

I'm asking.
Why are you
apologizing for
them?

Be-because
you were
uncomfortable?

You're right.

I was
uncomfortable.

But it
wasn't them
that made me
uncomfortable.

You did,
Crush.

Me?!

Yes!

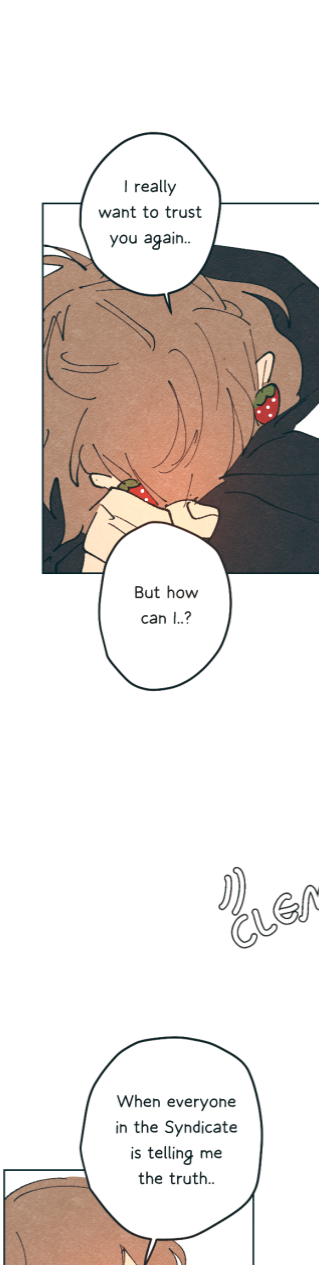

Do you
take me for
an idiot??

You've been
hiding something
from me!

How did
you-

Because I'm
your best friend,
asshole!

I know
what you're
like when
you're hiding
something!

And you've
had that guilty
look on your face
ever since we
reunited!

I didn't
want to pry
because it's none
of my business
what went on
between you
and your ex.

At least
I just thought
you'll tell me
when you're
ready.

But it's
so frustrating,
Crush..

Just waiting
around for you
is frustrating..

I really
want to trust
you again..

But how
can I..?

CLENCH

When everyone
in the Syndicate
is telling me
the truth..

.. except
you.
