-Nothing to warn for

(Let me know if you need specific CW's)

My current unhealthy obsession is Cal (1984) because he looks like Billie but also because Helen Mirren...awooga. Needless to say, I'm subjecting you all to it as well.

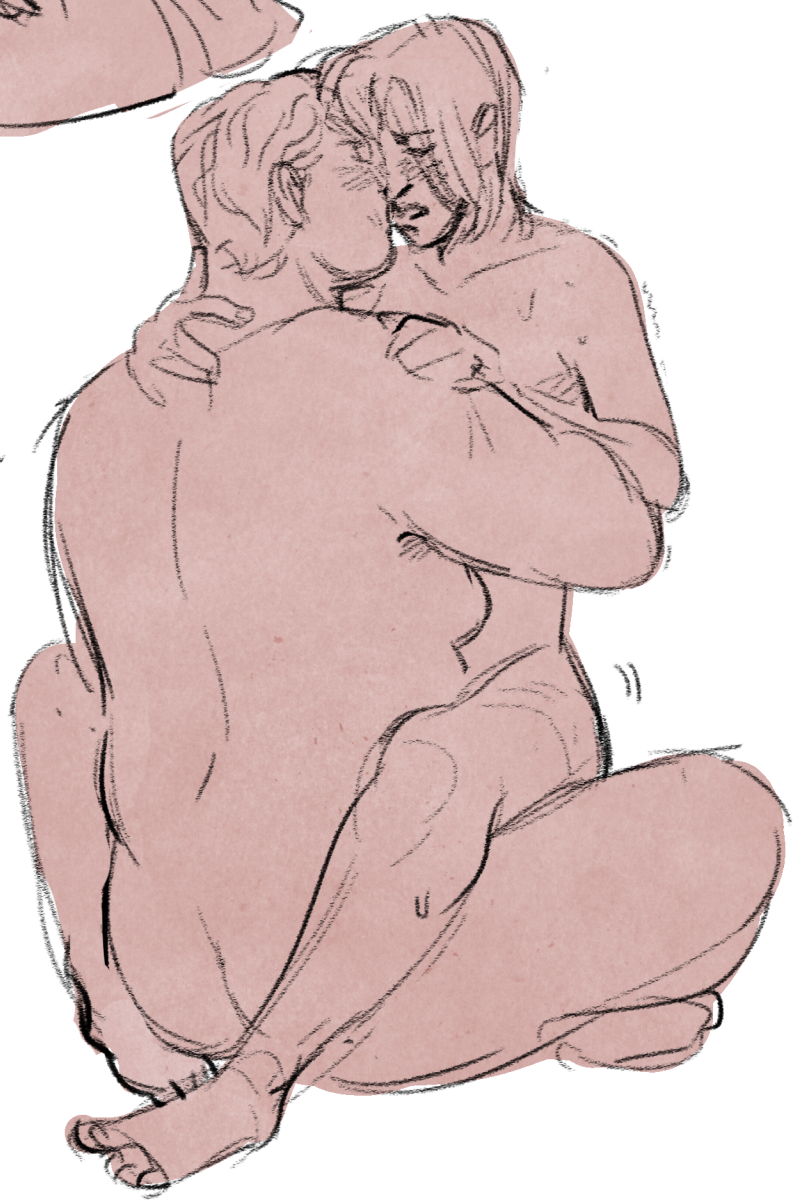

Adding romance scenes I wish were in the movie like a loser.

Billie / Bertie

please?
You do it all the time

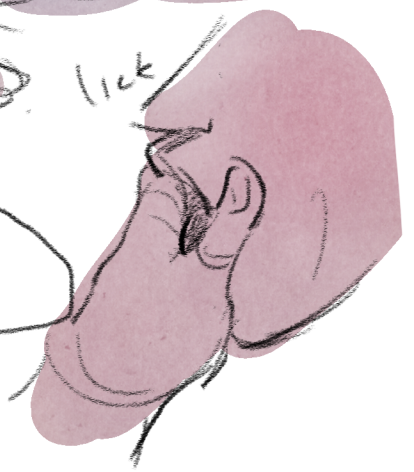

It's different...

I want to try

Okay.
... with the lights off.

oh- there you are

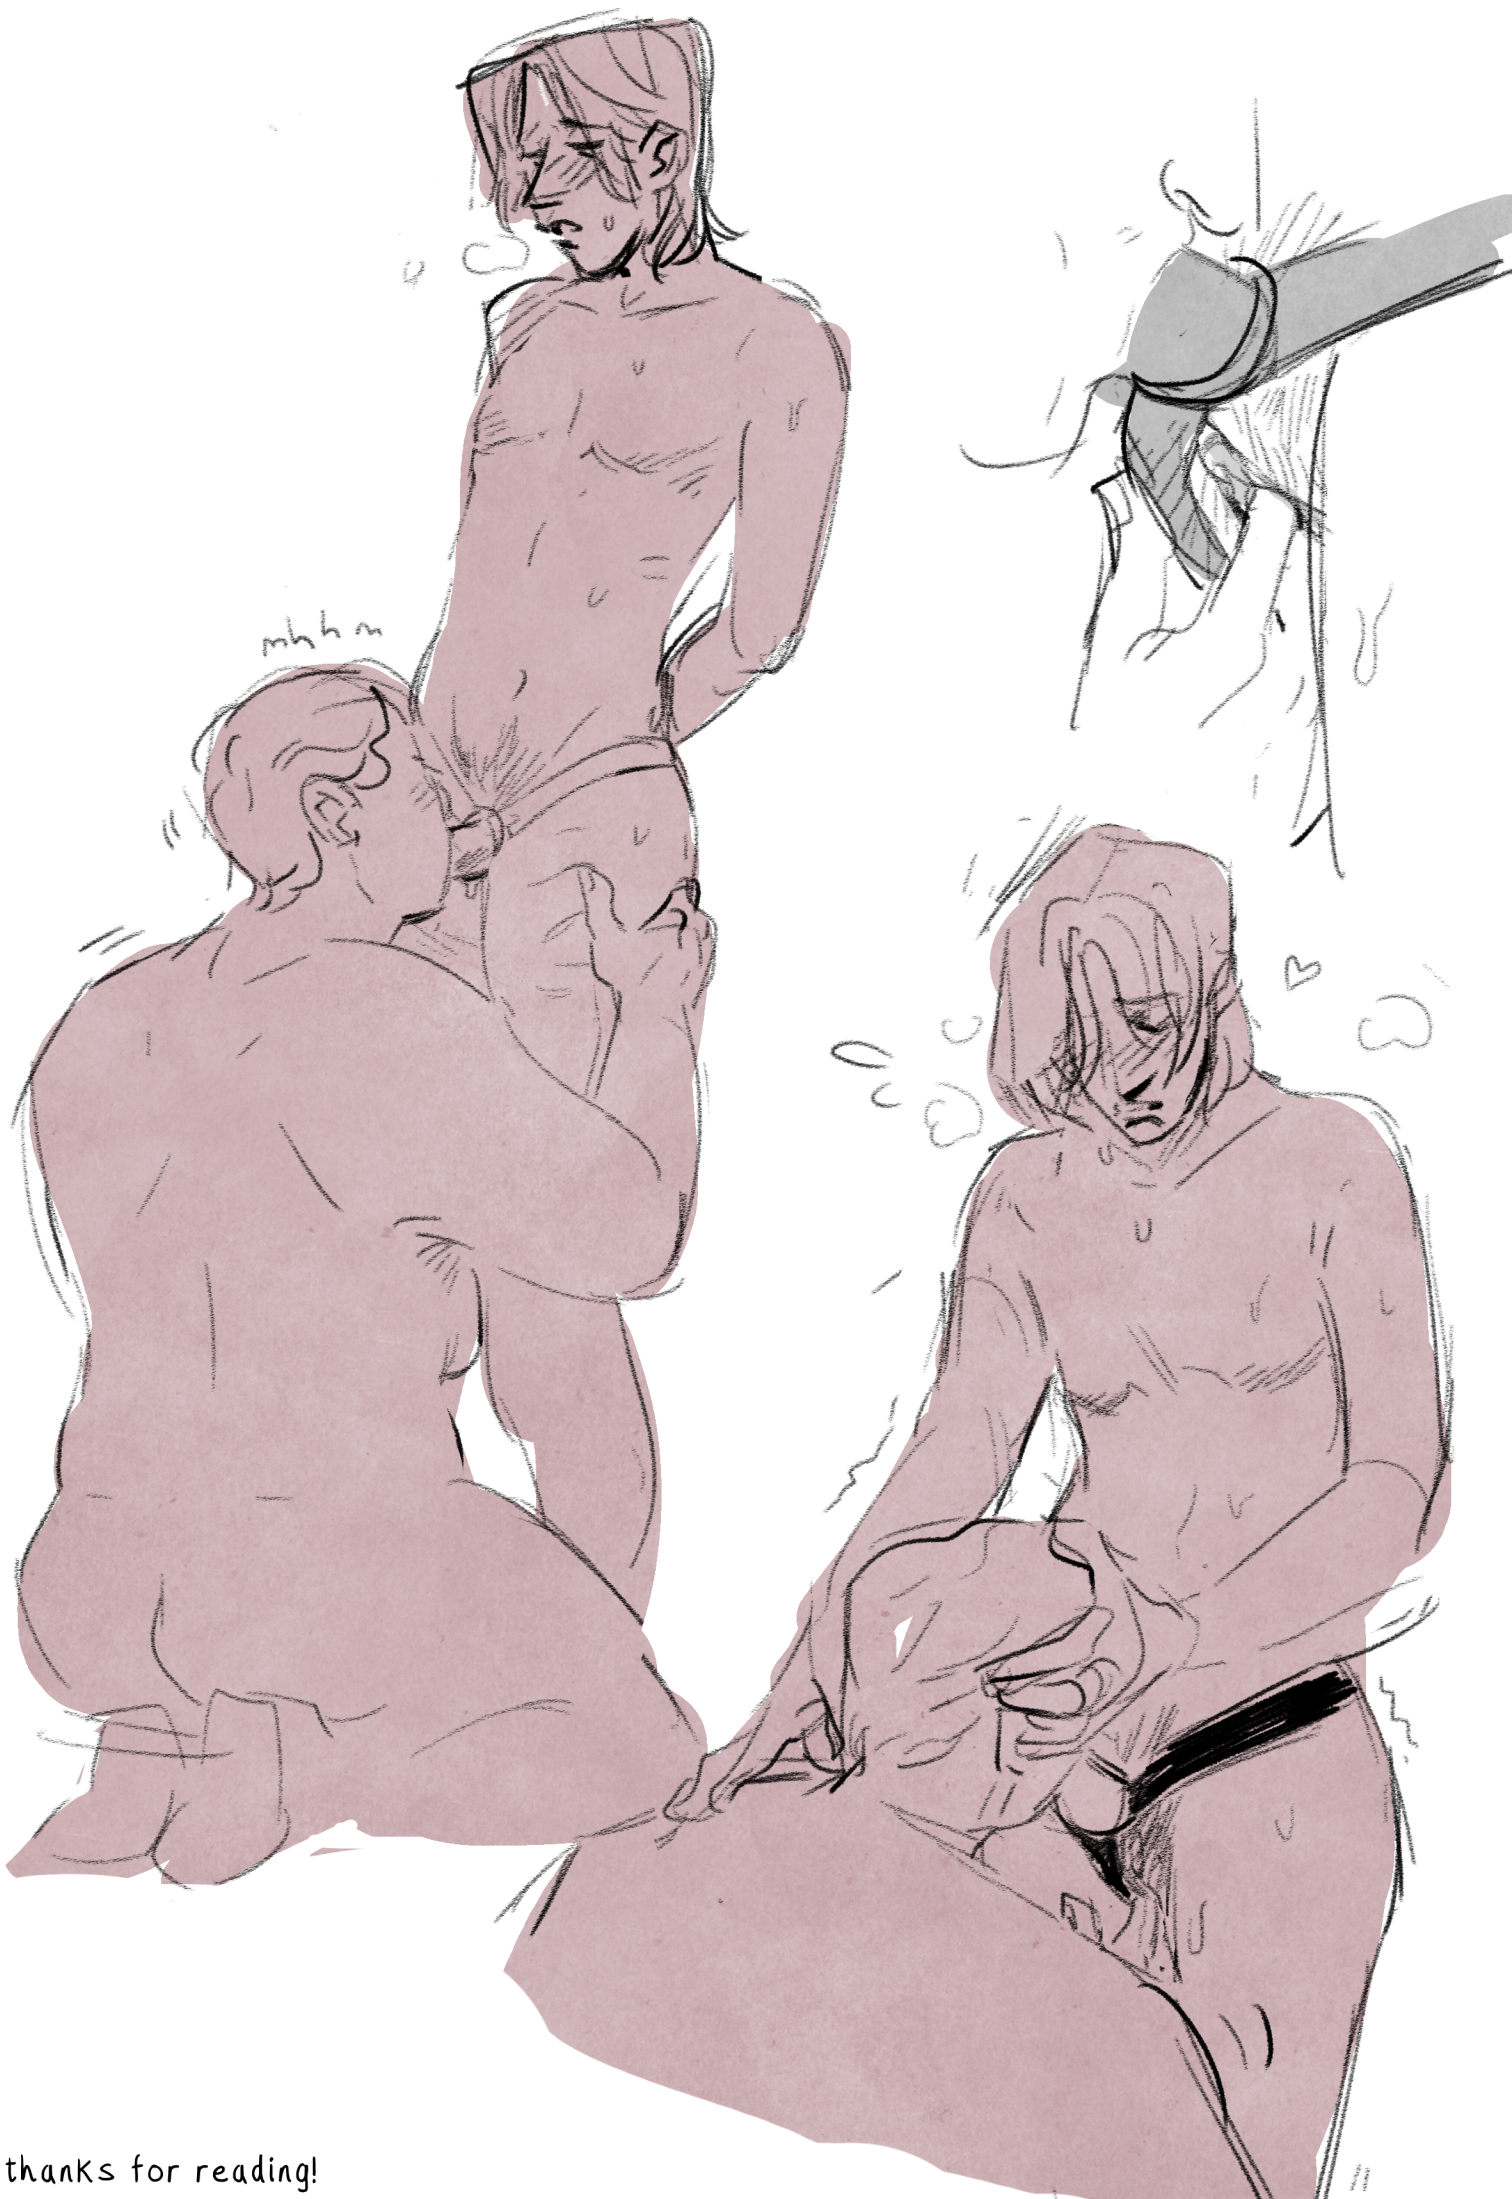

fuck

thanks for reading!
