

Chapter 88 - Bulma (3) +18

Bulma's eyes widened as Nahida's sperm began to flow into her mouth. She was surprised, but she kept Nahida's cock in her mouth and continued to suck.

She began to swallow his cum.

"Damn..." Nahida said quietly as her legs lost strength. Bulma kept moving her tongue, and his cock was very sensitive. He held on so as not to lose all the strength in his legs and end up falling over.

"It tastes strange," Bulma said after removing Nahida's cock from her mouth. She then licked the head of his cock and wiped the rest of the sperm that had come out of his urethra.

Nahida saw that and almost came again. He was horny, very horny. He was much hornier than when he had sex with Nazuna. There was no comparison. He doesn't know why he's so excited.

'Maybe it's because she's a famous character in an anime. Yeah, that's it.'

It's like when you fall in love with a famous actress and imagine having sex with her. The difference was that here it was happening: Nahida was having sex with Bulma.

That was unbelievable.

'I should have done this before.' Nahida knew that Bulma would accept him if he tried anything, so he regretted not having done anything before.

"What? You didn't like it?" Bulma asked as she looked up.

"Where did you learn that? I thought you were a virgin."

"I am a virgin! It's just that I've seen some videos before... I studied a bit." Bulma looked away.

"So you mean you studied just to do this for me? How cute."

"Stop it right now! You're embarrassing me!"

"Right after sucking my cock? You're starting to feel ashamed right now?" Nahida scoffed, and Bulma pouted. "Okay, okay, but it's unfair that only I feel good."

Nahida then began to remove Bulma's panties. After Bulma's panties were removed, she spread her legs.

"It's so beautiful," Nahida said.

"Don't say anything!" Bulma was as red as a tomato.

'She's not ashamed to suck my cock, but she's ashamed to show her private parts?' Nahida smiled. He approached Bulma's pussy, and she turned her head. She couldn't look him in the eye.

Nahida thought it was cute.

'Her body is shaking.' Nahida brought his fingers to Bulma's pussy and touched it lightly. When he touched her, Bulma's body trembled even more, and she let out a cute moan.

Hm~~

It was a low moan. However, her moans began to get louder as her pussy became wetter from the touch of Nahida's fingers.

'Her insides are so hot.' Nahida slipped his finger inside Bulma's pussy and searched for her weak spot.

Hnnghh~~

"Wait, wait! Stop!" Bulma said. Her eyes were wide, and she had goosebumps. As soon as Nahida touched her weak spot, a bolt of lightning ran through her entire body, making her lose her mind momentarily.

"What? Don't you like that?" However, Nahida didn't stop.

"Hmgh, Hmm, wait... Ahh... Hmmm... Haaannng~~" She began to moan loudly, and her body began to convulse. Nahida increased the speed of the movements on his finger until Bulma reached her limit.

Hhmmmmgh~~

With a loud moan, Bulma's liquid squirted out and flew towards Nahida's face. He didn't mind his face getting wet.

'She came...!' Nahida took his finger out of Bulma's pussy and licked it.

Nahida then grabbed Bulma's legs and dragged her closer to him, placing his cock in the entrance of her pussy.

"Wait, you can't do that now! I haven't recovered yet!" Bulma said desperately. She was drooling and couldn't think very well. However, Nahida didn't listen.

"Now that you've cum and you're so sensitive, you'll feel even better."

"N-"

AARRNNNGGG!

Nahida's cock slid into Bulma's soft, wet pussy. Her pussy clenched hard, and the walls of her pussy contracted. She was cumming again.

'Damn, that feels so fucking good.' Nahida's body began to move on its own.

####

Nahida continued to move his hips as Bulma continued to moan loudly.

"You'll end up waking up the other guests." Nahida then stole Bulma's lips to silence her and continued to move her hips. Her moans had now become muffled.

The longer it went on, the more breathless Bulma became. She had forgotten how to breathe.

Her mind began to go blank.

'That feels so good, my God.' She thought before cumming a third time. Nahida felt it with his cock. The inside of Bulma's pussy contracted.

"How many times have you come?" Nahida parted his lips from Bulma's. He looked at her face and noticed how ecstatic she was. Drool was running down her cheeks, and Bulma's eyes were unfocused.

She could no longer understand what was happening. She had been overwhelmed by pleasure.

Nahida became even more aroused seeing how she was doing. He thrust his hips even harder and faster.

Haaann~~

Hnnngh~~

hAAAA~~

"Nahida, I can't take it anymore." Bulma finally said something. She then hugged Nahida tightly and wrapped her legs around his ass. Then Nahida's sperm was pumped into Bulma's womb.

She bit Nahida's shoulder, leaving the imprint of her teeth on it.

Nahida couldn't stop cumming. Bulma's womb had filled up with sperm.

However, Nahida was still hard.

"It's going to be a long night," Bulma said.
