

Who are you?!

GEEZ??
YOU DON'T KNOW ME?
CHOI SUNGJAE
YOU DON'T KNOW?

Why should I know any of you? What do you want?

YOU AND JUNG AERIN, WHAT A JOKE!
SHE'S LIKE THE MOST POPULAR GIRL IN THE SCHOOL,
YOU DON'T MATCH UP!

.....

This is crazy!
Why would someone like her go for someone like you?

.....

Not to mention, you're a girl

Wait Sungjae~
look at her

Yah I just saw her up close now

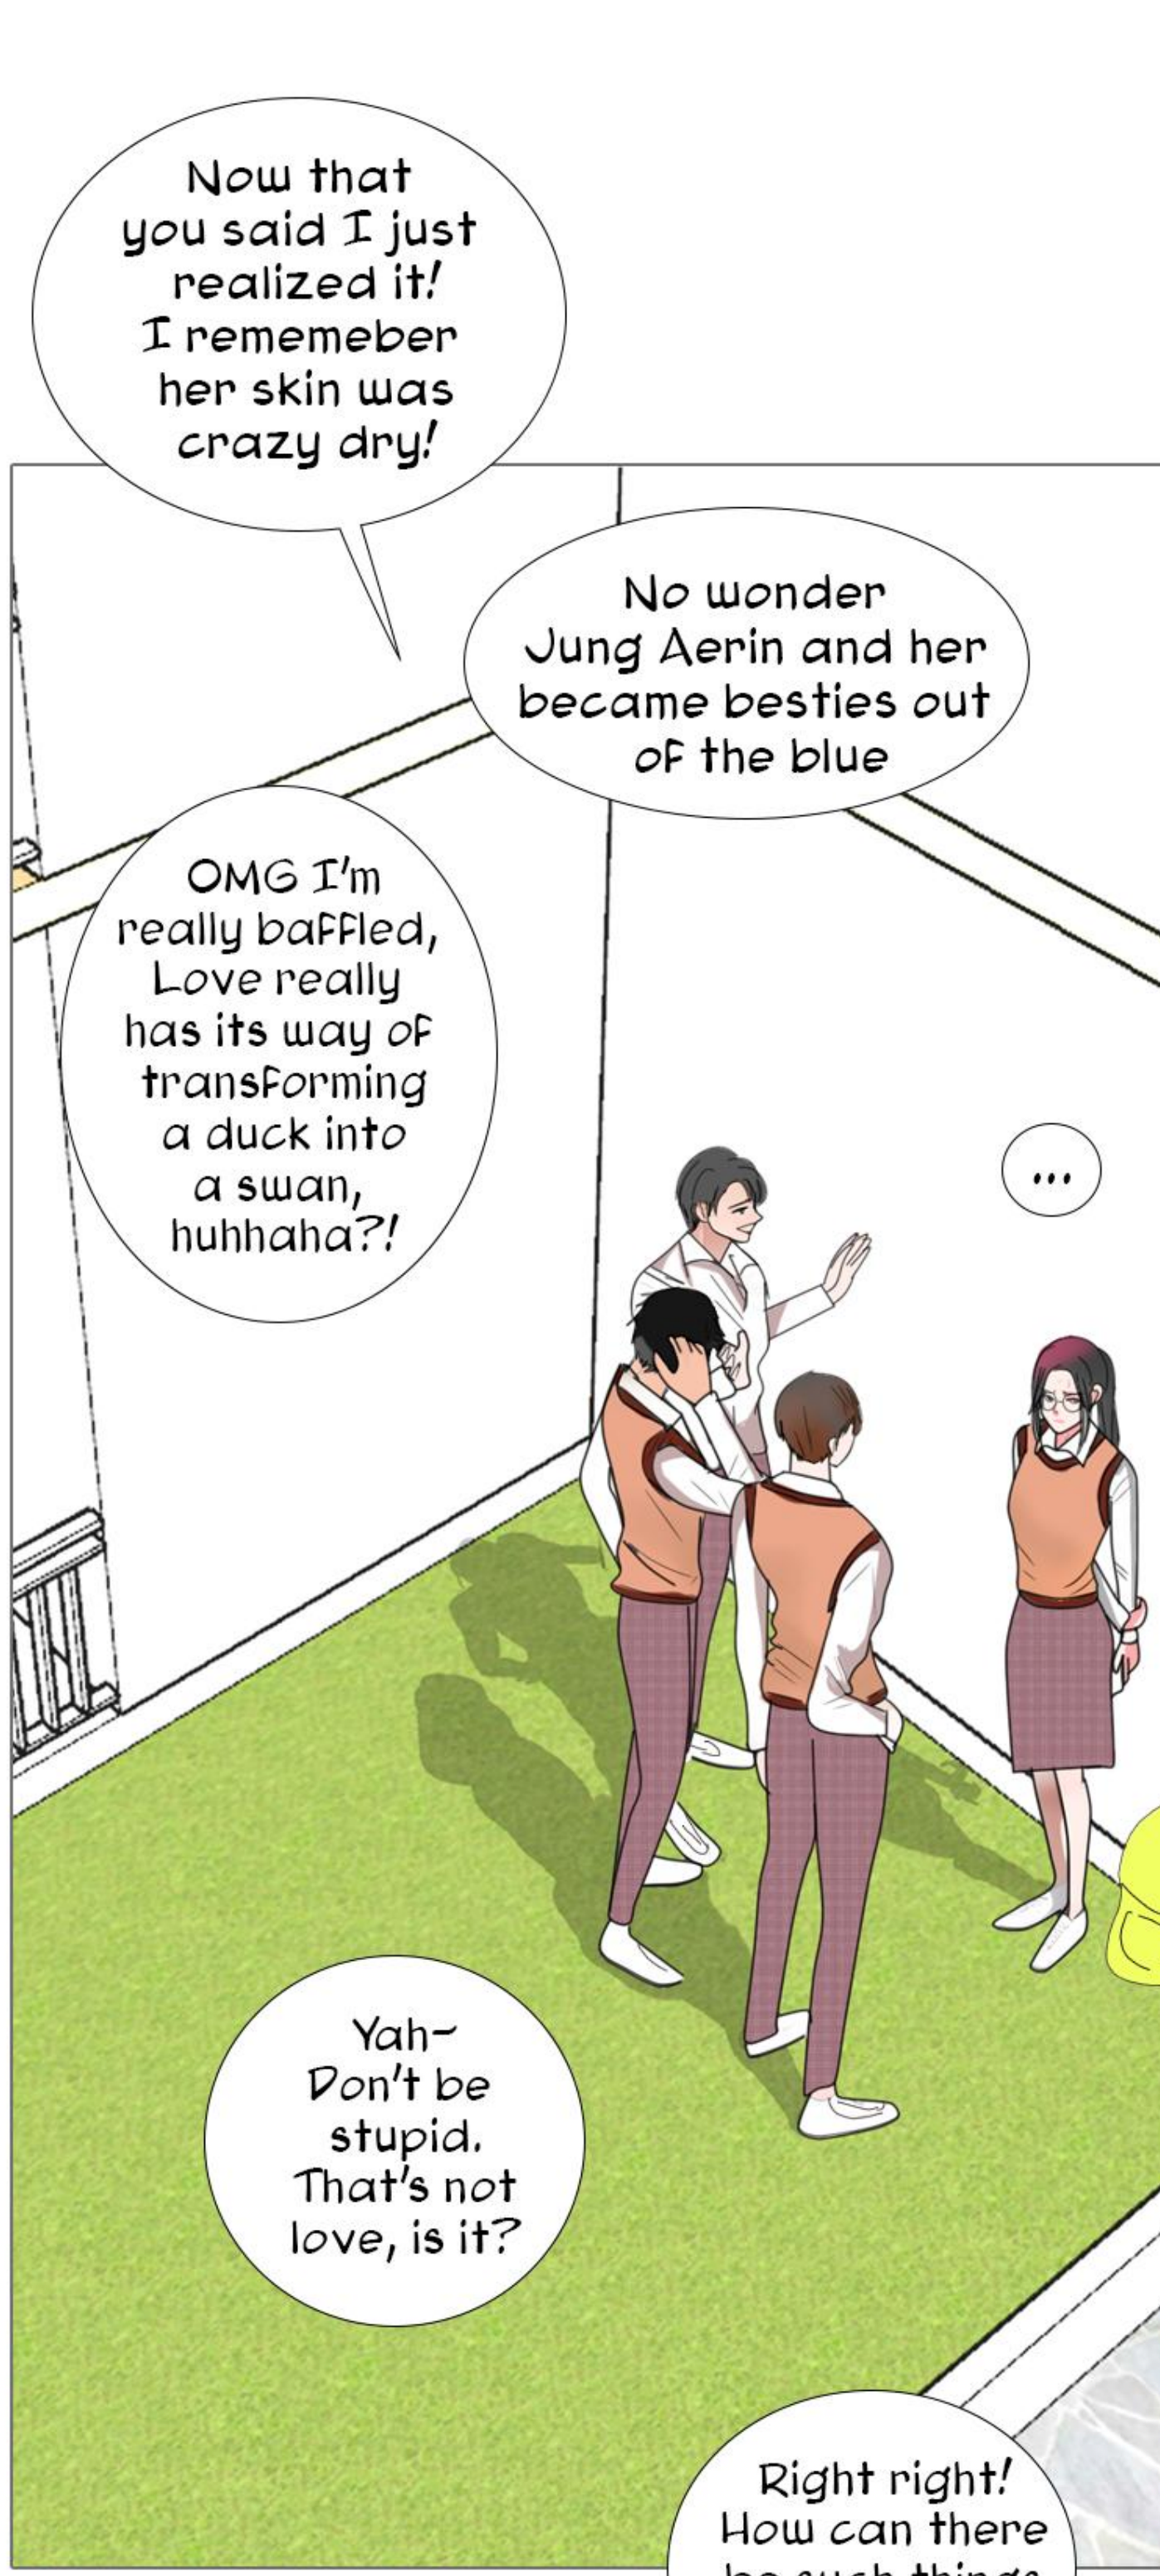

....

She's actually looking fine huh?
Pimples disappeared into thin air

....

Now that you said I just realized it! I remember her skin was crazy dry!

No wonder Jung Aerin and her became besties out of the blue

OMG I'm really baffled, Love really has its way of transforming a duck into a swan, huhhaha?!

...

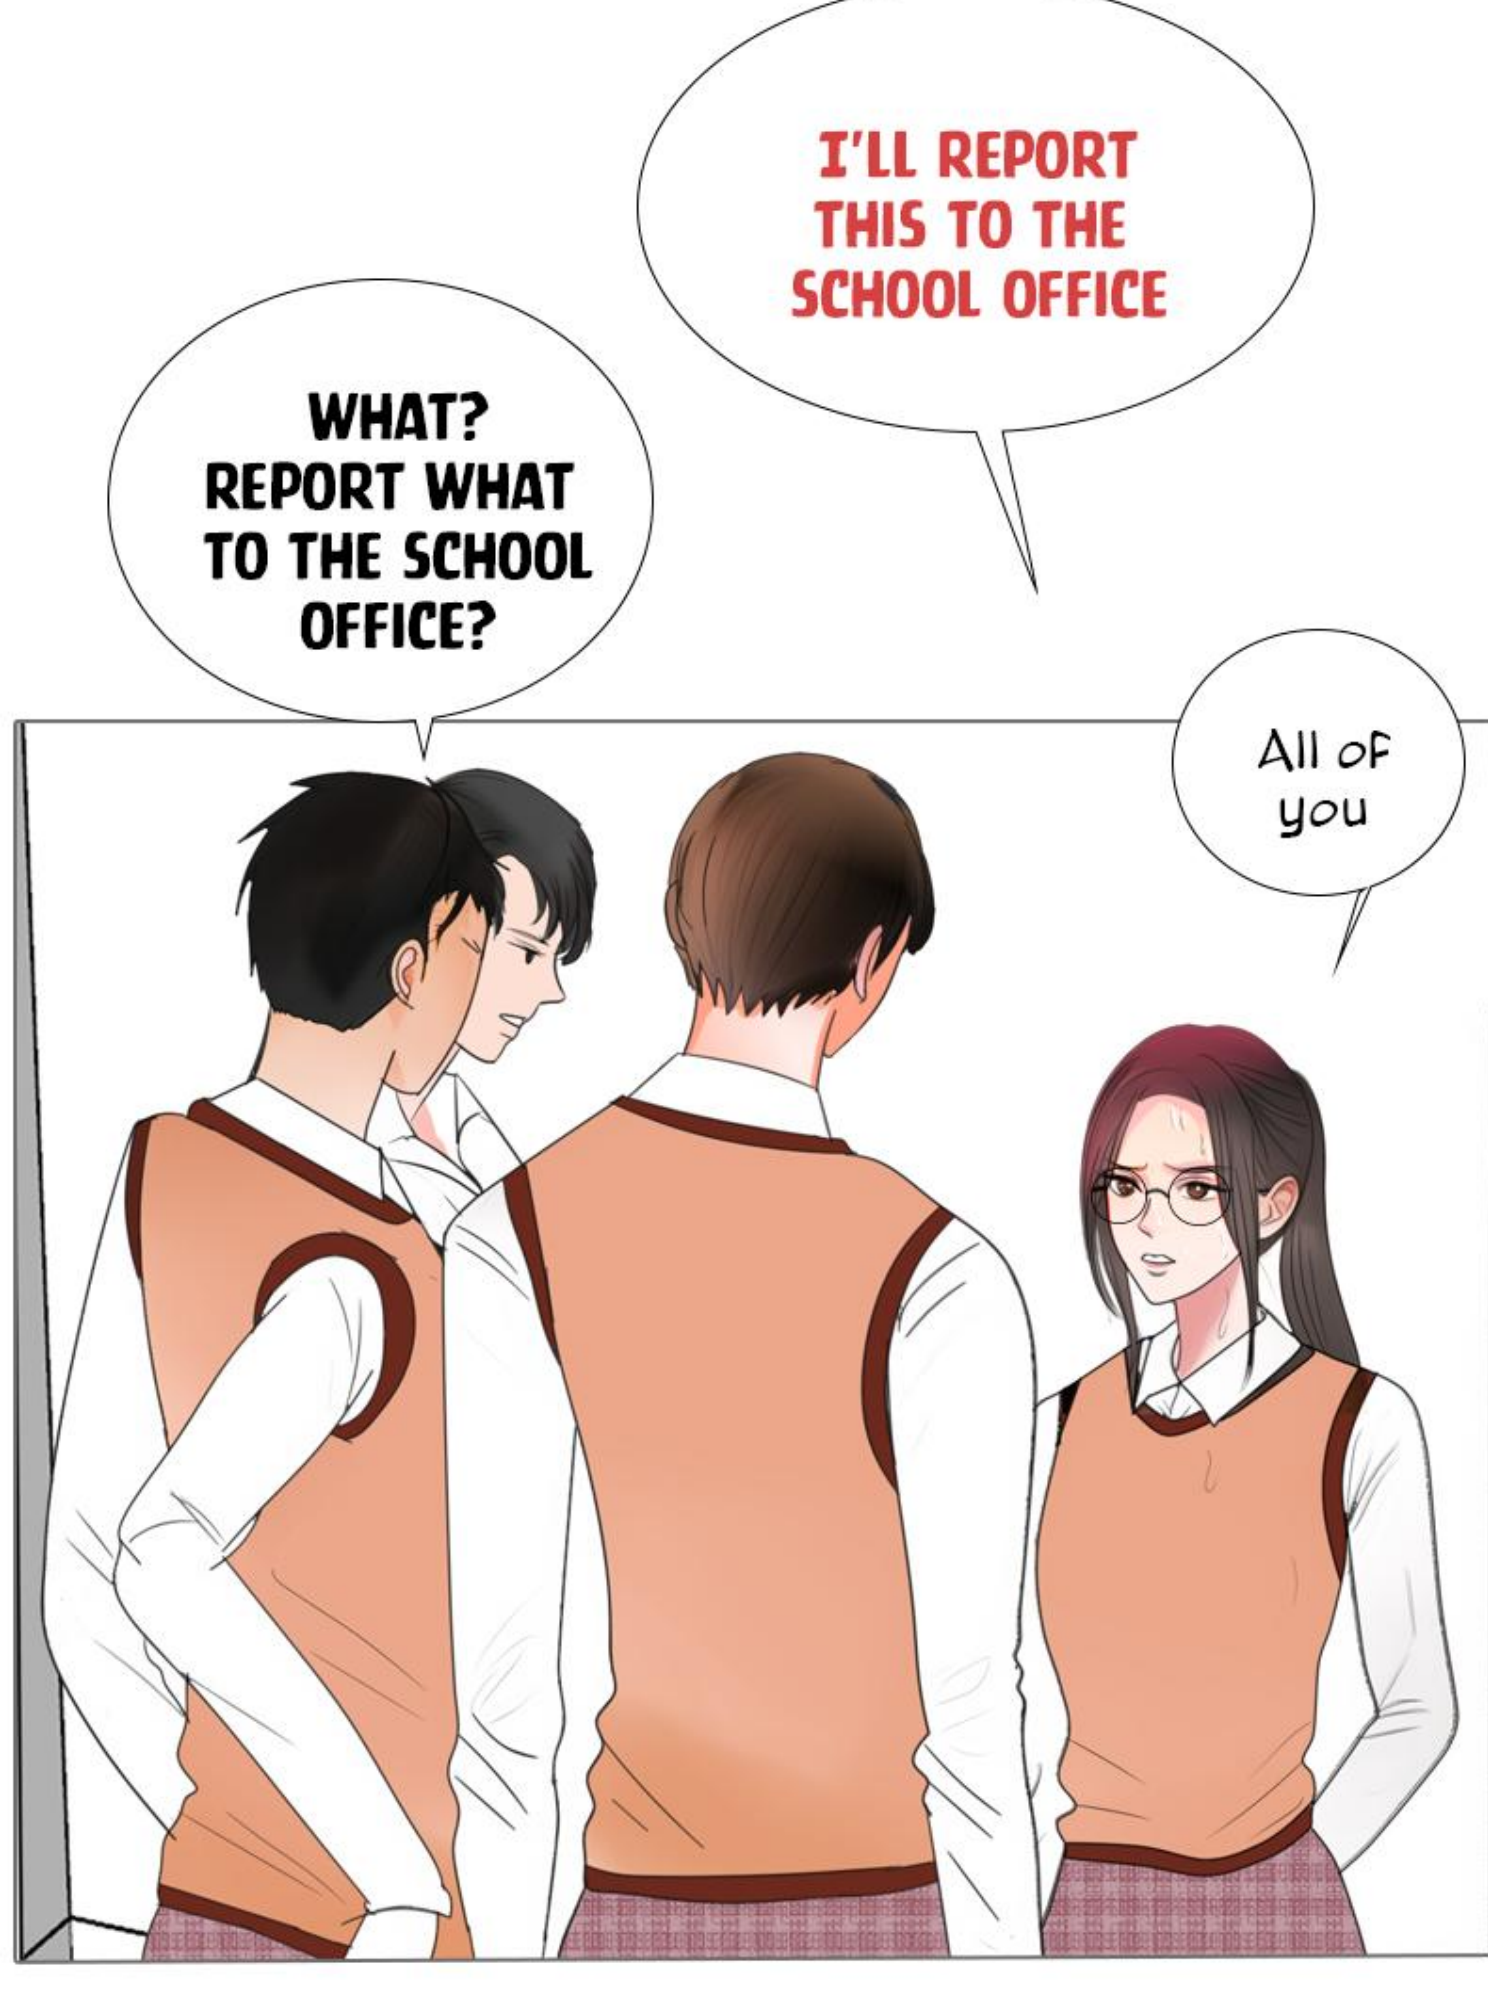

Yah- Don't be stupid. That's not love, is it?

Right right! How can there be such things between 2 girls-

Then, what are we going to do with Jung Aerin?

WHAT?!

Hey,
there's no reason
to use violence

She's hanging
with the student
council, do you
want to die?

But it's all
in good fun occasionally,
Next time when
I need to vent, and
you're my closest
target , got it!?

Hahaha

Pfit

More than one
bottle might
be involved,

Hahaha

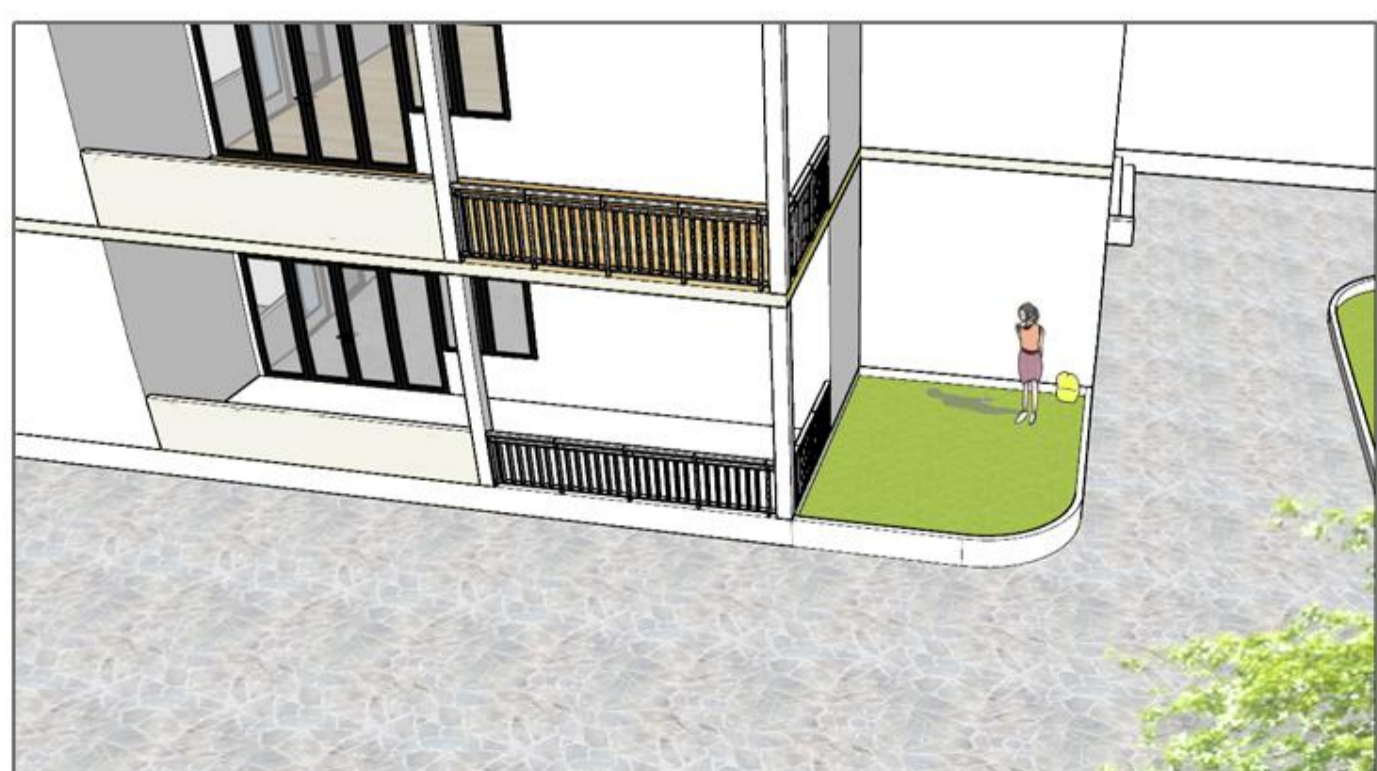

Let's bet on
when she'll fess us up
to the school office

Omg so
scary
hahaha

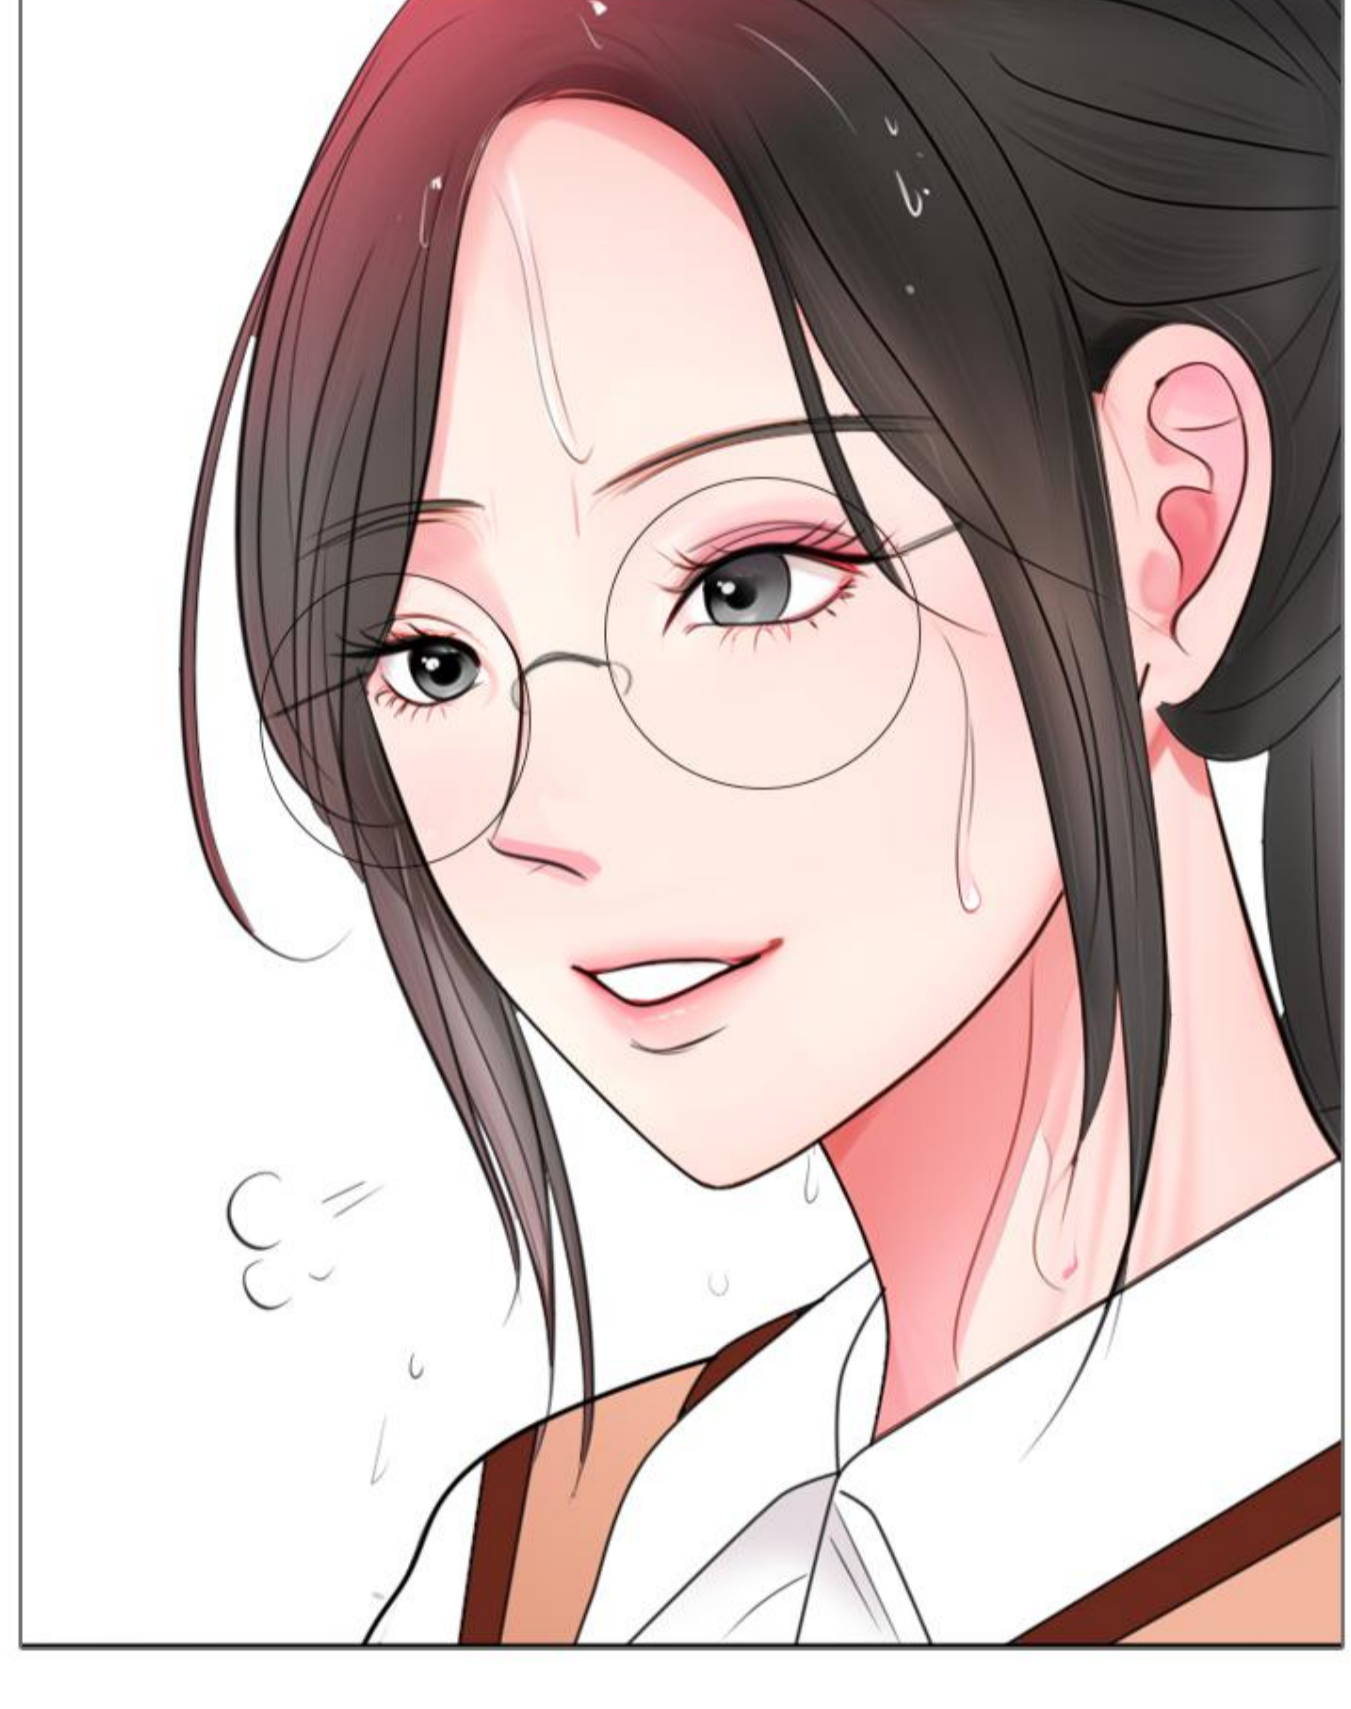

Hahaha

....

Thank goodness, it didn't get drenched

Next morning

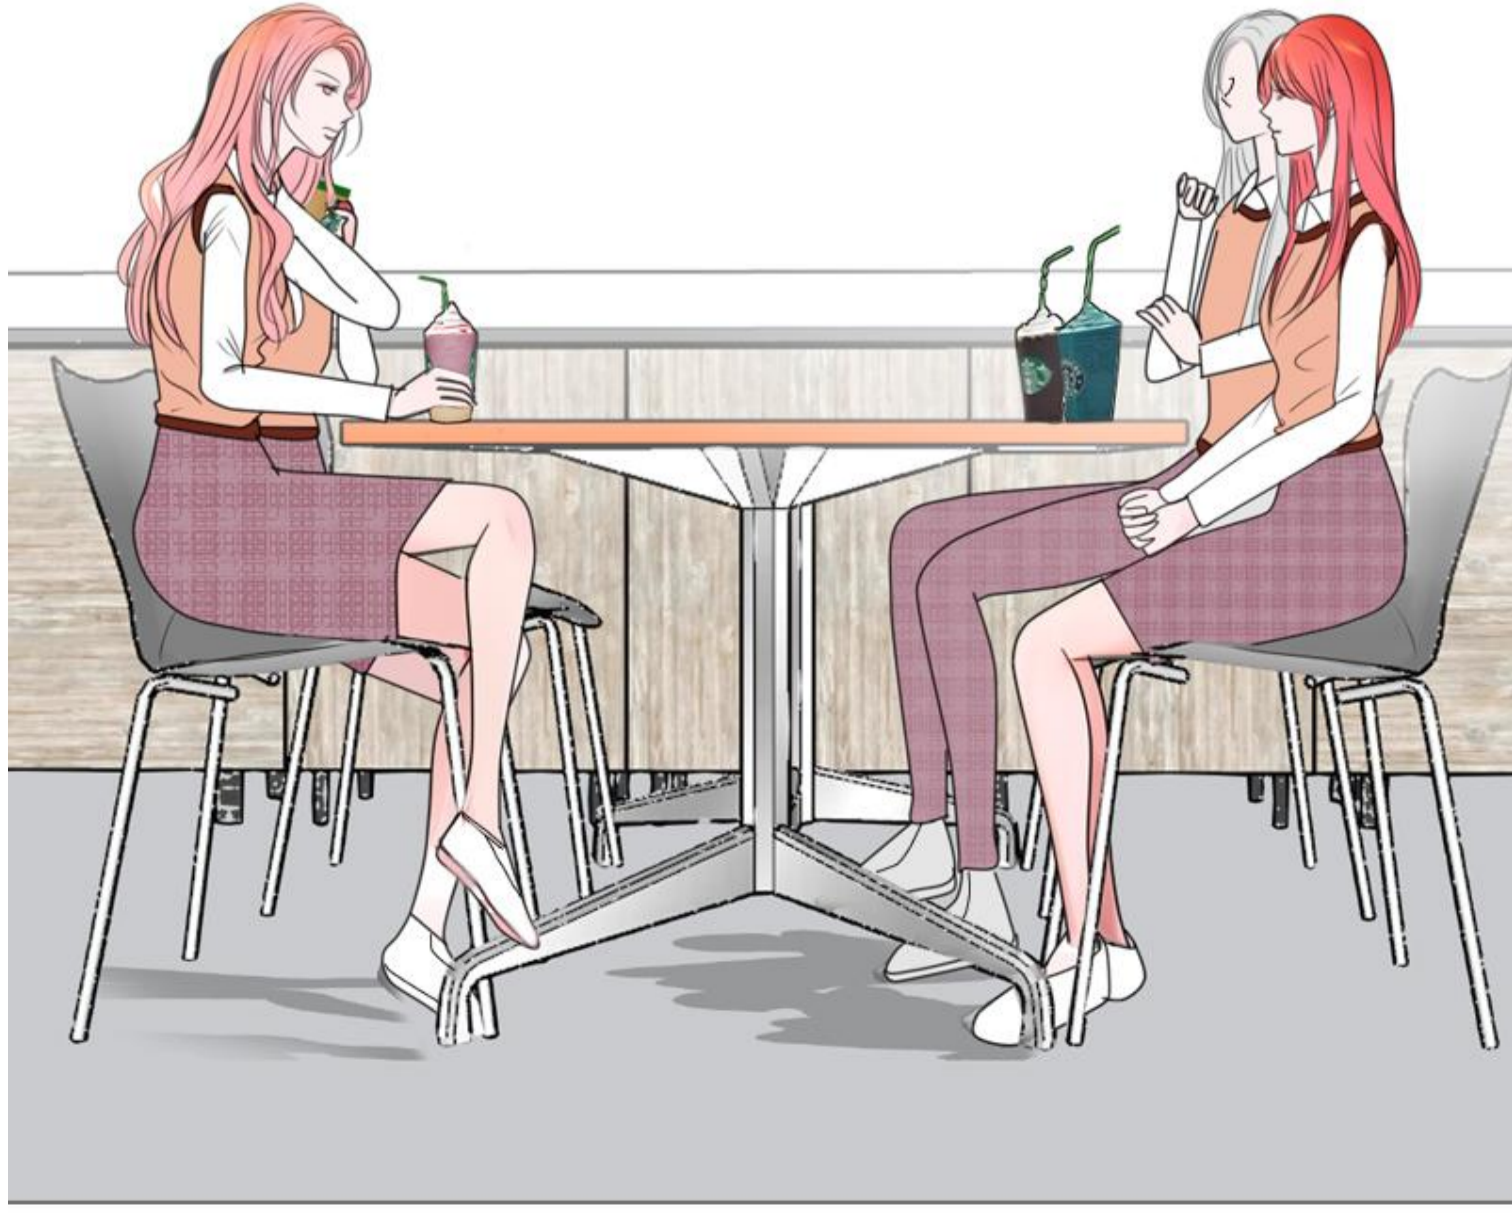

Did you see what happened yesterday?

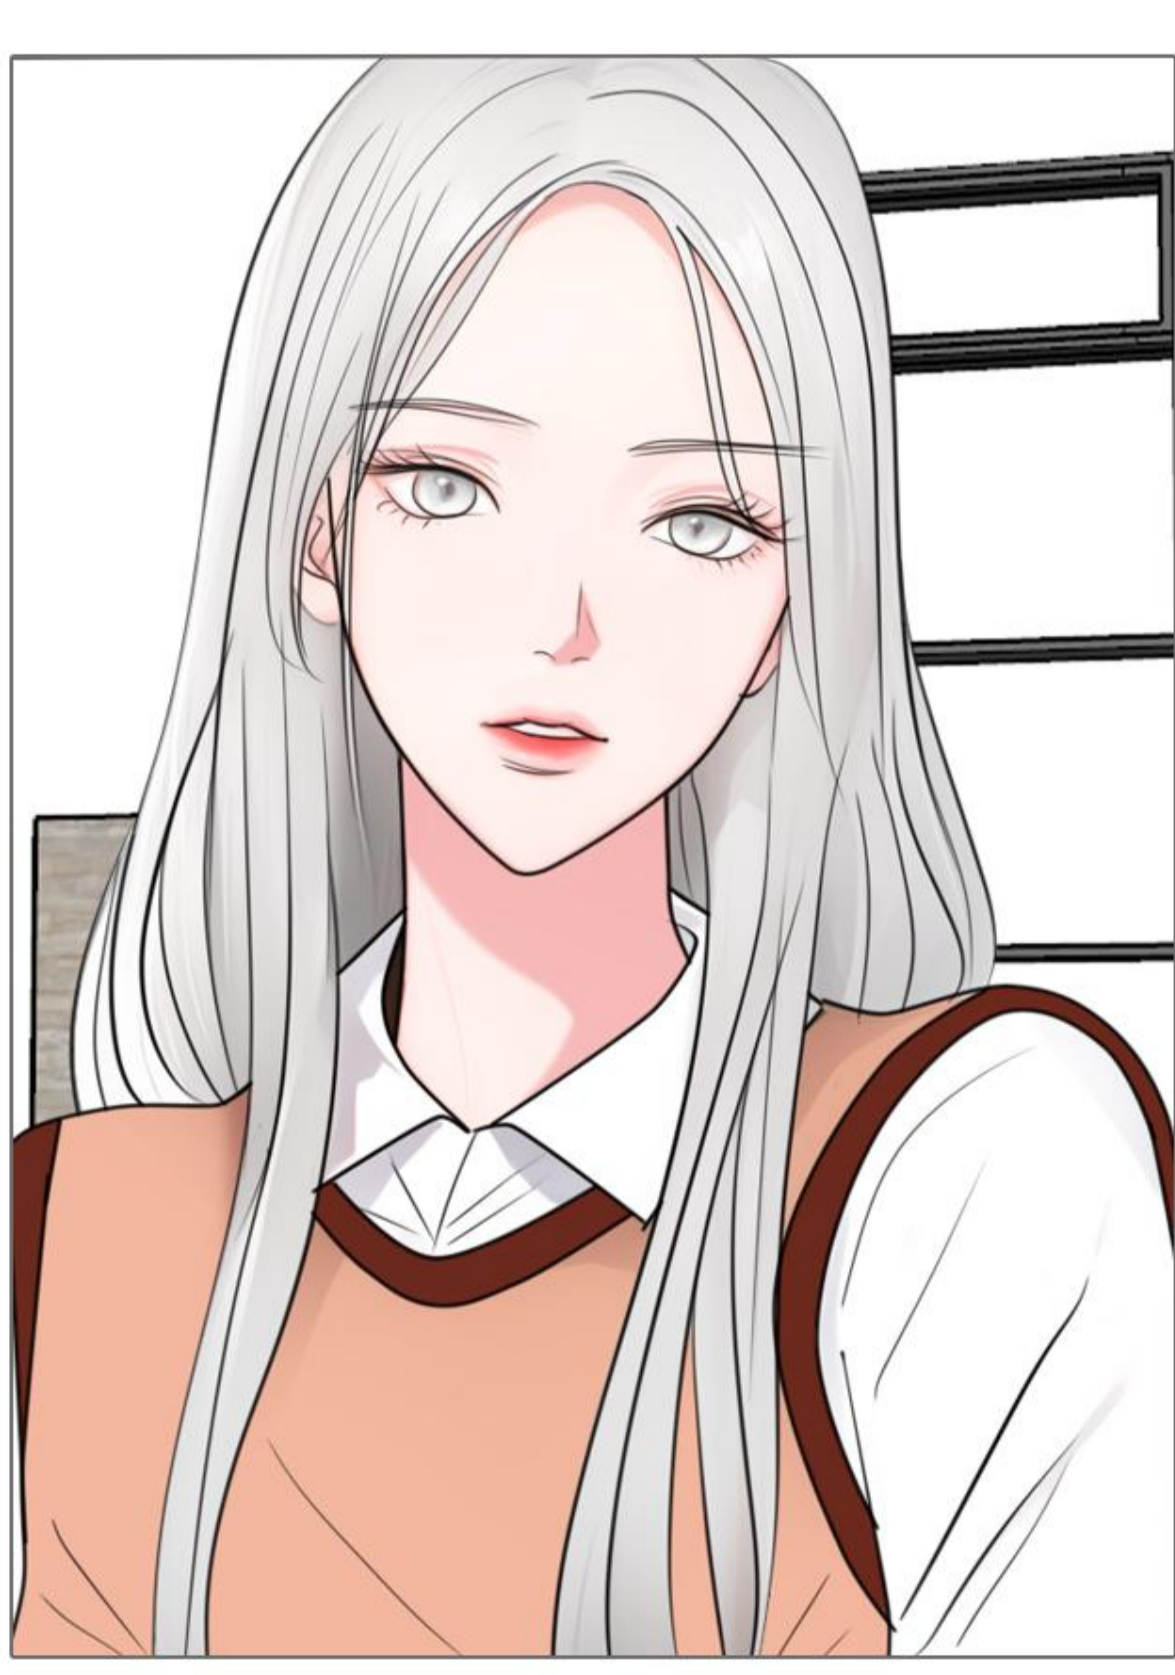

So weird. I don't know why the video hasn't been posted yet. Is it removed?

Our school must have done something about this

Ugh, I don't want to come near them anymore

Me neither

It's lucky that the Winter break is around the corner

We gotta hit the road and leave this awkward gossiping behind, shouldn't we?

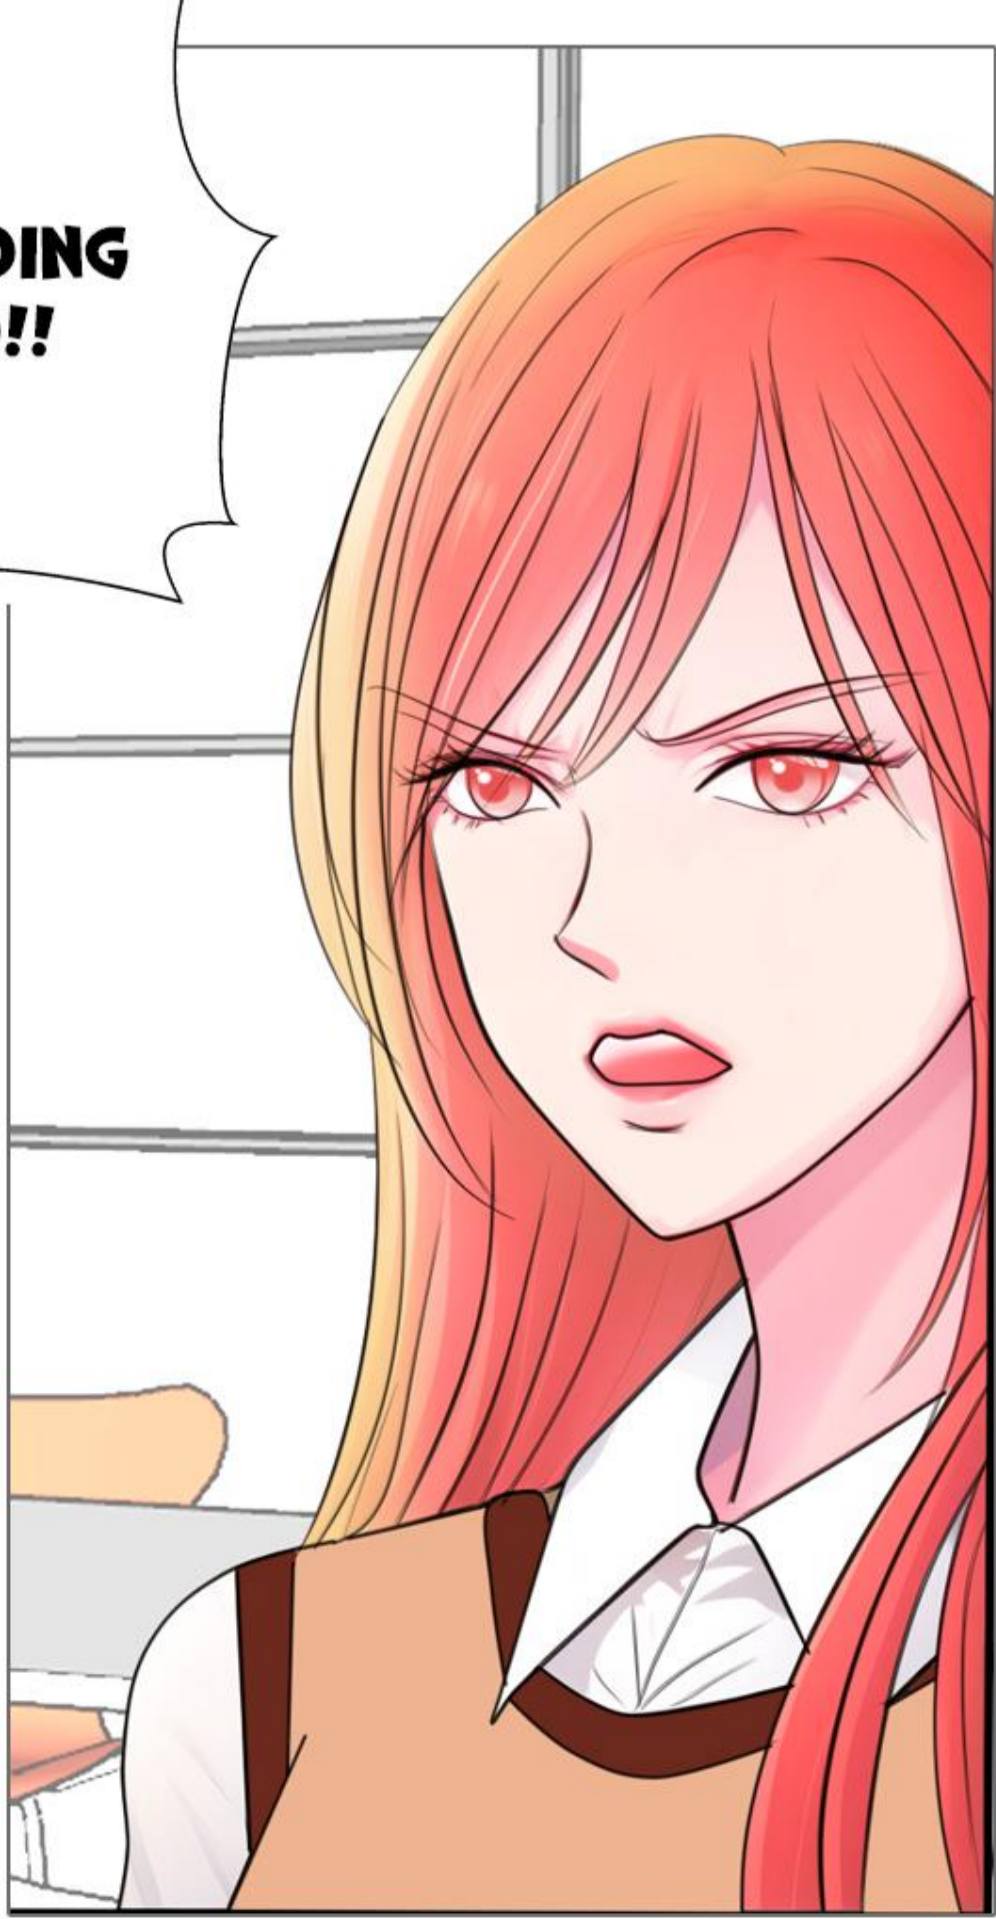

Jisoo, how does a week trip to Busan sound to you?

Too funny~~ I'm in!!!

....

I'M GOING TOO!!

Did you get
your mom's
permission?!

I did!

Perfect!
Count us
in!!!
