

I'd say this date is going well...even if she's a scaredy cat.

Please! Don't! STOP!

AAHHH!!

Ah! W-woah!

=bounce=

=fall=

PUT THAT KNIFE DOWN, HENRY!

Oh, thank you for helping me out of here, Ste-

ST-STEPH! EEEK!

=toss=

=swish=

Oh,
good.
You put it
down.

munch
munch

Mmph mmm!

Steph!
You're giving me a
real life horror show!
Get me out!

-LICK-

-SLURP-

NUDGE

Oh no!
She can't hear
me! STEPH!!! DON'T
SWALLOW
M-!

toss

GLURK

-swish-

Wait!
NOW you're
grabbing the
chainsaw?!

GULP

NoNoNoNo-
Not like this!
So tight- so hot...
I can hear...
oh, no-

GULP

-gurrgle-

This
isn't
good!

sploosh

-grooan-

**HENRY!
PUT DOWN THE
CHAINSAW!**

munch
munch

-fall-

-grooan-

-gurrgle-

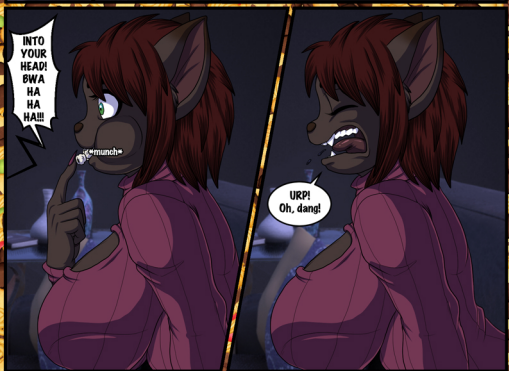

Stephanie!
Please get me out of
here! I'm trapped in your
stomach! ... and it
smells awful...

Maybe you're right, Cindy. Maybe I should put it down.

Hee- Excuse me, Diego. Guess I ate that popcorn too fast.

rub

INTO YOUR HEAD!
BWA
HA
HA
HA!!!

munch

URP!
Oh, dang!

Hee- Sorry
about that, Diego.
Maybe scary movies
make me gassy?

I know that sounds silly,
but- Huh? Diego? Where'd
you go?

jiggle

You under there, perv?
Nope? Don't tell me you ran
off! You were the one that
picked out this darn mov-.

lift

URRRP!!!

Dang,
why am I so gassy?
It feels like bubbles are
bubbling in my belly...
Wait.

swish

Ooooooh...Oh, dear.

Mmph!

-gurrrgle-

I have to let her know I'm inside! Before I look like that popcorn!... But it's difficult to breath in here. She got rid of so much air...

-gooooan-

-gurrrgle-

Oh, no. That isn't good.

-gurrrgle-

-gooooan-

Her stomach is churning! I-I can't get out... I'm going to pass out here and then...

STEPH!!!
Seriously!!!
You're digesting
your date!!! Please
get me out!!!

Well, what do I do now? I didn't even get to enjoy him first. Normally I get a nibble here and there in before the date gives himself to me. But he went on ahead and fed himself to me without asking.

It just keeps filling up in here. Getting tighter... she's pigging out! It's like her body knows I'm on her foodchain! It's tingling my skin! Not good! *grumbles* Why did you agree to date a natural predator, Diego?

Well, I could spit him out and give him a lecturing for being so rude to rush into things, but I suppose its best if I just leave him. I thought Diego wasn't into being food for ladies. *huff* Now I'll need a date next Saturday.

-grooan-

No! I'm not going to be food! Not inside the belly of a cat! No matter how much of a lady she is-

-kick-

URP!

Ugh- Diego, I'm not a bouncy house, okay? Try to be more sensitive. Ya know, like me?

rub

rub

Well, if you don't calm down in there, I'm gonna make ya. Normally dates know better than to move so much and just snuggle and rub their pred.

It's like a darn swimming pool in here! A giant, curvy, living, oblivious one!

-gurrngle-

Nnh- seriously, Diego? I can't hear ya. And all your moving is doing is making me burp. If you keep this up, I'll end up tooting too. I'd rather not be THAT gross.

Maybe it's
best to drink
the whole thing
juuuust in case.

GLURK
GLURK

SWELL

SWELL

BRUUUUURP!!!

-gurrngle-

SLOSH

SLOSH

If I survive this, I
am going to have a firm word with her!
... I don't even want to think about how
I could survive this.

hiccup
Really? You still wanna
be rough with me in
there. I ain't that type
of pred, mister. I prefer
cuddly date food.
huffs

... But her stomach
does sound very angry
with her. Though that may be
my echo...

PUSH

splash

SQUISH

-gurrngle-

Oof-
Stop pushing.
Nnh- M-maybe
some compacting
food will keep ya
from being so
feisty.

rub
rub

And
no food.
sigh
Guess I
need to
make a
run for
something
to eat or
he's gonna
do this ALL
night.

rub
rub

LATER

Ugh-
should've
found a longer
shirt before leaving.
Now everyone's gonna
stare! Dang it, Diego.
You're making me
get weird looks. What
if someone from
college sees
me?

tug

Um, hi.

Uh...yeah? Can
I help you, ma'am?

I'd like two...
four...make it
six cheeseburgers
and a large
soda.

tug

sigh
I hope this
is enough
to force ya
to just be good
food,
Diego.

NOM

Mmm- So juicy. Maybe I
should eat these more than dates.
They don't rush me at least to
eat 'em. *giggle*

happy humming

-slurrrrp-

-groooan-

SPLISH

At least someone sounds happy out there...and there goes my clothes ... digested as I'm smothered with hamburger... Great. Just great.

-gurrrgle-

Aaaah-Gotta say, eating with you Diego has been euphoric!

Er...I meant to say "awesome".
...Excuse me.

Mommy,
she's got a fat tummy!

Honey, that's rude...even if you're right.

LATER

Well, Diego... you made a horrible date, but I gotta say ...

-slosh-

-slosh-

You made a SWELL dinner. *giggle* Get it?

GLORP

GROAN

RIORP

Guess not. Already packing in with the rest into my intestines. So sweet of ya-

-slosh-

squish

THE END
