I FORGOTT

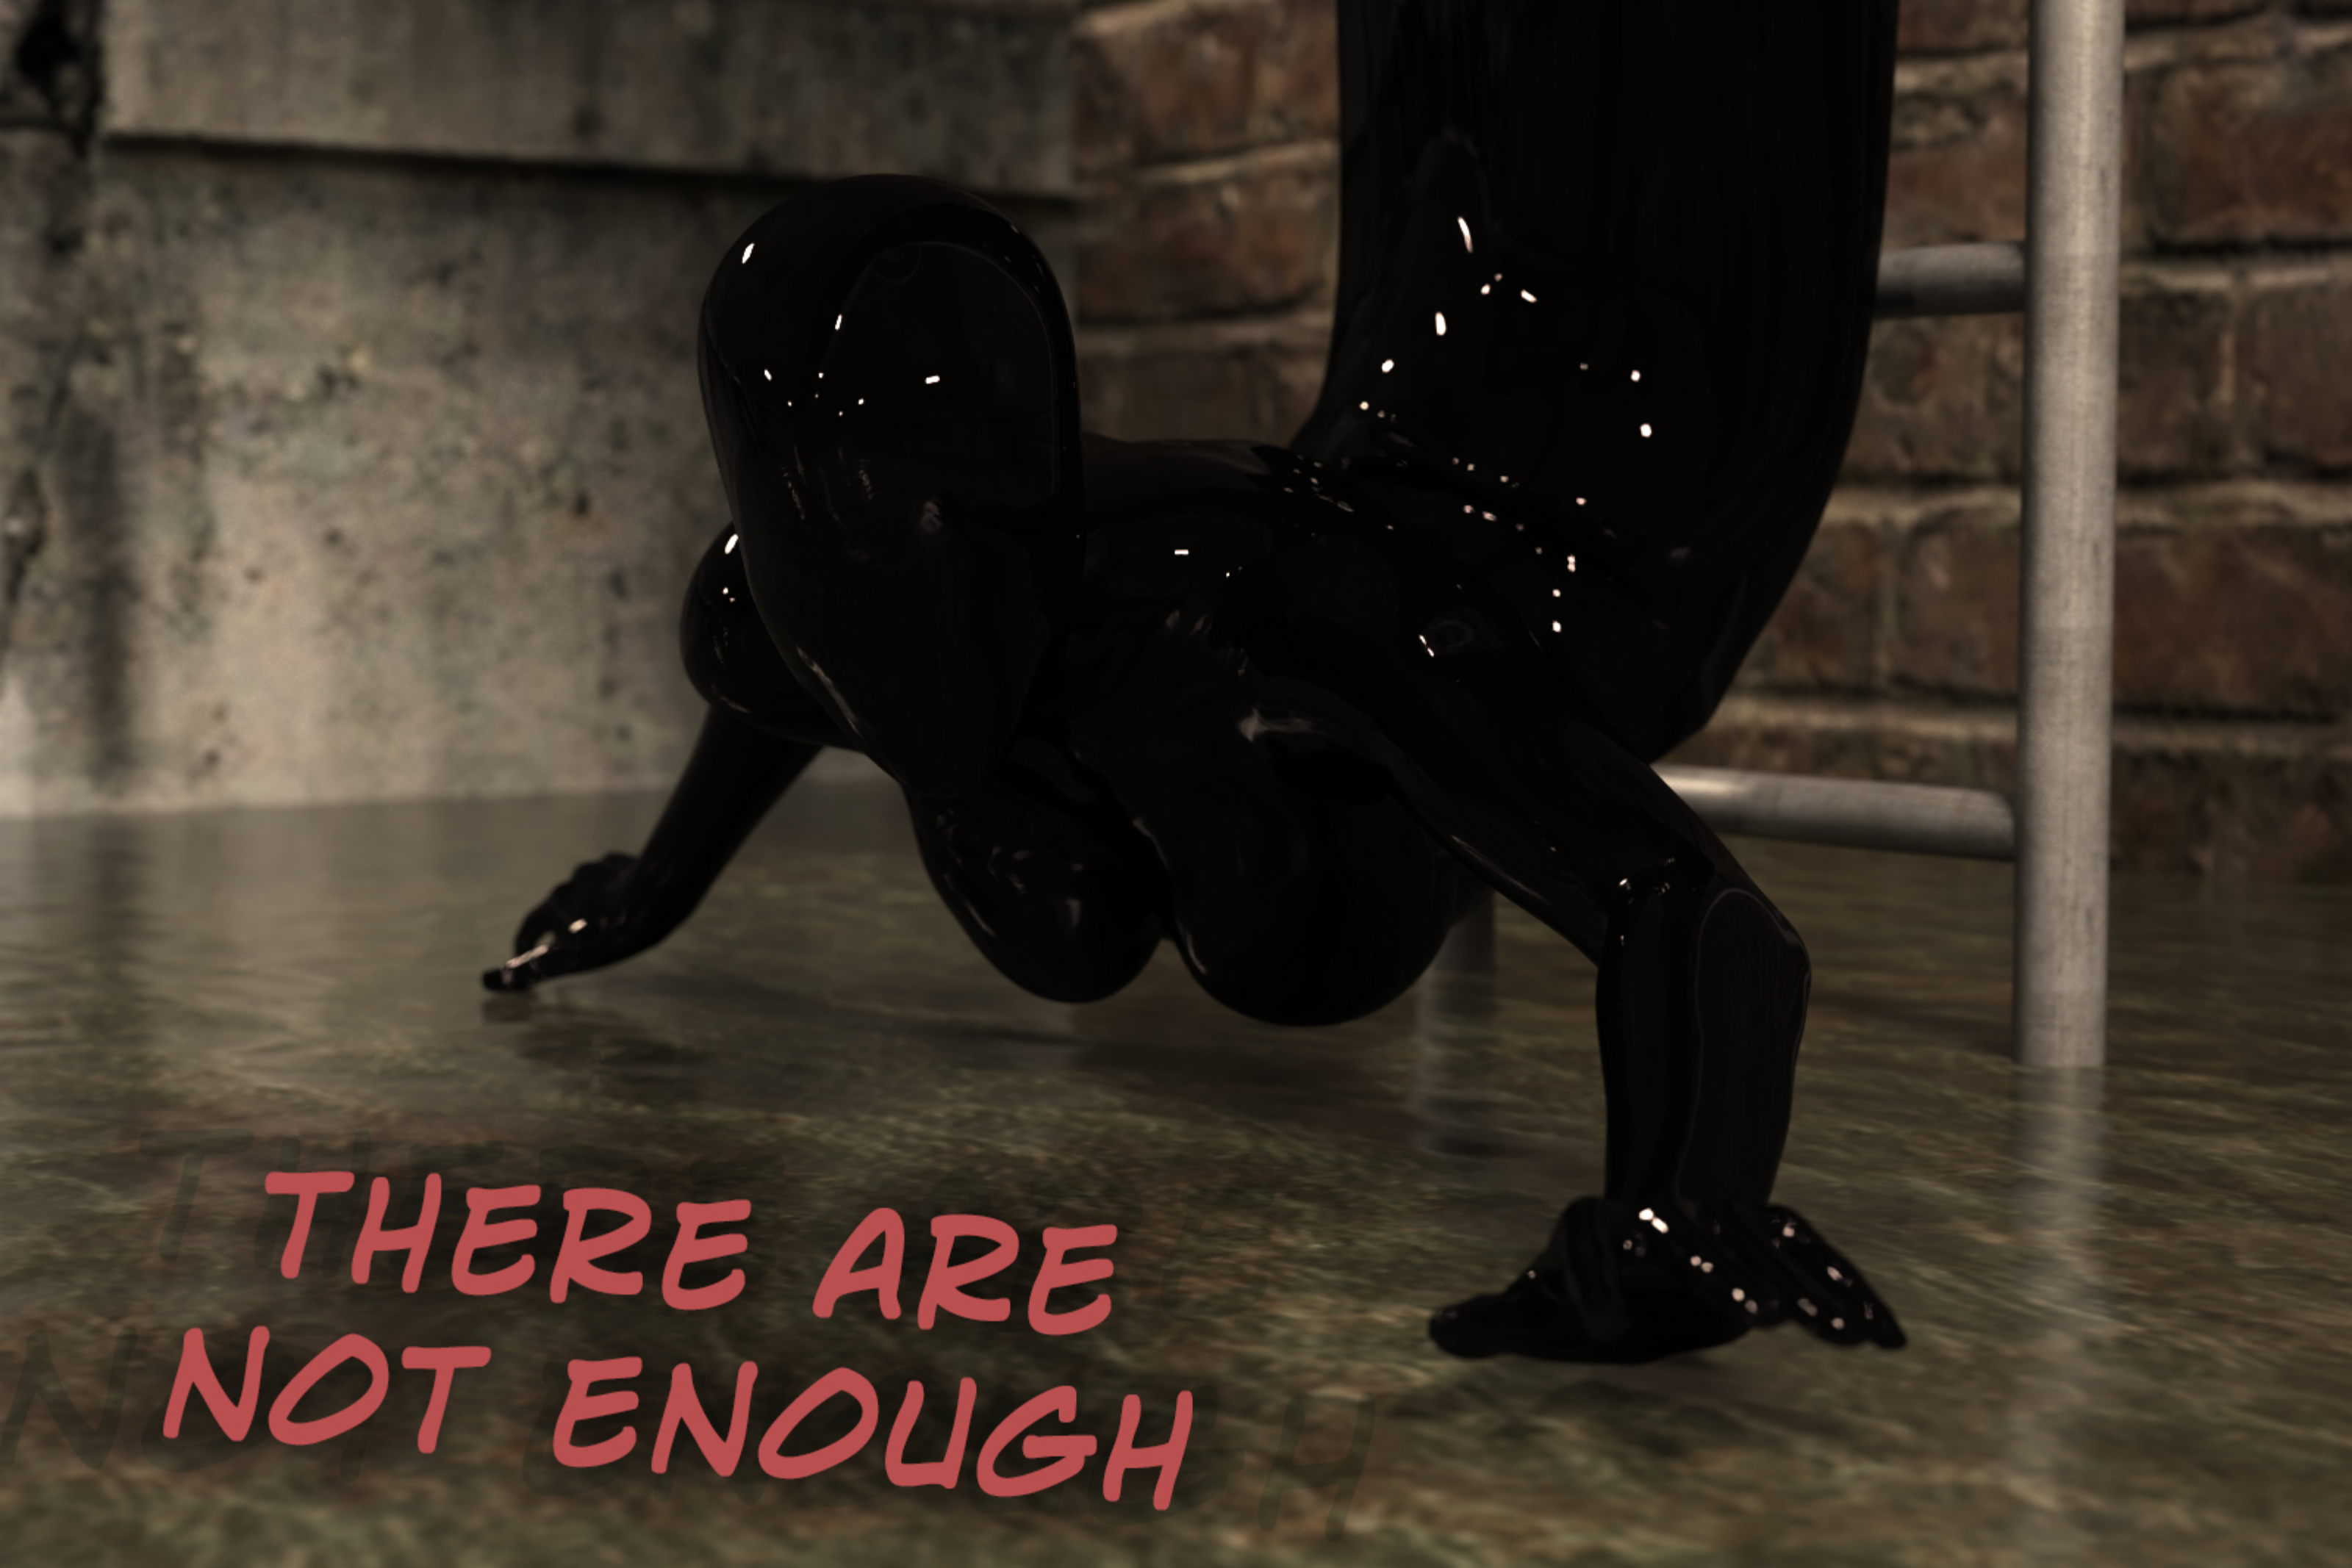

A black, glossy, abstract shape, resembling a liquid or a solidified form, hangs from a metal ladder. The shape is elongated and tapers towards the bottom, with a rounded, bulbous middle section. It is positioned against a brick wall. The ladder's rungs are visible, and the background is a textured brick wall. The overall scene is lit with warm, golden light, creating highlights on the glossy surface of the hanging object.

WE HAVE
MERGED

AND
EVOLVED

A person wearing a shiny black catsuit is hanging upside down from a silver metal ladder. The ladder is positioned against a brick wall. The person's legs are spread apart, and their arms are also spread. The lighting is dramatic, highlighting the glossy texture of the catsuit. The background is a brick wall with a warm, reddish-brown tone.

I LIKE IT

A woman with large breasts and black hair is standing in a modern office. She has her hands behind her head. Three orange speech bubbles are overlaid on the right side of the image. The background shows a desk with a computer monitor and a window with a view of trees.
