

Twister City

Ladies, you happen to be missing one big detail. This game cannot start without it.

*All
players must be
present to start.*

Katsu quickly catches up to the other ladies as she steps into a green space, while almost leaping forward into the city. Joy on her face, the city below trembled due to the impact of her heavy form coming down so quickly.

EAGLE 20!
FOX 3

*You think those
puny weapons will have
any effect on me?*

A woman with long dark hair, wearing a purple bikini top and matching purple gloves, is shown from the chest up. She is holding a small, dark, rectangular object in her right hand. The background is a bright, hazy outdoor setting with confetti falling around her. A speech bubble is positioned to her right, containing text.

So you little guys want to join in on the fun? Well the rules are simple. The last one standing gets the prize. Since you all struck first...

You guys thought you won? Your flight path was a bit ambitious for a victory lap. You are a bit aggressive for such a little guy. At least... you were.

Wait, did I just win?!

I WON!!!

Aww, are you guys not excited? I never get to win these things. Well no matter, cause in a moment, you wont have to worry about it anyway.

Trish, now six times bigger than when the game started relished in the feeling of the city, succumb to her increased weight.

Looks like we will need another city ladies. I could play all night!
