**CW: Outdoors (Beach), double penetration, Top!Kiri, Top!Bakugou, Bottom!Listener**

The ambience is gentle waves outside, crickets as it's night time, and three pairs of footsteps after the front door closes.

**Bakugou: (Complaining tone)** God, can I take the damn blindfold off yet or what? You've been dragging me around all damn day.

**Kirishima: (Giggling)** In a sec, Kats! Patience...

**Bakugou:** Well, we're here, aren't we?!

**Kirishima: (Soft)** Ahh.. always so grumpy after traveling. My sweet Kats... **(Gentle kiss to his head)** I promise it'll be worth the wait~

**Bakugou: (Little irritated growl as Kiri kisses his head)** ...

**Kirishima:** mm.. Roomie, you think he's ready to see?

**Bakugou:** Tch....

**Kirishima: (Soft chuckle)** Alright... Oh!! I almost forgot! Hang on. **(Skitters off to the side a moment, before clicking on some nice gentle music)** Lit all the candles and got the mood lighting right, but I almost forgot about the music~ Hah. Alright... Roomie baby, you want the honors of taking off his blindfold?

**Bakugou: (Huff)** Do it already....

**(Gentle sounds as roomie takes off his blindfold, and he's met with the sight of a luxurious little beach house that they rented for the weekend.)**

**Kirishima: (Sweetly)** Surprise.~

**Bakugou:** No fucking way. A beach house..?

**Kirishima:** Mhm! We rented it for the week! It's... well, heh.. Roomie and I wanted to *really* celebrate your birthday this year with something.. Big. Really nice...

**Bakugou:** You didn't have to go this far, holy shit. This place is beautiful... **(He starts walking to the glass doors facing the beach, opening the door)** .. Is this a private fucking beach?!

**Kirishima:** Mhm!! Surrounded by cliffs on each side, so we're sealed off from the public... It's like we have our own little slice of paradise for a week.~ ... heh.. Whattaya think, Kats?

**Bakugou: (low chuckle)** going this far for my birthday **(huffs)** you two...you're such saps, but... Thanks... It's perfect and I fucking love it, so you can wipe those nervous looks off your faces.

**Kirishima: (Soft laugh)** We hoped you would. You keep scolding us whenever we buy you things, so we thought.. Well. Maybe it's best if we gifted you an *experience*, rather than something material.

**Bakugou: (huff)** .. Spending time with the two of you is all I ever want anyway.

**Kirishima:** Awww...

**Bakugou:** ... Oi. The night's clear and warm... Why don't we go for a dip in the ocean, ah?

**Kirishima:** I'd love to! What about you, Roomie baby? .. Yeah? Guess it's settled then. Should we go put on our bathing suits?

**Bakugou: (smug)** .. heh. You said this beach is private.. Right?

**Kirishima:** .... Y-yeah..

**Bakugou:** Well, if that's the case then. **(he starts undressing, footsteps as he walks out onto the beach)**

**Kirishima:** K-Kats.. Heh... Oh, there he goes.. In nothing but his underwear. **(Loving sigh)** .. Go join him then, Roomie. I'm gonna unpack our beach towels so we can lay 'em out on the sand! I'll be right with you two in a sec~ **(Smooch)** ... aaand there goes his underwear. **(Laughs as he steps over to the suitcases)**

**(Roomie follows Bakugou down onto the beach, where he's already wading into the clear cool water)**

**Bakugou: (His voice is slightly raised as there's a bit of distance between him and roomie)** Comin in with me, Roomie? Water's real nice....**(smug and teasing)** I think you're a bit overdressed, though. C'mon. It's a *private* beach, remember? No one's going to see you. **(huff)** That's my baby... Take it all off for me. Don't be so shy.. No one's looking. Except for me.

**(Roomie undresses slowly for him)**

**Bakugou:** ... Mmm... You're such a little tease!

**Kirishima: (walking up from behind, does a soft wolf whistle)** Looking good, beautiful~

**Bakugou: (In the background)** Oi! Eijirou, put the towels down and get your ass out here with me.

**Kirishima: (laughs)** I'm comin', just give me a sec. **(flirty)** I just...wanna admire the view a little~ God baby, you're *gorgeous*.. know that? Mm.. Hard for me to keep my hands off you. Lemme get this big beach towel laid out real quick~ **(He lays down the big beach towel)**

**(Roomie walks up to him)** Huh? You wanna help me undress do you? **(low and loving)** I won't say no to that...**(little laugh)** Here I'll get my tank top, I know I'm a little tall for you to help with *that* part...**(shuffle as he slips it off)**

**(Huff as he shucks it to the side)** ... Mm.. I'll let you get my pants, love..~ **(buckle and zipper)** Huh? Why did I wear these? Well...it was cold on the plane so...that's why I wanted to wear my jeans but uh..right now they're starting to get a little too warm..so I appreciate you getting me out of them~

**Bakugou: (In the background)** Fuck... Now kiss him for me! Nice and deep!

**Kirishima: (flustered)** Kats..! **(laughs nervously)** .. Man.. You two really do things to me... **(gets pulled down into a kiss, lets out a muffled little noise of surprise, melts into a deep kiss with Roomie)**

**Bakugou: (In the background)** Fuck yeah! hurry it up and get out here.. I want some too.

**Kirishima: (pulls back with a soft sigh)** Mn, well, better not keep the birthday boy waiting...C'mon hun..Up we go~ **(laugh, loving)** Don't worry, I gotcha. I'd never drop you. **(another soft kiss as he wades out into the water)**

**Bakugou: (little huff)** Took you losers long enough..

**Kirishima: (laughs, teasing)** I've got a special birthday kiss delivery for uhhhh Kirishima Katsuki? Please sign here~

**Bakugou: (snorts a laugh)** You goddamn dork...C'mere. Both of you. **(kisses them both)**

**Kirishima: (snickers and accepts his kiss)** Mn...man we haven't been skinny dipping in forever huh?

**Bakugou: (chuckles)** Yeah it's been a while but...we have the whole week to catch up, don't we? Mmm...

**Kirishima:** We sure do..~ **(soft sigh, hums gently in happiness)** .. Happy Birthday, Kats. I hope you know how much we both love you.

**Bakugou:** Heh... **(soft)** I know. Trust me.... **(Almost a whisper)** I know. Mm... You two really put in a lotta work this year, finding a place like this... Really is the perfect getaway.

**Kirishima: (laugh)** Mhm! It's been a little hard to drag you away from work and well.. Roomie and I thought if we could manage to convince you to take a single week off, we really gotta make it count.

**Bakugou:** Mm...

**Kirishima:** You work your ass off, babe... Maybe a little too much. I know being a hero is a full time, 24/7 job but.. You're still a human, Kats. You need a nice break every now and again, as a reminder you know?

**Bakugou: (soft huff)** .... Yeah, yeah. I know.

**Kirishima: (gentle kiss on his head)**

**Bakugou: (soft grunt in reaction to the kiss on his head)** ...

**Kirishima:** We were trying to figure out what kind of present to get you this year and I thought maybe instead of a present, we do something. Go somewhere memorable..~ And that's when Roomie went digging online a bit and found this place. Nice and tucked away on one of the islands... Warm with crystal clear water... It's like our own little heaven.

**Bakugou:** Roomie.. You found this place? Heh.. well. Nice call... the both of you.

**Kirishima:** We know you've been working hard since the hero charts are coming up soon, so you really deserve this!

**Bakugou:** Alright, alright... quit bein' saps would you? Especially you, Ei. Cool it with the mushiness would ya?

**Kirishima:** mmmm what if I don't wanna?~

**Bakugou:** Oh you don't wanna..? Well then, guess I'll just have to do... **(Trails off, then splashes water at Kiri)** THIS!

**Kirishima: (sputters, laugh heartily)** Hey!! You're gonna mess up my hair gel!

**Bakugou: (Mocking)** Oh noooo, not your hair gel! What will the world come to if poor mr. red riot doesn't have his signature shitty hair! **(Yelps as Roomie splashes him)** Oi..! roomie, you little shit! **(laughs and splashes them back)**

**Kirishima: (Laughing as he joins in on the splash fight for a bit)**

**Bakugou: (laughing as he splashes the both of them for a while)**

**(Both come down after a small bit, panting softly and smiling)**

**Kirishima:** Awww man...now my bangs are all in my face..blegh. **(small chuckle)** You okay baby? I know it got a little intense there. You didn't swallow too much water or anything?

**Bakugou: (snort)** Tch they can handle villains single handedly Ejirou, they can deal with some water. And stop whining, you look fine. Honestly, your hair looks better when it's down anyway. Less shitty.

**Kirishima: (chuckles)**..if you say so. Well, since you're the birthday boy, I'll keep it down just for you, how about that?

**Bakugou: (pleased)** Good...**(sly)** So what you're tellin' me...is because it's my birthday, I get whatever I want ah?

**Kirishima:** (a little nervous) wiiiithin reason...

**Bakugou:** (pleased sound, seductive) That so~

**Kirishima:** (small laugh) aah...Y-yeah? (stage whisper) I'm with you baby, that smile of his always means trouble... (Nervous) Kaaatsuki... what's going on in that pretty little head of yours...?

**Bakugou:** mmmm.... (looks at the shoreline) ... I see you laid out that huge towel.

**Kirishima:** Uh-huh....~

**Bakugou:** Aaand I see you brought out some candles.

**Kirishima:** Uhhh- huuuhhh..~ I feel like this is leading somewhere~

**Bakugou:** I've always wanted to try fucking on the beach.

**Kirishima:** (Sputters a bit) Heh- straight to the point, huh..?

**Bakugou:** (Starts walking towards the shore) C'mon then. It's about damn time we got the chance for this. I wanted to back on our honeymoon... But we weren't given a sliver of damn privacy the whole time.

**Kirishima:** (following) Yeaahh... I don't regret a thing though. I love our friends~

**Bakugou:** (huff) Uhuh. Mm... (arrives at the shore, lays himself onto the towel) .. This is kinda comfy, despite it being on the ground. C'mere you two.

**Kirishima:** Yes, sir~

**Bakugou:** Mmn... I'm thinkin' we make a roomie sandwich, if you're up for it baby. .... Yeah? You like getting overwhelmed don'tcha?

**Kirishima:** (soft, heated chuckle) .. You're always so good at taking us both... Mm.. I'm excited just thinking about it... ah, let me light the candles.~

**Bakugou:** Gotta get that atmosphere nice and perfect, dontcha you big sap? (huff)

**Kirishima:** mhm!! That and it's also kinda dark...even with the moon out. I also brought out uh... other stuff.~ Check the bag to your left there. (lighter clicking as he's lighting the candles) I wasn't sure if we'd need it but...

**Bakugou:** mm..? (Grabs the bag, opening it) .. heh. You were pretty prepared, huh? Damn, red... Lube, toys.. Restraints and everything. Mm.. For tonight, I think we're just gonna need the lube. (grabs it, closes up the bag) .. I wanna get to the good stuff.

**Kirishima:** Impatient as always..~ (cozies in a bit) .. But you're the birthday boy, so how could I say no?

**Bakugou:** (heated huff) .. I've been pent up as hell. S'been a whole week since I've.. Nnn..was too damn busy from work and then you two spirited me off in the middle of the damn night for the flight.

**Kirishima:** Awww.. We'll take care of that then, won't we roomie baby?~ Lay on your back for me Katsuki.. I got an idea.

**Bakugou: (huff)** and let you take all the control?

**Kirishima: (soft laugh)** Not control, no... I just want you to relax and feel good is all~ mm... Here hun, straddle his hips for me, 'kay? ... perfect. Like this, we can both fit snug inside them, Kats.. Sound good to you guys?

**Bakugou:** Y... yeah. **(Heated breaths)** .. I want in first... **(heated breaths continue over the dialogue)**

**Kirishima: (uncaps the lube)** Mhmm~ Patience for me.. Let me prep roomie a little so they can take us nice and easy. Sweetheart, bend over for me, okay? .. that's it... hnnn... this angle. Can't get enough of it...

**Bakugou: (huff)** ... God I want you. Wanna be inside... hnn- c'mere baby..kiss me... **(heated breaths for a moment, melts into a deep kiss with breaths and muffled groans. Does this for a moment, before he pulls away, continuing the heated breathing through Kiri's dialogue)**

**Kirishima:** God... You two really do make it hard to hold back sometimes. **(soft heated breaths)** ... Roomie love.. I'm gonna open you up a little, just with two fingers at first okay? Then three... sit tight for me, I'll take it nice and slow so your body can adjust..~ mm... **(soft hiss, relishing in roomie's reactions, cooes)** That's it, baby... ah.. Good, so good for me...God you're beautiful like this y'know? Making such pretty noises for us..

**Bakugou: (murmurs)** Love that look on your face...**(gentle teasing)** He's just starting and you're already looking so out of it...Can never get over how sensitive you are baby...but that's because we take such good care of you huh? **(kisses)** That's it, legs apart...just like that. Mn..just relax into me while Ei takes good care of you huh? **(soft hiss)** Fuuuck listen to that...you're opening up so good for us~

**Kirishima: (teasing)** They're not the only one who's being good~ **(he begins to stroke Bakugou)**

**Bakugou: (low moan)** Fuck Ei...love it when you stroke me like that...

**Kirishima:** Heh, you really *are* pent up huh Kats? You're twitching under my fingers~ So eager to fuck our baby aren't you?

**Bakugou: (groan)** Hard not to be when they're lookin' at me like that...fuck. Mmn. **(passionate kiss for the listener, low moans as Kirishima continues)**

**Kirishima: (pleased)** I think you're both ready...**(soft exhale)** Hold still hon..let me get him lined up for you...that's it..perfect. Rock your hips back...slow..slow..

**Bakugou: (low growling whine)** Fuck yeah....That's it baby..keep goin'..wanna feel every inch of you around me..mn.

**Kirishima: (soft groan)** God I love watching you take him. **(kiss for roomie)** When you're ready love~ Might wanna hurry though, our Birthday boy's getting impatient~

**Bakugou: (huffs)** Can't blame me...(sharp inhale) Mn, I feel you tensing around me you little tease~ if you're gonna play dirty then I can too...(slick noise as he pushes in) Therrre it is, love hitting that sweet spot of yours. Fuck..You ready for me baby? Yeah? **(teasing)** you better be..

**(He begins to thrust, picking up a good pace right away, pleased groans and growls from him throughout)**

**Kirishima:** That's it hun, just let those pretty moans out for us. No one's around to hear you~ Just us..**(soft kisses)** God, that's it sweetheart... ride him for me just like that. **(heated breaths)** .. Fuck.. I could watch this forever...

**Bakugou: (Still thrusting)** Hah... haa...~ You gonna stick it in too or you just gonna sit there with that dumb look on your face, shitty hair?~

**Kirishima: (single, amused and quick exhale through his nose)** Cool it, Kats.. Just cause it's your birthday doesn't mean I won't punish you if you start acting like a brat~

**Bakugou: (Cocky chuckle through his thrusting)**

**Kirishima:** I'm coming in, Roomie... Tell me if it's too much okay? Still your hips a sec, Katsuki...

**Bakugou: (heated, irritated huffs as he pouts and stops his thrusting a moment)** ... Hurry it up...

**Kirishima: (he starts to sink in, suck in in a pleased hiss)** T...tight... so tight... **(heavy breaths for a bit as he adjusts)**

**Bakugou: (needy moan)** H-holy shit...god that's always so intense. You alright? S-still remember that safe word yeah? Mn..good..just make sure to use it if it gets too much. Yeah, baby... I'll always put you first you hear me? Heh.... I know you got this though, don't you? Mmm... Show me just how well you can take the both of us then. Eijirou.. Match my rhythm, yeah?

**Kirishima: (shaky inhale)** Mm- yeah.. Yeah, okay. **(He starts thrusting, groaning slow and sensually for a while, through this next dialogue)**

**Bakugou: (sucks in a long hiss, groaning it out low and hot. He keeps thrusting and moaning for a while)** God that's it, baby... Always makin' it look so easy. Feels so natural for you doesnt it? You were built for us... You fit us so perfectly... hahh... ah... **(More moaning for a while)**

**Kirishima:** Can't get enough of this position.. Hah... Roomie, your insides are so tight and hot... and I can feel Katsuki's cock against mine too, nn...hnn..~ C..can never last long in this one...

**Bakugou:** Awww, you gonna cum already big guy? Come onnn... it's my birthday... nnn~ Last nice and long for me.. Hah... I get to cum first.

**Kirishima:** W-what...? Aaahh... u-unfair.... Hah....

**Bakugou:** Unfair?~ Tsk tsk... **(moans)** ... fuck.. It's *my* day, right? **(cocky)** So you're gonna please me.... Roomie's already making me real happy, so you'll do what I want too, *right?*~

**Kirishima:** You- hah.. Sure are bossy~ mmmf... I'd be lying if I said I didn't like it though.... Deal then, you little brat~ **(moan)** if you- hnn.. If you wanna cum first.. Guess I'll just have to go nice and deep, rub up against you real heavy like this....

**Bakugou: (Sucks in a gasp, his moans a bit intense for a moment in reaction to the deeper, slower pace change, moans growing needier slowly through Kiri's dialogue)**

**Kirishima:** Oh..! Seems like you both like that...~ Mmmf... Whattaya think, Roomie baby? Think this'll have him cumming in no time? ... o-oh woah, seems like it's gonna have you cumming quick too..~ Is that your spot, baby..? Yeah? God... f...feels kinda good to have you both under my control like this....

**Bakugou:** f-fuck... fuck... Eiji... Finger me.. Fuck me with your fingers...

**Kirishima: (cooes)** Mmmmf... Slutty little Katsuki.. **(kisses on Roomie's back)** Needs my fingers to tip you over the edge.~ ..Ah..? **(Breathy chuckle)** Roomie's right.. You're demanding so much of us.. Say please, birthday boy.

**Bakugou:** Fuck..~! **(whiny breaths)**

**Kirishima:** Mmm... doesn't sound like much of a 'please' to me. Roomie love.... Push those pretty fingers down his throat, give him something to suck on.. Maybe it'll coax a nice, pretty little please out of his nasty mouth~

**Bakugou:** Fuck, wai- glk- **(whines as fingers are pushed into his mouth, moaning around them)**

**Kirishima:** Well? You heard Roomie... **(Stern, slow)** say. *Please.*

**Bakugou: (fingers still in his mouth, he sucks on them a small bit before saying this with them still on his tongue)** P-please... please.

**Kirishima: (Sweetly, with a soft groan)** That wasn't so hard was it now? Mmmn... Here Kats... Spread your thighs a little.. Keep riding him nice and easy, Roomie. If he wants to cum first, I'll make him cum first... Gonna pull out and focus on him for a sec, baby.. But don't worry. You and I'll give him a show once I milk this orgasm out of him~

**Bakugou: (Roomie takes their fingers out of his mouth and he gasps softly, panting with his tongue out a moment, dazed)** ... h-hold the fuck up, slow- AH-! **(Moans loud as Kiri slips fingers in)** God- fuck..! Yeah... f-fuck me with your fingers, shitty hair... god f-fuck! Just like that-! **(Borderline feminine moan)** Right there..! Ah..~! **(more moaning for a while)**

**Kirishima: (low, almost growly)** Nnngh... that's it you two... sing for me.. Fuck.. sing for me just like that. Nnn... Your voices mixed together is so fucking perfect...

**Bakugou:** C-can't.. I can't...

**Kirishima:** Too much, Kats? Mm.. let go... let go baby. (Soft, melted together whispers) Letgoletgoletgo....~

**Bakugou: (His moans build up fast into a hard hitting and sudden orgasm. He moans for a couple seconds, before melting into soft panting for a good while, dazed)**

**Kirishima: (Working up to Bakugou's orgasm, then praise)** There you go, Kats, there you go..! Good boy... goooooo boy..... Mmmm... Here Roomie, ease up off him for me, sweet baby..~ there you go.. I like punishing him for being a brat but that kinda overstim is a bit much, eh? Heh... Stay bent over him though for me.. I'm gonna... ease back in, okay? Nn-hnnn... (slides back in)

Taking me with ease now... hah... You're close? God, me too... Alright. Let's do this together then... **(starts up a decent pace, moaning and panting along with it for a while)** God, baby... I can feel you clenching... thighs are shaking up a storm, haha..! Mmmm... Let go for me... c'mon.. I'm not too far behind.. Cum on my cock, baby...**(Reacts to Roomie cumming)** ah...~! god-! Hnn... so good for me..! Making such a mess..! Shit, l.. I can't.. I'm gonna cum, baby... g-gonna..- **(He orgasms, moaning in ecstasy for a bit, then coming down into a tired pant for a while)**

**Bakugou:** nnngh.... Fuckkk, Ei...

**(breathy chuckle)** So what do you think, Kats? Was sex on the beach everything you thought it'd be?

**Bakugou: (pleased groan)** mmmm...glad we have a whole week now. Wanna do that again.**(kiss, breathy chuckle)** and again... and again and again...hell might just buy this place when we get back just so we have our own private oasis for whenever we want.

**Kirishima: (breathy chuckle)** Our own beach house...kinda like the sound of that. Putting that top three money to good use huh?

**Bakugou:** Damn right... What's the point of it if I can't use it to spoil you idiots, ah? **(slow exhale)** Mm... You alright Roomie? Heh, still off on cloud nine huh?

**Kirishima: (coos)** Mn, I think they look so adorable like this...**(kiss)** All cute and blissed out...

**Bakugou:** Mhm...**(soft exhale)** Alright Ei, pull out..startin' to get uncomfortable down here. I think all of us could use a good shower before we turn in for the night.

**Kirishima: (pouty)** I almost don't want to.....**(sigh)** But..yeah, starting to feel a little sticky, and not in a good way...

**(low groans from Kiri as he eases out)**

**Kirishima: (breathless sigh)** You look so pretty baby...all nice and messy..

**Bakugou: (chuckles)** Yeah most of that's you Shitty Hair. **(stretch and groan)** I gotta say this is the best birthday I've ever had...**(gentle)** Thanks again you two..

**Kirishima: (loving)** Of course Katsuki...anything for you. Now..let's go get cleaned up okay?

**Bakugou: (grunt of agreement)** Here, you take Roomie..they don't need to be walkin' right now anyways.

**Kirishima: (adoring)** C'mere baby I gotcha...**(gathers Roomie to himself, kiss)** You okay? Nothing too sore? Good..

**Bakugou: (stands and sighs)** Mn.. Let's go..I wanna see if that big ass bed is as comfortable as the one we have at home...(footsteps as he starts to walk off)

**Kirishima: (sweetly)** Right behind you Katsuki..~ Ahhh... what a way to start off our little getaway. **(gentle, tired chuckle)**

**(audio fades out)**
