

CUCKED BY A MUSCLE GIRL

STORY BY LILGUY

ART BY ZGANNERO

It has been two years since Rachel married Jacob, and she had grown sick of him. Sure, he was nice enough, rich, and loyal but he was such a wimp. After all, she was a perfect, 10. Her body was that of a fitness model, tone and hard body standing 5.8 with big G size tits and long flowing brown hair. She was young fit and in shape. On the other hand, Jacob was a scrawny 5.2 nerdy nothing. She married him because he was rich, and she figures she could live a high life. Jacob had made his money selling a comic book idea that was being turned into a movie called "Amazon Z" It was about an Amazon in space. It had been a bidding war for it. Some nerdy shit she thought.

The boy was a wimpy, a geek, a loser with a small dick and she was ready to dump him. But the prenup said 5 years in she gets most of the money. If not that, she wouldn't still get millions...but it was nowhere near the payday if she stayed with him. Jacob sensed some love lost so he took her to Bermuda for a vacation. Little did he know that would change his life forever? She was at a bar drinking some drinks. Her long blond hair flowing down, she had pink roots and a tongue ring. She was a wild girl married to some square. They were at a bar/club on the Island.

"How you are enjoying your drinks sweetie," he said to her

"Fine," Rachel Said trying to ignore him while sitting at the counter of the bar "Go get me another one"

"Sure, thing dear"

Rachel rolled her eyes and that is when Rachel saw the woman that would change her life. Her name was Stephanie Steel. She was a bodybuilder/fitness champ. She was in town for a competition. She was a 6.3 blond hair beauty with a body sculpted by the gods. Her face was beautiful with piercing blue eyes. Her eye shadow was blue, and she was wearing red lipstick. She had a touch of Greek beauty as her blond hair blowing in the wind. It was medium in length with thick locks. Her skin was tanned, a nice little darken tanned astonished her body. Her legs were thick showing off in her tight Daisy Dukes Jeans. Her calves had peaks and valleys of muscles showing thick veins and muscle definition as she walked. The legs went up to a tight little firm ass showing off what years of working out can do you. Her ass was a thing of perfection. Rachel had always a thing for girls and muscle. She wanted some strong mentally and physically. Her nerdy husband provided none of those things.

She was dress in tight clothes that showed off her body. She was sweating showing off her fine perky breasts...firm like two ripe melons. Her abs... Were sick. Tight six packs you could play her abs like a xylophone. Her skin was radiant...firm, and rich. Soft skin over tight steely muscle. No sign of fat on her stomach, everything was firm and tight muscle, no ciliate. She was like an action star. Despite this, she had a firm ass and big breasts. Stephanie was staring her across the bar as Jacob came back with the drinks. Stephanie walked past him "What a fine-looking girl like you doing here all alone" Stephanie Steel Said. She spoke in a sultry voice with total confidence.

She stood right in front of Jacob like was not there. Rachel looked at her body checking her out. Stephanie Steel likes that. Stephanie was a bisexual and enjoyed the female body. She always thought women were more powerful than men anyway.

She likes the softness with power

"Just handing out with my Dork Husband"

"HEY," Jacob Said

Stephanie didn't even look at him. She just put out her finger in an "Shhhh" motion. Stephanie grabbed both the drinks from him

"I was going to drink that" Jacob Said

"Come don't you want to treat your wife friend. Be a gentleman" Stephanie smirked

She turns to Rachel eyeing her body.

"You like my muscles," Stephanie Steel Said flexing her arm. It was like a missile popped up. Stephanie smiled and flexed enough to show her veins. Her muscles squeezed together like two mountain masses forming "Go ahead and touch it"

It was so big she could hardly get her hand around them. She felt the solid steel muscles of hers as Stephanie's hands went down her body. She gave Rachael's ass a nice squeeze and felt the warmth of her soft buttocks. Rachel moaned with pleasure feeling a strong touch and grip for the first time in a while. Stephanie brought her close to feel her hard tits against her strong body. They explored each other feeling her strong muscles and perfect cut body. Stephanie motions a few shots over to someway with a tray. The girls took some shots and began to talk.

"Shame you married to such a wimp. Your hot babe...you shouldn't have to settle"

"Would dump the loser but he is rich. Stuck with him for a couple of years. Should have never signed that prenup"

Stephanie took the drinks and ignored him. She muscles him out of the way.

She was all over her and nibbling her neck making Rachel moan with ecstasy

"How about we go upstairs talk about this some more," Stephanie said

"That would be fantastic"

"Mmmmmmm pardon me...trying to talk to my wife," Jacob said getting a bit

"And so, what little man," Stephanie said looking down on him

"Now see here...I won't..."

"You won't what?" Stephanie asked with an evil smirk. He jumped back. Stephanie could see the fear in his eyes. Rachel could see it too and she laughed
"Yeah...Jacob...you do what" Rachel laughed a bit drunk
"That was a mind," Jacob Said nervously but trying to put some toughness in his voice
"Yeah...going to take a lot that is yours tonight. Now I suggest you leave and let me, and your wife talk before things get a bit messy. "she said flexing her arms. Her muscles popped with great power squeezing together showing how cut and tone she was "Little skinny dude like you shouldn't be messing with hot girls like her anyway"
Stephanie sat on the bar grabbed her ass and gave it squeeze

"I mean look at this...look at all this ass," Stephanie said
"It is perfection," Rachel said
"And look at you. You scrawny little worm. Bet you don't even lift little man"
"Listen I won't let you talk to me that way," he said pointing at her. He pokes her with his finger and felt just how strong her body was. It was like poking a brick wall
She slapped him across the face. He was sent crashing down. He looked up in shock as Stephanie ripped off her shirt showing off her body and glistening body. She looked like a Goddess
"What are you doing," He Asked
"Going to beat your little ass in front of your wife"
Rachel got up behind her and grabbed her tits
"Why don't we go to the bathroom and powder our nose" Rachel Said
She whispered something in Stephanie's ear. They left him on the ground. Tears were going down his face as he tried to adjust his glasses. He got up and waited for a minute. He couldn't believe this was happening. He didn't normally drink this much but he took a swig of his beer to get courage. He walked toward to the girl's bathroom and was shocked to see Stephanie and Rachel topless. He saw Stephanie's broad shoulder and massive back muscle showing lines of muscle definition.

They were kissing
"What the hell you are doing"
Stephanie smiled as they broke the kiss. There was a necklace of saliva connecting their lips.
"You got about 5 seconds to walk out of here"
"Now Listen"
She turns around showing her firm tits and rock-hard nipples
"5...4..."
His heart nearly stopped. He gulped
"Now you're being unreasonable" He squeaked
"3...2..."
"There is security in here"
"ONE!!"
. She started slapping him in the bathroom making tears run down the place.
"That so hot," Rachel Said touching herself

"Glad you like it babe" Stephanie Said. He tried to get up and grab Stephanie.

"Look at this little wimp" Stephanie Laughed.

She quickly grabbed his finger and twisted it. Her fist then collided with his belly making him gasp for air. It was like he got hit by a cannonball.

"See what happen when little betas mess with ALPHA women" Stephanie Said

She held onto his belly

"Ugggg help Rachel"

"Calling for your WIFE to help you. Not very Sexy" Stephanie Said

"No not at all" Rachel said

She lifted him and bent his back over her neck and shoulders. He screamed in pain as she held him effortless

"So, as I was saying...you want to leave this place soon. Got some toys in my room...we can play with them. Nice 12-inch strapons...you can feel how it is like with someone with skill has sex with you"

Rachel was getting turned on by her confidence and power. She could break her husband in half without any effort. He screams in pain. She spotted an erection on him which Stephanie gripped. Rachel always knew he was a kinky wimp, and this was confirming it. She didn't feel any sympathy for him just disdain at his weakness

She bounced him up and down doing this lifted him. He felt like his spine was about to break. The two women made out. Rachel laughed at his tears

*"Bet this guy a 60-second man in bed," Stephanie said
"60 is giving him too much effort," Rachel said
"Only one way to find out," Stephanie said and pulled down his swim trunks
She grabbed his dick and started stroking while she had him in a torture rack. He thought he was going to snap in two. The pain was unbearable. He couldn't believe how strong she was
"Wow, how you able to fuck this wimp. He all skin and bones" Stephanie Said
"Trust me I really got to hold back. I am afraid I would give him a heart attack. His dick is like little stick in me" Rachele Said
Stephanie slammed him down over her knee and made him scream in pain.*

She then slammed him down over her knee and started to stroke fast. His hands were very skilled. She was making quick work out of him and keeping him on the edge. The mixture of pain and pleasure was intoxicating. She squeezed with her strong left soft hands.

Rachel knew she should feel bad about her husband, but she didn't. It was no pity to be there. In fact, Rachel was getting turn on to watch her husband be humiliated. It was opening a hidden side in her.

Stephanie watched him moan in pleasure as he started to cum. The humiliation was like a knife to the heart.

"Let's get out of here," Stephanie said. She picked him up and put him in a sleeper hold "Let me just put this BITCH to sleep"

Rachel bent down to him

"Be taking your credit card loser. Me and Stephanie going to order the most expensive wines and a lot of room service"

He tried to break her hold, but her muscles were too strong. They squeezed against his neck. He passed out with a full erection. Stephanie smiled and patted Rachel's ass as they walked upstairs.

"Tossed this piece of shit out will you," Stephanie said

Two of her female friends picked him up and tossed him in a dumpster outside. He woke up and an hour later groggy, covered in trash. He felt bruises all over. Jacob just wanted to get a shower and heal his wounds. He walked upstairs and opened his door. He heard noises of lovemaking and screaming. Sounds were coming from Rachel he never thought possible. He walked in and saw a sight.

"Well look who decided to show up," Stephanie Steel said

She was naked except for a 12-inch strap-on. She had Jacob's wife on all fours getting fucked on her body. Rachel's body was drench with sweat. Her big fat tits, soaked. Water was raining down her mountains breast as Stephanie continued to fuck her.

"How does it feel to have someone hit the back of your pussy? Sure, that wimp never did" Stephanie Steel said

"Ohhh never that boy couldn't last 10 seconds in my tight little pussy. You gave me more orgasms in one night than he ever did with his 4-inch cock"

He clenches his fist and grits his teeth.

"Ohhhhhhhh, I think he's mad" Stephanie Steel laughed "Look at that little wimp. You going to put on your nerdy power ring and try to fight me geek"

"All right enough is enough. Girl or no Girl...those are fighting words. Get out of here or you will get hurt"

She laughed. She pulled out and showed a dripping wet strapon, drenched in his wife's pussy Juices. "Hey, Rachel...you don't mind If I beat the shit out of your husband. I mean you don't have any attachment to him do you"

"Not at all," Rachel said

"Ok going to give you a free shot kid," Stephanie said. Her nipples were rock hard. Sweat dripped down her thick calves. He knew they could crush his head like a walnut. She looked down at him and pushed him with his breast "Come on wimp"

He went to punch her. He punched her hard in her abs. it was like hitting a wall. He shook in fear but fought past it as he punched again and again. Each time he punched her breast would jiggle. His knuckles started to bleed. She grabbed his hand and crushed it. He screamed in pain as she squeezed

"Are you finish WIMP. Was that all you got? AHHHH poor baby"

She punched him hard in the stomach. He gasped for air. She held him in a bear hug tightly. His hands waved around as he tried to break out. Her strong arms squeezed around him, and her breast squeezed against him

*"Look at this little wimp barely even trying," she said and tossed him down on the ground
He tried to crawl to the door, but she had him by the leg and dragged him
"Where do you think you're going," she said. She wrapped her strong calves around him in a scissors
hold. She laughed as she squeezed "Come on little man thought you were going to teach me a lesson"
"Please NOOO more"
She only squeezed harder. Rachel stood over him and squeezed her tits together. She licked her lips.

Rachel slapped him hard in. Jacob begged them to stop. Stephanie let go and worked his ribs and stomach with punches. She caught him with a right hook knocking him out. He woke up half an hour later only to see his wife and Stephanie still going at it. Rachel was bent over by the desk and Stephanie was pulling her by the hair and fucking her. Stephanie stood over "On all Fours Bitch" Stephanie Said She made him eat out Rachel's pussy. "Yea get that nice and wet for my cock" Stephanie laughed "Damm Lil bitch love giving head. She slammed Rachel against the mirror. Rachel's legs wrapped around Stephanie as Rachel was brought to an earth-shattering multiple climaxes. Her husband heard sounds from Rachel he never heard. He nodded as the entire dildo was shoving down his throat

"Or we can take advantage of the life insurance policy. We can toss him over the balcony" Rachel said

"I am up for that" Stephanie said "Most of the cops here are my friends. Just give them a cut. We can toss him right now. Or we can just spend his money...put him in Chasity...make him our bitch"

"Tell you what...write down all 3 ideas on separate pieces of paper...and put it in a hat," Stephanie said fucking his mouth

Rachel did as tell. They mixed the papers around

"Well let's see...what is going to be. You going to sign those papers and I let you go. And I
