

Holy shit! This is so incredible!

There's a
superpower in the
world! Seeing is
believing.

Since I have the
superpower, I am
not going back
to be a loser!

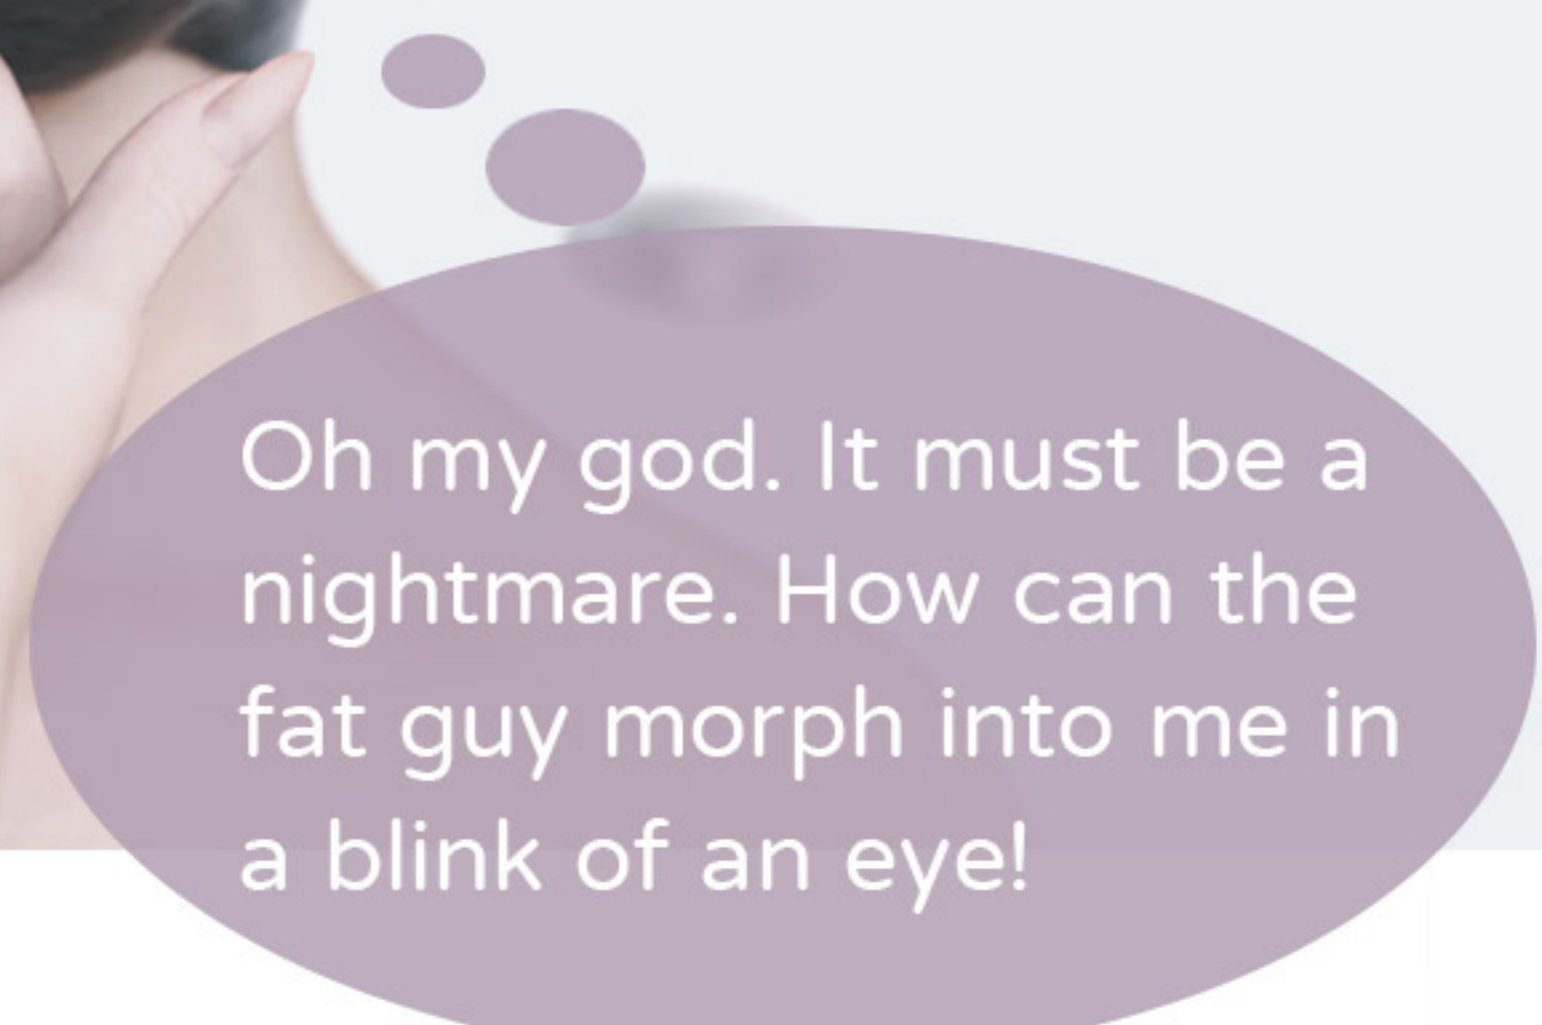

The slim and
white hands,
ample breast and
smooth skin...

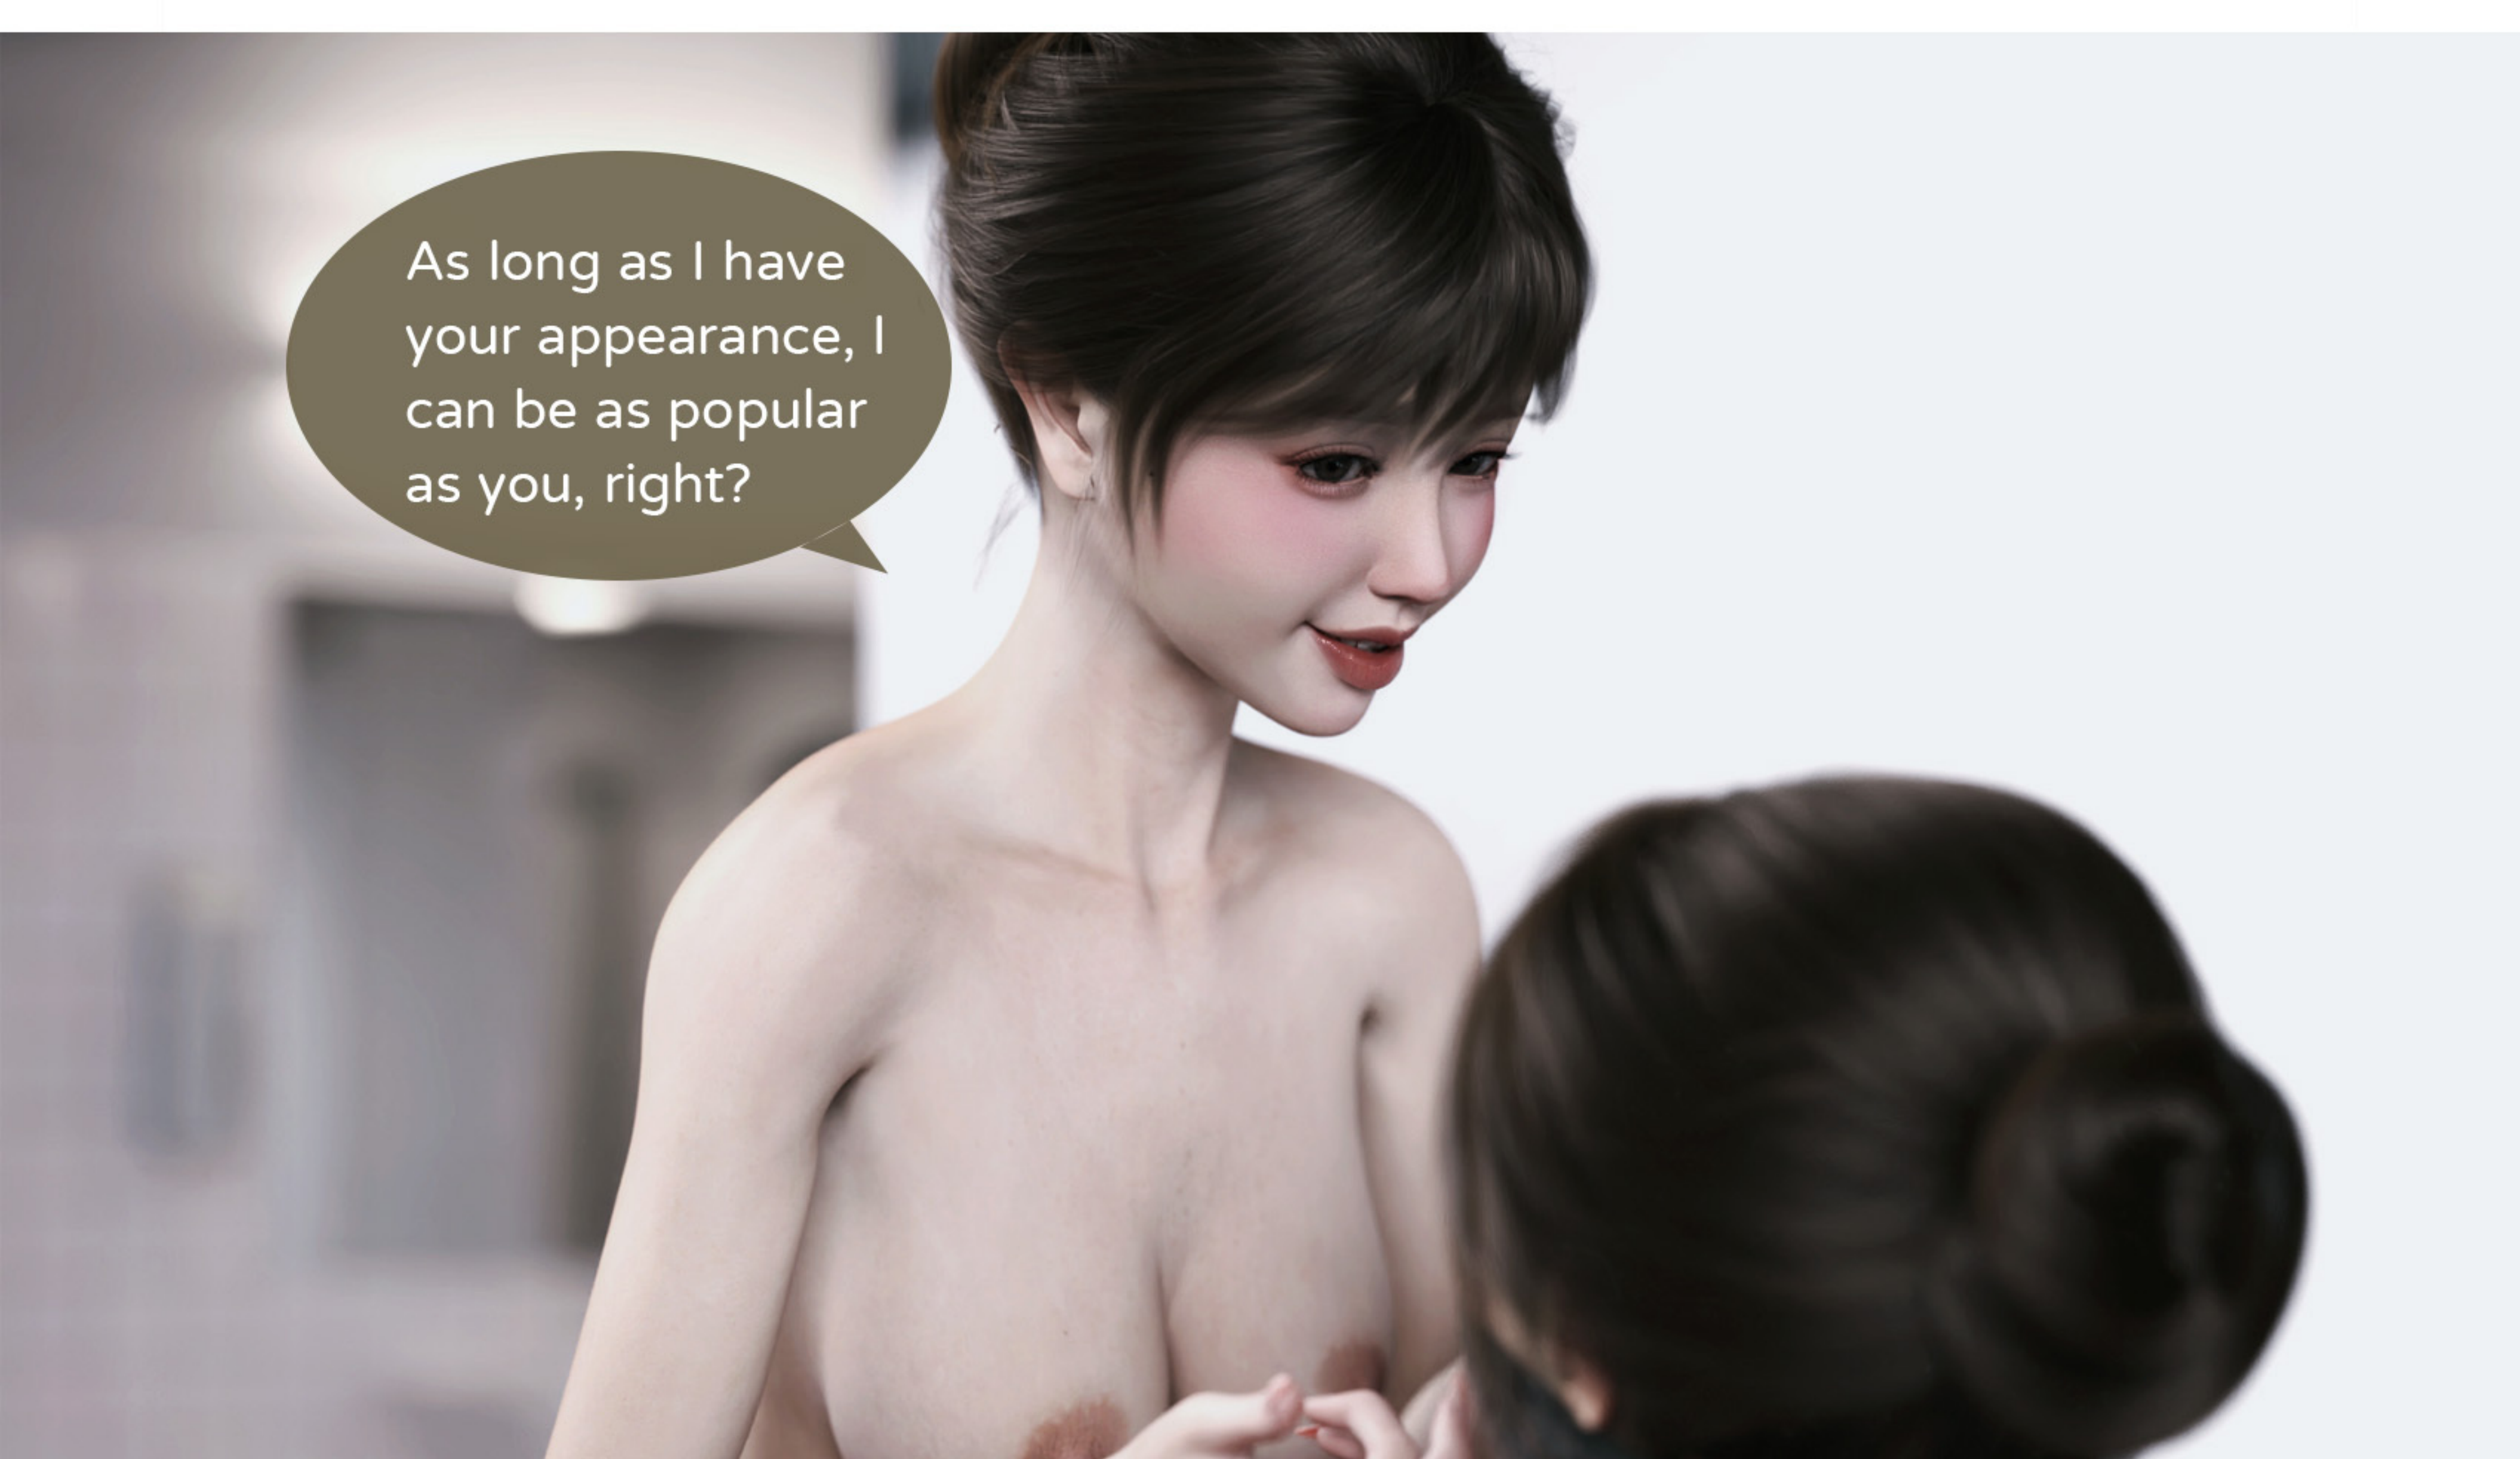

make me a hungry
loser, almost climax!

A woman with dark hair and large eyes has black tape covering her mouth. She is looking over her shoulder at the back of a man's head and shoulders. The background is a white tiled wall.

He he. Do you think I'm attractive?

A purple thought bubble with three small circles leading to the woman's mouth.

Oh my god. It must be a nightmare. How can the fat guy morph into me in a blink of an eye!

A woman with dark hair in a bun and a mole on her chest is smiling and talking to a man whose back is to the camera. The background is a blurred indoor setting.

As long as I have your appearance, I can be as popular as you, right?

Woo! Woo!

Squeeze

What are you
doing!

Your boobs are so soft, elastic and aromatic. How do you feel? Nice, right?

Stop! I'm not interested in my own breasts!

Don't reject me! Rubbing boobs is a fantastic thing!

Check it out! My
down below is
just like yours!

I have not watched a
woman's private parts
so carefully in my life.

So this is it.

I'm told that
caressing my own
breast and private
parts would make a
woman aroused.

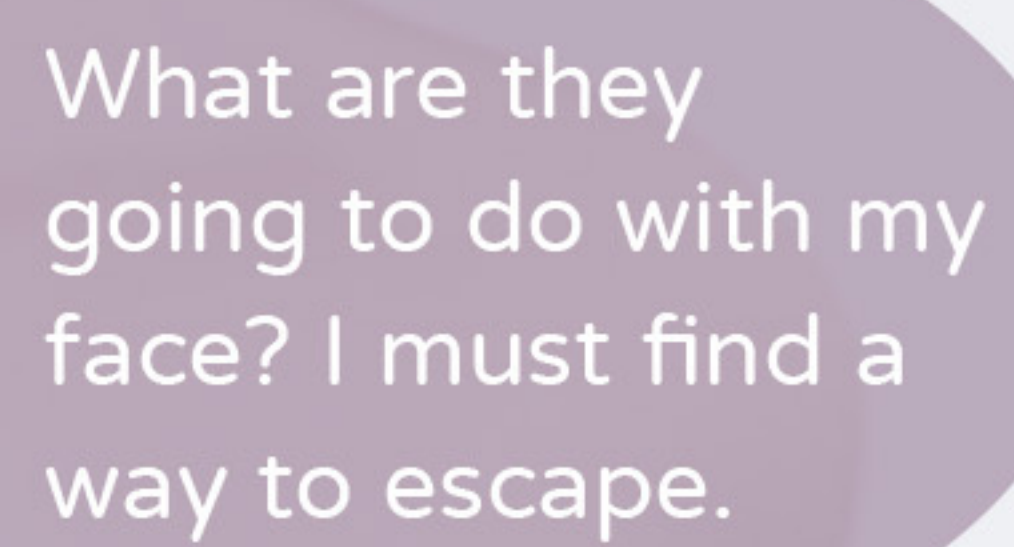

Don't use my
face and body to
do these things!
Pervert!

Caress

Ah. It feel so nice. It's
too bad that there
isn't enough time for
me to enjoy myself.

Time for business.

What are they going to do with my face? I must find a way to escape.

Although he has my look, his demeanor is totally different from me.

I believe that my relatives and friends will expose him!

A woman with dark hair and bangs, wearing a white nurse's uniform, is shown from the waist up. She is holding a white cloth or piece of fabric in front of her chest. The background is a blurred indoor setting with warm lighting.

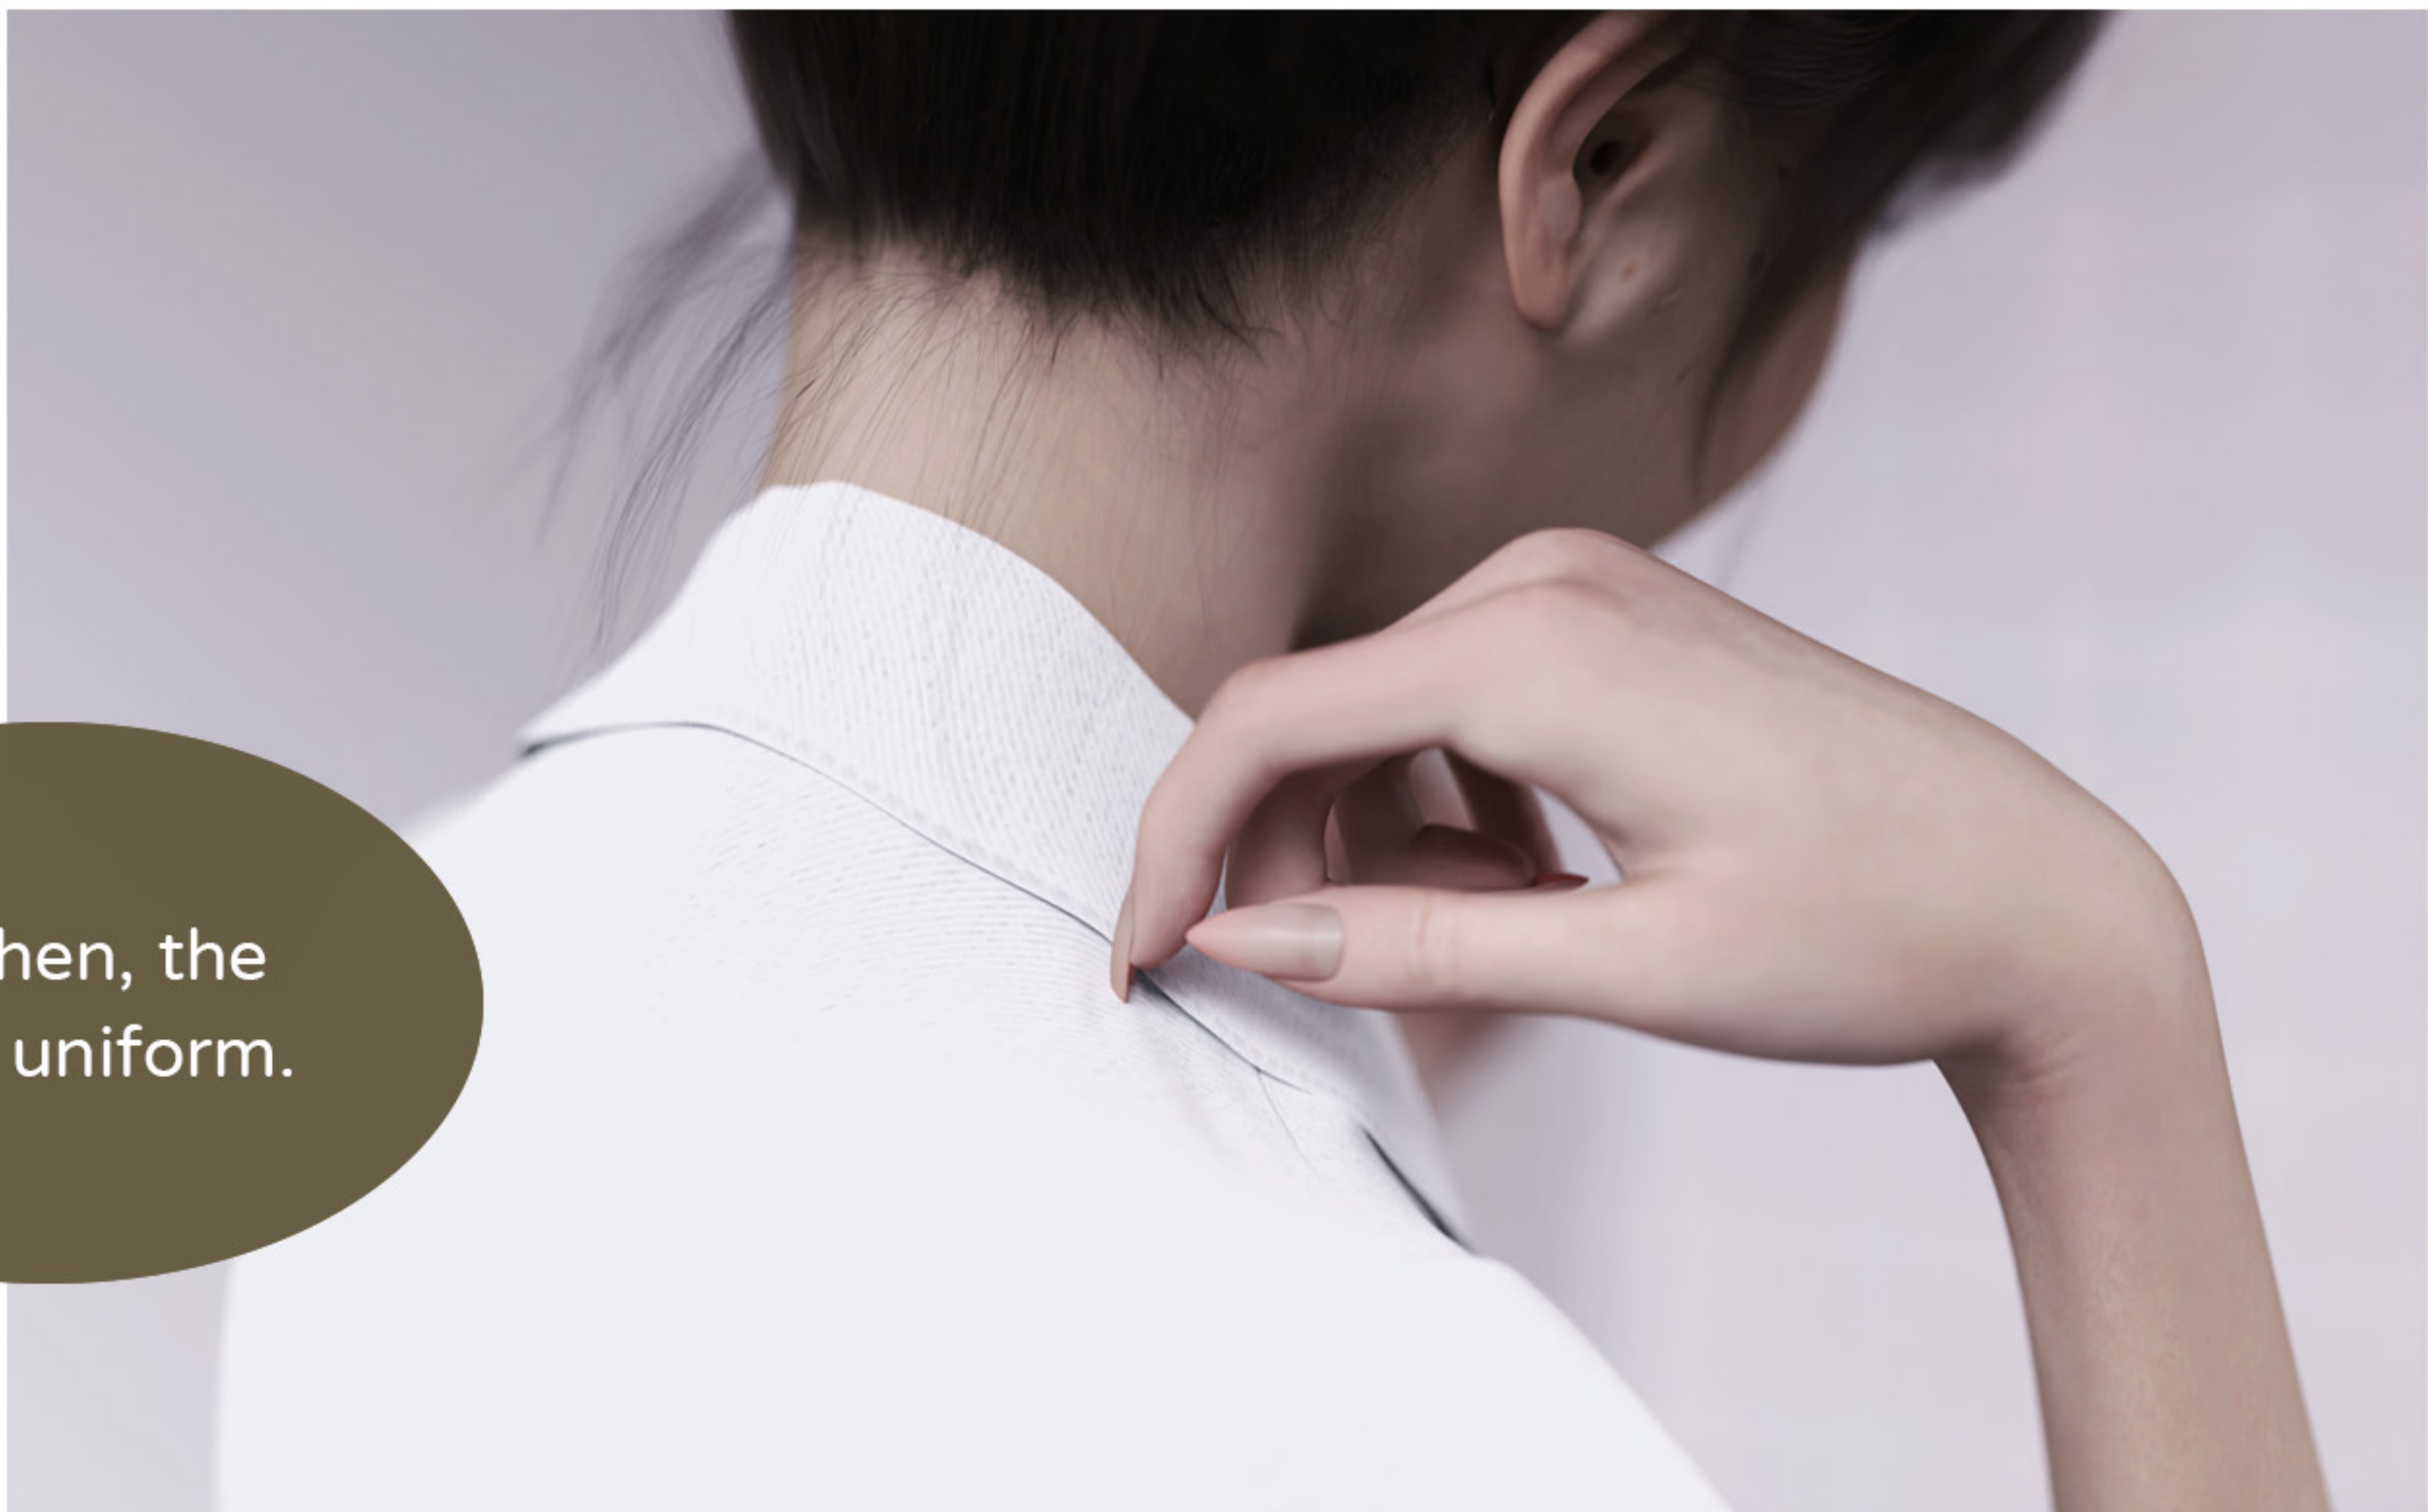

After I wear your clothes, no one will suspect a thing about me!

After all, people are so easy to be fool by the appearance. I have already learned the lesson.

He he. I can become a nurse!

First, the white stockings.

And then, the nurse uniform.

The image features two women in a tiled room. In the foreground, a woman with dark hair and bangs, wearing a white nurse's uniform and cap, looks towards the camera with a slight smile. She has her hands near her chest, adorned with rings. In the background, a woman with dark hair is restrained. Her mouth is covered with black tape, and her wrists and ankles are bound with thick, dark rope. She stands in front of a white toilet. The walls and floor are covered in light-colored square tiles.

He he! It's done. I'm going to start my lovely nurse life!

I can't wait to be a joyful, fulfilling and popular person!

Weee! I'm so happy!

Oh yeah! I'm a
hot nurse!

Everybody likes
me. Ha Ha!

Hey, fatty, knock it off! No woman walking like that!

So what? I'm a cute nurse and no one would suspect a thing.

Being playfooted, childish gesture and that stupid facial expression. What's wrong with you?

Take it easy.
When I was a
student, I was in
the drama club.

Playing a nurse
character is so
easy for me!

A woman with long, straight black hair is shown from the chest up. She is wearing a light-colored, ribbed tank top and a thin necklace with a small pendant. Her eyes are closed, and she has a pained expression, with her right hand pressed against her forehead. In the background, another woman with brown hair in a bun is partially visible, looking towards the first woman.

Huh. I have not
except that there's a
person stupider than
me. What a headache.

A woman with brown hair styled in a bun with a white hair accessory is shown in profile, facing right. She is wearing a white short-sleeved shirt. She appears to be speaking to the woman with the headache. The background is a blurred indoor setting.

Forget about it. I
can ignore other
things, but you
have to get the
job done!

Ok. Don't worry.
When I was a kid,
I was the chief of
health in class.

Can you stop it,
nurse? Please.

I don't feel comfortable about the physical checkup.

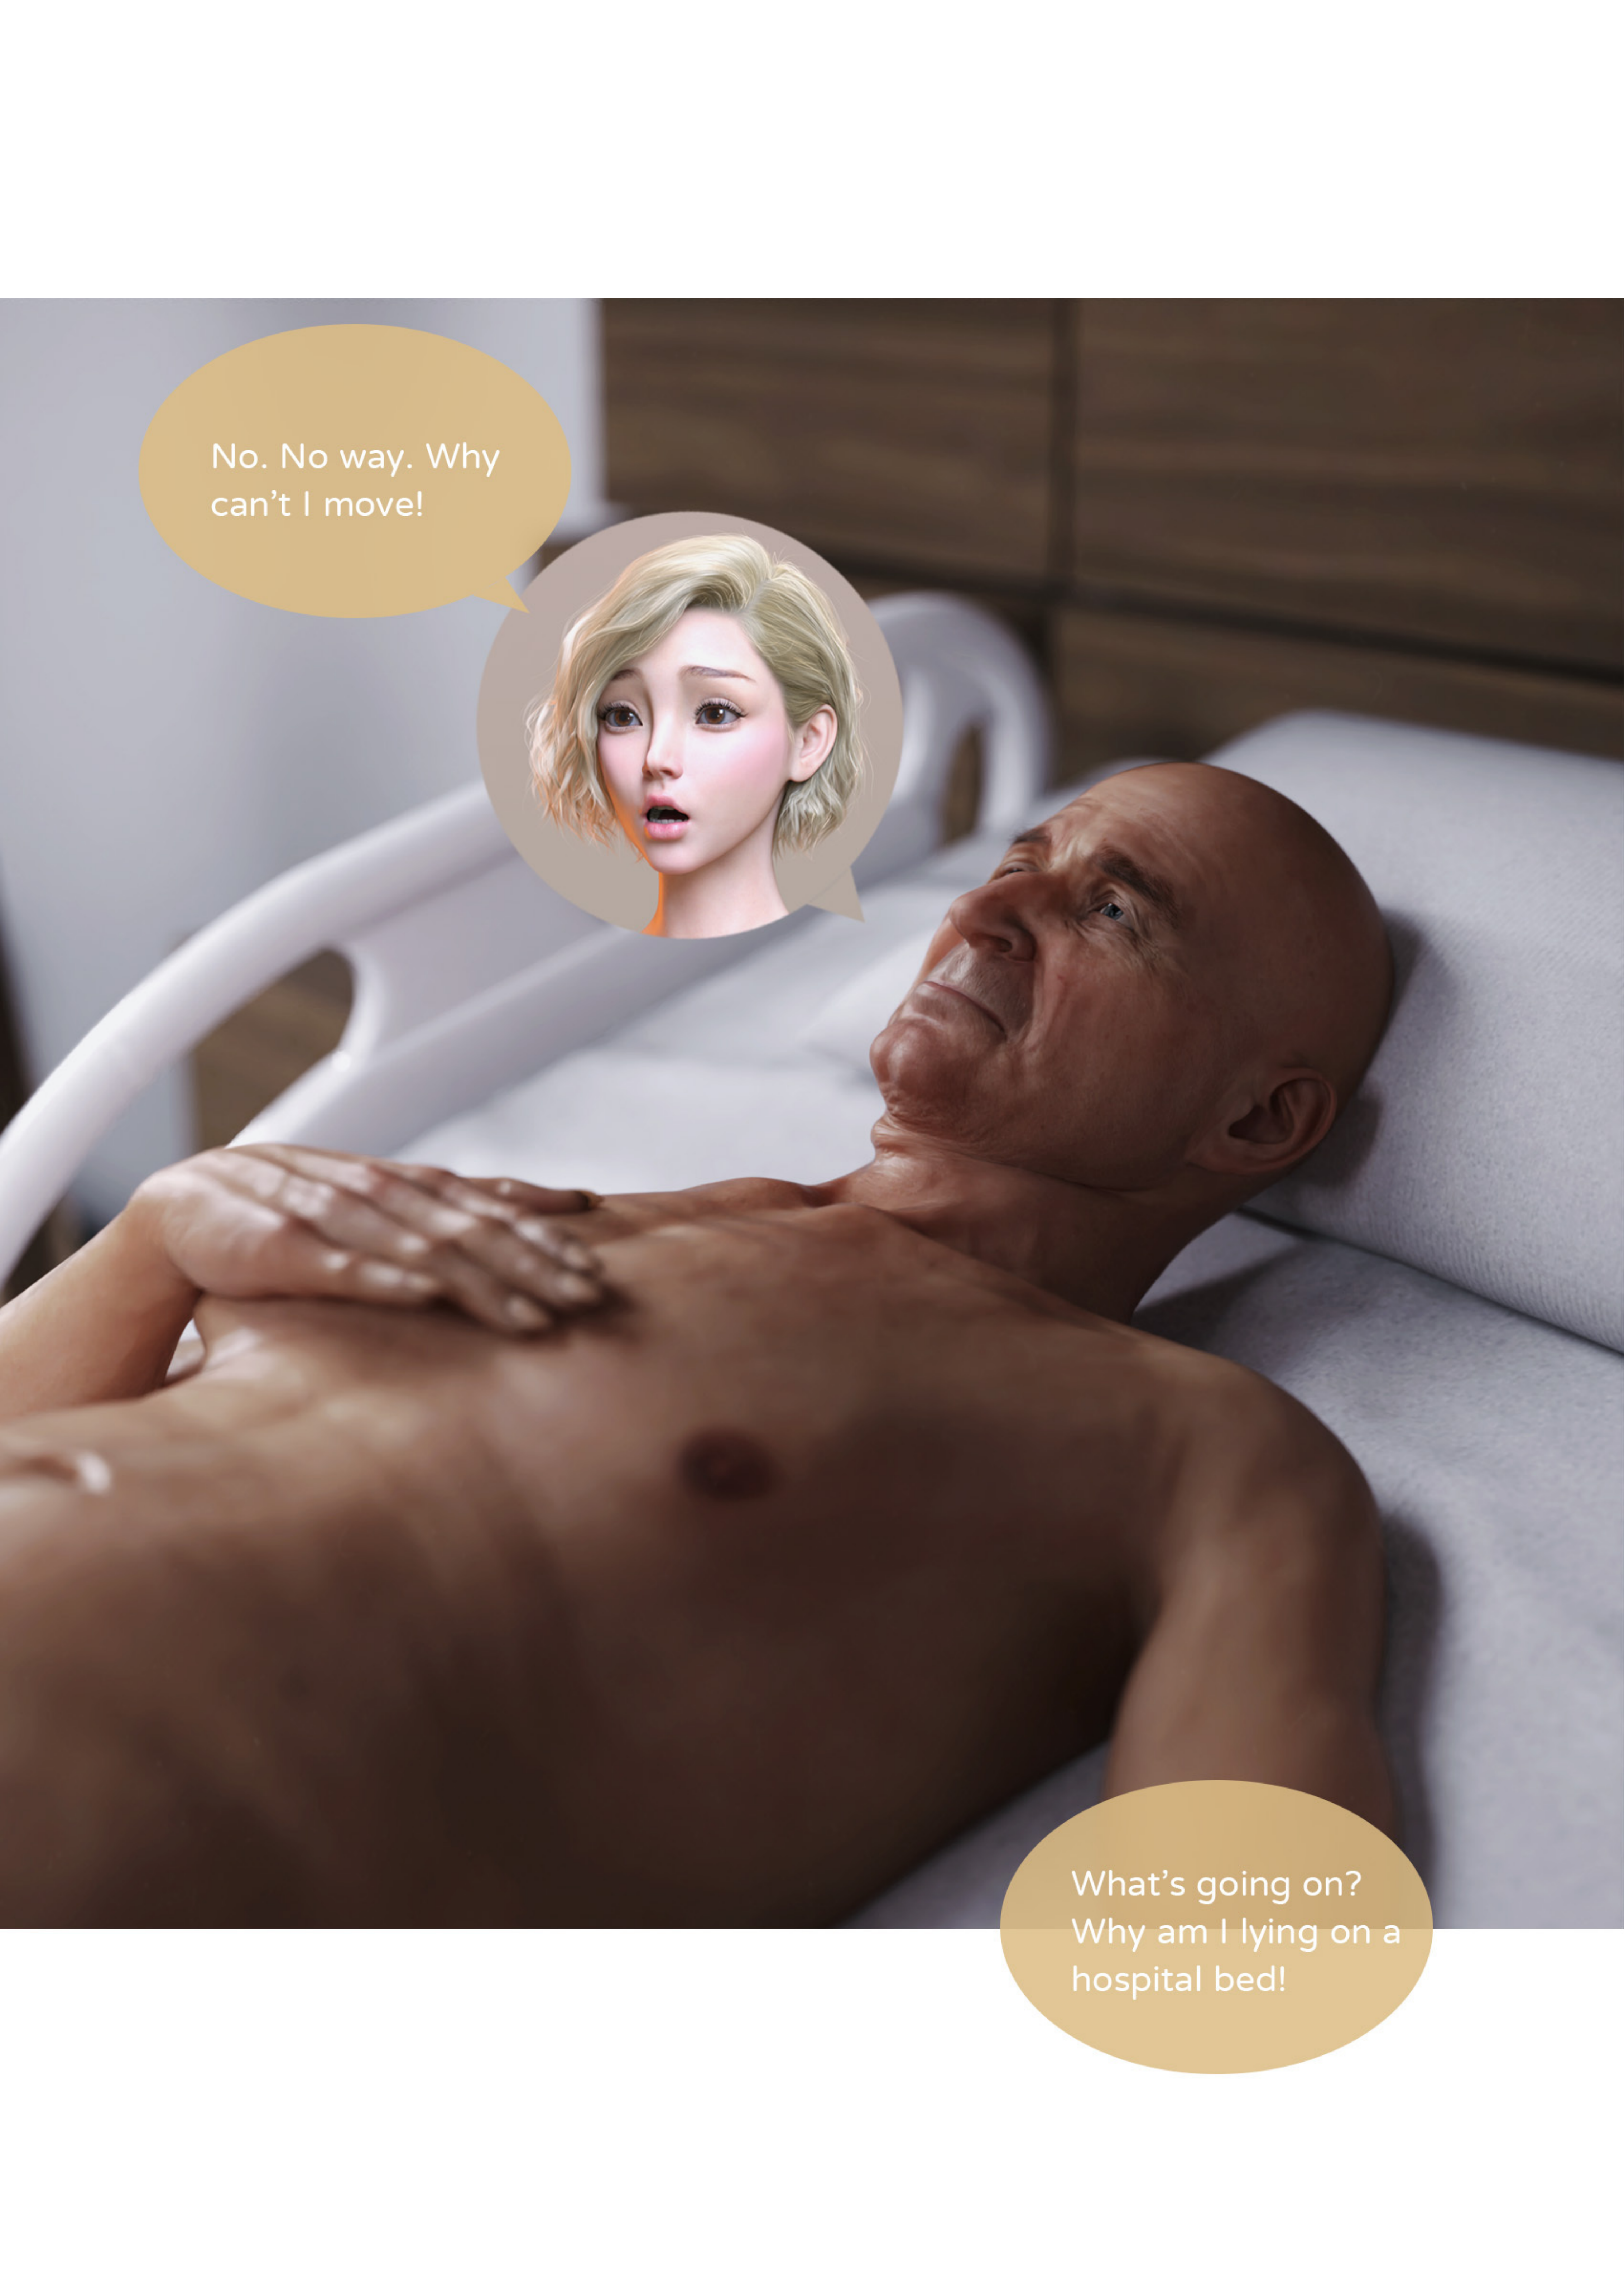

It's totally normal. You have to believe me, girl. I'm a professional nurse!

I have to confess that you have a gorgeous body. What a young and wonderful body!

The nurse talks like a creepy middle aged man. It's so weird.

Your boobs are so elastic. Even your pussy looks so tender.

A 3D rendered scene showing a man lying in a hospital bed, looking up with a concerned expression. A woman's face is shown in a circular thought bubble above him, with a speech bubble containing text. The man's hands are clasped over his chest. The background shows a hospital room with a wooden headboard and a white bed frame.

No. No way. Why can't I move!

What's going on?
Why am I lying on a hospital bed!

He he he. Young woman's boobs' feeling is better than mine!

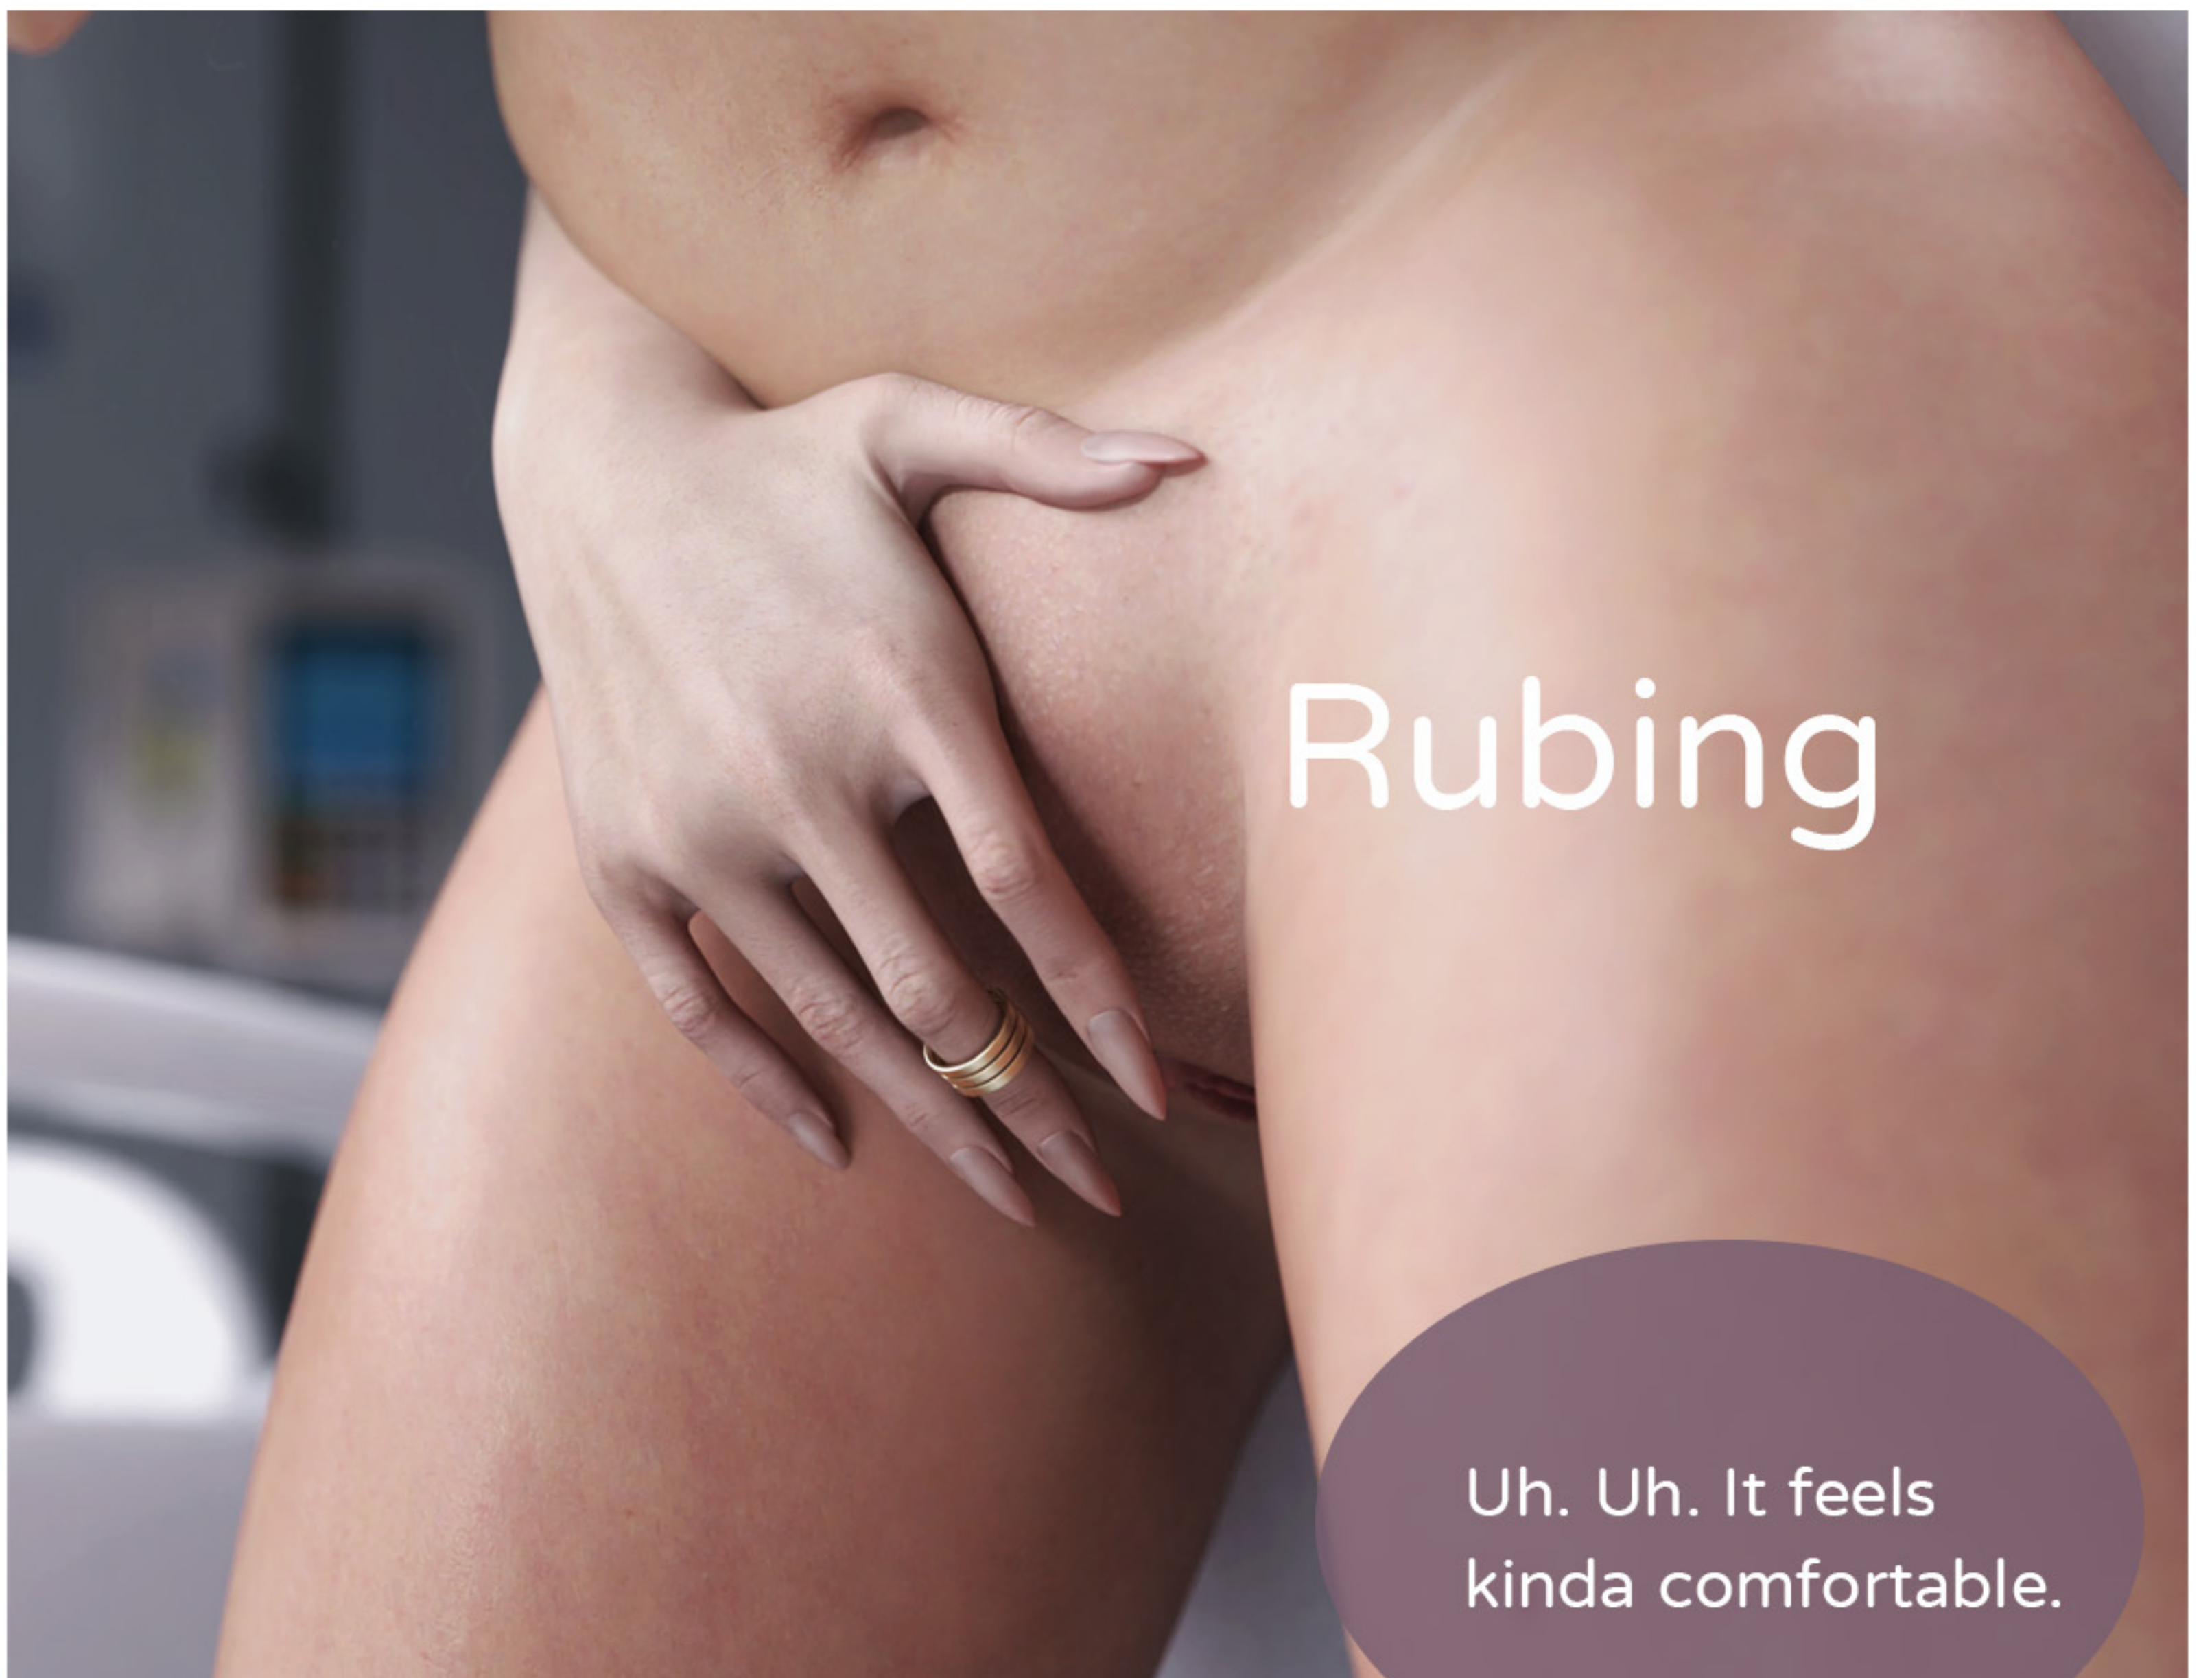

Ah. What's the strange numb feeling? I never had this feeling before.

If I was correct, you're a virgin, right?

Wait! What's the feeling?

He he. First time, right! To be honest, I'm also curious about what's like to play women's private parts.

Rubing

Uh. Uh. It feels kinda comfortable.

Since you're used to it, I will turn up the force and speed!

Woohohh!

Feels so great, right. You almost reach climax with just hands. There's more to come!

Woo uh uh. Why is it so good? I'm cumming.

Look at that penis. Is it so tasty?

Penis. It seems nice. My cunt is so empty.

Take it if you want it. I will keep your secret.

I...I want the dick
so bad. Why does
my body possess
the fervor desire?

It should not go this way.
Everything is wrong.

It's my own cock. The
cock stays with me for
more than 60 years.
How can I have lust
toward my own penis?

Do I really want to
have sex with my own
cock. My subconscious
rejects the idea, but
my body can't.

Wait! Wait! Why is
my body getting
closer?

That's my body!
Give me back my
body!

No! It feels so odd.
Don't touch there!

Erection

It gets hard so quick.
Opps. Why does it
look so yummy?

I really want to put
the hard-on in my
body.

It's so hard. Wow. Looks so good. I just caressed it and it gets so hard. Does my old body crave for sex?

Stop! Stop it. I'm getting weird!

It's so strange. My original body do this disgusting stuff to me.

Although he's just vegetative state old man, he has a pretty good cock.

Quick! Ride him when there is no one else in the ward. He can't resist anyway!

Fuck it. I have to fill my pussy! Go for it!

Ah! Ah! Ah!

Insert

It hurts but it also
feel so amazing!

A man with a shaved head is lying in bed, looking up. A woman's hand is resting on his chest. A circular inset shows a woman's face with blonde hair and blue eyes, looking surprised. There are three speech bubbles containing text.

Ah. The moist and hot feeling. My old body's vagina is so comfortable!

Do men feel so good when they make love?

It's the first time that I consider my body so sexy! My private parts are so hot as if it was melting.

Ok. The first mission that the person gave me is complete. What I did can make the old man get used to his new body and identity.

It's time for me to have some fun before the second mission.

Ohah! It's so awesome to masturbate in the beautiful nurse's body!

Rub

With the sex act in front of me, I have no regret.

Huh?

What are you doing?

This is a hospital!
How can you do
this in the hospital!

Fuck! She promised
me that she would
watch the door. What
did she do?

? !

Why? I can't stop in
the middle of it.
What should I do?

The hospital is a
sacred and serious
location. I don't
permit you to...

Ha! Ha! Ha!
I got you. You
should see
your faces.

I'm such a
skillful actor.

I am changed by a person who has the magic APP too!

I was an ugly loser but now I'm an enchanting nurse!

I don't feel confident about the fatty take on my assignment alone.

It's safer to get a partner to help him.

A 3D-rendered scene showing two female nurses in white uniforms and caps. They are in a hallway, embracing each other. The nurse on the left has long blonde hair and is smiling with her eyes closed. The nurse on the right has dark hair in a bun and is looking towards the blonde nurse. The background is a simple hallway with a tiled floor and a wooden railing.

Since we both are gorgeous nurses, it's totally ok to have some physical contact, right?

Oh. You have a point. However, I don't know you.

Yeah. A beauty's body smells so wonderful. There isn't a nerd's smelly body odor.

It's so fragrant and soft. It feels so great to hug a woman's body.

The boobs are so soft. It's the first time that I put my face on a woman's boobs.

It's so amazing to be a woman!

Fuck. The hot nurse is too sexy and smells so nice. My pussy is so itchy!

The ample and soft ass. I will not get tired of rub this.

Shit. I wish I had a cock now. That would be so awesome.

Well. If you want a penis, I can use the APP to get you one!

Wow! It's so cool!
My dick is back! The male desire fills my body in a second!

A woman with dark hair tied back, wearing a white strapless dress, is looking down at her chest. She has a slight smile and is holding the fabric of her dress. In the background, another person's back is visible.

Huh. My now look is quite attractive.

It happens that I want to enjoy the female sexual sensation. I will allow you to fuck me.

A close-up shot of a woman's midsection, showing her white, button-up dress. She is looking down at her chest with a surprised expression.

OH! OH! I can finally lose my virginity! I have been a virgin for more than 30 years!

Erection

It's so easy to score when you have a beautiful young girl's appearance. With my original loathsome look, I always got rejected.

Now we both have lovely nurses' looks and identities, it will be so easy to score.

In front of other people, it's just two hot chick making out. No one will realize that we were actually dudes.

He he. Being beautiful is being right in this era. As long as we're hot, no one will find out that we were men.

Point

We can do whatever we want secretly in the hospital.

It's time for me to
treat myself and
stop pretending.

Slap! Slap!

Fuck. The women's bodies are so fantastic!

The nurse's body is too sensitive!

Holy shit! My first
time of making love
is to fuck top of the
line hot girl who
has a tight pussy.

Slap! Slap!

I gonna make you
fucking pregnant
in the first time
we make love!

It's too much!
Oh my god!
You're going to
fuck me up!

You make my
pussy so wide!

Uh! Uh! Ah! Ah!
The pleasure is so
fabulous.

The woman body's
lust is pouring out!

Slap! Slap!

No! I'm cumming!

A photograph of a man with a shaved head looking towards a woman with blonde hair. The man has a slightly uncomfortable or awkward expression. The woman's face is partially visible on the right side of the frame, looking towards the man. The background is a plain, light-colored wall.

I can feel that something is coming out!

No! It's so gross! I'm a girl!

I don't want to cum like a pervert middle-aged man!

No! No! No!

Spray and splash!

We're reaching
orgasm together!
AH! AH! AH!

Ah ah...

Woo.....

Uh. I feel much calmer after the climax. Now I can contemplate what happened?

It's so strange. Not only me but also the nurse is odd.

A close-up photograph of a woman with short, wavy blonde hair. She is looking slightly to the right with a somber expression. On her left shoulder, there is a visible, reddish, circular injury or bruise. The background is dark and out of focus.

Are there some unexplained
supernatural phenomenons in
the world?

Why did it happen to
me and allow me to
escape the vegetative
state of life?

And who replaced
me and entered my
old body? Is the girl
in my old body?

That's weird. Dad now has a new body and enjoyed it. Why the long face?

Is he not satisfied?
I can relate to his thinking.

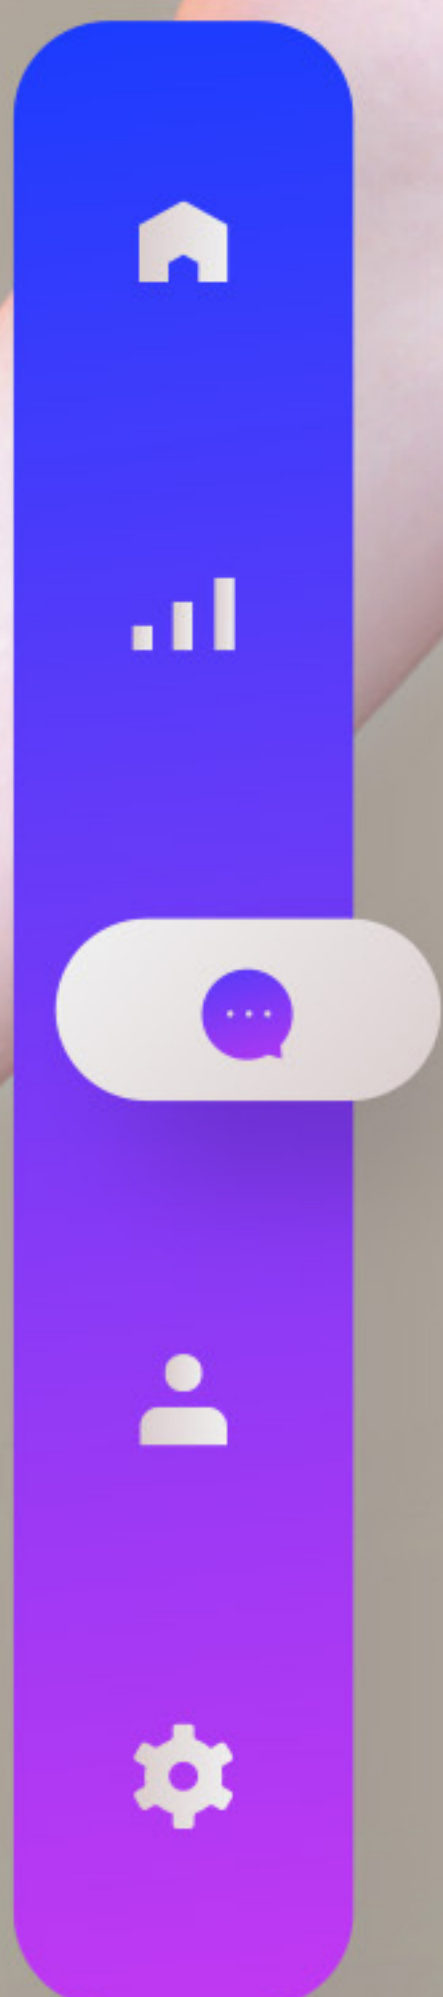

She is not fully grown. Dad likes the maturer and sexier type.

ID : Dad8645

How about I use the Face swapping APP and make some adjustments.

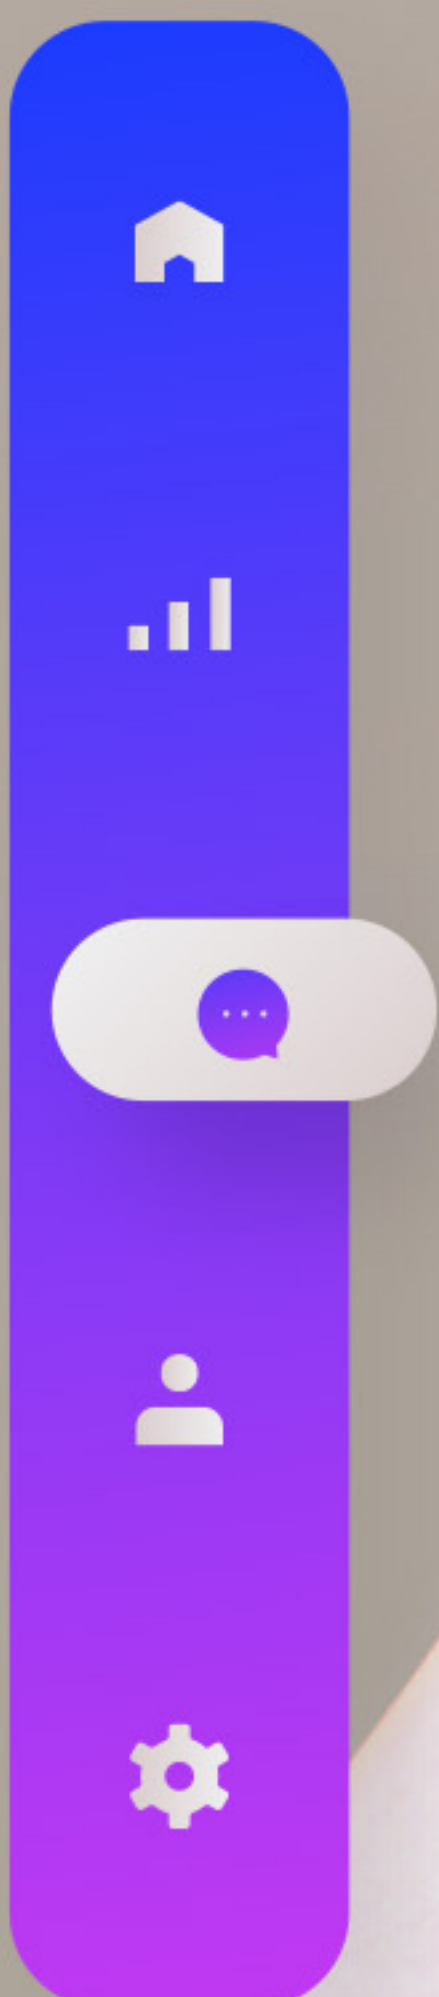

Let's create a face that dad would like!

ID : Dad8645

First, I need to soften the facial features.

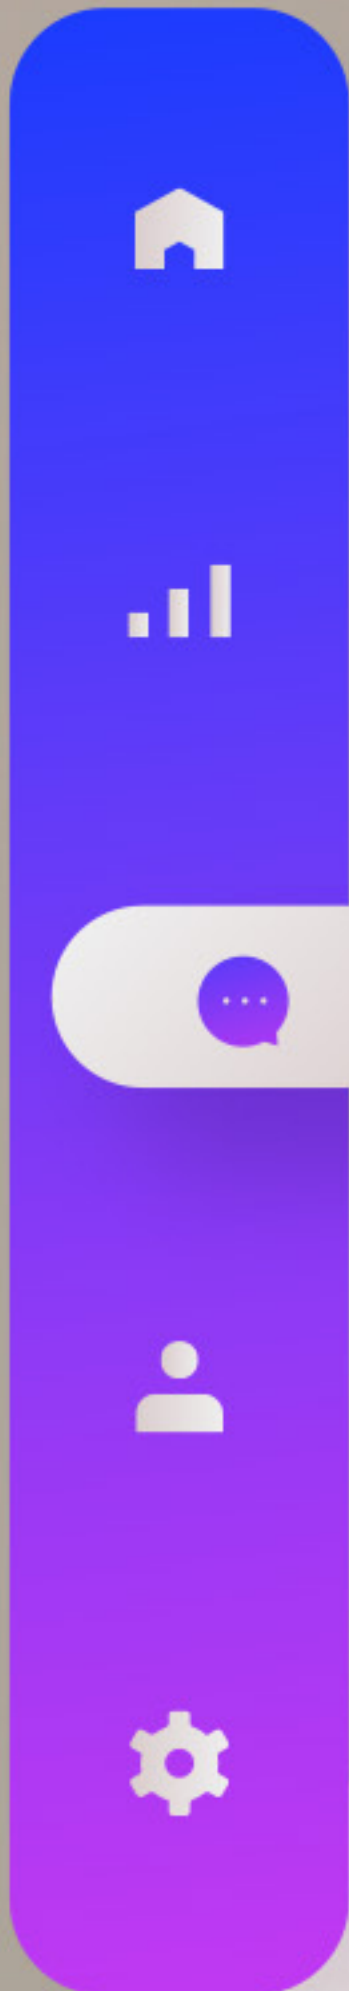

ID : Dad8645

And then put on long hair.

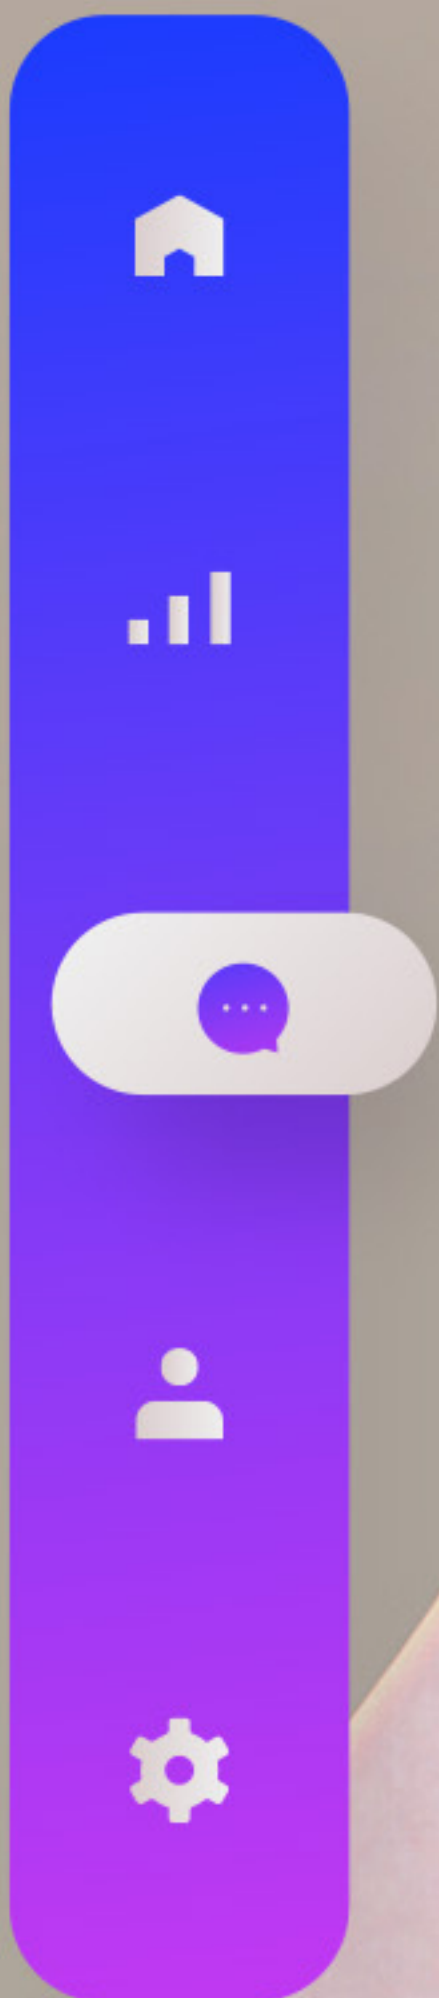

ID : Dad8645

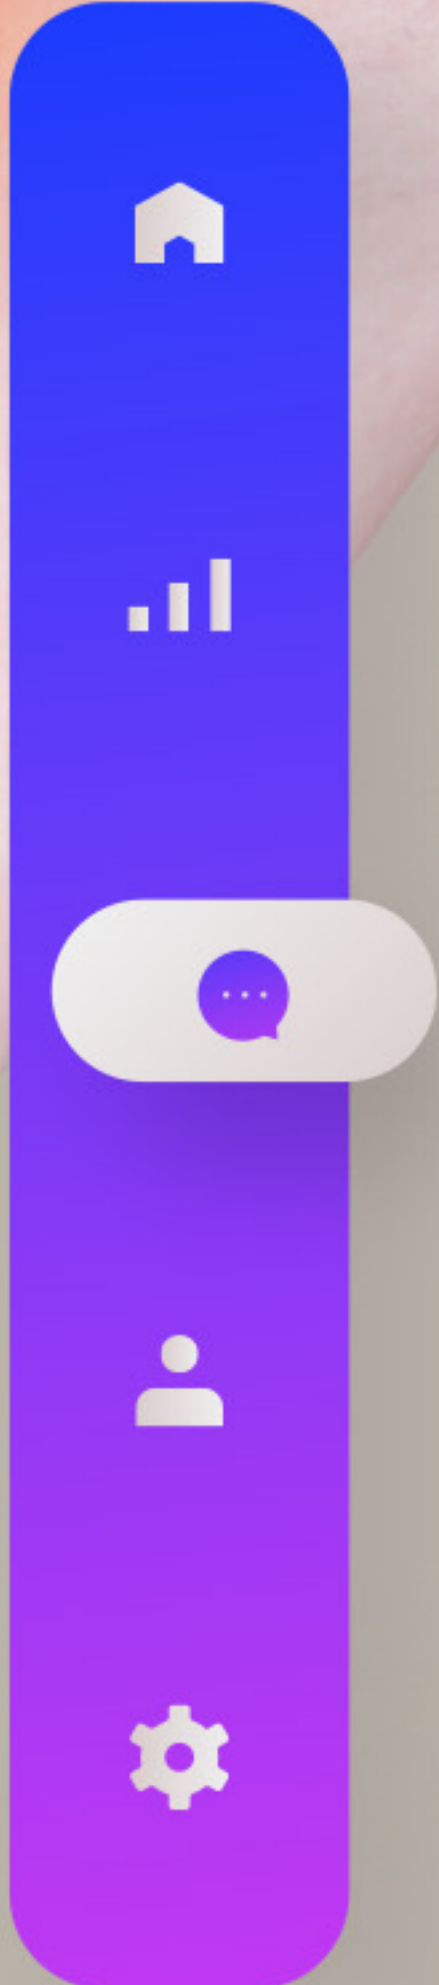

Adjust the skin condition and tone.

ID : Dad8645

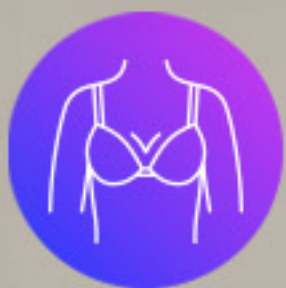

The face is much better. But his body is not sexy enough.

ID : Dad8645

Let's make his breast bigger.

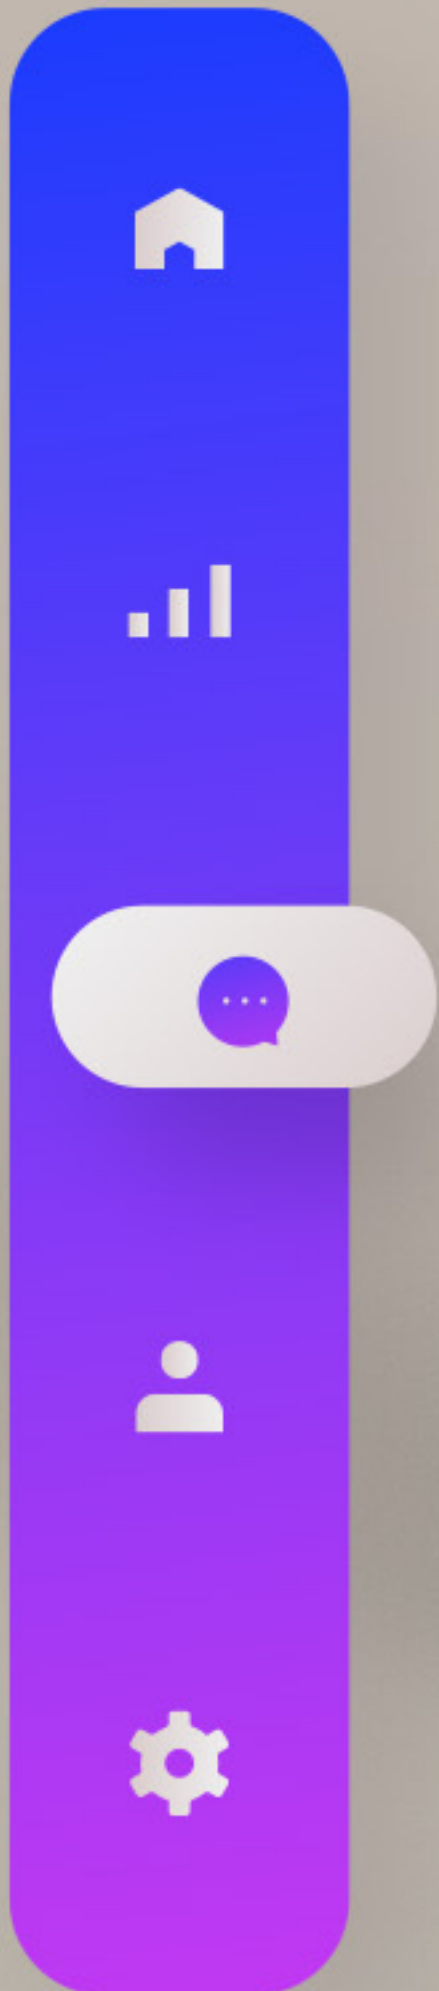

ID : Dad8645

There's something left to be desired. Why not change her body proportions?

ID : Dad8645

Oh! After stretching her legs, her body proportions are more attractive.

I'm sure that dad would love the model type body.

Huh? Huh?

Why did my body
change again!

No way! I never heard anything like this in my 60s years life.

Does god or something beyond human's comprehension exist in the world?

Even if they exist, why did they change me into this? I'm completely lost.

Huh? She used the APP again.

She made her more attractive but I think it just got more complex.

Uh. She is so breathtaking. Is he still unsatisfied? Why does he look so upset?

Ah. It's possible that dad doesn't want to be a woman. How about I just change his private parts back to man?

AH AH AH?!

Why is my penis suddenly back?

What's going on?
I'm so confused!

Well. Is that a new cock?

Nice. I'm not done yet!

? !

He he. My pussy
isn't satisfied yet.
How about we
have more fun?

Wait! Wait! I'm not...

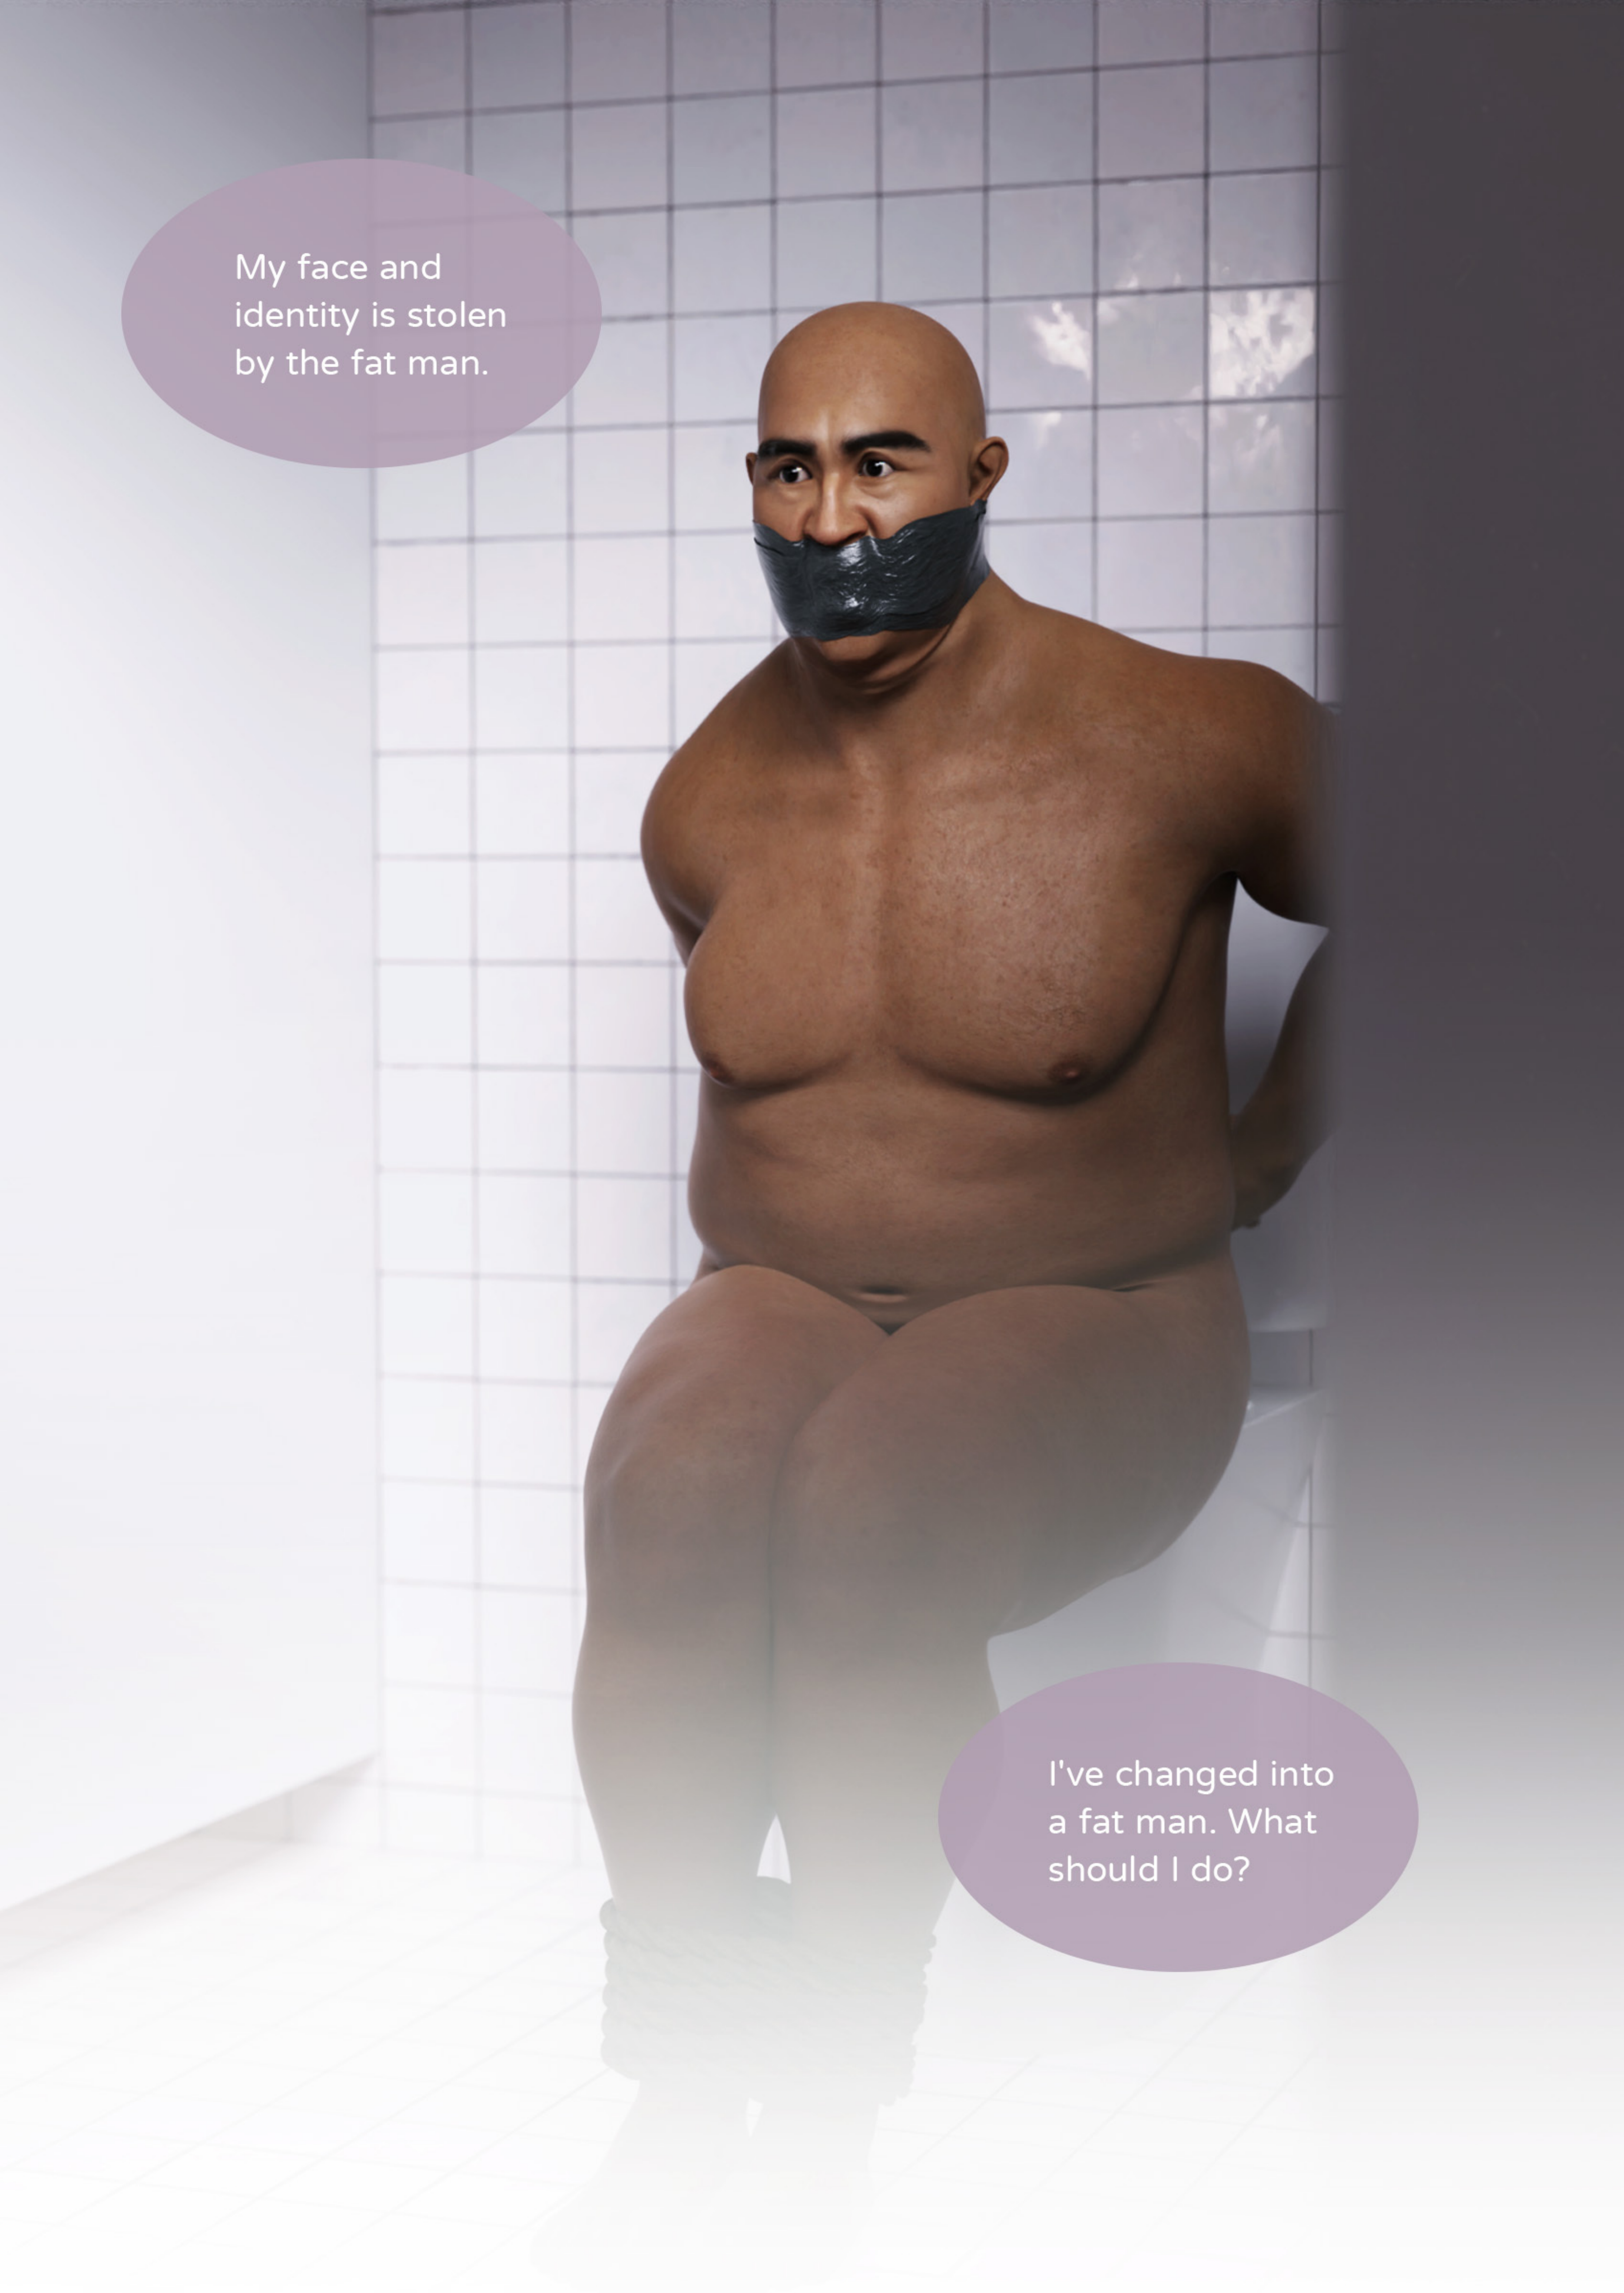

A photograph showing the back of a woman with her hair in a bun, reaching out to touch the groin area of a man whose torso is visible. The man's hands are on his hips. The scene is set against a plain, light-colored background.

Come on. There isn't a reason to refuse a hot chick.

I will make your cock erect first!

No, thanks. No!

My face and
identity is stolen
by the fat man.

I've changed into
a fat man. What
should I do?

Do I have live the
rest of my life as
the fat man?
