November 2014 | SFW

Thank you so much for being a Patron!

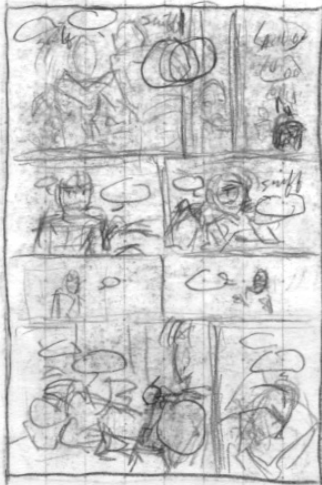

Here's a WIP of Avialae page 29! (It should go up later this weekend.) I'm going to start shifting focus to Avialae for the next few months so I can have the first chapter done for next con season.

Avialae = Ch1 = Pg 29

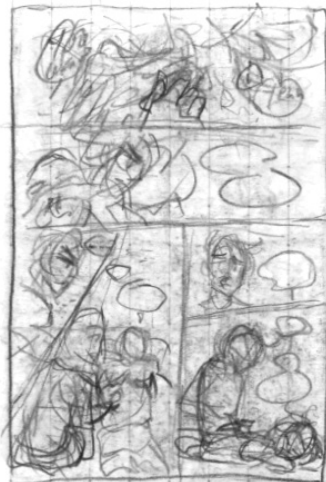

- 1: I know that! I just think they're kinda cool is all...
- 3: Well that makes one of us.
- 4: You should lie down.
- 5: C'mon, I'll help you to bed.
- 6: The last time someone said that to me it was much sexier.
- 7: Oh... you changed the sheets?

Avialae = Ch1 = Pg 30

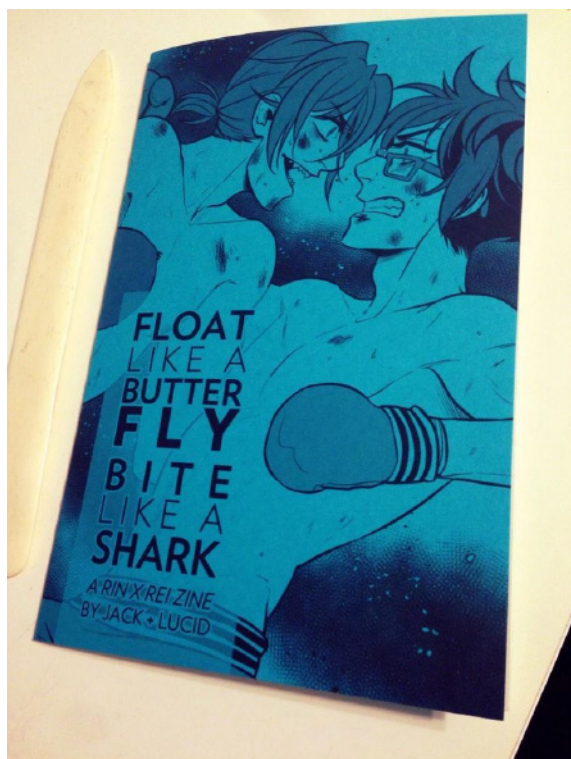

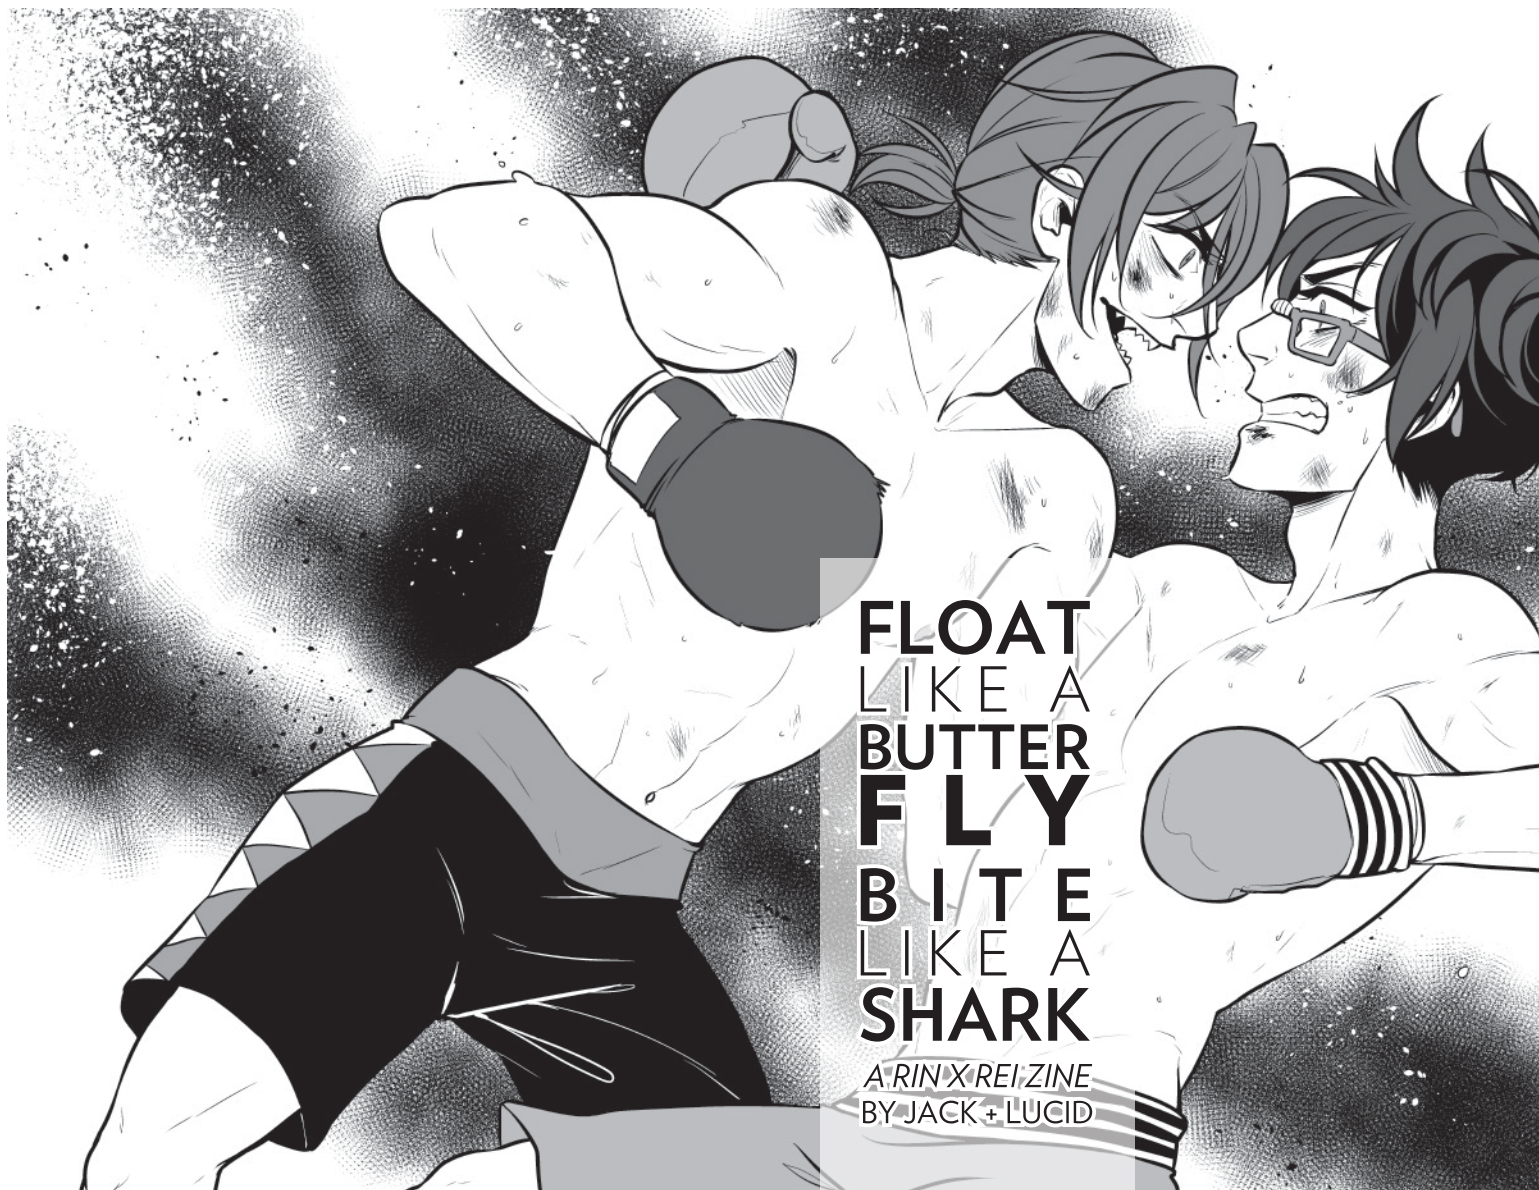

- 1: Yeah. I just threw them out. I don't think there was anyway of saving them - <sup>3:</sup> achoo!
- 4: Um any avian?
- 5: Yeah. I'm just allergic to birds.
- 6: Oh.
- 7: Not that you're a bird!
- 8: Whatever. I had to be horizontal. Um, will you let me clean the rest of the blood off?
- 9: Yeah, whatever.

Avialae = Ch1 = Pg 31

- 1: You okay?
- 2: Huh? Oh, yeah.
- 3: (Why is he doing this? I was such an asshole to him yesterday and he's still here...)
- 4: Hey... I'm sorry about yesterday.
- 5: I was just angry at the world & took it out on you.
- 6: It's okay. Honestly, I forgot about it when I saw the wings.

Jack Gross and I have a truly disgusting rinrei problem, so for the last convention we did a short rinrei zine together. We have some left over, so I'll put them up in my online store later this month!

(I'm not turning this into a pdf because half of it is Jack's, but all my illustrations from it are in the inktober section of this pdf!)

((Also it has nothing to do about boxing we were just trying to be funny \*sweats\*))

*Inktober 2014!*

I participated in Inktober this year! It was fun to get back into ink drawings and use materials I haven't used in a long time. It was also an excuse to draw gratuitous fanart;; I think I fell short of the 31 drawings for each day due to having a convention at the end of the month, but there are still a lot of ink drawings in here. Will I continue this? Probably not. I liked doing it, but it does cut into the already short time I have to make comics, so if I do this again it won't be until next October.

*A note about the sketchbook portion of this:* Oddly enough, there isn't anything explicitly NSFW in here this month. I was too busy to draw porn I guess? TAT;; There are a few spoiler-ish things in here for Avialae, but they're not solidified parts in the story.

I've also started a new sketchbook that has more of a landscape feel, so that's the reason for the new layout-

What do I have to do

to make you mine

mm

Make me show them I'm off limits

Aah
