

Dan City..?

Yep, He wants full immunity there for a year.

Where will he stay?

Well, that's not for us to know, is it?

Dan City.. What could Crush possibly want in that shit-hole..?

Low surveillance, corrupt local government, and it's in the middle of Yunco's territory, he can do plenty of odd jobs to survive.

Hmm..

You're right.

But I still feel like..

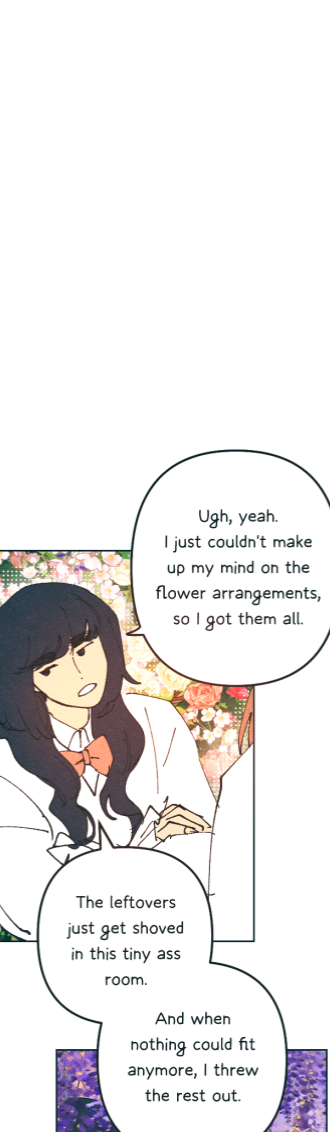

There's something else..

Thanks for closing the door~

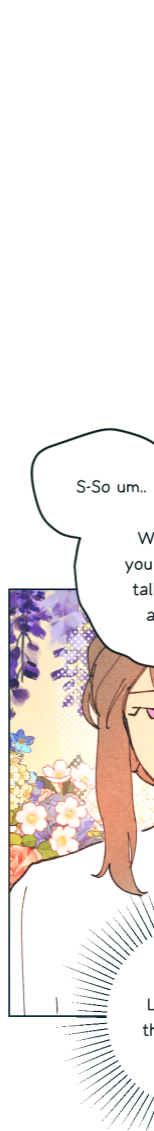

Ofcourse!

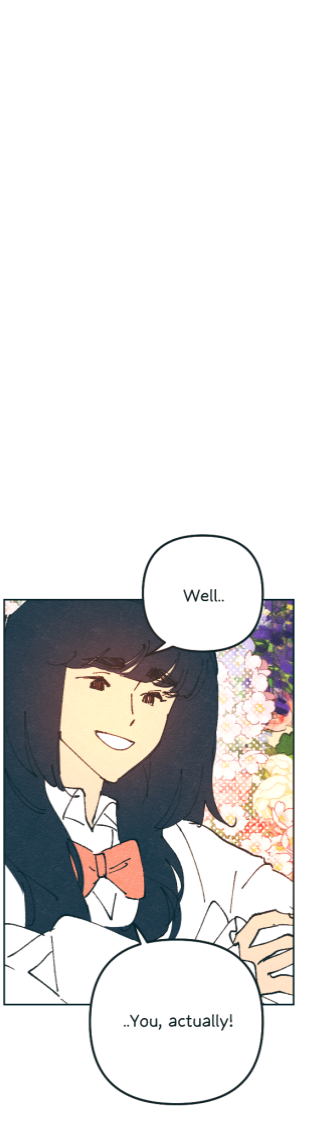

I apologize for stealing you from your group,

This'll be quick, I promise!

Oh, haha.. It's your wedding so who am I to say no..

Damn..

You had an entire room filled with flowers..?

Thank GOD I don't have a pollen allergy..

Ugh, yeah. I just couldn't make up my mind on the flower arrangements, so I got them all.

The leftovers just get shoved in this tiny ass room.

And when could fit anymore, I threw the rest out.

I see..

THIS ROOM IS BIGGER THAN MY OLD APARTMENT. SO WASTEFUL...

S-So um..

What did you want to talk to me about?

Let's just get this over with.

Well..

..You, actually!

M-Me..?

Yes!!
