

Name:	Spoon of The White Elephant	
Rare (one of a kind)	Worth: 500 GP	
	<p>This spoon was forged by master craftsmen who specialized in enchanted spoons. This spoon is one of a kind in a set that has been scattered across the lands by treasure hunters and collectors.</p> <p>This spoon is depicted as a ghastly white elephant that stands on its own trunk. When eating from this spoon, you must make a wisdom saving throw. This spoon will provide the answer to "What is wrong?" to anyone who uses it. On a failed save, you must explain one heavy burden that you refuse to talk about in public, this must be the most current issue. This can be used to admit guilt or revile lies if used correctly.</p>
