In a villa somewhere

Eleonore
my love, I finished
the housework, I will
put away the vacuum
cleaner and I can
sit with you!

Not right
now, go do the
groceries or
something.

There's no
need, the
pantry is
full.

I have things
on my mind, so
I can't solve your
problems right now,
find something
else to do.

But...
A husband should
spend time with
his wife every
now and then...

Ugh,
I told you not
to call me that...
And we do spend
time together
when I'm in
the mood.

Do whatever
you want, just
leave me alone
for a while.

Ok.
Is there
something I
can do for
you?

No.
What I want
you can't
give me.

LIBRA

Sveva, can you lift it a little higher?

Sure Dad.

What's that? Are you bored?

No Dad.

Are you sure? You sound bored, don't you drop this car on me ok?!

Of course I won't drop the car on you, who do you think I am?! Besides, why do I have to do that in the first place, why don't Mom do it?

Your mother lifting a car? Haha, Sveva, me and your mother are just ordinary people, we are not that strong.

That sucks, all the heavy stuff is left for me to do. And why I'm so strong since you two are not?

Mom is short and you are just average, I'm close to 2M tall, I have these stupid big bulging muscles...

Sveva, what's happening right now? Let me finish here and I'll be right with you.

It's just that, I'm so different from you two, I am different from most people I know as well...

Aaand done! Right, now we can talk.

Sveva honey, you look a lot like your mother, and there is a lot of me on you. I taught you how to ride a bike, to swim, how to play football and so many other things.

Your mother even says you look like me when you are angry! Remember when you were younger you used to lift me up over your head and would put me down only if I did what you wanted? Your mother had to convince you to put me down, haha.

I know dad, but still... I am already 18 and I don't know who I am...

I feel so confused, I don't know what to do with my future...

Don't worry about this too much, my life took a very weird turn when I was young, and was messy for a long while, but after you were born, everything fell into place!

It's ok to feel lost, you just need to give life a chance and you will know when you are in the right path.

Later...

What are you doing?

I can see that. What about Sveva's 18th birthday party? In case you don't know, as always, we are short on money.

You mean when money is really tight and we have to borrow from my sister?

Don't talk about her like that! She's our only daughter, and she deserves the best!

Watching TV.

We'll manage. We always do.

C'mon Lucy, not this again. Besides how much this party will cost anyway? Sveva has only two friends.

I know I know. It's not what I mean.

There she is, the love of my life. With the man that took her away from me. And it looks like they're fighting, ah this bring back memories.

But enough of that, I came here after so long for one thing only, to get what is mine!!

KNOCK
KNOCK

Huh?
Who might be
at this our?

Strange.
It's late for
a visit.

**OH MY
GOD!!**

Hello Lucy.
Long time no see,
how are you
doing?

Almost
19 years!
And still too soon to
see you again!
Go away!

Josh...
Charming as
always.

Eleonore,
you should
not be here.
I agree with Josh,
you should just
go away.

I understand how
both of you feel, but I
came here for a reason.
I came to bring Sveva
home with me.

!!!
!!!

Hey, you can't just barge in on our house, leave now!

I did not restrain myself when I was younger, you think I'll restrain myself now?

I'm not asking!

Really Josh? You think that now that you are old and even weaker you can go against me? Did you forget the dynamics of our relationship before?!

HEY!! You might not listen to my husband but you owe me some respect!! You won't take my baby away from me, so leave now!

I'm sorry Lucy, but this is bigger than what I feel about you.

Oh hi! There you are!!

What is all this noise? Who are you?

She's no one! Sveva baby, just go to your room.

I'm not a baby mom! I heard all this noise and I came to see what's going on, it sounds like fighting so I came to protect you two!

Haha, that's my daughter!

??

Sveva just go to...

Sveva, my name is Eleonore, I'm your mother, well technically you father! I came here today to meet you, and invite you to live with me!

What?? No... What are you saying..? But dad...

Listen, we can talk some other time if you want, you can come to my...

LIBRA

THAT'S ENOUGH!! YOU CROSSED THE LINE! LEAVE MY HOUSE NOW!

C'mon Lucy, you think you can force me out? I have some more things to say to her.

ELEONORE! IF you ever felt anything for me, just LEAVE!!

I... Ok, I'll go, but I won't give up until I tell her everything. Sveva, I'll DM you my address, come see me, you too Lucy.

GO!!!

Dad... What just happened? Who's that lady?

She's no one baby. Just forget about her.

But she said she's my father... You're my father!

Of course I am! She's just a crazy old woman we used to know... She was... a little obsessed with your mom...

Wow,
so this is El's villa...
Things really worked
out for her, she lives
here while I live
paycheck to
paycheck...

She has all
of this and now
wants to take
Sveva from me?
NEVER!
She will hear a few
things from me
today!

.....

Why hello,
who might
you b-be...
AGHH!!

PUNCH

Get out of my way,
I have to find
Eleonore!!

LIBRA

HM, hello Lucy, what a nice surprise! You showed up just in time!

E-Eleonore, what the hell are you doing?

I was getting ready for a little pleasure session, care to join?

Never! I'm a married woman! Show some respect!

That never stopped you before...

Ugh... Eleonore, I came her to tell you a few things, just go put on some clothes so we can talk...

Well Lucy, you remember that I respected your authority in your house yesterday? So you will forgive me if I stay naked during our whole time together here!

Hum... My love, we were about to start our thing... maybe your friend can come back some other time...

Patrick what did I tell you about how you address me? I won't be needing you for now, go away.

but...

I won't repeat myself...

Dammit, to see El after all of those years like this, still in a very... good... and huge shape...

Alright, we can talk, but only because I'm a civilized woman and I can respect your house rules...

Ok Lucy, please sit, let's talk.

Sure, why are you getting up?

Oh nothing, just stretching up, you know, it's an age thing! So what did you want to talk about?

Hum... Sveva! You really shouldn't have come... El, you are really close, your cock is at my face...

Well, I was in the middle of something, maybe you can help me out so we can focus on the conversation.

NO! We won't do that again, your cock is too big and it's distracting me...

C'mon Lucy, you can use only your tiny hands, I promise to not make a mess.

No Eleonore! I came here to talk!

Ok!

aahh, El, your cock fell on my head... It's really heavy...

Of course! You turning me down like this is making me limp.

Her immense cock, this smell is bringing back memories... Shit, she knows exactly how to play me...

What happened Lucy? Your face changed, don't tell me that you changed your mind!

N-no, I... can't...

C'mon Lucy, just a quick one, for old times sake!

D-Dammit Eleonore! Just a quick one... and only because you can't focus... After that you will listen to everything I have to say!

Ah yes, this is so nostalgic! You won't regret it Lucy!

**aagh* Eleonore... this is...*

I'm really aahh... mad at you...

Why, is this not good?

*This is... goo-**aagh**od.. but, you invaded my house, and harassed my daughter!*

She's my daughter too, and I didn't harassed her, I had every right. And I respected you two, I've waited 19 years to come back!

**UMM* YoU ish-till shhouldn't...*

Oh Lucy, please shut up and just keep sucking my huge cock, like the old days...

**shlup*
*shlup**

*You need to hear it! **UUUMMgh** Josh and me are finally happy, we have a family with Sveva... Why would you want to destroy that?*

I don't want to destroy anything Lucy... I feel an emptiness, and Sveva is my blood, my DNA, I need her in my life...

*She's not a thing you can use to fill the void on your life! **oooaagh** so deeeep...*

You know, I expected you to be a little loose after giving birth...

But I've fucked mothers before, even them are tight to my thick cock, but you... It's like it's used to putanari cocks...

*H-hey... Just because you are deep inside of me... **gaaudgh** you think you can talk to me like that?*

I'm not judging, just curious... On what you've been doing the last 19 years... And what kept you happy.

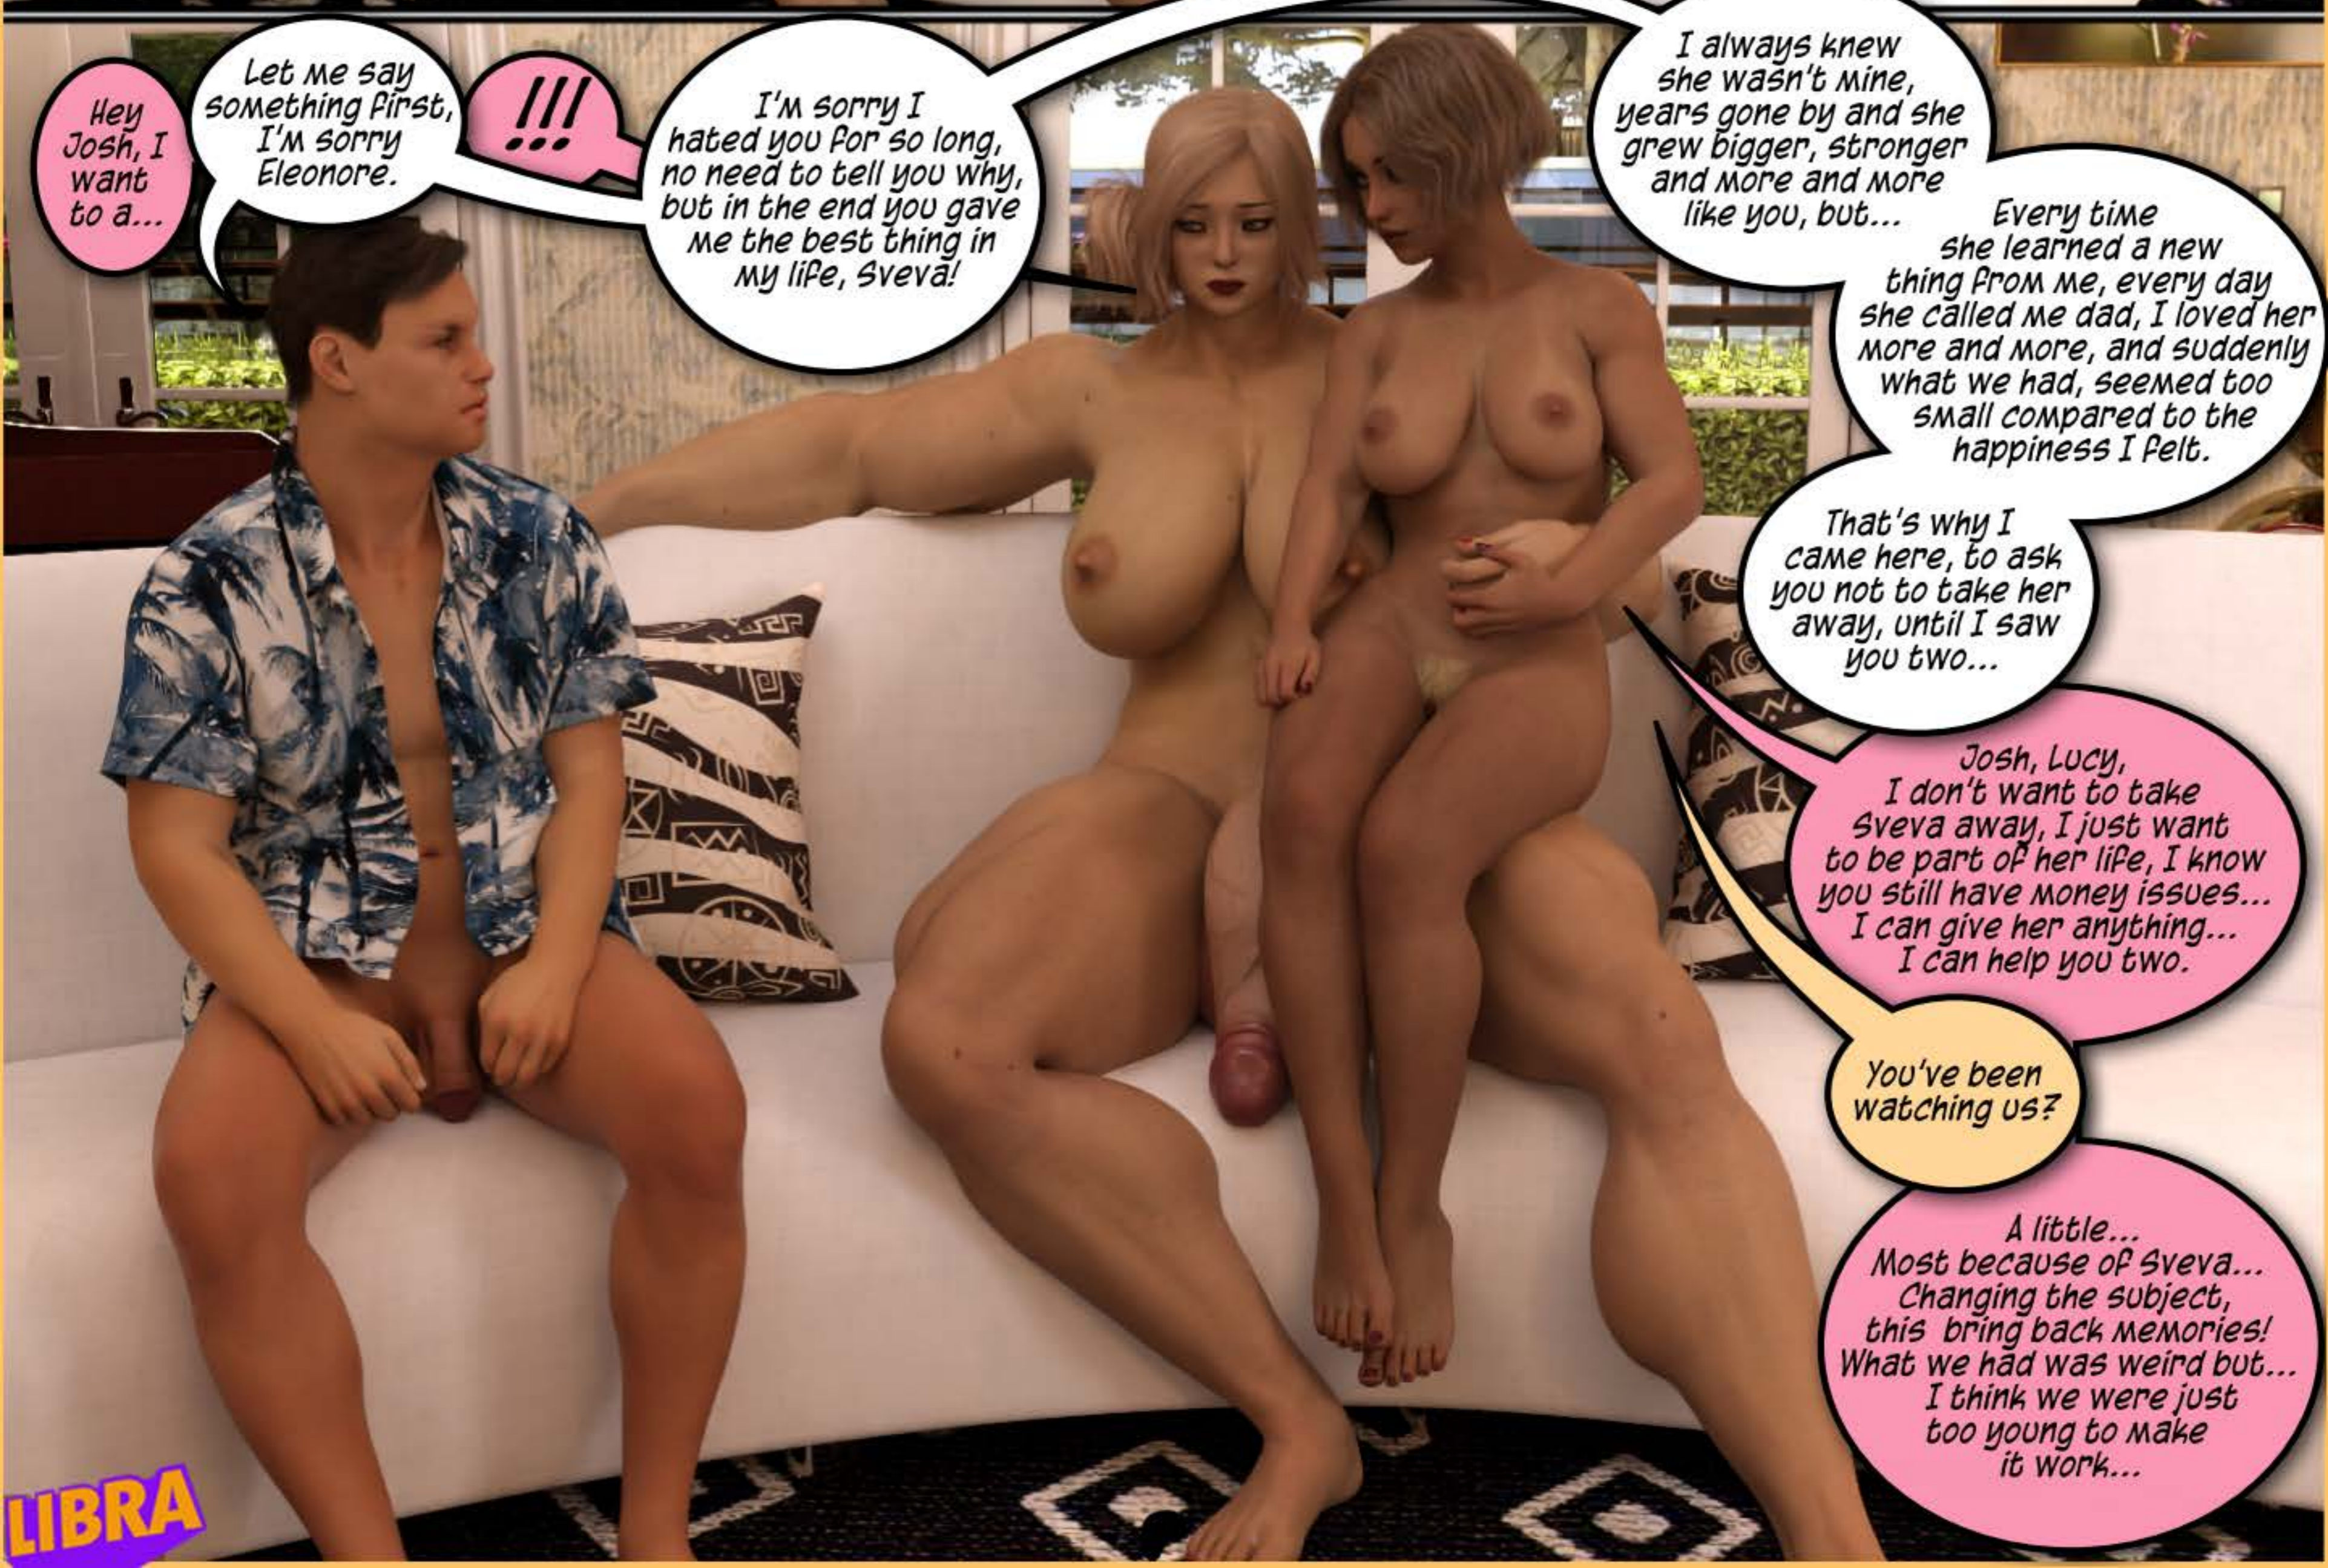

aahh,
that was good...
But it was rude
what you said earlier,
about my vagina.

Sorry.
But like I said,
I was just curious.
Anyway, why Josh didn't
storm the house
to scream at me?
You saw him there
jerking off
right?

Yeah I saw
him, Josh and
I have...
an agreement...
But I imagined he
would come since
it's you...

Hey Josh,
why don't you
come in?!

Hey
Josh, I
want
to a...

Let me say
something first,
I'm sorry
Eleonore.

I'm sorry I
hated you for so long,
no need to tell you why,
but in the end you gave
me the best thing in
my life, Sveva!

I always knew
she wasn't mine,
years gone by and she
grew bigger, stronger
and more and more
like you, but...

Every time
she learned a new
thing from me, every day
she called me dad, I loved her
more and more, and suddenly
what we had, seemed too
small compared to the
happiness I felt.

That's why I
came here, to ask
you not to take her
away, until I saw
you two...

Josh, Lucy,
I don't want to take
Sveva away, I just want
to be part of her life, I know
you still have money issues...
I can give her anything...
I can help you two.

You've been
watching us?

A little...
Most because of Sveva...
Changing the subject,
this bring back memories!
What we had was weird but...
I think we were just
too young to make
it work...

I am really sorry about how I treated you Josh. I loved Lucy, I wanted to be with her and you were in the way, but the truth is that you were a big part on all of that.

Having you there made things more exciting! I just wish we could try it all again...

Maybe we could... What do you think Josh?

Maybe we can!

Are you guys serious? What happened to you two in the last two decades?!

Shut up Eleonore, just shove that huge cock inside me, Josh knows what to do.

Wow, this is hot! You two are way more interesting now!

Lucy and I have been practicing. Sveva is not the only thing you gave us.

I have a thing for amazons now, and Lucy can't live without Putas...

But since we love each other... *aaggh* Josh and me found a way to keep our marriage, and we end up finding happiness.

Every now and then we allow ourselves a free pass...

And every now and then we allow ourselves a threesome, like this, that fit both our needs!

So now both of you are into me? Don't you want to come live with me? With the three of us and Sveva would be perfect!

Imagine all the things we could do together, try together! And Sveva would have all the opportunities she can. Anything at her disposal.

I could fuck Lucy every day, Josh could watch, even participate, but I promise I would go easy on the emasculation thing...

Vvoosh *vikes in it now...

What she said?

She said I like it now, it turns me on a little.

You can even understand her when she's with a cock deep inside her mouth? Wow, I'm surprised with you Josh!

Well you know, happy wife, happy life!

We will have to think about your proposal Eleonore, For now let us enjoy this monster cock here...

And your curvy and muscular amazon body...

Well ok, be my guests! We can...

SVEVA!

Sveva baby, what are you d-doing here?

MOM! How could you do this to dad?! And DAD?! You are just there, watching, and participating, like... like...

Baby, we can explain, you see, Eleonore here is an old MOMMY's Friends...

Stop calling me BABY! You treat me like a child, don't you see how much I grew? I mean literally! You think I don't know what's going on...

You two arguing about bills, your solo nights out, and then your date nights that suddenly fix everything... And then starts all over again...

I knew this woman was more than just someone you used to know... I saw you going out very upset, then Dad, so I followed you...

This woman... I can see it clearly now, she's just like Me... You two haven't seen how much I grew. When was the last time you saw Me naked?

hum... I think when you were about 3 years old, you were pretty self sufficient...

That's why we treat you like a baby, you never really needed us...

But what this has to do with anything?

When I was 3 I was already as big as dad right? That's what you used to say!

Well, I kept growing, and growing and never stopped!

I looked everywhere, it's very rare to have one as big as mine, I never actually saw one...

Sveva, what are you..?

I was very confused with my body, being this tall, this muscular, so much stronger than everybody else... And this thing between my legs hanging to my knees...

Neither of you could help me, neither of you could understand...

That's why you need to see it!!

Look at this freaking monster! I have a cock that's bigger than Dad's arm!

Oh My!!

I have trouble connecting with people because of this! That's why I don't have friends, or a boyfriend!

Sveva!!

gulp

I mean, what guy would want a girlfriend with an immense cock to impale him?

...unless I find a guy like you Dad...

Sveva!! Don't talk like that to your father!

I don't mean like a bad thing... Seeing her now, her cock is just like mine... She's my... "father"... And you three look happy, even with a cock like hers...

I don't know what happened between you three, but it seems that it worked out, or might work out in the end... This means there's hope for me!

But...

sniff

It also means Dad, you are not my real Father!

Sveva, of course I am your Father!

But...
sniff
She is... her cock... her muscles...
buaaargh

Sveva, come here!

AAHHH DAD!!

I will always be your Father! All that I've taught you.

**GROW!*

And the moments... Wow... That...

sniff
What is it?

**GROW!*

Your d... it's so...

**GROW!*

Oh My God!! I'm so sorry Dad!!

LIBRA

Oh God, I have a huge boner for watching my mom and dad having sex with a complete stranger earlier...

I'm so sorry Dad. I'm so embarrassed...

No, it's alright... I mean, I'm also a little hard from earlier, so... We all have dicks here, haha...

Yeah but you have a tiny one, not a freaking horse cock like mine throbbing around like crazy...

oh...

I'm sorry, I didn't mean like... Mine it's just too big! You have a nice man penis... I mean, not that I think it's nice!.. I mean...

It's alright Sveva, nothing that I haven't heard before! Haha Just calm yourself and it should go down.

You don't understand, it won't go down unless... I will lose control! Soon! I need to run to the bathroom, excuse me!!

I need to jerk off! I need to jerk off! This house is so freaking huge, dammit it. Great, a bathtub!!

It's so intense, I never felt like this before, I want to cum so badly!! It will be much more than a bucket load, I can feel it! This bathtub will do just fine!

stroke
stroke
stroke

AAAHHW!!

OOOHHH...
THERE'S SO MUCH CUM!!
I think I will Pain...
NO, THIS RUSH
OF ENERGY!!

Wossh

Wloossh

Wloossh

contract

contract

What's going on?
I feel so powerFul,
I could keep cumming
Forever!
This is what's like to
Fully be a Putanari?!

It wont stop...
I'm still cumming!!
I aimed inside the
bathtub but...
I lost control of my
powerful cock...

I'm making a
mess of this
stupidly huge
rich people's
bathroom...

I Filled...
Half of the
bathtub is full...
I...

You guys...
were there the
whole time?

Maybe half
way through
the end...

Which was a long
time actually...
We came to see if you
were ok, we heard a loud
noise, but I think it
was... You cumming...

Dad, I'm really sorry you had to see that...

It's ok but listen, your mother and I talked.

We think it will be better for you if...

Let me stop you right there...

I already decided to stay!

!!!

!!!

At least for a while. I already learned a lot from you two, and I have more to learn, you will always be my parents...

But there are things you can't teach me, but this woman, Eleonore, can. So I'll stay here for a while with her.

Oh Sveva! My baby is all grown up!

I've grown for a long while now, hahaha.

So, it's ok if I stay here?

Yes, it's great actually! I have to say, I'm impressed.

At your age to be able to fill half of the bathtub, I'm really proud!

This is so embarrassing, I'm sorry, I will clean it up.

Oh don't worry about that, Patrick will clean it, he will be so happy he loves doing stuff for me, that's why I married him after all.

Sveva you are a grown puta now, I have so much to teach you! We will have so much fun!!

A few months later.

This is great, we all here spending time together again.

Yes, the first time we three met was also by the pool, in my family house.

I see Josh still doesn't like to show his body, and Sveva is just like him...

Well, I just...

Well baby, even if you try you can't hide much...

You know what would be fun, if we reenact our first date! Do you remember Josh?

I will never forget it, but why repeat that? It's not like our sizes have changed that much...

Not you and El, I mean you and your daughter!

WHAT??

It will be fun Sveva! Just strip down baby, let us see that huge puta cock of yours.

I'm not sure about it MOM...

LIBRA

swish

Look at that thing, so this is how you all see me too?

swing

So my daughter has a cock just like Eleonore's...

This is so nostalgic!

Ah, I see my genes are stronger than I thought.

It's a little embarrassing...

How is your social life?

People don't talk to me, they think I'm weird... I only have two friends...

They are intimidated by you. You are taller, stronger, every single muscle of yours is more powerful and we don't even need to mention your impossible to hide dick.

I've been through the same thing.

Every male instinctively sees you as a treat because you are superior, and every woman wants to sleep with you but is afraid of the disapproval of their peers.

But it will get better, I promise!

Really?!

Yes! Tell me, do you like man or women?

WHAT?? I... I...

Ha ha, don't worry, you have time to figure it out, my advice, as a putanari, try both and see which one you have more fun with.

I'm almost as big as her, but she's so thick! Will I have a fat cock like this when I get older?

Ok honey, come here, let's start. You are already hard, but even so, it's much smaller than your daughter's! See, she's flaccid, but it's thicker and longer than yours multiple times.

And I have to say, her cock is also firmer than yours, considering that you are hard and she's not, that's embarrassing.

MOM!

It's ok Sveva, we did the comparison thing so many times now.

It's like foreplay to us!

Oh look at those balls honey! You still have little marbles, even more saggy now that you are older but she... She has two melons for balls, they are so heavy, so firm, so strong...

I can barely hold them.

How do you feel baby? With these hanging around?

I always wondered what is like to be a puta, have one of those, I guess now I can ask my daughter.

I don't know, they don't feel heavy to me, I always felt embarrassed, because they are so big, but looking at yours now... I feel... Confidence, a thrill, it's a little empowering.

Compare heights now?

It's for your daughter Josh, she's having a lot of fun!

I'm not opposing, it's just... Well, how much difference?

She's about a head taller, but she has much longer legs, her butt reaches your back!

She may have my genes, but she's more related to Josh than she is to me, look how much fun they are having together, they are both hard.

Dammit I got a boner!! Can I hide it? Of course I can't hide it, it's fucking gigantic, even more so compared to my father!

Why my father has to have a tiny, pathetic cock... Wait, what am I thinking?? And why is this turning me on?

Let's flex those muscles now! C'mon, both of you, make a strong man pose!

Like this? I'm old, I don't have that much muscle mass left.

Honey you look great for a 51 years old man, your muscles still look great! Maybe that extra "protein" you take is making some good on you!

Lucy!

Alright, sorry.

Like this?! Look MOM, like this?!

What is that pose Sveva?

I saw it on the internet, since I have big muscles, I watch bodybuilder contests sometimes. What do you think, this is how they do it, right?

This is actually really fun, my parents know how to have fun!

With a body like that she would win one of those contests very easily.

Look at that dick hanging between her legs... I need Eleonore to fuck me so bad after this.

How strong are you Sveva baby?

She lifts my car for me sometimes, so I can fix it.

I'm very strong!

Hum, interesting.

Don't believe it MOM? Here, let me pick you up!

Wow, haha, but I'm not that heavy to begin with...

Ok, so what if I pick dad too? I can use just one arm to lift each of you, how many men you know can do that?!

Ah, impressive, but you are comparing yourself to men now?

Hu? I... No, I just...

C'mon Lucy, leave her alone, she's just expressing herself! This is very good Sveva.

I wonder if this was a bad idea, what if Sveva turns into a degenerate just like Eleonore...

Let's stop here, I think we all had enough fun.

Ok, it's all good to me, Sveva also enjoyed I think.

Yeah...

But where is she? She was here a minute ago.

Sveva?!!

Dammit! They can't find me! Not like this, not like that time again...

Sveva!! What are you doing?

Lucy, don't shame her! Let her be, she's a putanari.

Josh, say something.

This was your idea honey, you drove her to this state.

I'm... I'm so sorry MOM, I couldn't hold myself...

She filled up a vase, impressive.

Baby I, did I push you into this?

N-no MOM, it's not your fault. But those comparisons, I'm a puta, I'm always horny... I just exploded...

Eleonore was shy and introspective too, until the day I had the idea to do this, then she turned into what she is today, what if I did the same thing to MY daughter?!!
