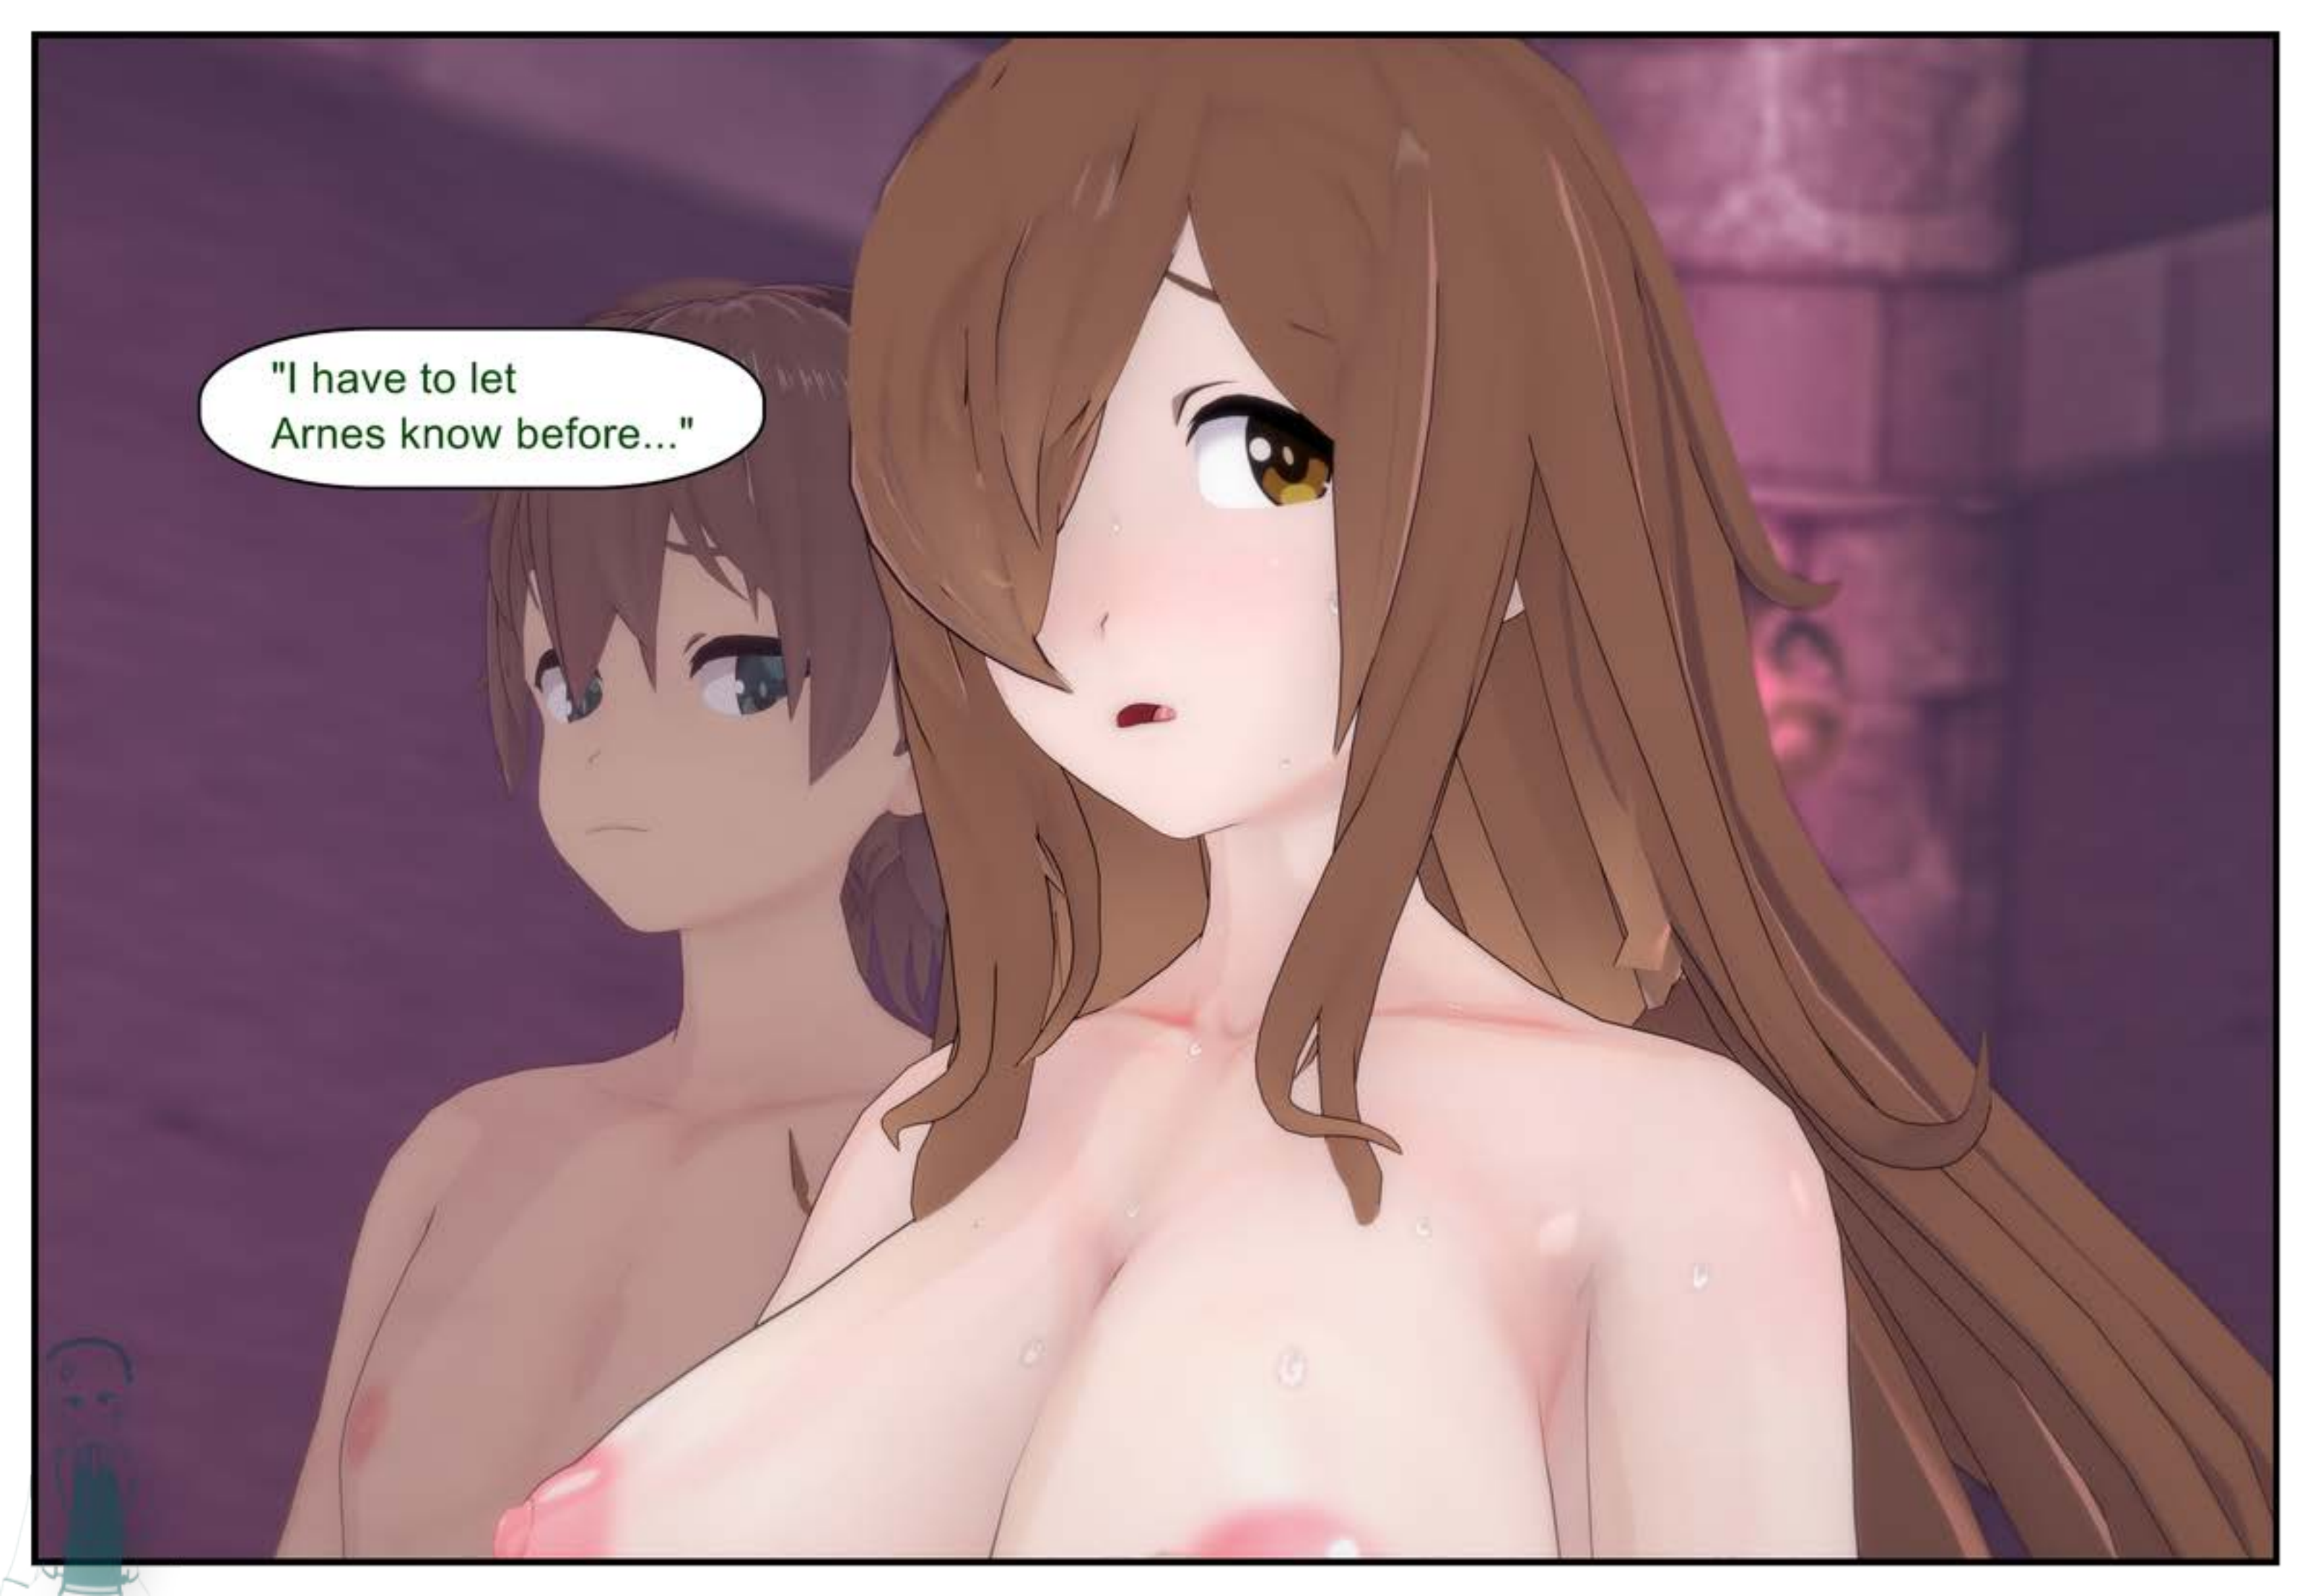

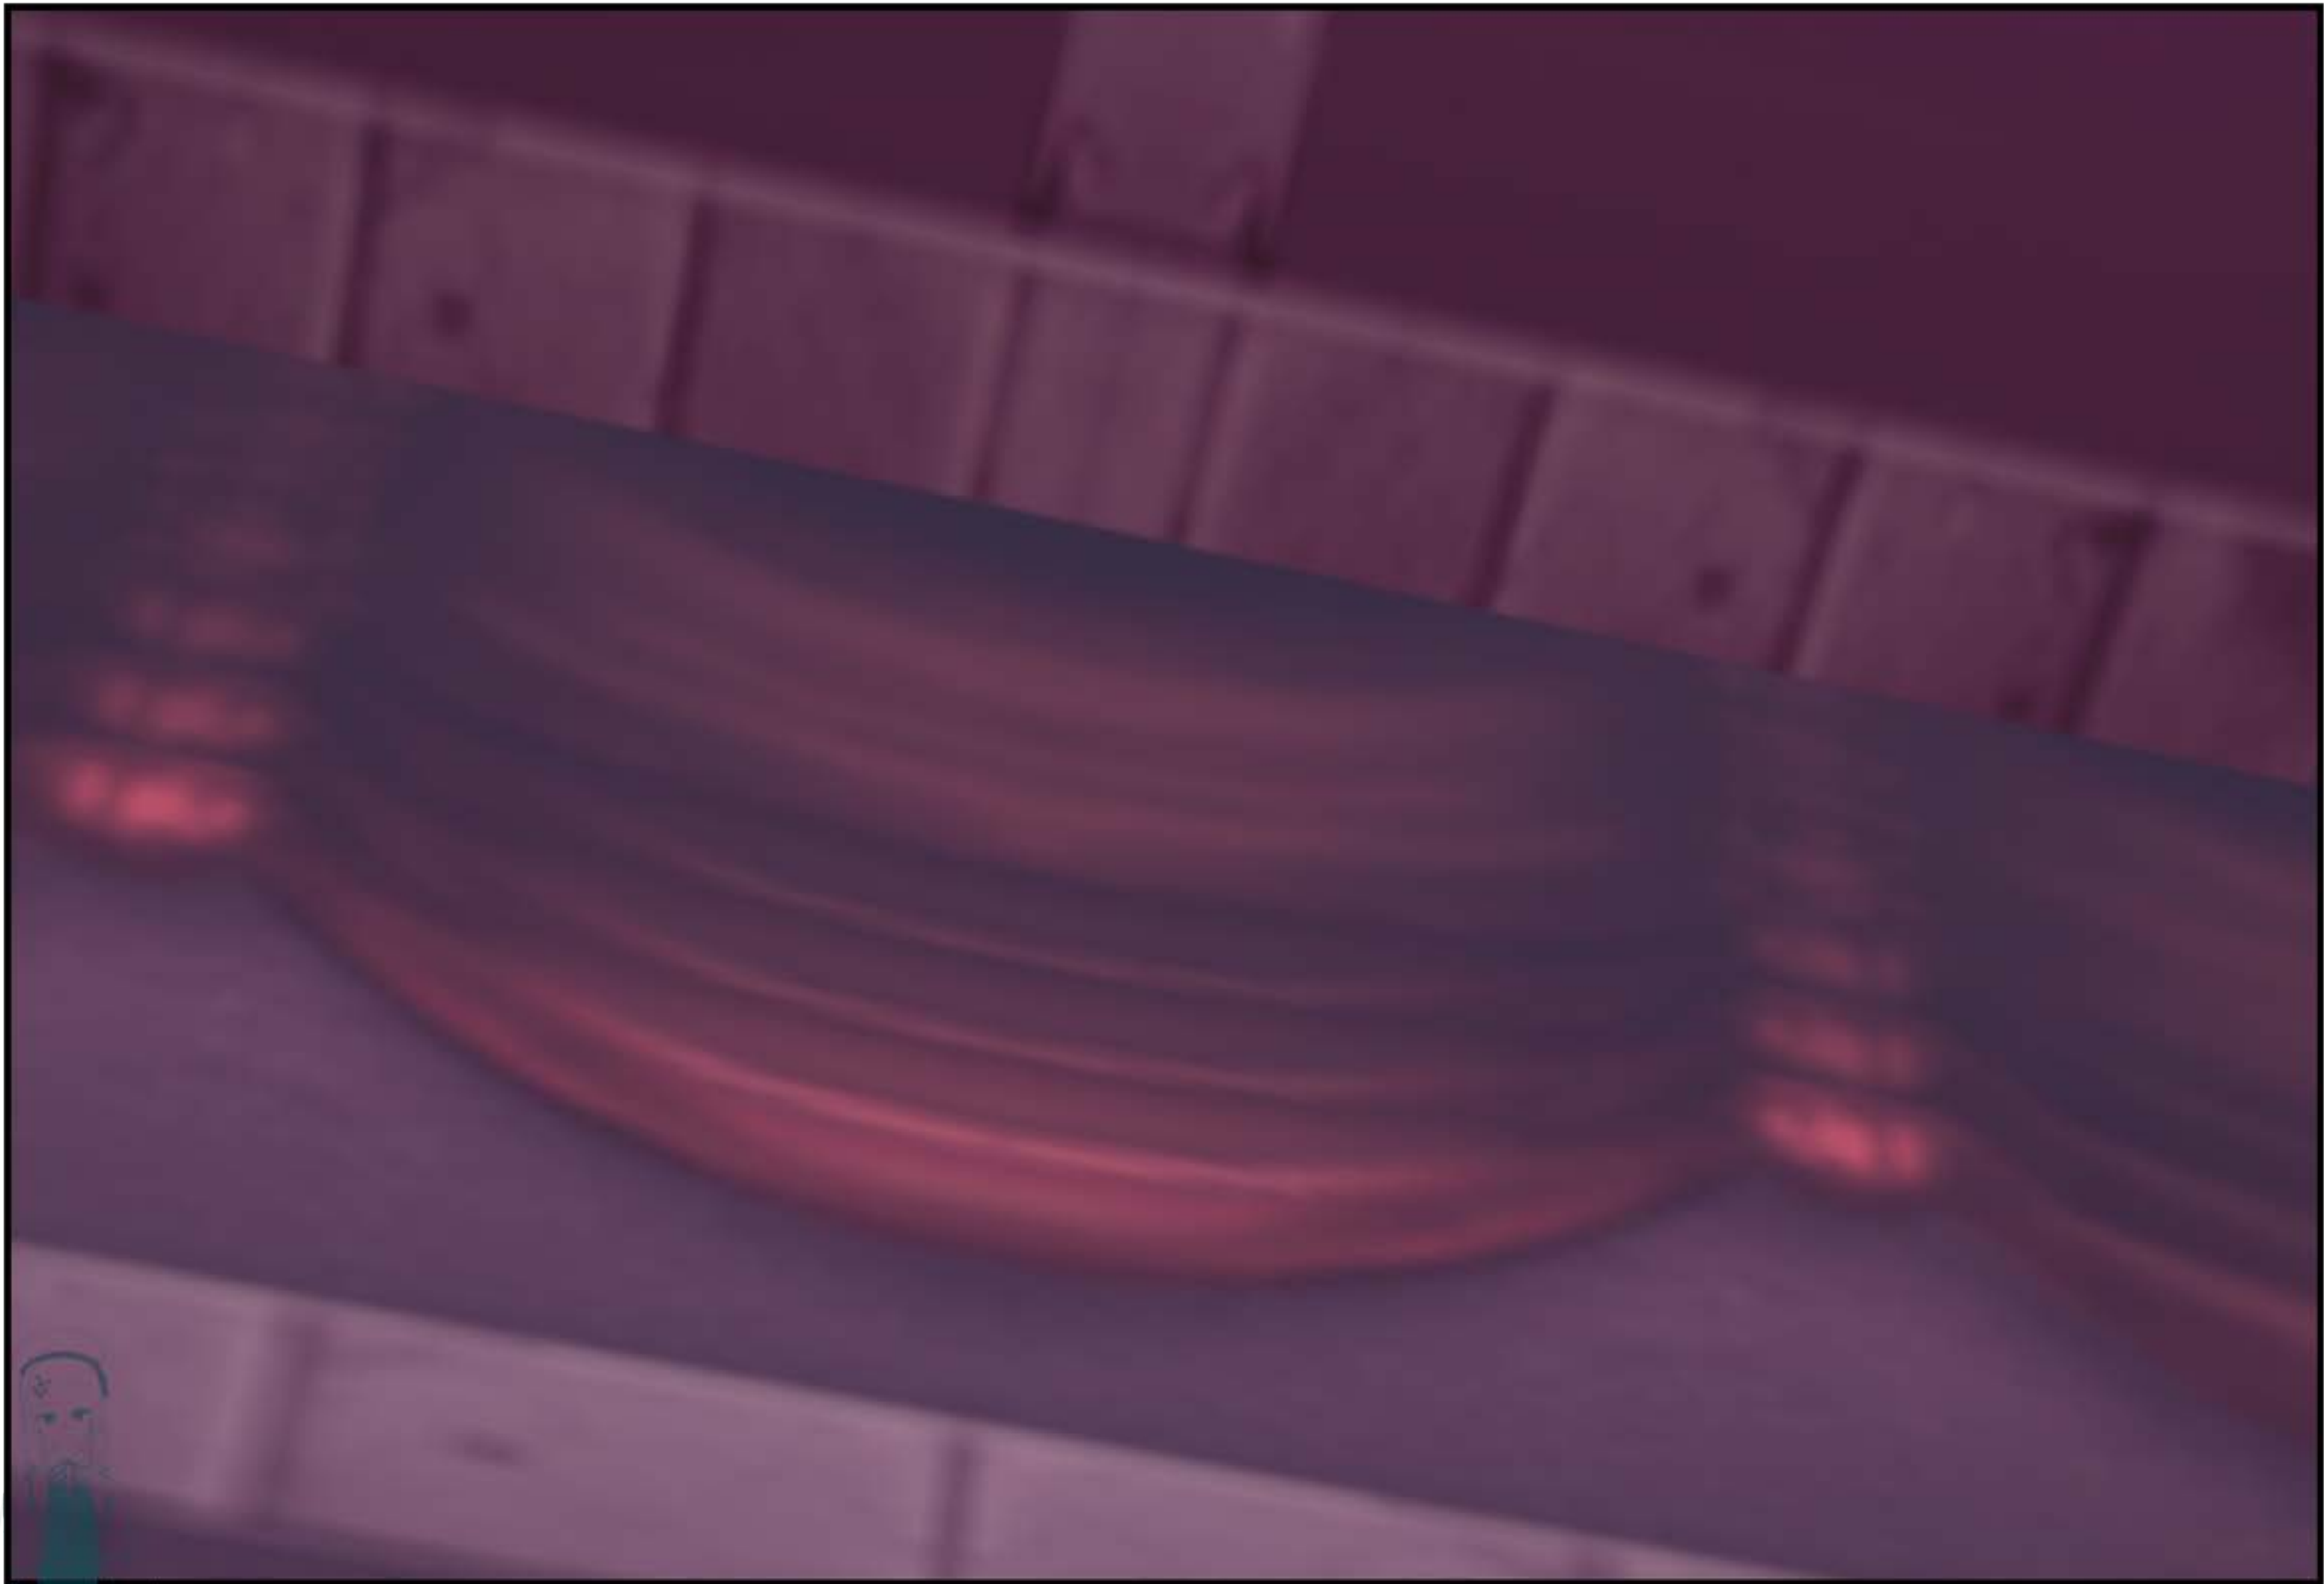

The new drug  
has its duration?

"I have to let  
Arnes know before..."

"Think again..."

"I was dragged into  
this from the start."

A manga-style illustration of a nude woman from behind. She has long, wavy brown hair and is looking down and to the left. Her skin is rendered with soft shading and highlights, giving it a realistic, glossy appearance. The background is a dark, muted purple color. On the left side, there is a white speech bubble with a black border containing text.

"Arnes has her own  
with Megumi... Not  
what I should interfere."

"Our plan seem to go side way due to the short duration."

"I with Arnes..."

"First meeting was really soft and warm..."

"We were asked to  
put on skinsuit and  
join a exhibition."

"We then formed a plan, got to know each other..."

"After that..."

"More than 'get to know'..."

"Before perform the plan, we celebrated."

"Maybe... from our first meeting to now."

"I saw Arnes smile  
in a natural way."

"I don't know..."

"After all what happened..."

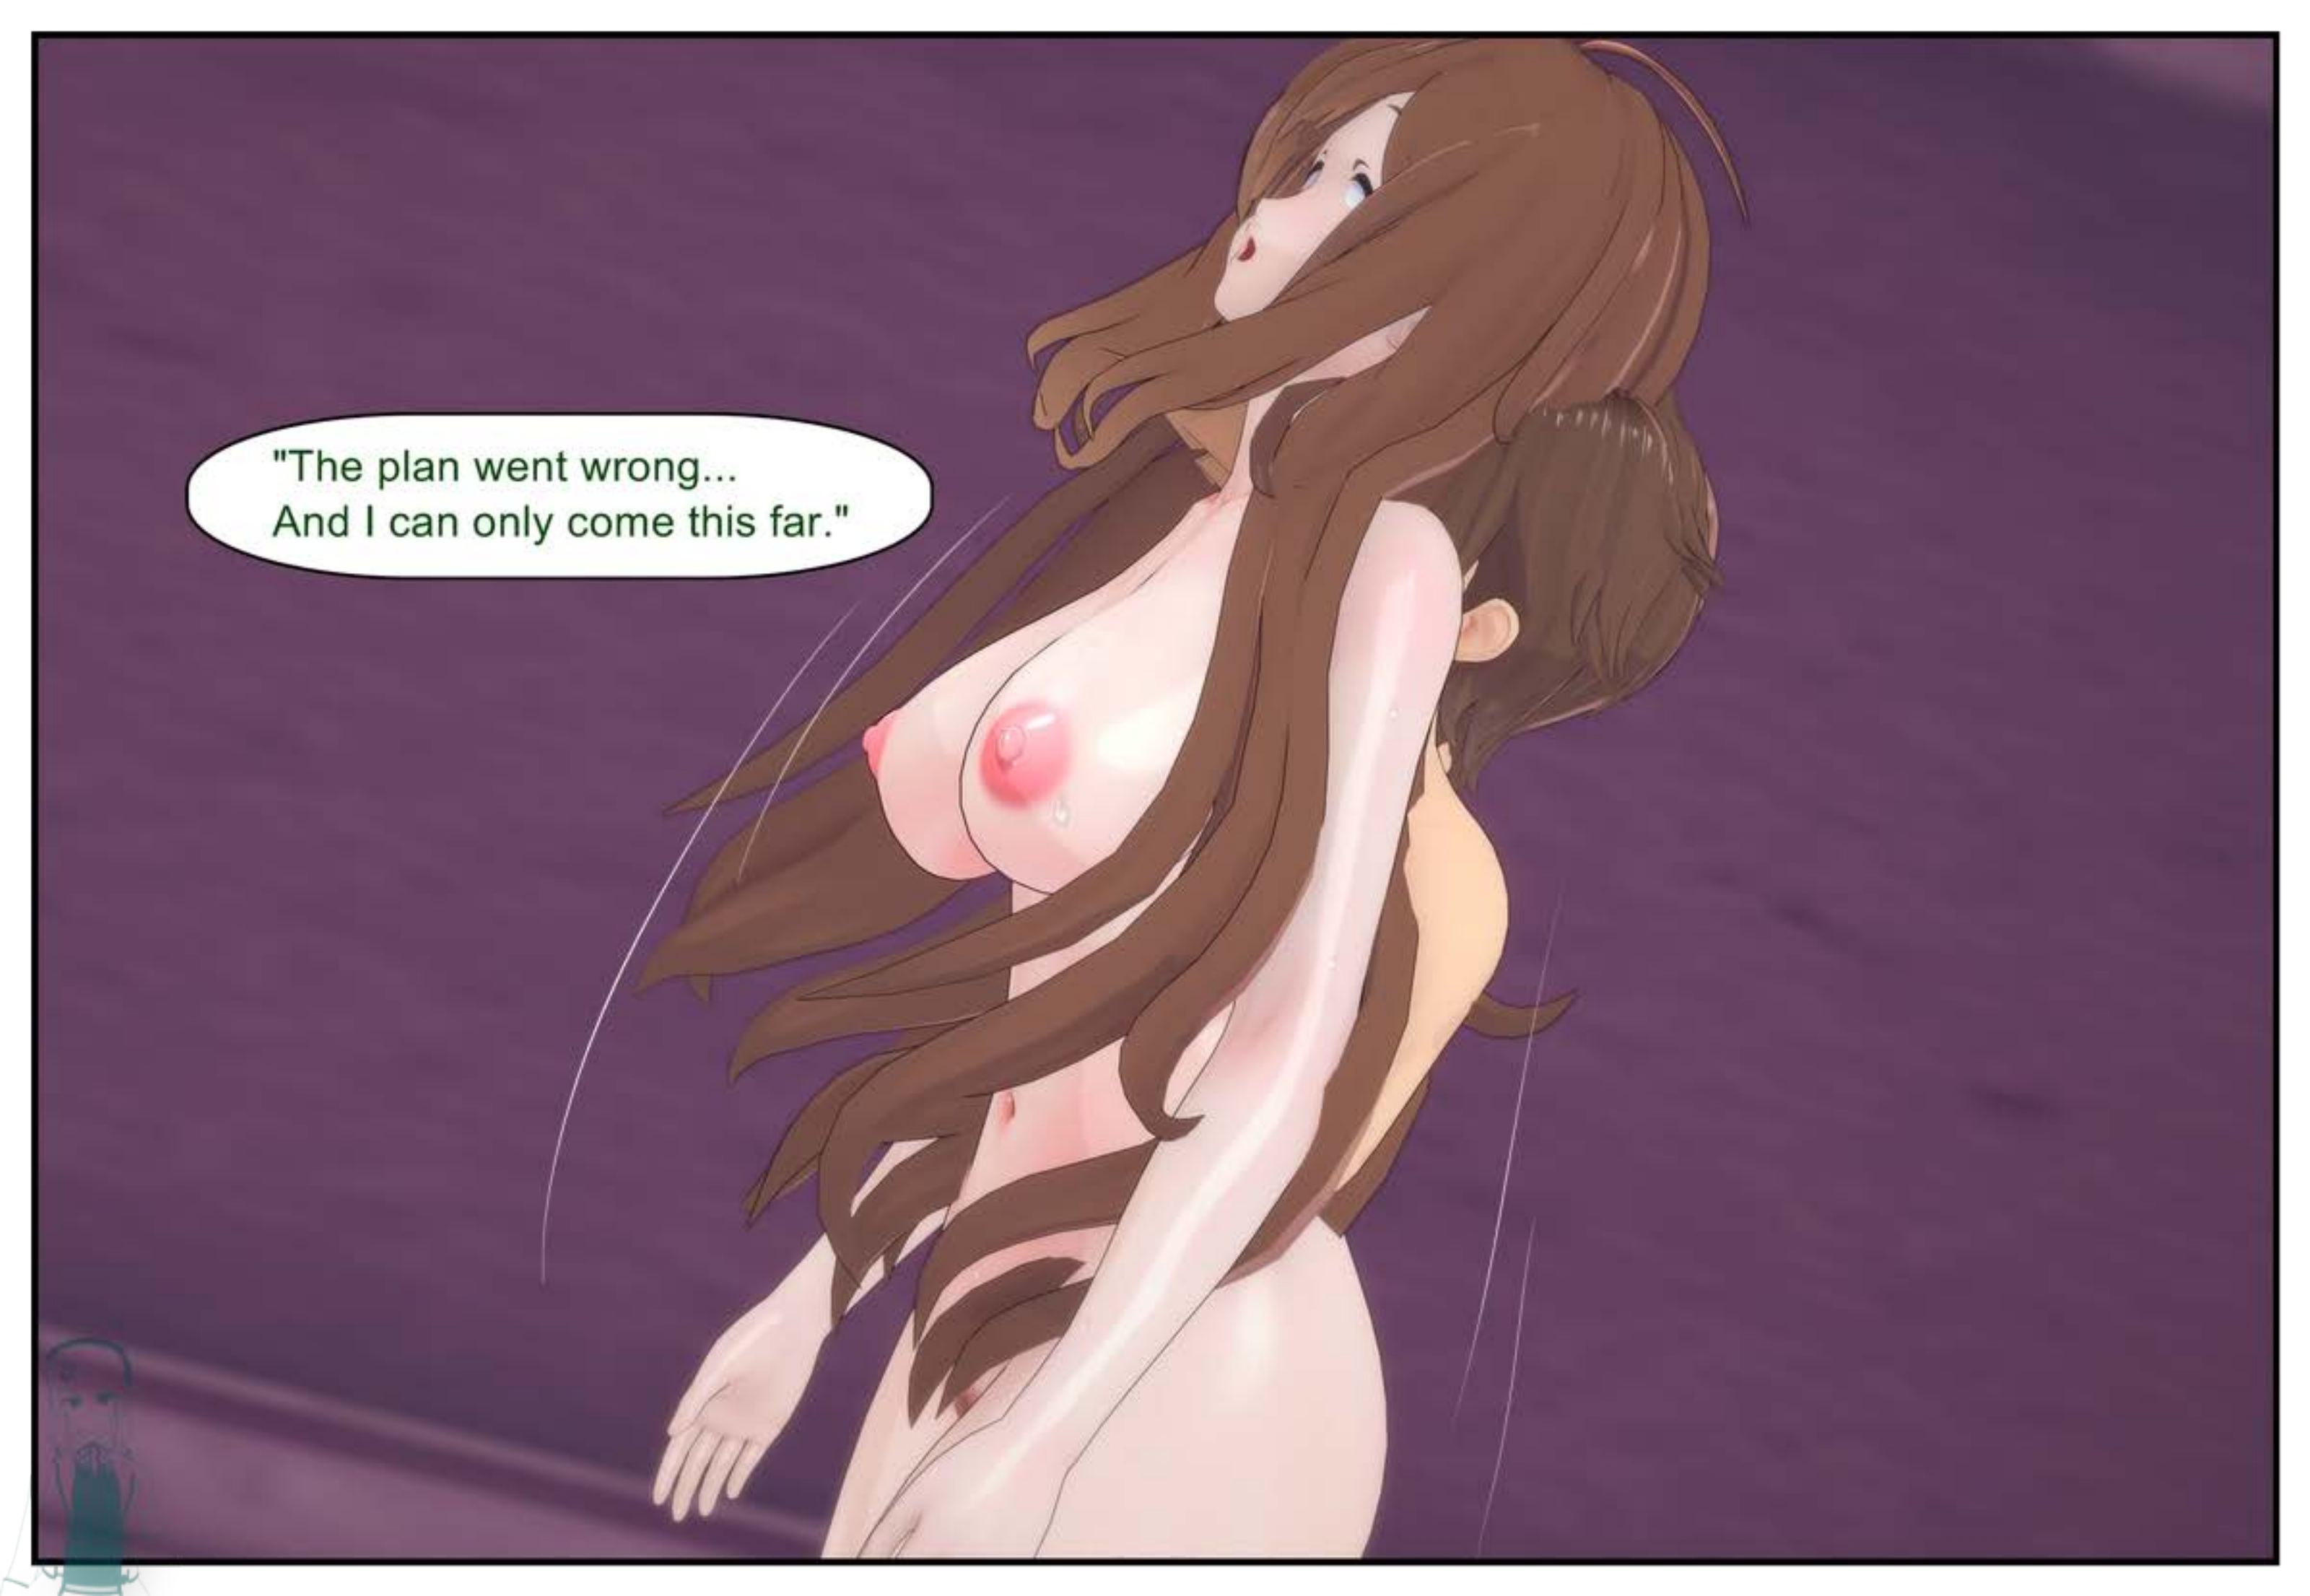

"This is still not my business..."

"I was forced by  
another Demon, Wolbach."

"The plan went wrong...  
And I can only come this far."

"I think Arnes will do just fine."

"Woner what should I do now?"

Oh? How nice to see you here, Wiz.

A manga-style illustration. On the left, a close-up of a woman with long, flowing blue hair and a blue dress. On the right, a nude woman with long brown hair stands in a dark, stone-walled room, covering her breasts with her hands. A speech bubble is positioned above her.

I think I will need to  
hangover for a while...

"W-Wait... Aqua!?  
What is she doing here?"

A blue-haired anime-style woman with large breasts is shown from the chest up. She has light blue hair with bangs and a small ponytail. She is wearing a blue top with thin straps. Her expression is neutral. The background is a dark, blurred purple and blue.

"Also, this is look exact like the form of that skinsuit..."

Would you mind... helping me out a bit?

Yunyun...? What are you... saying?

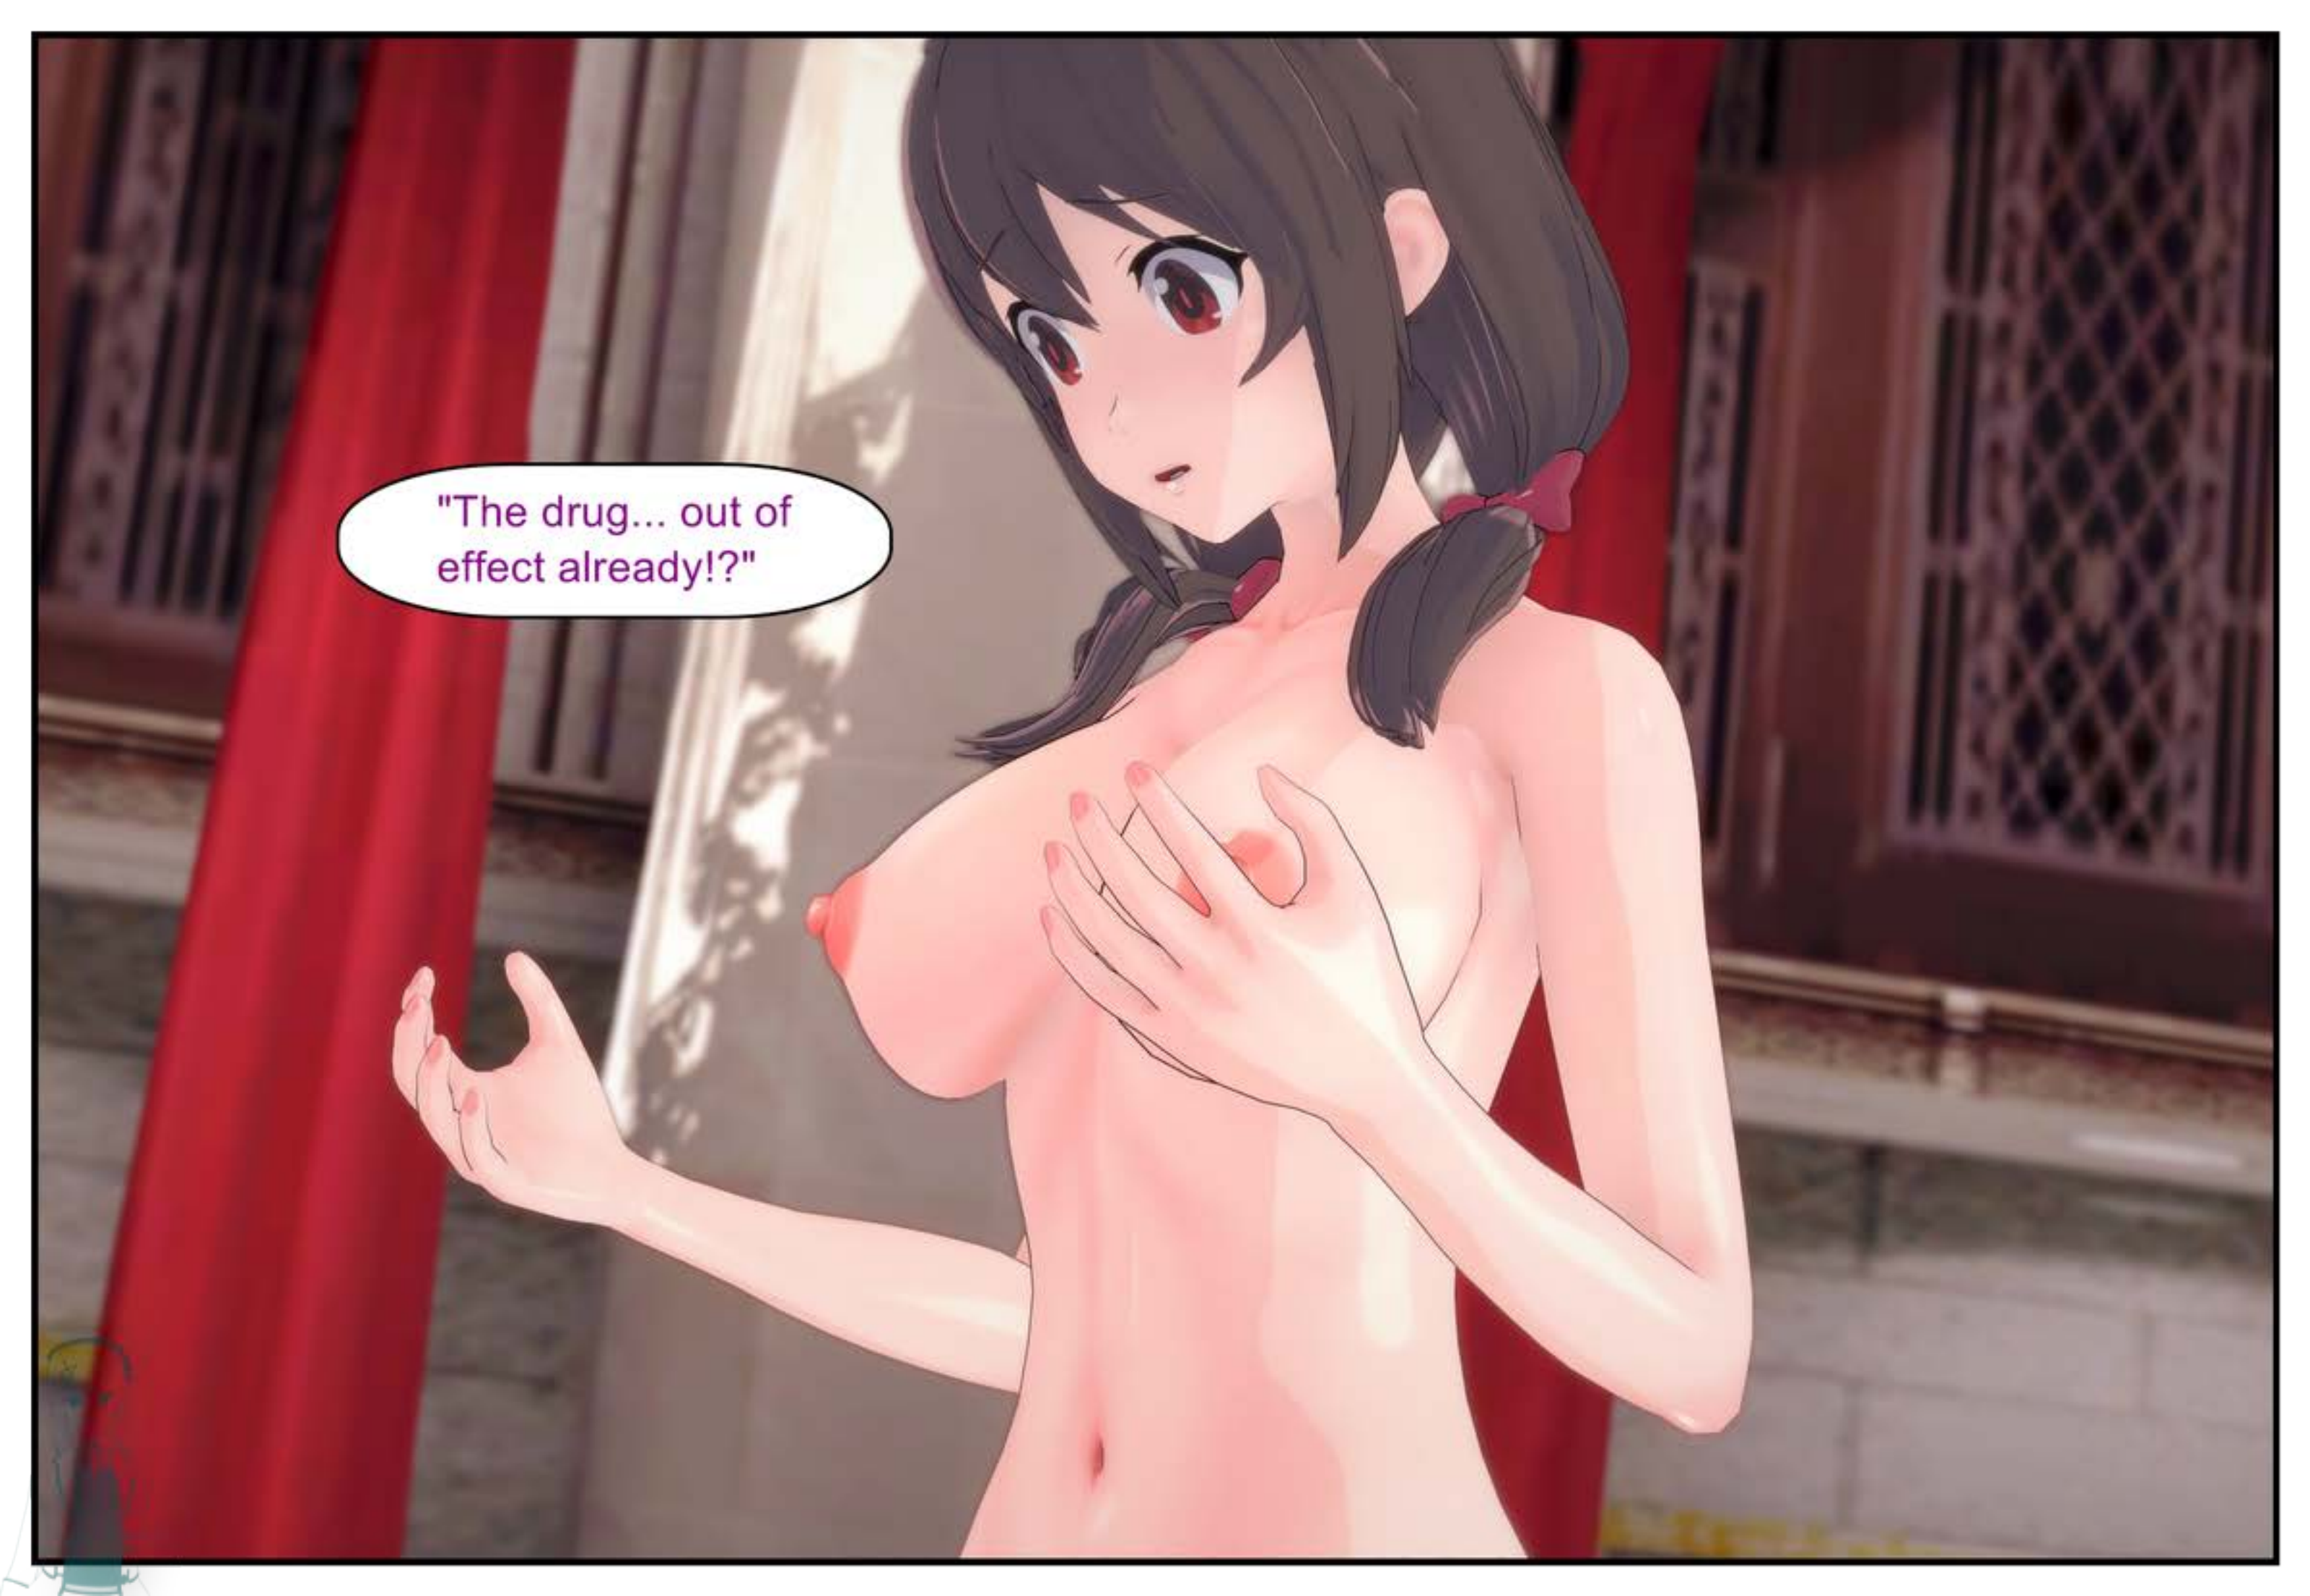

Why don't you take  
a look at yourself?

It can't be...  
I remember that...

H-Hah...!?

"The drug... out of effect already!?"

Jeez... Stop making  
non-sense thing, Yunyun.

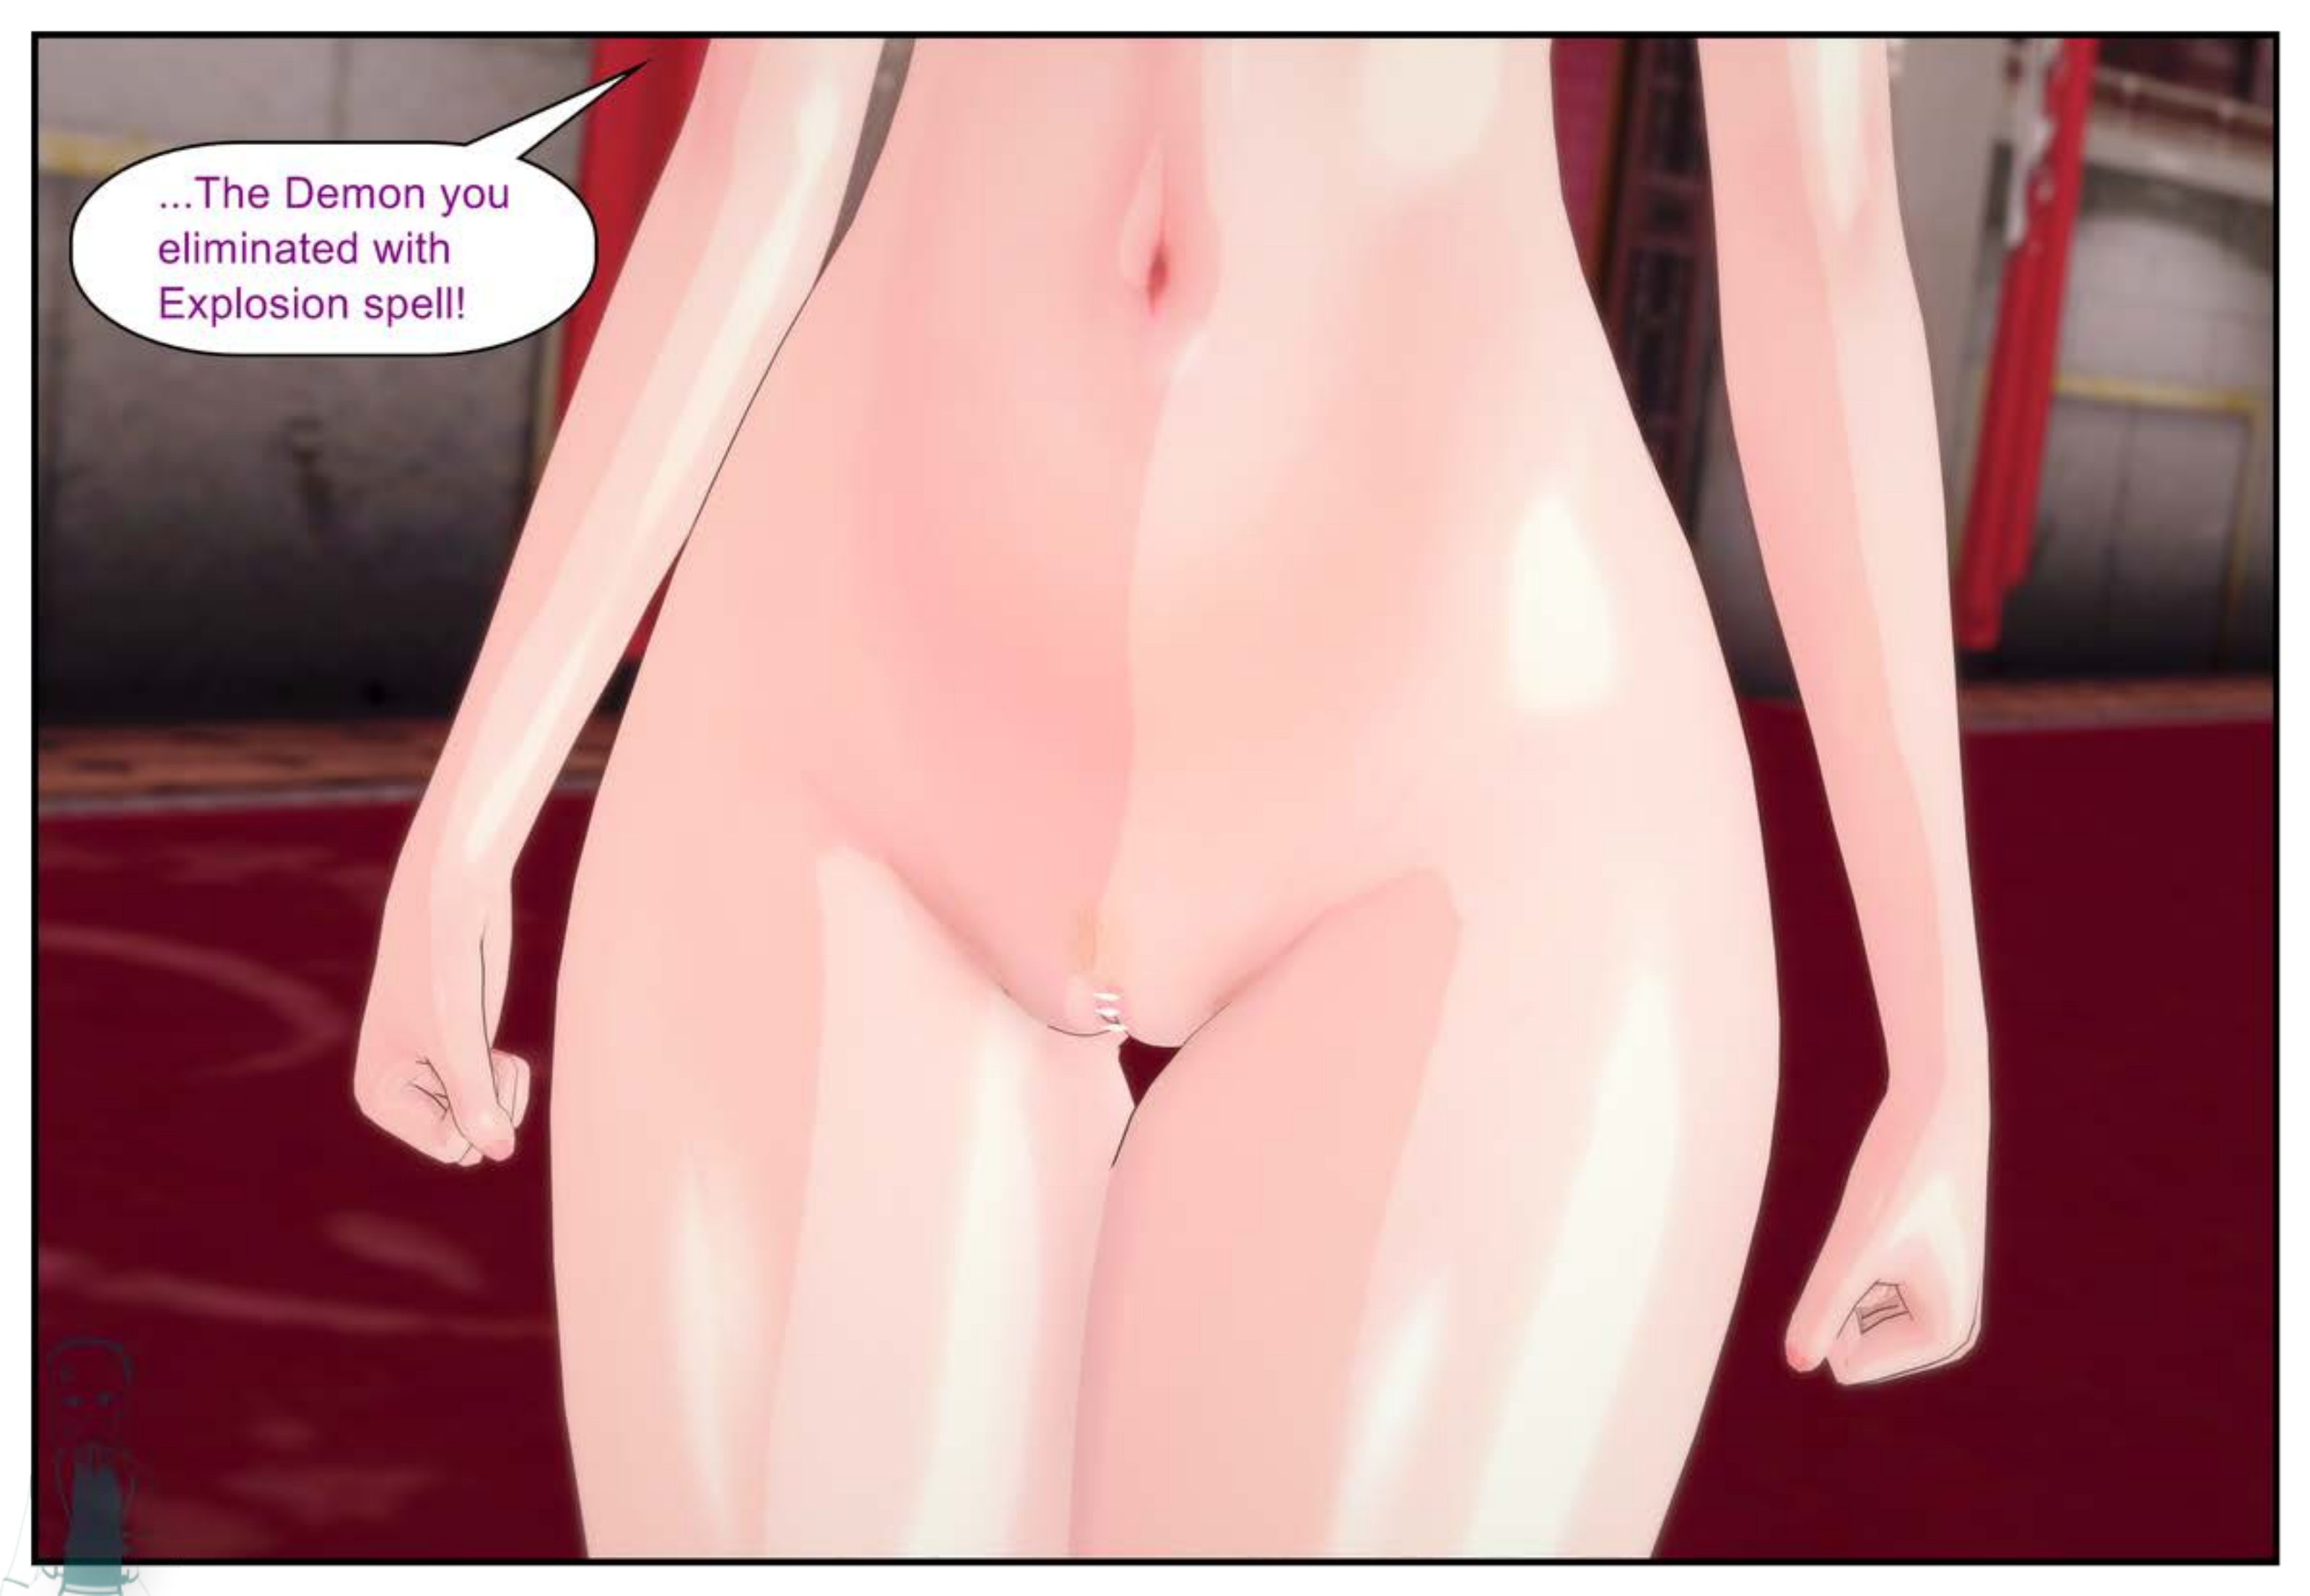

I'm here not have  
time to play with you  
at the moment.

You are not going  
anywhere, Megumi!!!

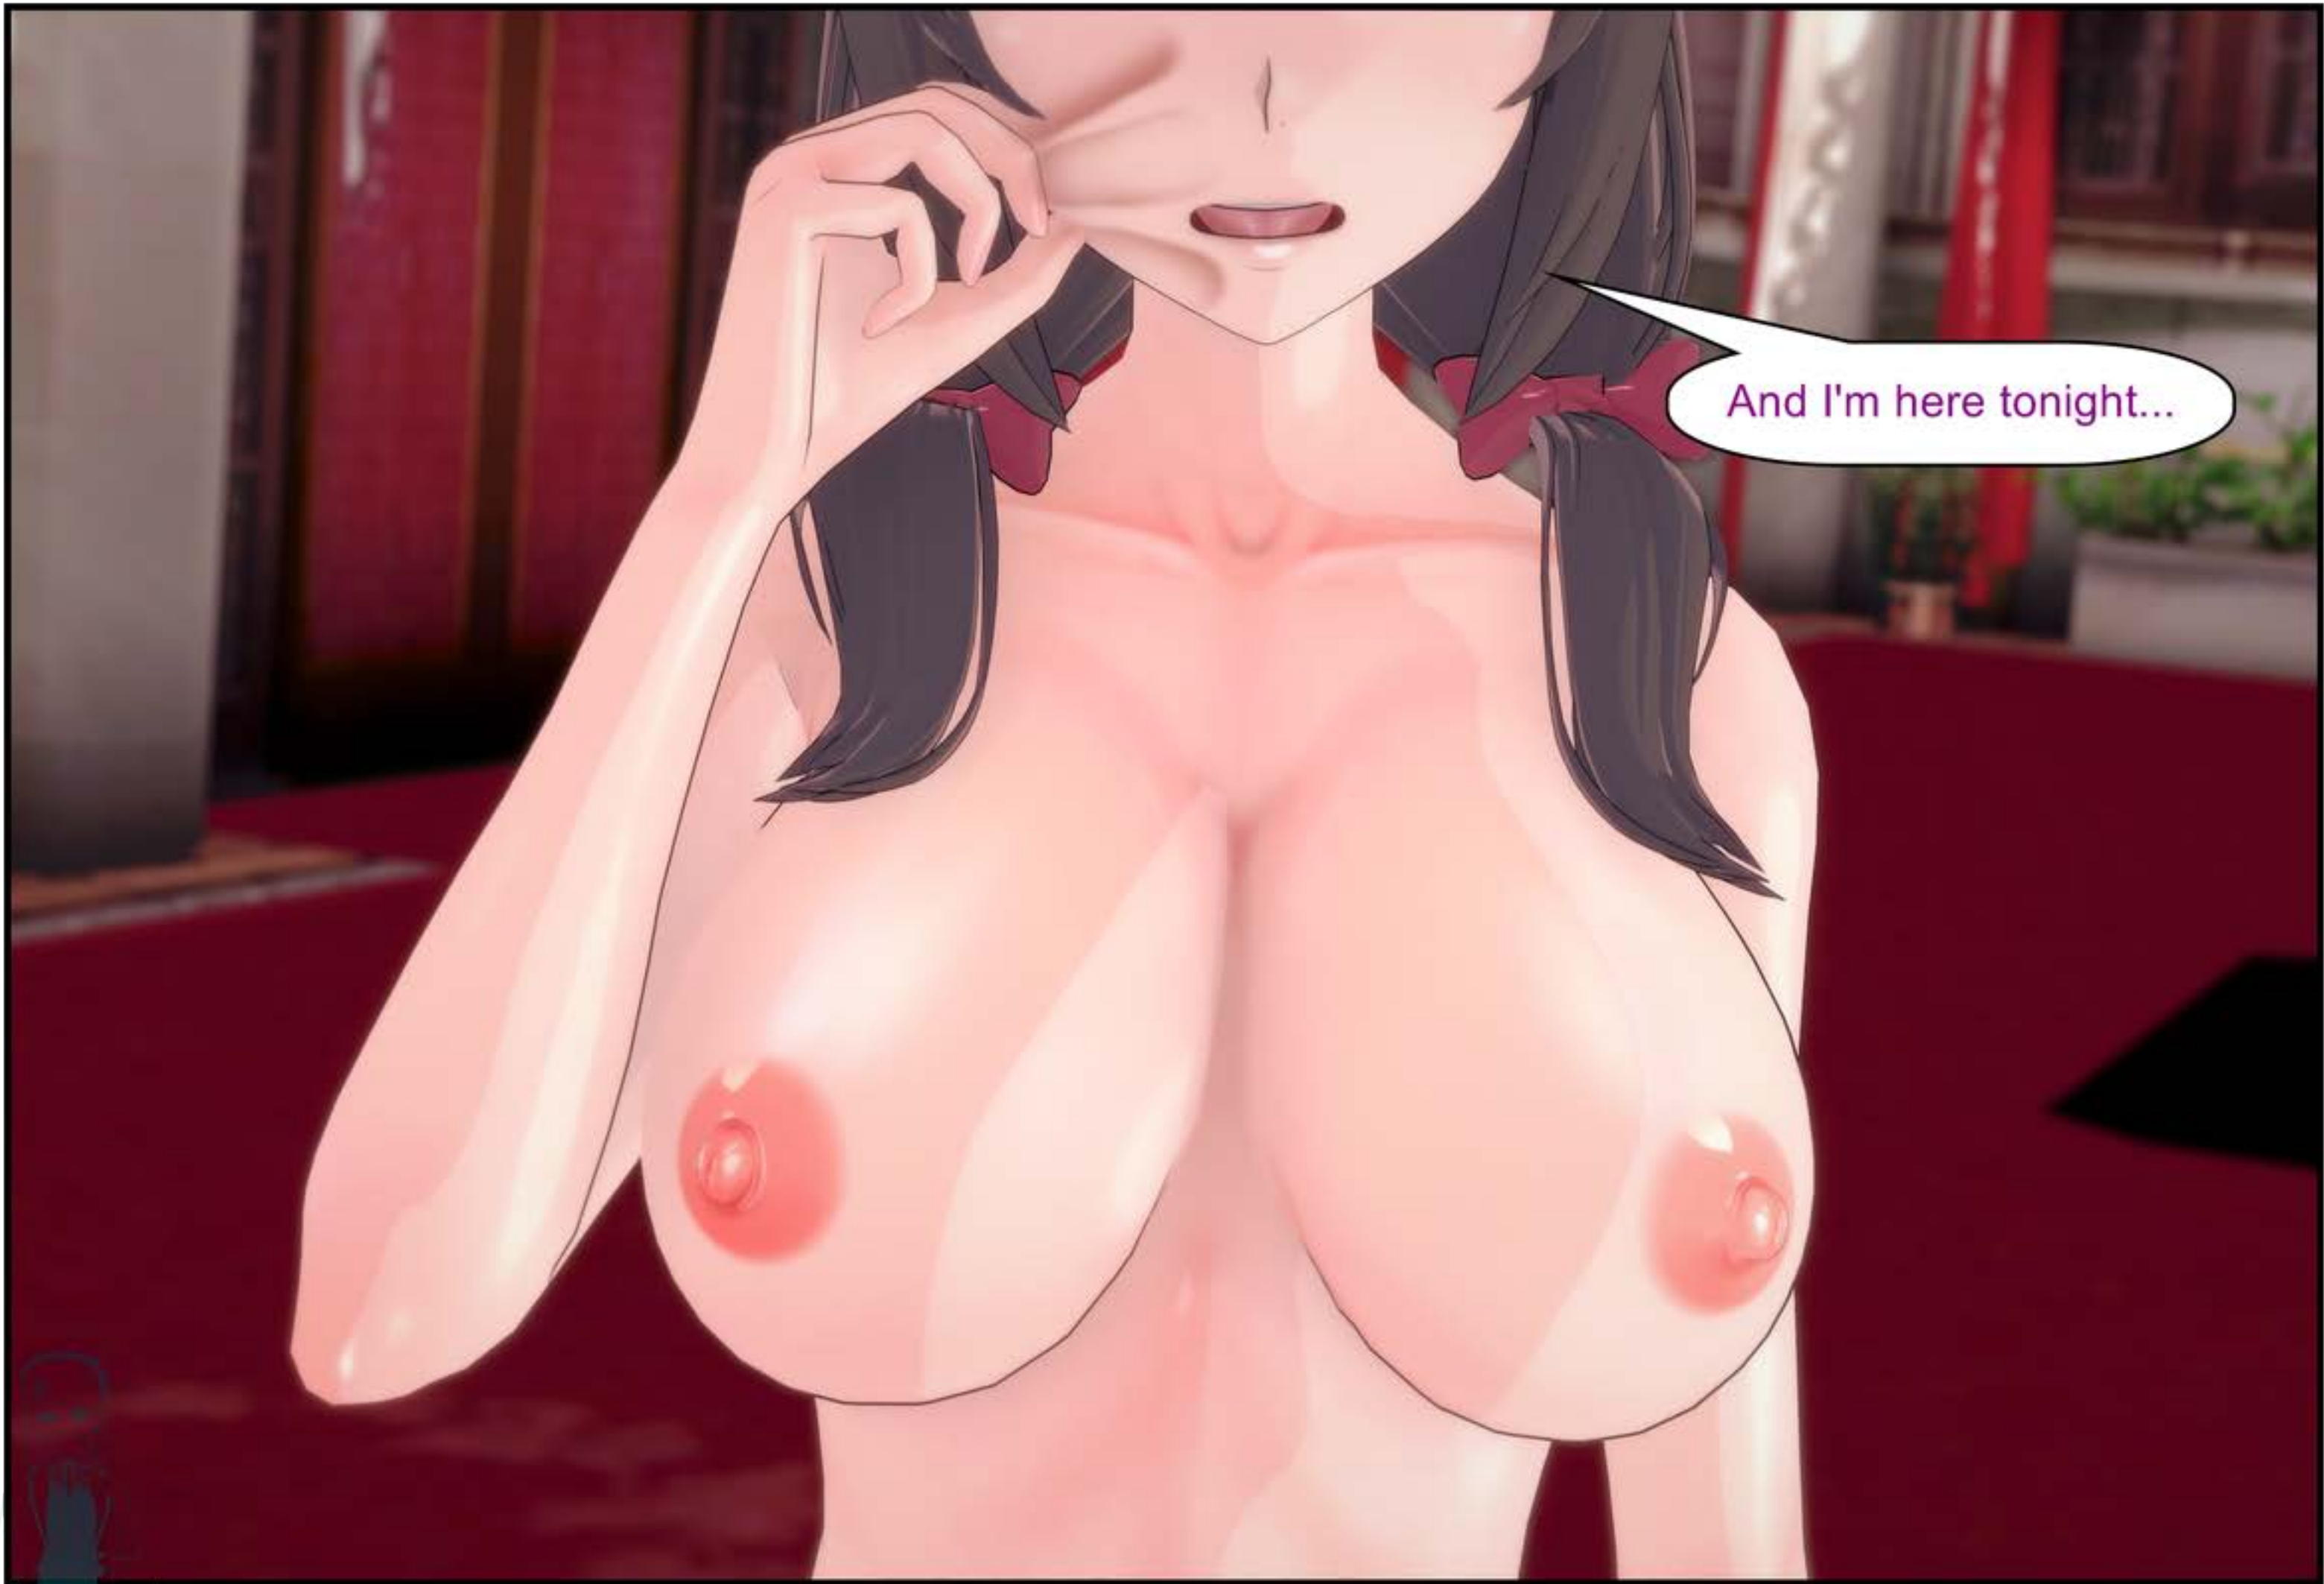

I know that you  
still remember...

...The Demon you  
eliminated with  
Explosion spell!

And I'm here tonight...

...to pay you that  
debt in full!

Y-You are...?

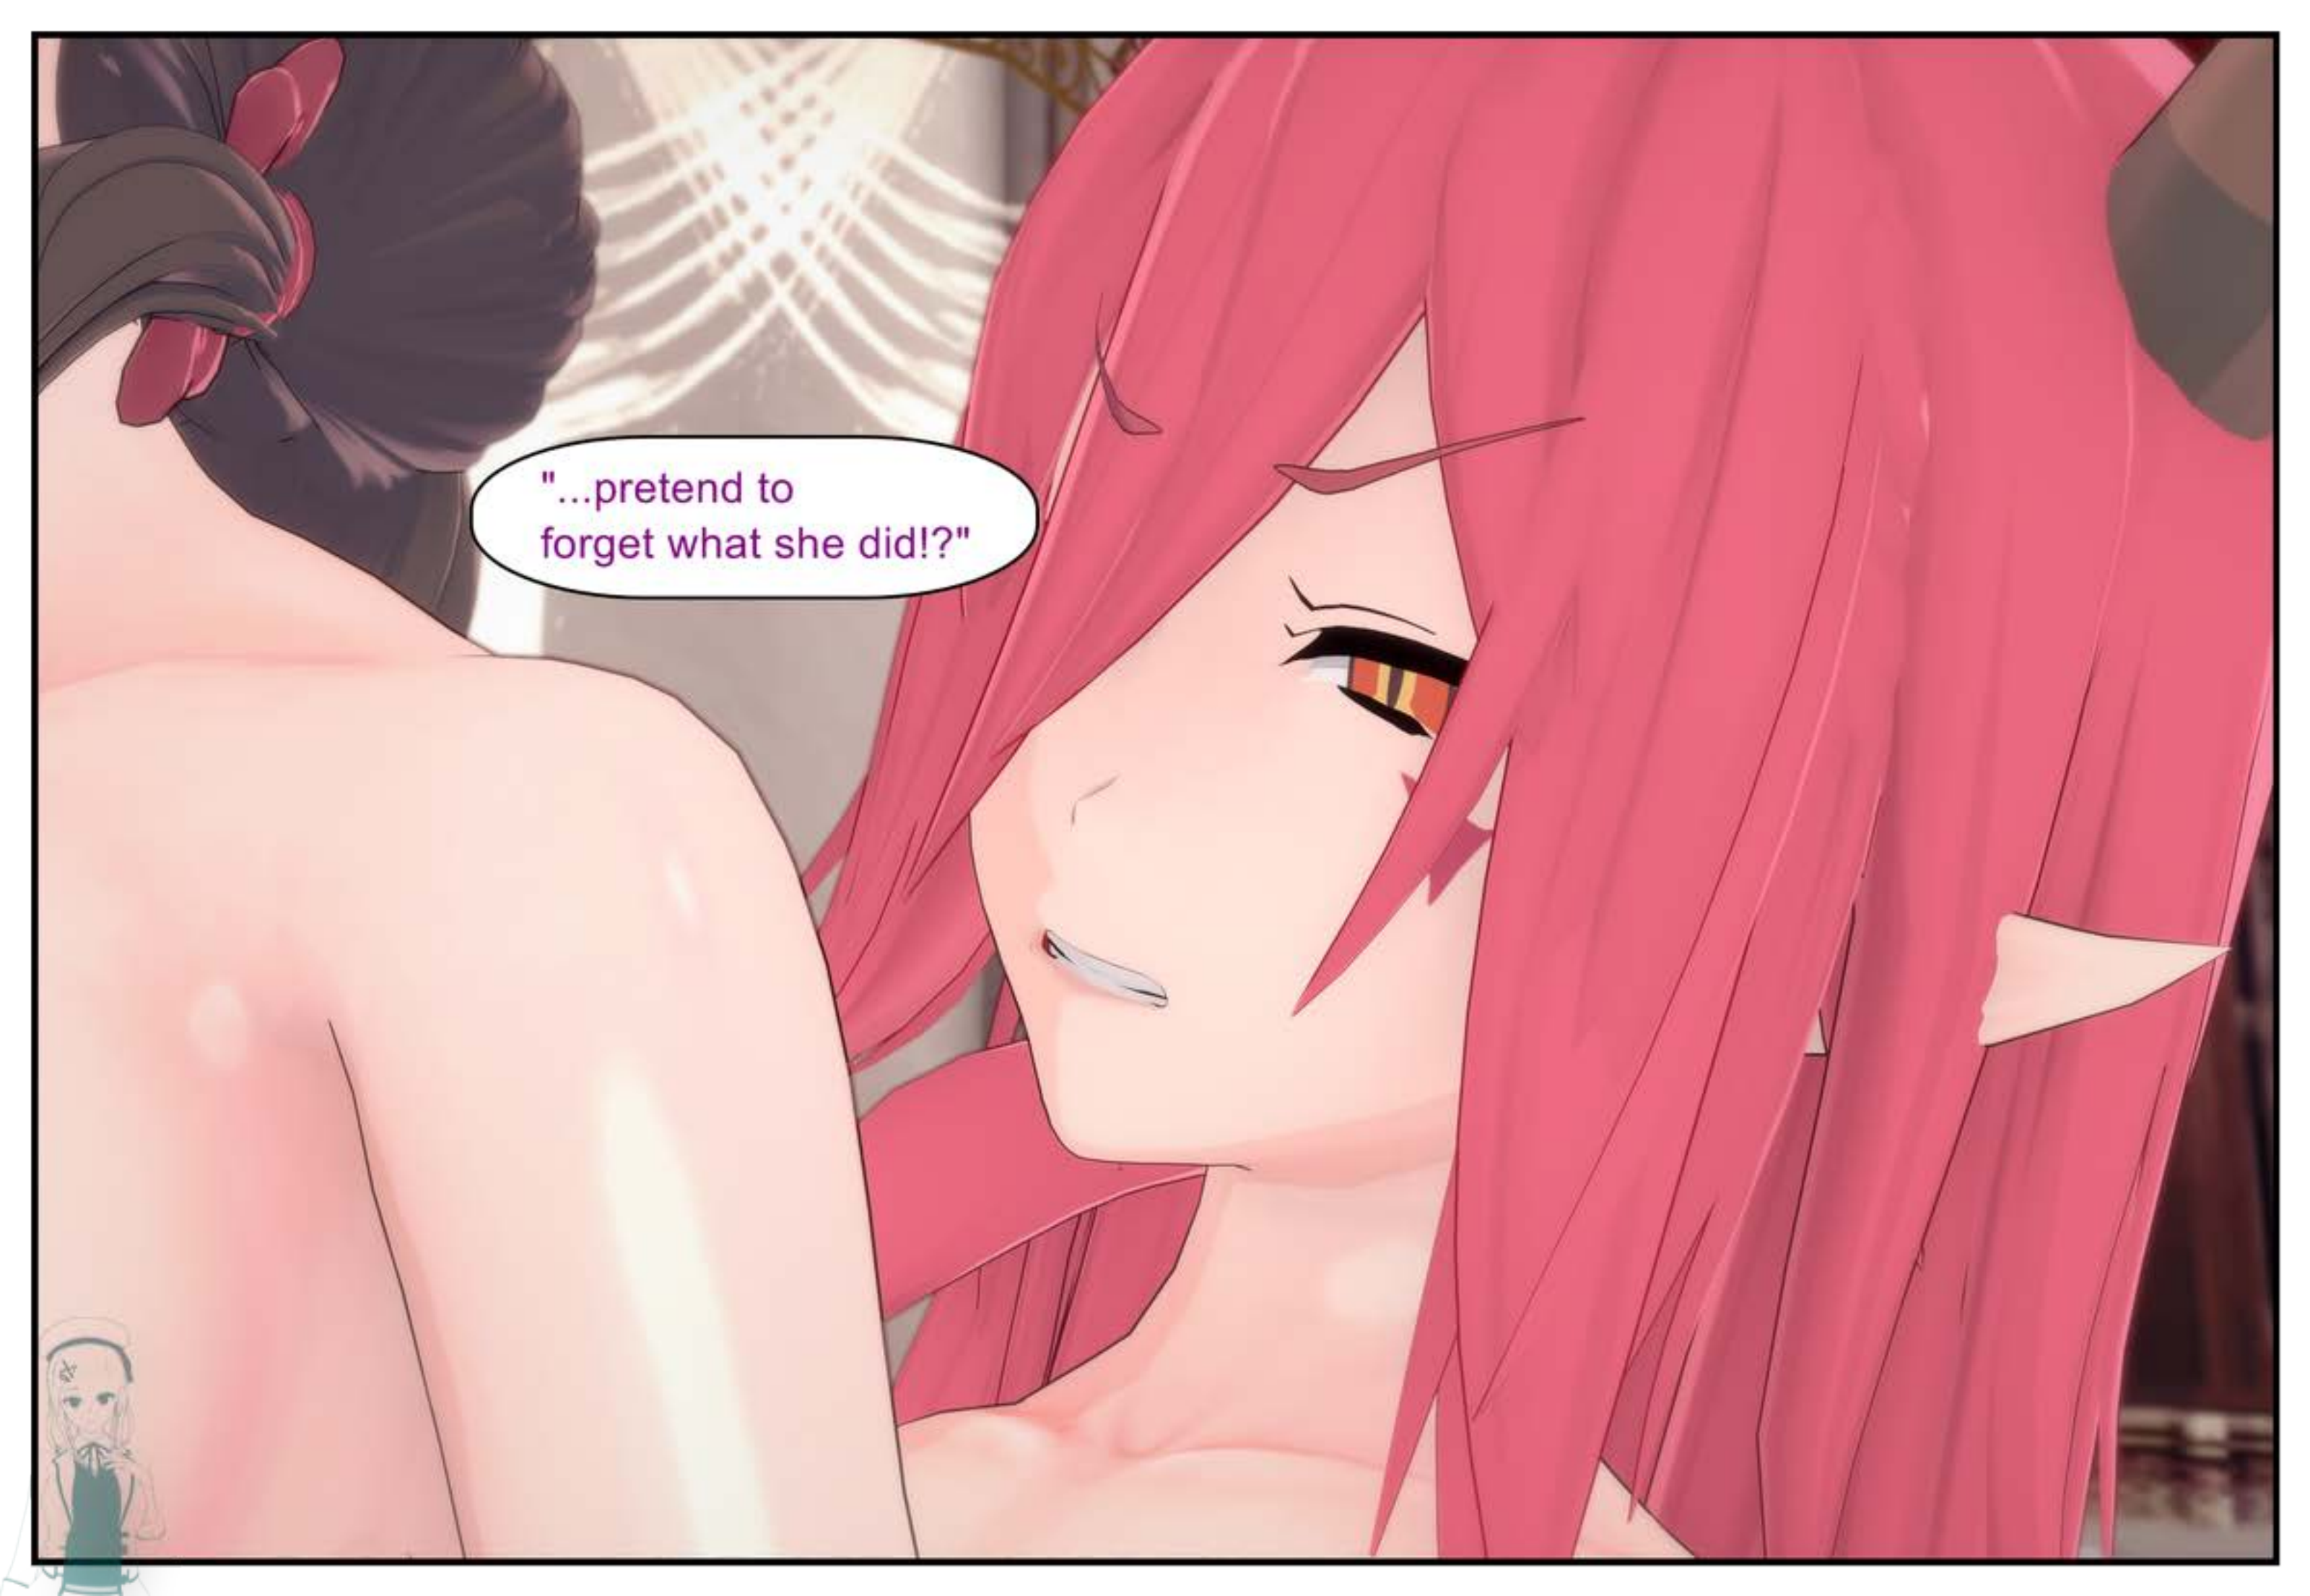

Hm... No, I mistaken.  
Who are you anyway?

"She..."

"...pretend to forget what she did!?"

"Then how about this?"

Now you remember,  
Megumi, the Crimson Girl!

I only tried to take  
part of Master Wolbach  
back from you...

Hah... Forgive me...

...then you sent me  
to hell with your third-  
grade skill: Explosion!

I'm not good at memorizing  
people whom I just met once  
or twice...

So... Can I go now?

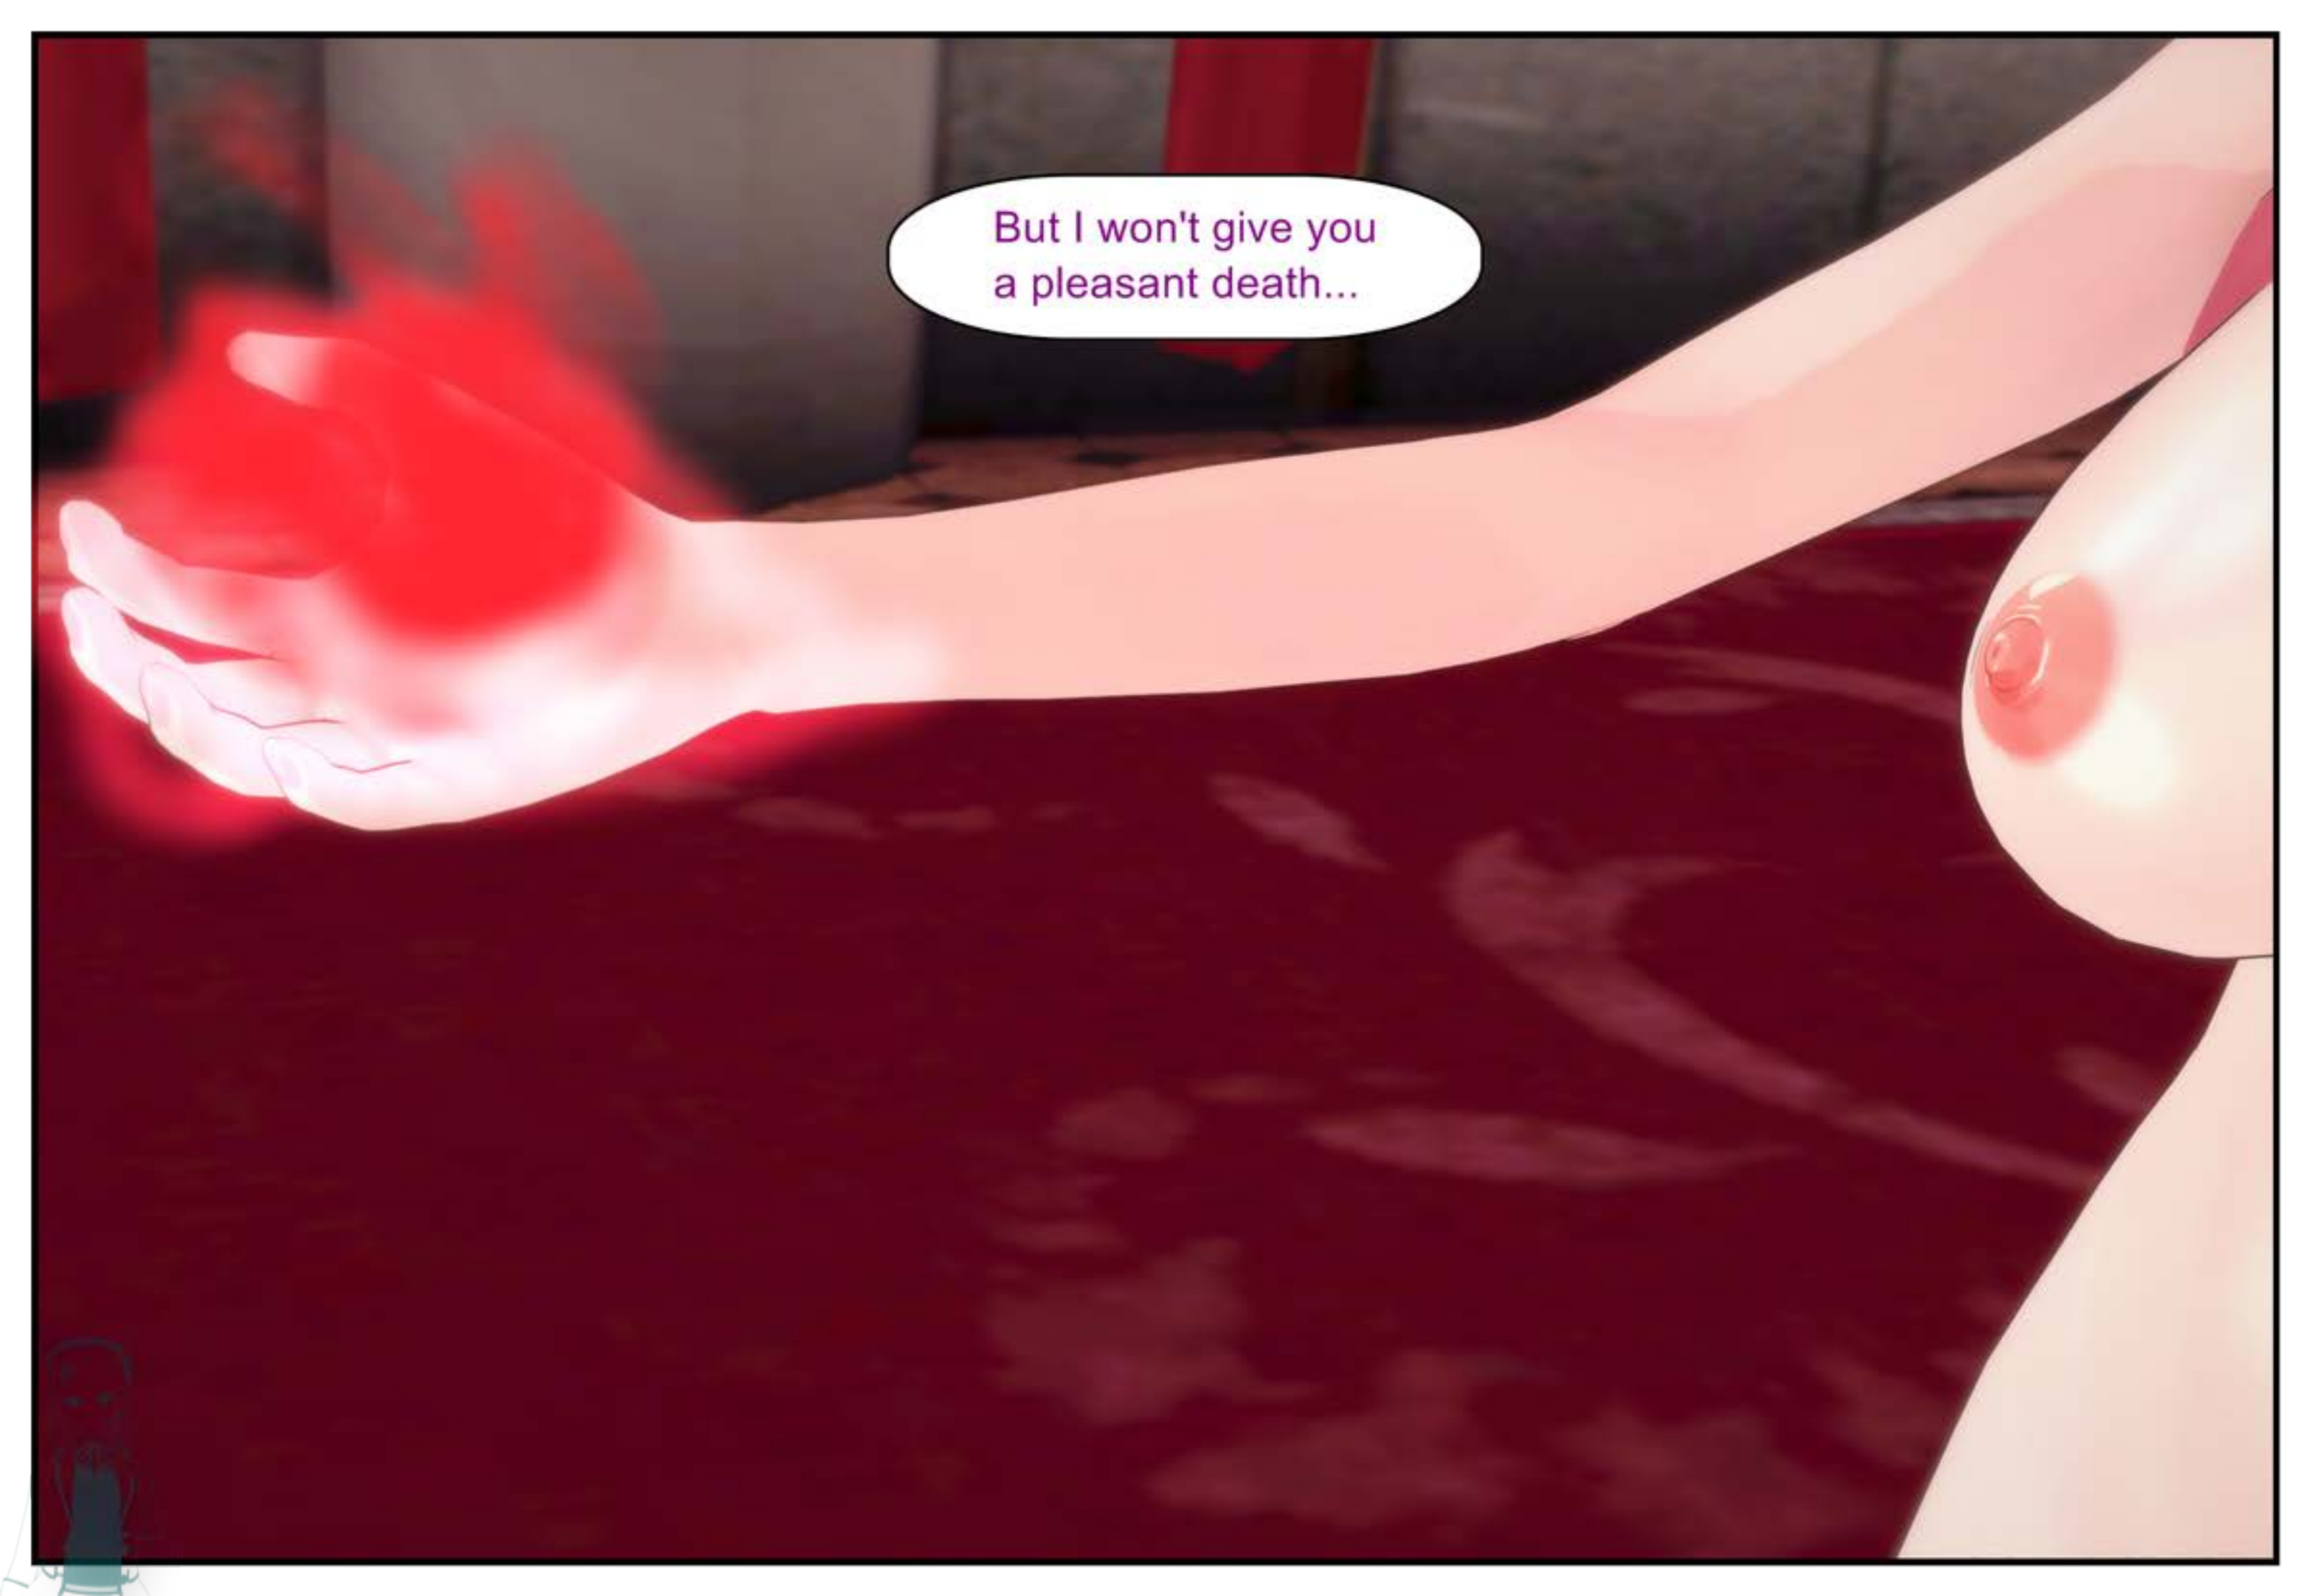

Is this how you want to play, hm?

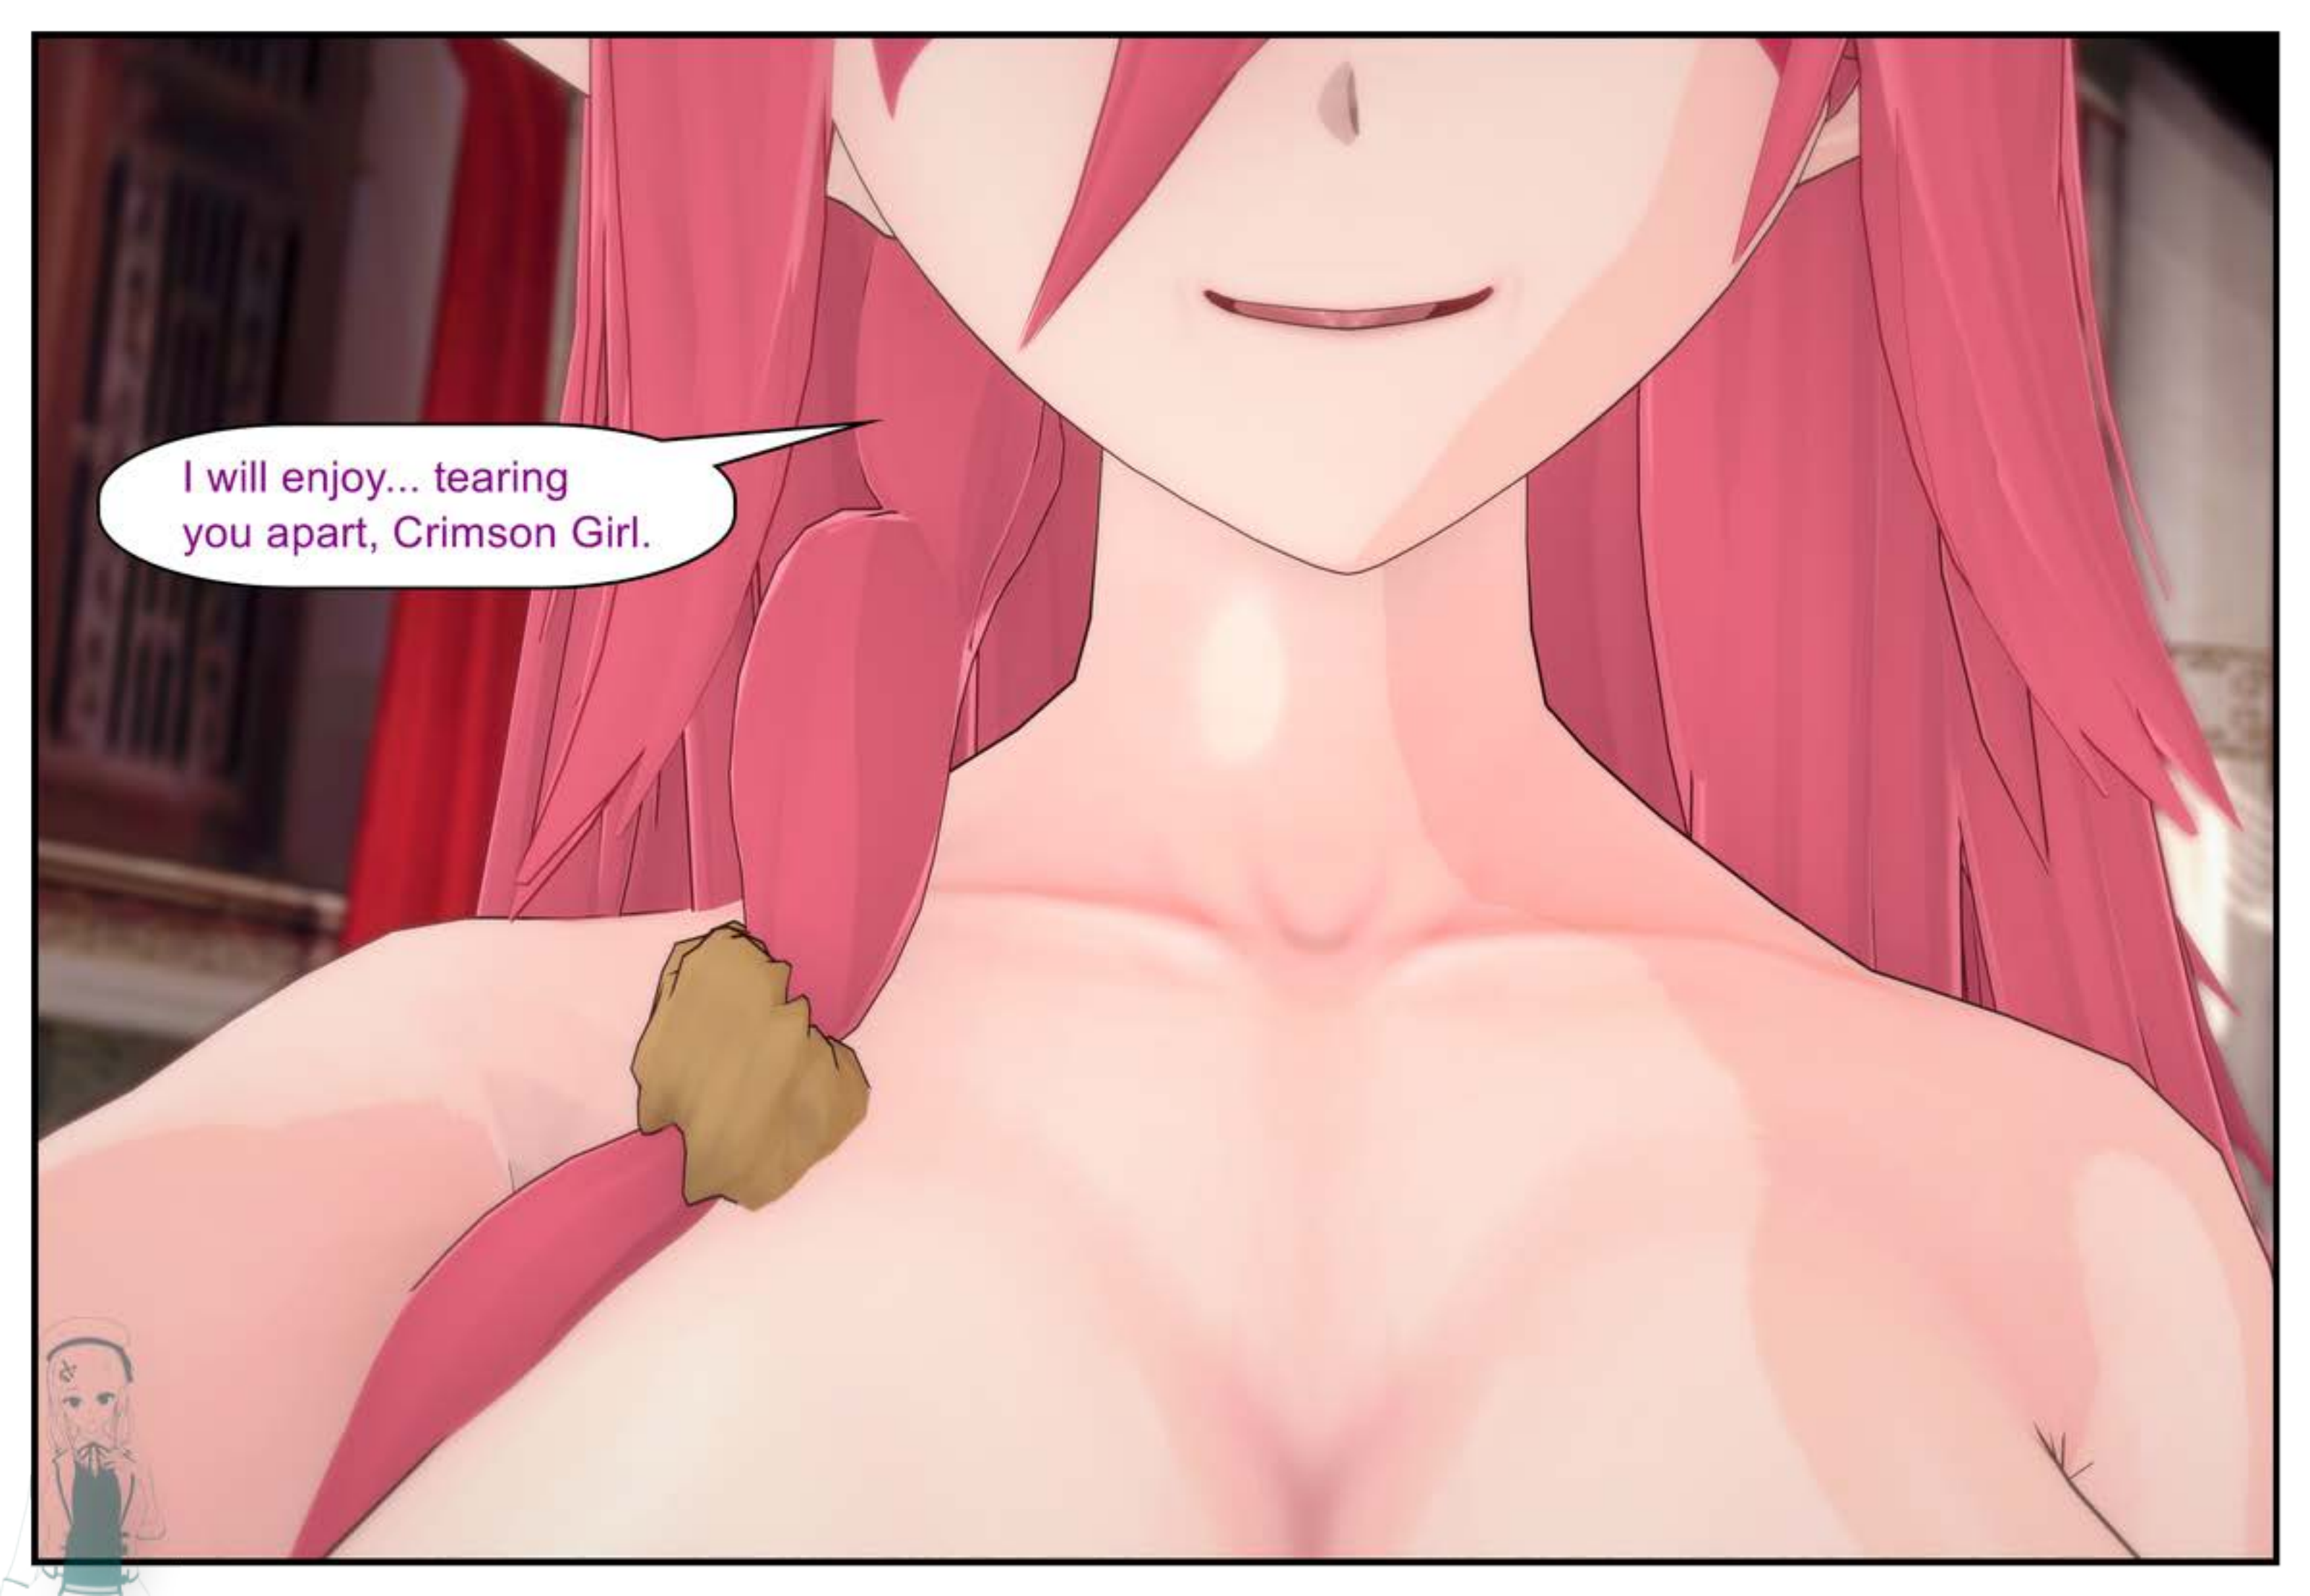

A close-up illustration of a woman's arm and hand. The hand is clenched into a fist, with some redness on the palm. The arm is extended across the frame. In the background, a woman's breast is visible. A speech bubble is positioned above the arm.

My only reason to  
live... was to kill you.

But I won't give you  
a pleasant death...

I will enjoy... tearing  
you apart, Crimson Girl.

Now, go on and show me that Explosion Spell...

Megummmmmiiiiii!!!!

What's wrong, Wiz?

Your face... it's  
like you are surprised  
to see me.

How about I let  
you decide?

Will you leave?  
Or stay to make  
us pleasure?

A close-up manga-style illustration of a young woman with short, light blue hair and blue eyes. She has a soft, blushing expression on her face. Her hands are gently cupping a large, pink, glowing breast. The background is dark and indistinct. A speech bubble is positioned in the upper right corner of the frame.

Ah... Your breast  
is so soft...

Can't say anything at all, can you?

Should we do something more interesting?

Where we could  
moan at the  
same time...

A blue-haired anime girl with blue eyes and a slight blush is looking at a person's chest. The person's chest is visible, showing a red bra and a large, prominent areola. The background is a dark, purple, circular opening, possibly a tunnel or a hole in a wall. A speech bubble is positioned above the girl's head, containing the text: "By the way... I think I touch something."

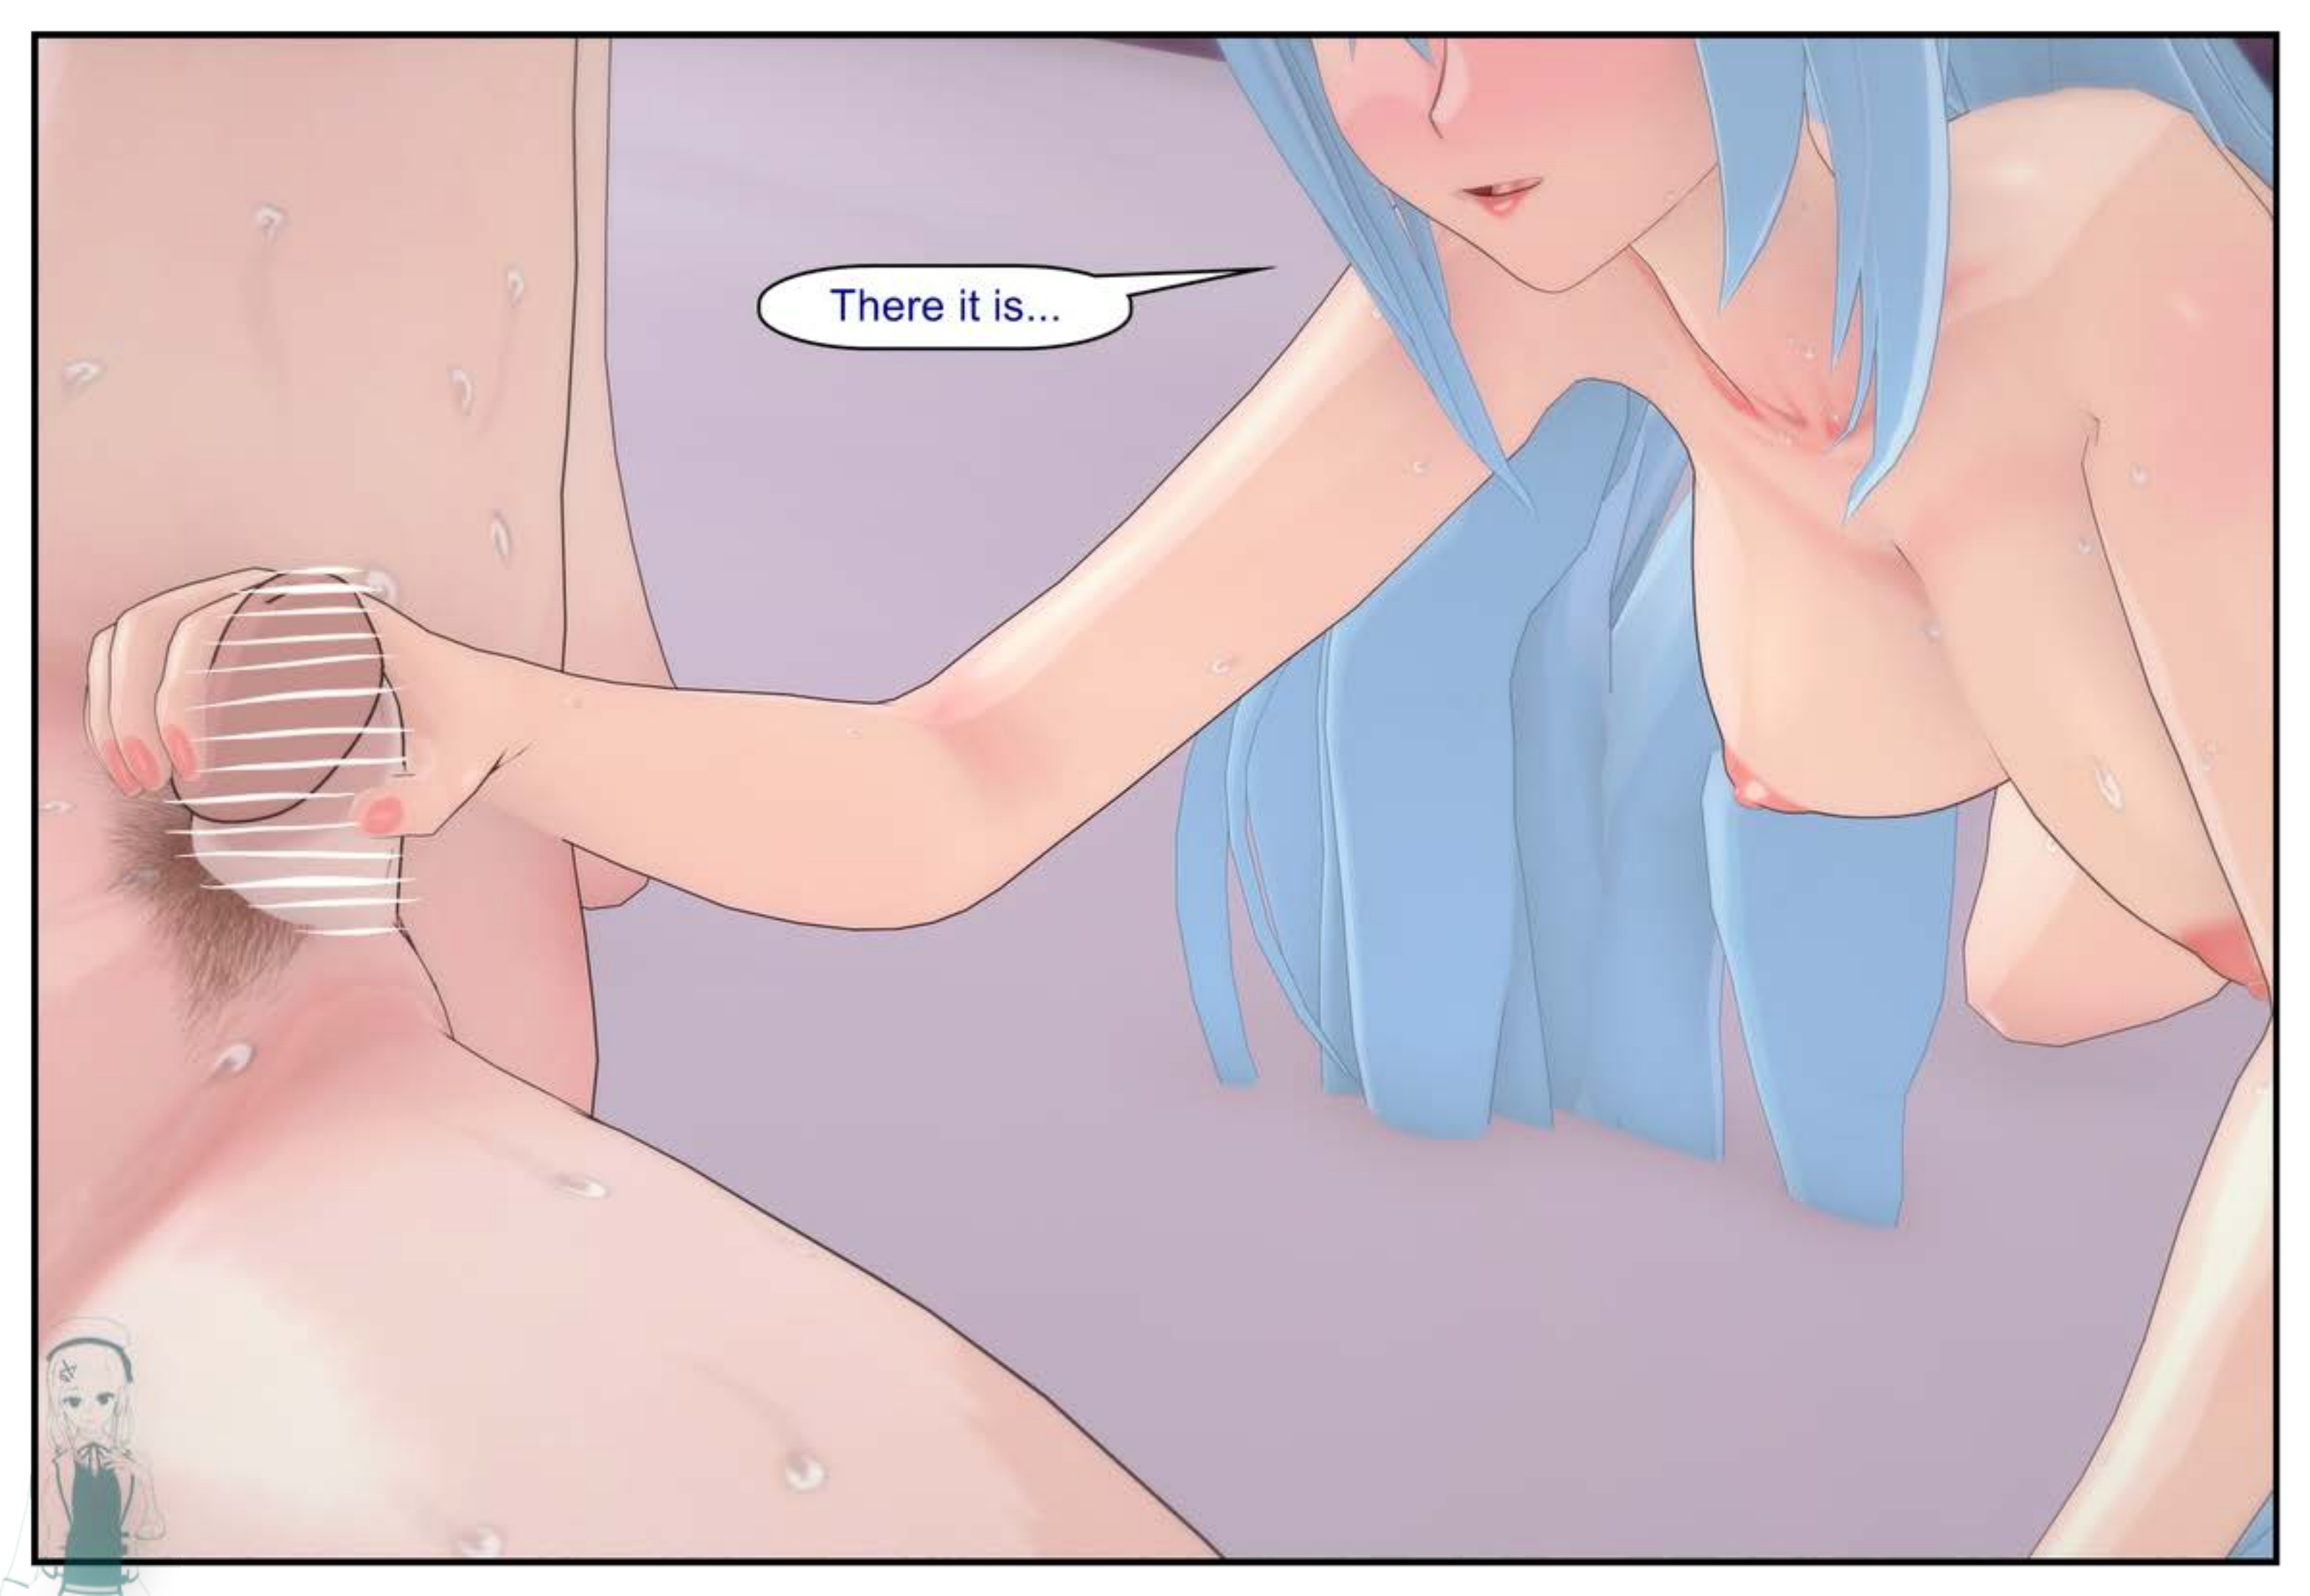

By the way... I think I touch something.

...Down to  
your crotch.

There it is...

A manga-style illustration of a young woman with short, light blue hair and blue eyes. She has a blushing expression and is looking towards the viewer. She is wearing a blue bikini top. In the foreground, a large, hairy penis is shown, held by a hand with red-painted nails. The penis is covered in white, hair-like lines. The background is dark purple. A speech bubble is located in the upper right corner.

Pretty big, I  
must say, Wiz.

Why didn't you  
fight back?

Was it because...  
you only know how to  
cast Explosion?

Who... told you that?

I figured that out...  
myself.

Now, Megumi...

...We are going to settle this...

...Once and for all.

"Why...? I have come  
this far... just for this!"

"I can't... kill her..."

Did you know  
why you can't say  
anything?

I put some poison  
inside the drug...

But it was not my  
idea, Kazuma.

Well, it's a long story.

Vanir!? I thought you already left?

If you are here...  
then she...

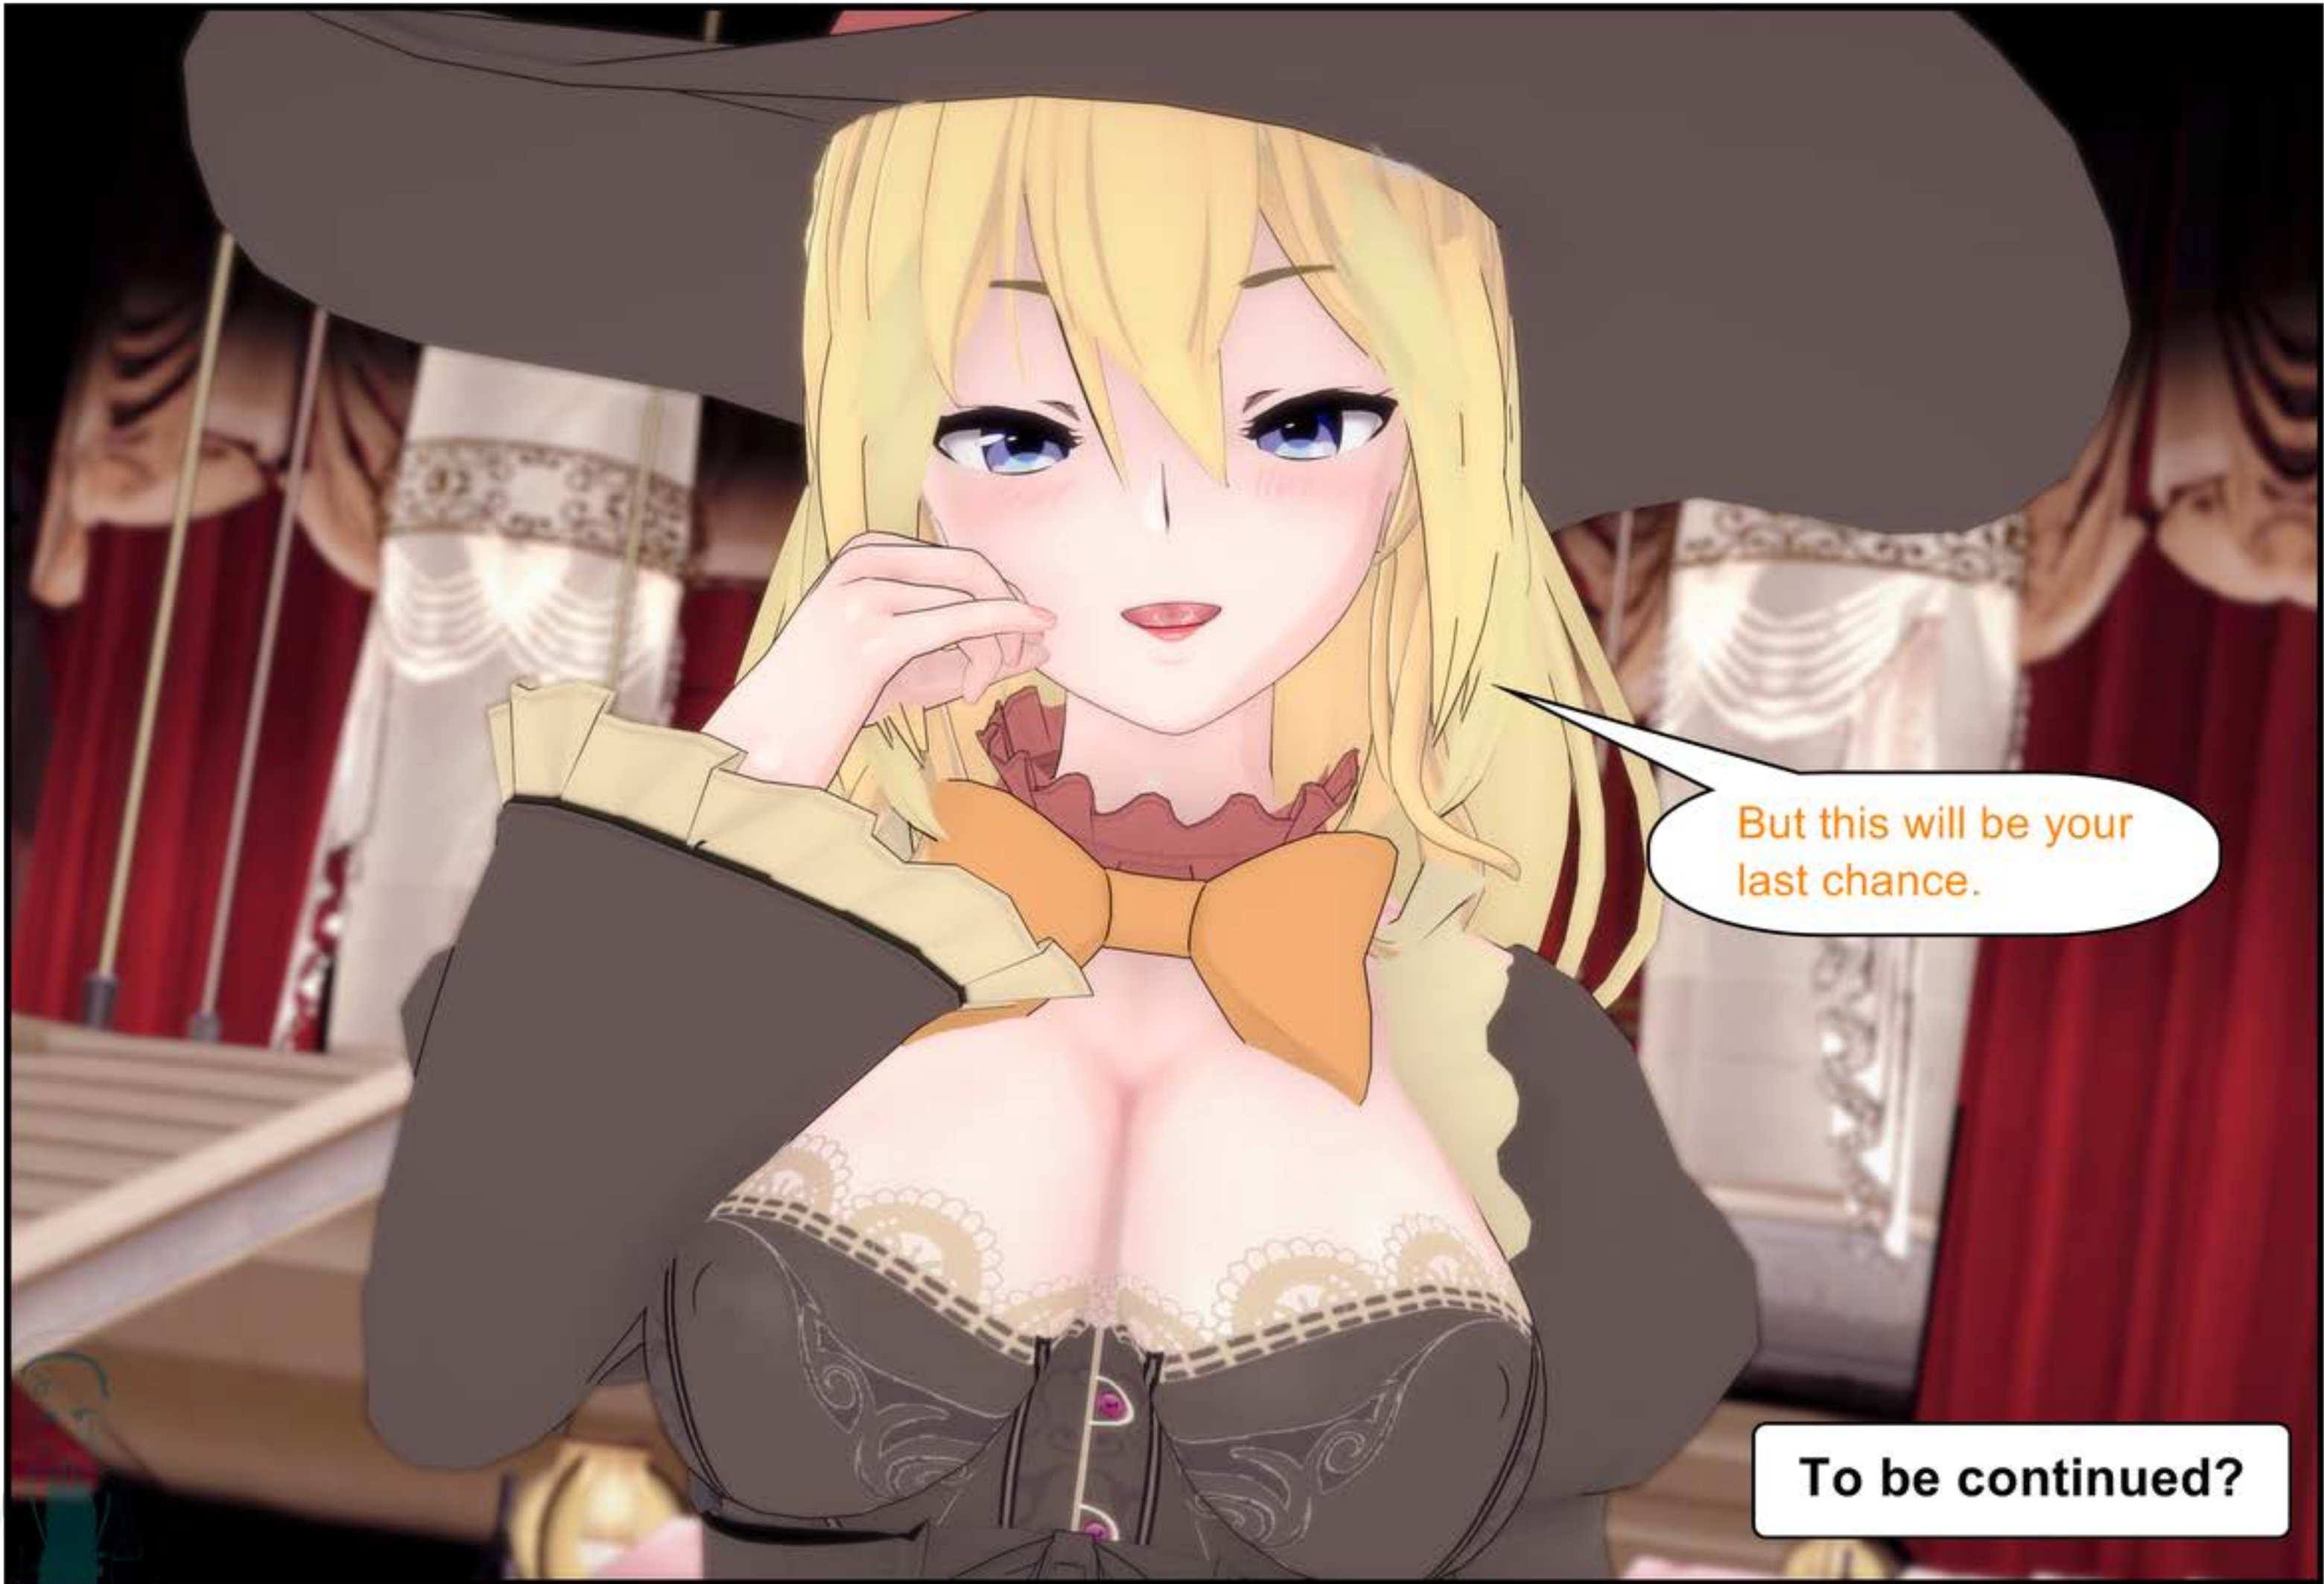

Guilty? Does it make  
you hesitate to  
end your nemesis?

Kind of adventure...  
you made, Arnes.

But this will be your last chance.

To be continued?
