

Glorious Growing Girls Academy

Well now,
if it ain't
that
shrimp,
Kosugi-kun.

If you do,
we'll let
you fondle
our tits.

Don't
forget
to clean
the science
room,
now.

**Aww
shit,
it's the
clazz
prez!**

Hey!

**Like
hell
that'll
ever
happen!**

**She's
also
tiny!**

Gahahaha!

Come on, Kosugi-kun, don't let them push you around!

... yeah

To hell with that!

The shrimps are banding together! Let's bail!

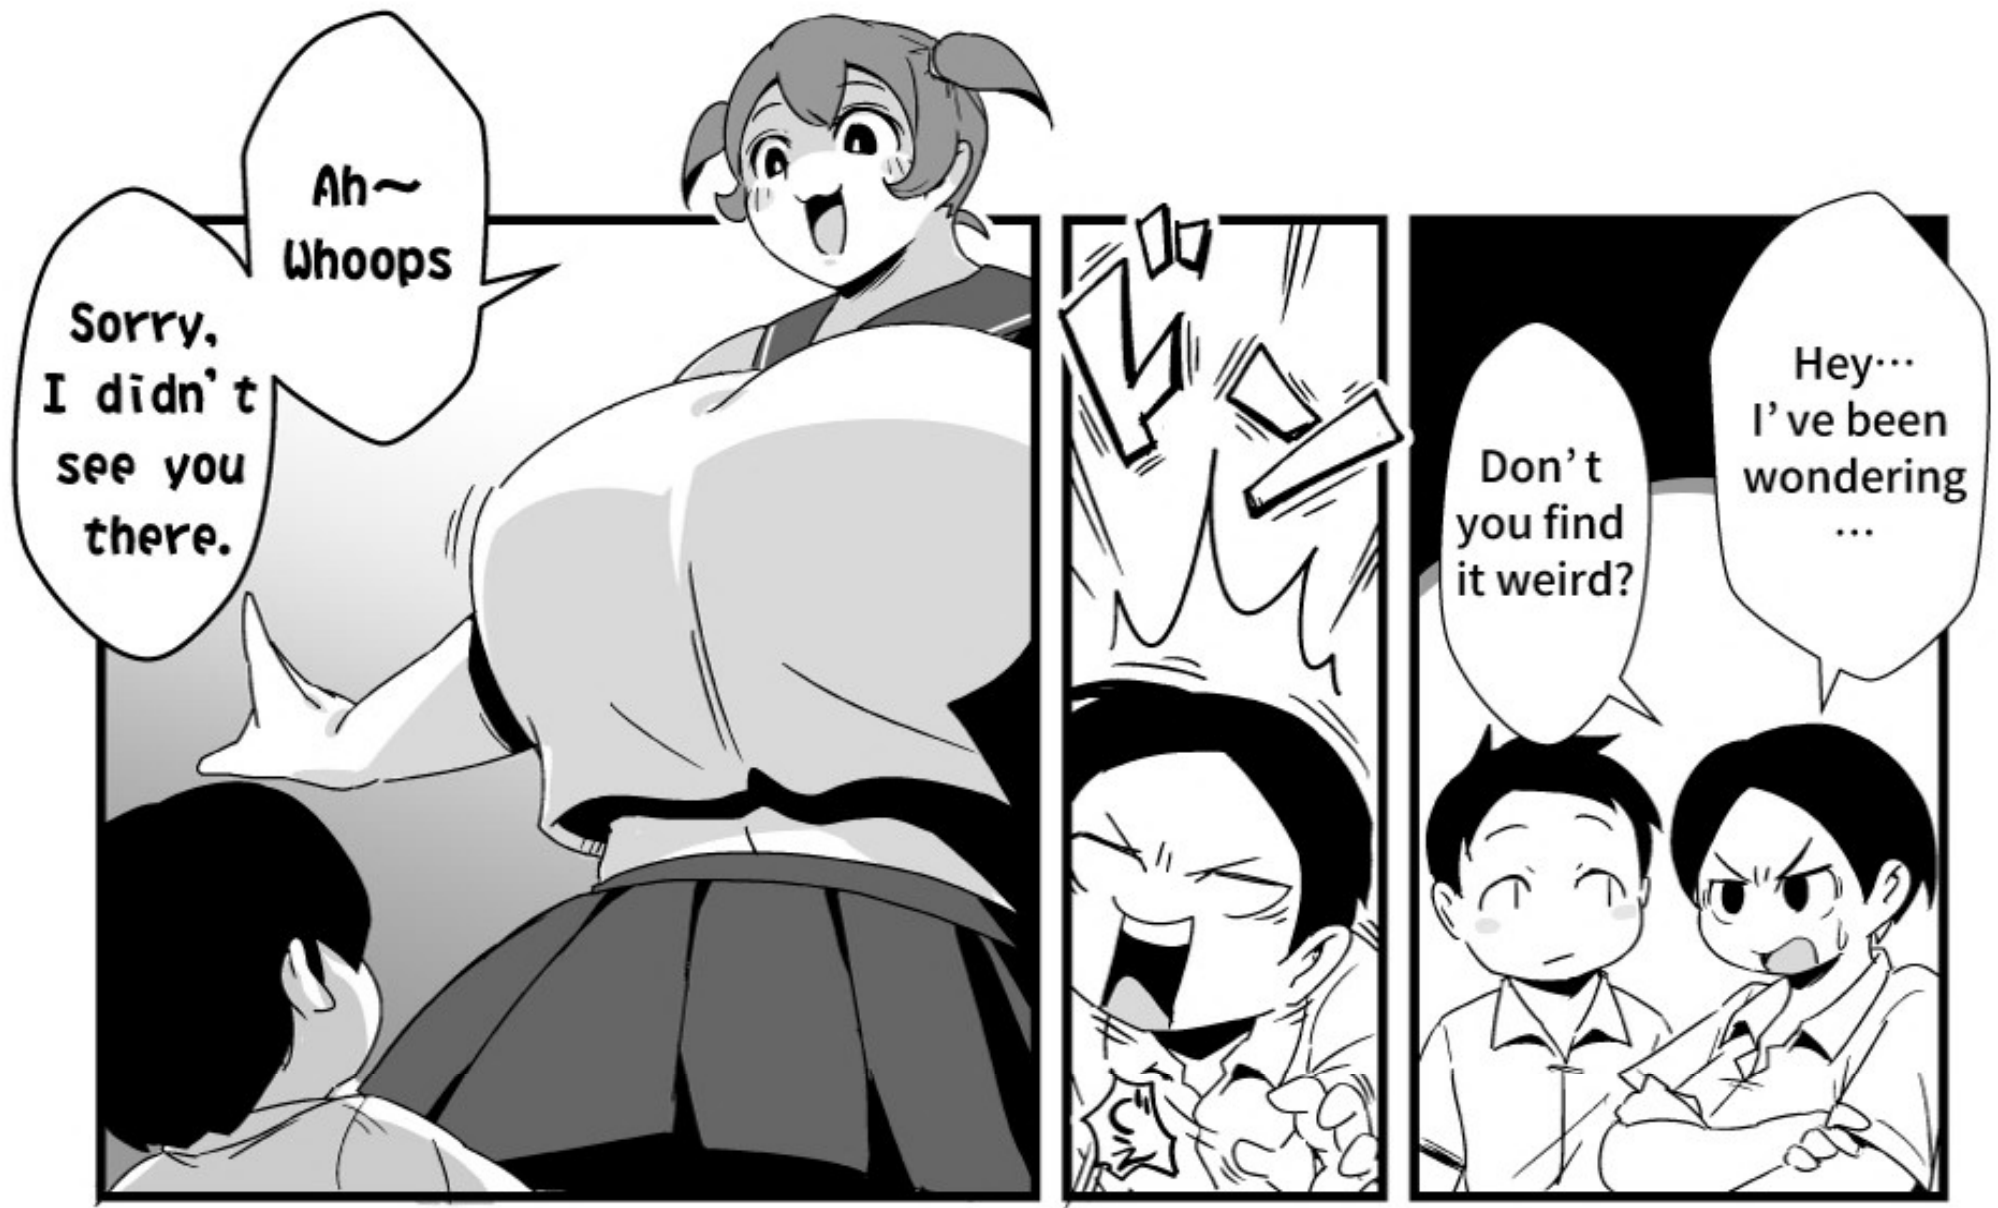

Do your own share of the work!

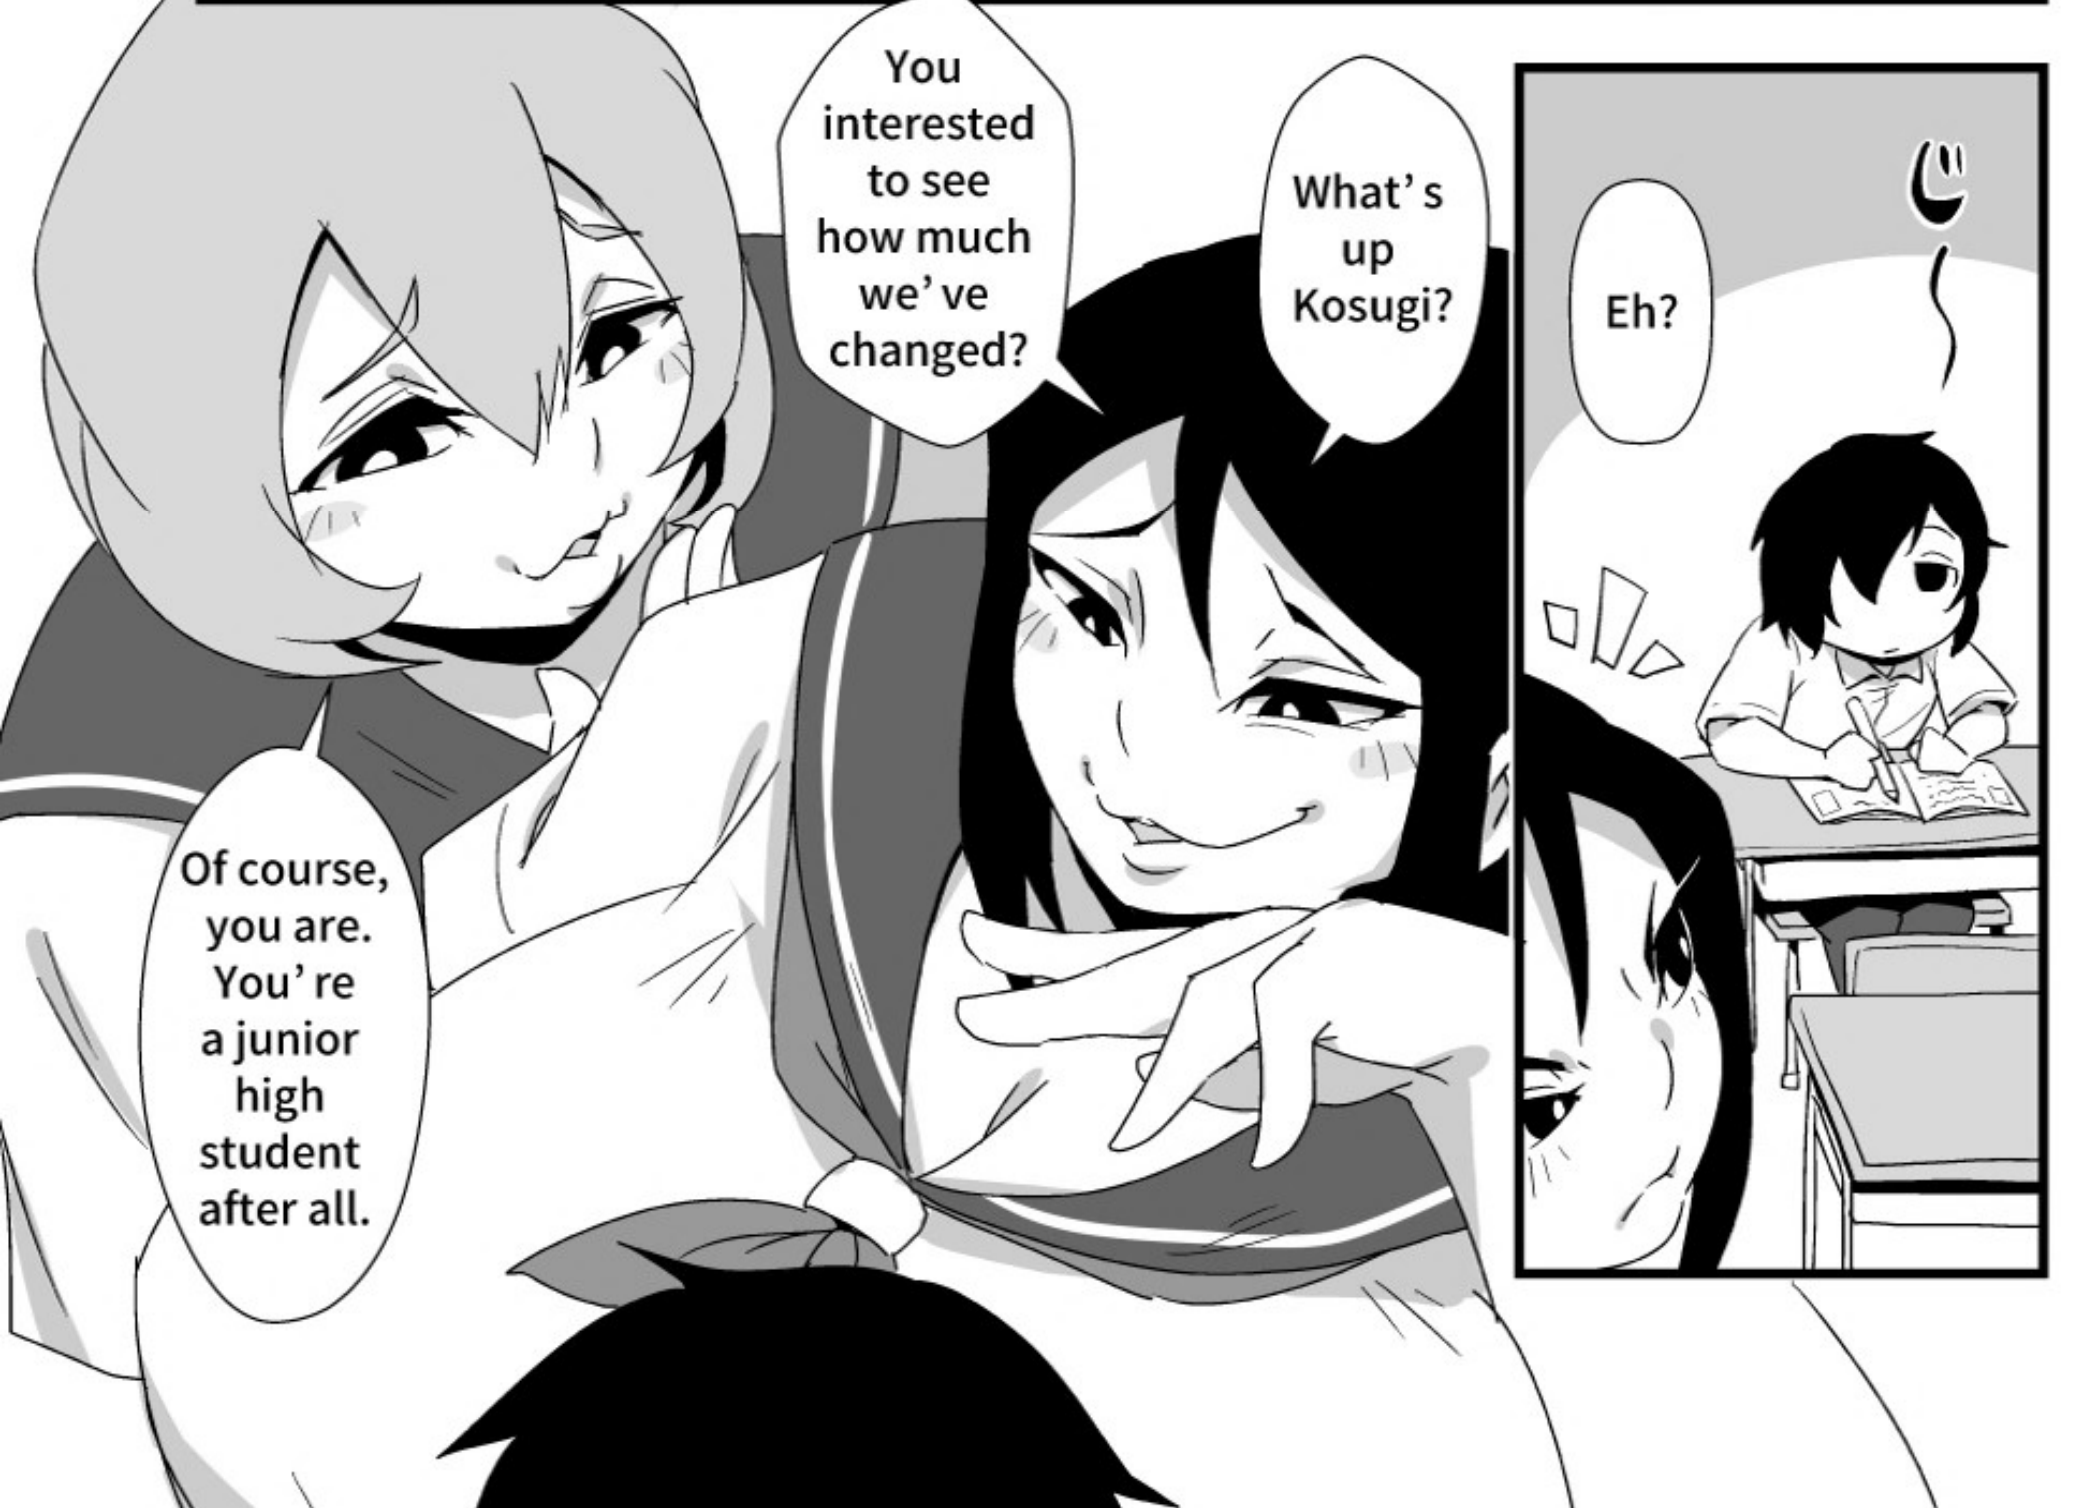

Don't go around pushing your work on others!

You
wanna
touch
our
titties?

You on
the other
hand,
aren't
you
getting
smaller?

Go
ahead!
Try and
reach
for em!

You're
like a
grade
schooler!

Struggle
free and
we'll
let you!

They're
huge. . .

Huh?

Hey!!!

No...

after she hit high school she's become a behemoth!

That pint-sized prez...

Take a good look, Kosugi!

Your favorite titties have come to save you again!

Those tits are even bigger than any of ours.

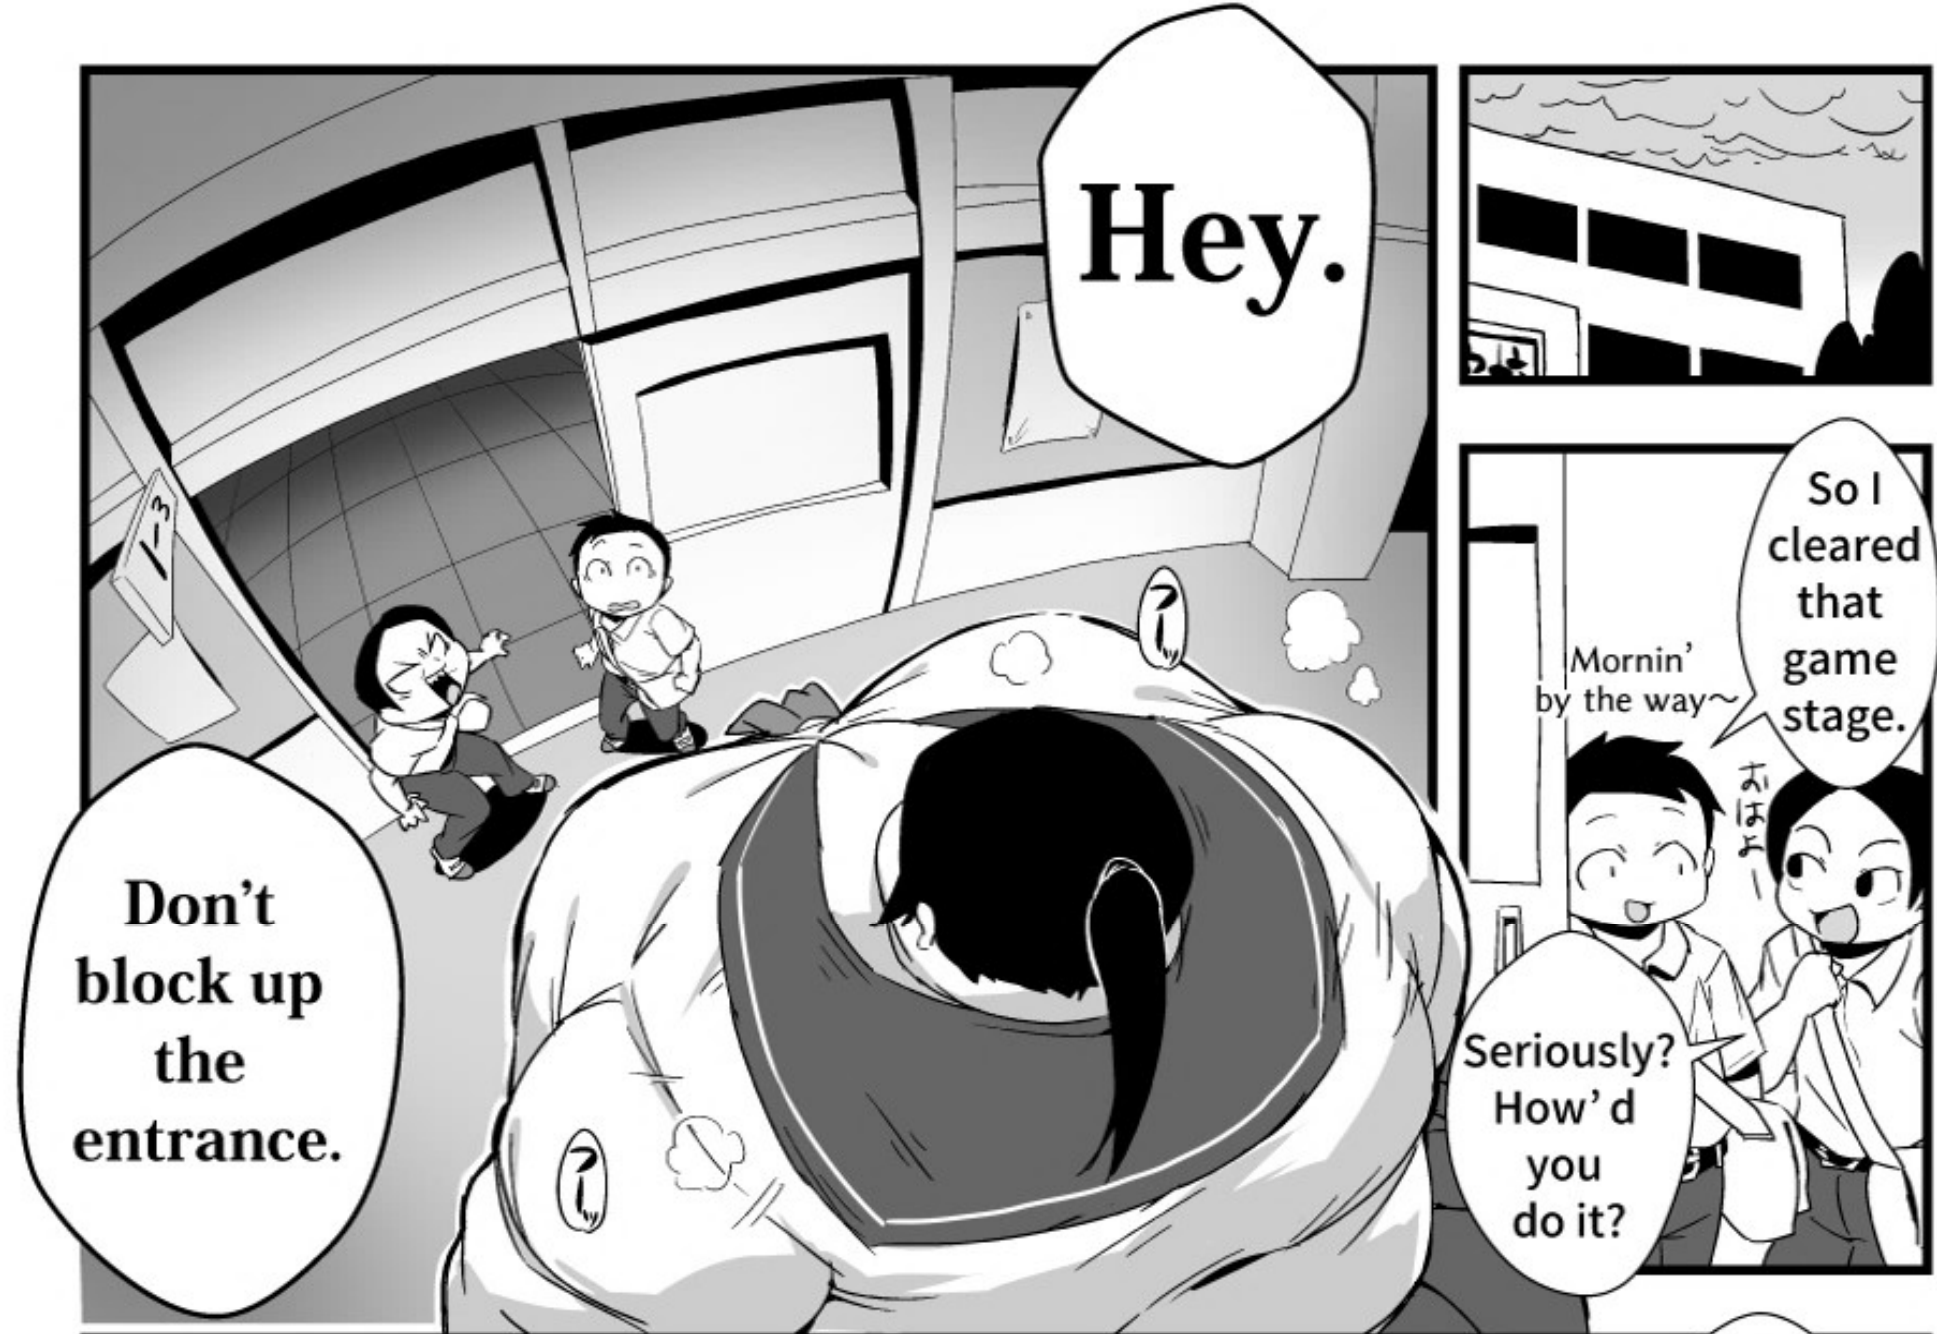

They're a far bigger distraction than anything in this room.

They're so heavy! Prez has gotta be serious now.

Class is about to begin! Return to your seats!

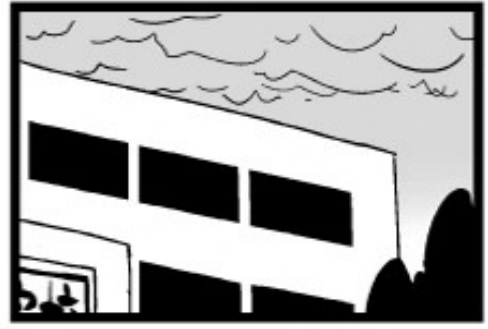

I mean it!

Hey.

Don't block up the entrance.

Mornin' by the way~

So I cleared that game stage.

Seriously? How'd you do it?

Holy shit...

Move your shit.

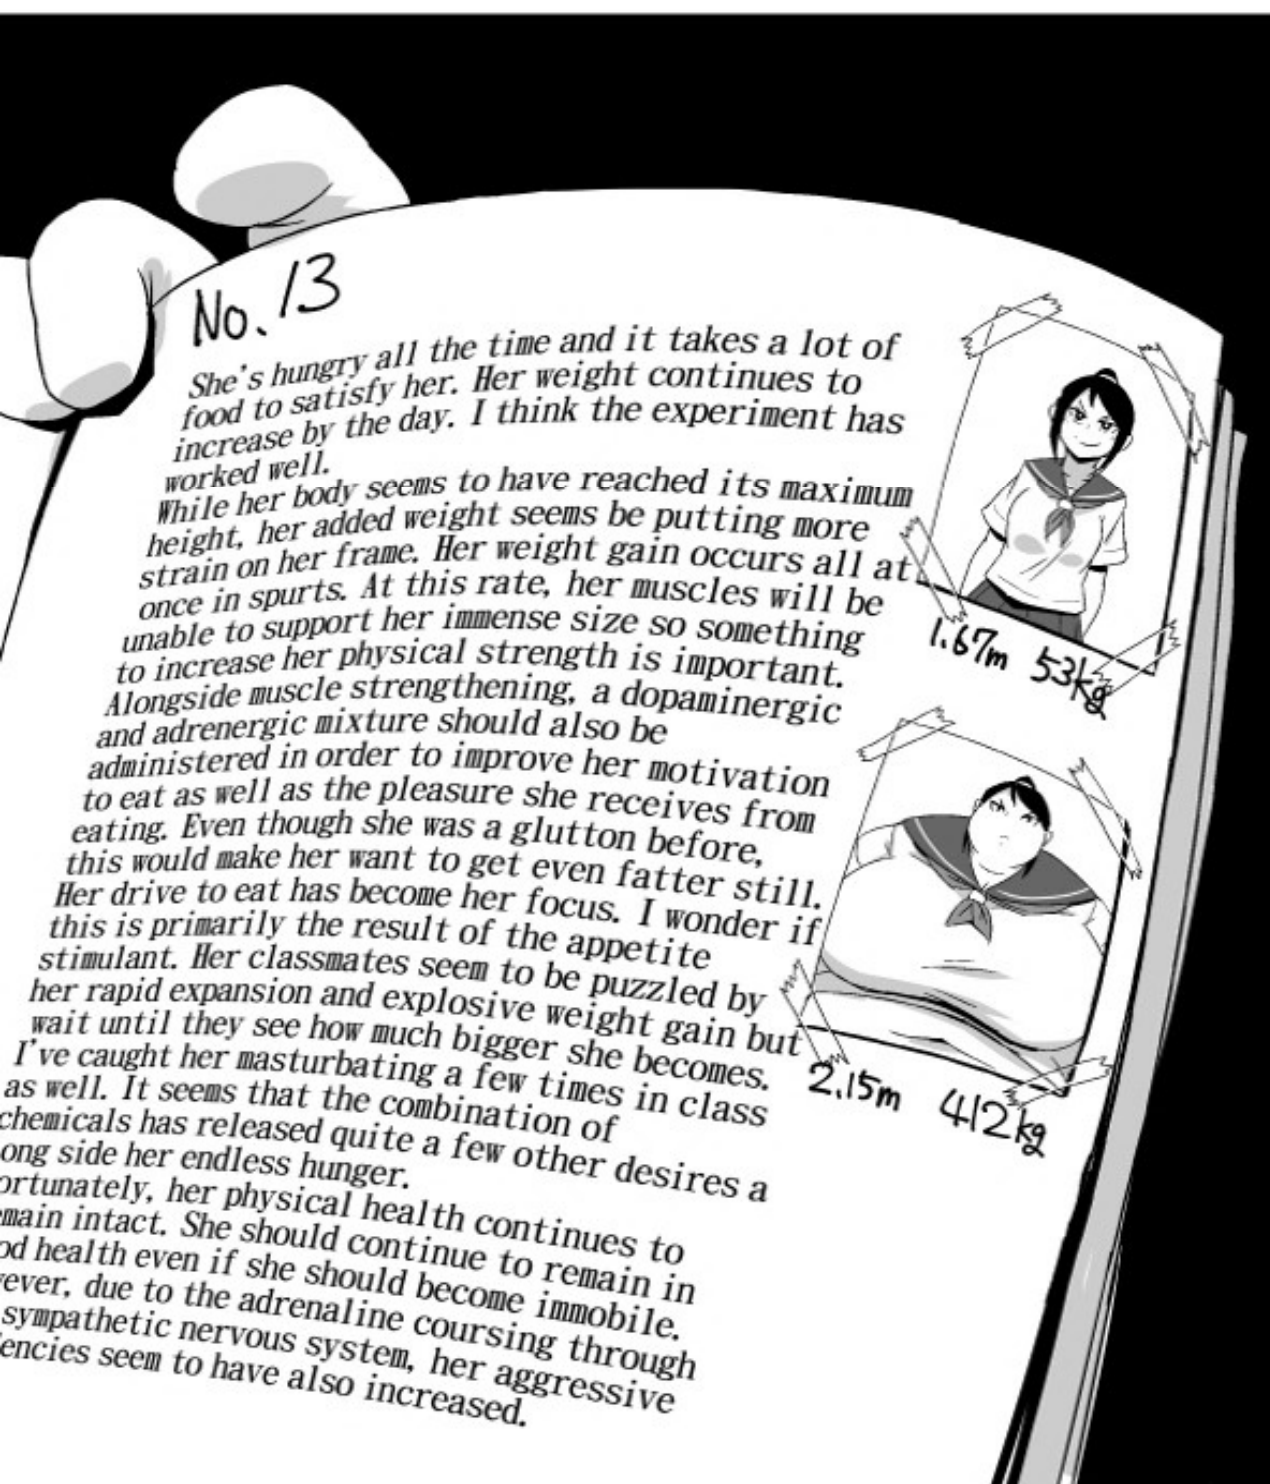

The space between desks is already god damn narrow.

No matter
how much
I eat
I'm still
fucking
hungry!

Fuck!

You did something weird to my body!

You little shit!

That's it! Squash him between your tits!

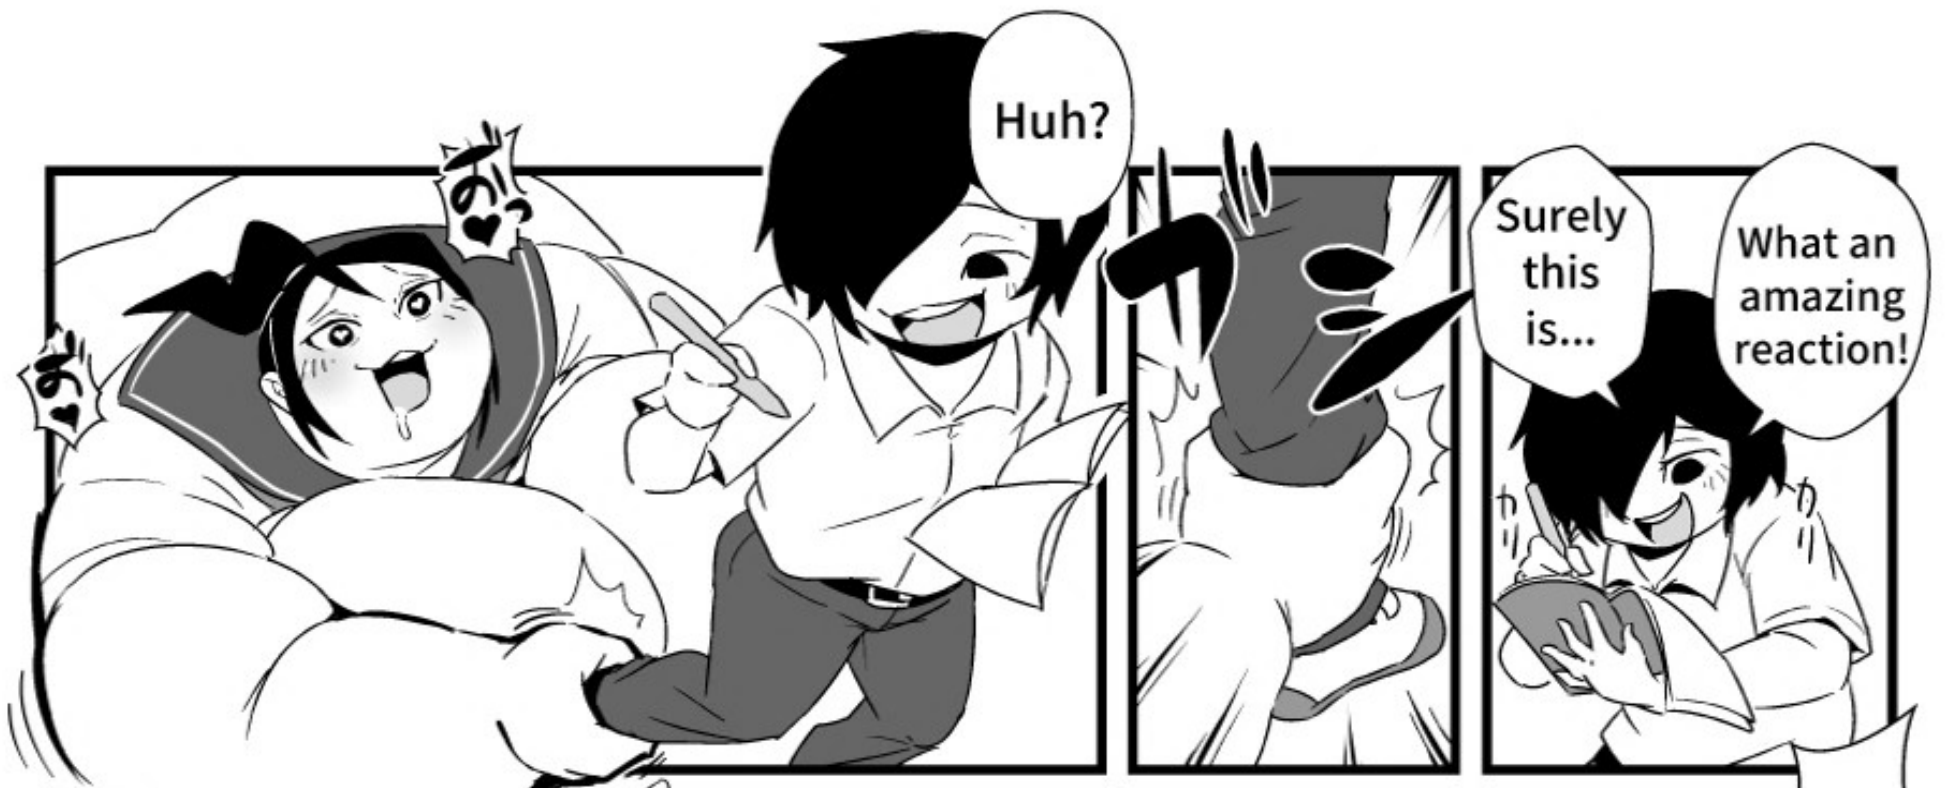

Ahaha!

W-what...

**Aahhh
haaa
ann**

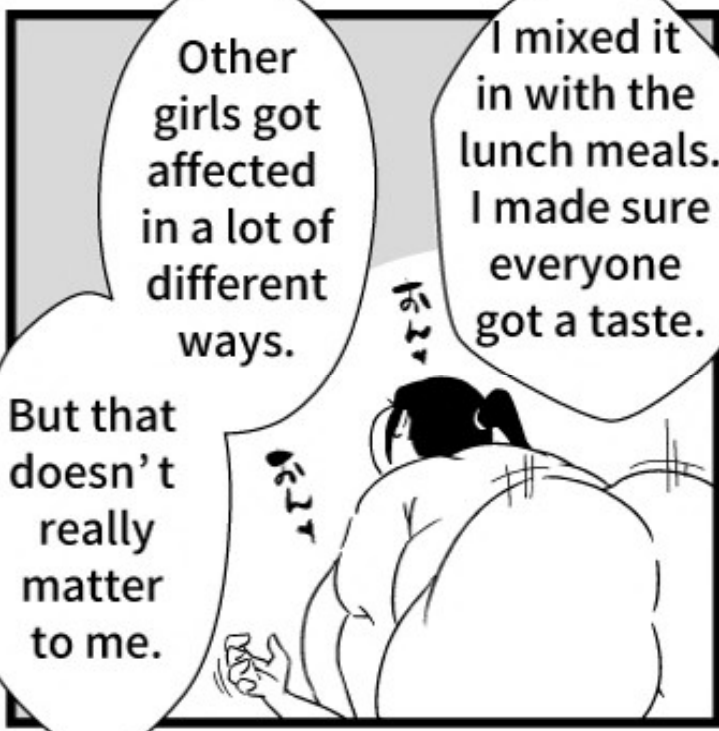

This was your doing...?

So all this...

Class Prez!

Other girls got affected in a lot of different ways.

I mixed it in with the lunch meals. I made sure everyone got a taste.

But that doesn't really matter to me.

I created a special growth agent which only works for females...

One which makes them huge and incredibly fat!

That's right!

Why would you do such a thing...

All you have to do is just eat and eat. You won't have to worry about a thing...

We'll have fun every day together!

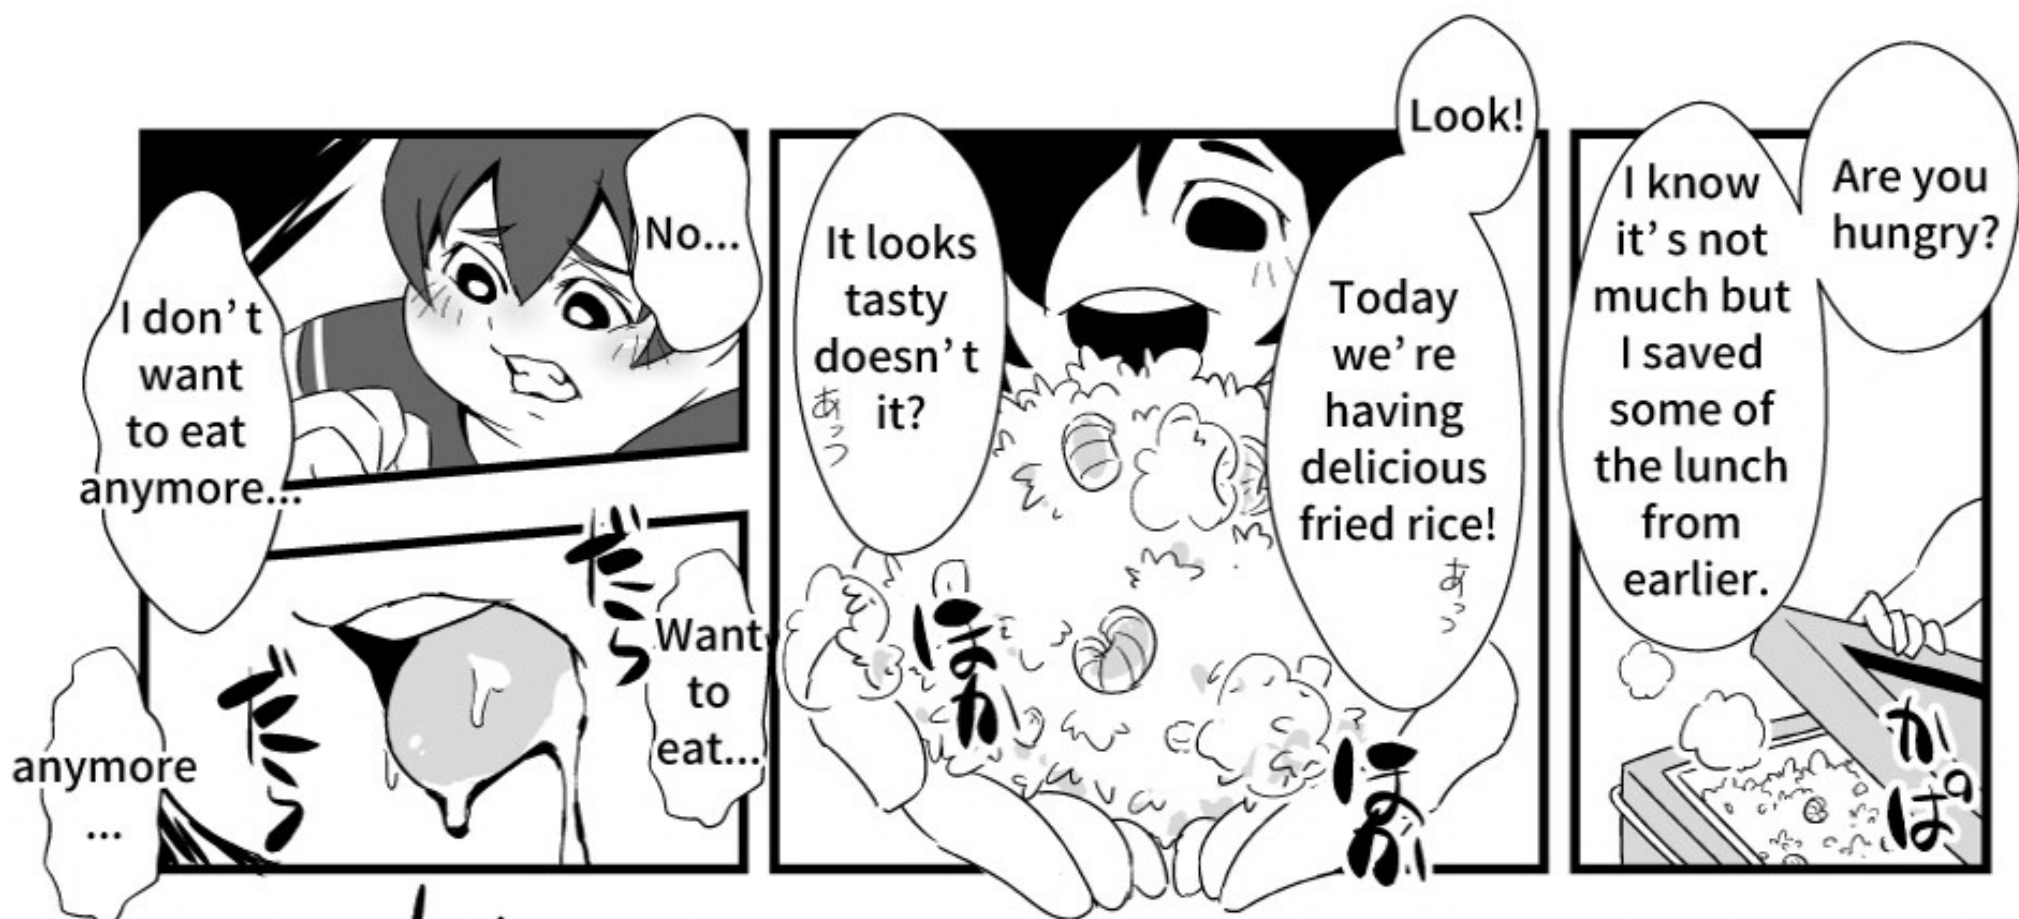

A world of happiness is just around the corner!

So, I'll take responsibility!

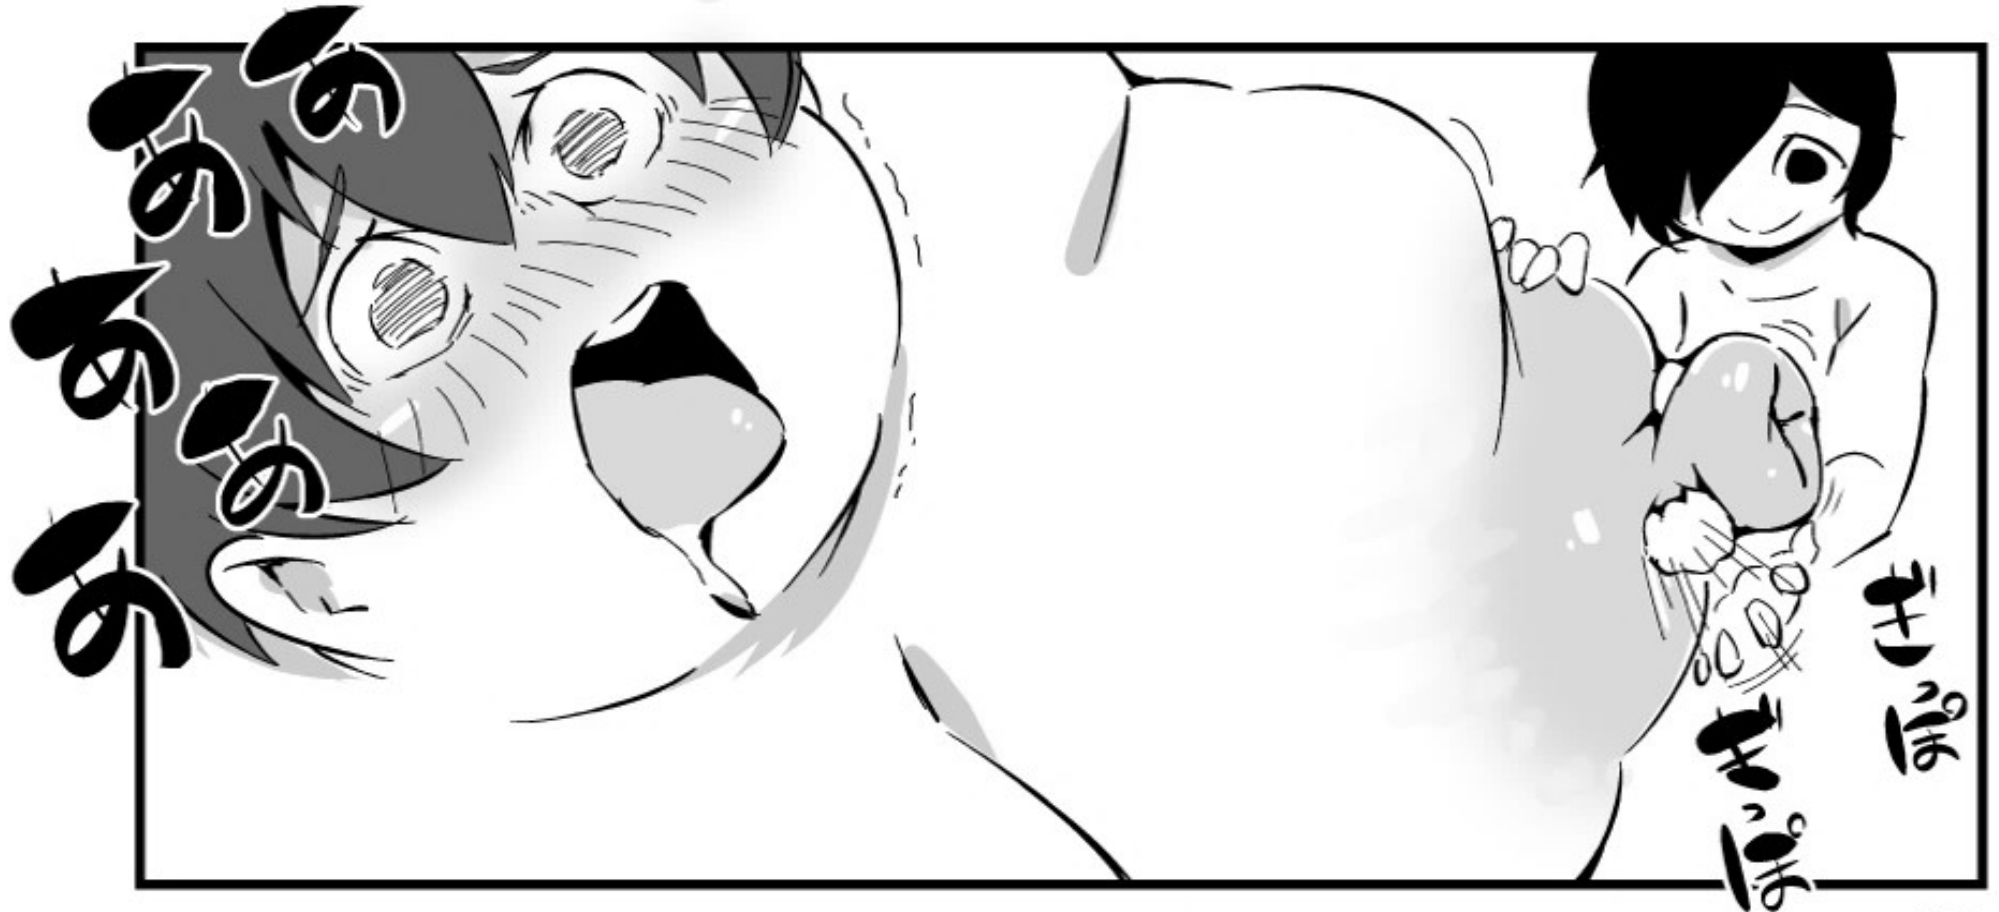

I'll continue to raise you like kept piggies for the rest of our lives!

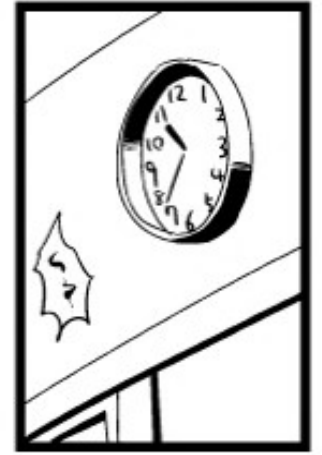

Because you were kind to me. You understood that being short sucks.

So, I wanted to repay you.

Whatever shall we do with you?

Oh dear, what to do?

For now, let's try a different form of stimulation ...

Yes!!!

Ooo
hhh

Good work,
prez.

Seems
like it
was a
success~

What a
relief.

It's time for breakfast!

Everyone!

Oink

Oink

Buhii

Eat up now, there's plenty for all!

It's another fine day isn't it?

Everyday is a happy one!

Oink~

Oink~

Prez!

No trespassing

Since it's a nice day outside...

Why don't we all go out together?!

Well then.
