

Swift Guitar Lessons

"The Small Things (A Song For Otis) By Rob Swift

Verse 1

E **G#m**
I see you in the small things, each day that passes by
A **E** **B7**
And I feel you in the morning hours, in the bed where you use to lie

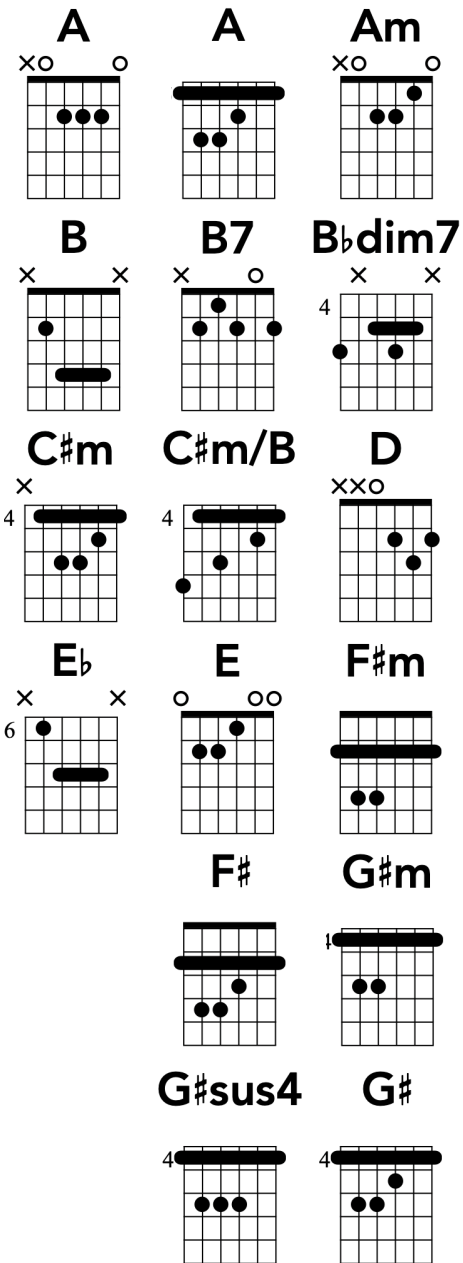

A **E** **D** **F#m**
I chose to break my own heart, oh, I chose to say goodbye
E **B7** **Am** **E**
Now I see you in my memories, every time I close my eyes

Chorus 1

A **E** **F#m**
You were my beautiful boy... you gave us everything
A **E** **F#m**
when you fought like hell and left it in the ring
A **E** **F#m**
I said my beautiful boy, I want you to be free
C#m **G#m**
A sunbeam across the sea, a moments rest there upon breeze
A **G#m** **F#m** **E** **B**
You can linger all you like, our dreams will find you

Verse 2

E **G#m**
I see you in the small things, behind my red eyes
A **E** **B7**
And I feel you as travel back home, like someone's waiting for me to arrive
A **E** **D** **F#m**
I've been searching for some kind of sign, I've been thinking you've some how survived
E **B7** **Am** **E**
As more than just memory that fades away with time
