

**GREEN
NURGLE
ARMOUR
STEP-BY-STEP**

• PAINTS REQUIRED:

CALIBAN GREEN

OLIVE GREEN (VALLEJO)

GOLDEN OLIVE (VALLEJO)

ABADDON BLACK

- RUST (OPTIONAL)

MOURNFANG BROWN

SKRAG BROWN

TROLL SLAYER ORANGE

**Base coat:
Caliban green**

**Start glazing the areas
you want to look shiny
with a 1:1 mix of Caliban
green & Olive green**

Glaze towards the center of the previous glazed areas with Olive Green

Glaze towards the very center of the previous glaze with Golden Olive

Now we need some contrast. Glaze the areas that is still covered with caliban green with a 1:1 mix of caliban green & abaddon black. Focus on the center of these areas

Now we focus on the rust. Make a glaze of mournfang brown and glaze all the bruises and random areas on the armour

Glaze the same areas as before, with skrag brown.

Glaze the center of the previous areas with troll slayer orange.

**Edge highlight all the
sharpest edges with
Golden Olive.**

DONE!
