I knew signing up at your gym was the right call!

You worked really hard on your sets today, Serena-san.

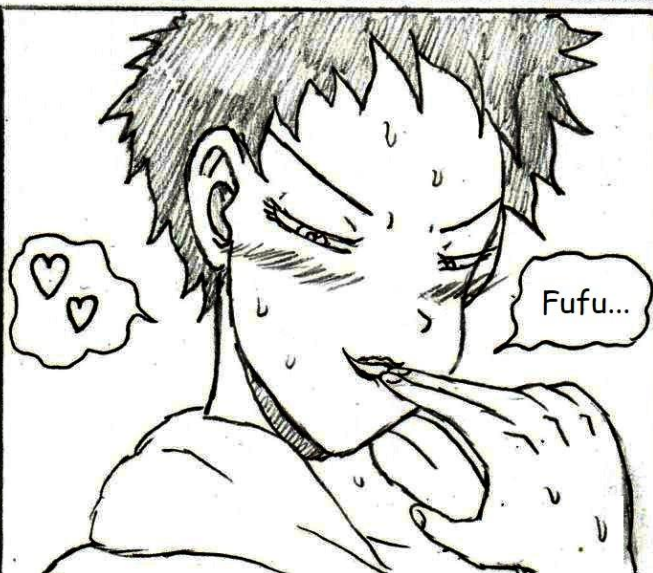

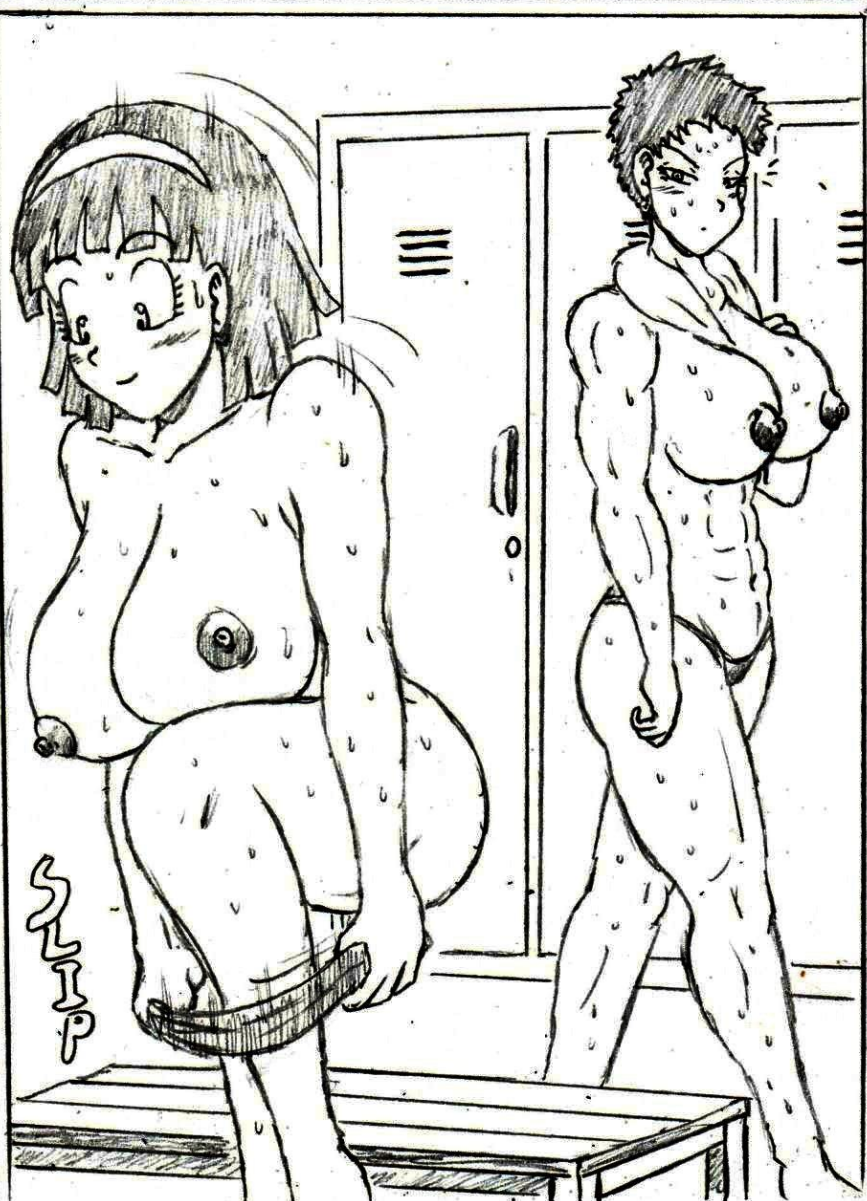

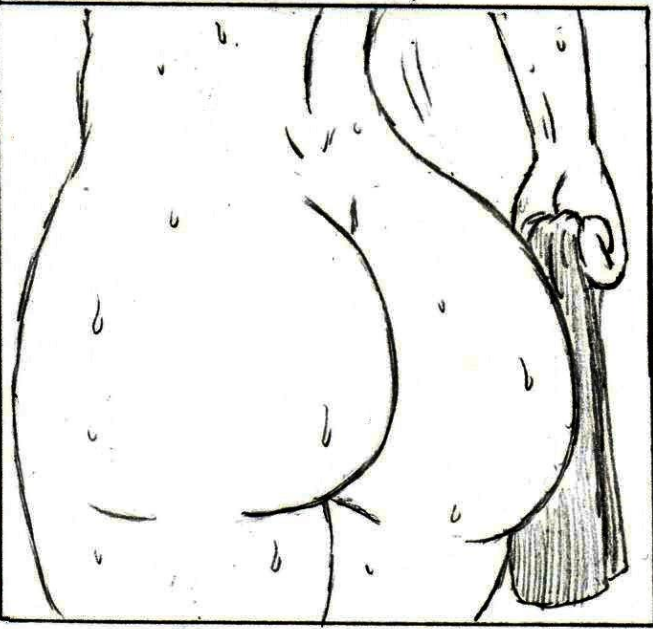

That was an amazing P.T session, Videl-san.

Your lessons are so invigorating.

(Videl) Since we worked up a sweat, let's take a shower.

Yeah!

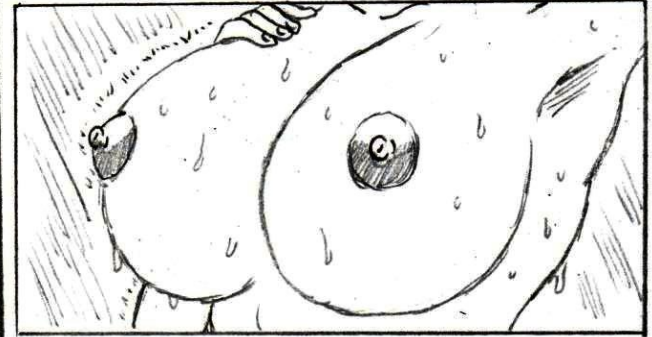

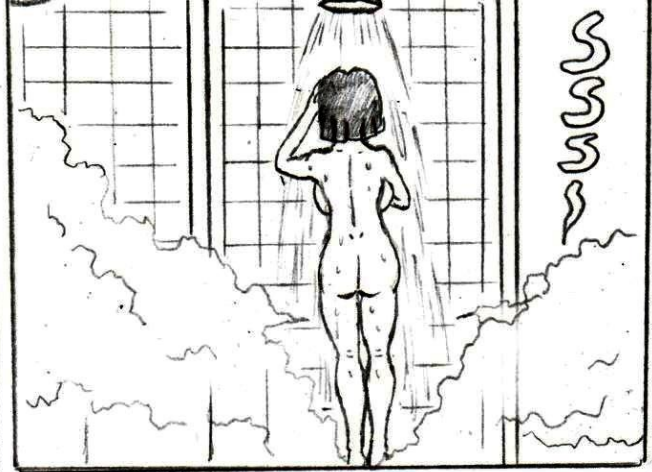

You were great!

Fufu...

SLIP

Aahh...

Ooh... I want to fuck... ♡

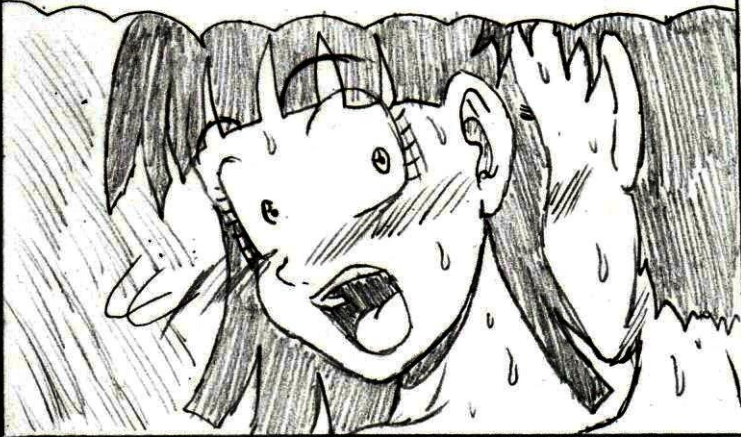

A shower after a workout feels terrific, as usual.

Ah... problem is... mnh... I feel really horny right now. If only Gohan were here. He'd give me a good railing.

Meanwhile... waiting outside her Kindergarten...

Hm... I wonder why mama and papa can't pick me up today...?

Oh, I'm sure they're both just very busy at work again, Pan.

Phooey... I was hoping Videl-san would be here. I was planning on inviting her back to my place for a private martial arts class, so that I could seduce her and plow her all night tonight.

Oh well...

Sigh...
