Hey Lezley!

Hi Dan!  
Oh Wow, looks like you really got that Lupum promo-job!

Heh, Yeah... kinda... I had to trick them a bit to get into the program tho...

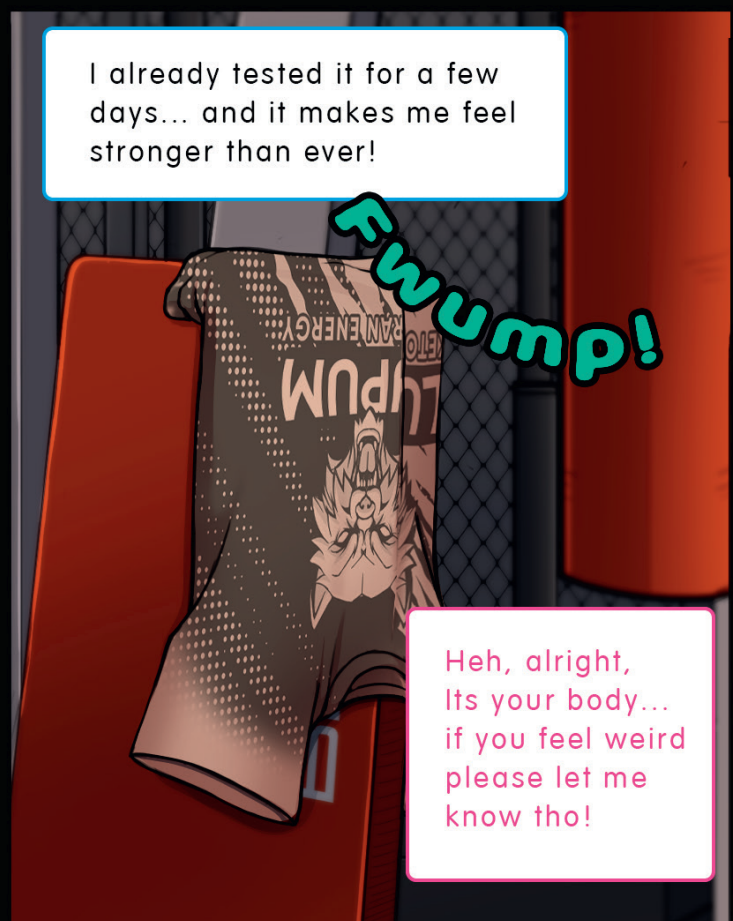

They are still selling these promo packs only to Kets somehow, I asked a friend to help me out with that...

Better be careful tho! Inquisition marked it as "problematic" for humans...

I already tested it for a few days... and it makes me feel stronger than ever!

Yeah, Yeah... They simply love to ban stuff from the market... But it's the result that counts, right?

Heh, alright, Its your body... if you feel weird please let me know tho!

Pfff.. *\*weird\** Lez really worries too much...  
This stuff is really boosting me up!
