

CAGED Soloing | C Shape | I - vi Progression

Use the I vi Jam Track in C Major

This practice sheet tackles the Key of C Major, but you can apply this technique to any key using a C Shape as the I chord.

On the left, I've spelled out a C Major chord using a C Shape. In this case, you can use this shape system in open position or with root notes at the 13th and 15th frets.

Yellow = C Major Chord

Pink = C Major Pentatonic Scale

Green = C Major Scale
