Ambushing Gohan

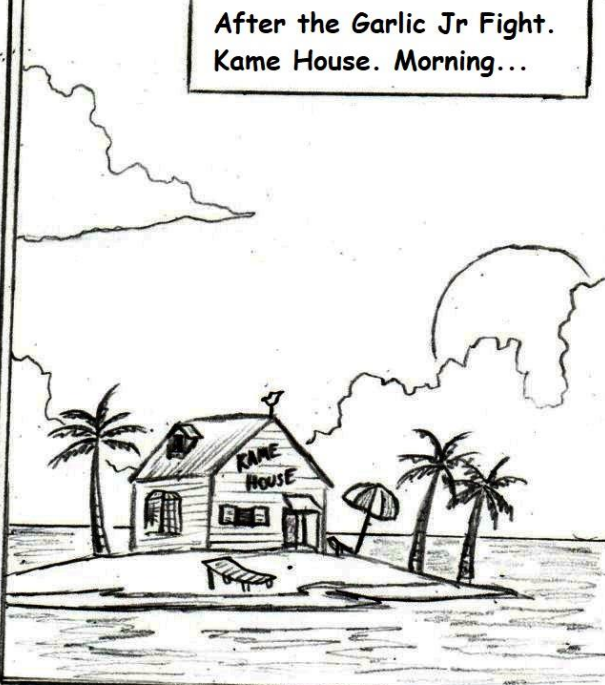

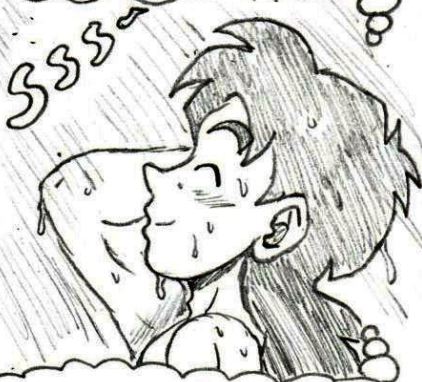

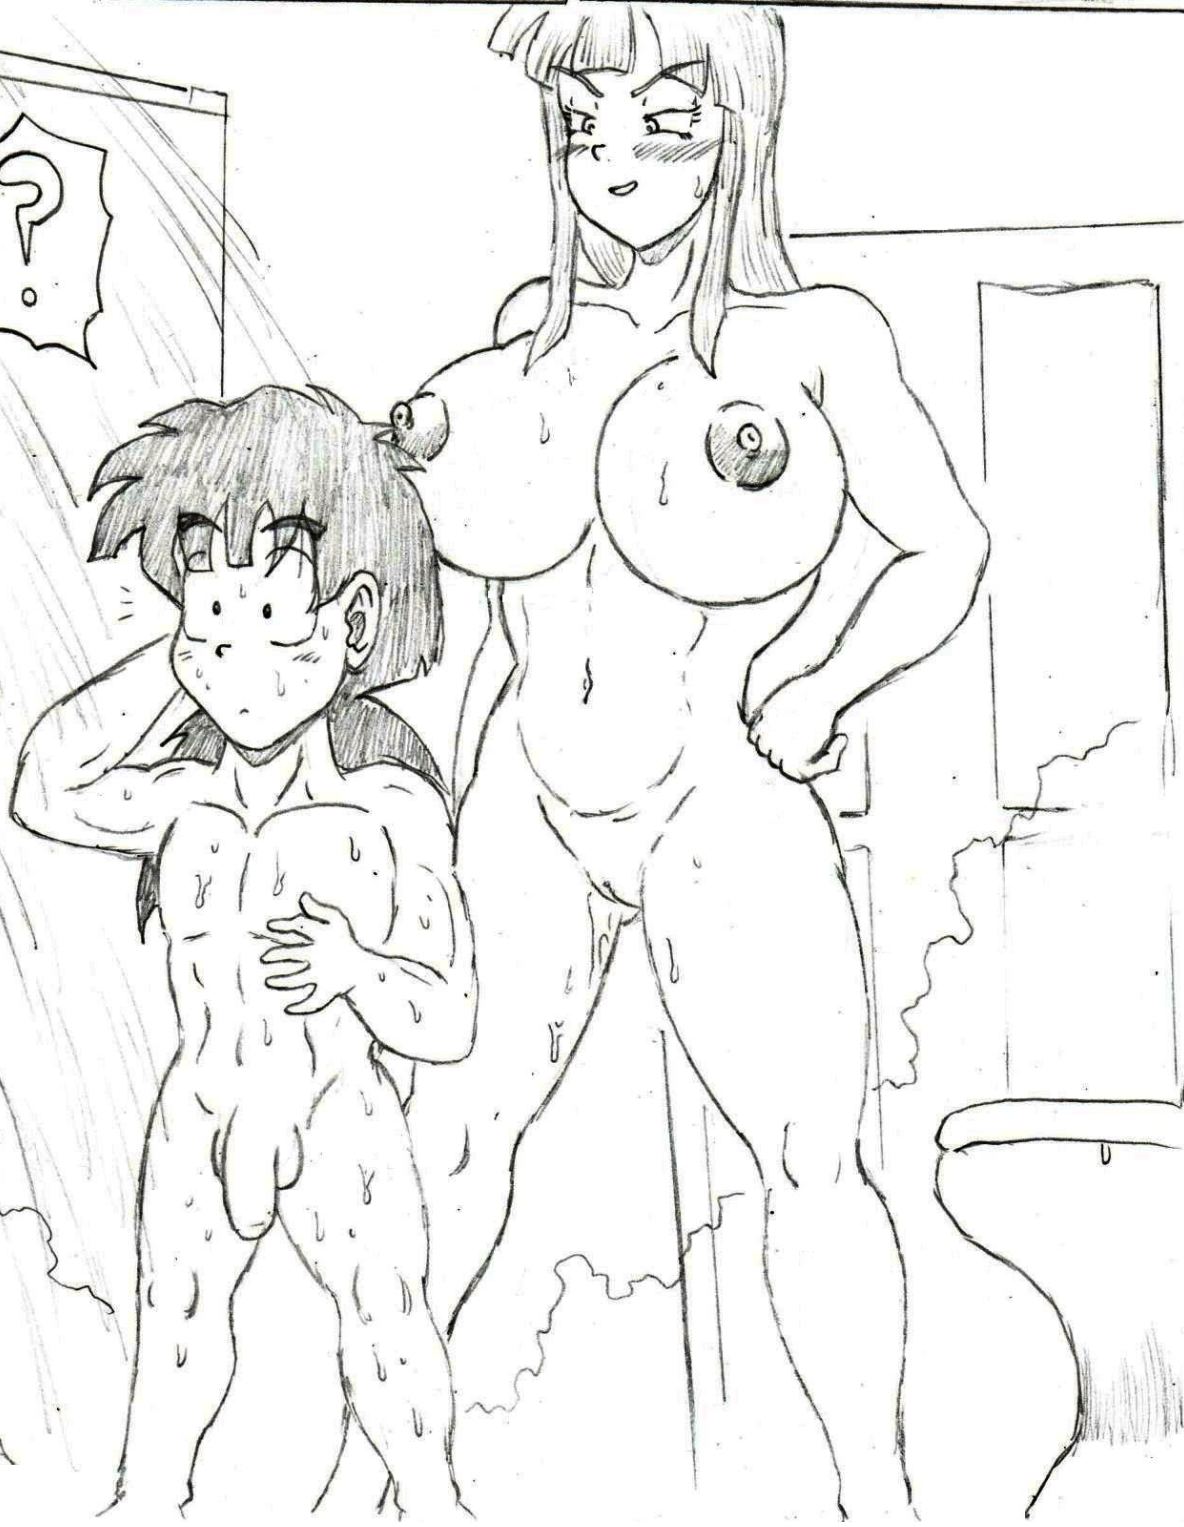

That was a great party yesterday. The sleepover was fun too.

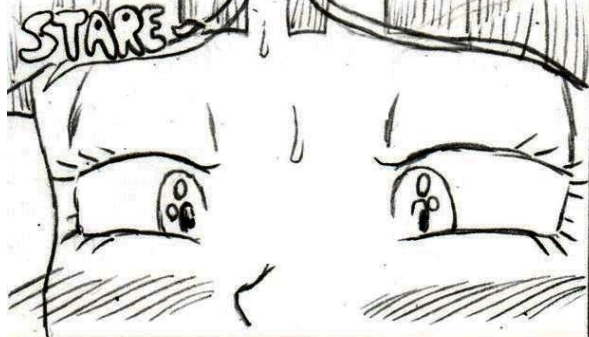

In the bathroom.

After the Garlic Jr Fight. Kame House. Morning...

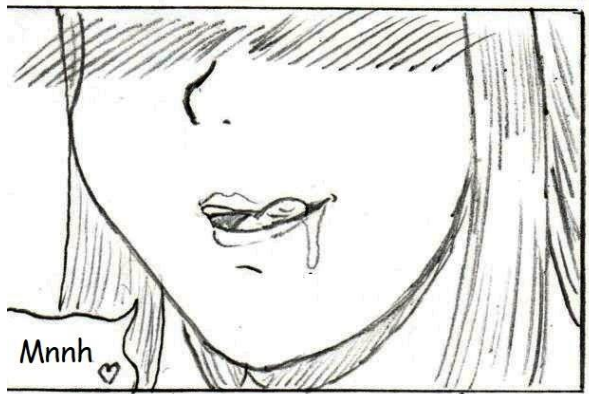

I'm so glad mom let me take a break from studying so that I could come over.

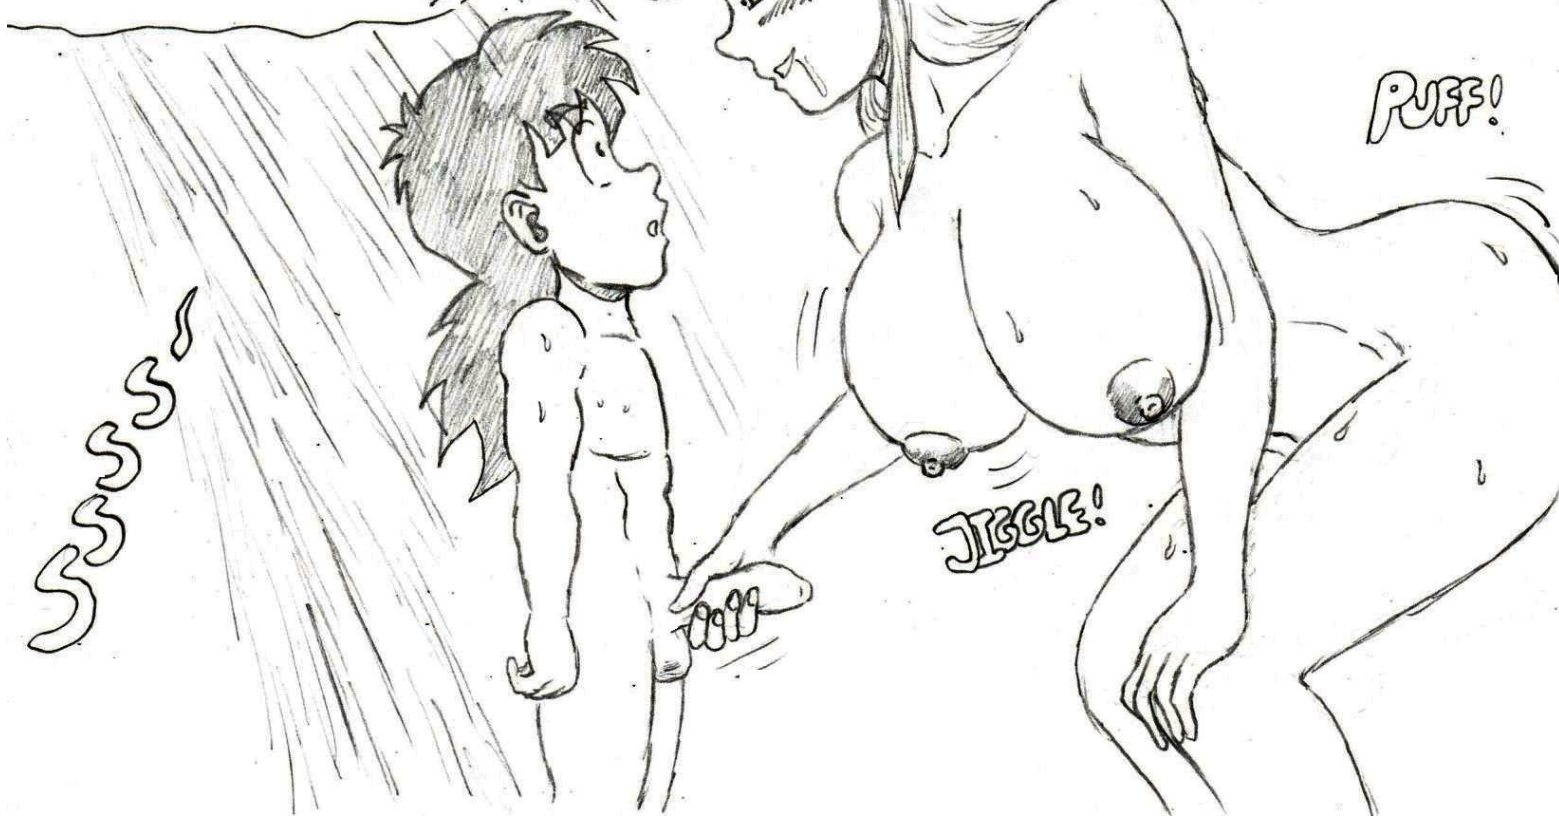

Huh? M-Maronsan! I-I'm using the shower right now. Do you... want something?

And I'm here to have a taste of your cute, shota cock, Gohan-kun. ♡

Krillin and everybody else are still fast asleep... and I'm horny. ♡

Ahh. You're so cute. I want to gobble up your boy penis right now... and swallow your thick, virgin cream.

STROKE!  
RUB!

Make sure to let it all out inside my mouth. I'll drink it all.

Wow. You're quite big down here, Gohan-kun.

Ahh... M-Maroon?

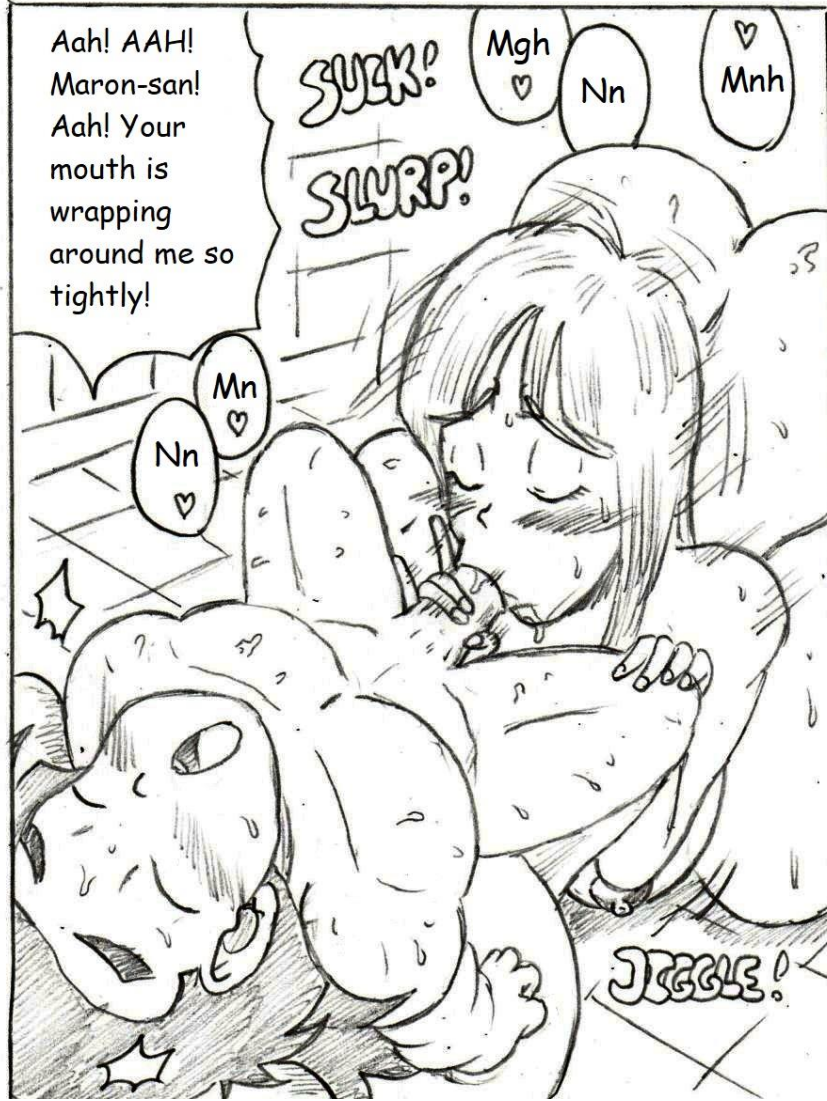

W-Why are you...?

Aah! AAH! Maron-san! Aah! Your mouth is wrapping around me so tightly!

W-Why are you doing this, Maron-san? What about Krillin?

You were curious about what we were up to... and you got excited. So did I.

When Krillin and I did it outside yesterday, I noticed you spying on us, you naughty boy.

In the weeks following his battle with Cell, Gohan noticed his mother acting a little strange...

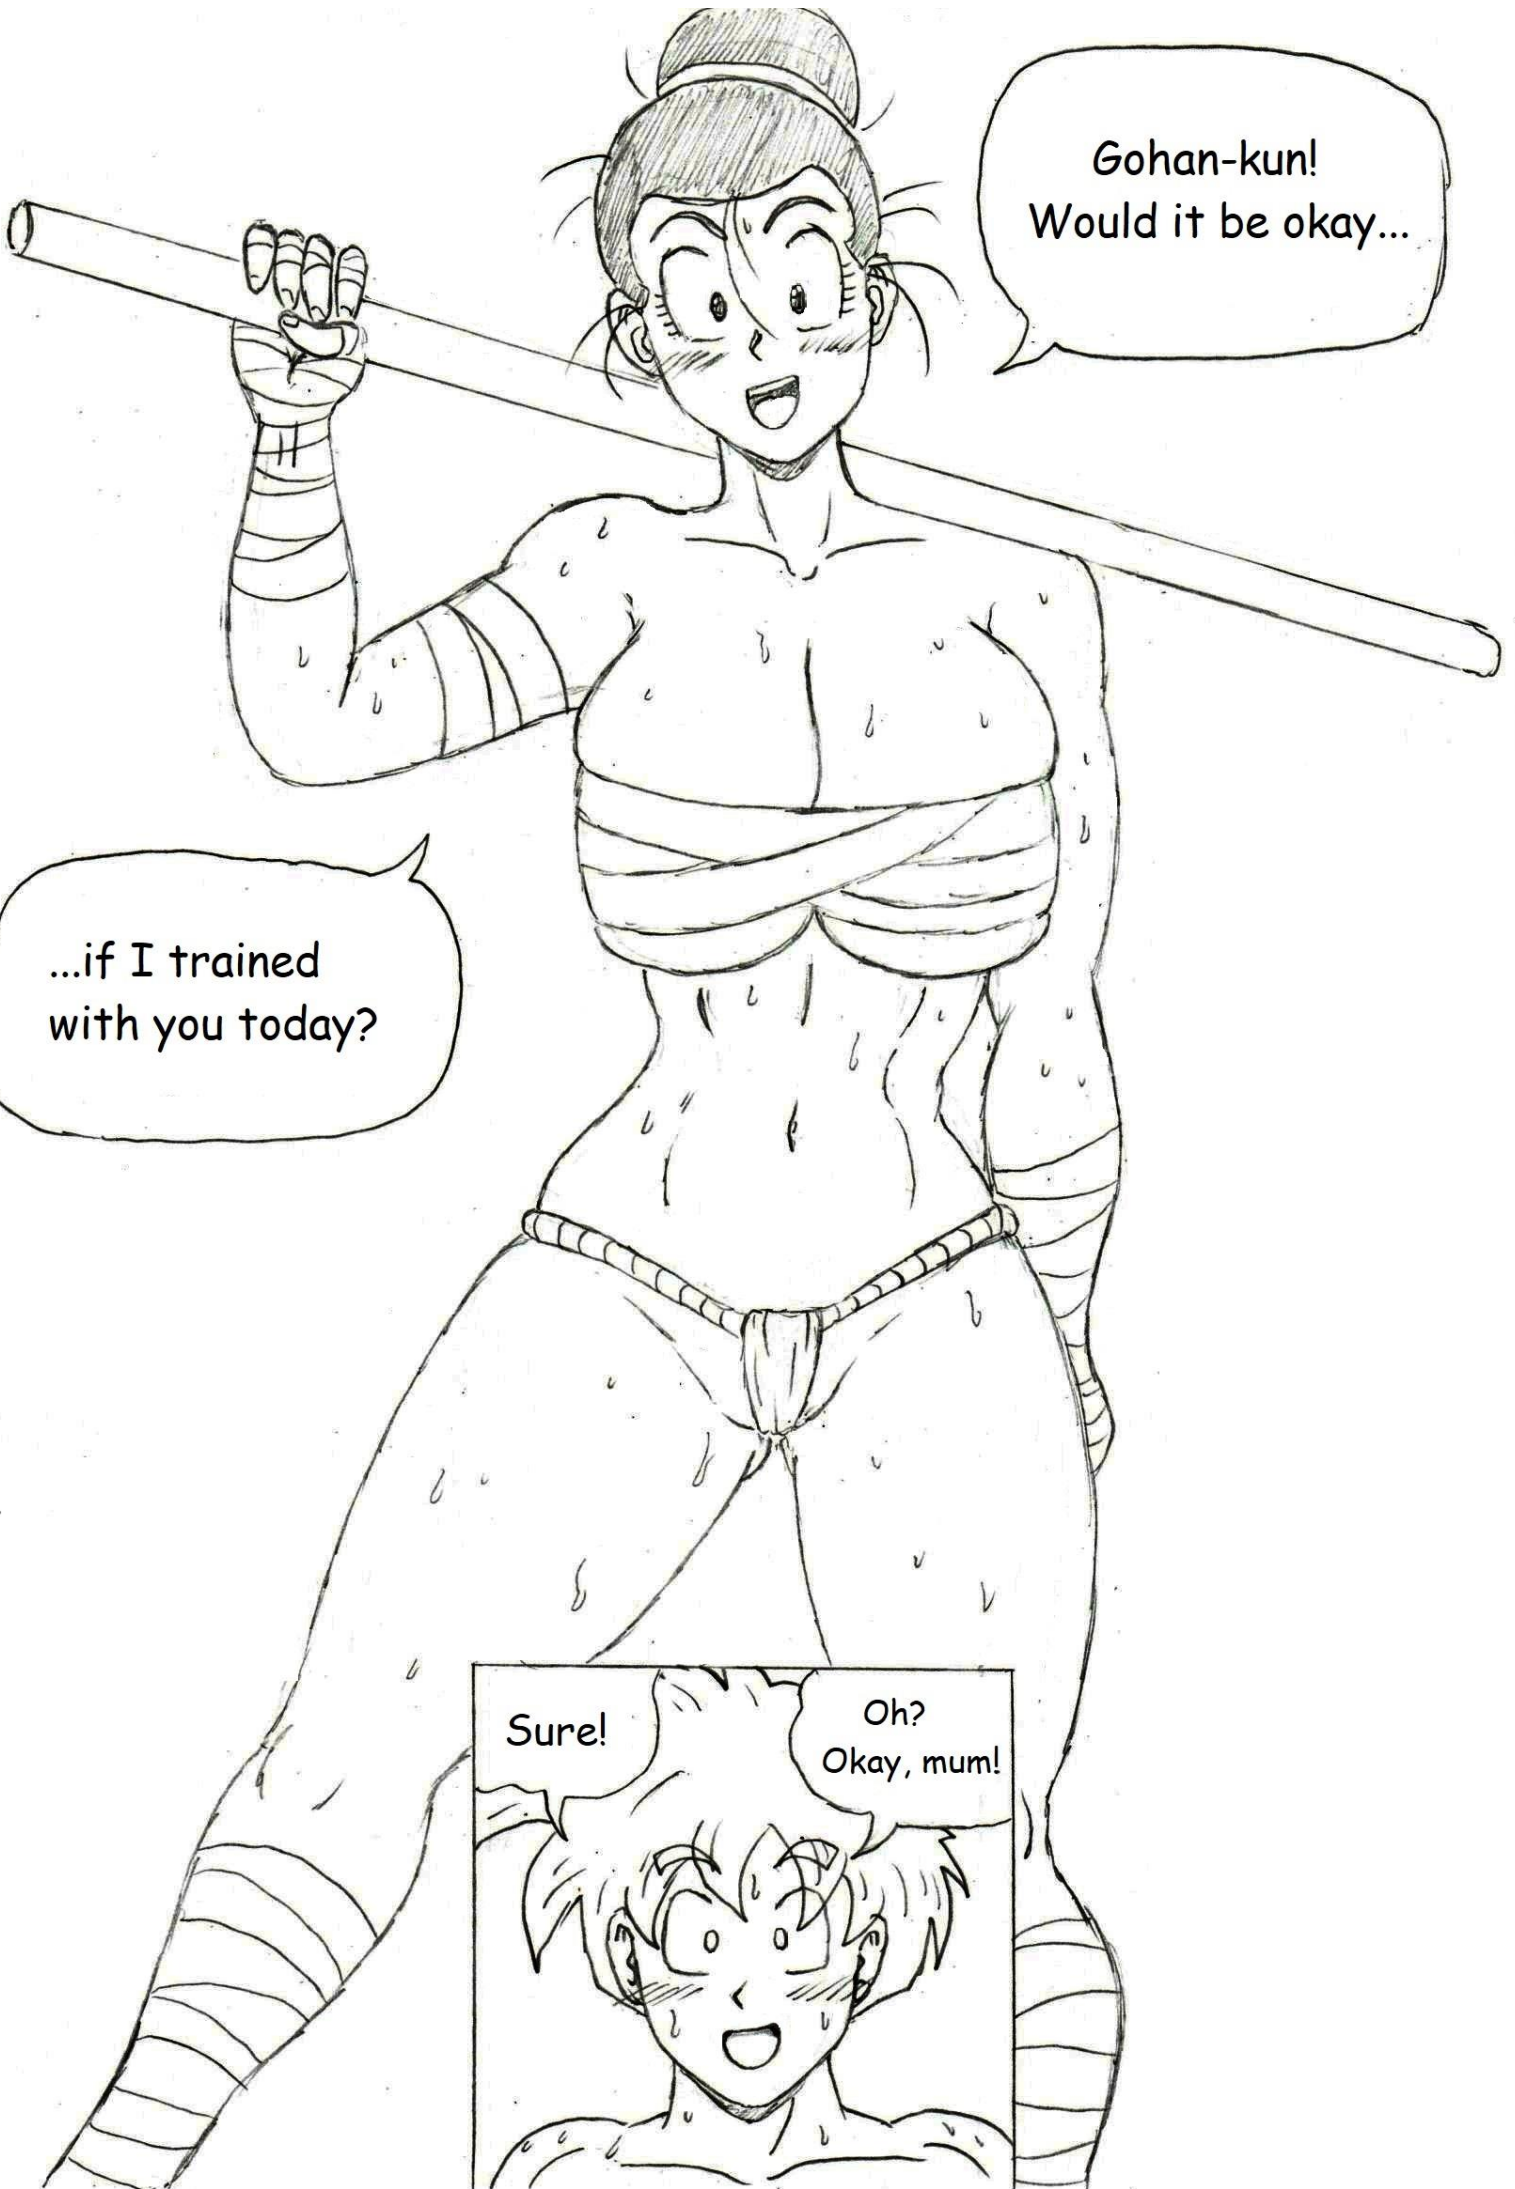

Understandably, Gohan couldn't help but get a bit distracted.

Not only would she walk by him a lot, but she would also stand near him for no reason or pretend to do housework...

Then one day, during one of Gohan's training sessions...

She also started to wear bizzare and skimpy looking outfits.

Gohan-kun!  
Would it be okay...

...if I trained  
with you today?

Sure!

Oh?  
Okay, mum!

Hah... that was nice. I got a good workout from that...

I have to figure out some way to thank mom for her help.

A couple hours of hard training later...

At a nearby lake...

Hello Mr. Lao, sir.

Oh. Hello, Hiro.  
Are you here to  
see Lime?

Yes! I... I was  
hoping to ask her  
out tonight. I even  
brought her some  
flowers as a gift.

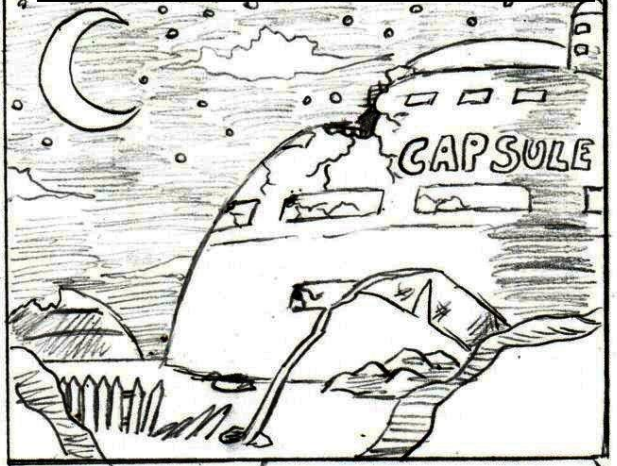

Ah. I'm sure she'll  
love them. But...  
I'm afraid I don't  
know where she is  
right now. I've  
been looking for my  
grand-daughter all  
morning.

It'll be interesting to have Trunks as a pupil. I can tell he has a lot of potential.

Future Trunks's World. After Gohan brought Trunks back to Capsule Corp, he decided to use that night to wash up...

I hope Bulma won't mind.

Unbothered by this, or the fact they were betraying their husbands, boyfriends, crushes, or whatever, the women were determined to raise their children in secret and continue to breed with the half-Saiyan stud over and over.

To the point each of them became pregnant with his child.

And so, going behind their respective partners' backs, the girls of the Z-fighters continued their sordid affair with their half-Saiyan lover for the next many years...

THE  
END.

Phew. That  
got me good  
and hot.
