Thank you really much for
everyone's support!

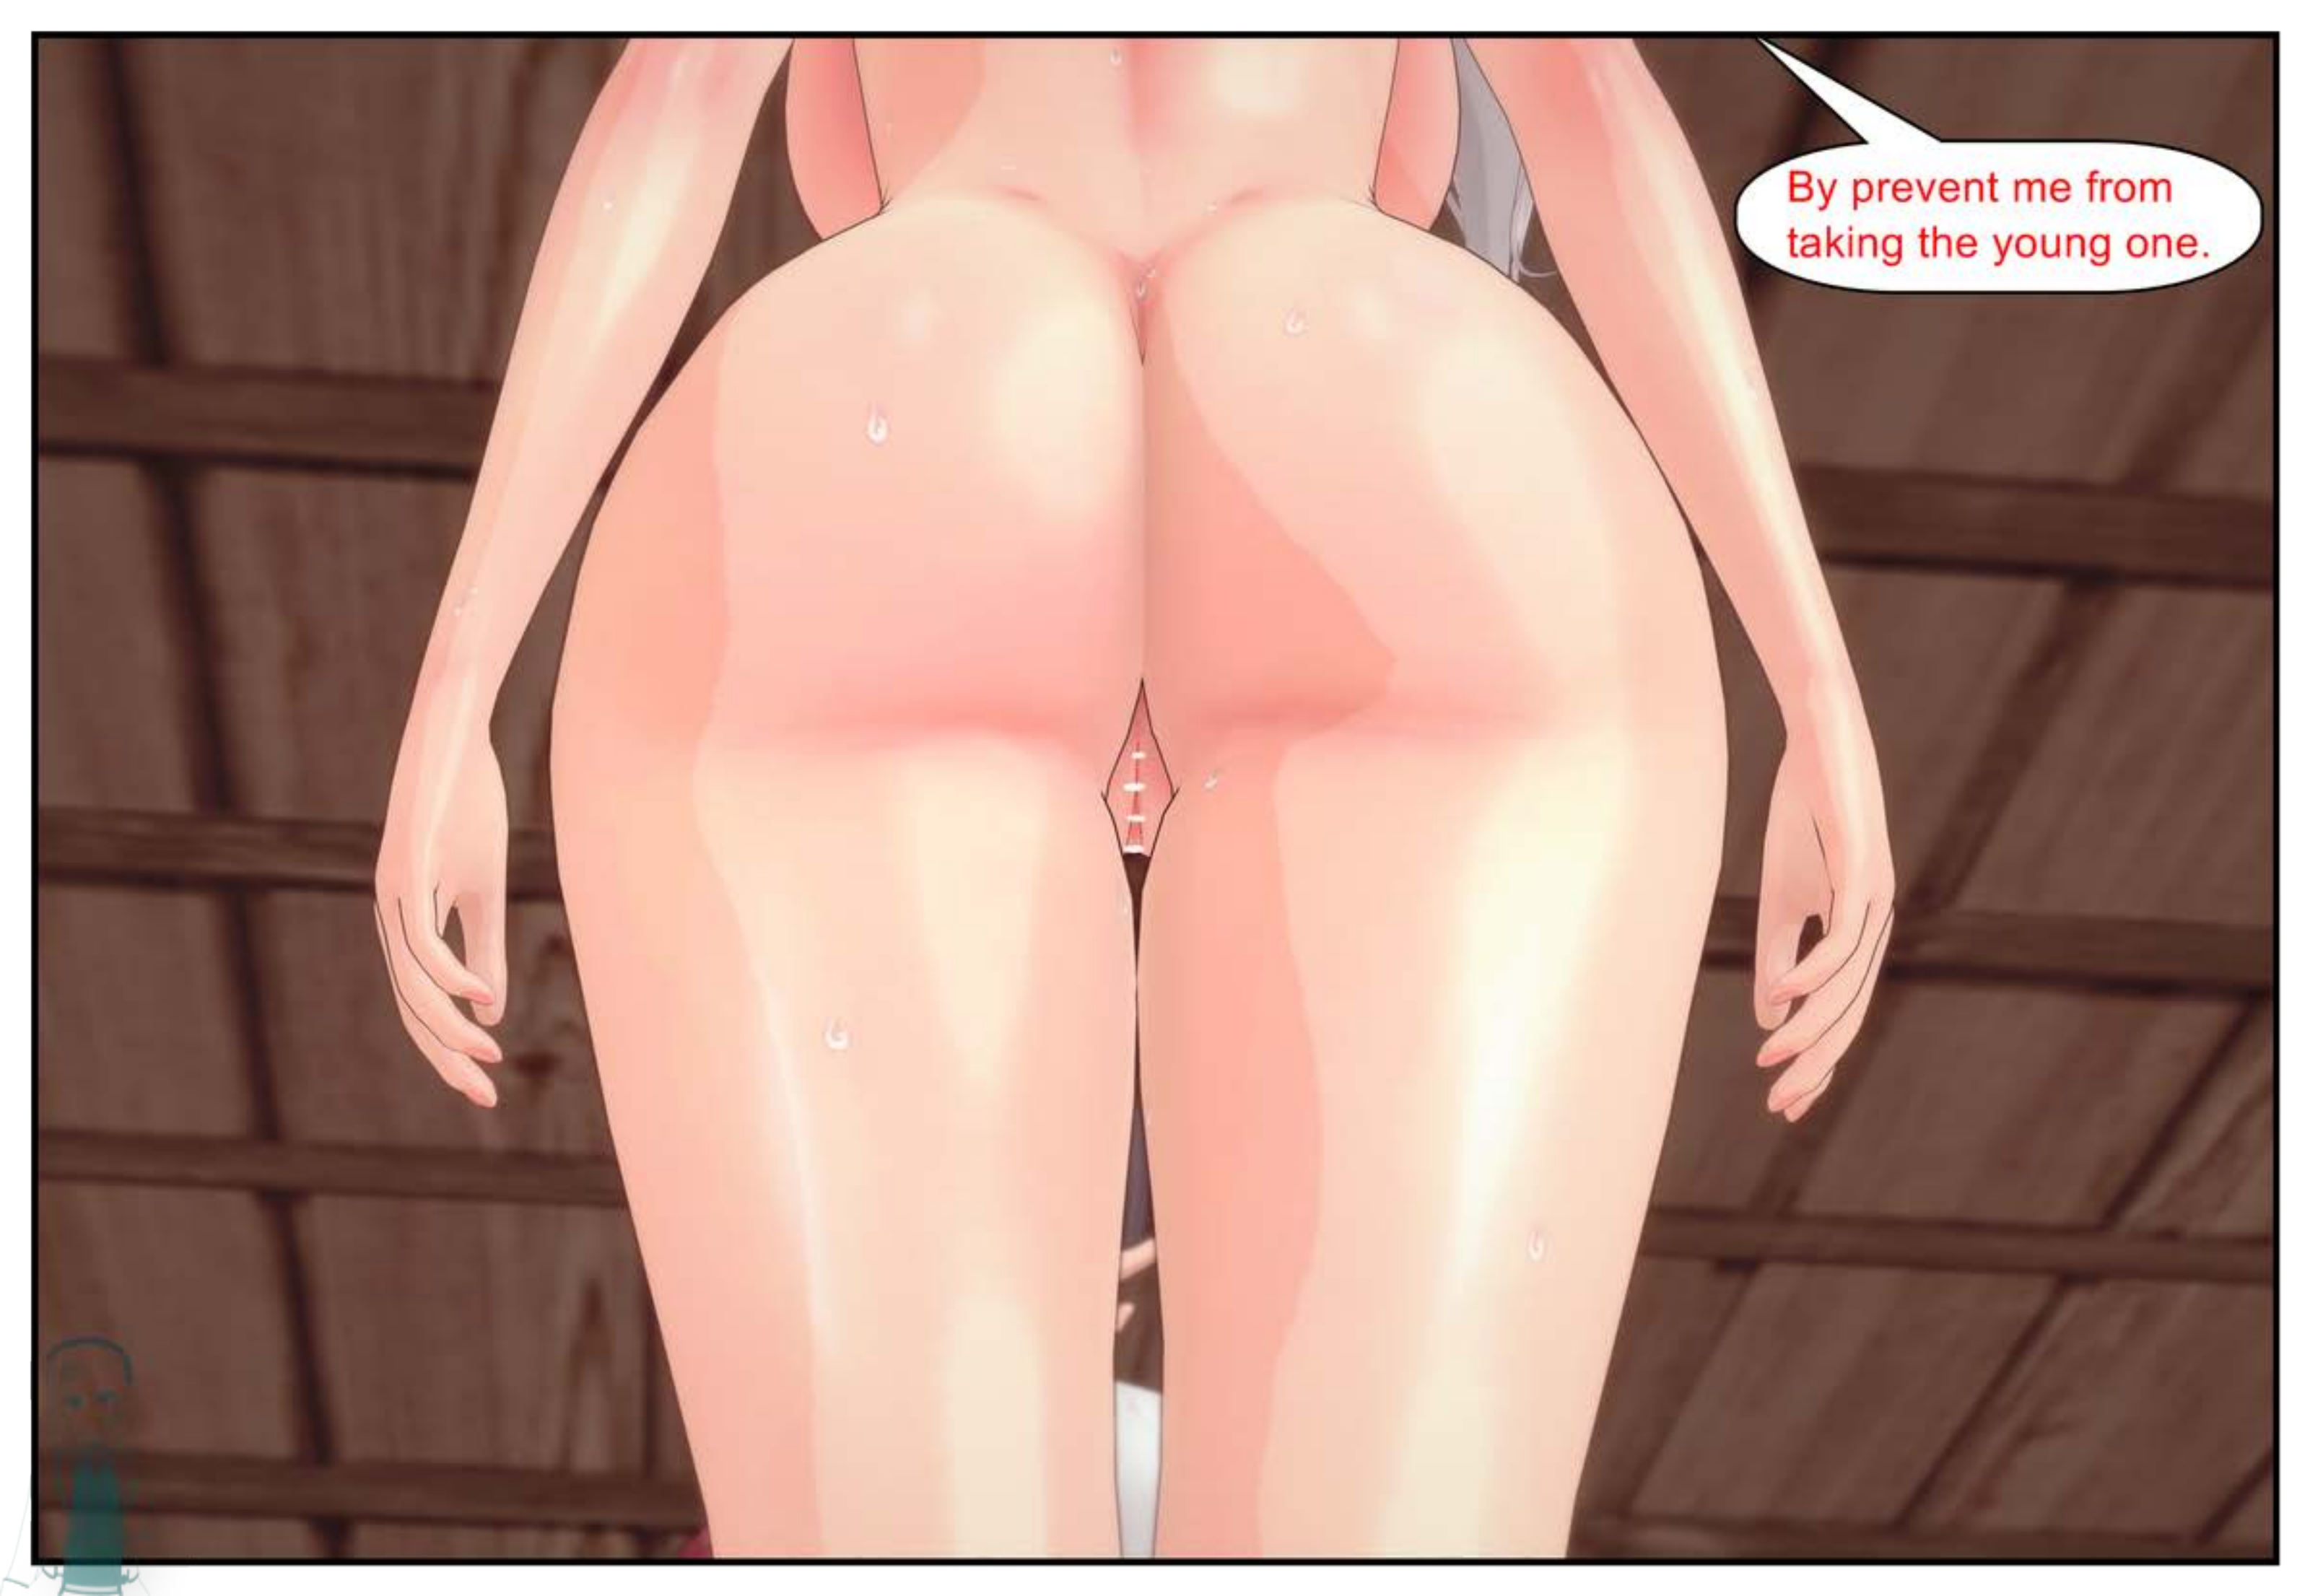

Seem like you tried to eliminate me?

By prevent me from taking the young one.

But that was your huge mistake...

Only for temporary
until you figure something
out, am I right?

Aren't you going to exorcize me?

No, I'm not. Instead,
I will help you...

My job is not only
exorcism, but also
hearing our the
spirit's problem...

Even a corrupted God like you... has something to say, correct?

Hm? Why the pity voice? I don't need them.

A manga-style illustration showing the back and legs of a large, muscular woman with a very large, prominent buttocks. She is wearing a dark, possibly black, garment. A smaller character with short dark hair, wearing a white shirt with a red sash and a dark skirt, is peeking out from between the woman's legs. The background is a dark, textured wall with a grid-like pattern.

Sadly, I don't have
any regret with this world.

Then, what do you
want with Yuriko!?

Ah... I felt good when
doing sex in young one's body.

A character with dark hair, wearing a white long-sleeved top with a red diagonal sash and a long, pleated red skirt, stands on a wooden floor. The character is looking down and to the right. Two speech bubbles are present: one on the left with red text and one on the right with blue text.

Though, you already
put me inside Tomori...

"Kind of heavily
corrupted Goddess..."

How are you going
to satisfy me now?

I can do that.

I will bring you a man
that will make you
feel good.

Oh?

Before that, I have
one question to ask.

My first time to see a Goddess being corrupted by this world... Can you tell me in detail what made you become like this?

Hmph... Then allow me to answer.

People worship Goddess
to bring them what they wished.

But when they didn't get what they wanted, we were the subject to blame.

I understand. It was wrong since worshiping can only strengthen one's confidence.

Thank you. I will do as you requested.

I will be waiting.

A moment later...

Kotomi...? I came
as you called.

No time to explain.
Can you help me
like usual, Shiro?

H-Having sex... with
evil spirit!?

It possess an old
woman I knew... so...
I can only think of you
than any other men.

"I hope Tomori will
be okay with this..."

our plan..."

"No response...

"What was that... The memories I was watching suddenly shut down..."

"Does this mean...

The next morning...

Morning, Marry.

Do you want to eat something? I will make it for you.

Marry...?

Did it go well?

Hah... We lost.

"Why did Marry run away from me!?"

A character with short brown hair, seen from behind, wearing a white sailor-style school uniform with a dark blue collar and a dark grey pleated skirt. They are standing in a hallway with a green carpet and a door in the background. A speech bubble is positioned to the left of the character.

"This way... lead to school's rear garden."

"What is going on with her...?"

Hey, Marry. I just

"I-Is that...!?"

"Marry... and Hakata!?"

"I knew this day would come..."

"After that day...
40 years have passed..."

"I didn't have any solution to completely wipe the corrupted God back then..."

It's time to put an
end to all of this.

Meanwhile...

"Where... am I?"

Y-You...

I'm sorry... Marry.
For being a liar
all these time.
