

END OF YEAR REPORT

DANIEL 'DANNY' DAVIES
YEAR 7, DORMITORY 1.01

English

Teacher - Mr. Anthony Fitzsimmons

Student - Daniel 'Danny' Davies

While Danny is very eloquent in presenting his understanding of English verbally, his written work would benefit from a little more attention to detail. He has begun to show basic understanding of meaning in the written word but still has a little way to go in his comprehension of literature. He is a supportive member of the class but should occasionally focus more on his own work than helping others. Danny's occasional lack of interest in the subject has, at times, led to some disruption in class.

Final Grade ★★☆☆☆

Maths

Teacher - Mr. Owen Beecham

Student - Daniel 'Danny' Davies

Danny has shown a real enthusiasm for maths, beginning the year with a strong foundation in all key areas which have only grown stronger as the year progressed. Danny has not only improved his own work, he has also shown both willingness and aptitude in assisting others to understand mathematics and how it can be applied in real-world situations. A very bright boy and a joy to teach.

Final Grade ★★★★★

Science

Teacher - Mr. Nigel Jenkins

Student - Daniel 'Danny' Davies

Daniel has begun to show a decent understanding of biology and chemistry but occasionally struggles in the field of physics. His understanding of organisms and the natural world is an particular area of success while his work on energy, electricity and forces would benefit from greater attention and application of his abilities. He shows real eagerness in group activities and always plays an active role in physical experiments.

Final Grade ★★☆☆☆

History

Teacher - Mr. Victor Chambers

Student - Daniel 'Danny' Davies

Danny has shown he is capable of producing good work on some of his projects throughout the year, but lacks the consistency required to excel in the subject. Certain areas of interest have helped encourage his learning and development, but other areas will require more attention in the future.

Final Grade ★★☆☆☆

Geography

Teacher - Mr. Maynard Cunningham

Student - Daniel 'Danny' Davies

Danny's mediocre final grade is representative of his performance throughout the year. While he gets involved in classroom activities, his interest appears more in having fun than learning Geography. When Danny is able to pay attention and apply himself, he is able to show decent knowledge and understanding, but these occasions are few and far between.

Final Grade 

German

Teacher - Mr. Francois Bombelles

Student - Daniel 'Danny' Davies

Danny is able to speak German to a decent level and has a good understanding of the basics. However, his grade is somewhat let down by the written work he has produced which is not up to the same standard as his verbal skills.

Final Grade ★★★★★

French

Teacher - Mr. Klaus Richter

Student - Daniel 'Danny' Davies

Daniel has learned several sentences and words and is able to replicate them easily in writing and verbally but struggles to form conversational sentences.

Final Grade ★★☆☆☆

Design and Technology

Teacher - Mr. Oscar Verity

Student - Daniel 'Danny' Davies

Danny appears to enjoy DT a great deal, though his skills are not quite of the same level as his enjoyment. His theory work remains of a moderately high level, but his practical work sometimes lets him down and is an area to focus on for the future.

Final Grade ★★★★★

Art and Design

Teacher - Mr. Rubeus Warren

Student - Daniel 'Danny' Davies

Danny has a wonderful heart and it shows in many of his projects and creations. He is able to express himself artistically. Unfortunately, the areas where he is weaker are the ones I am forced to mark him against to get his 'grade'. Danny should continue to express himself so openly.

Final Grade ★★☆☆☆

Music

Teacher - Mr. Charles Yaeger

Student - Daniel 'Danny' Davies

Danny does not demonstrate any particular skill with any instrument, though he is a much better singer than he realises. What he lacks in practical skills he makes up for with his study of history and musical styles. He seems to be greatly encouraged in the subject by the friends he has made who have helped his growth.

Final Grade ★★☆☆☆

Physical Education

Teacher - Mr. Trevor Hargreaves

Student - Daniel 'Danny' Davies

Danny has demonstrated a true passion for sports this year, both in and out of PE class. In lessons, his passion and enthusiasm is contagious, often encouraging even the less-active students to really apply themselves and do well. A very hard-working student who seems able to thrive in any sport. Danny has also shown a great interest in sporting theory and subjects such as nutrition and sport science.

Final Grade ★★★★★

Citizenship

Teacher - Mr. Stanley Francis

Student - Daniel 'Danny' Davies

Danny has very clear concepts of right and wrong but is coming to understand the concepts from a societal perspective too, as well as how his personal beliefs can differ from others'. He demonstrates a strong sense of community and has very strong opinions about crime and justice.

Final Grade ★★★★★

Computing

Teacher - Mr. Lionel Uxbridge

Student - Daniel 'Danny' Davies

Danny has demonstrated some capability in the subject, but seems to lack any real passion for it. His understanding is sufficient to achieve a suitable grade, but without the drive to learn in any greater detail, this is as high as he is likely to achieve. With a little application of effort, he could do well.

Extracurricular Activity 1

Activity - Football

Staff Member - Mr. Maynard Cunningham

Student - Daniel 'Danny' Davies

Danny was eager to join the football team from the very start of the year and has proven himself an effective goalkeeper, doubling as a cheerleader for the team when the balls is the other end of the pitch.

Extracurricular Activity 2

Activity - Swimming

Staff Member - Mr. Owen Beecham

Student - Daniel 'Danny' Davies

Danny is a very strong and confident swimmer, but also a very popular and friendly member of the club. His humility and compassion really helps the weaker swimmers and less confident members to thrive and enjoy themselves. Danny only seems able to truly enjoy himself if those around him are having fun too.

Extracurricular Activity 3

Activity - Drama

Staff Member - Mr. Rubeus Warren

Student - Daniel 'Danny' Davies

Daniel performed a scene from Romeo and Juliet early in the school year and while he was outshone somewhat by his scene partner, the true magic came from their chemistry on stage. Fortunately, the two have partnered together often since then and while this has shown a slight lack of diversity, their chemistry remains undeniable. Daniel's skills have improved during the year and he is now showing himself to be a surprisingly compelling performer.

Extracurricular Activity 4

Activity - Dungeons & Dragons Club

Staff Member - Flynn Page, Year 11

Student - Daniel 'Danny' Davies

Danny is a lively and engaged player, happily slipping fully into character to make interactions and encounters more enjoyable. He likes to play fair (even when he's fighting dirty) and is willing to challenge other players who are stretching the rules. A welcome player at my table any day!

Social and Accommodation

First Floor Master - Mr. Levi Trent

Student - Daniel 'Danny' Davies

Through a range of activities and events, Danny has become a well-known individual both in his own Year group and beyond. It has not been the smoothest year and Danny faced a very troubling period which he has faced with courage and grace. His actions have shown him to be a courageous young man who cares deeply for those around him and this has resulted in him being offered a huge amount of love and respect by his peers.

There have been occasional moments when Danny's behaviour has not reflected him at his best, but these have been appropriately addressed and he continues to learn and grow from each experience. he has a good range of hobbies and interests and seems to have a very close bond with his mentor.

Danny is a charming and entertaining young man who will doubtlessly continue to thrive at Kingswood.

Health and Wellbeing

School Physician - Dr. Arkwright

Student - Daniel 'Danny' Davies

Danny's physical health has been well maintained throughout the year and he has shown a particular interest on gym work, which will continue under supervision.

Danny's mental health has taken a few knocks this year, firstly through the incident involving a classmate in crisis and the subsequent aftermath, but then through experiencing a second period of quarantine. While I continue to work with Danny on a few lingering concerns, generally speaking he has made great strides in his recovery.

Disciplinary Record

Deputy Head - Mr. Norman Gregory

Student - Daniel 'Danny' Davies

While Daniel has demonstrated some truly admirable behaviours this year, this has been offset by a series of misbehaviours, including four incidents of inappropriate behaviour in class and a very serious breach of the Kingswood Pandemic Protocol.

While the in class misbehaviour has been addressed accordingly, it must be made clear to Daniel the importance of adherence to the Pandemic Protocol to ensure not only his safety and wellbeing, but that of every student and staff member at Kingswood. Any repeat of such behaviour will result in extreme sanctions.

Daniel was involved in an incident of inappropriate behaviour along with the other seven boys from his dormitory, though this is alleged to have been the result of a prank by fellow students. No proof was available but no official punishment was given.

Headmaster's Overview

Headmaster - Mr. Trystan Everett

Student - Daniel 'Danny' Davies

While many students can go their whole time at the school without their name coming across my desk, Danny's has become a semi-regular feature this year!

While some of these incidents have been behavioural matters which Mr. Reeves has addressed in his section, Danny came to my attention primarily due to his heroic and admirable actions in supporting a classmate in crisis. He came to my attention again as a follow-on to this by spearheading a project that not only honoured his friend and tackled his own issues in a very mature way, but has helped make the school a better place through the re-invention of the school's roof terrace into a peace garden.

For better or worse, I expect I will be seeing much more of Danny throughout his time at Kingswood, but misbehaviour aside, he has truly done himself proud this year. His grades have not been exceptional, but have maintained a consistently acceptable level across the board with some high points such as Maths and PE. With hopefully a little less disruption next year, Danny's grades will be able to improve.

Mentor's Comments

Mentor - Joseph Hunter, Year 10

Student - Daniel 'Danny' Davies

Danny is a smart, friendly, kind-hearted boy and he was worked hard with me over the year to take in everything I have to teach him. He has discovered a lot about himself, both through self-exploration and from the time he has spent with myself and the other students.

He loves advancing his sexual education and appears to do so at a sensible pace. I think I've learned as much from him as he has from me, which is why we work well together and will hopefully continue to do so.

Student's Comments—Successes

Student - Daniel 'Danny' Davies

What has gone well?

What have you achieved?

What are you proud of?

I got good grades in a couple of subjects and took part in lots of clubs. I have been the Year 7 goalkeeper for most of the year which I really like. Swimming club was always fun too as I get to do it with a lot of my friends. I also enjoyed Drama Club and think I've got loads better at acting since the start of the year.

I didn't really think so at first, but now I'm starting to feel proud of helping my friend when he was in trouble. It has made me feel a bit sad sometimes when I remember it, but then I think about how glad I am he is okay now and that makes me happy.

I am really proud of the Peace Garden as it was my idea to fix it up and the work everyone did was amazing. I like that there is something there for everyone to enjoy so that some good came from the bad stuff that happened.

I also got second place in the Halloween Costume contest and helped my friends win second place in the music competition.

I also feel like I learned a lot from my mentor. He has given me help and advice all year and I think it was his advice that let me make friends with the others in my dorm so well.

Student's Comments—Areas to Improve

Student - Daniel 'Danny' Davies

What could have gone better?

What do you wish to achieve next year?

What are your goals?

I would like to improve most of my grades. I didn't get any 5 stars but I would like to next year, but I would like all of them to get a bit better. I feel like I have done well at Kingswood at everything except the actual lessons so that is what I should work on next year.

I would like to avoid getting any more punishments so I either need to stop misbehaving or get better at not getting caught!

I would also like to make more friends outside of my dorm as there are boys I have classes with every day that I do not really know and it makes me think they could be more awesome friends waiting to happen!
