MY DATE WITH ONI-CHAN

Because of his little plan, Chris dragged me out early in the morning. Maybe it was because he was cute. He was getting too much attention.

I don't really like people staring at Chris. So I'm constantly giving others the evil eye. That's what Onis are good at, after all.

Chris is really acting dangerously today.
When he suddenly grabbed my arm, I had to fight back my urges.
Dammit. We are siblings! Siblings!

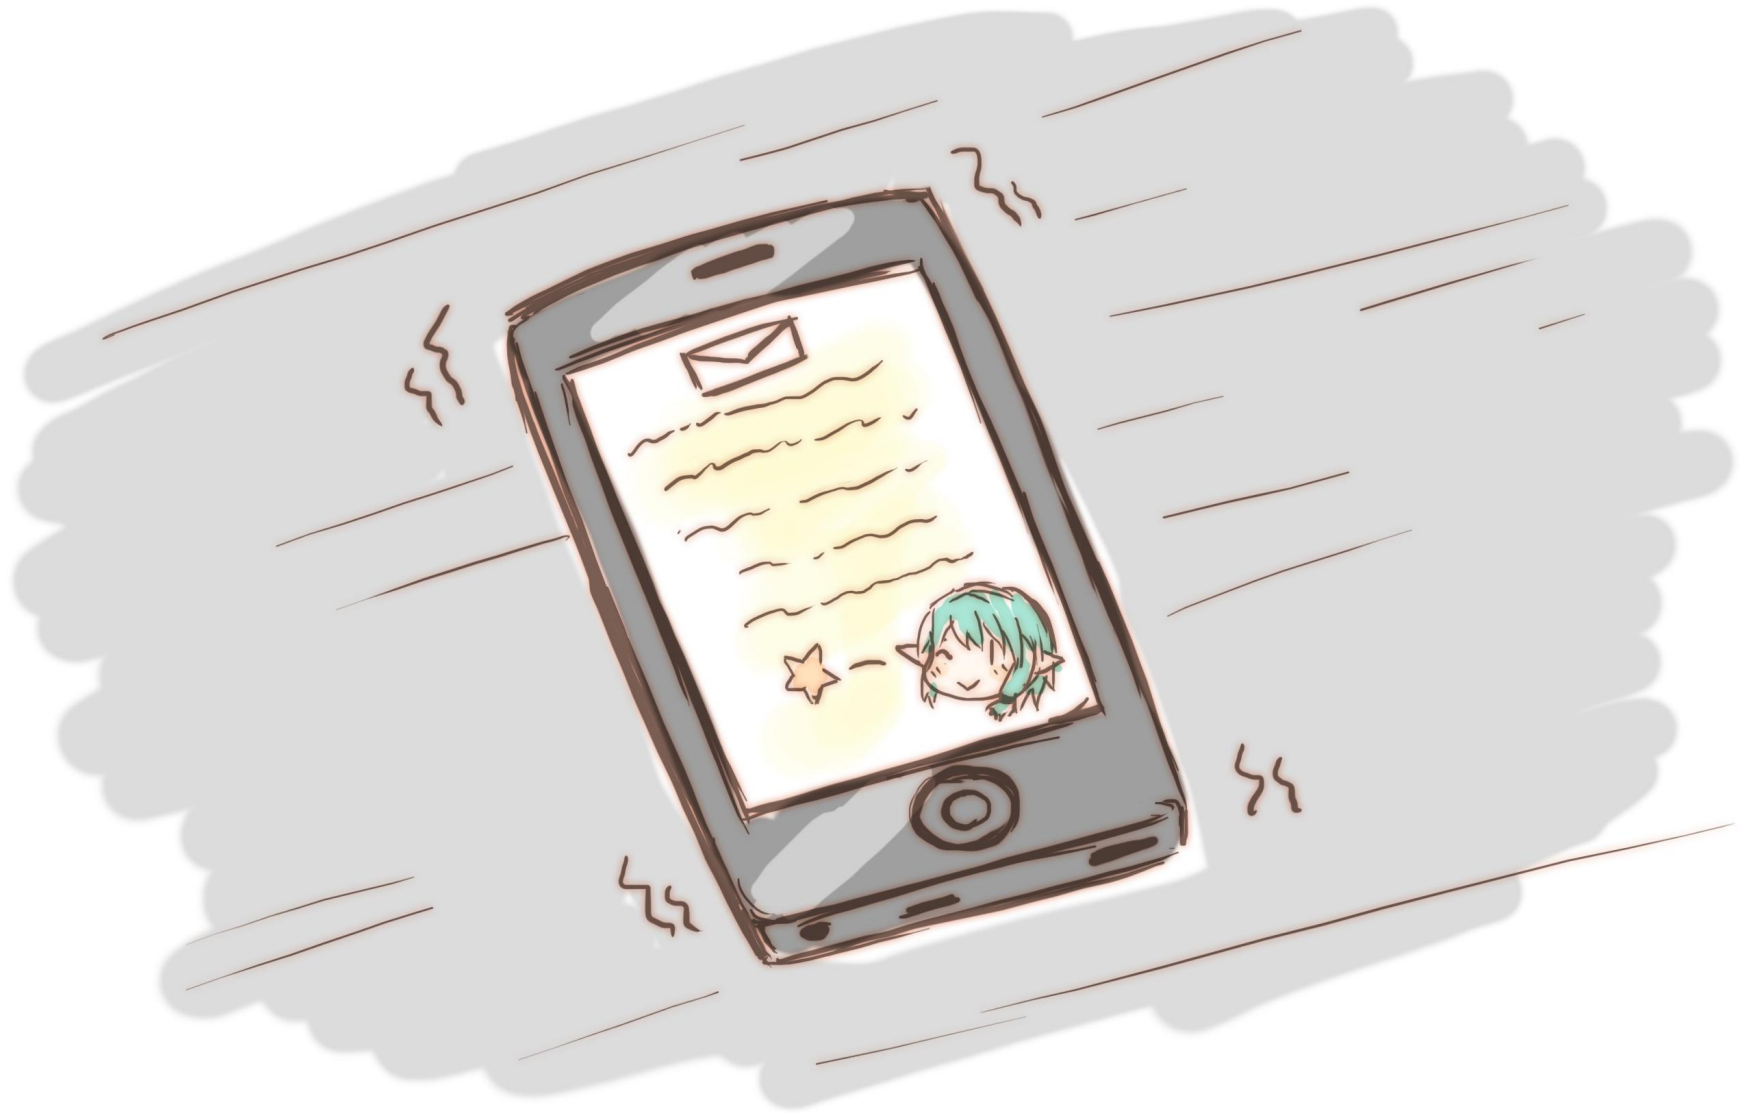

At the cafe, Chris excused himself to go to the toilet.
On second thought, which one did he go to?

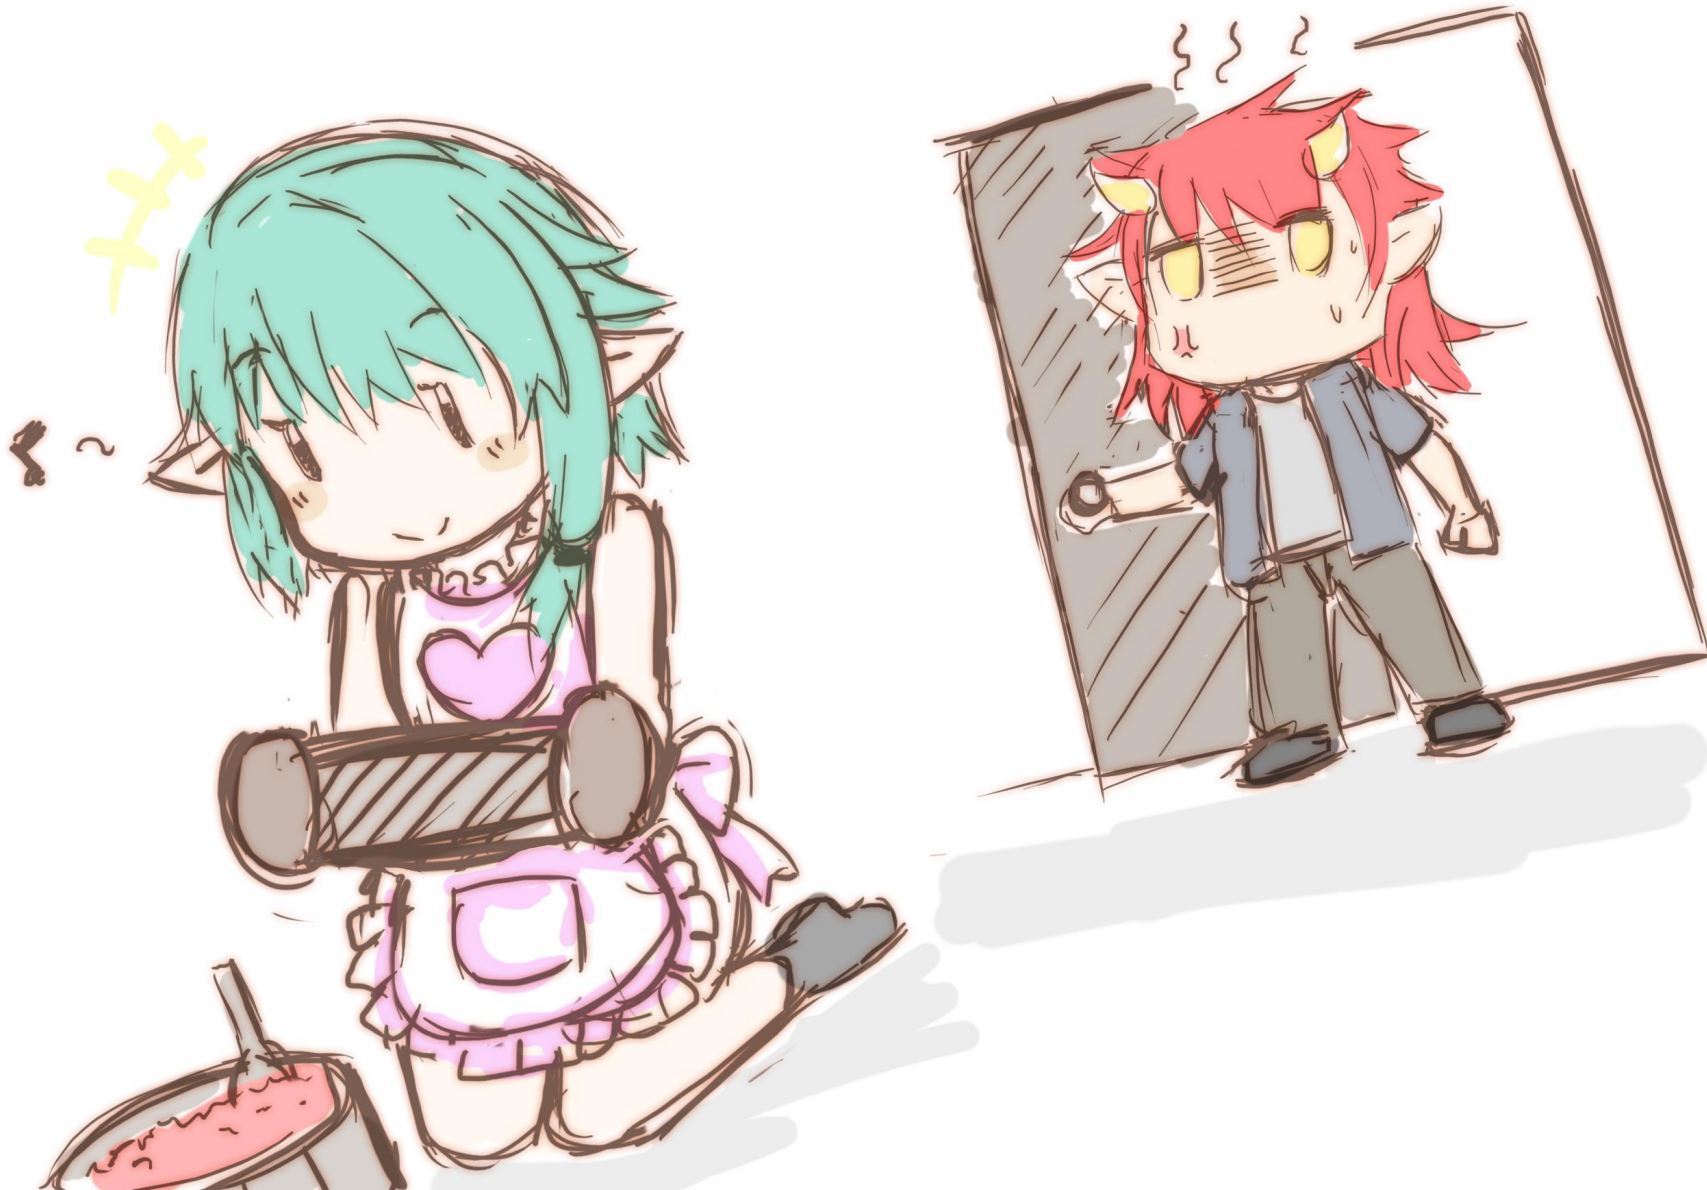

Later on, a lady appeared. She said that
Chris had asked her to come join me.

Soon, Chris sent me a message.
“Mindy is one of our classmates. Gambatte
Oni-chan on the date! I’m heading back to
cook red bean rice. Let’s celebrate tonight!”

Screw the date! What kind of plan was that?!
I left immediately. Upon returning home,
I found Chris actually making the red bean rice.

I was furious. Grabbing his hands, I shouted,
“I told you that I don’t need a girlfriend! Don’t you get it?
As long as you are by my side, I am happy!”

Chris stared dumbly at me.
“Crap,” I thought, “I have crossed the line.”

“Yes, Oni-chan. I will always be by your side.”
