

# The mischievous Bimbo Genie

*Hello everyone. This is me...Cole. I am sure that you do not know me...nobody does, because I am the local egg head...or in short nerd, here on the campus. There are a few like me, but I am the top egg head. My life was...as most nerds can tell you...mostly normal until this day.*

*Oh, by the way: This is me... a regular day here on campus it is really quite boring for me so i often spend the time solving riddles or doing other intelligence testing activities...*

*But there are always things I do not see coming...and if I did I would be far to weak to block it...*

Is my homework done, Egghead?

Ughhhh!

# The mischievous Bimbo Genie

That is how very intelligent, but socially isolated computer fans, or should i say: Nerds...Some one like me got treated every day...

I'm sure you don't want me to fall through the school year, right?

Tom... \*sigh\*

So as usual. Put my homework into my mailbox. And if I'm not at home, don't ring the bell...

teehee... oh yea like totally... we will have sooo much fun.

Cassy here and I want to have some privacy.

Tom-boy... name is Tina...not Cassy. \*giggle\*

Tina, eh? Who cares... Cassy was a good fuck like you.

...and of course those guys always got the hottest babes...and what do I get?

# The mischievous Bimbo Genie

...but all this will change very soon...but right now I did not realize how my future will be changed in this moment...

# The mischievous Bimbo Genie

But even nerds don't hesitate long when they see something that arouses their interest.

It is a bit rusty and dusty...but nothing I can't fix.

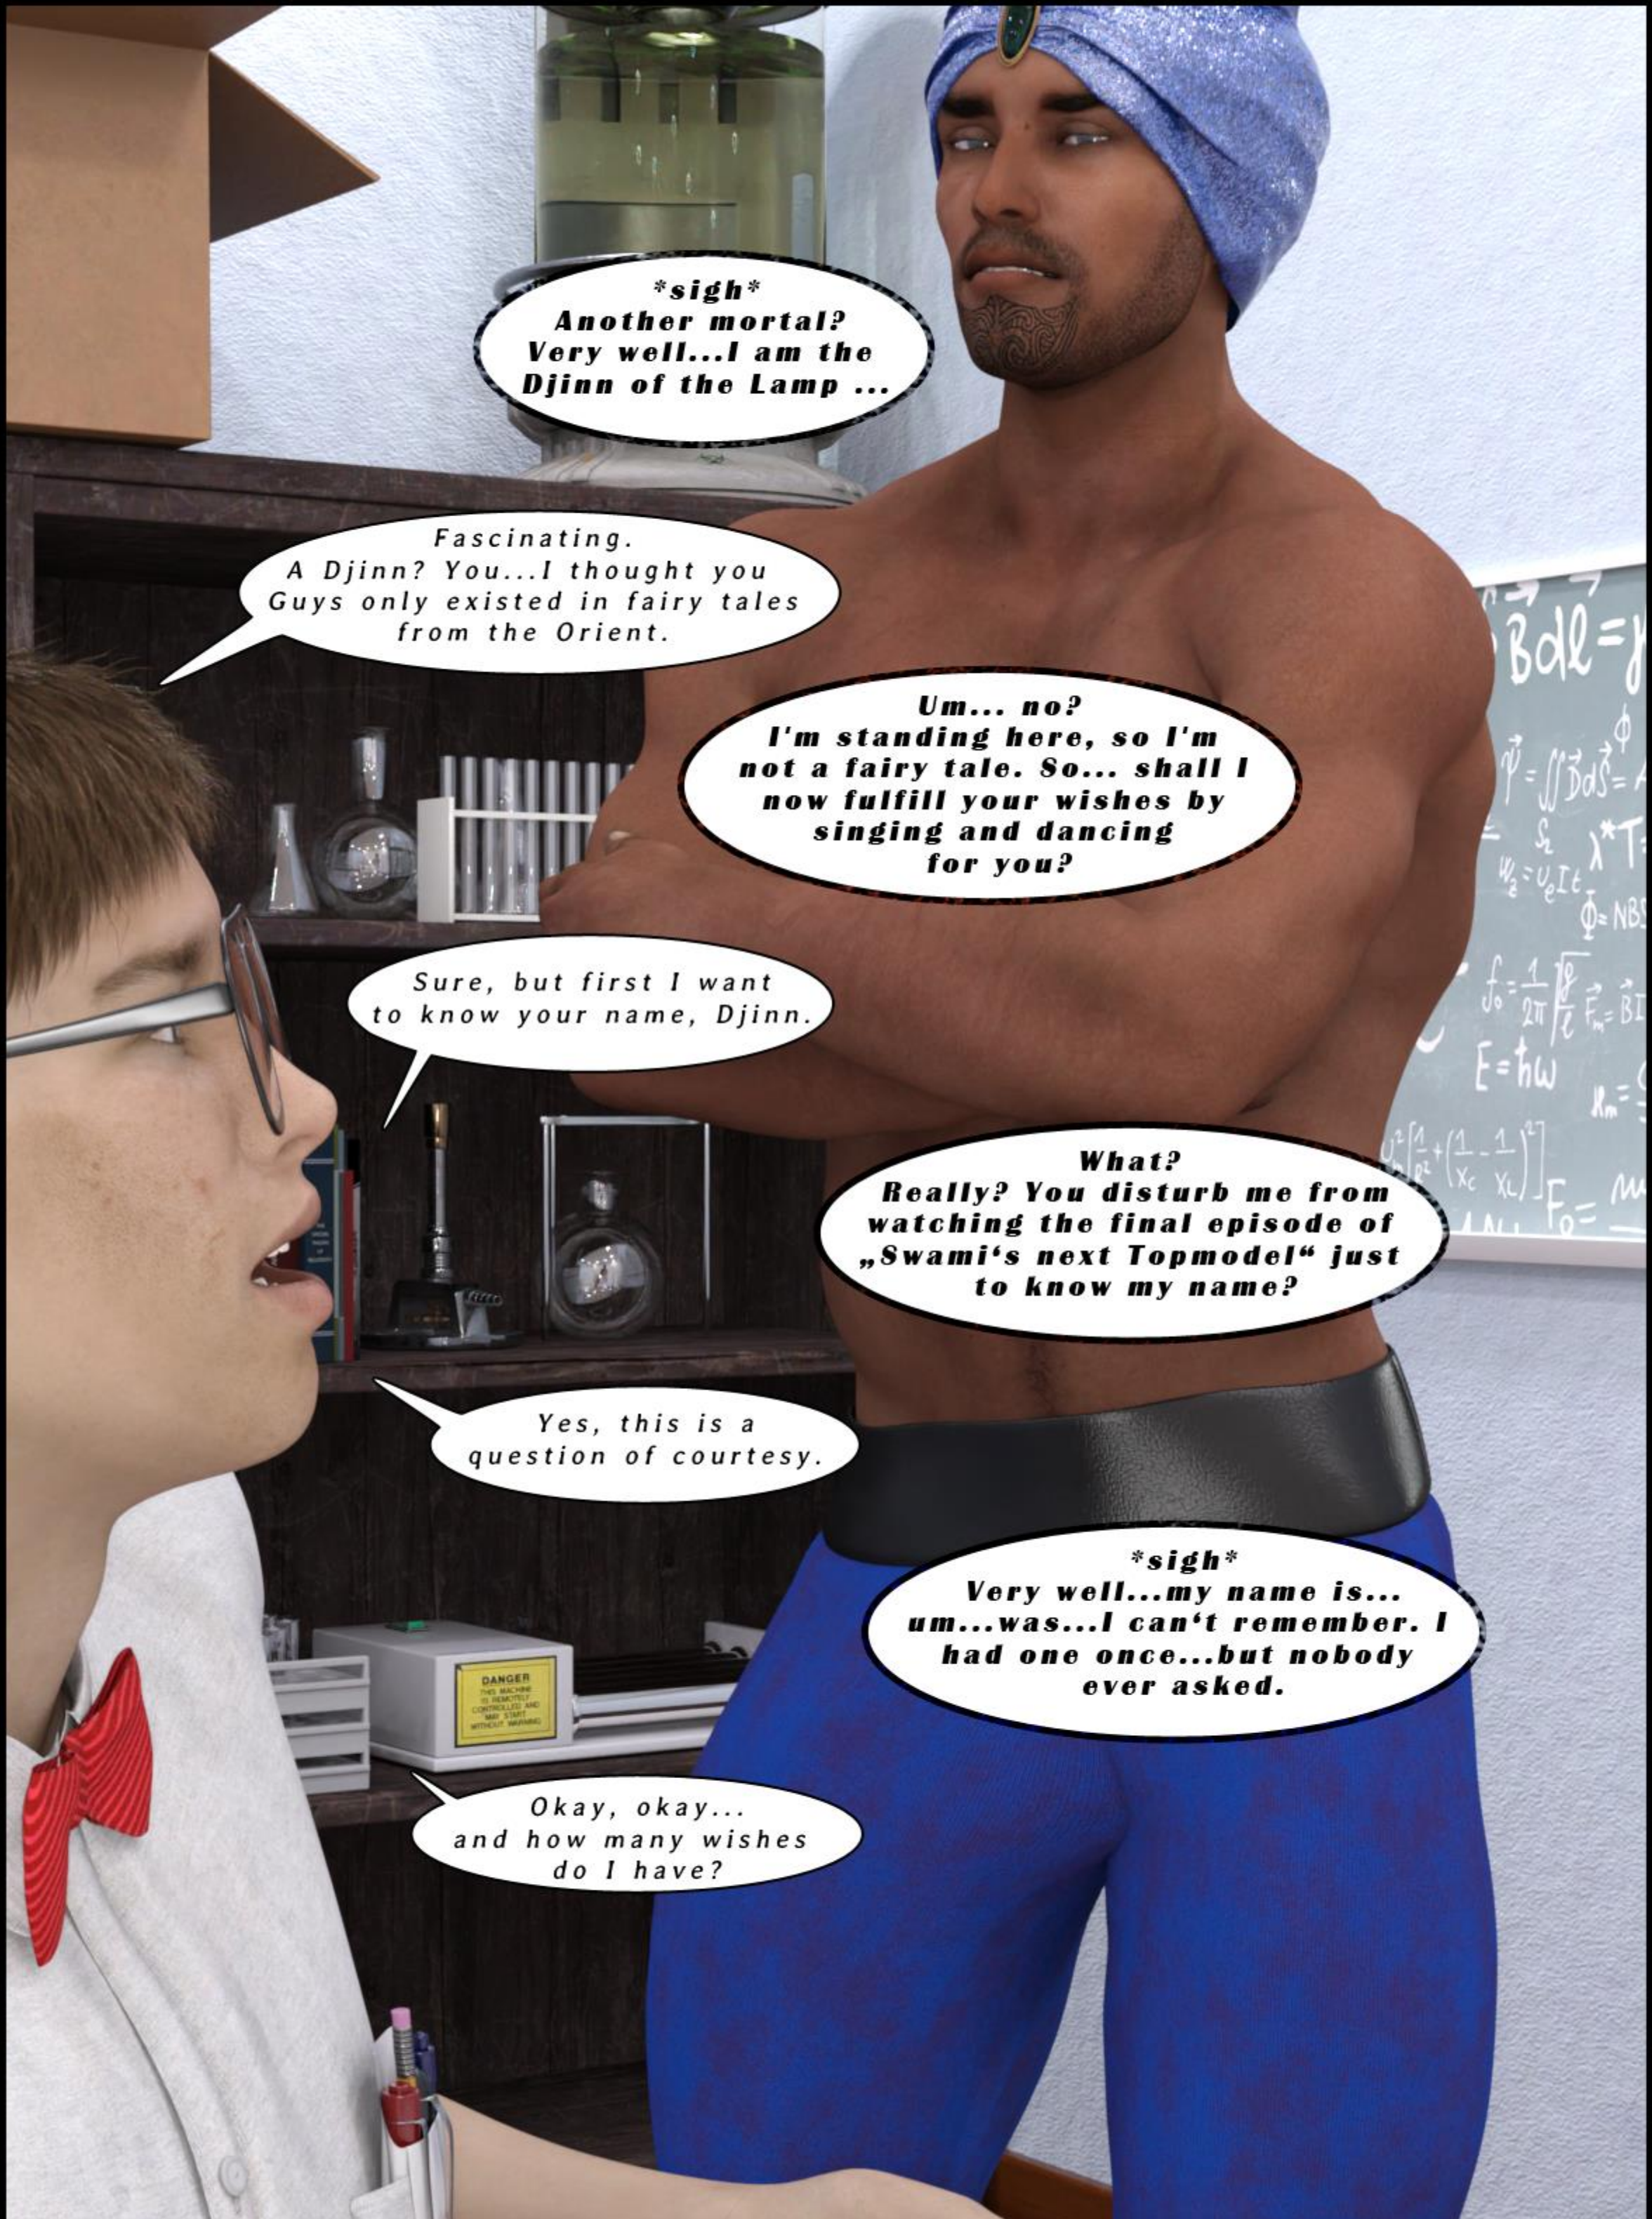

I didn't see any „Made in China“ stamps... I wonder how old this lamp may be?

And then, when an inexplicable phenomenon suddenly occurs, they look for logical answers...

What the? A chemical reaction? That...can't be! I used an biodegradable cleaning agent.

Even if the cause is often different.

# The mischievous Bimbo Genie

**\*sigh\***  
**Another mortal?**  
**Very well...I am the**  
**Djinn of the Lamp ...**

Fascinating.  
A Djinn? You...I thought you  
Guys only existed in fairy tales  
from the Orient.

**Um... no?**  
**I'm standing here, so I'm**  
**not a fairy tale. So... shall I**  
**now fulfill your wishes by**  
**singing and dancing**  
**for you?**

Sure, but first I want  
to know your name, Djinn.

**What?**  
**Really? You disturb me from**  
**watching the final episode of**  
**„Swami's next Topmodel“ just**  
**to know my name?**

Yes, this is a  
question of courtesy.

**\*sigh\***  
**Very well...my name is...**  
**um...was...I can't remember. I**  
**had one once...but nobody**  
**ever asked.**

Okay, okay...  
and how many wishes  
do I have?

# The mischievous Bimbo Genie

**Look Mortal,  
Normally, I fulfill three  
wishes and the contract is  
considered fulfilled.**

**But when I look around here,  
I suggest something to you. As long as  
your desires don't bore me, you die, or change  
world history, I'll grant you as  
many desires as you like.**

**If you fail  
I vanish. So...do we  
have a deal?**

The legends say that  
you can't trust a djinn. They  
like to twist the wishes.

I have to  
be careful how I formulate  
my wishes.

On the other hand...  
I could have my revenge...  
and some improvements.

Okay, Djinn...  
we have a deal.

# The mischievous Bimbo Genie

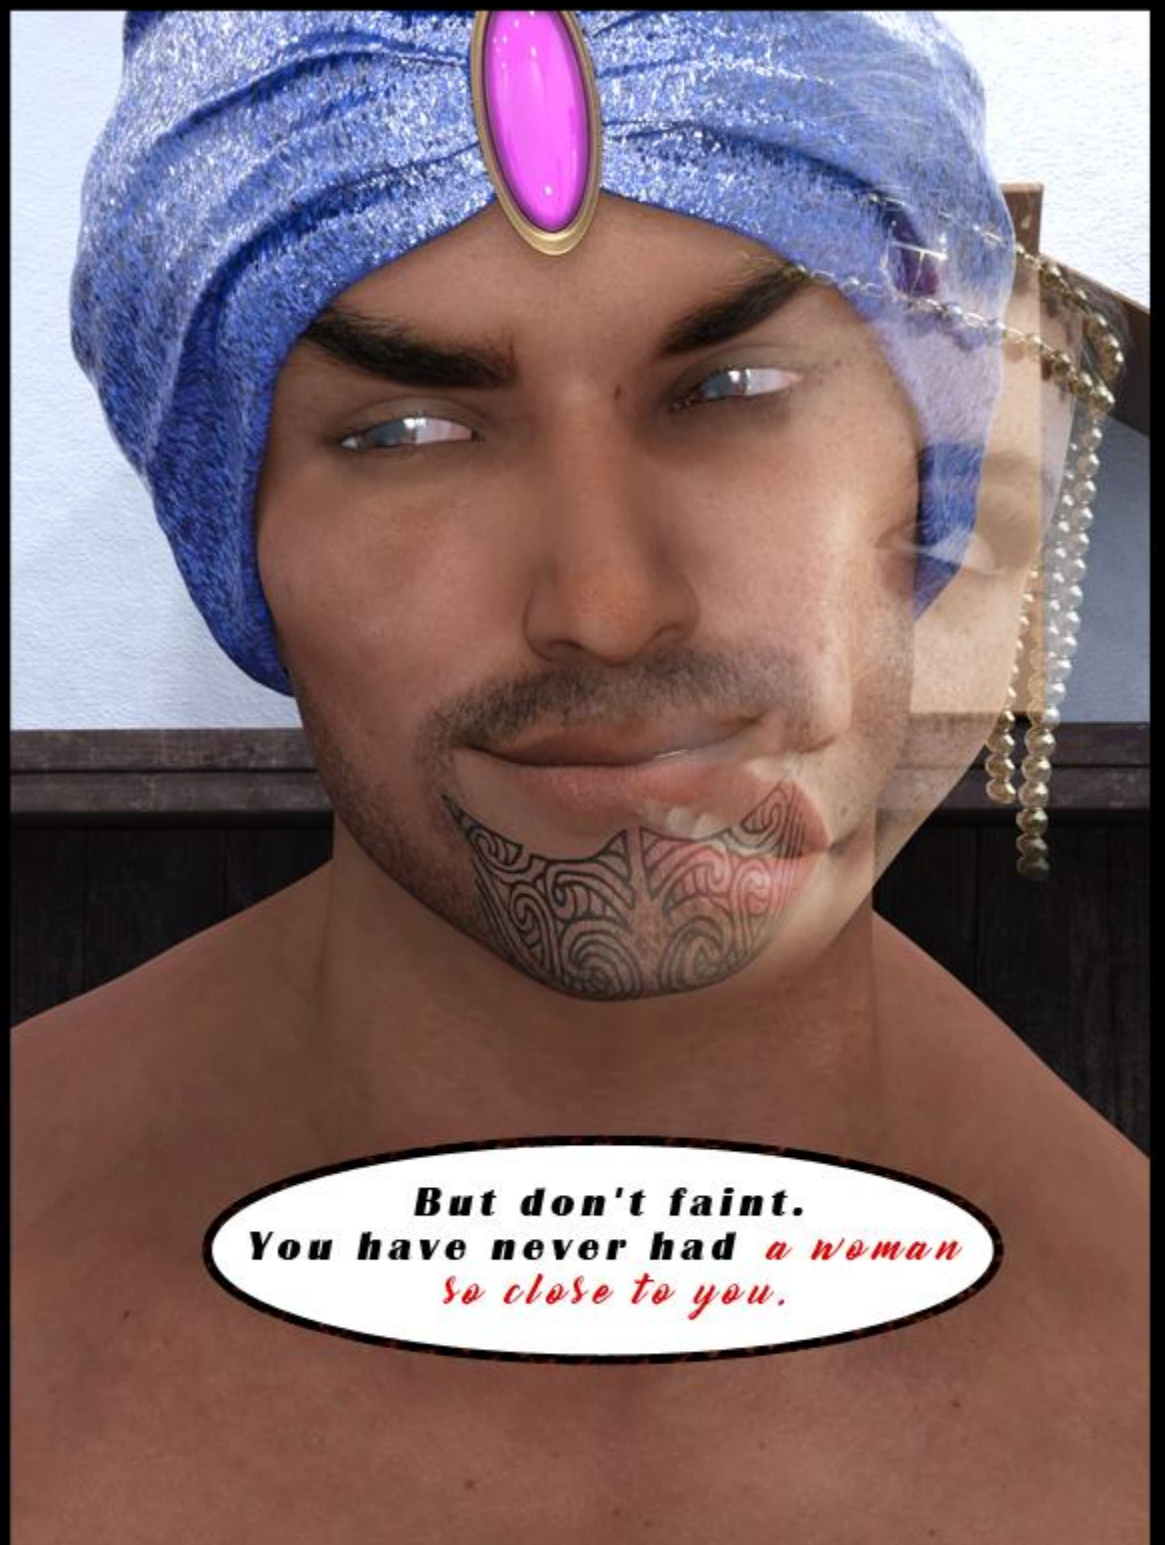

**You have interesting taste in woman, Mortal. I have never seen women with such big breasts.**

**Well...thank you Djinn. And I already know what my first wish will be.**

**I often feel inhibited to talk openly with men. So I wish that you were a woman who fits my taste and fullfil my wishes.**

**Interesting choice, Mortal. Granted!**

**But don't faint. You have never had a woman so close to you.**

# The mischievous Bimbo Genie

*Even for me  
it feels...fascinating you  
should know...*

*Female Breasts  
are not only for enjoyment...  
they are so important for humankind. But  
a college of mine put his personal home  
into one females breast...as his powers  
grew, her boobs grew too.*

*Ah yes...  
a tight pussy...waiting for  
more...but not for you mortal.  
You can only watch, but  
not touch.*

# The mischievous Bimbo Genie

*Wish done,  
Master...Do you have  
another wish?*

That  
was unexpected Djinn...  
but I think now with this look the  
name Jenny would suit  
you well.

Djinn in female  
would be Djinni...or for  
todays terms...Jenny.

*That is not a wish,  
but I accept the name...  
for now.*

# The mischievous Bimbo Genie

Damn!  
Holy gazongas,  
Batman!

*Stop! As  
I said before,  
Master...*

*Touch them...  
and I will grant you  
your own pair of huge,  
wobbly jugs!*

*And you can be sure  
that yours will be far bigger  
and heavier than my  
girls here.*

# The mischievous Bimbo Genie

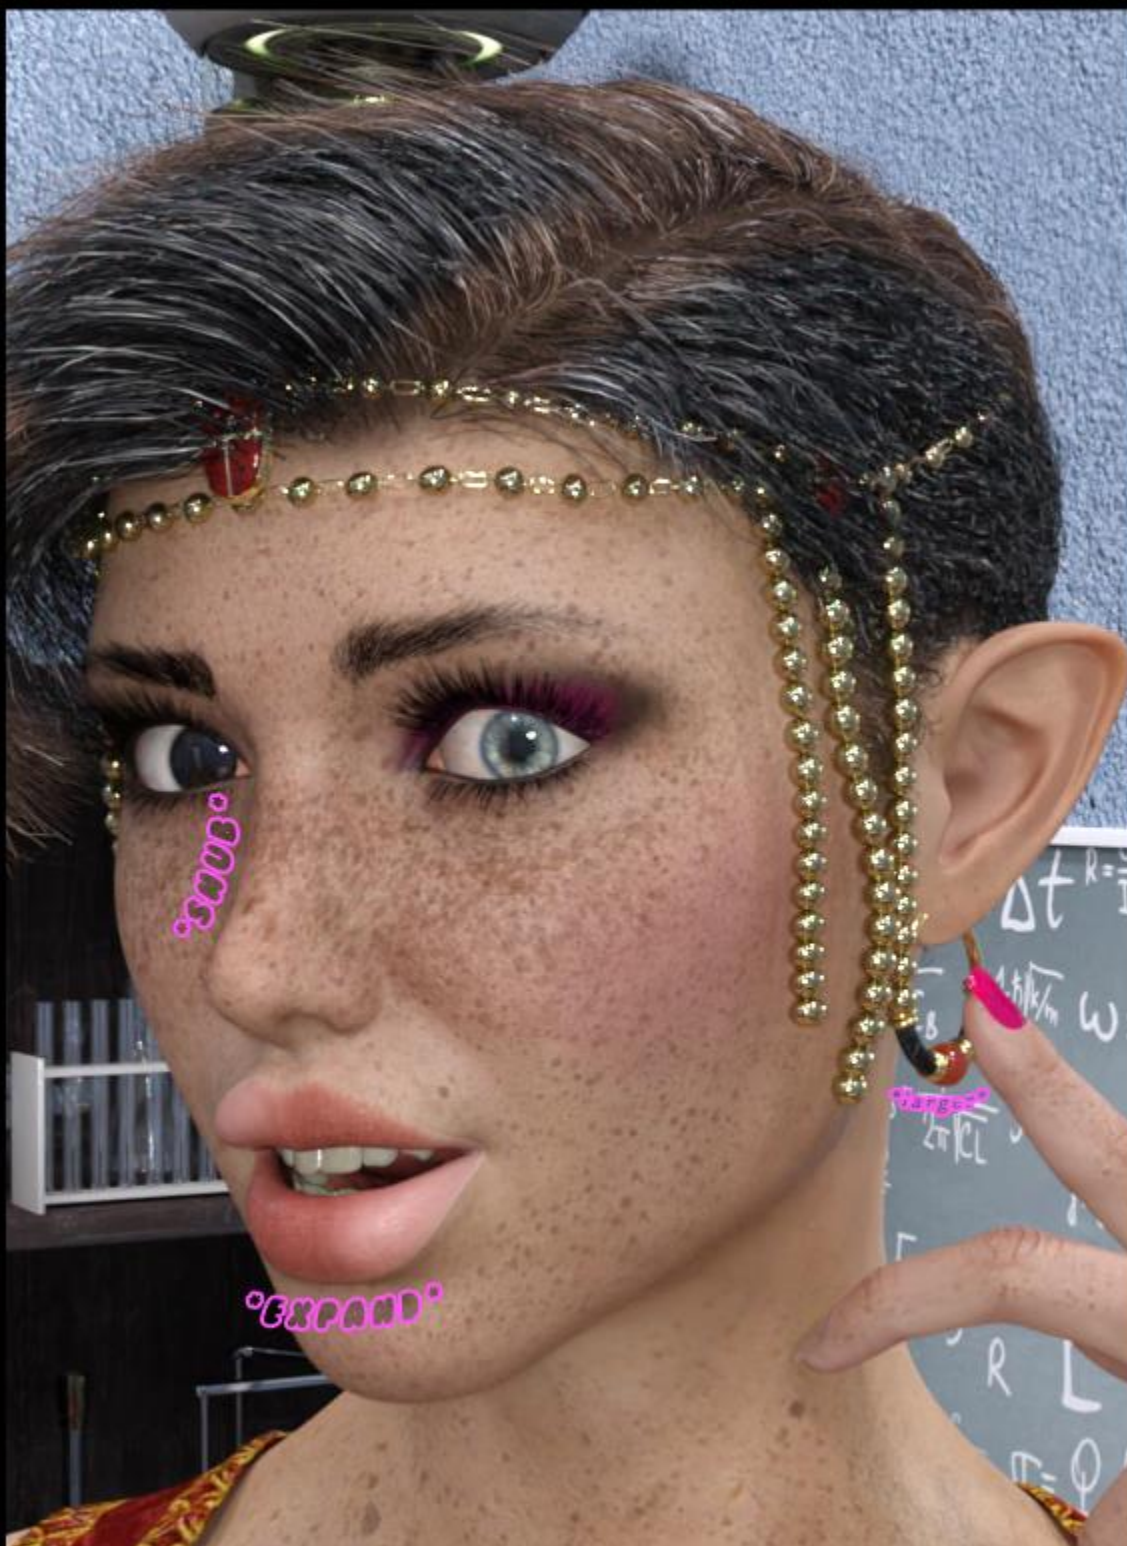

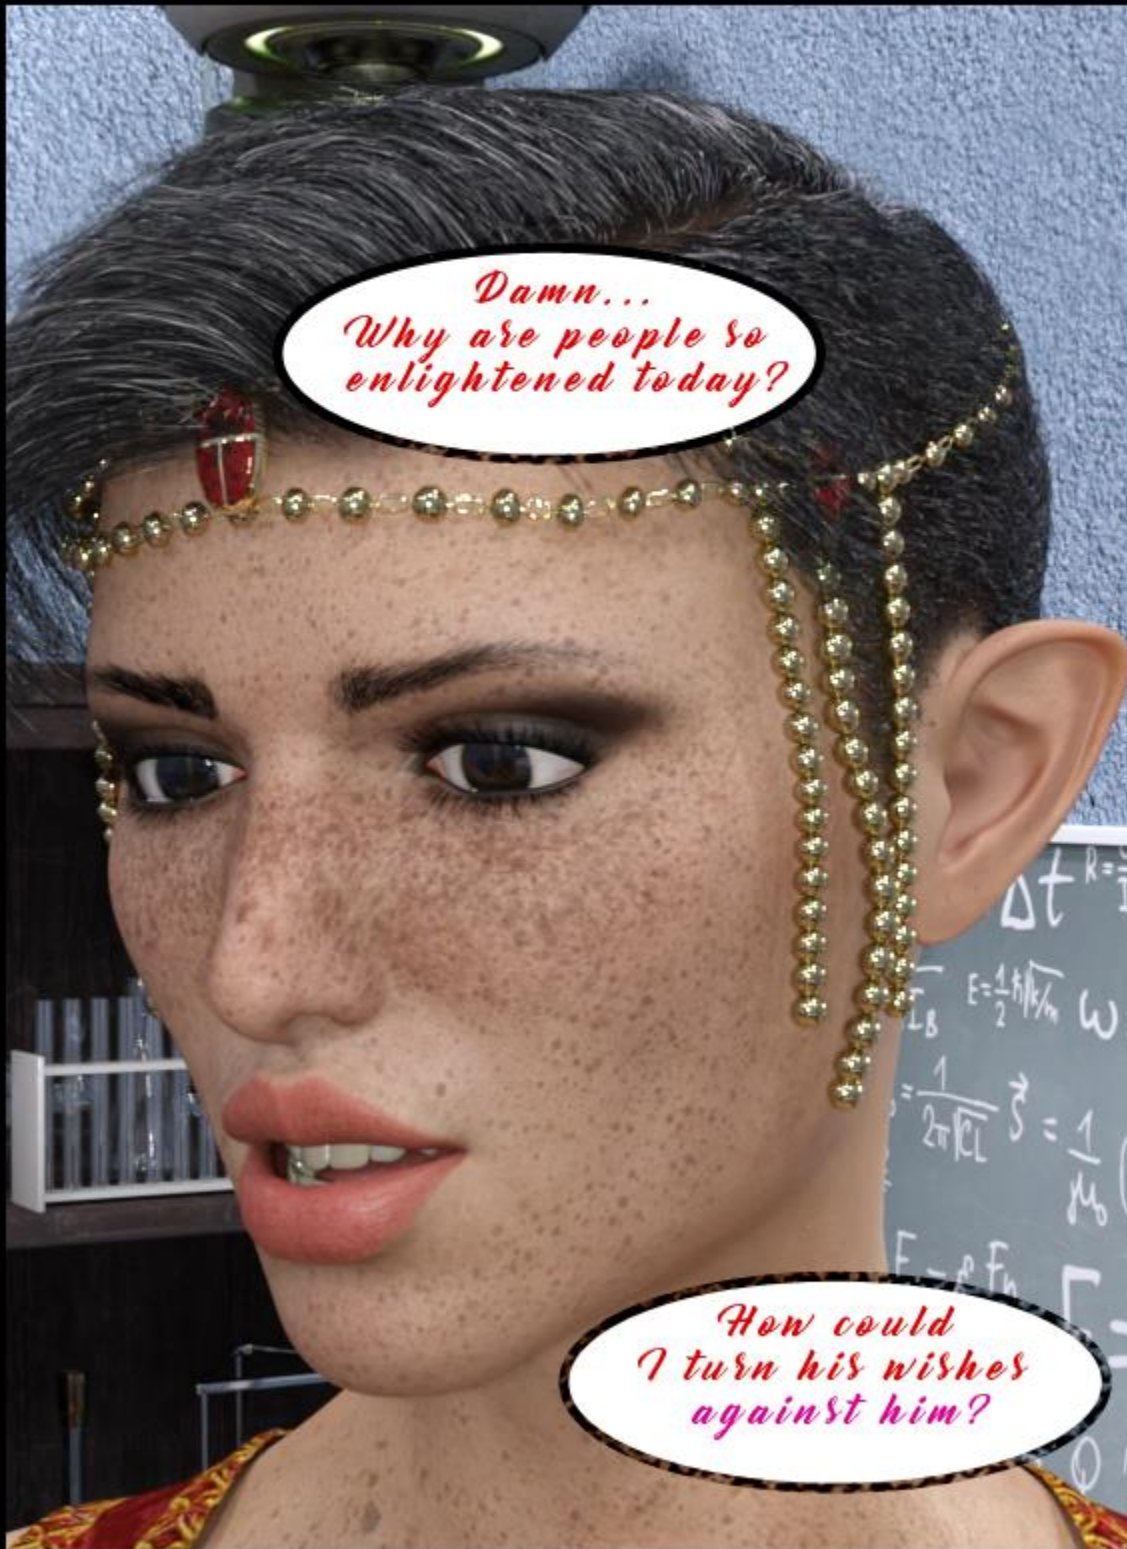

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

And while Jenny indulges in her thoughts, Cole sleeps the sleep of the righteous. And finally, the next morning... begins with entering the school, the usual routine.

Hey look...  
there's our homework  
coming to us...

Listen Clyde!  
Come over here before we  
come to you...where is our  
homework you did  
for us?

Tom, he is called  
Cole...not Clyde.

I don't care  
what this clown's name is, Josh.  
He is an egghead. Nobody  
cares about that piece  
of shit.

# The mischievous Bimbo Genie

*Master, these people seek to harm you for their pleasure, how about we change that?*

Good idea, Jenny. Let's start with my old childhood friend Dick...he betrayed my friendship years ago.

I wish that he would turn into a strongly cum addicted Girl, that every time, she drinks cum become more and more a Cumslut Bimbo, with huge tits, wide hips... the whole package.

Oh, is he ignoring us?

*Granted, Master.*

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

I think I must have eaten something bad guys!

Dick...you run like a Girl!?

Yo, man, is it just me or does his shirt looks larger...I mean then usual...

These are...argh... stomach cramps! I'll... urk...see...

...you later. I need to get to a toilet now!

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

Hole shit! Damn!  
My body! After all those hours of exercising  
to lose weight and gain muscles it's  
finally paying off...

Though why am I getting  
a boner in this situation?

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

Thank god... my  
penis is still there...

But it feels smaller...  
is it sh-shrinking?

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

Damn! I look cute...so damn cute!

I'm a cute fucking Girl!!!

You sure do look like a Girl to me...and you are also standing naked in the boys toilet.

WHAT THE!

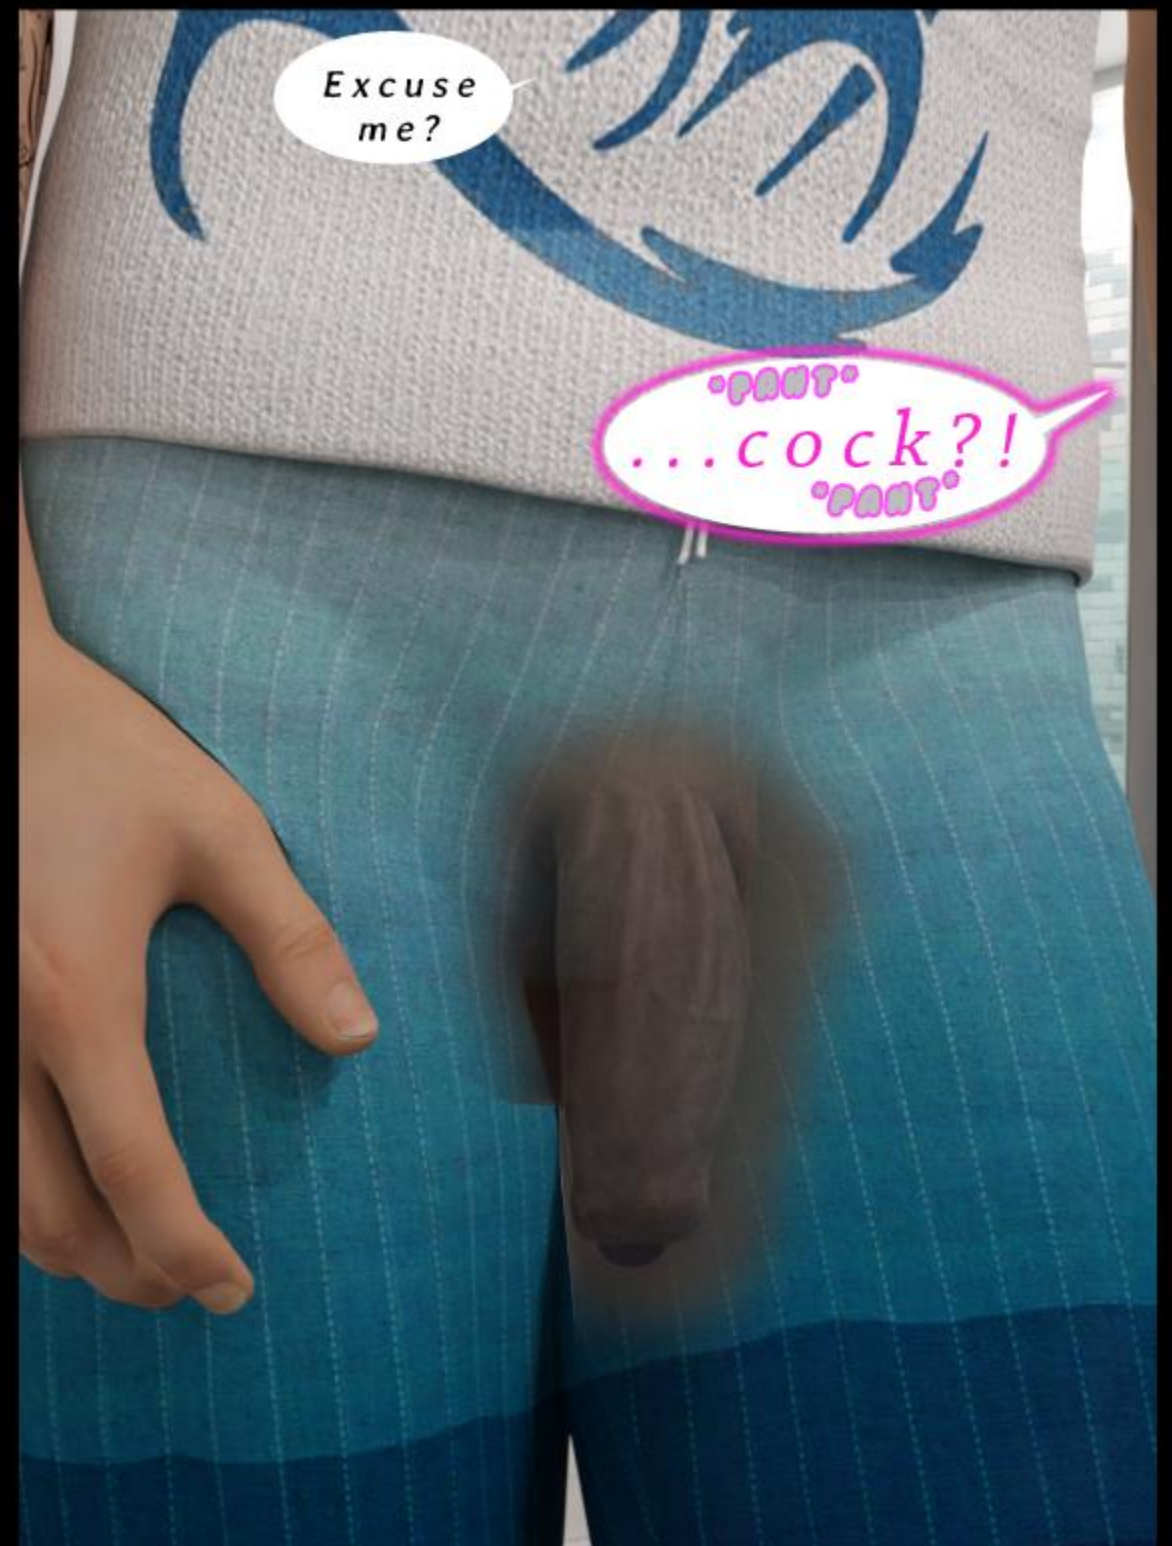

Oh, Damien...  
it's y...

You know my name?  
But...I can't say I remember  
yours. But there is a slight  
similarity to a guy  
I know...Dick.

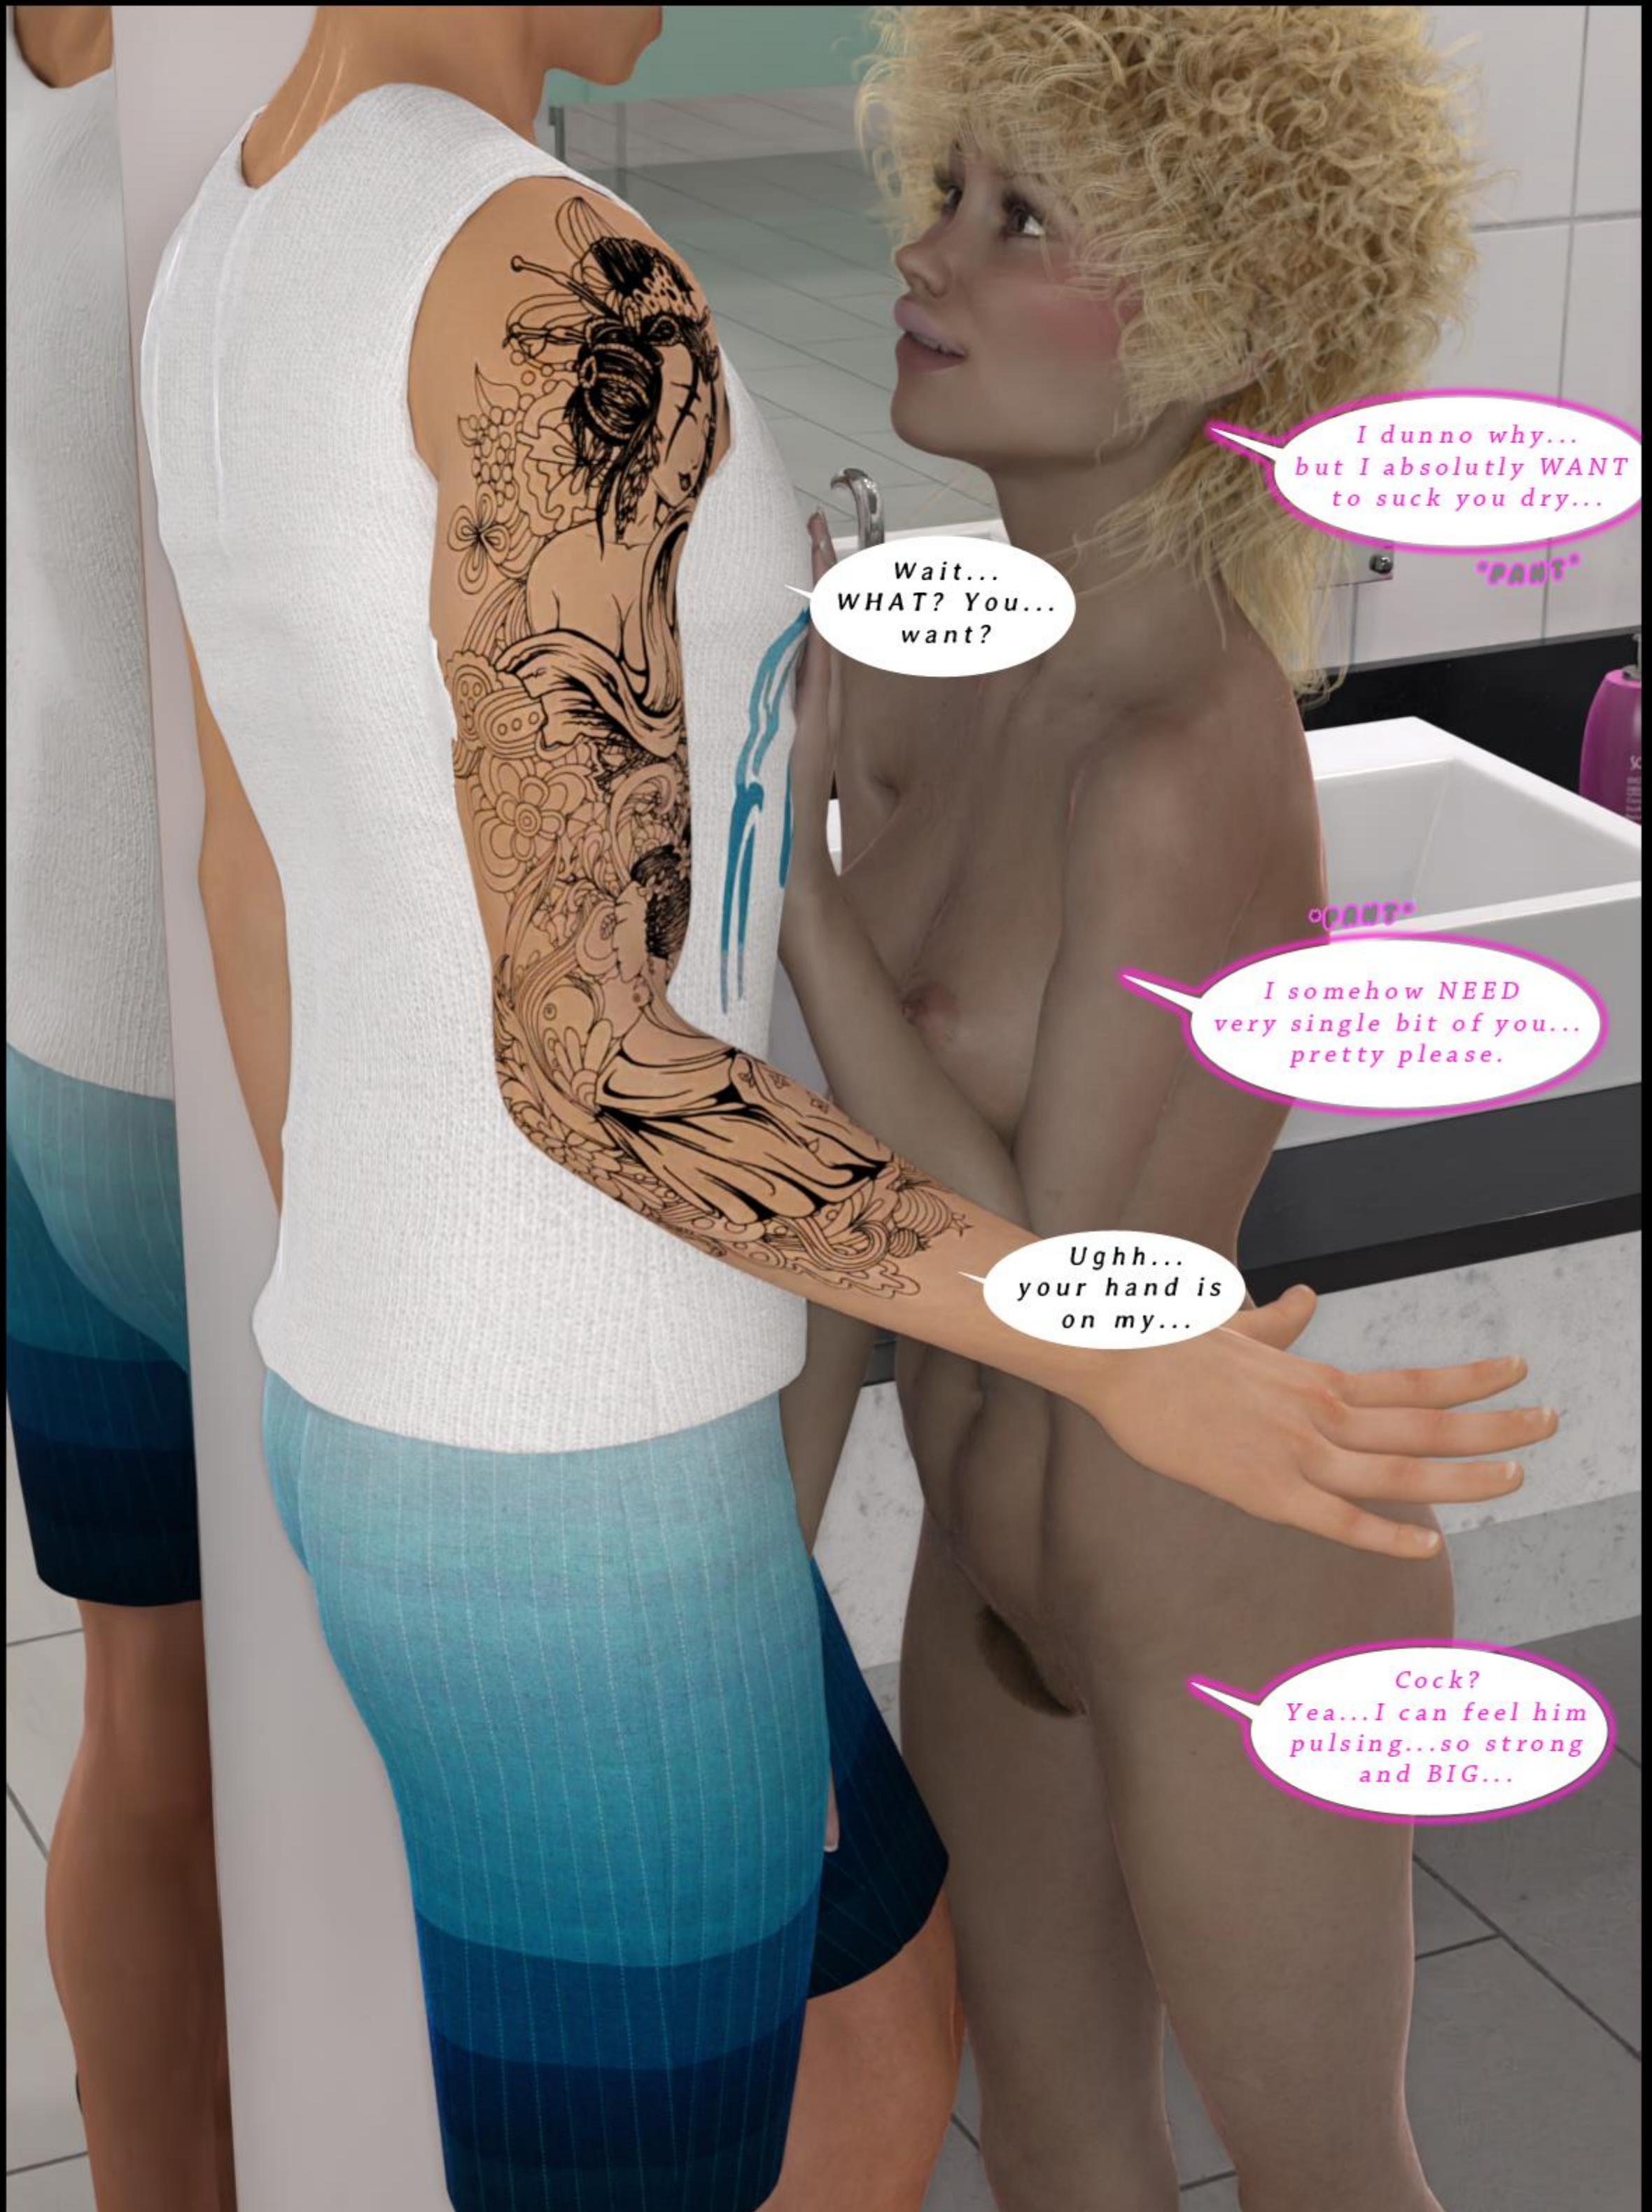

eeEEEEK!

Do you know him?  
Is he here? Did  
he bully you? Is that  
why you are naked?

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

I dunno why...  
but I absolutly WANT  
to suck you dry...

\*PANT\*

Wait...  
WHAT? You...  
want?

\*CANT\*

I somehow NEED  
very single bit of you...  
pretty please.

Ughh...  
your hand is  
on my...

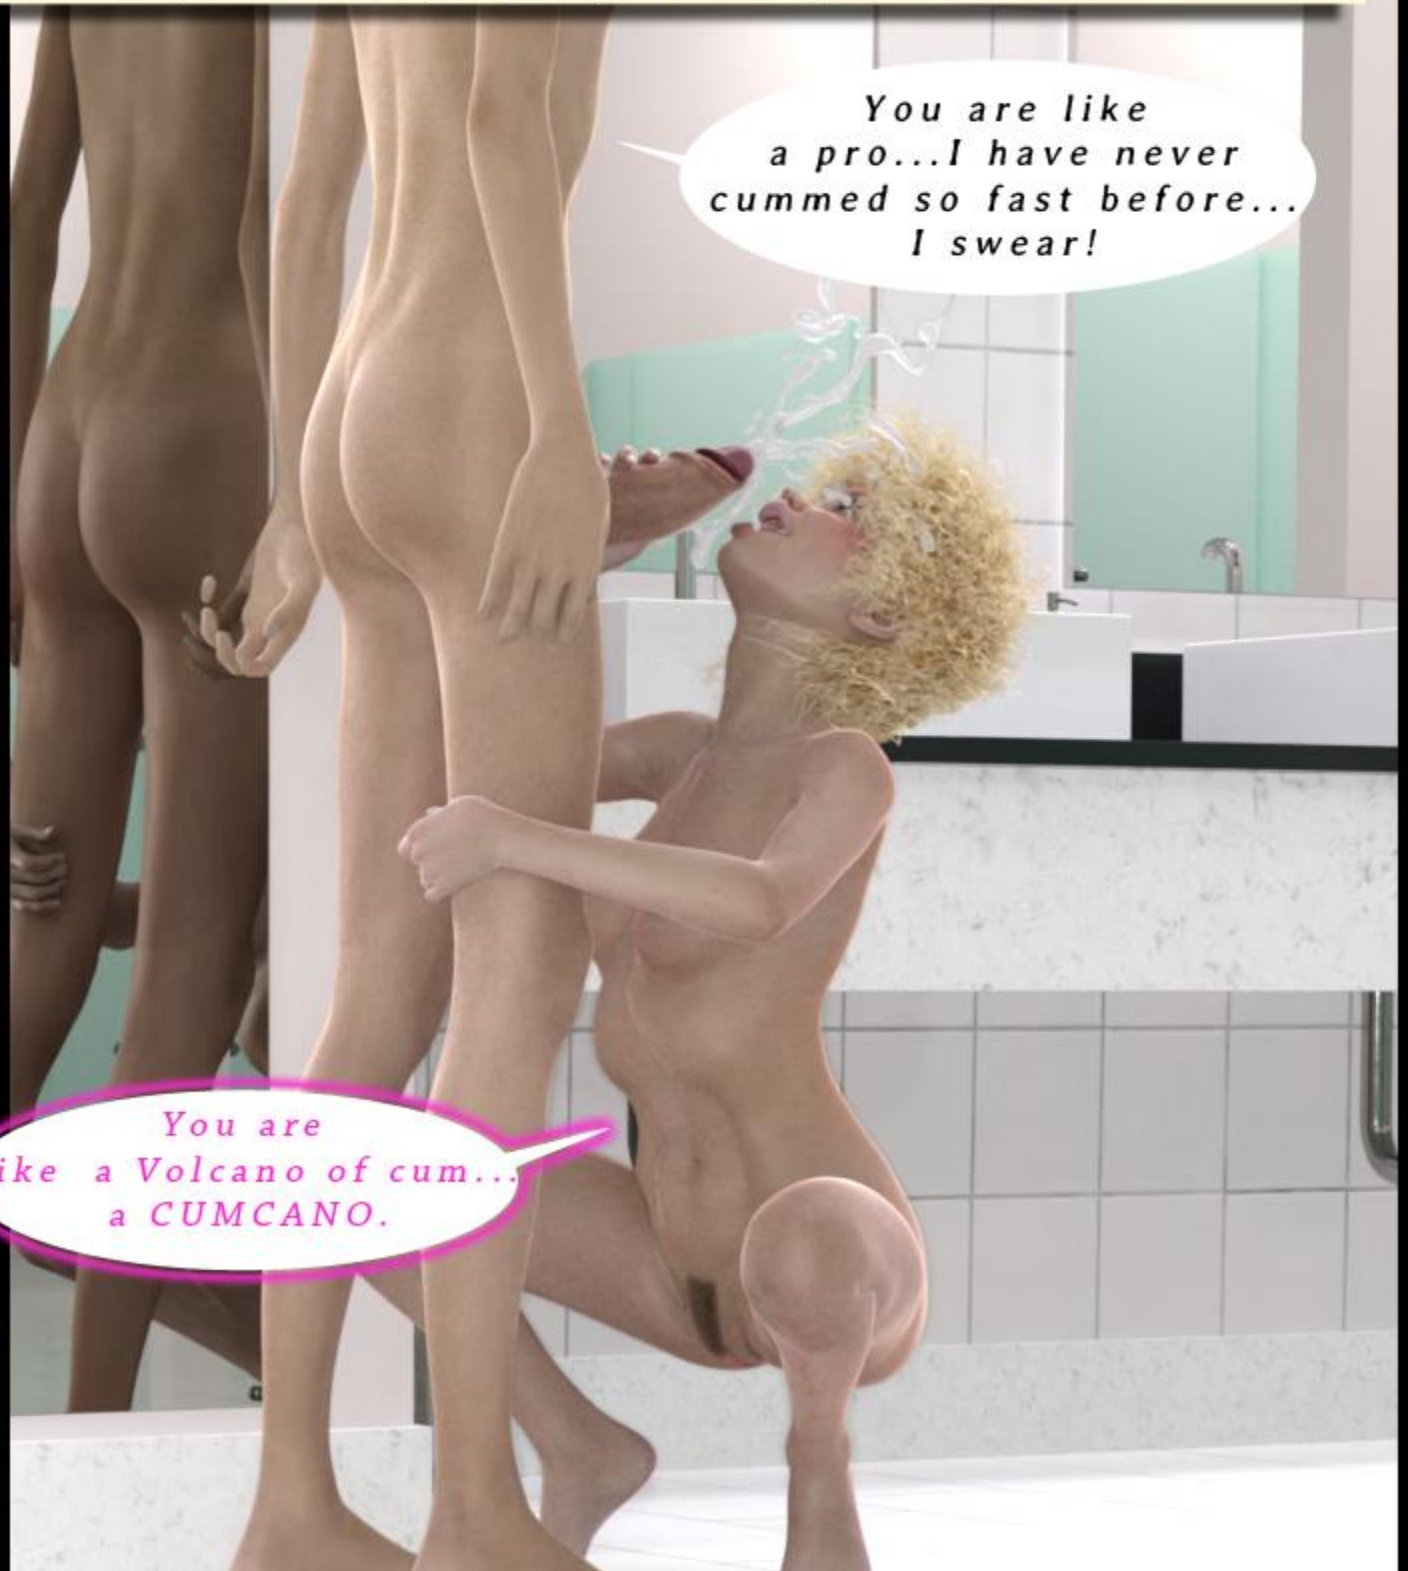

Cock?  
Yea...I can feel him  
pulsing...so strong  
and BIG...

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

Dick's, or rather be now Ricky, can't explain her transformation into a woman...but that doesn't change the fact that her desire for Spunk is rapidly skyrocketing.

Which in turn causes changes to your body as soon as it comes into contact with the liquid.

# The mischievous Bimbo Genie

And while her growing blonde hair frames her uplifting face, her thinking ability is declining alongside her intelligence, which will lead her into becoming the new Cumslut Bimbo Cole wished for...

Give me a moment  
Girl...I am exhausted.

*\*pout\**  
THAT was it? Awww,  
come on...

*\*giggle\**  
Look...there is still  
like some yummy spunk  
coming!

# The mischievous Bimbo Genie

Dude, look at  
this bitch. Move aside  
it's my turn now.

Have fun, Pal.  
She blows like a pro It's  
Unbelievable!

# The mischievous Bimbo Genie

Meanwhile, Cole sits in the subject of sexual Ed and does what he does best... discuss.

Mr. Plast, your theory of Sexual education is outdated and just plain stupid. You say it's God's will, I say it's humbug.

LGBTQ Enlightenment is needed and you say it should be forbidden because, a not existent God created Male and Female?

Where are your arguments? Where are the facts? All you have is your old book... the oldest porn ever.

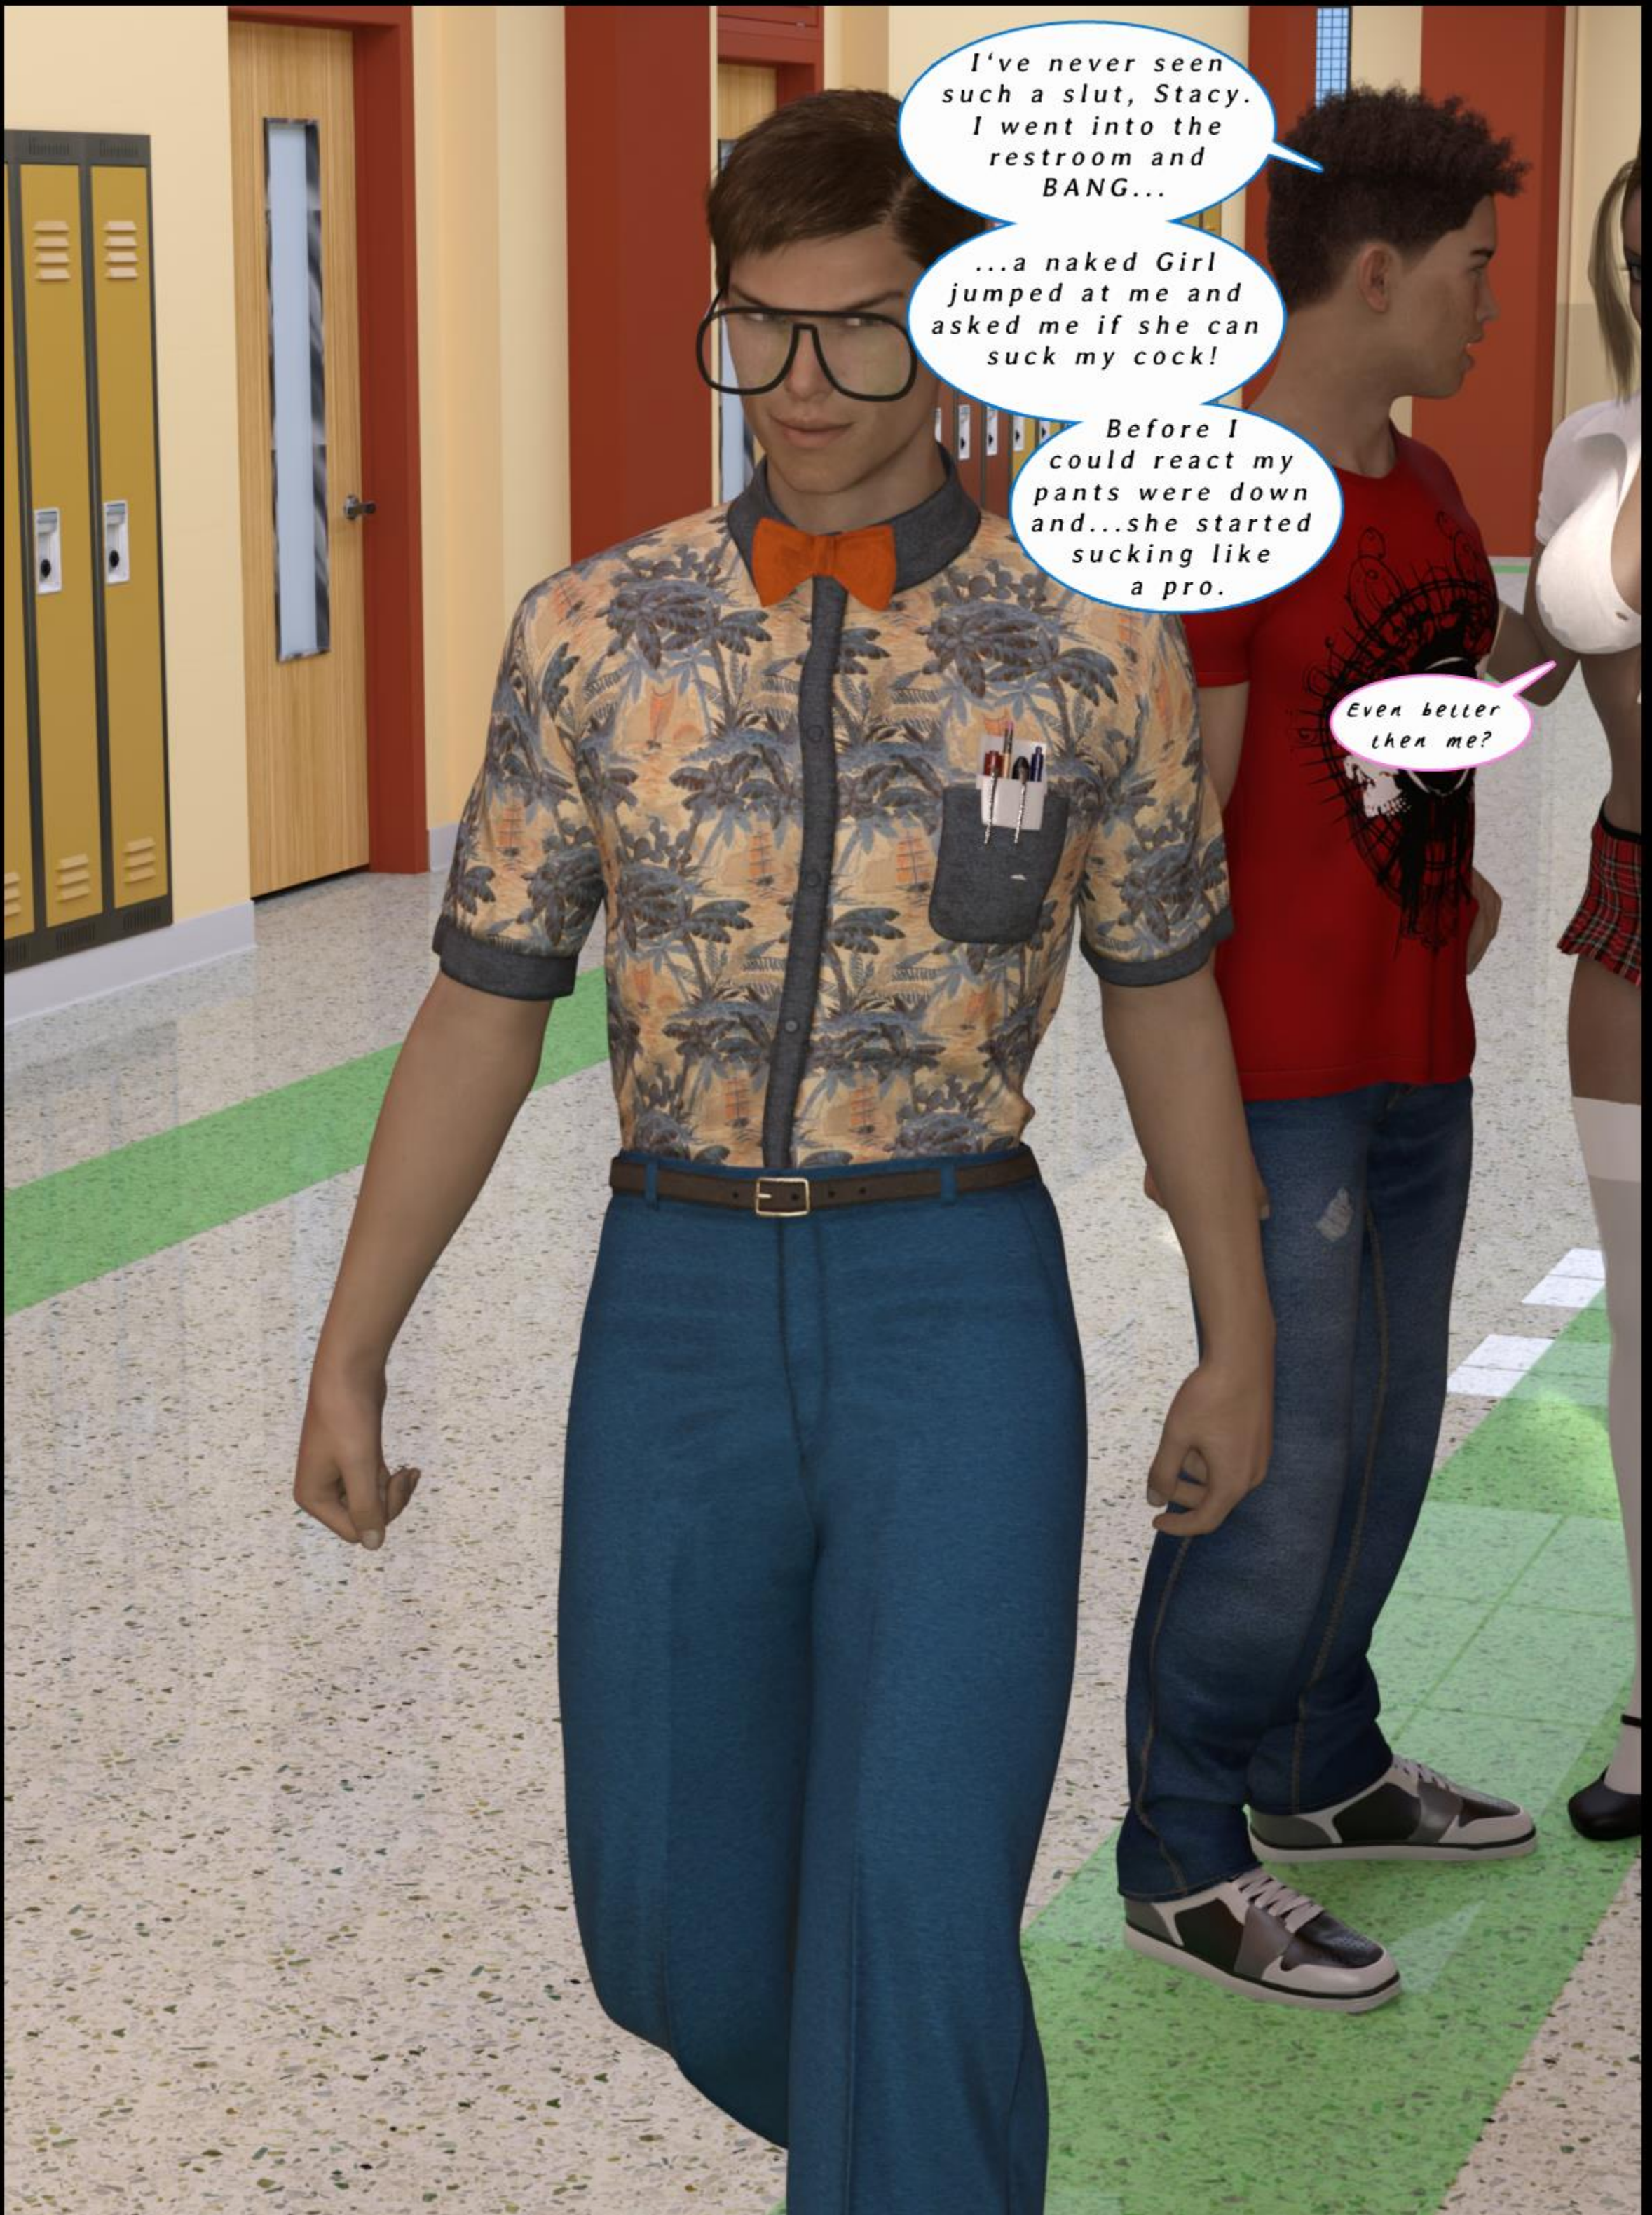

What is „SIN“?  
For me it is a Sin to add a 2 where only 0 and 1 exist.

Oh, but we can discuss this later. I need to visit the restroom.

*Master...you should go to the restroom. There is a surprise waiting in there.*

# The mischievous Bimbo Genie

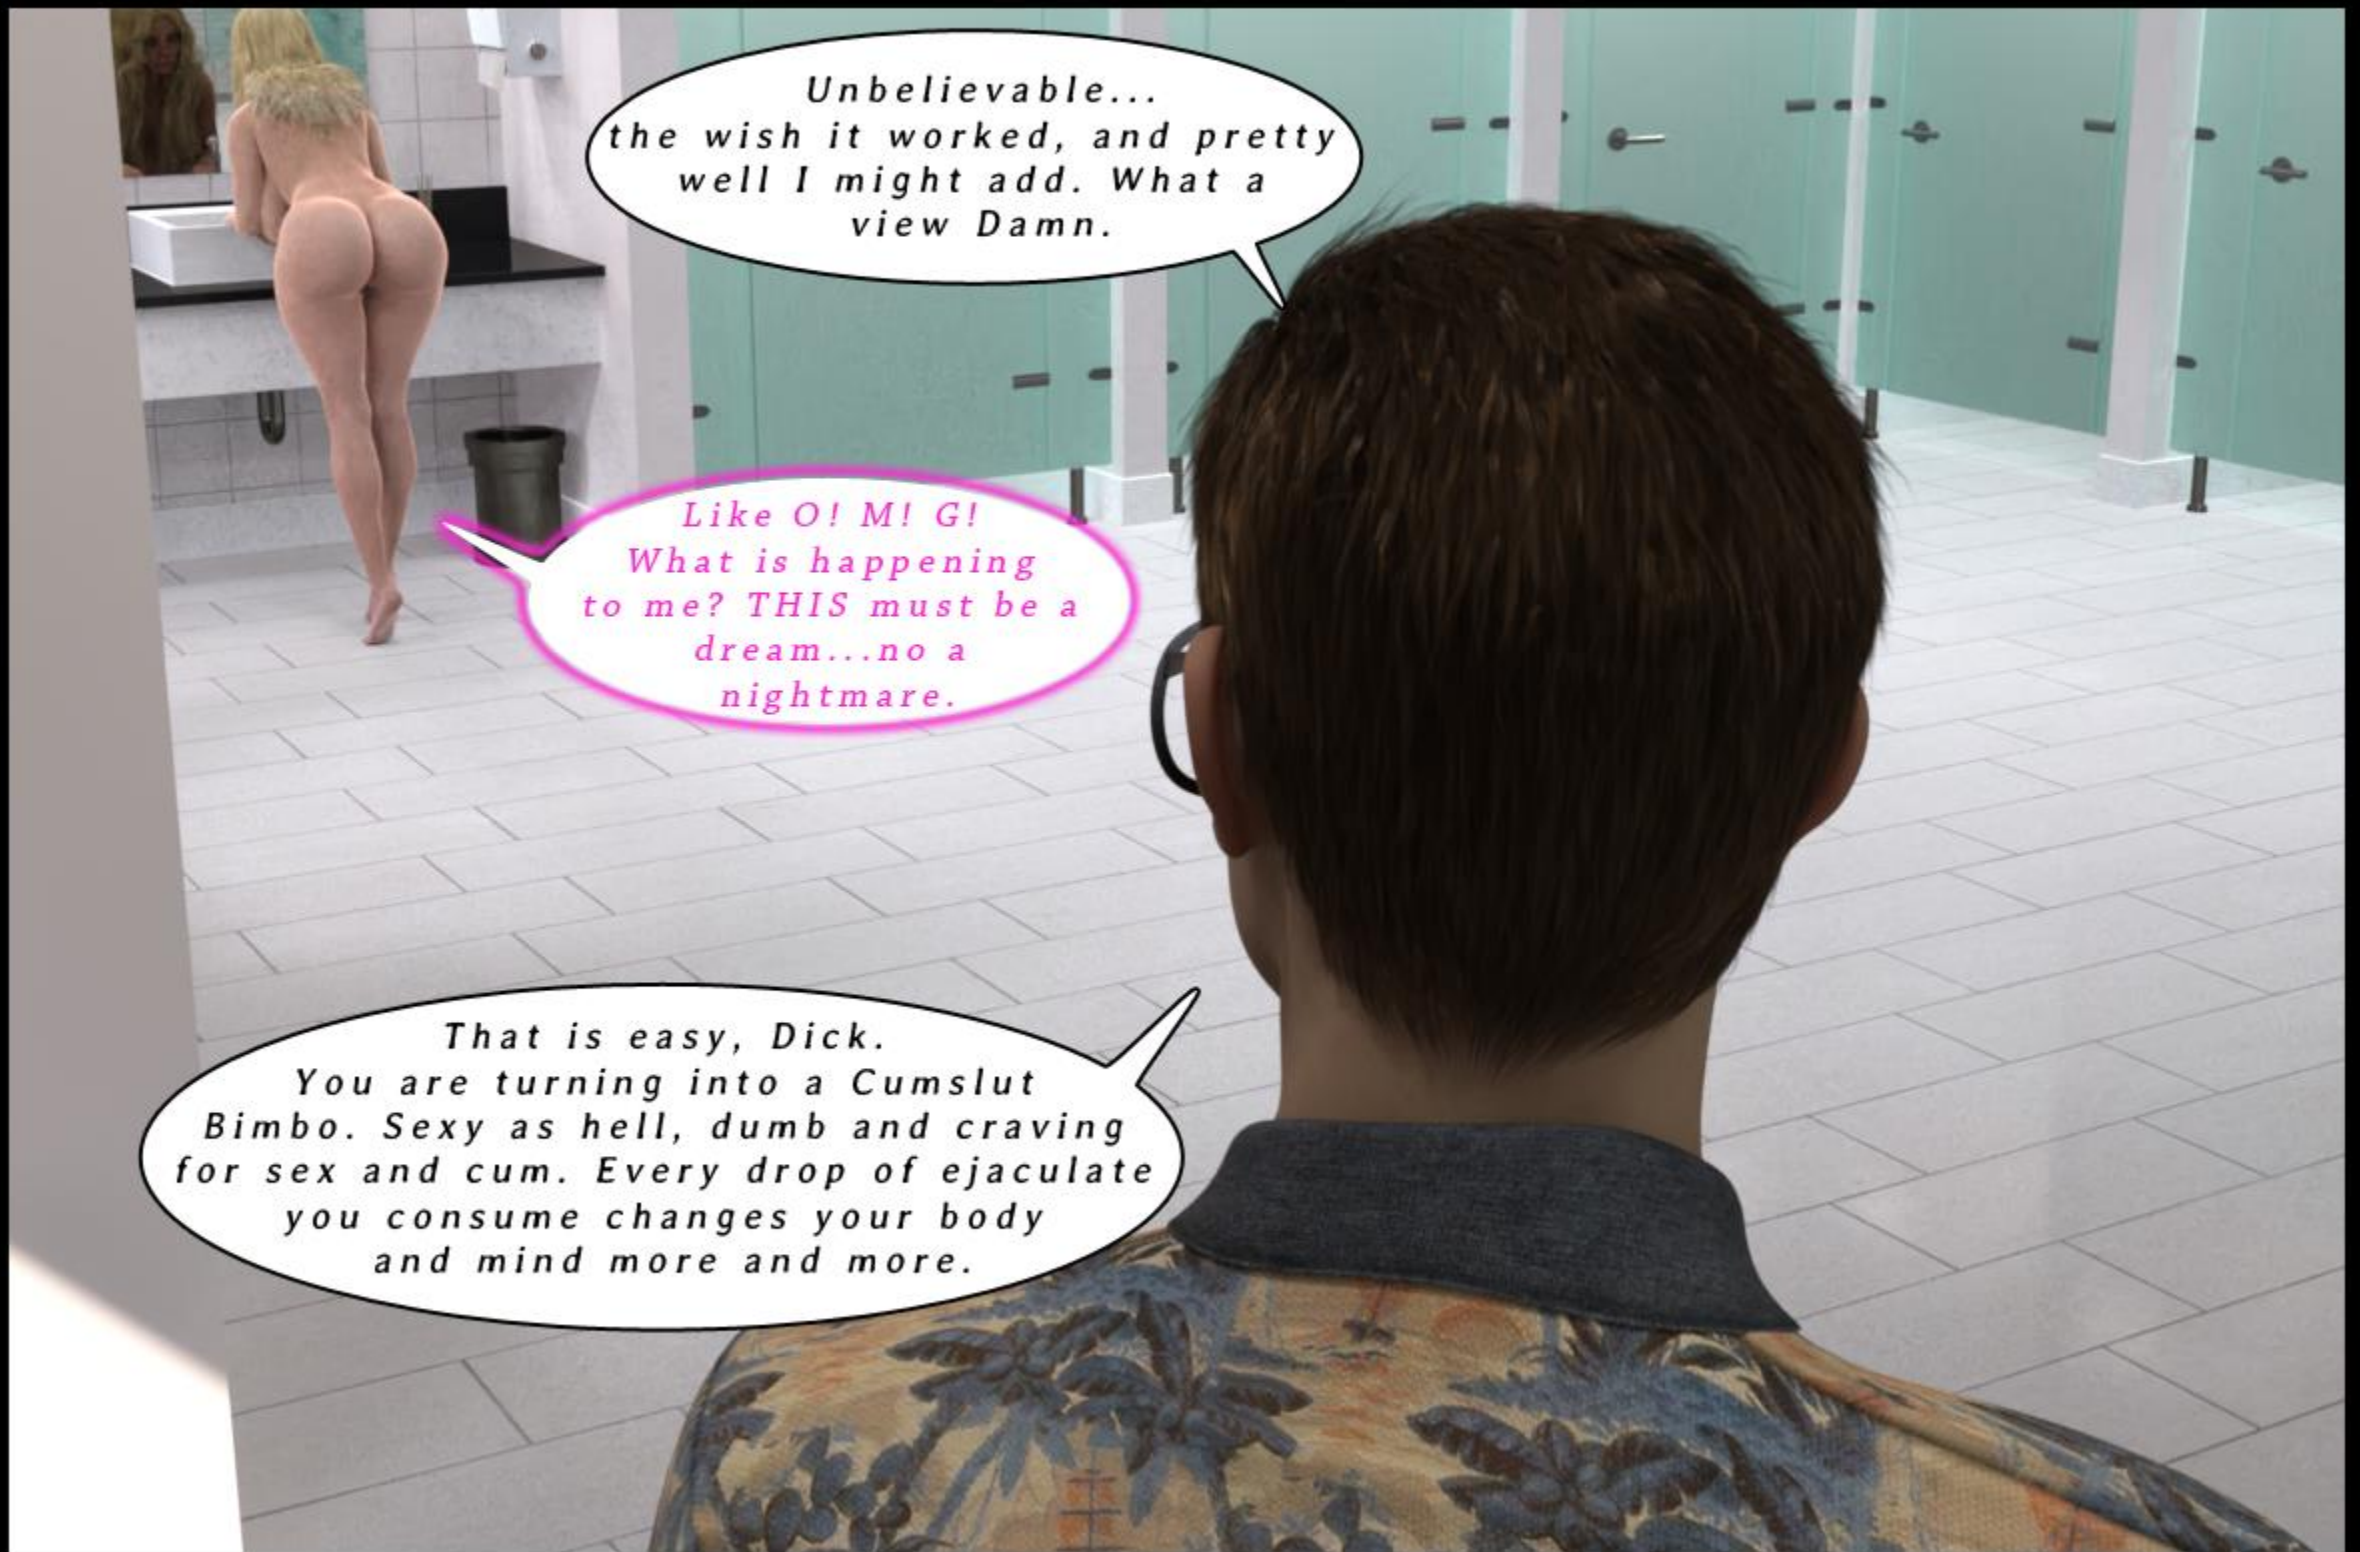

I've never seen such a slut, Stacy. I went into the restroom and BANG...

...a naked Girl jumped at me and asked me if she can suck my cock!

Before I could react my pants were down and...she started sucking like a pro.

Even better than me?

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

Because I wished that this would happen, Dick. And believe me. This is just the beginning for your journey as Cumslut Bimbo.

I will slap you so hard for this!

What the...

Am I shrinking?  
What da fuck?

Oh...it seems that the cum in your stomach counts too. Interesting.

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

*\*pout\**  
Are u like serious, Cole?  
*\*giggle\** even my old cawck  
was waaaay bigger.

*Wow...even  
Genghis Khan had a  
larger one...*

*She is not wrong,  
master. With this size and  
your lousy popularity....*

*...why don't you  
wish to become a popular girl? All  
your problems would be solved.*

You're  
trying again Jenny?  
Okay...

I wish that  
my cock be the length and shape  
that most women here in the  
college would wish....

*But...who  
cares...cawck is cawck,  
no matter how tiny.*

# The mischievous Bimbo Genie

*Damn it.  
I failed again?*

*Now I am worried...  
how much more will my body  
bimbofie this time?*

But Ricky, the soon to be Bimbo is not aware of the Djinn or her worries...Ricky is more focused on much more important meaty things

*It may be  
tiny...but it looks  
sooo yummy...oh?*

*\*Giggle\*  
THAT is what I call  
a CAWCK!*

*Oh...it's  
like totally growin  
an stuff?*

*I can feel  
the taste of your  
cum already...*

# The mischievous Bimbo Genie

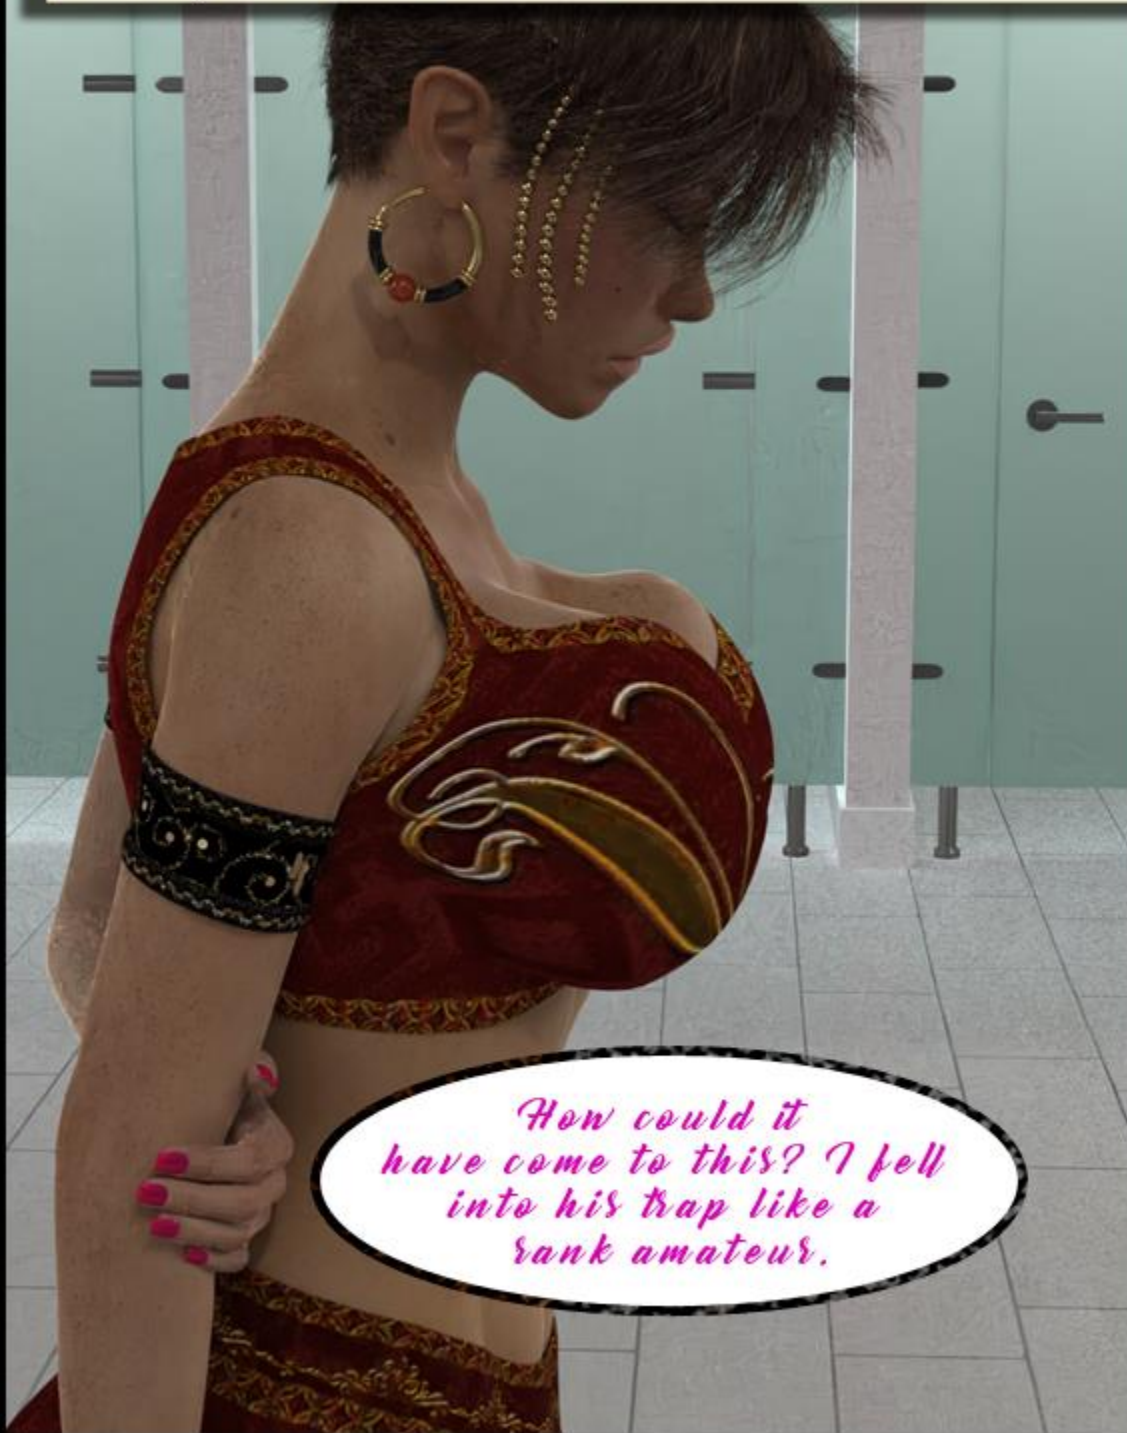

Interesting...I guess to women it is the size that counts after all.

Ohhh...yes! Delicious cum... come to me!

# The mischievous Bimbo Genie

And while Ricky and Cole have some fun, Jenny the Djinni, clearly feels the fruits of her attempt to deceive Cole.

# The mischievous Bimbo Genie

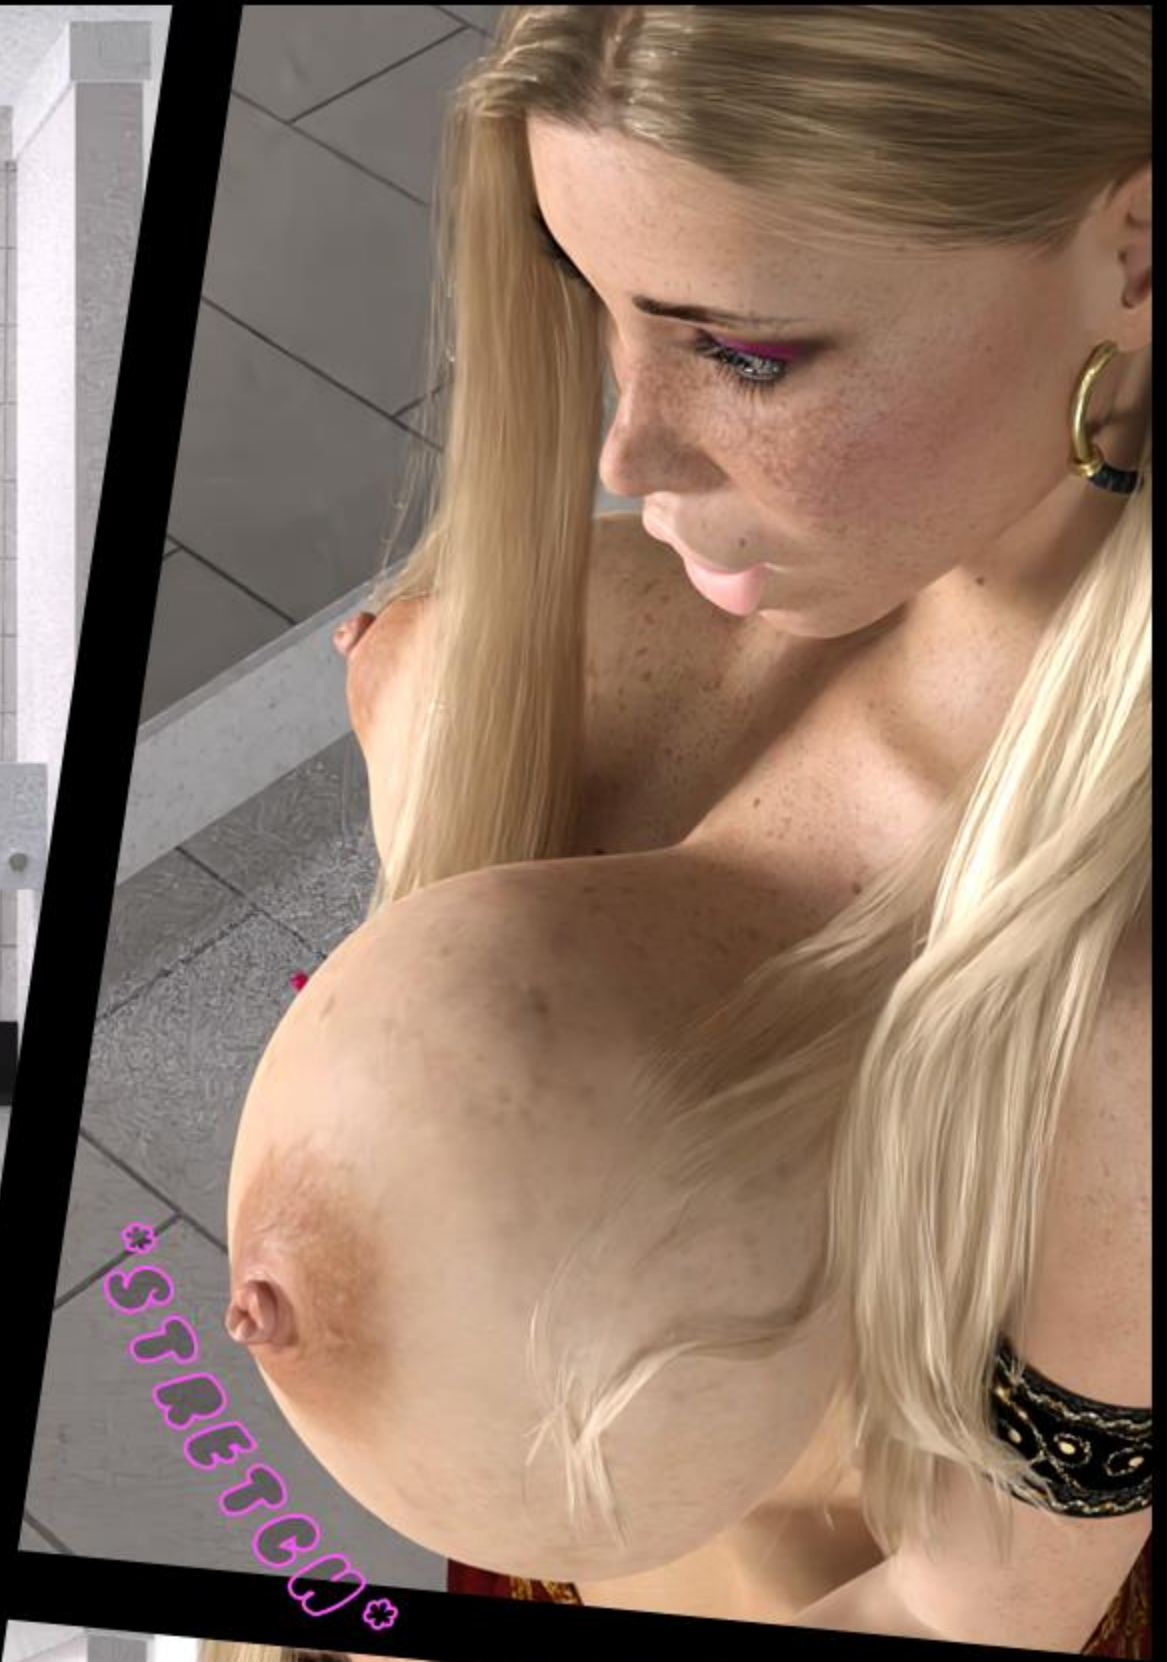

*I like  
totally have to  
find a way out  
of this...*

*But it is a  
magic contract. If  
I leave my Master I will  
cease to exist...*

*But if I try  
to be mischievous like  
I usually am, I  
bimbofie...*

*Like O-M-G!  
I feel another wave  
of pressure in my  
chest...*

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

Huh?  
What now?

Haven't I changed  
enough already? These melons  
on my chest aren't exactly  
light as a feather.

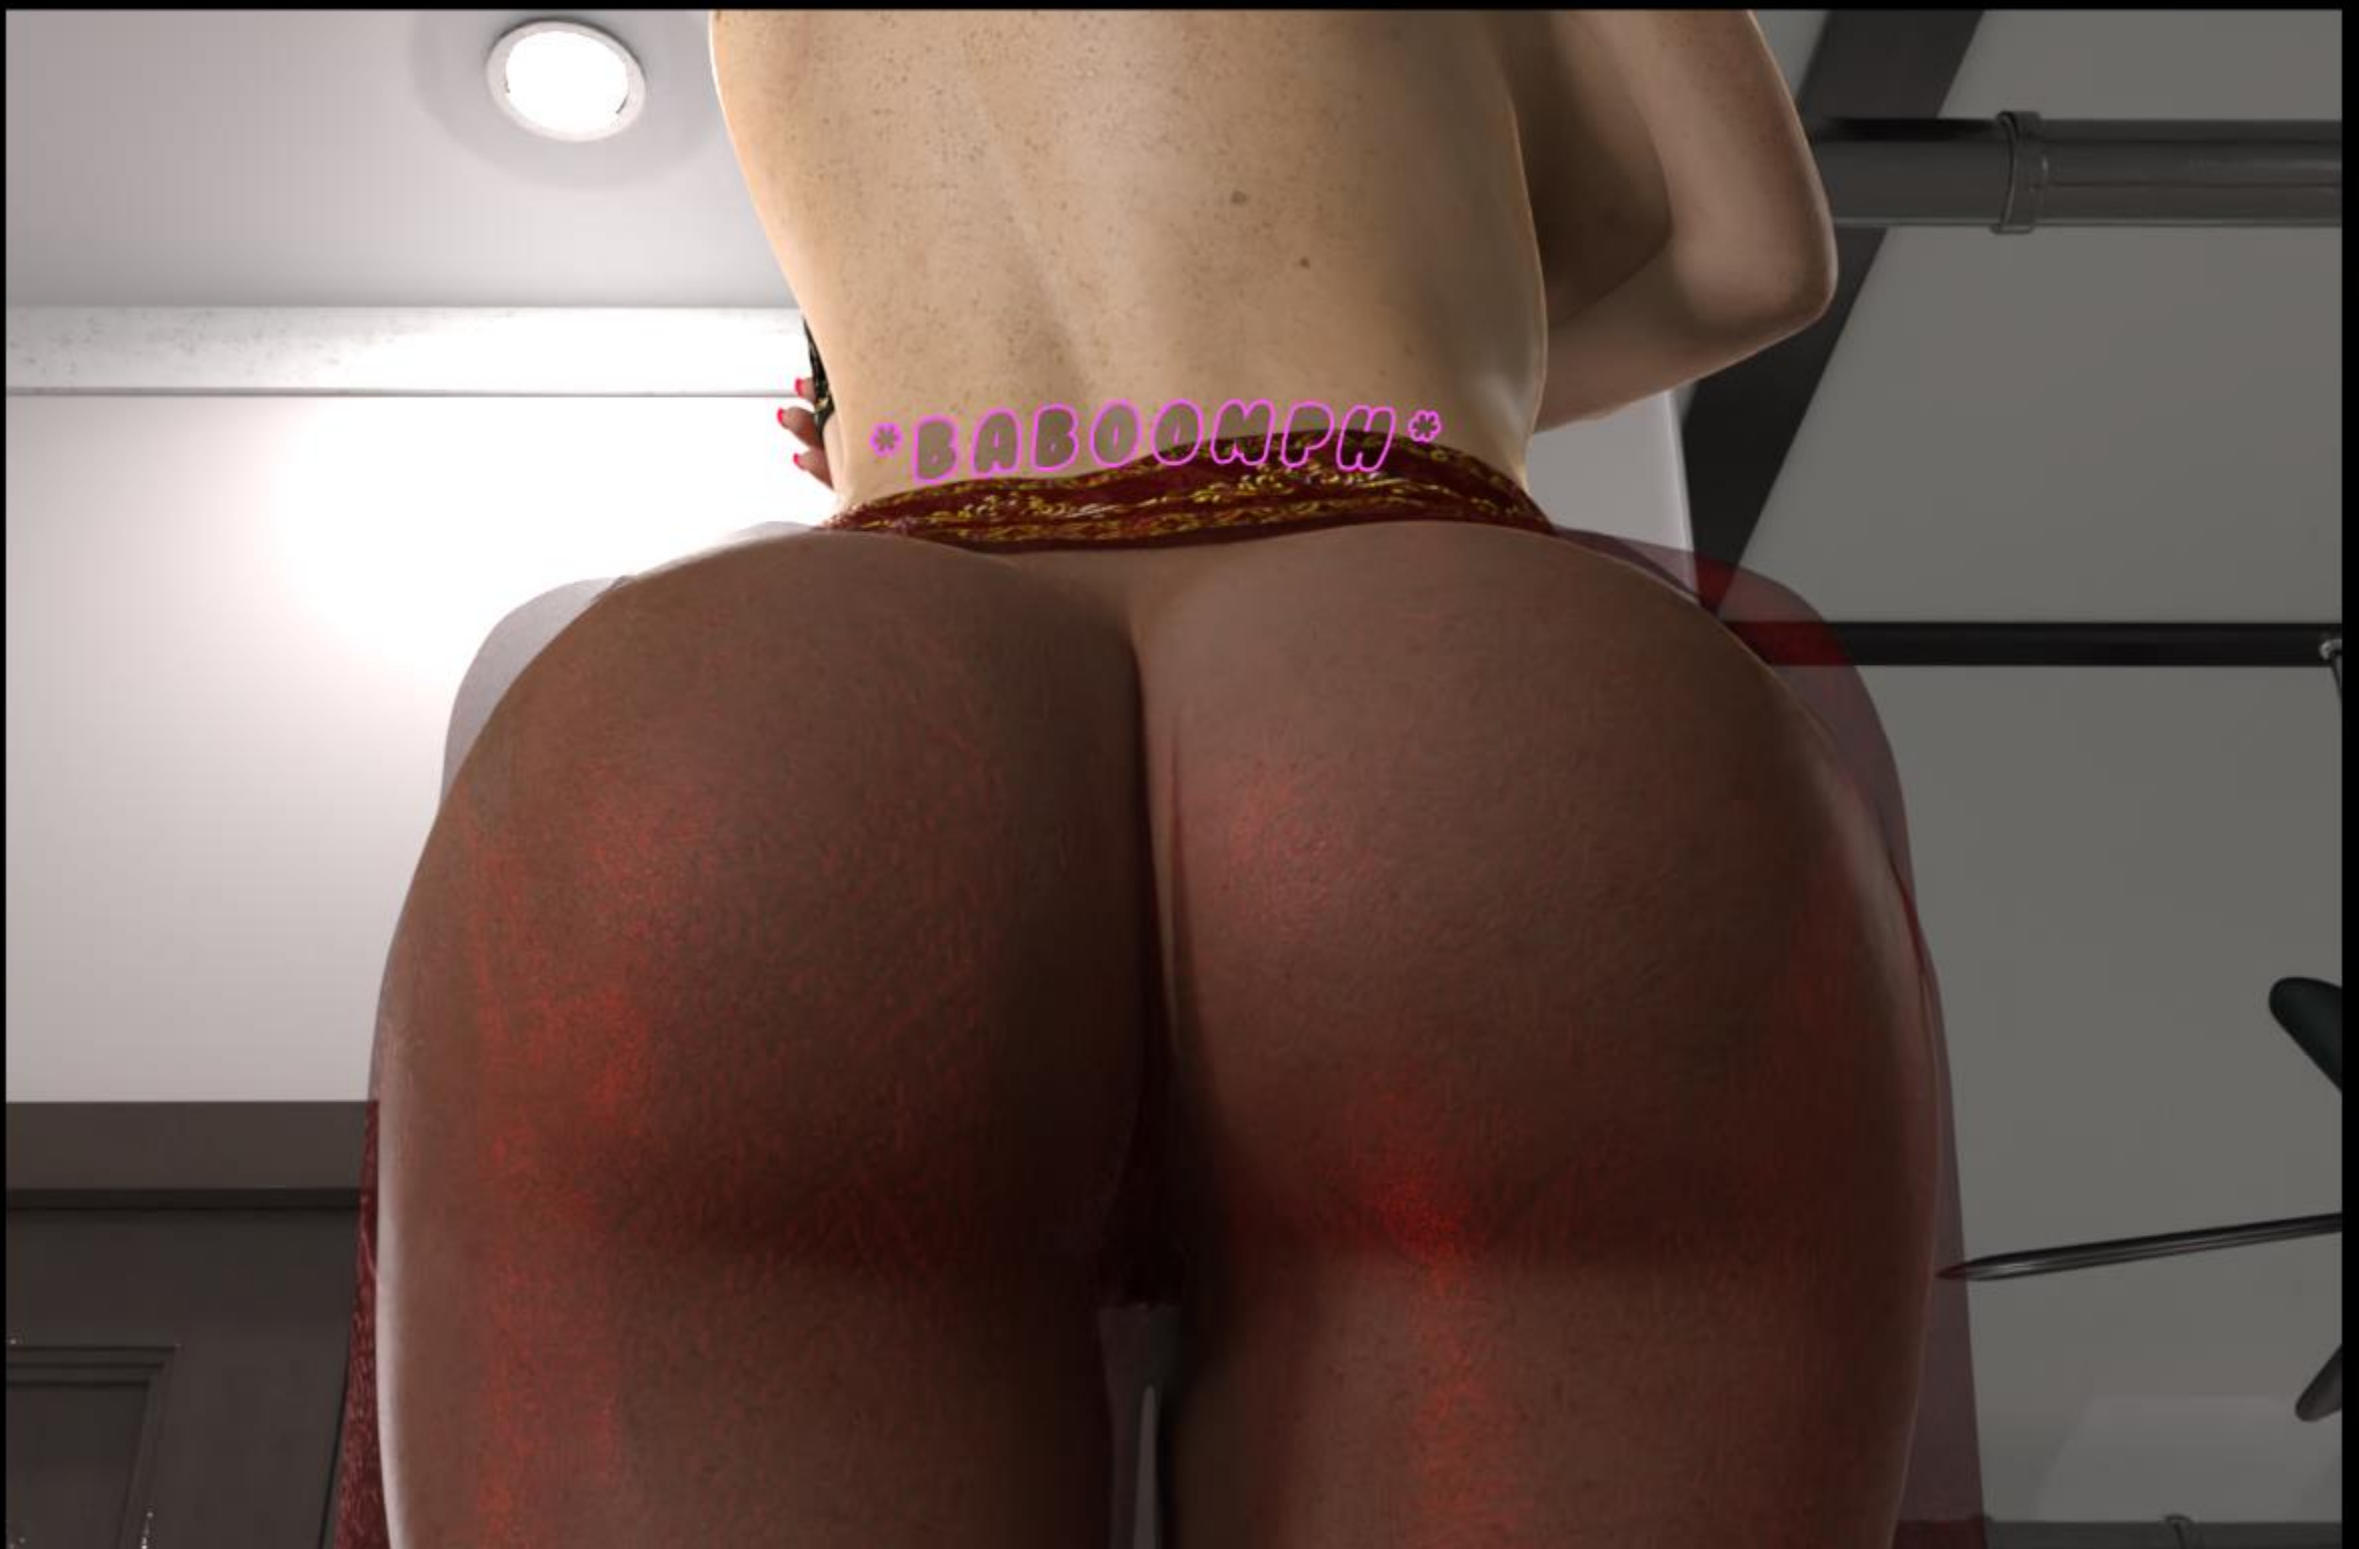

\*JUJEE\*

\*JUJEE\*

# The mischievous Bimbo Genie

\*STRETCH\*

\*BABOOMP\*

# The mischievous Bimbo Genie

*Look at that  
piece of Ass.*

*I've turned  
into a hot chick who's look says:  
Hey...I'm ready for hant and  
steamy sex if you are!*

# The mischievous Bimbo Genie

But Jenny the Djinni was not the only one going through changes. Ricky's body and mind also underwent drastic changes, while her body consumed every single drop of Cole's sperm. She not longer remember being a guy named Dick...there is only Ricky, the Bimbo Cumslut left.

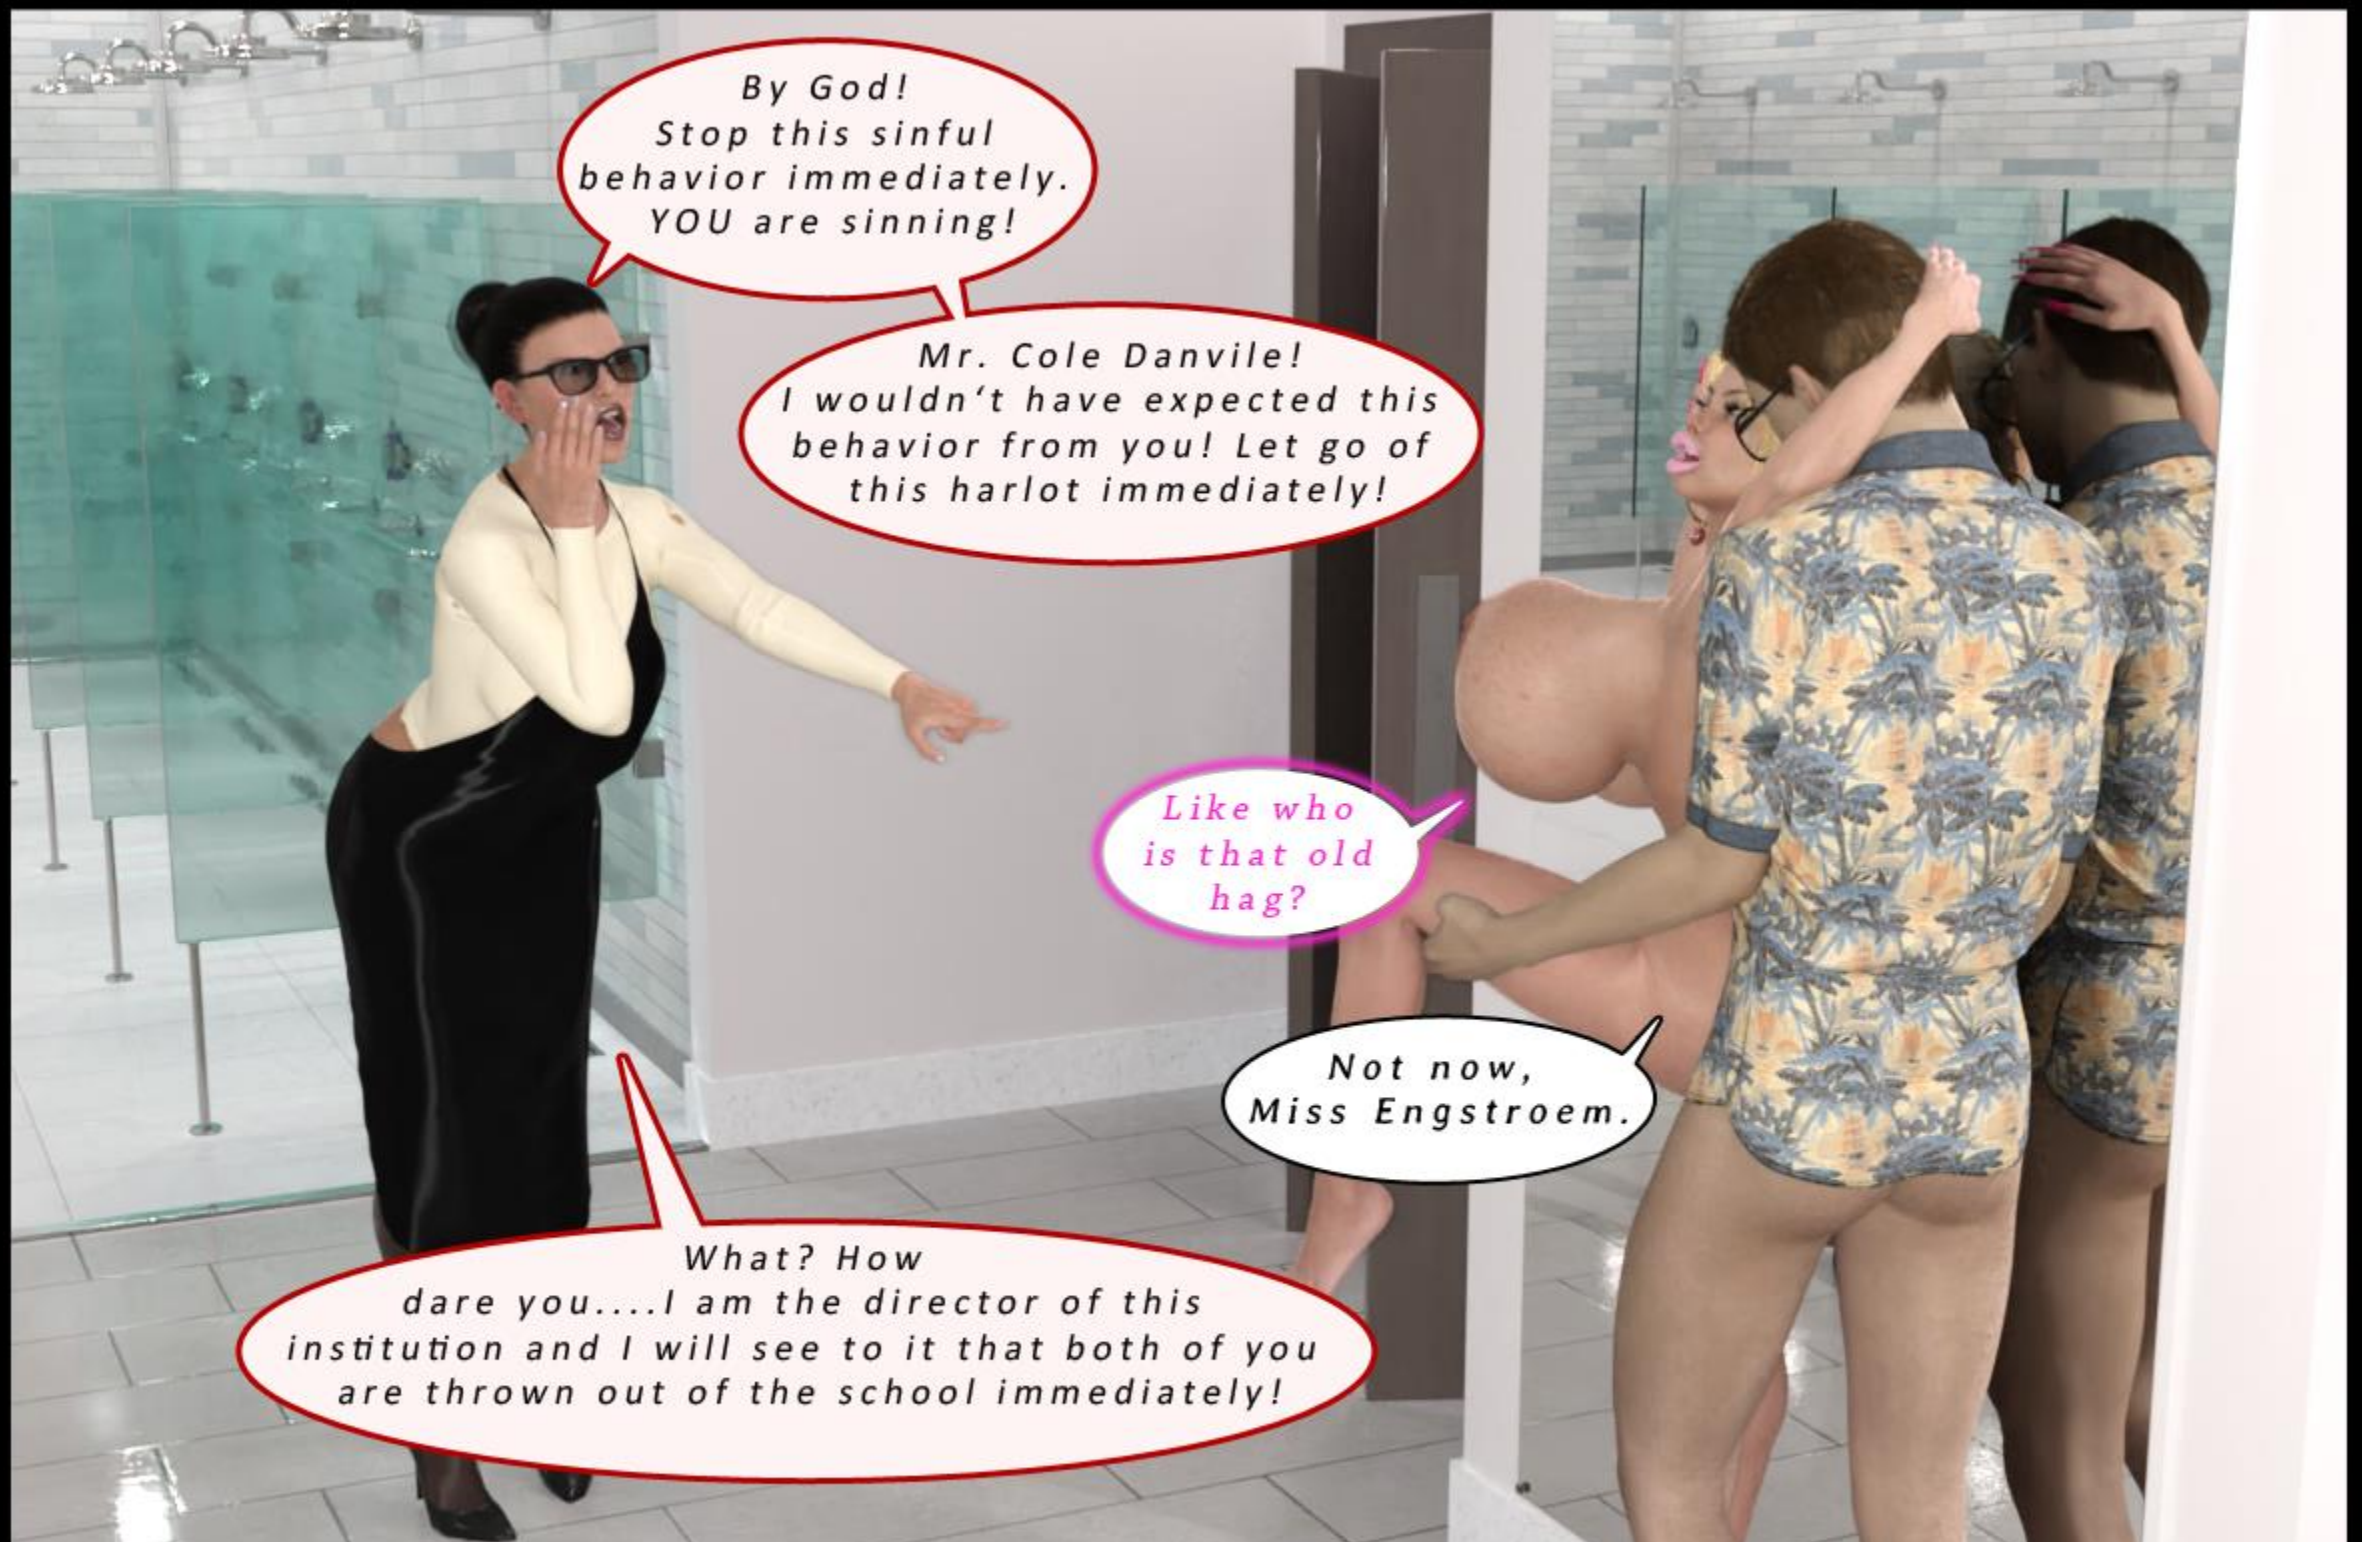

# The mischievous Bimbo Genie

But suddenly...

WHAT the heck is going on here?

I have received complaints that some sort of sex orgy was going on....

By God!  
Stop this sinful  
behavior immediately.  
YOU are sinning!

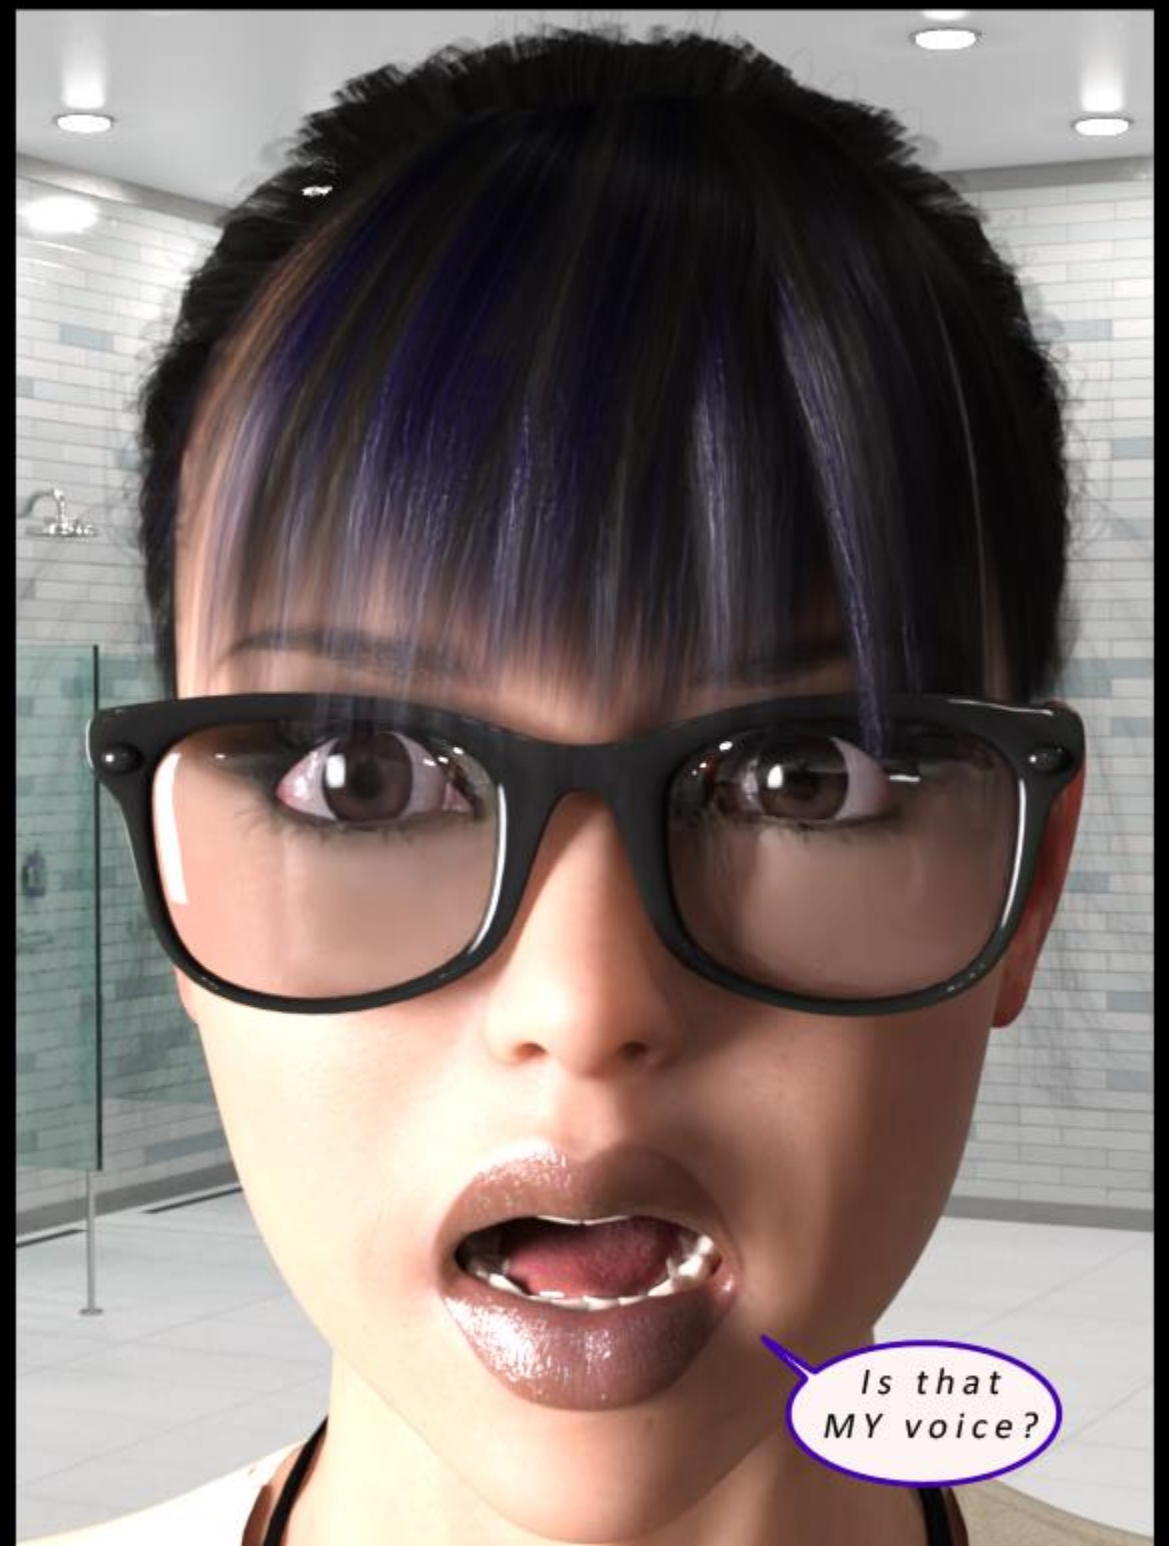

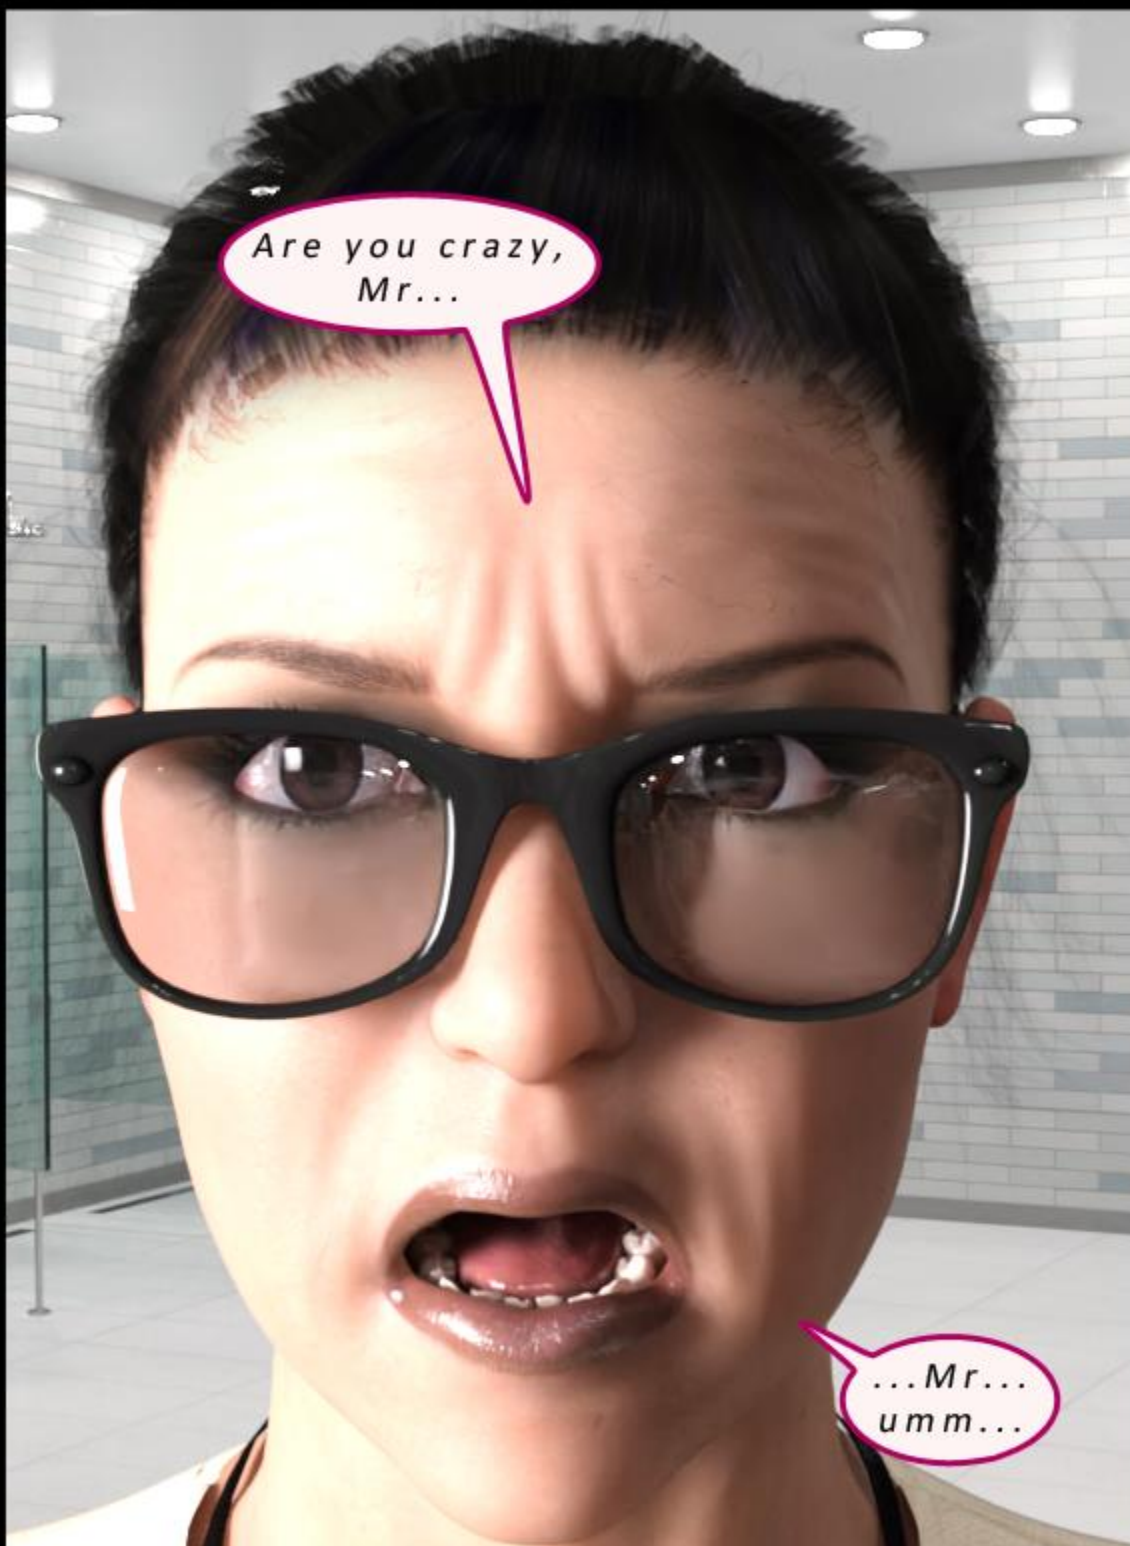

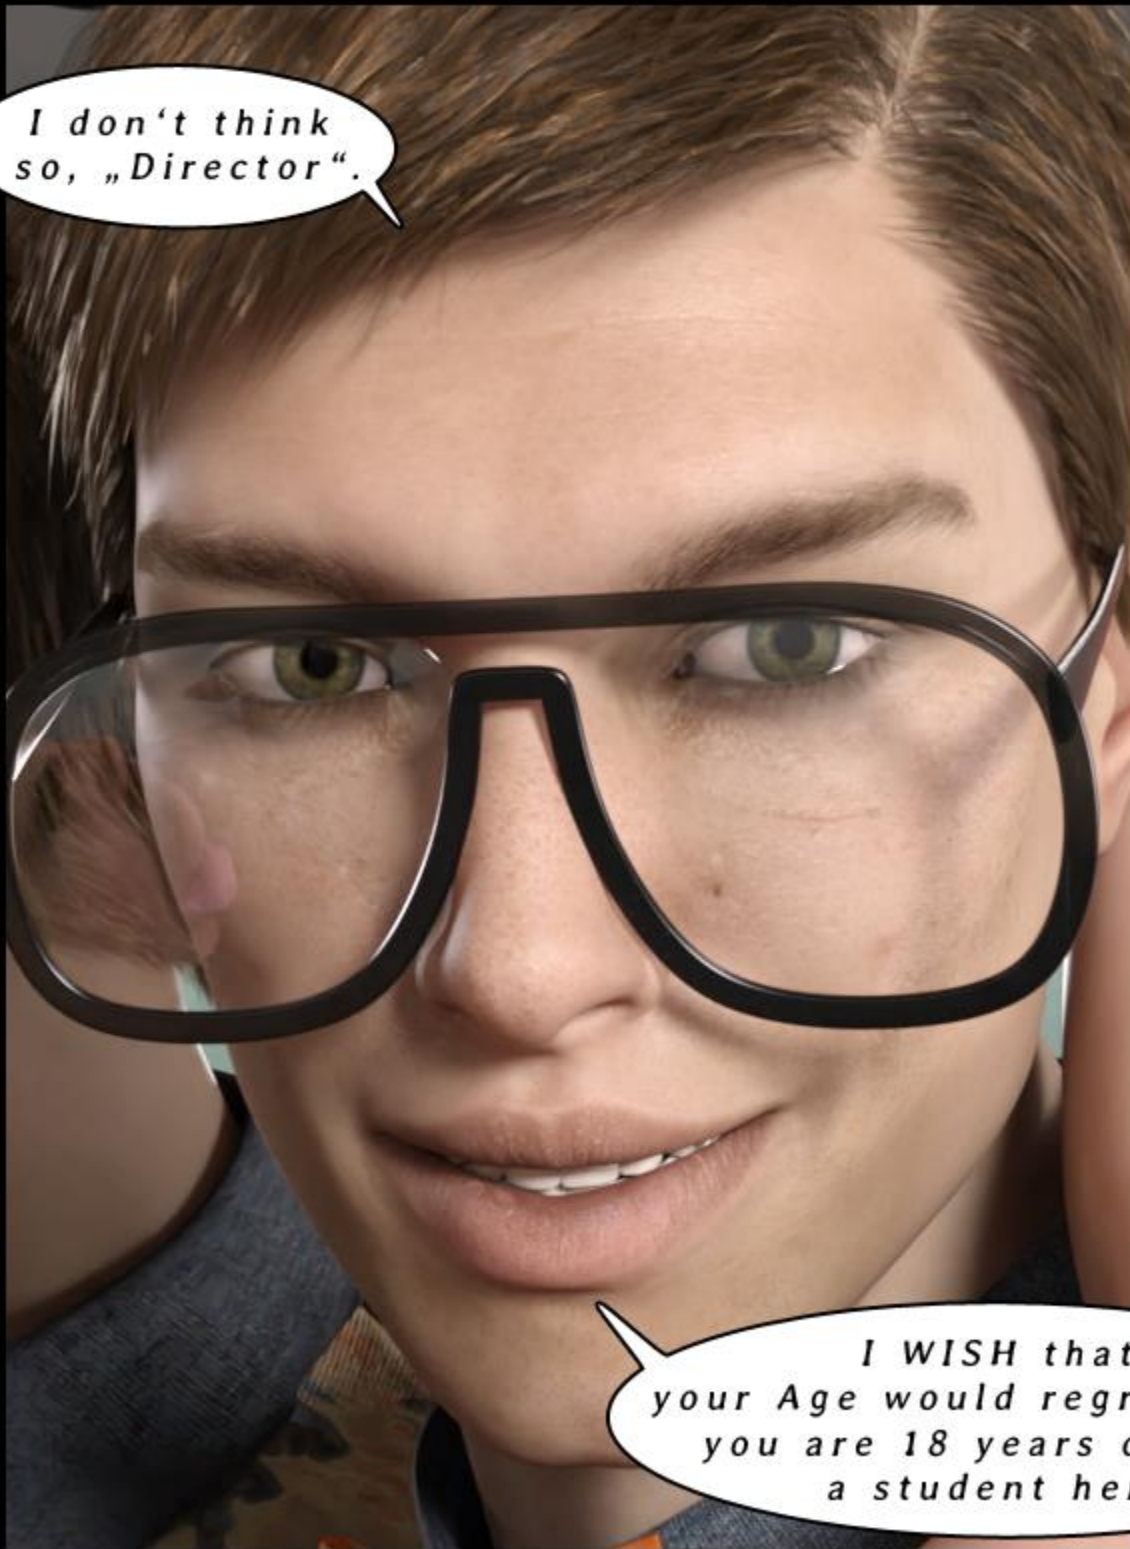

Mr. Cole Danvile!  
I wouldn't have expected this  
behavior from you! Let go of  
this harlot immediately!

Like who  
is that old  
hag?

Not now,  
Miss Engstroem.

What? How  
dare you....I am the director of this  
institution and I will see to it that both of you  
are thrown out of the school immediately!

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

Wait...  
where is my  
dress?

Cole?  
This is like so boring  
and stuff... can I suck your  
yummy cock some more?

# The mischievous Bimbo Genie

How is this possible? There is no way wishes don't come true... my life is great... ummm... what is with wrong with me my life sucks?

I'm 19 years old and a freshmen here in this college... which is **like totally** strange... because I also... ummm...

By the dark **lady Eve**, why am I wearing such **like totally** old woman Clothes?

Wait... are my clothes **like totally** changing?

# The mischievous Bimbo Genie

Am I **like totally**  
some sort **of a bubblegoth**  
Bimbo?

I'm **like totally**  
way to **grey** for  
my **taste!**

# The mischievous Bimbo Genie

\*GROWTH\*

\*STRETCH\*

Mr. Danvile...how are you **like doing...mhhh** that to **like me?**

**Like Stop it right... uhhh... now!**

# The mischievous Bimbo Genie

My tits... are like looking sooo fake... wait that isn't what I...

...err... can't remember what I like wanted to say just now.

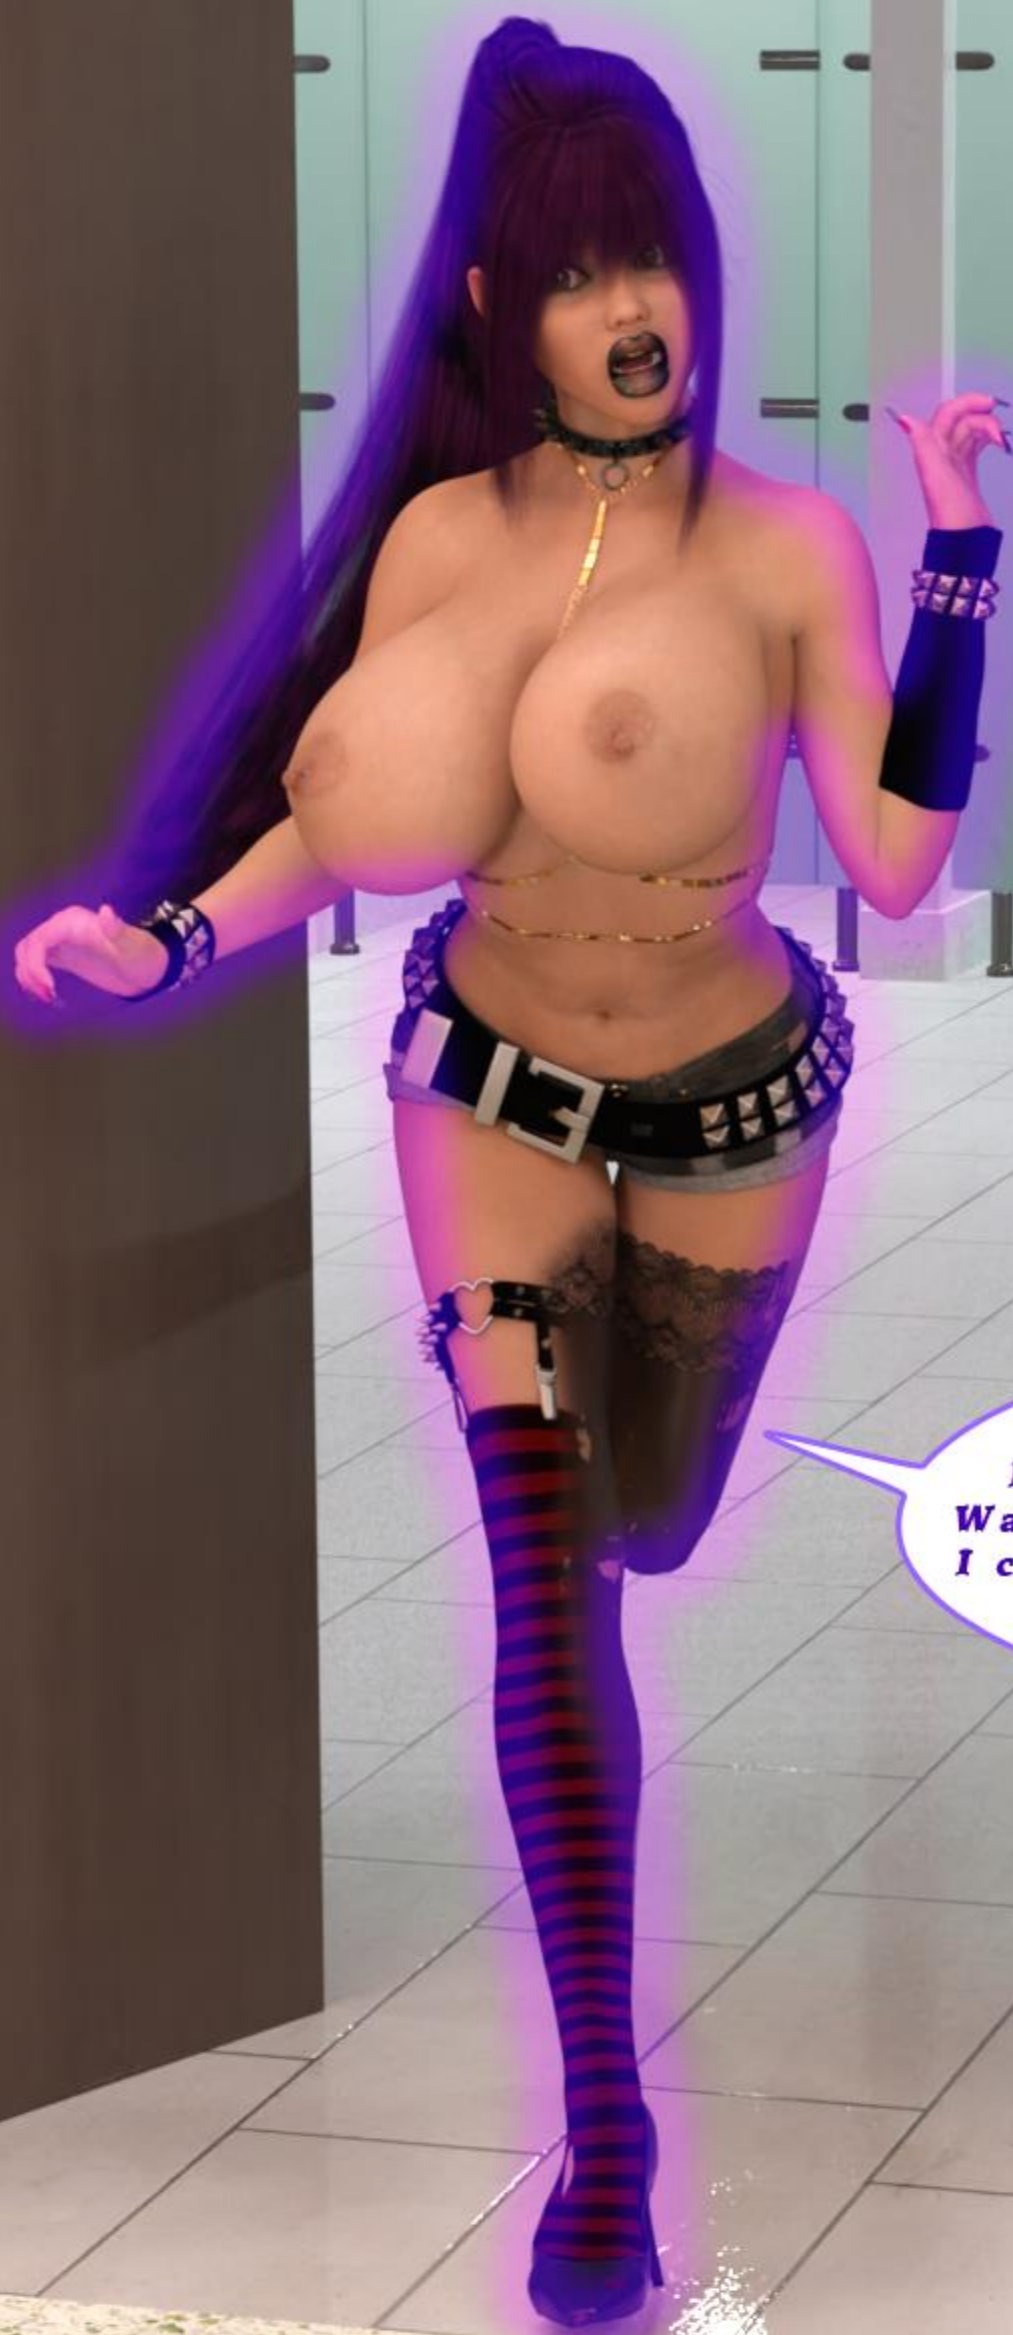

\*STRETCH\*

How freaky are these fakies? Are they like ever gonna stop expanding?

\*EXPAND\*

# The mischievous Bimbo Genie

*I'm getting  
out of here... maybe if  
I leave these changes will stop?  
Wait not only is my body changing...  
I can feel I'm forgetting Memories...  
while others are changing  
drastically.*

# The mischievous Bimbo Genie

Woa...  
What the... What now?

The hell and  
small titties... I'm  
like totally stumbling...  
ahhh...

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

But suddenly...

Seriously?  
Look at this slut!  
Who is she?

Clearly, she is  
part of the local  
Goth scene.

*\*giggle\**  
Oh! Em! Ge! I should  
like totally go to my crypt  
and masturbate real  
hard an stuff.

I'm way  
to horny to hang around  
with all those lame normals  
here in this ab-sooo-lutely  
boring Edu... cati... um...  
what ever sheds.\*

\*Education shed - direct translation from the german word „Bildungsschuppen“. Pupulis who think that school is wasting their time often call school as „Bildungsschuppen“.

100% DONE!

Ahhh... yes!  
Fuck me real hard...

# The mischievous Bimbo Genie

Oh Amber... you are here? Was your stream successful? I would say it was at least lustful, huh?

*\*snort\**  
you can bet on it, Cole!  
Have fun too?

Yeah... day of the Nerds I guess. It seems that we both had some fun.

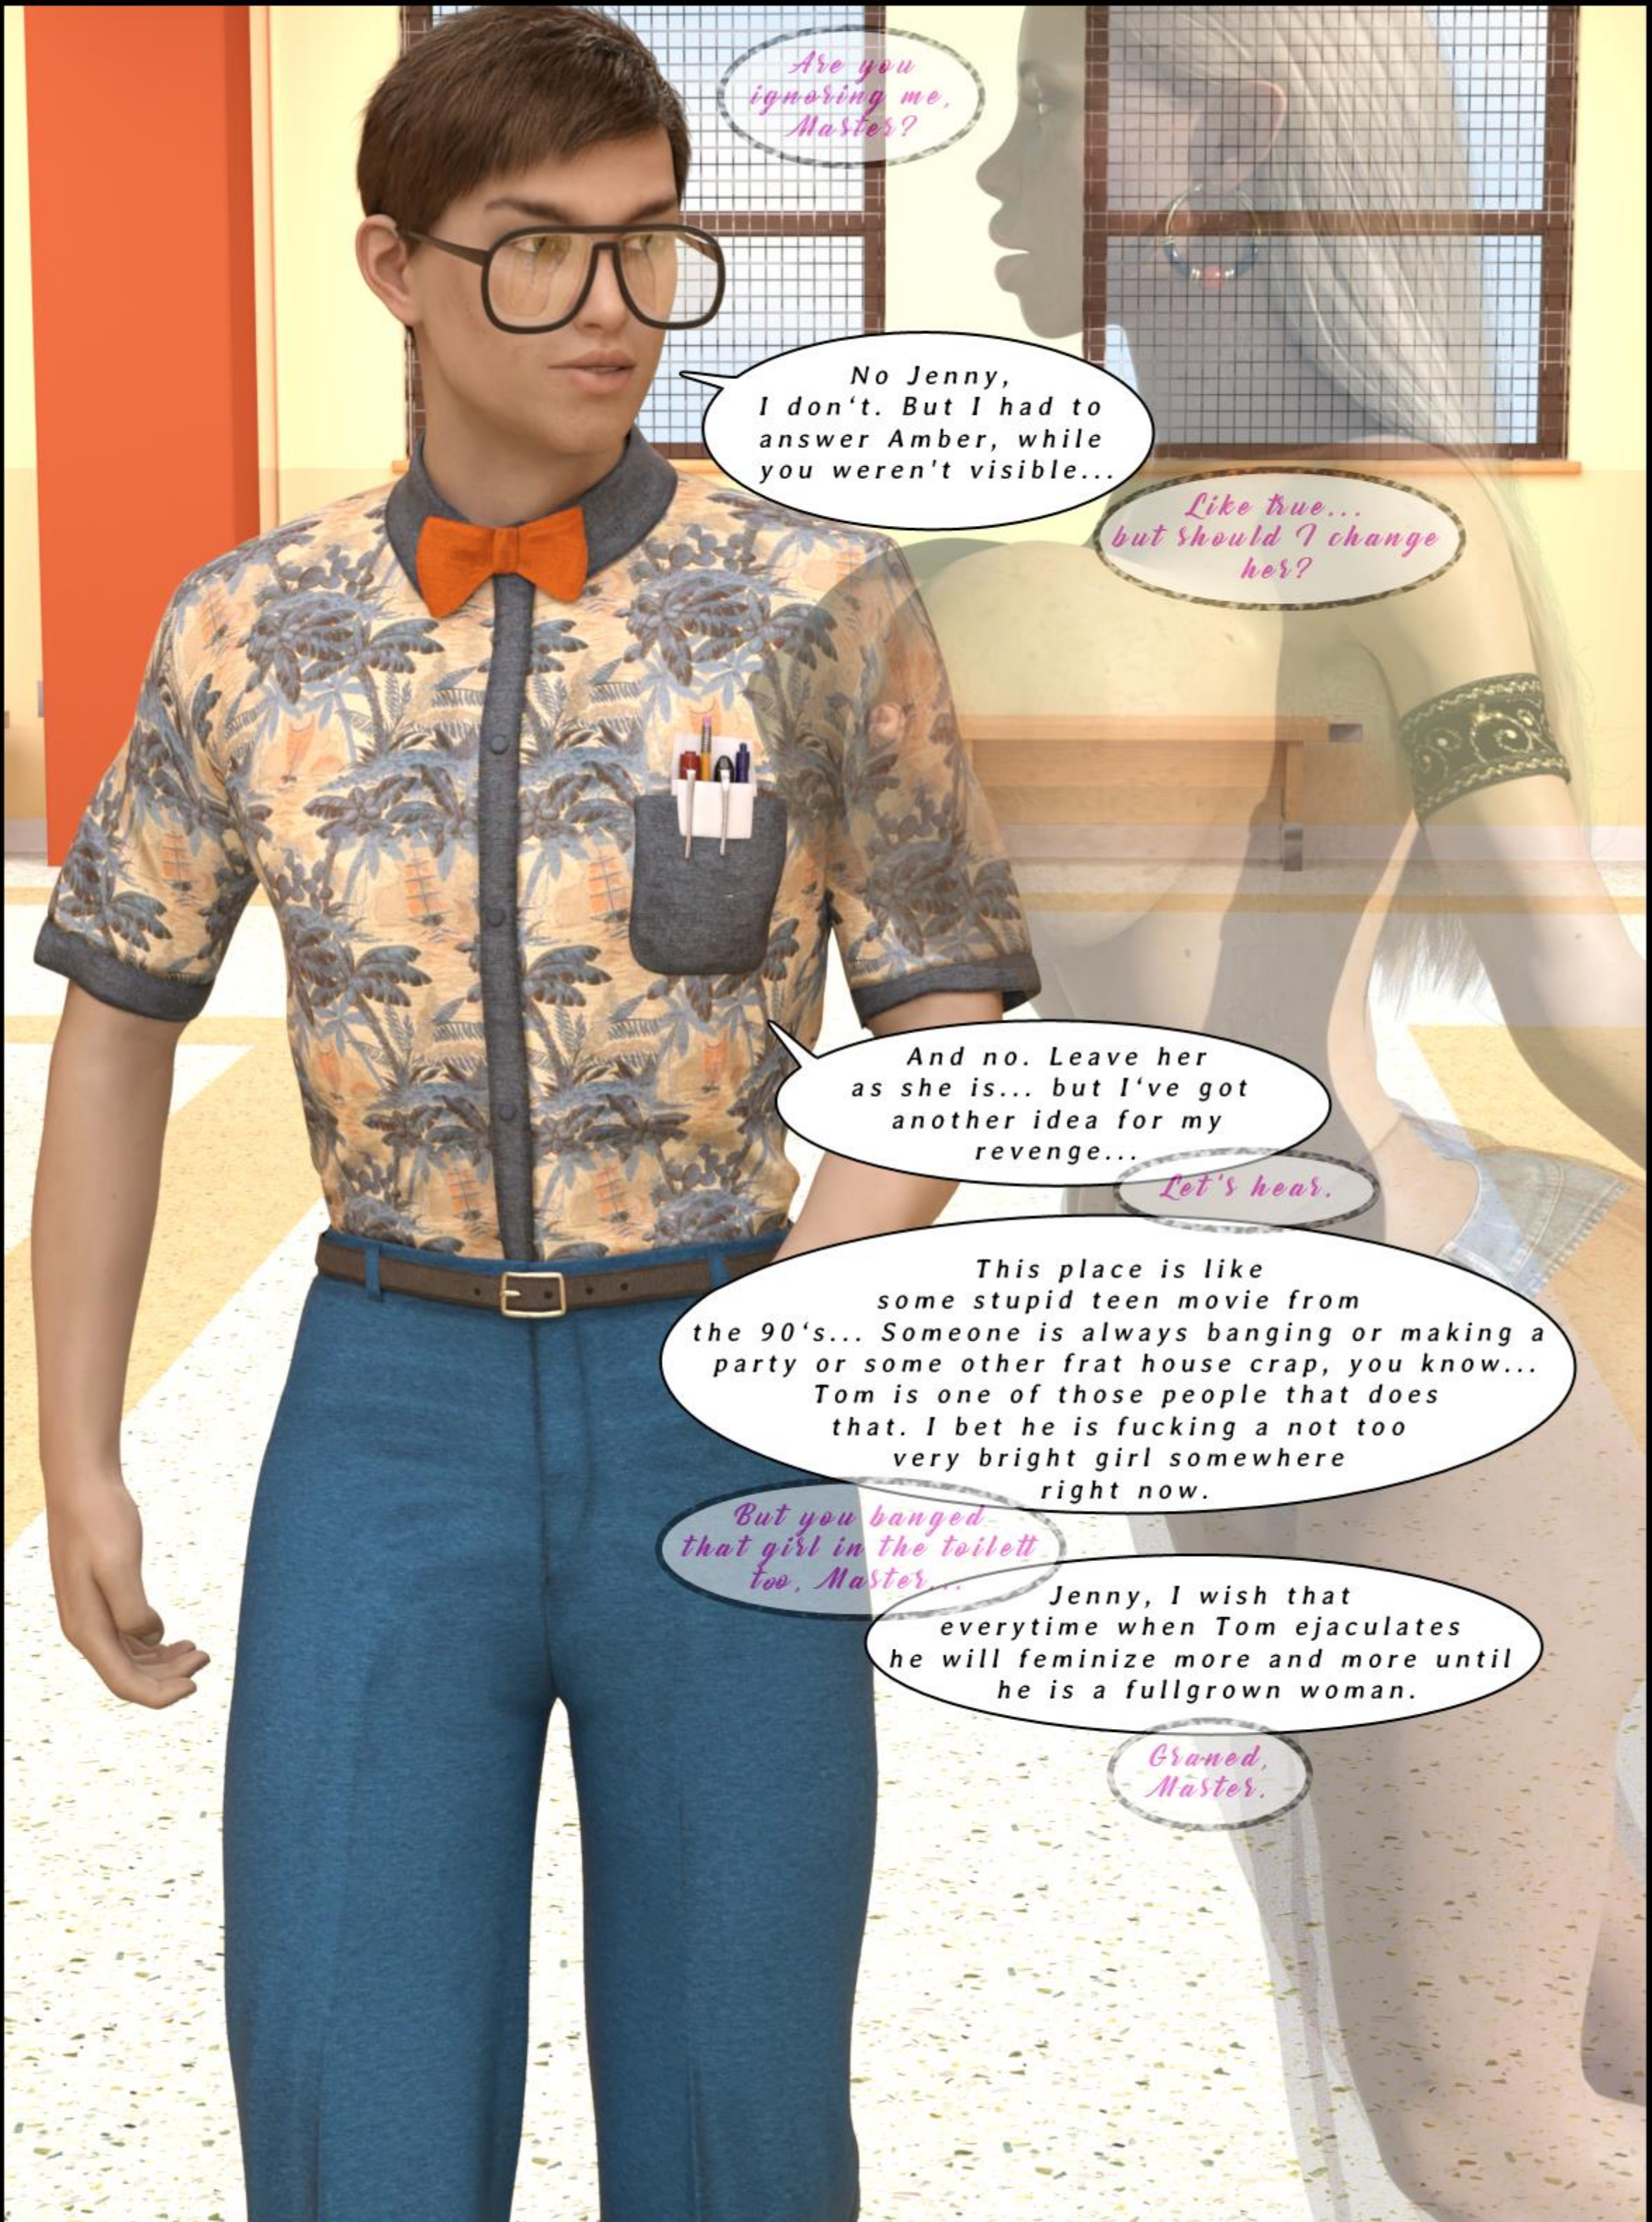

In any case,  
I've never had so many likes during a stream.

*She is in the best situation, master. Should I turn her into a horny slut too?*

Alright...guess I'll see you at our next DnD session.

See you later.

# The mischievous Bimbo Genie

*Are you ignoring me, Master?*

No Jenny, I don't. But I had to answer Amber, while you weren't visible...

*Like true... but should I change her?*

And no. Leave her as she is... but I've got another idea for my revenge...

*Let's hear.*

This place is like some stupid teen movie from the 90's... Someone is always banging or making a party or some other frat house crap, you know... Tom is one of those people that does that. I bet he is fucking a not too very bright girl somewhere right now.

*But you banged that girl in the toilet too, Master...*

Jenny, I wish that everytime when Tom ejaculates he will feminize more and more until he is a fullgrown woman.

*Graned, Master.*

# The mischievous Bimbo Genie

Meanwhile in the boys locker room...

Ohhh...  
Tom... you are  
splitting me in two  
with your erupting  
vulcano!

I know  
Tina... I'm the  
best you've ever  
had!

But this  
load is truly amazing...  
I don't think I've ever cum  
that much.

TOM...  
So... rude! I'm  
Cassy.

# The mischievous Bimbo Genie

Don't make a scene. I don't care what your name is. You we're a good fuck... later I'll fuck another girl.

And I bet she will be better then you we're, Slut.

That hurts...  
I... I've never felt so humaliated before.

\*sob\*  
That... wasn't very... \*sob\*

I don't care. Now leave or are you ready for another round?

\*sob\*  
That... wasn't very... \*sob\*

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

Asshole!  
Fucking again?  
Just a few minutes after we fucked  
in the locker room? But he looks...  
kinda different?

\*huff huff\*

Ohhh...  
Tommy... ohhh  
yeahhh...

... harder!  
Fuck me harder!  
U are a bull!

# The mischievous Bimbo Genie

Meanwhile...

*Now I have found  
your weak point, Cole. I can  
influence Amber accordingly without disobeying  
your wishes and having this bimbofication effect  
change me further...*

*... by using Amber  
I will be able to behave according to my  
Djinn nature and be more  
mischievous.... hehe*

# The mischievous Bimbo Genie

Meanwhile, Amber is not just sitting idly by.

Jackpot!

It's like  
a gold mine  
for me...

... First those  
two goths and now  
these two here...

Tom the most  
popular Guy here is fucking  
Ricky the School Slut right  
here on the school floor...

I never imagined  
that voyeurism would turn  
me on so much...

... good thing  
that no one can see how  
wet I am right now.

But I'm not  
sure... is it ok to watch other  
people while they fuck... or  
my increasing number  
of watchers?

# The mischievous Bimbo Genie

What Amber isn't seeing is that Jenny, who is not visible to her, is twisting her mind, and behavior with hypnotical suggestions, so Amber can be the instrument for Jenny's mischivious ambitions...

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

NO WAY!

HOLY SHIT!  
My... dick... is  
getting...!

# The mischievous Bimbo Genie

What The Fuck!

WHY IS MY  
DICK GETTING  
SMALLER?!

umm...  
Tommy... don't get  
me like totally wrong an' stuff...  
but ur PeeWee like always  
sooo small...

*\*giggle\**

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

In the nearest bathroom (the one Ricky has left before)...

This can't be!

What the hell is happening to me? My muscles... my Hair? Even my dick have changed.

This isn't normal. I've got to find out what is happening here. I look somehow...

... like I'm more like a boy than a man.

# The mischievous Bimbo Genie

While Tom is still looking at his feminizing body in horror in the toilet mirror, a hard day comes to an end for the students and in front of the school building...

Hey Egghead!

Seriously, Richard. Right now is a very bad time.

I've a DnD session tonight and a lot of work.

Oh... really? I assumed you would spend your days wildly fapping on your PC, looking at cheap websites with fake women.

Time for a new wish, Jenny. Richard's family is very rich and affluent. Accordingly, he himself is arrogant.

I wish that the moment he sees his mother and sister at home together...

... they will transform before his eyes and a short time later he will also change.

His mother is supposed to become a manipulative Gold Digger, she will be the smart one and she helps them to stay wealthy...

... his sister will be a bitchy social media slut and not very bright...

... while Richard himself will become an airhead webcam whore who loves to cosplay and RPG's.

All three are said to spend an enormous amount of money on plastic surgery so their curves look very fake.

As you wish, Master. Granted.

# The mischievous Bimbo Genie

While Richard is still indulging his airs and graces, he arrives at his luxurious estate...

Finally... they should forbid the simple mob from being allowed to ride the subway with us rich people...

it is already honor enough that they are allowed to breathe the same fresh air as us... but one day I'll buy my way into politics, become the president of the country and then... yeah, that sounds good.

Listen, young Lady. You're not going to the gala wearing that obscene outfit.

You show more skin than an ordinary street slut without money, no, you can even see your silk panties.

Think of your elevated status. You represent our family at this benefit gala. Go, change your clothes.

Or I'll cancel your credit cards.

But Mother, I ...

Hi Mother, hi Grace...

... Oh... A woman's talk... I better not interrupt.

# The mischievous Bimbo Genie

And so begins Cole's wish.... Orl should saycurse... starting to take effect. It starts, of course, with the oldest person in the room, with Frida, Richard's snobby mother....

# The mischievous Bimbo Genie

She is changing... \*giggle\* Like what should I do?

...ummm...

\*giggle\* Like totally, Mum!

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

Why did  
Grace call me  
sister?

Am I  
changing  
too?

Good God...  
what if I change  
too?

Am I  
turning into  
a girl?

I have  
to fight  
it!

Look, our  
little dummy is trying  
to think hard...

Grace,  
be nice to your sister.  
You're not exactly the brightest  
candle on our family  
cake either.

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

But Mum...  
maybe she hasn't seen  
enough YouTube videos  
about it...

... shouldn't we  
sit down together and do our  
make-up together? That way she'll  
learn your make-up tricks too.

**HEEEY?!**

*That sounds  
like a good idea, Grace.  
Professional make-up tips from  
me can't hurt you both...*

I'm not  
even a girl...  
I don't want to  
wear make-up.

# The mischievous Bimbo Genie

*I must remain steadfast...  
I have to find a solution...*

*Mum? What did Riri like tots mean by not being a girl?*

*Nothing Grace.  
Your sis is just a typical Bimbo. Who knows what she is thinking right now...*

*... damn it...*

*... My chest feels so wobbly and jiggly.*

# The mischievous Bimbo Genie

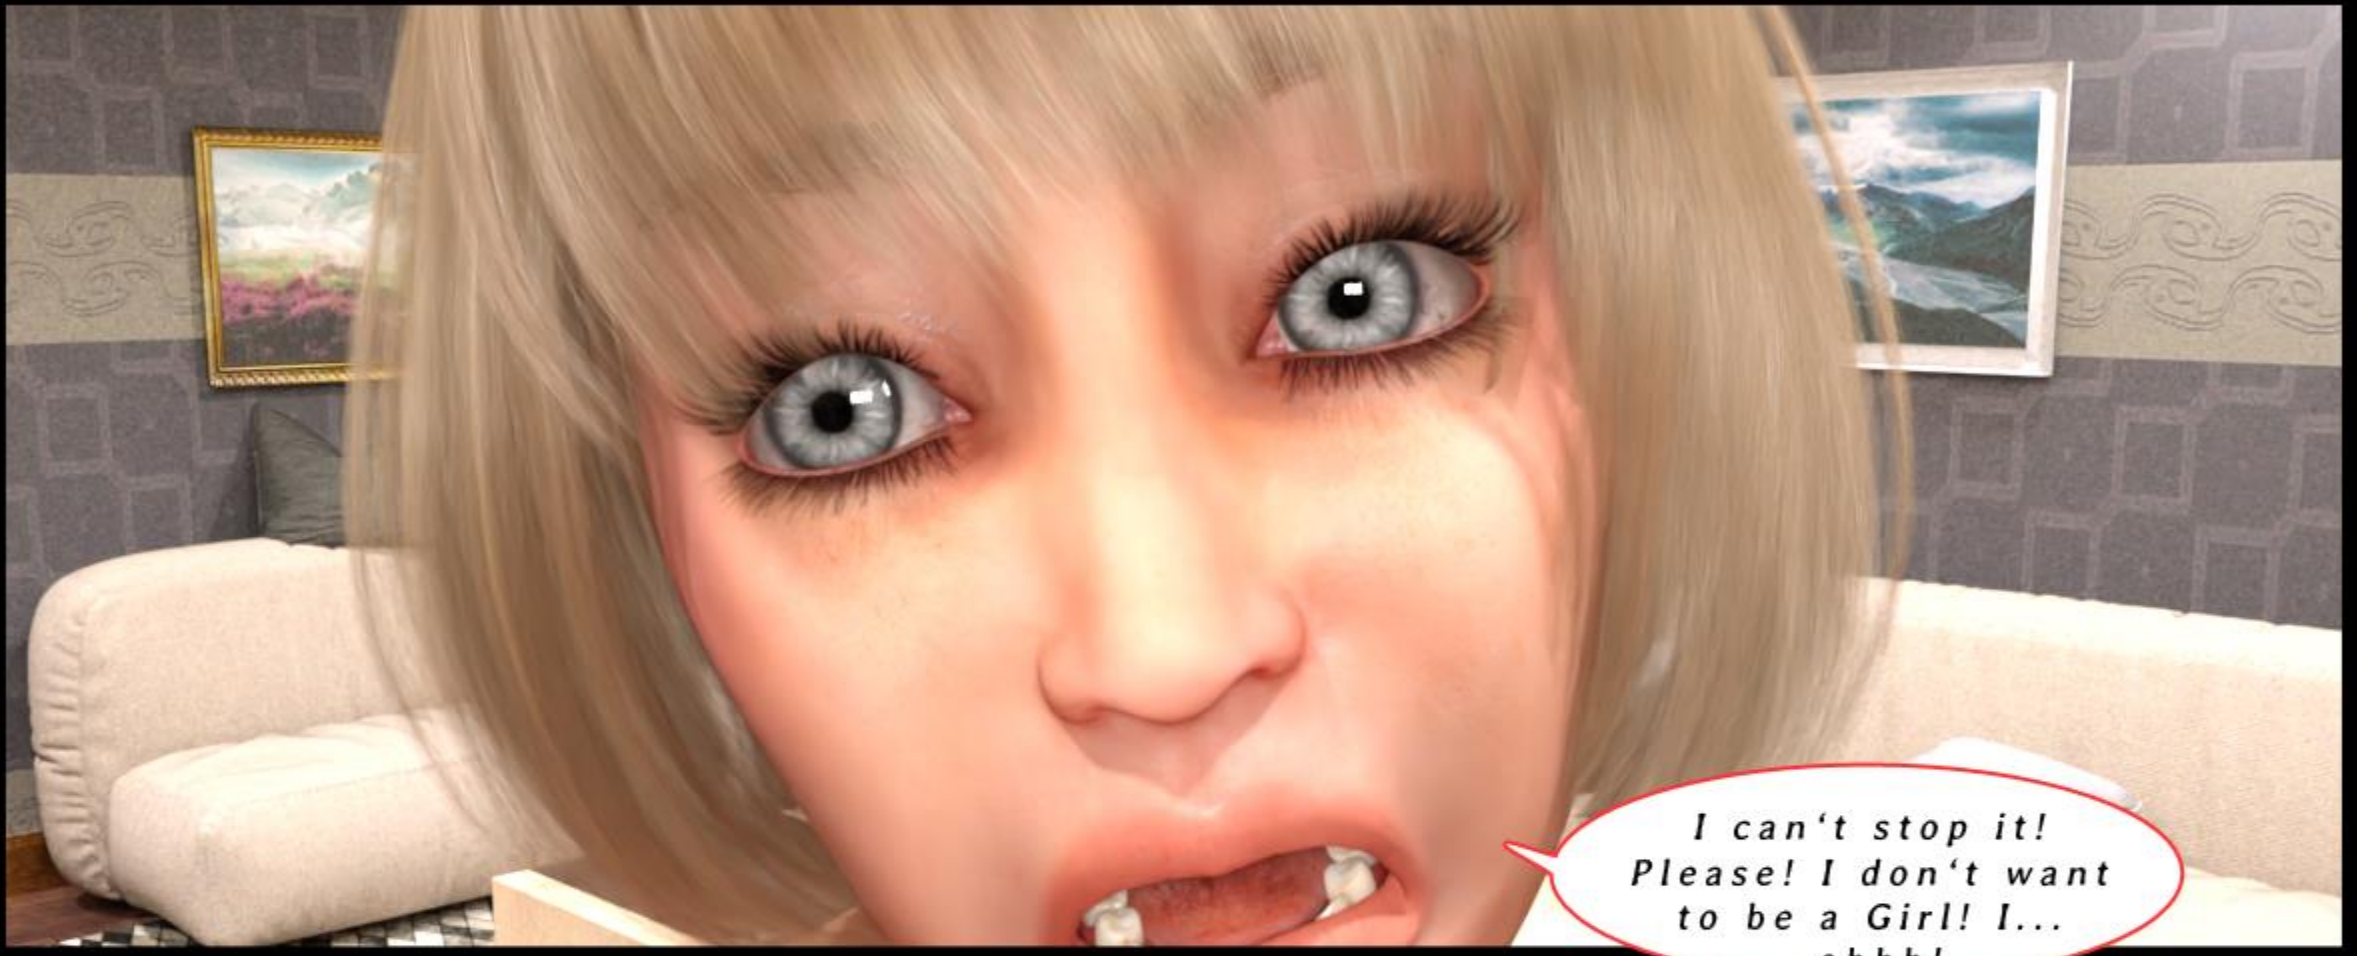

Oh, no... Whatever is causing these changes seems to be accelerating... My clothes...

... my pants, my shoes... all of them became too big for my body in just a few minutes and slipped right off of me...

... and the worst part... I'm growing breasts! These are definitely female breasts on my chest.

# The mischievous Bimbo Genie

... my ASS!  
It's getting plumper and ...  
Oh my ... I look so  
girly now!

# The mischievous Bimbo Genie

Oh my God!  
My ass looks so gigantic.  
Round and fat... As a man,  
I shouldn't have such...  
teehee hawt curves.

# The mischievous Bimbo Genie

Ohhh, now  
I like, totally got it...  
my body got smaller while  
I became more of a  
Girl.

My shirt  
looks like more like a  
robe than a shirt now. \*sniff\*  
What the hellis like, totes  
wrong with me...

Buuut at  
least are my thoughts all  
clear an stuff... the usual as  
like, always... Guys... partey  
party with the girls...  
cawcks...

Guys? Cawcks?  
Wait, what?

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

But Richard's transformation into Riri is not yet complete... neither is he fully a woman, nor is his mind of pink clouds in full bimbo mode yet.  
But Jenny's magic is constantly working at a steady pace and so...

# The mischievous Bimbo Genie

# The mischievous Bimbo Genie

Wait... what  
am I talking? Shit!  
This, like, moments where  
my head is, like, all  
in pink clouds...

\*giggle\*  
...of course do my bewbs  
looks, like, bigger... I like  
totes want huge bewbs like  
Grace and Mum!

The guys,  
like, totes luv my  
totally big bewbs  
in my stream.

teehee  
Being a Teenage Bimbo
