

Chapter 15

Lying

Some time later...

Of course.

As usual you guys did great, but I hope next time it will be like this right away.

That's good to hear. That's right, I almost forgot, Mutsumi-chan...

You forgot to give us your bank account number.

Sorry I completely forgot about it.

How are we supposed to pay you?

Hehe, I see you don't pay much attention to money.

Great, now together with the money Naomi gave me, I have enough money to start my plan.

I could also use Papa's money but I'm sure he would then find out what I'm planning.

And I'm sure he wouldn't be happy about it.

No, I did it again, I called Papa Papa again.

I mean daddy I mean Mr. Nakano!

I have to do something about it.

Angry

If it wasn't for the money Mutsumi-chan would never have agreed to work here.

It just makes me wonder why she needs so much money, especially since she doesn't buy anything unnecessary.

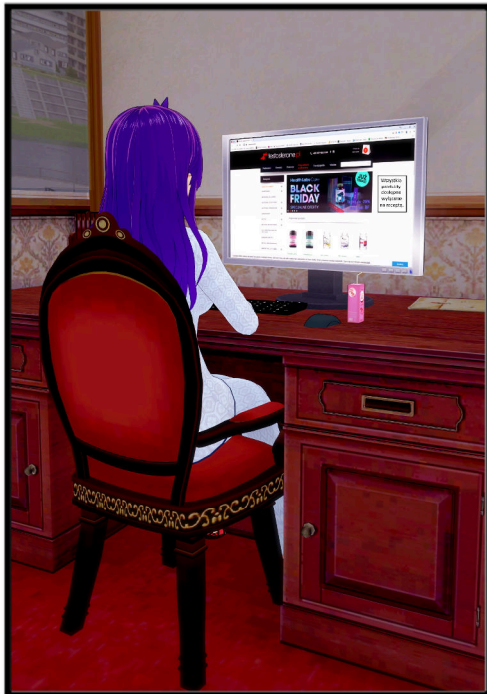

Mutsumi-chan is probably planning something.

In the evening in Mutsumi-chan's room...

What, it must be some kind of joke.

Angry

Can't you buy what you want these days?

This is discrimination.

Looks like I'll have to go to the doctor to buy them.

How can I be a guy again if I can't buy hormones.

Is that the only way to get them?

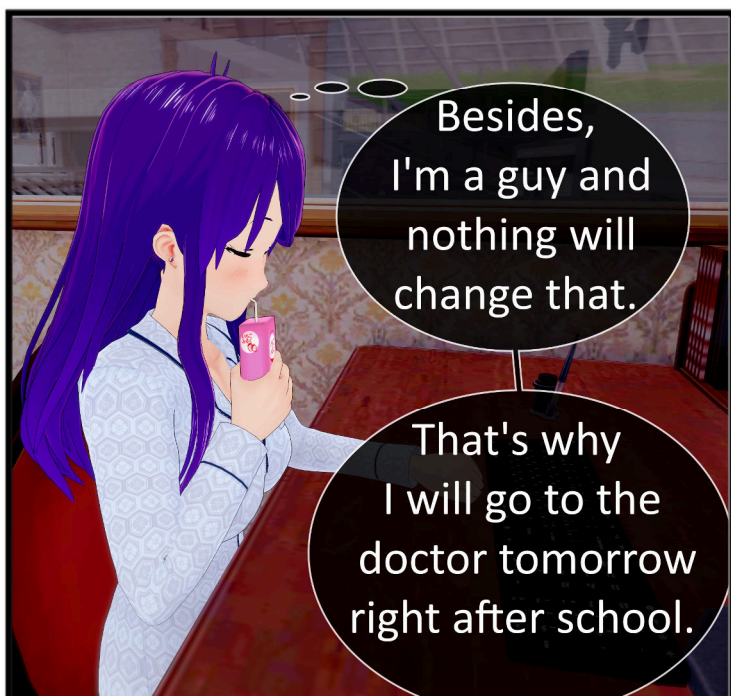

I would rather avoid it.

Or should I accept the fact that I'm a girl now?

But I know very well why I can't do that, I can't leave Raiha alone.

After all, being a girl is not so bad.

Besides, I'm a guy and nothing will change that.

That's why I will go to the doctor tomorrow right after school.

Or should I try to do it with Nino first?

Ymm... My butt still feels weird after the last time.

And that feeling doesn't want to go away at all

Besides, it's gay.

Although I feel I probably have no choice.

sigh

I'm sure I'll regret this.

I just hope Nino is still awake.

Nino, great to see you.

I was just walking towards you.

Yes, I need to talk to you about something.

Really?

What do you want to talk to me about?

Eee...

embarrassed

You'd better come in, I don't want the girls to hear anything.

So, what did you want to talk to me about?

Are you sure about that?

I want to try again to win our bet.

Yes.

This time I will stand up to your caresses.

And I will prove to you once and for all that I am still a guy.

Shocked

hehe

Then let's get started.

Ichika,
it's you!

Shocked

Please
don't talk
about it for the
others.

Yes.

I was curious
what you were
hiding but I didn't
expect that.

Why, I'm sure
they would be interested
in it too.

No, I'll do
whatever you
want just don't
say anything to
them.

Really?

Yes.

Well...

In that
case...

I won't tell anyone.

Next time I'll try to find out what she's planning on.

Thanks and what do you want in return?

Actually, since I have the opportunity...

Do you remember when I said that I already had my first kiss?

Yes, but you didn't say with whom.

I'm a little ashamed, but my first kiss was with a girl.

embarrassed

What?

You kissed with a girl?

This is not funny at all.

embarrassed

Eee...

After all, there is such a thing as male breasts.

Mutsumi-chan, men don't have such large breasts.

And you can say what you want but it doesn't change the fact that you look like a girl.

I know.

But as long as I have a penis I will still consider myself as a man.

And nothing will change that.

Hehe. A little more and you won't have one.

Mutsumi-chan~

Has anyone seen my pullover!

Maybe Mutsumi-chan has seen it?

We'll finish another time.

After all, it's better that no one sees us.

Especially Nino.

Right?

Yes, it's better that no one knows about it.

I don't know why but I feel disappointed.

Disappointed
I have to be careful because I think I'm really starting to like it.

The next day at school ...

Yesterday
I again failed to get close
to Mutsumi-chan .

Well ... I have
to keep trying
in the end I will
succeed.

I don't
understand how
Nino makes it.

The only
question is, will I
make it in time?

Congratulations
Mutsumi-chan 99%

No, second
place again.

I need to make
more effort next
time.

Because from what
I can see Mutsumi-chan
is still trying to become
a guy again.

But
what's
worse is that
he might
succeed.

Especially since
he has reconciled
with Naomi.

Mutsumi-chan ,
relax a little nothing
will happen if you
are not the best.

I admire your
ambition.

No way,
not until
I'm the best
again.

Determined

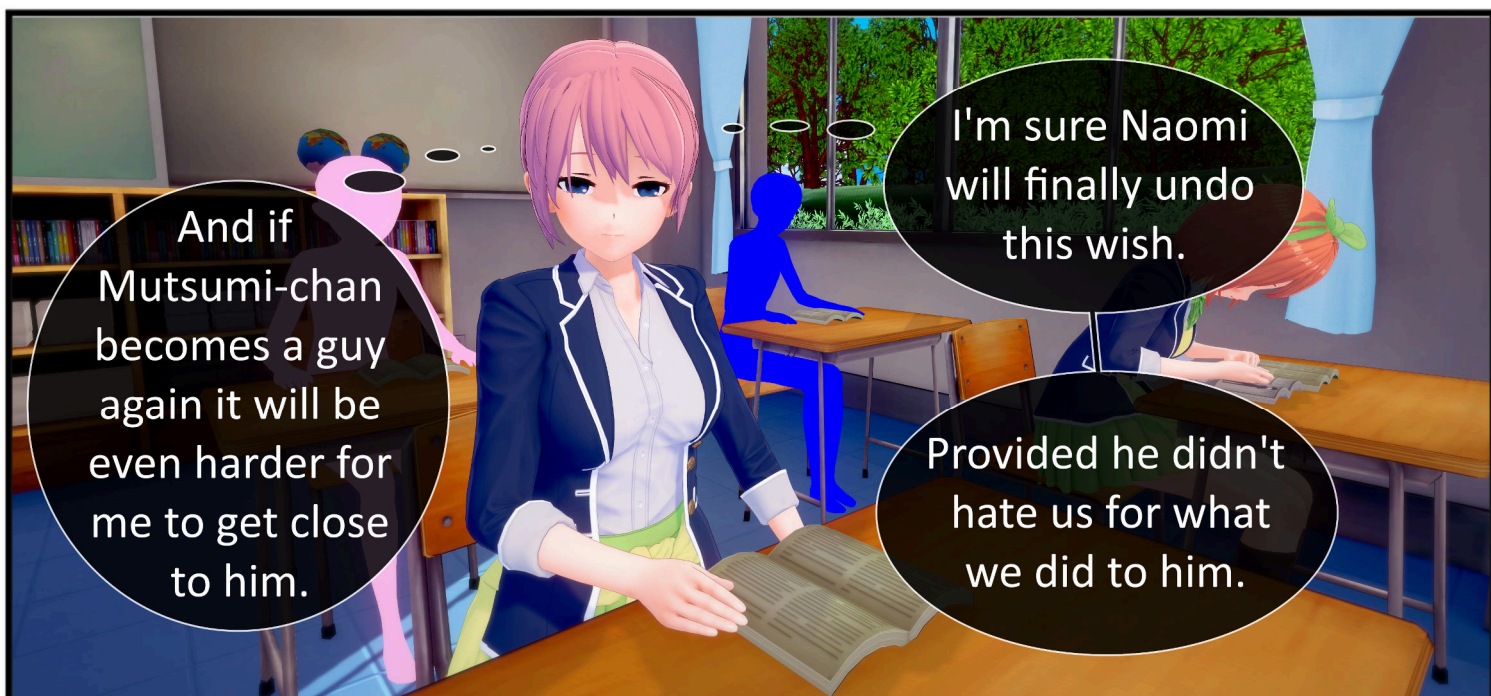

Wow,
even though
she has such a
high score she
is still trying
to be better.

Zian 31%,
get to work!

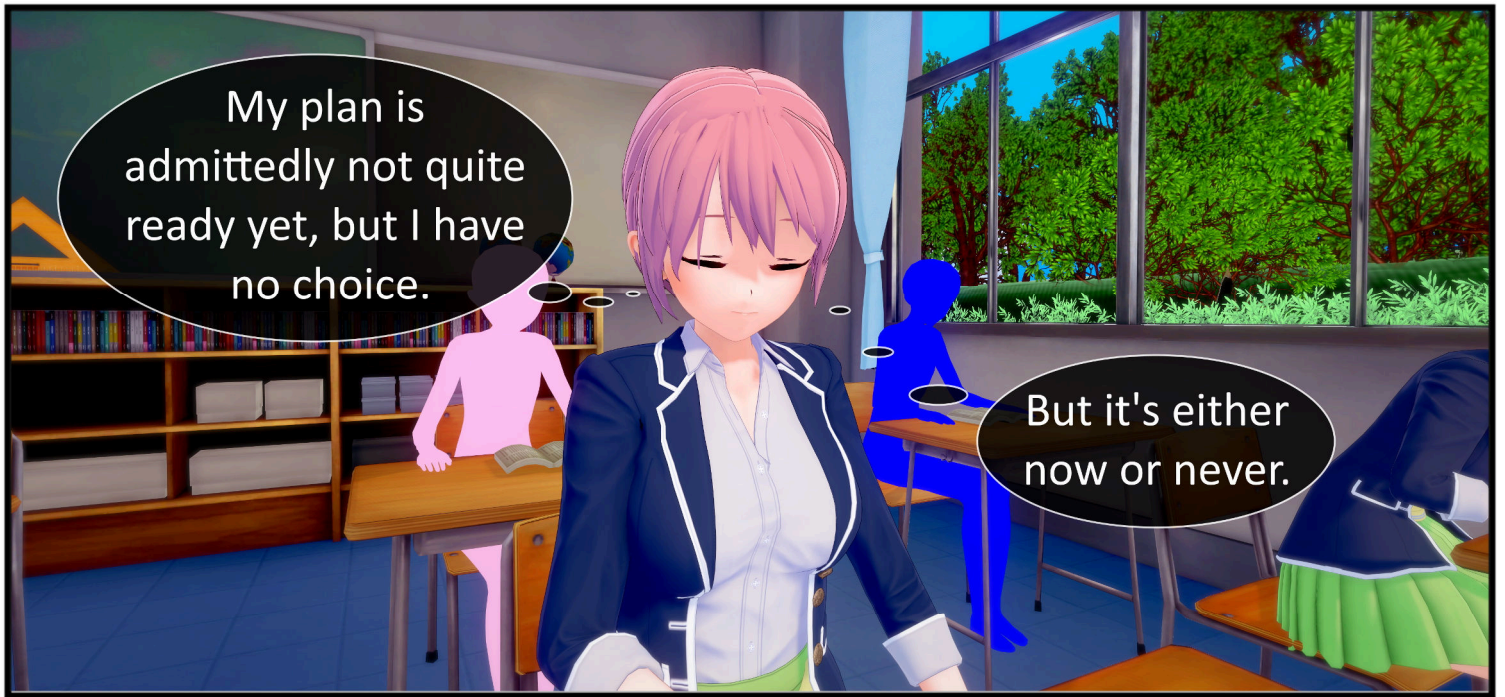

I wonder
if she gives
tutoring?

And if
Mutsumi-chan
becomes a guy
again it will be
even harder for
me to get close
to him.

I'm sure Naomi
will finally undo
this wish.

Provided he didn't
hate us for what
we did to him.

My plan is admittedly not quite ready yet, but I have no choice.

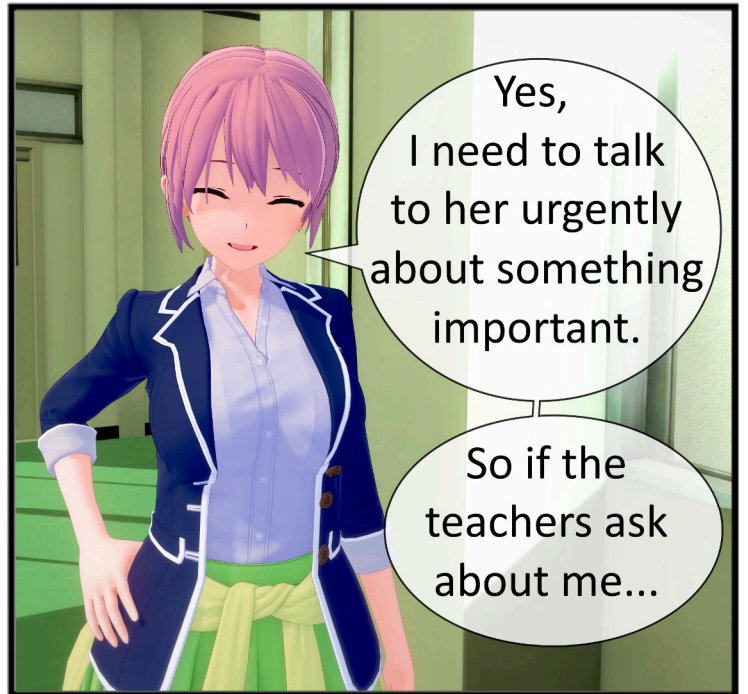

But it's either now or never.

During the break...

What are you going to Naomi.

Really?

Yes, I need to talk to her urgently about something important.

So if the teachers ask about me...

shocked

What?

I'm going with you.

During the drive...

I hope to finally see some magic.

Gosh I already can't wait to see Naomi's room.

In that case, I must make you sad.

From what Itsuki said, her room looks pretty normal.

It's definitely camouflage.

I'm sure she has some kind of hidden portal in the closet.

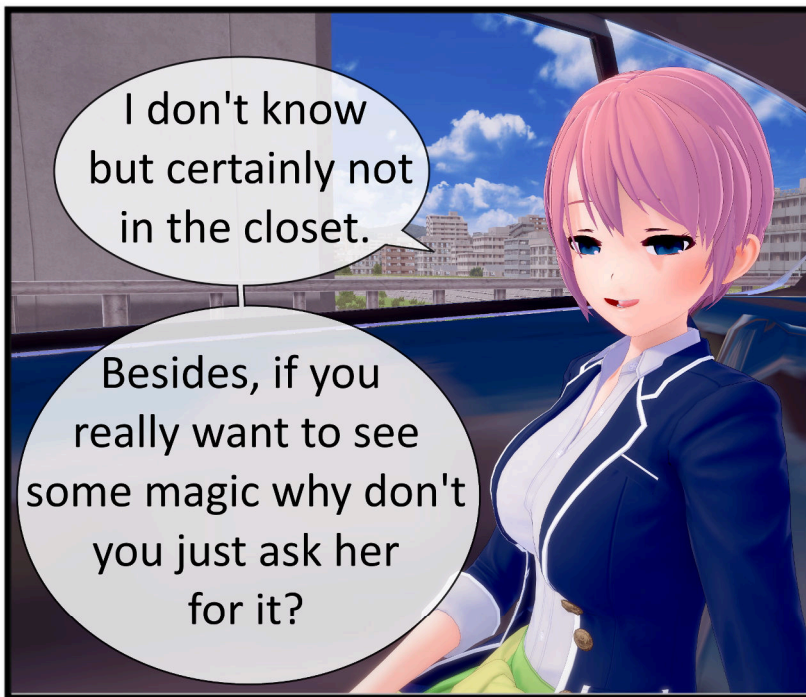

Excited

I think you've watched too many movies.

Do you really think she has something like that in her closet?

Yes, and where do you think she could hide it?

I don't know but certainly not in the closet.

Besides, if you really want to see some magic why don't you just ask her for it?

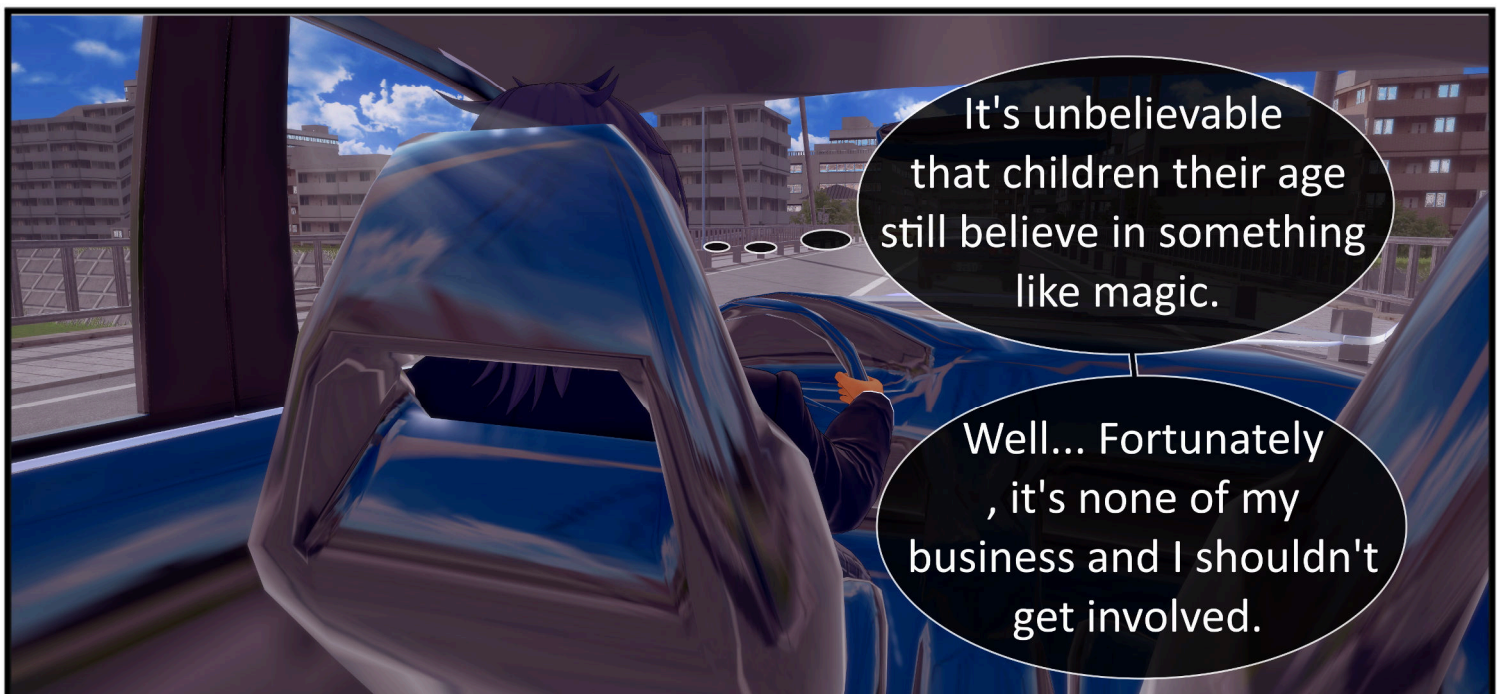

Maybe you're right.

I don't think Yotsuba will ever change.

After all, a lot depends on it.

I just hope that my plan will work.

It's unbelievable that children their age still believe in something like magic.

Well... Fortunately, it's none of my business and I shouldn't get involved.

At Yuri-chan's house...

It's great to see you girls again.

So you say you need to talk to Naomi.

Couldn't you have called instead of driving so many kilometers?

Unfortunately, this is not a phone call.

Ah I see already.

You want her to grant you your wish.

Yes.

And by the way, how does she feel, maybe it's a bad time to ask her for something?

Don't worry. she's fine already.

Really, so soon? After all, Itsuki said, she looked like she was hit by a truck.

Yes, but don't forget that we are not ordinary humans.

By the way, what did you want to wish for?

Say, Naomi can resurrect someone?

No, I just...

What!?

Shocked

Is that what you want to ask her?

Don't even mention it in front of her.

Moments later...

Hi girls, have you come for a massage?

If so, sit down, I have just a moment of time. hehe

I'd love to, can I go first?

Yotsuba we don't have time for that.

Have you forgotten why we came?

What, Yotsuba finally knows what to wish for?

I tell you right away, I don't grant any silly wishes like cat ears.

Hehe, don't worry.

I have a slightly different wish, I think it's time for Mutsumi-chan to become a woman.
