The first time we
saw each other..
was on that bridge.

And it was strange
that you kept asking
about C-2000.

You almost killed
me, I supposed.
Until I offer you a
shelter, you agreed.

And I have myself
a machine that can
transform into anyone..

Lead me
to there, now!

"Not like.. I will live with a machine in a girl form.."

"..Eh..?..
I'm still..
dreaming..
Must be.."

"It should be a dream! I need to confirm myself."

Ouch!! That
was a pain slap!

So noisy.. What are you doing?

Telling myself
that you weren't real..

Huh..? Why?
Am I bothering you?

Well.. Nothing..
It just we been
through a lot.

It because you
thought I was
going to kill you?

Then, how long
have we lived
together?

About a month
since that incident?

Uhm.. Why do you look so serious?

The accurate should
be a month and a week
passed since then!

I'm a human,
not a machine!

And it's April, isn't today your new semester start?

R-Right!! I almost forgot!!

Uh.. Where did I put my bag?

"Tch.. He still too careless."

"Well, with him,
I never worried
about fuels."

Yeah, see you.

See you later
this afternoon.

Hah.. Forgot about what you are here for?

I saw you really
enjoy this life
with that human.

You hacked my system and controlled me to get information about C-2000...

Yes, I did. But not yet killed your lover.

I will priority for
C-2000, and
then you are next.

Illegally travel through time, and having sex with human.

You are just a useless metal scrap, T-001.

Why don't you leave everything and return, hm?

And I doubt you could find anything about C-2000.

Transformed into
the same as me.
What does
that mean?

D-Don't be
ridiculous!

Well, whatever you said will be the evidence against you.

Come to think of it, you weren't much scary.

Enough yet?
This is not funny..

A manga-style illustration featuring a young girl with long, dark purple hair and purple eyes. She has a serious, somewhat menacing expression. She is shown from the chest up, wearing a purple garment. To her left, the back of another person's head and shoulder is visible, with a bright yellow light reflecting off their skin. A speech bubble originates from the purple-haired girl, containing the text "I can kill you whenever I wanted, T-001." in red. The background is a plain, light brown color.

I can kill you
whenever I
wanted, T-001.

Mocking me one more time, I will show you how scary I am.

Remember that
C-2000 is mine.
Don't you dare
stand in my way!

Enjoy your meaningless life, T-001.

"I'm not reckless
in finding C-2000.."

A young man with short, layered brown hair is shown from the back and side, looking out over a vast, bright blue sky filled with soft, white clouds. He is wearing a dark grey or black jacket and has a blue bag with a white strap slung over his shoulder. The scene is set outdoors, with some greenery and a stone railing visible in the lower foreground. A speech bubble is positioned in the upper left quadrant of the image.

"..it just..
something
affected me.."

"I hope she is doing fine at home."

Kojiro! Hey!!

Sawasaki and
Mina! It's been
a while!

Yo.

Still kicking,
and you?

Long time no see,
how are you doing?

A new school
and a new life.

You and Mina
will together?

Yeah, we have
been busy lately.

Don't worry. We still keep in contact, yes?

Oh and by the way, I haven't seen Yuki..

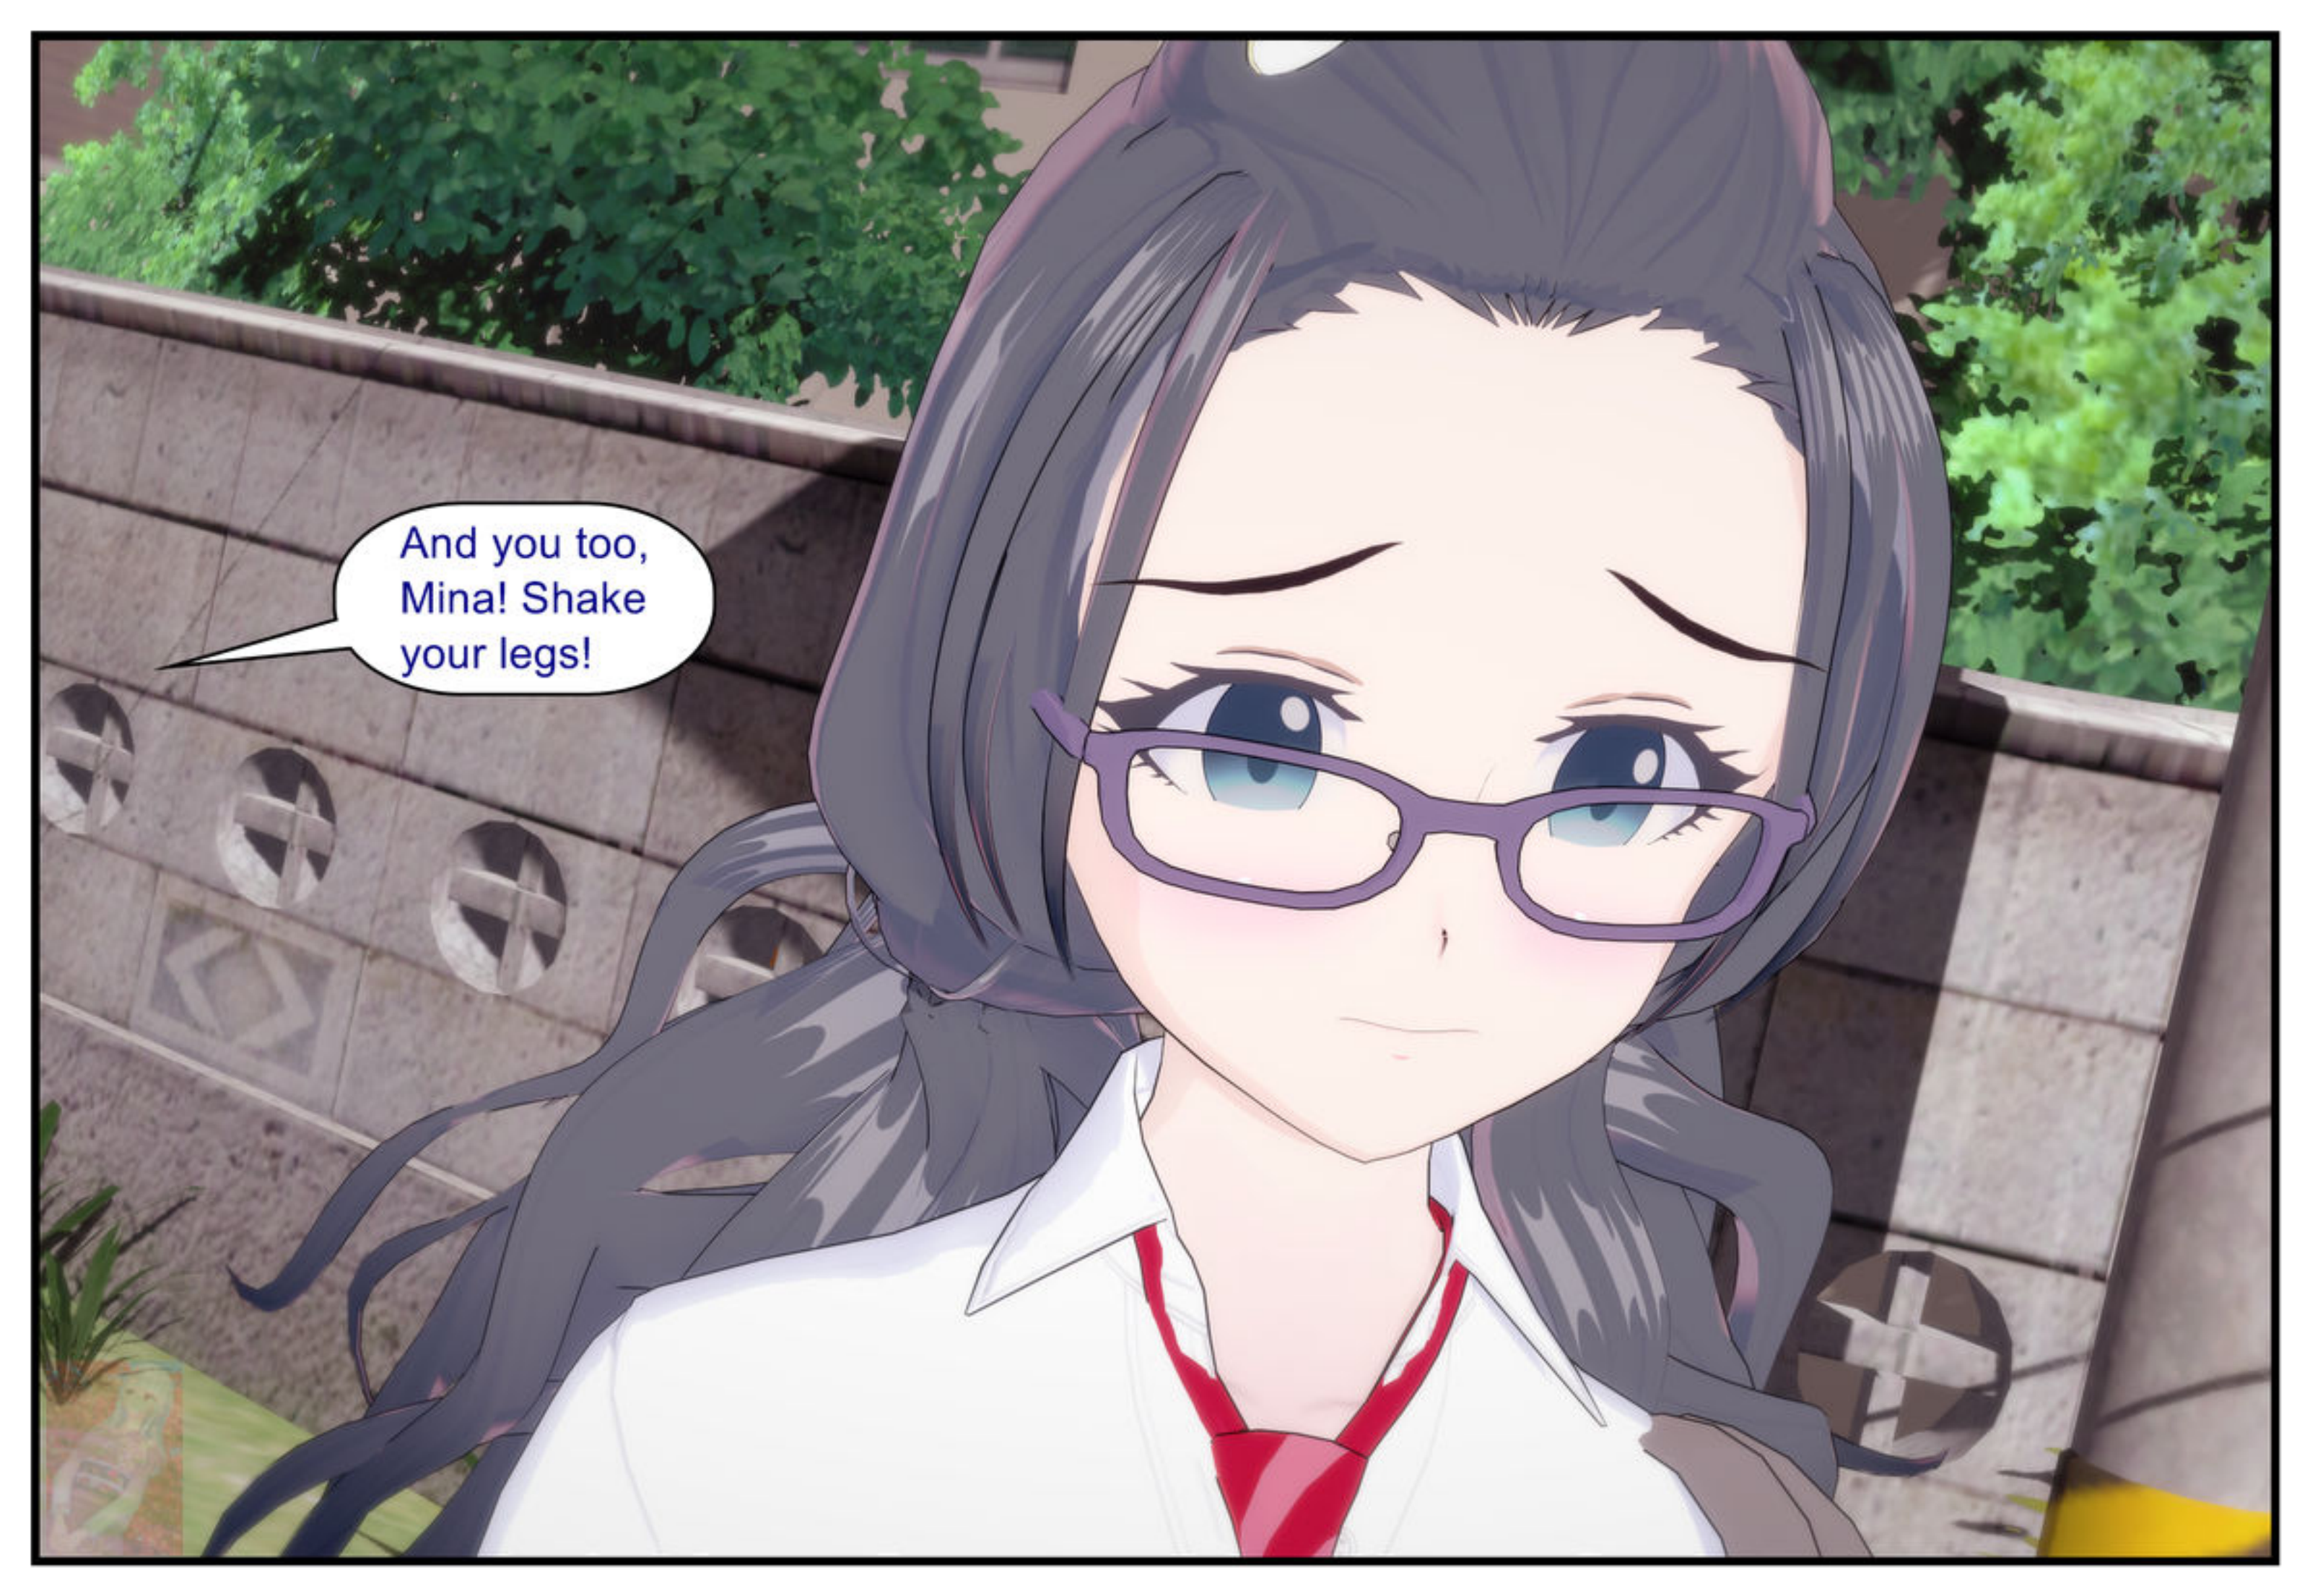

G-Guys..?
What happened?
Where's Yuki?

Well, last time we talked. She said she was sick.

Alright! Come on,
Kojiro! We don't want
to be late for the
new semester!

And you too,
Mina! Shake
your legs!

S-Sorryyyy!!
Wait for me!!

"I felt bored.."

"What can I do now? Go out and find C-2000?"

"But I will need at least a lead. Maybe.. searching through this room."

"Ugh.. Not even
a lead on C-2000!"

"Why my model was built to have hungry feeling like those human?"

"I will need some money to buy.. hm?"

A character with short, spiky blonde hair and a purple t-shirt is shown from the chest up. The character is looking slightly to the right. The background features a traditional Japanese window with a wooden lattice and a yellow paper lantern hanging from a wooden beam. The lantern has Japanese characters written on it. A speech bubble is positioned to the right of the character's head.

"Hm.. If only you had let me work with you.."

"..you wouldn't have been this tragic."
