Oh? Your penis is still so hard.

Mnnh.

I bet you can go for a few more rounds.

So this is what a virgin's milk feels like? Ahh... it's so hot... and creamy.

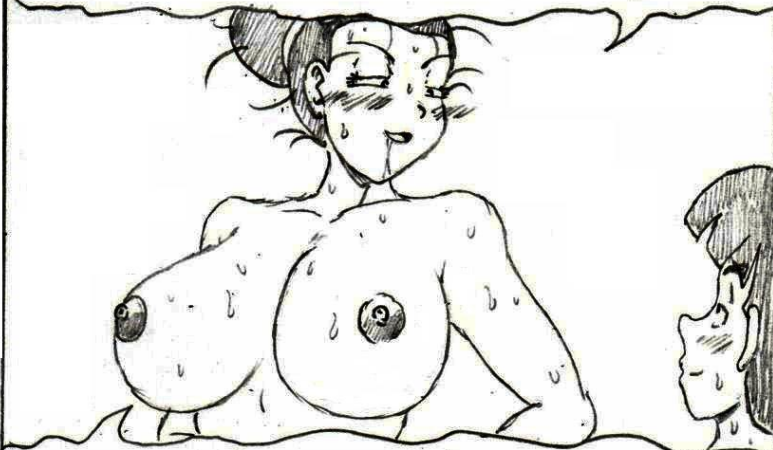

Did you enjoy that, Gohan-kun?

Y-Yes... I did... it was awesome.

Fufu. Good. A husband's job is to satisfy his wife in every way... and that's what you're going to do.

Let's go back to my room and keep fucking like rabbits.

Hey... since your father hasn't returned... would you like to become my new husband, Gohan-kun?

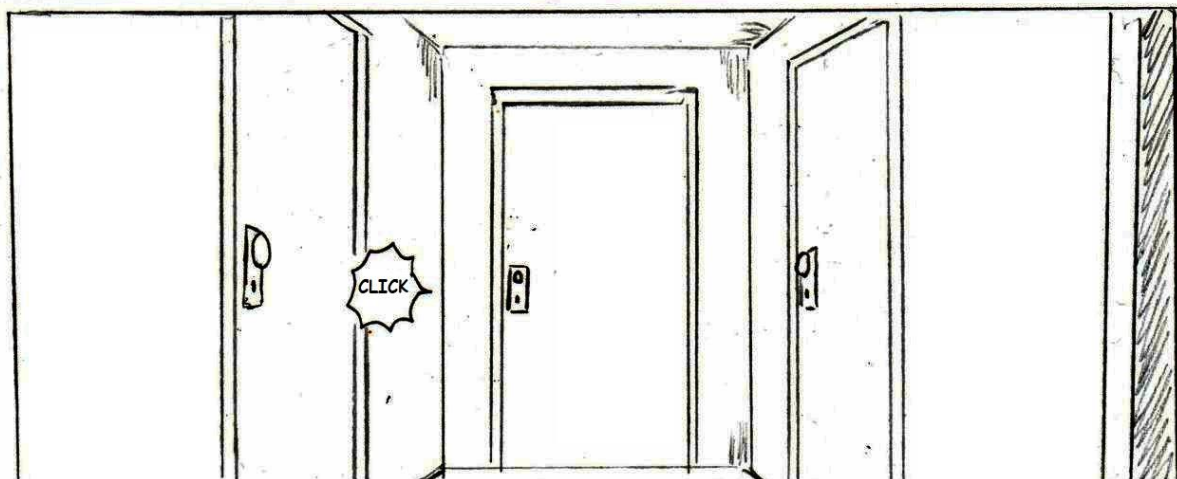

Y-Yeah. Okay, mum...

We'll keep going until morning. Think you can do it?

Yes, ma'am.

With Goku away on Yardrat, Chi-Chi had been left pent up and feeling neglected. So, with her husband out of the picture, for the next many, many months, Chi-Chi and her son would use every change they could to fuck... mating every day and every night.

BABY! AH! YOUR PENIS IS GOING SO DEEP! OH! I LOVE IT! AH! AH! PLEASE, KEEP POUNDING ME EVERY DAY! AH! AH! KAMI, I LOVE IT!

MUM! AH! AH! YOUR PUSSY FEELS SO GOOD! AH! AH! I CAN'T STOP MOVING MY HIPS!

Gohan ended up fucking his mom so hard their first night, she forgot all about her husband as she was happily impregnated.

And so, the pair continued their sordid relationship happily ever after. :)
