

WTFBA PRESENTS: BASH AT THE BEACH!

GABRIELA "ANIQUILADORA" SANTOS VS. ANGIE "MARAUDER" PARATA

BY A.F. COMBAT

Hello, folks! This is Al Clarkson alongside Dan Reynolds bringing you the main event of the World Topless Foxy Boxing Association's Beach-Boxing Invitational!

And we have two competitors who have experience slugging it out in the sand, New Zealand's Angie Parata and Brazil's Gabriela Santos!

ROUND 1:

And they're trading shots right from the opening bell!

Santos has a slight advantage in the number of landed punches, giving her the edge as the round comes to a close!

ROUND 7:

...Both women are tired, bruised and bleeding!
It's just a question of who wants it more...

And they're just *digging* into each other's body as they stumble across the sand!

Santos pops up Parata's head with an uppercut--

--Then sends her to the ropes with a right hand!

Parata's clinging to the ropes, struggling to stay concious!

Santos pursues her to the ropes, lines her up--

--And SLAMS HOME ANOTHER RIGHT HAND!

That's done it! *PARATA IS OUT!*

Ladies and gentlemen, your winner by seventh round knockout, *Gabriela Santos!*
