This is ASR calling  
from space to Earth.  
Is there anyone copy?

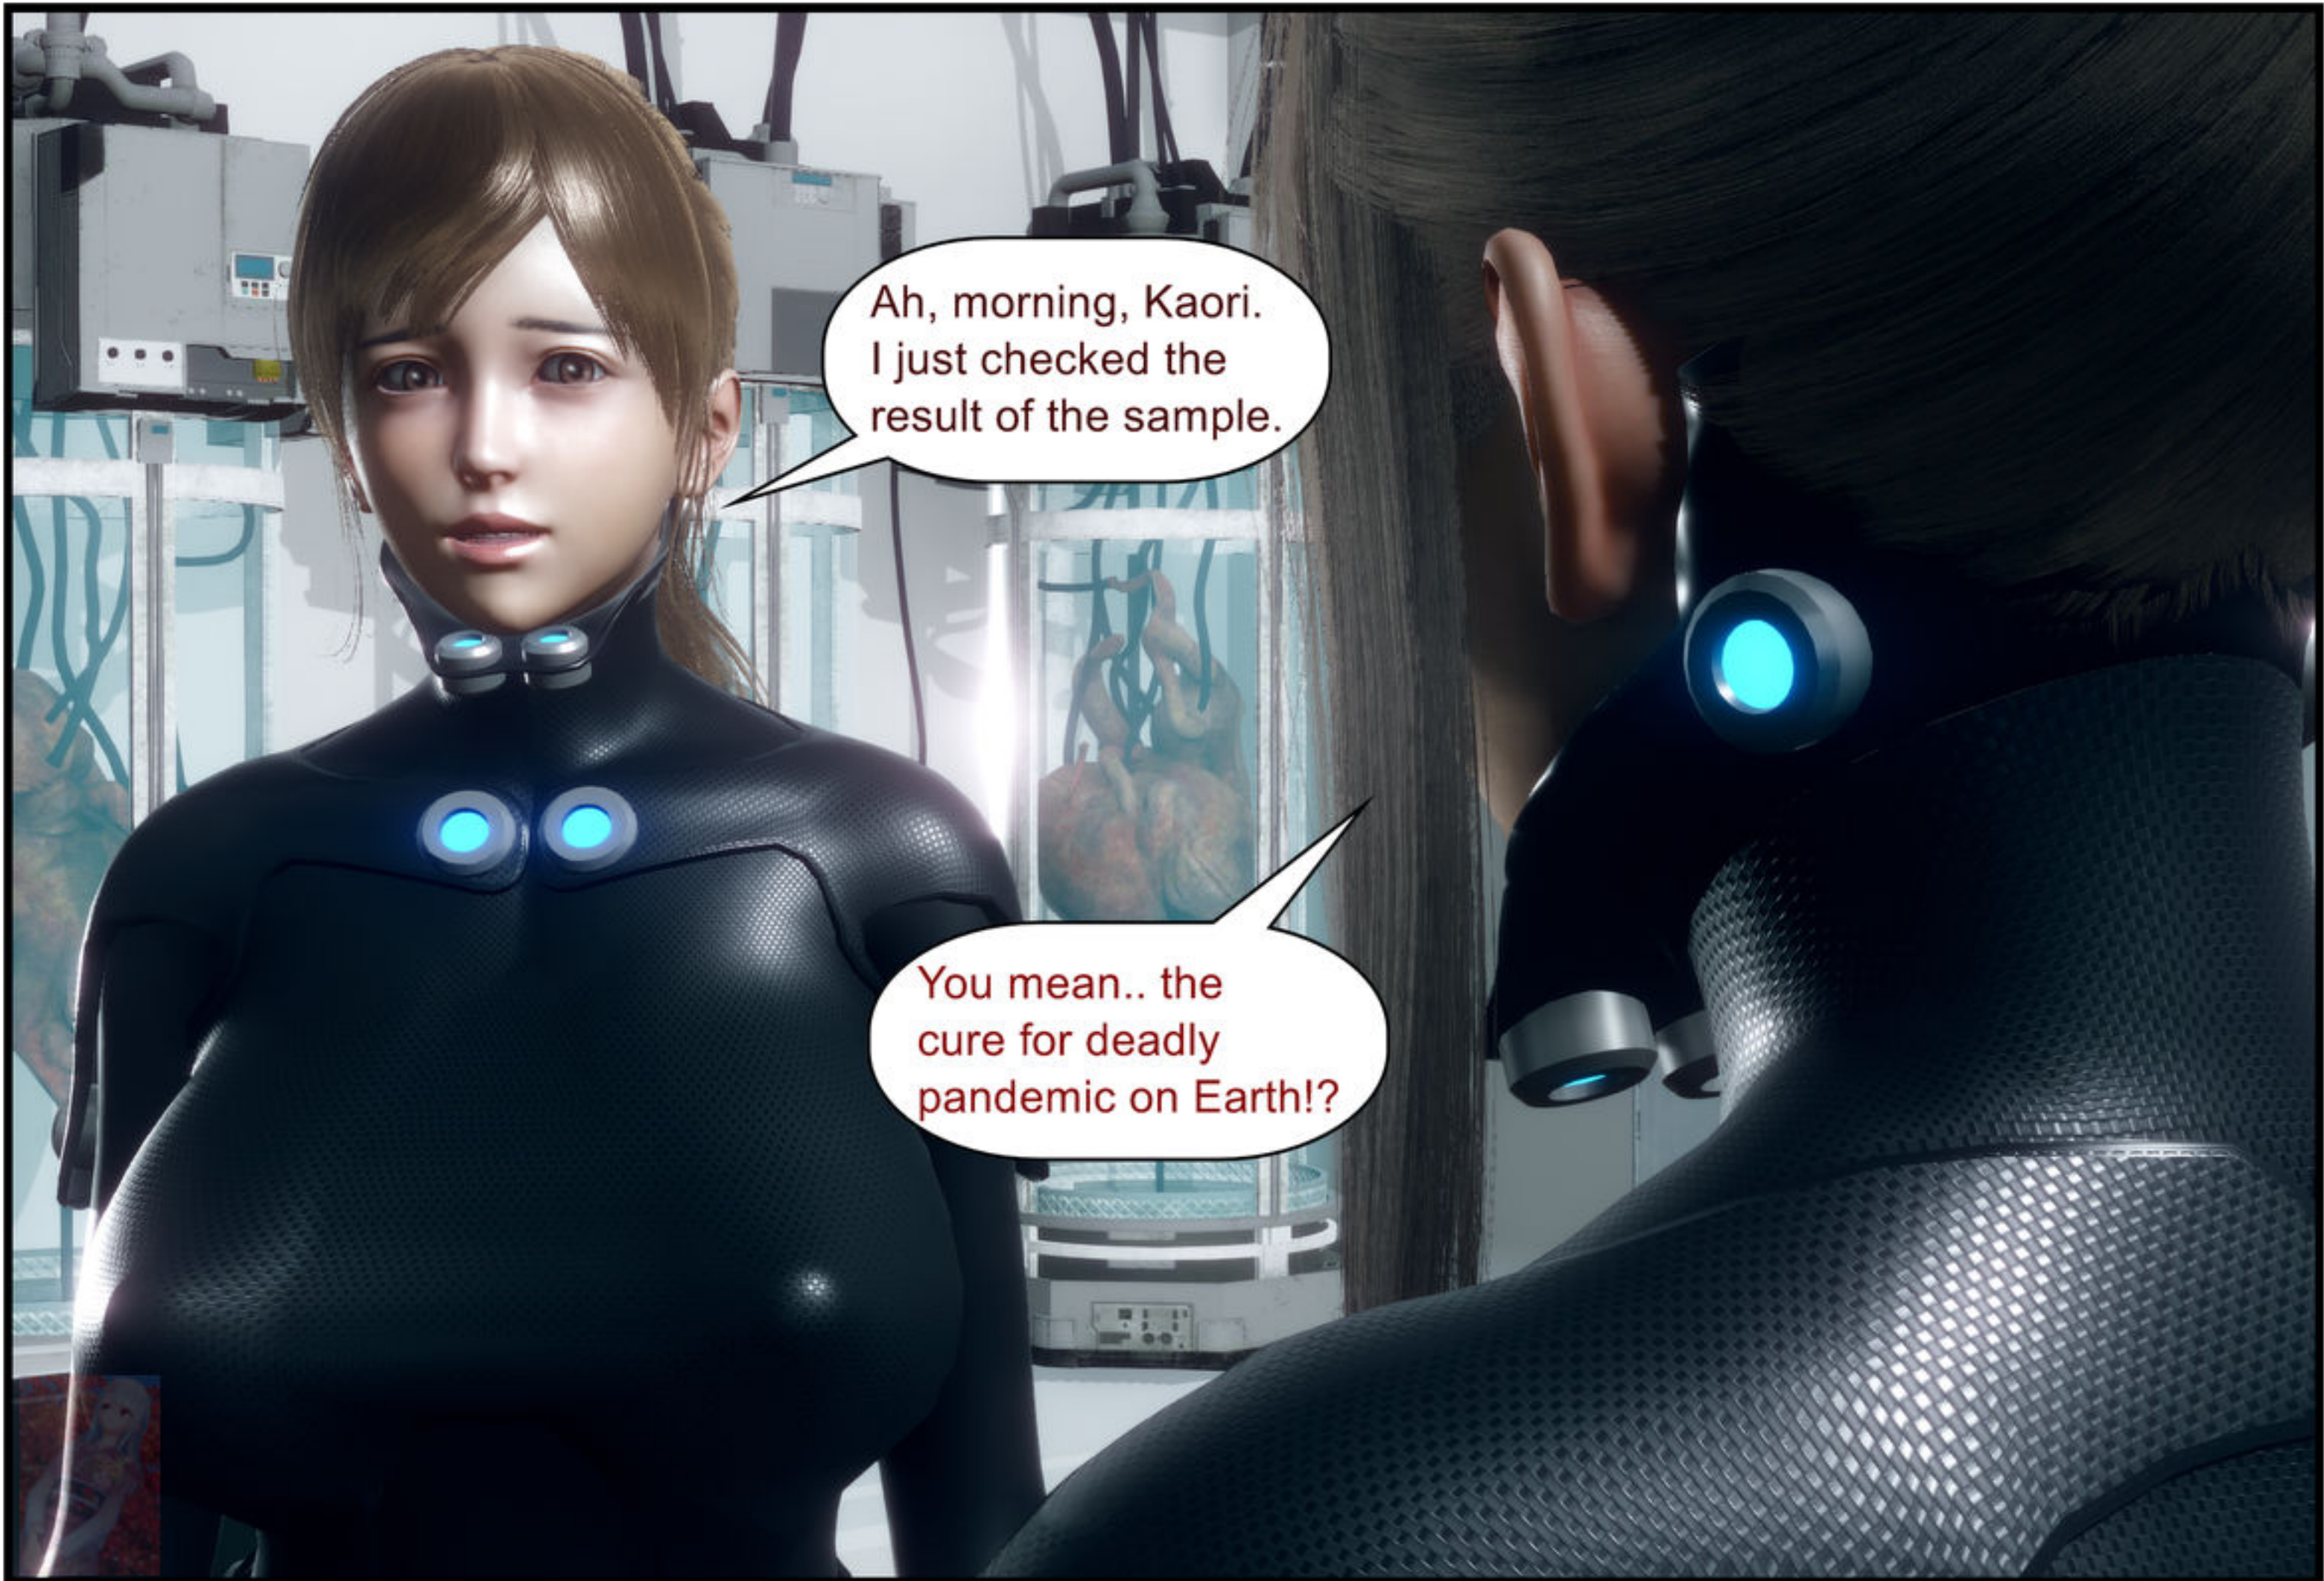

We are sending this  
replay message to  
the base. Is there  
anyone copy?

Morning, Airi.  
You up so early?

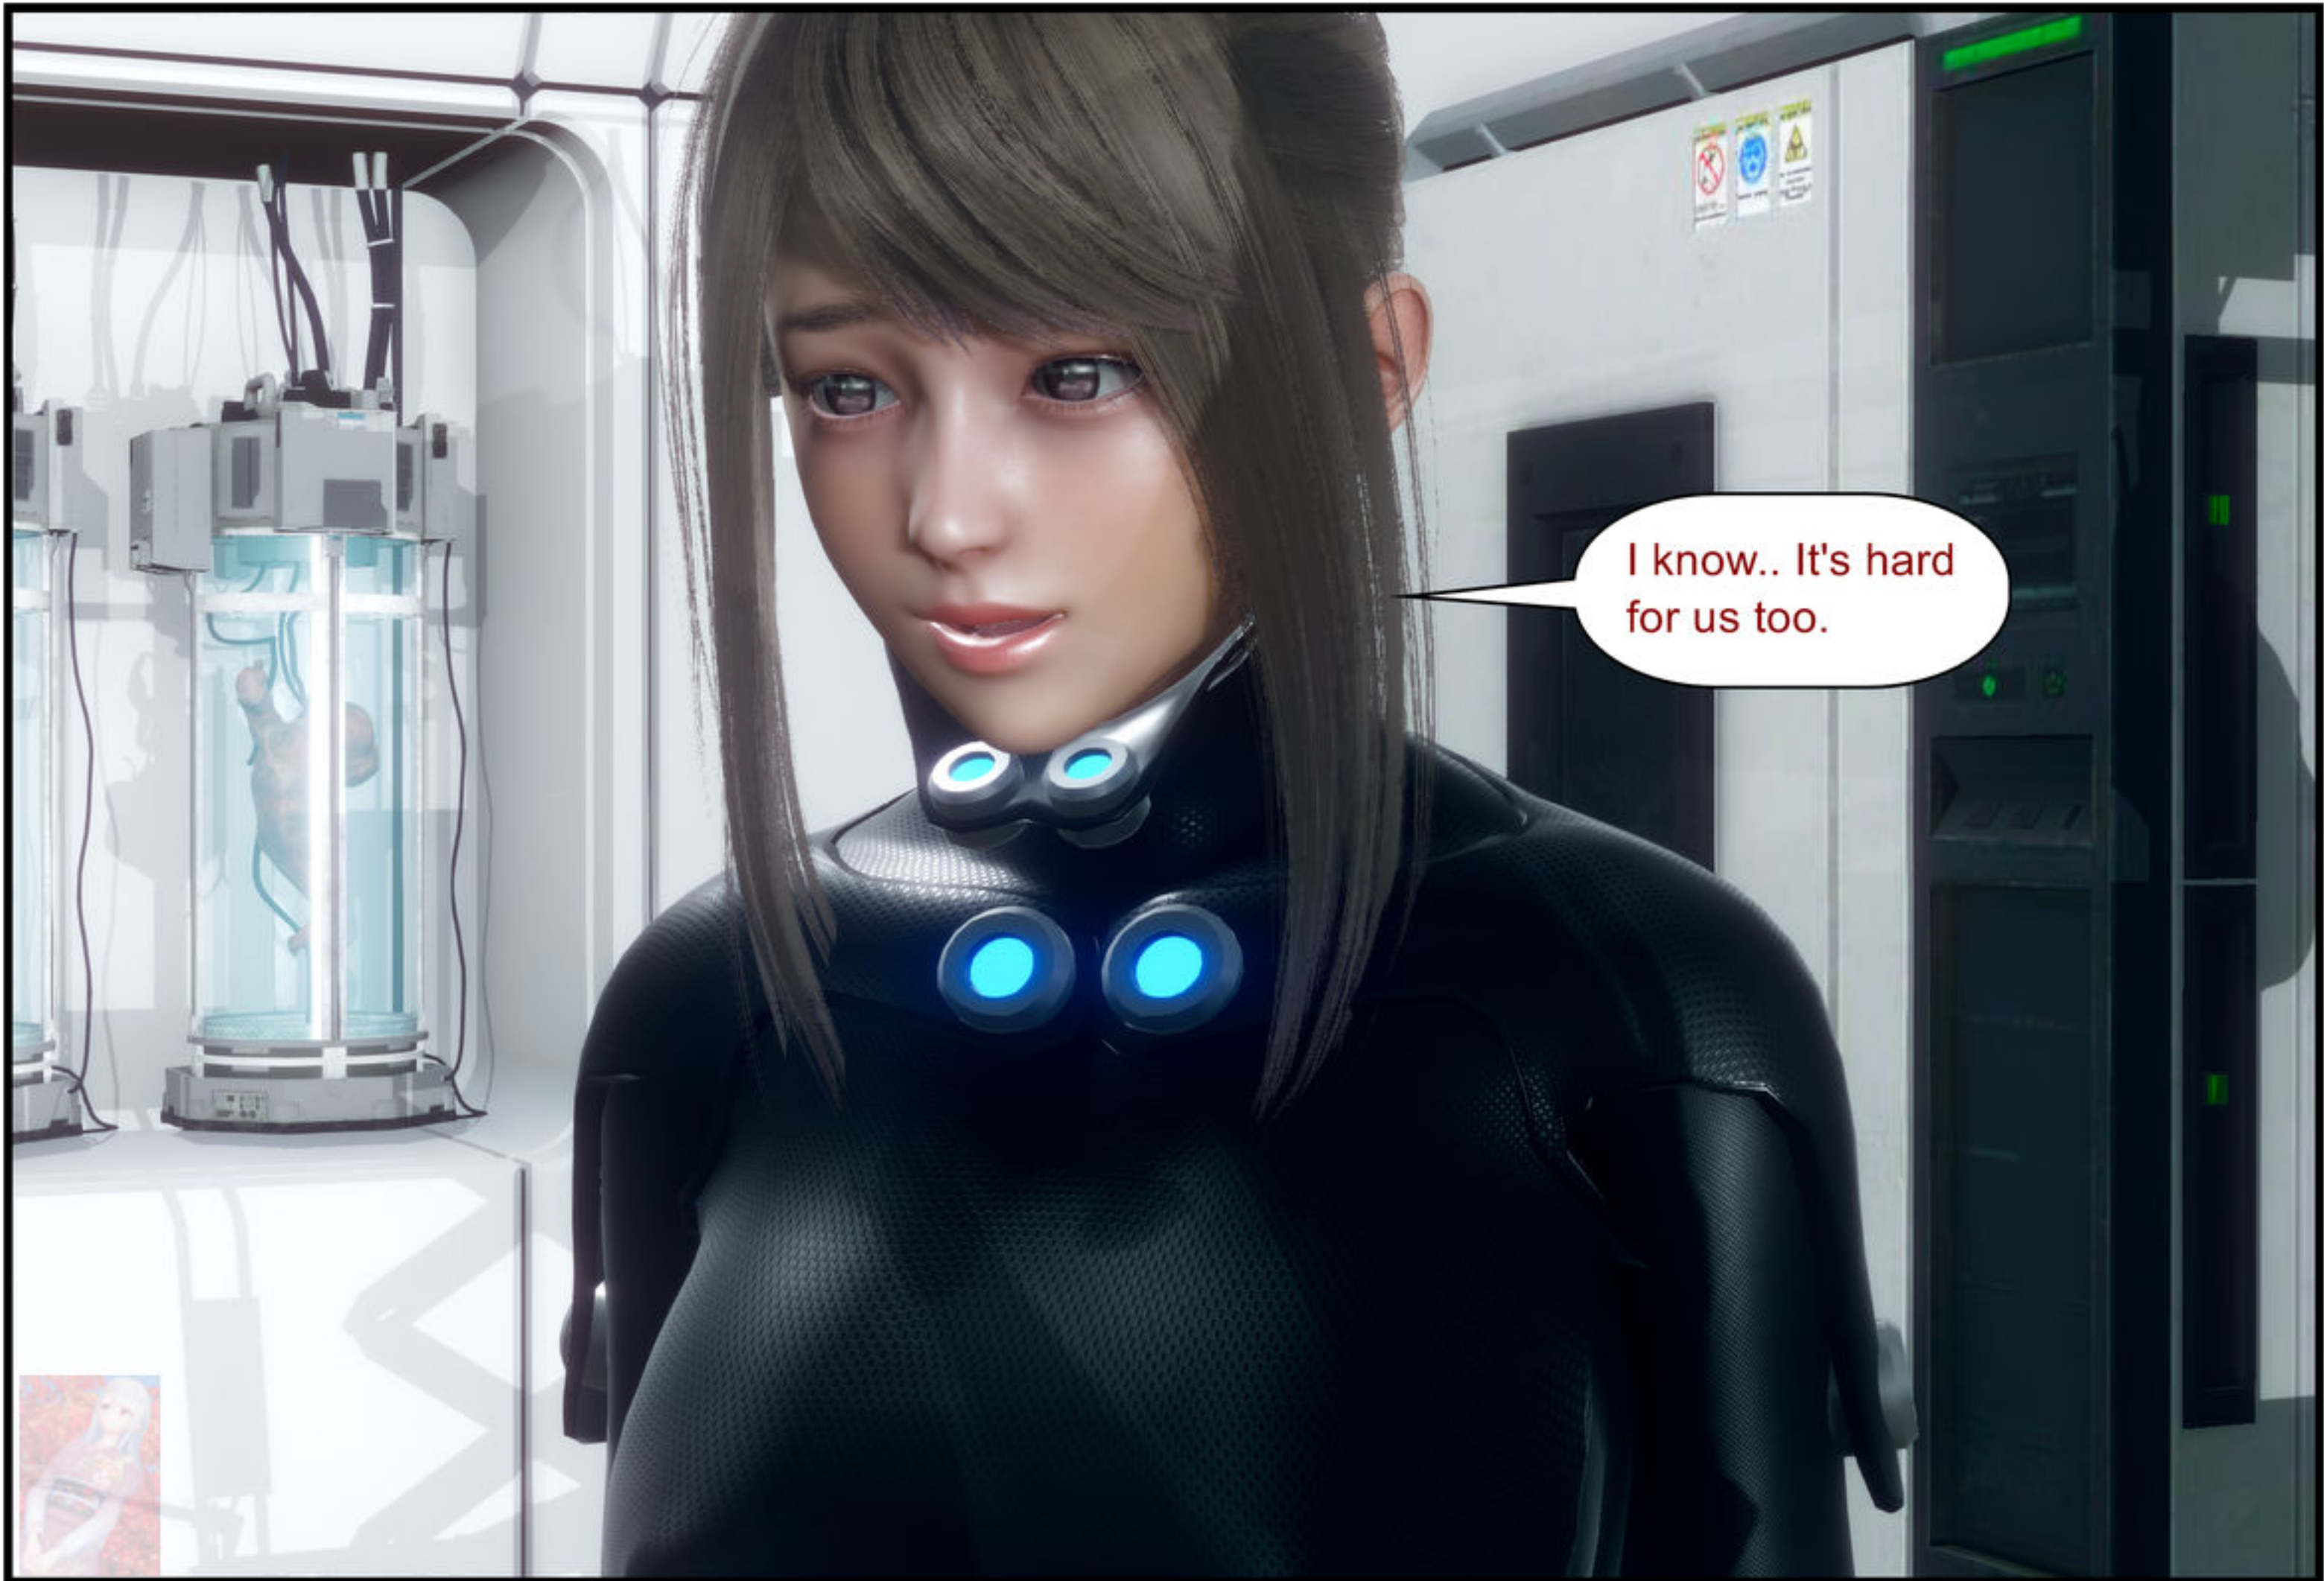

Ah, morning, Kaori.  
I just checked the  
result of the sample.

You mean.. the  
cure for deadly  
pandemic on Earth!?

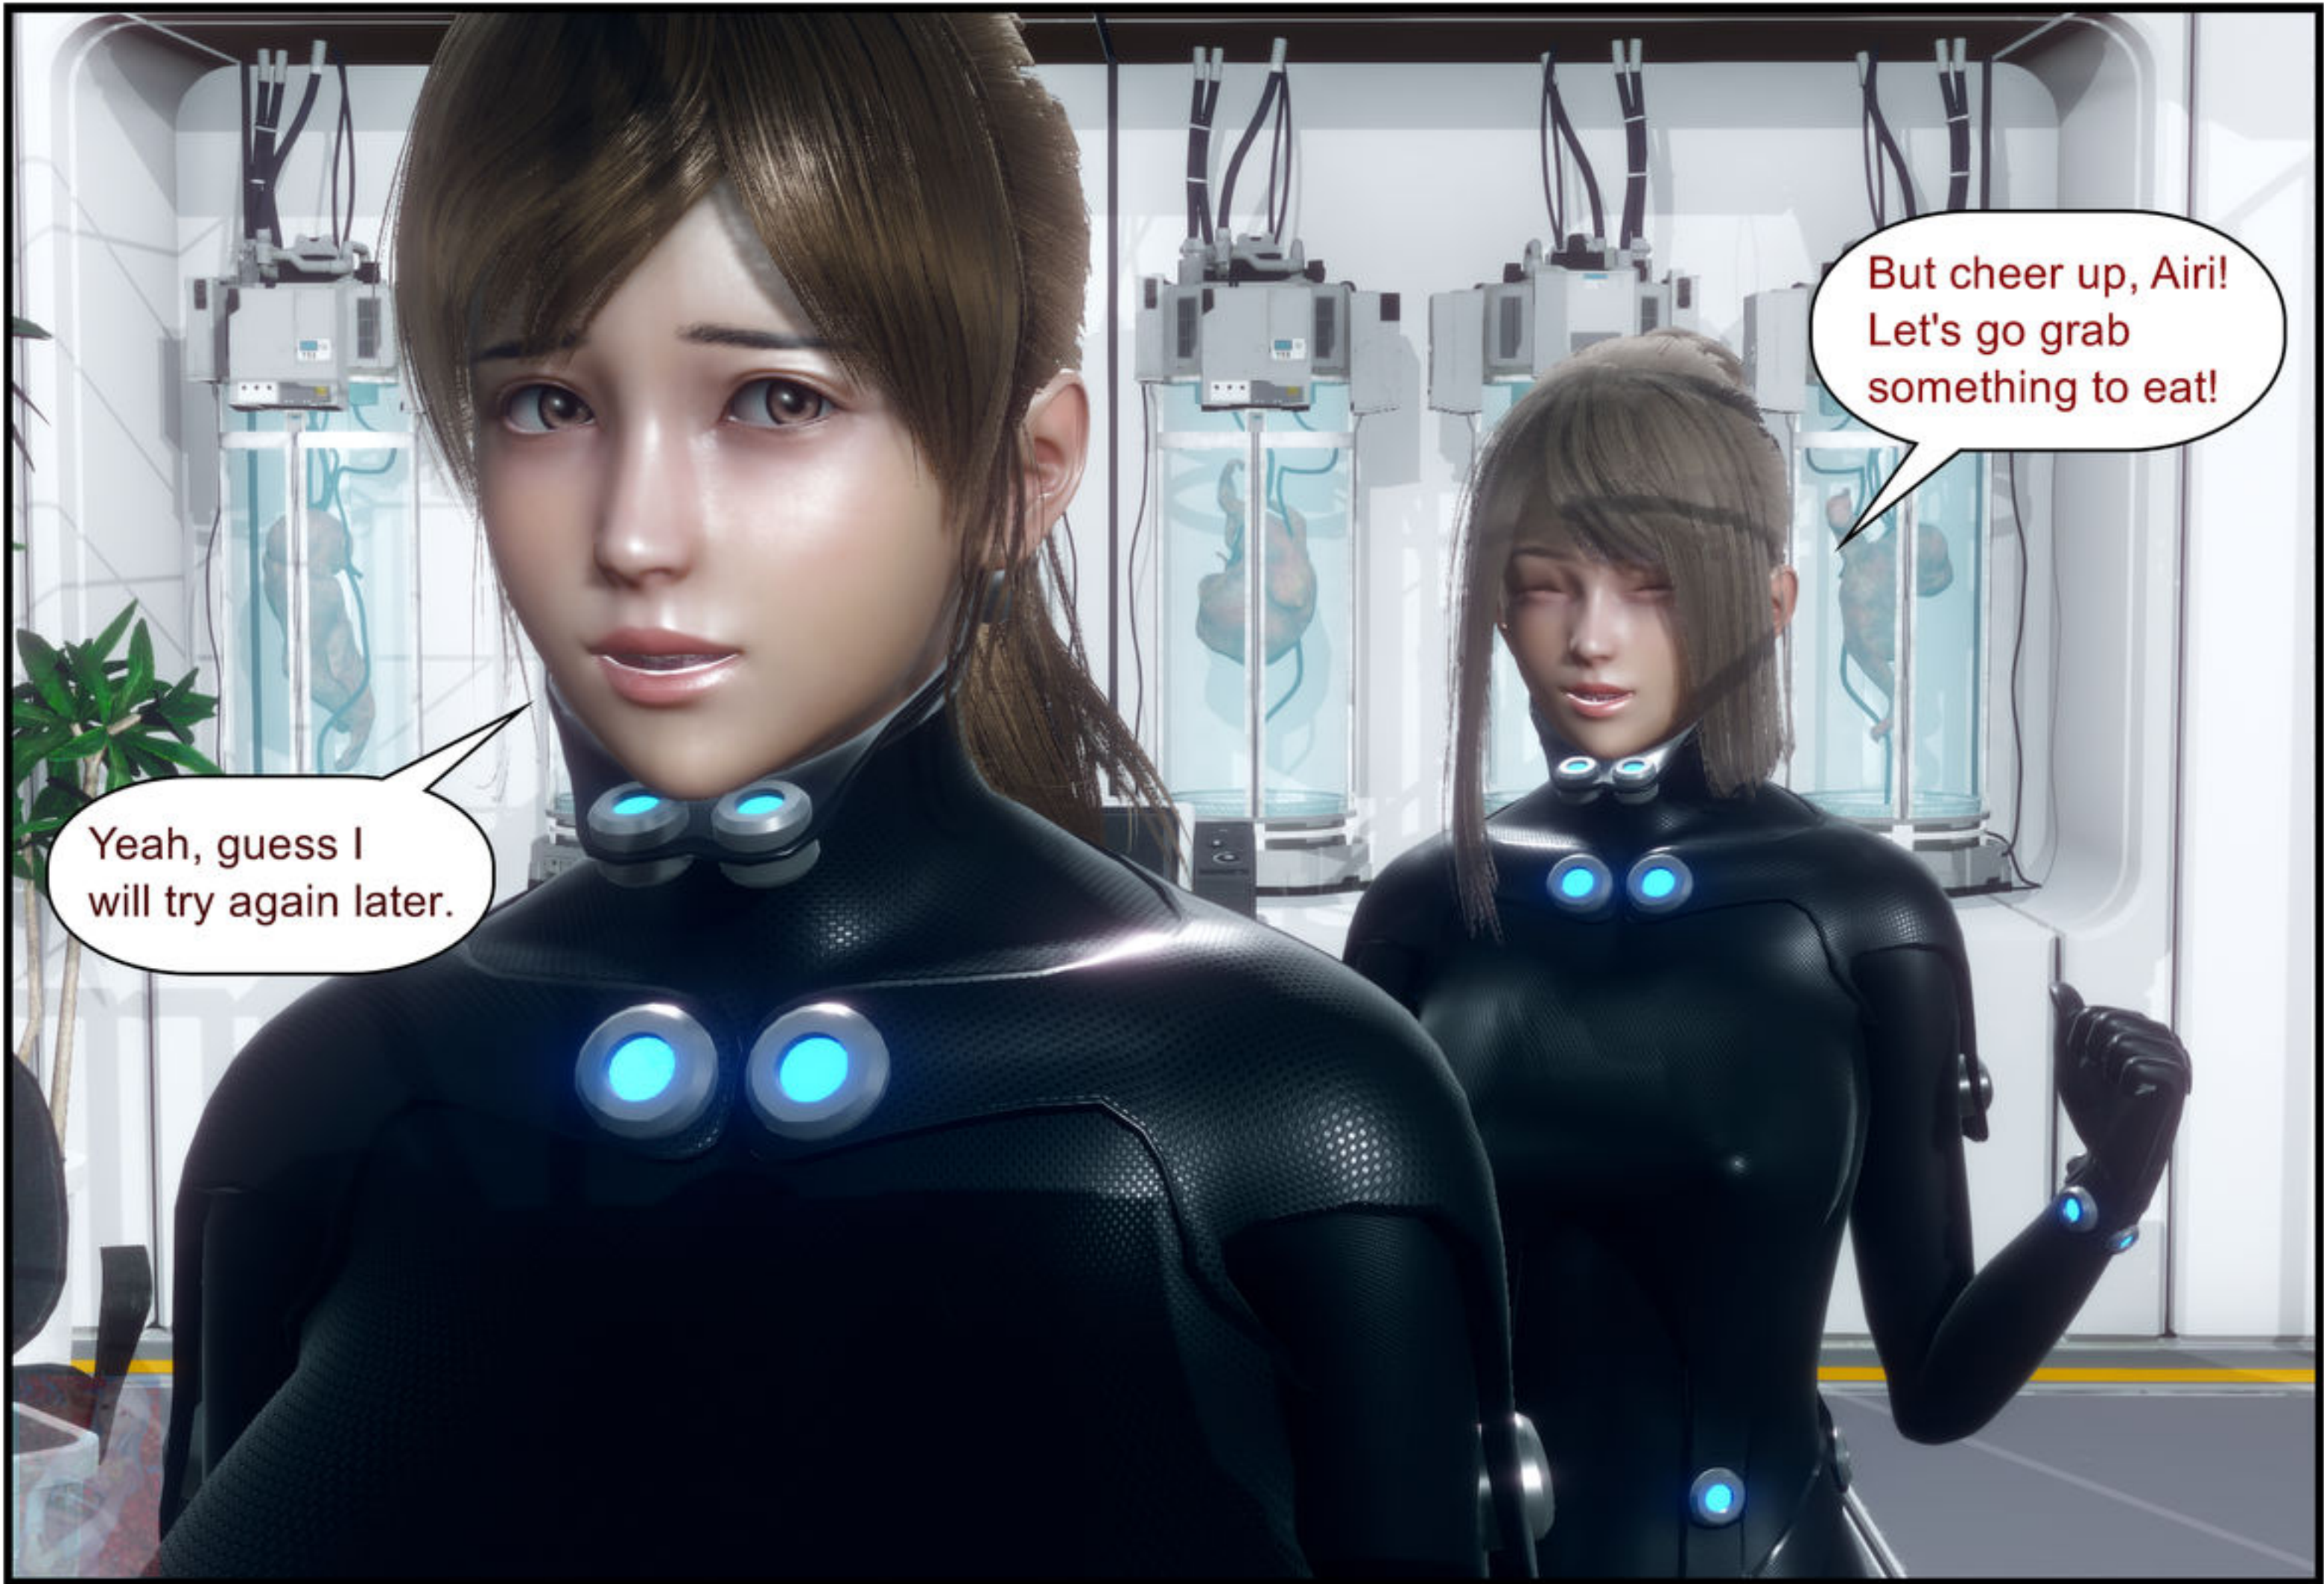

But.. we have no  
luck at finding it..  
This is the 30th time.

I know.. It's hard  
for us too.

Yeah, guess I will try again later.

But cheer up, Airi!  
Let's go grab something to eat!

The ASR ship has  
to suffer many meteor  
rains but still standing..

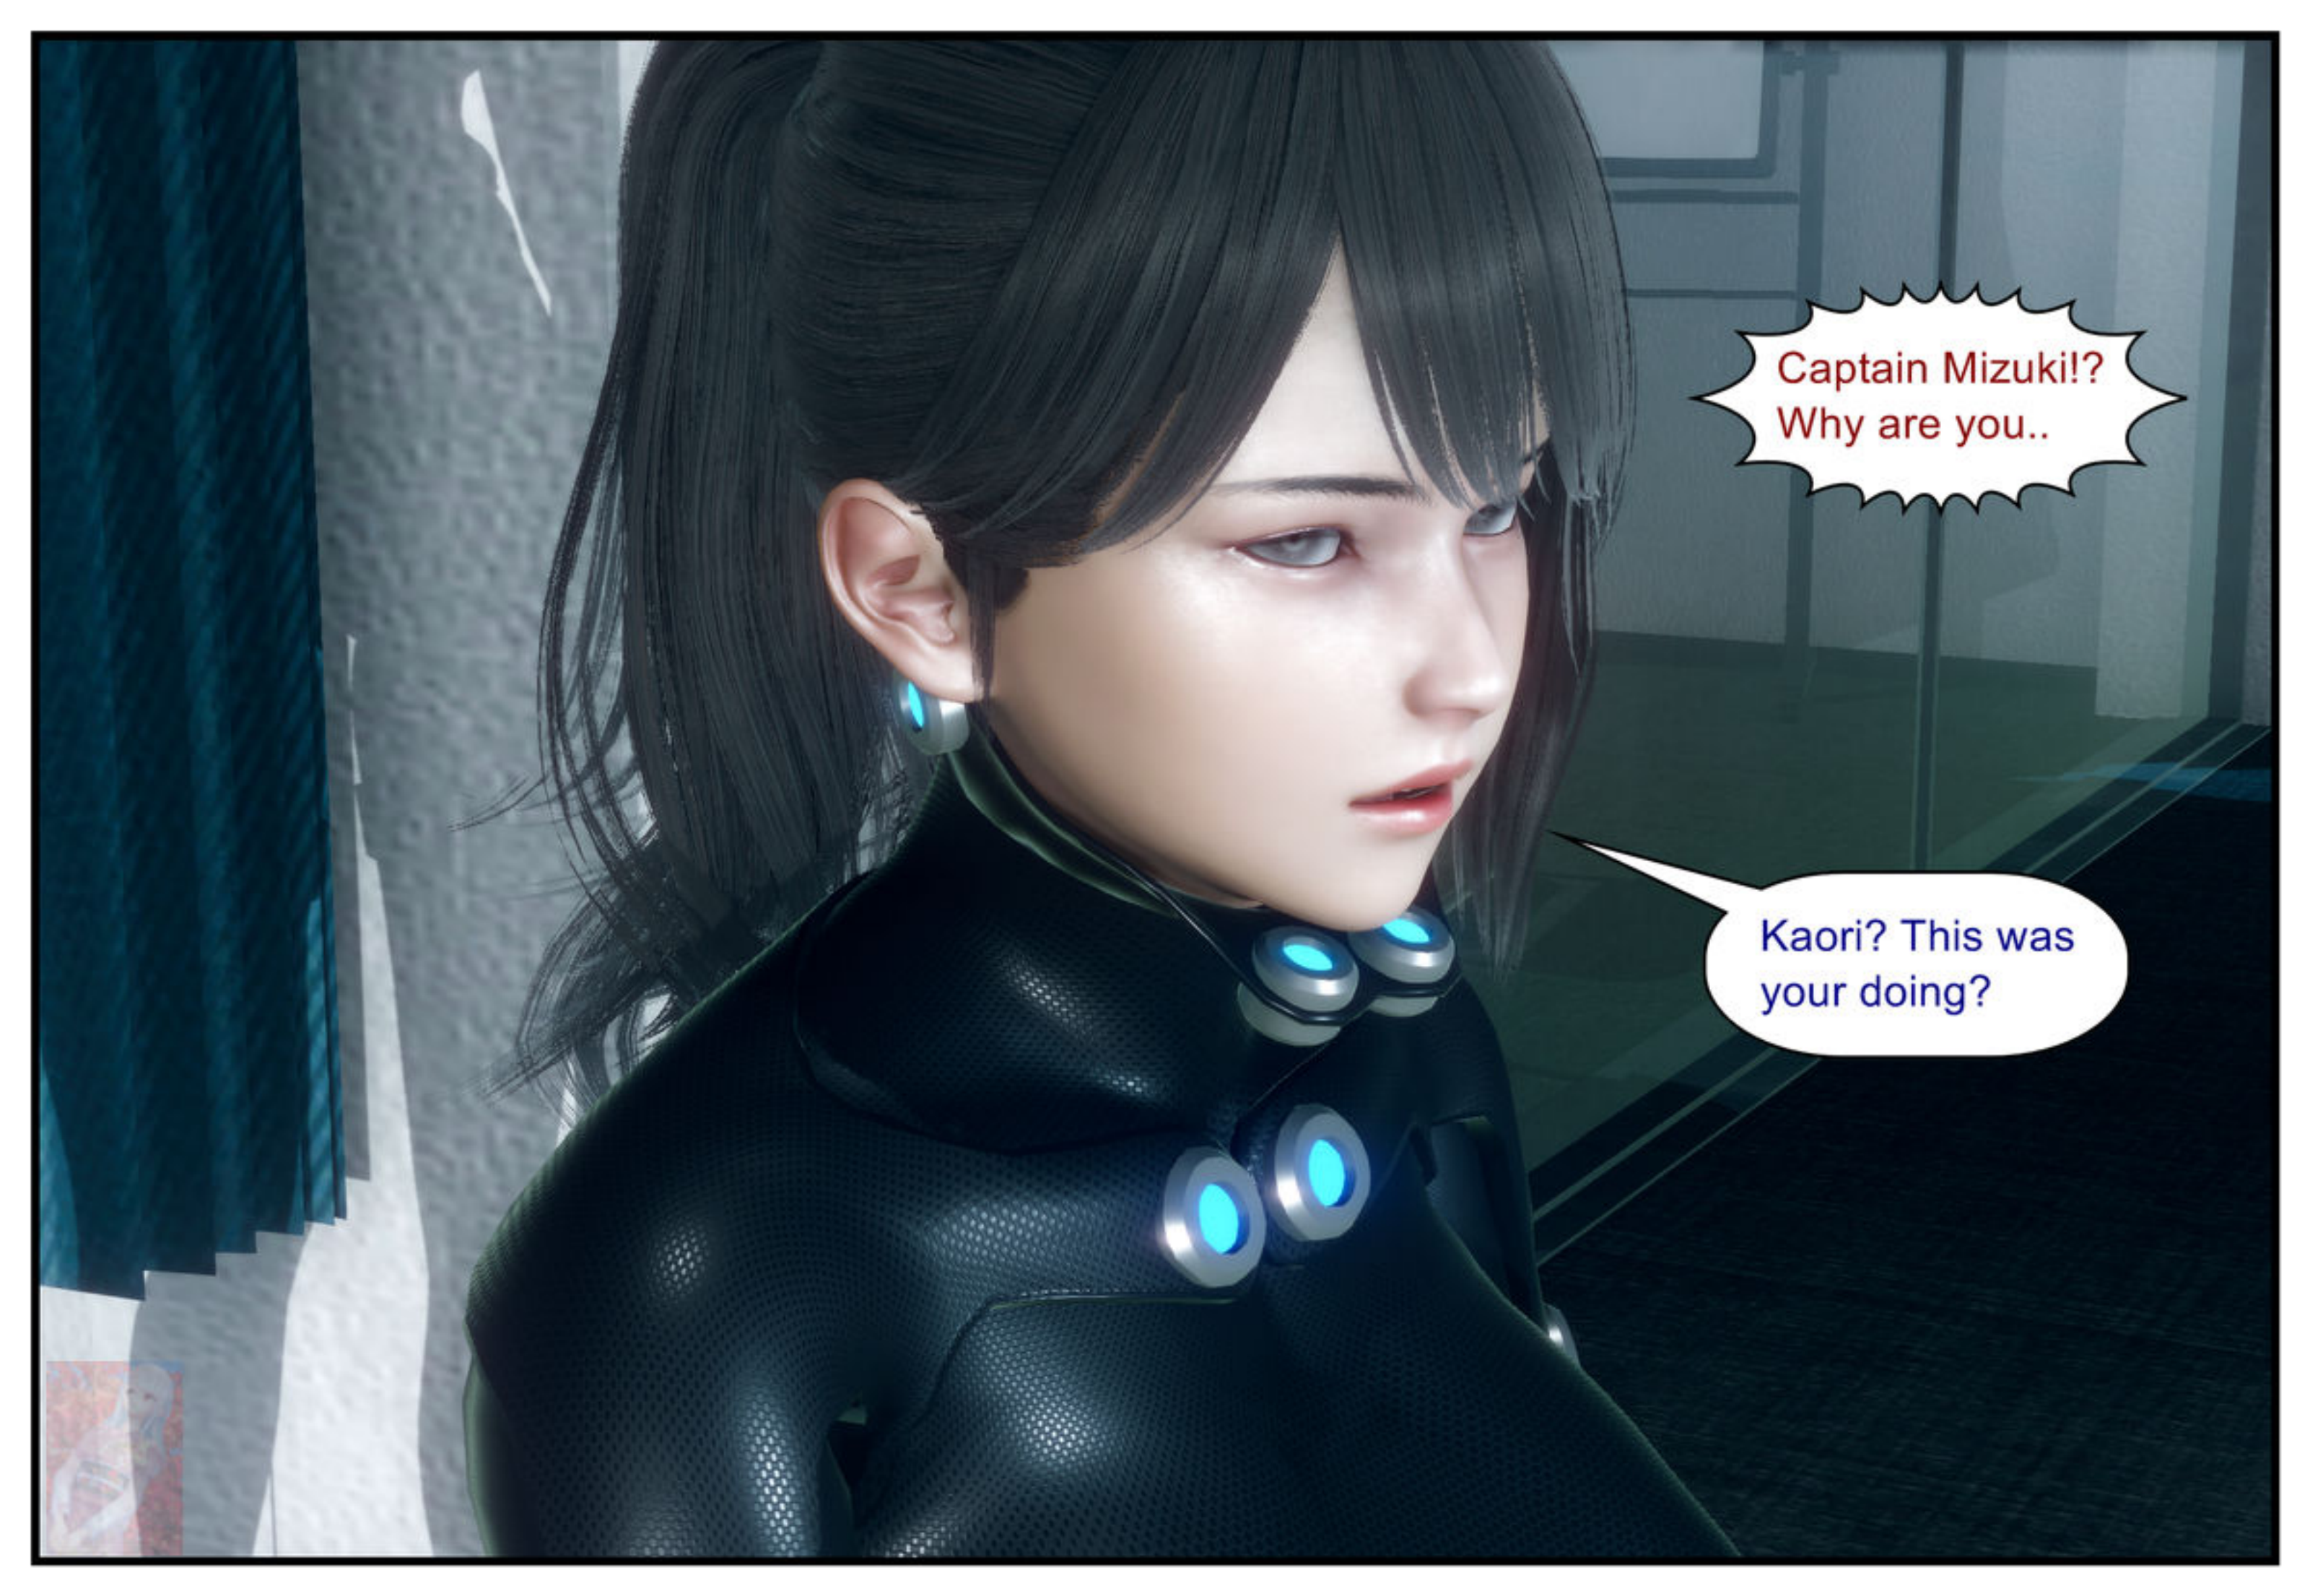

I bet Captain Mizuki would be angry!

Put salt into someone's coffee is so cruel, Kaori..

Oh well? I thought  
I was wrong the  
salt with sugar.

Captain Mizuki!?  
Why are you..

Kaori? This was  
your doing?

Captain Mizuki!  
I want to report  
about the test.

Ahaha.. I was misslead  
the salt and sugar too..

Then.. I would love to hear it from you, Airi.

Eh!? That dirty, stinky and full of danger place!?

And Kaori, you go check the storage bay.

Kaori.. Maybe  
you are being  
punished..

No! I won't go!  
That place was  
already deserted!

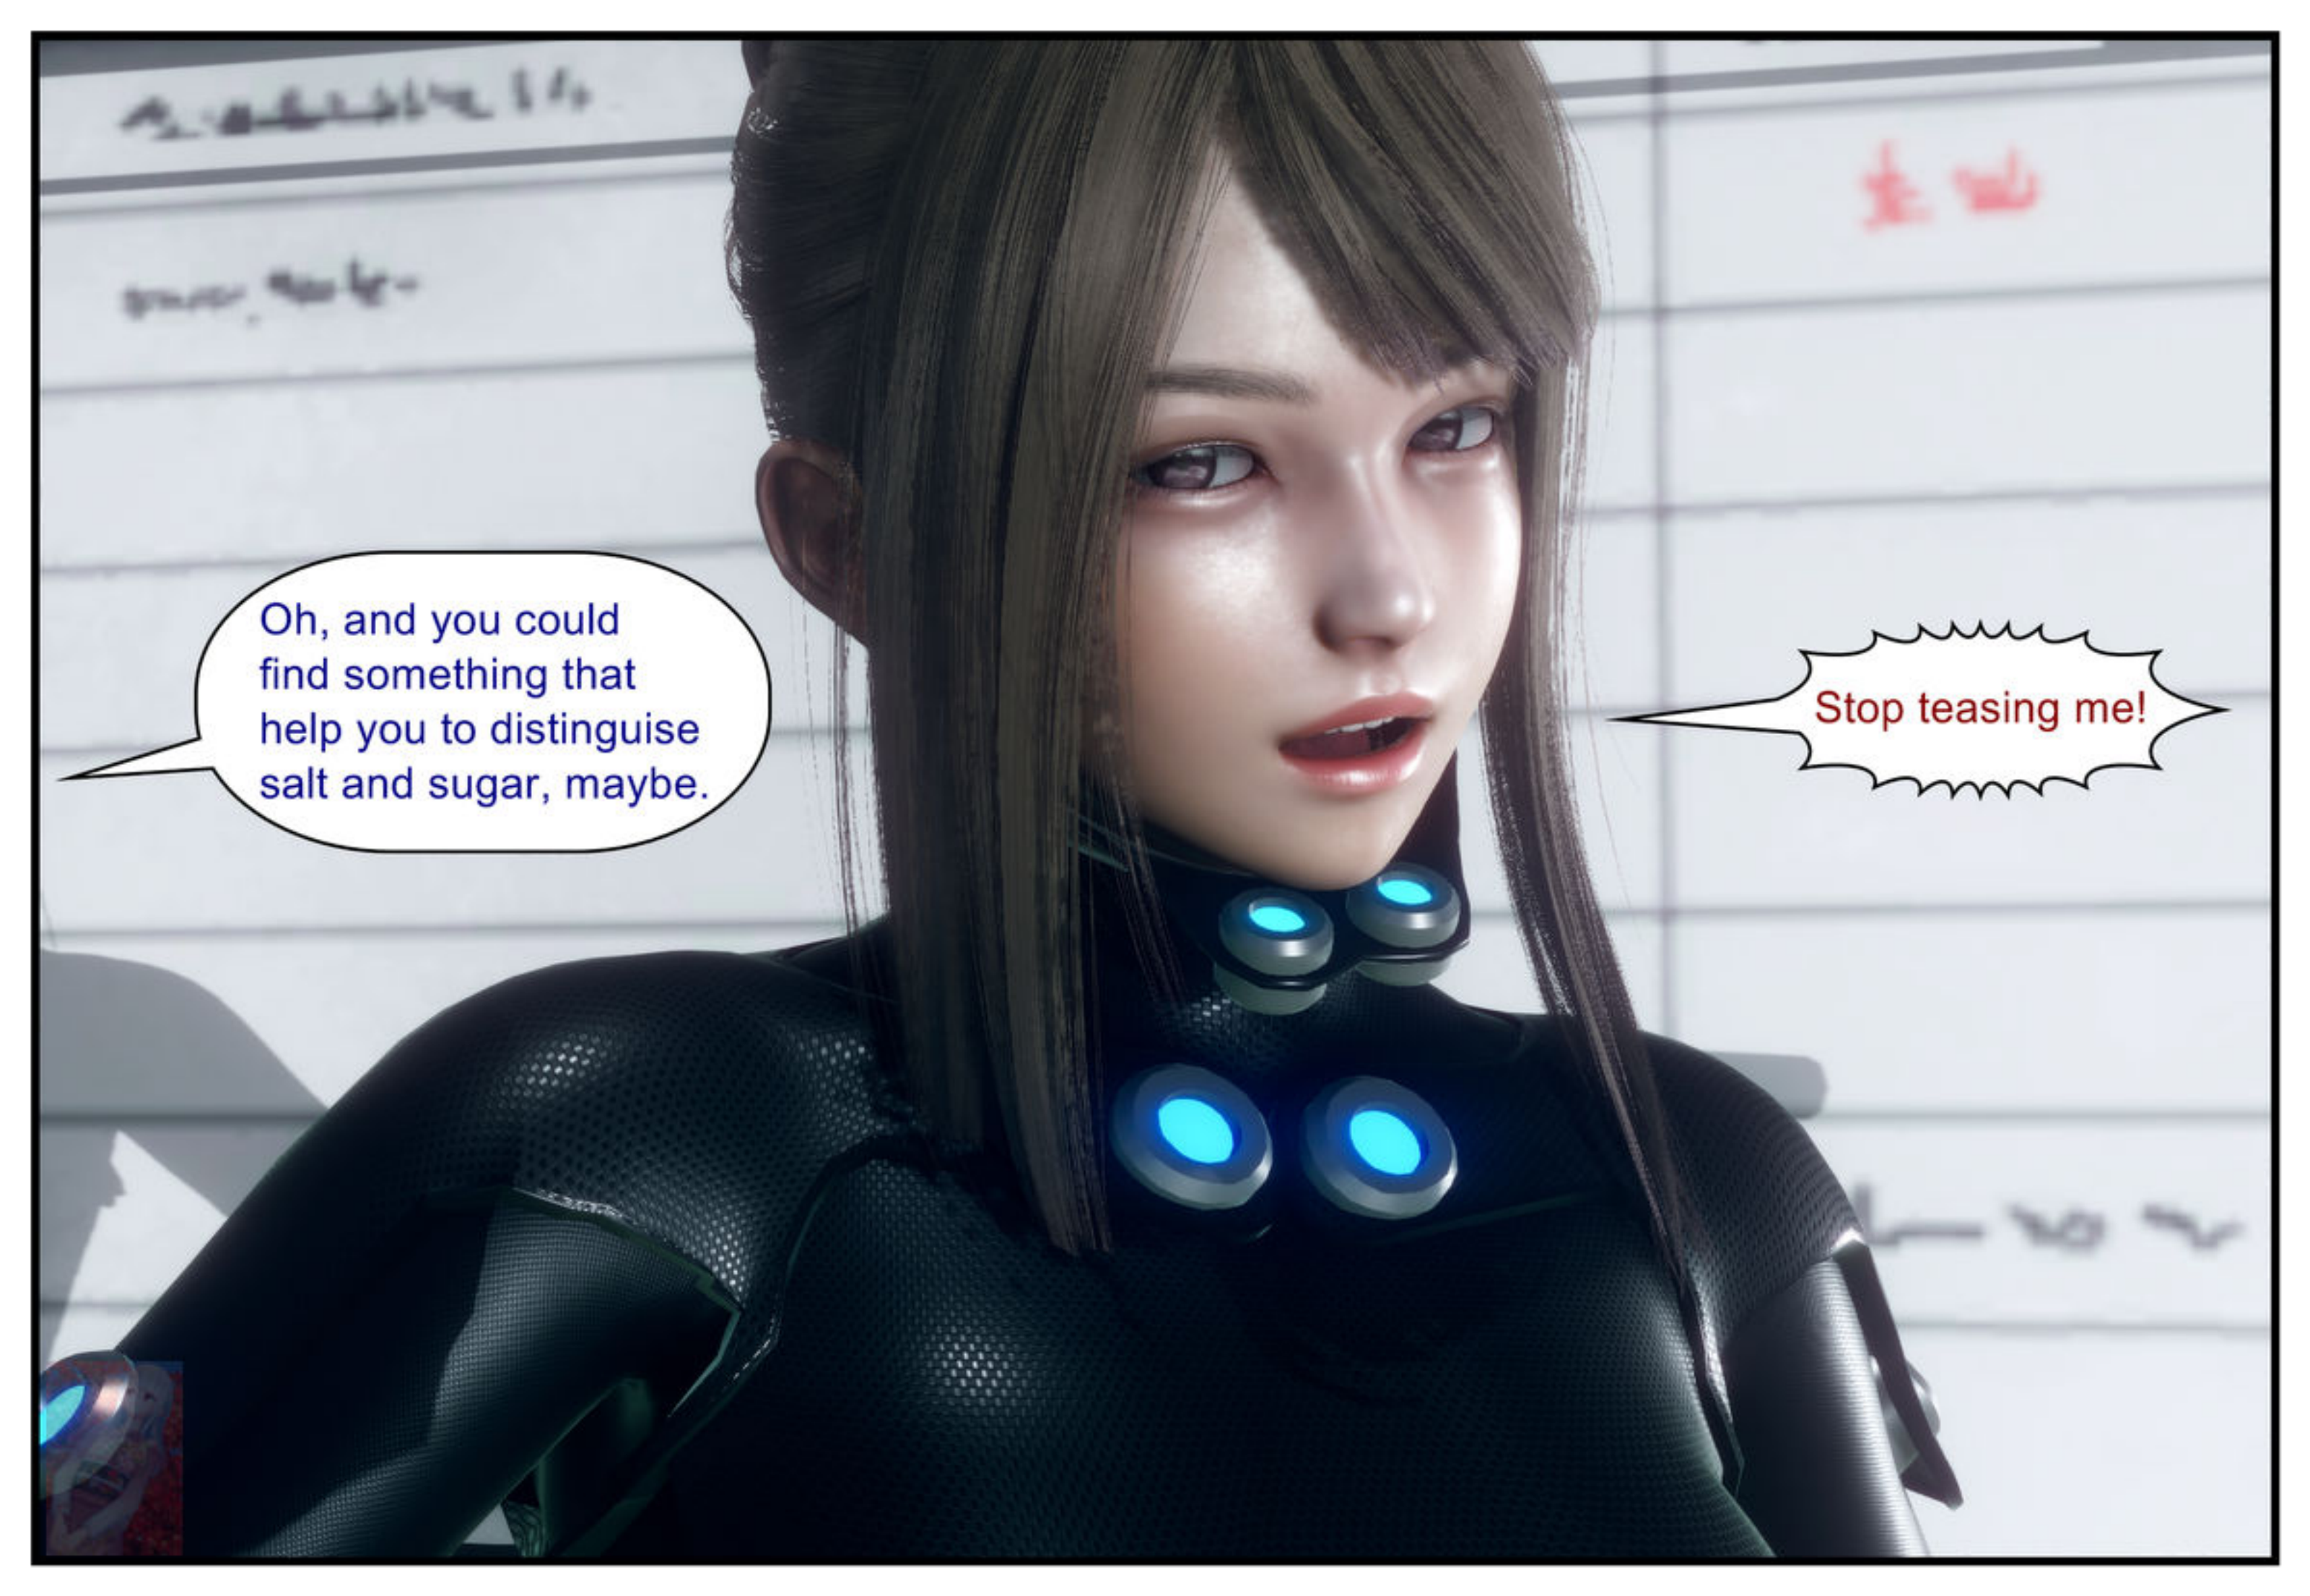

It's an order, Kaori!  
Last time I checked,  
that place was safe.

I and Airi will  
go check on  
the cure, finish  
what I ask, please.

Ugh.. Do I have  
to..? There's  
nothing down there.

Oh, and you could find something that help you to distinguish salt and sugar, maybe.

Stop teasing me!

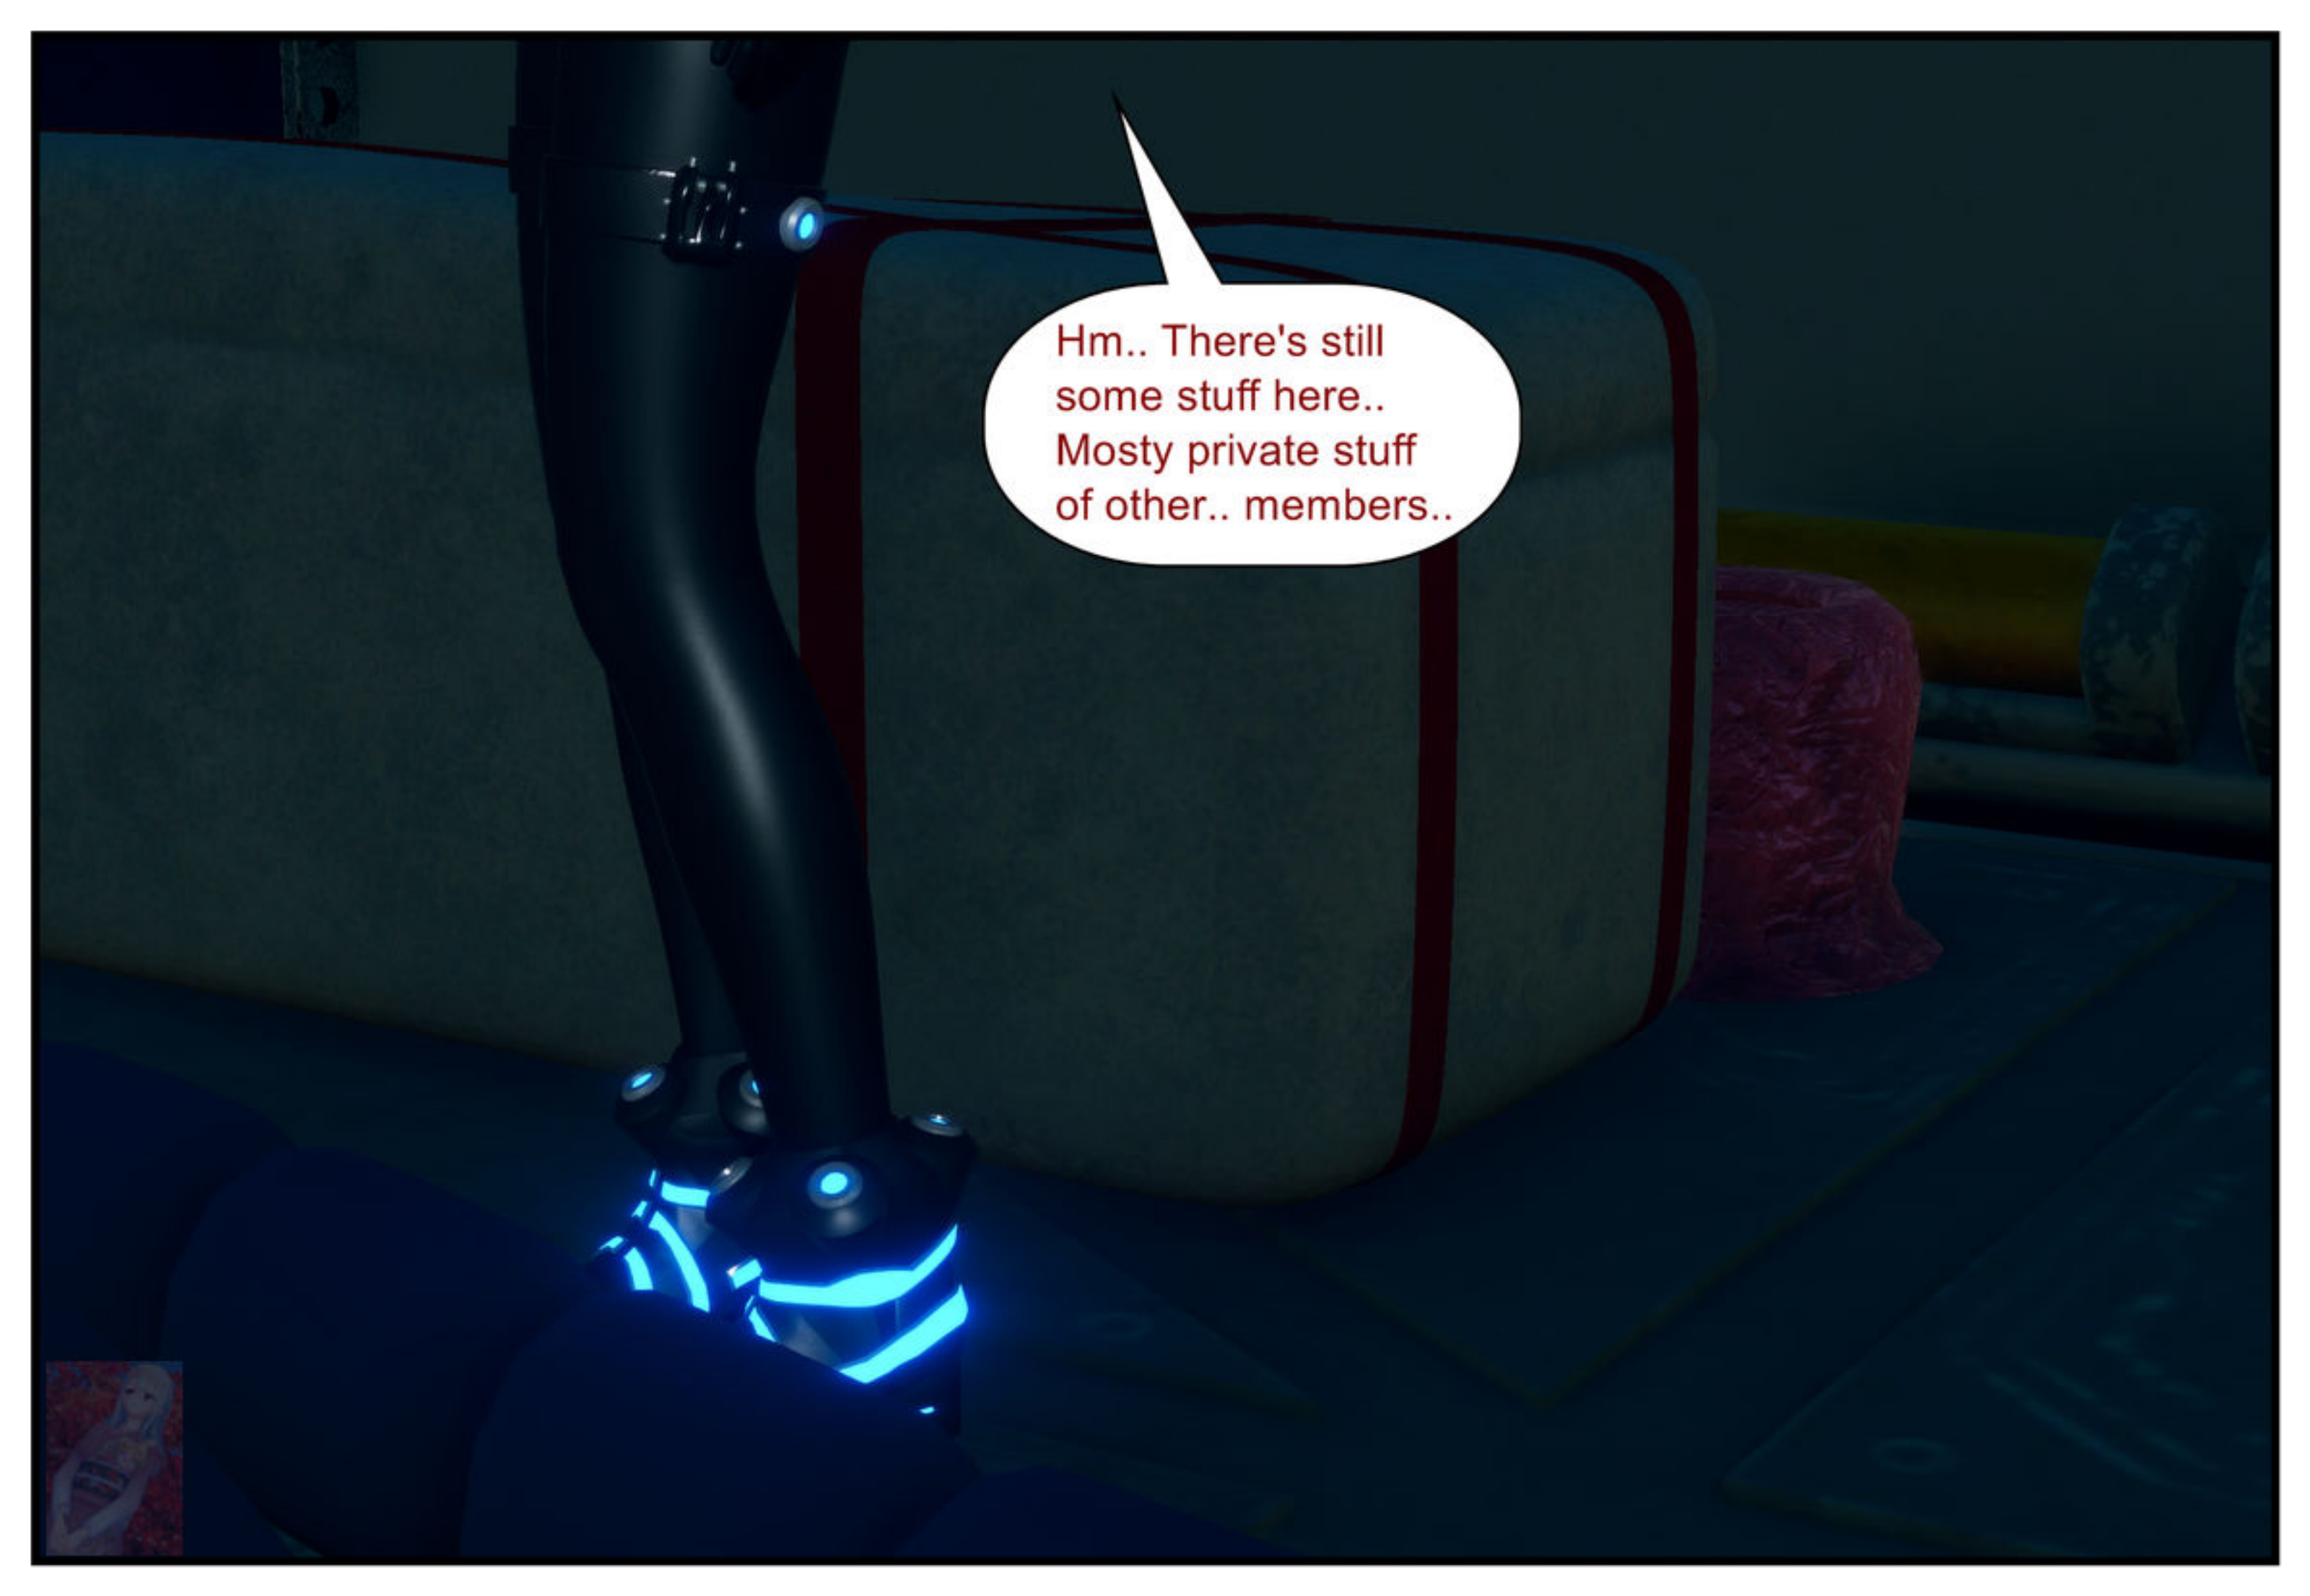

Hmph! Captain  
Mizuki really..

Alright.. Time  
for searching  
this old storage..

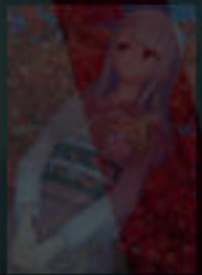

Hm.. There's still  
some stuff here..  
Mostly private stuff  
of other.. members..

The image is a dark, blue-toned scene. In the center, there is a purple, textured, cylindrical object. A red-and-white striped pole or tube extends vertically from the top of this object. To the left, there are dark red, curved lines that appear to be part of a structure. In the background, there are yellowish-green rectangular shapes. A white speech bubble is positioned to the right of the purple object.

We have lost so many people..

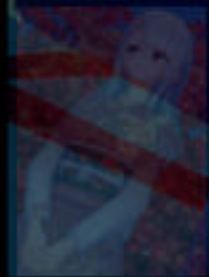

I just wonder..  
where are they  
now.. Heaven..?

Okay, Kaori!  
Finished and let's  
get out the here!

This is Kaori,  
do you copy,  
Captain?

I hear you. How  
was the storage?

Everything still in great shape, Captain!

Okay. I'm glad that nothing is damaged from the meteor rains.

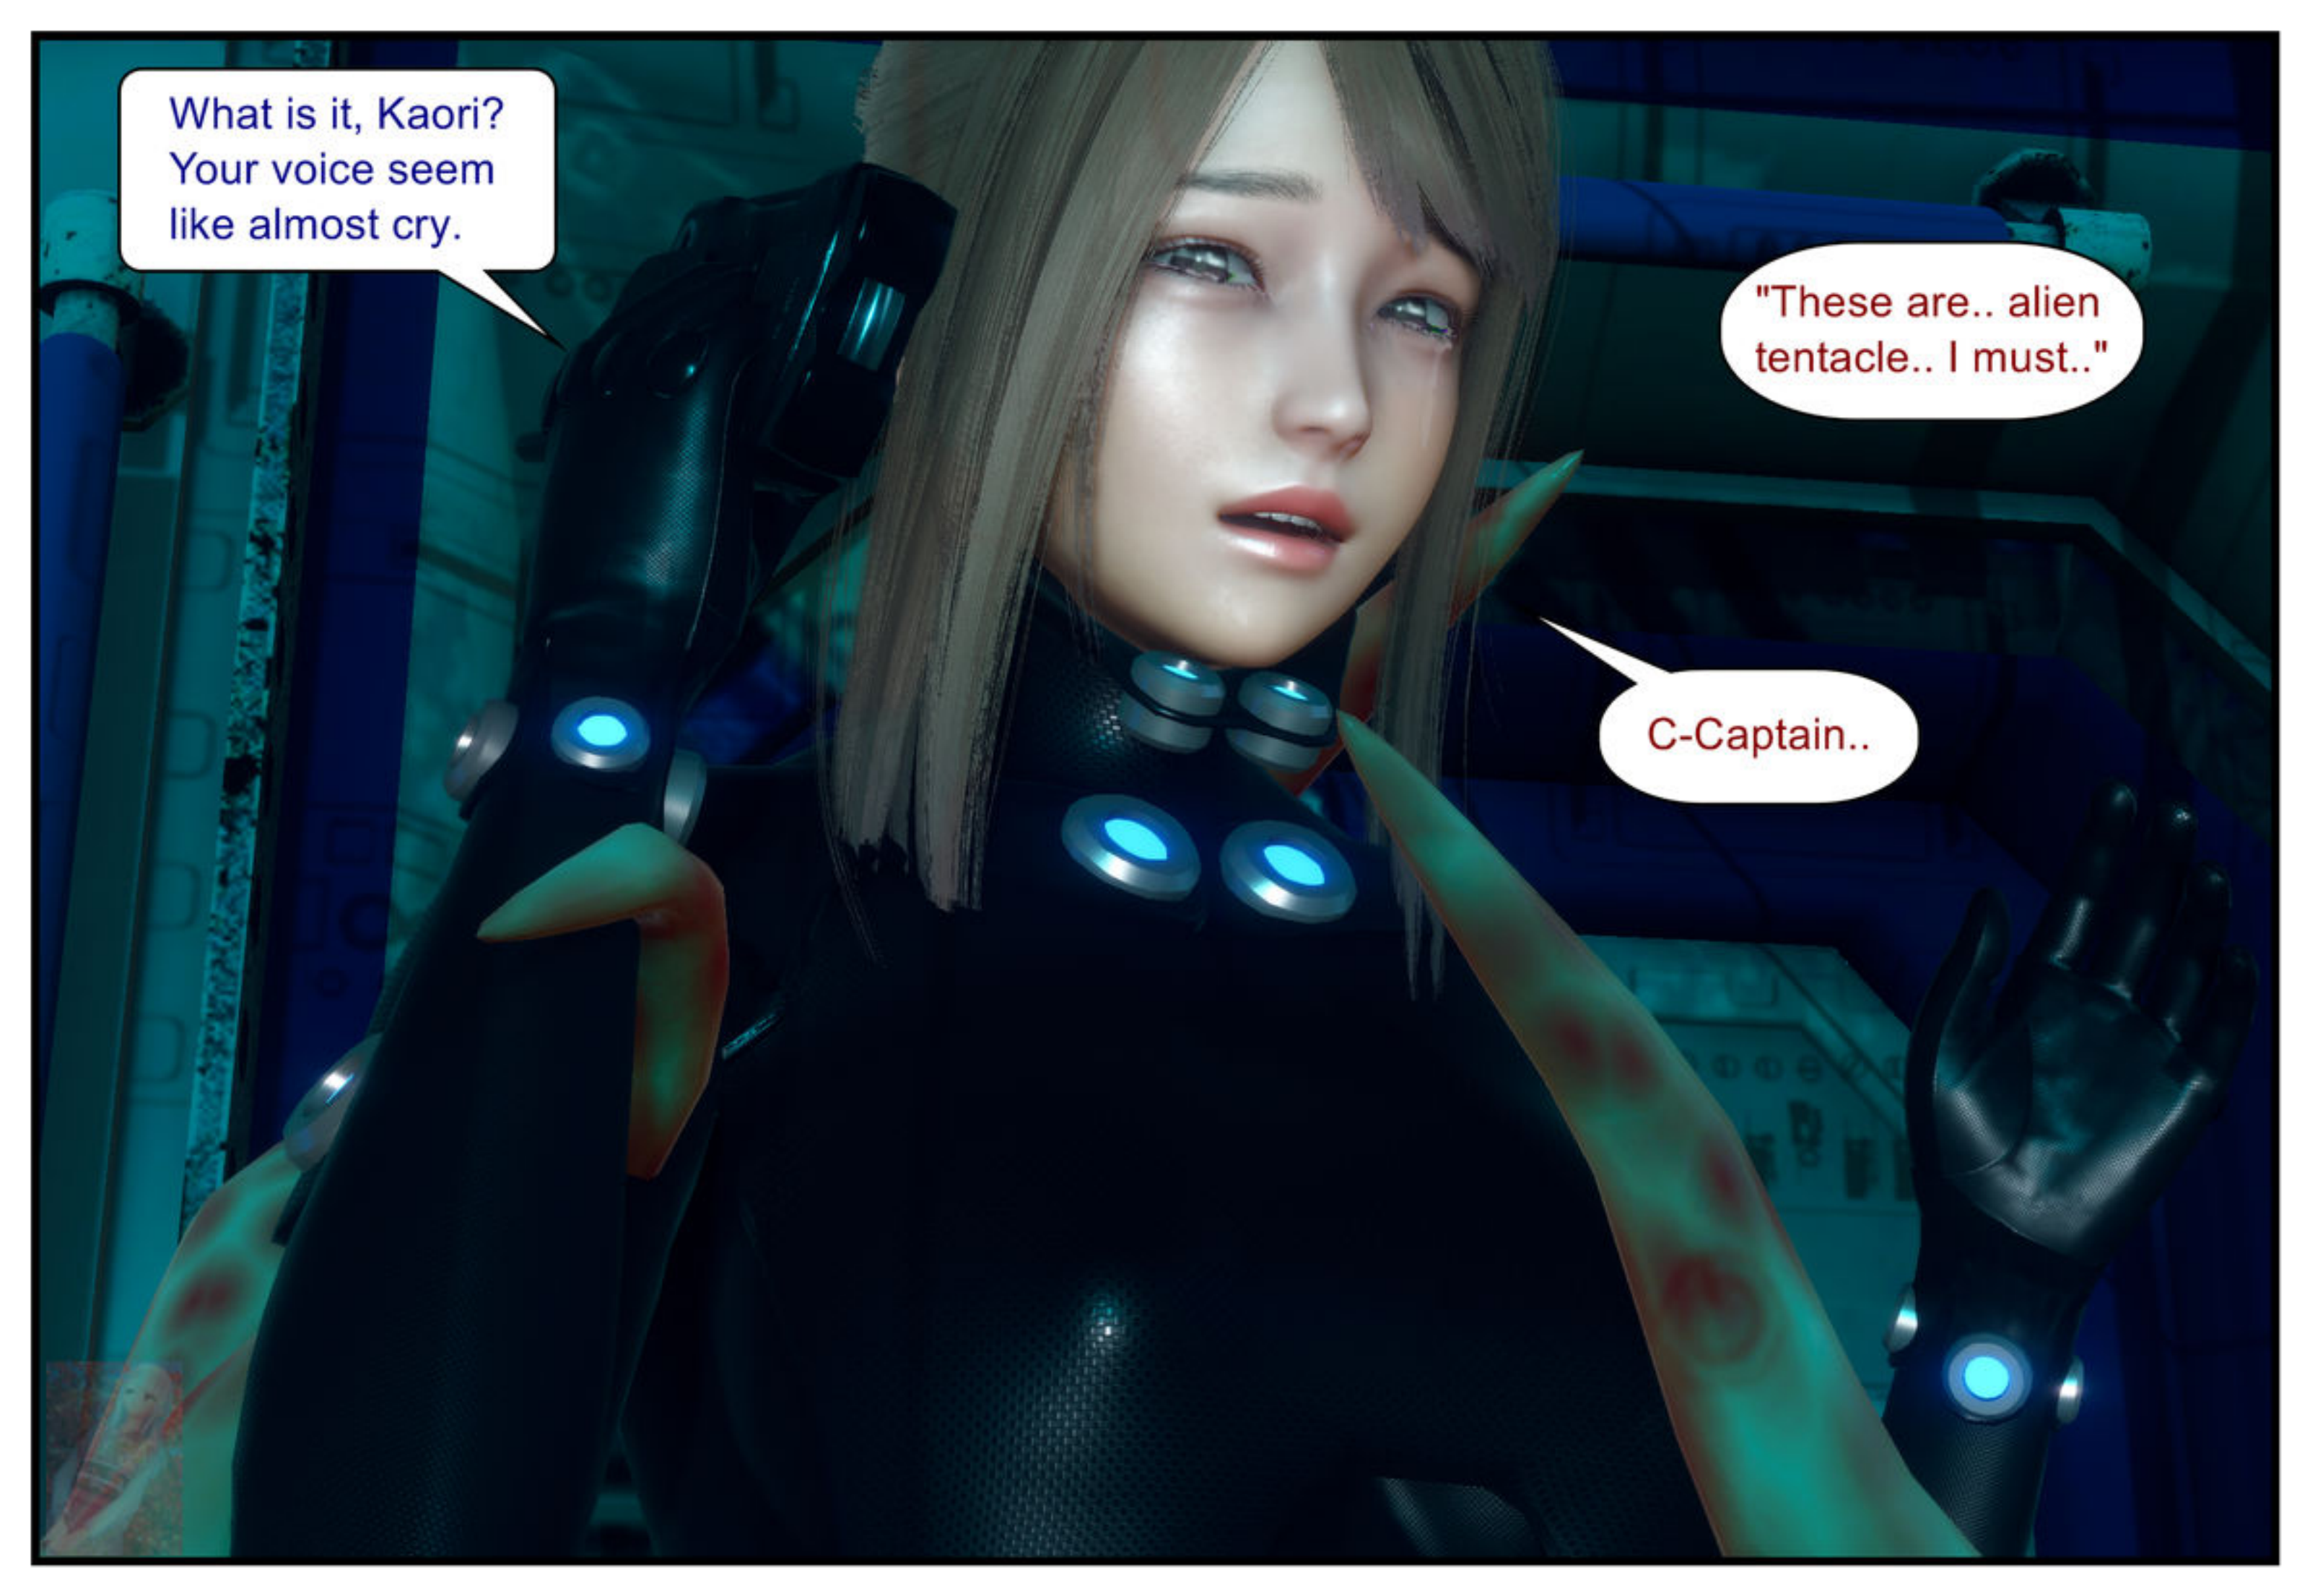

Think again.. We should move these stuff to other bay.

I planned to do that soon, so that "they" won't be forgotten.

Anyway, you can  
take a rest, Kaori.

What is it, Kaori?  
Your voice seem  
like almost cry.

"These are.. alien  
tentacle.. I must.."

C-Captain..

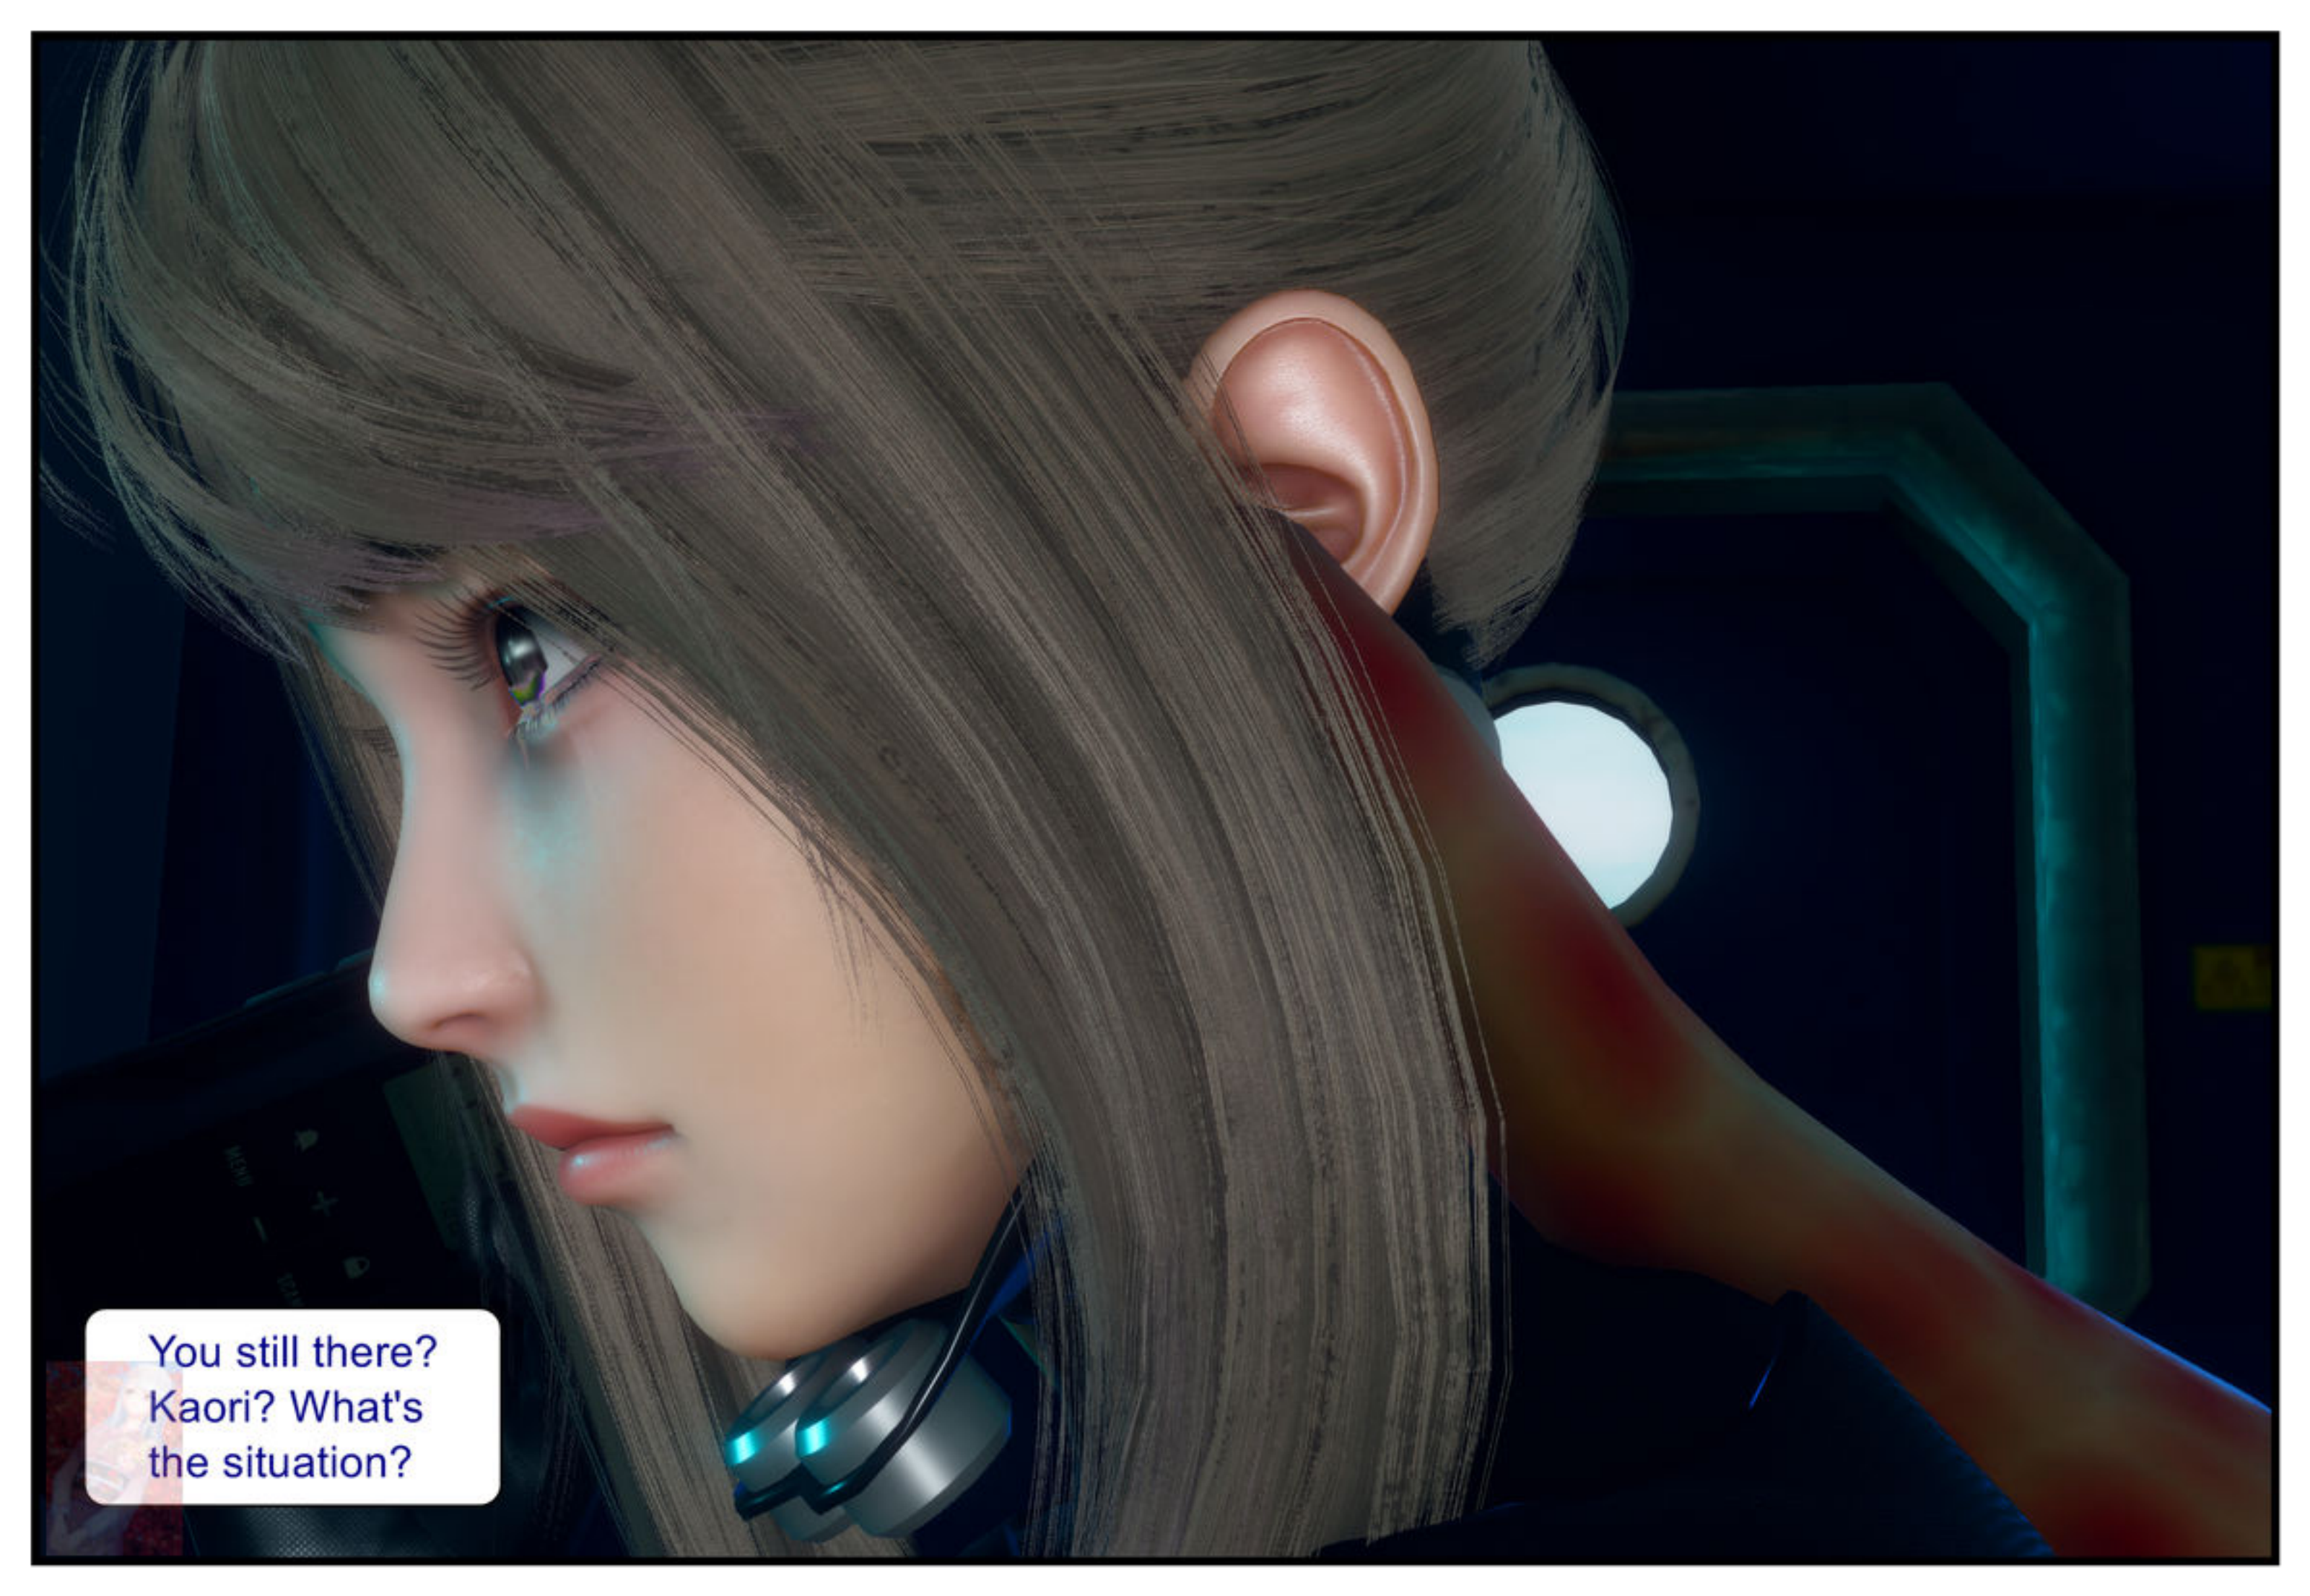

The storage..  
It h-has..

It has? Kaori?  
Hello?

A close-up, profile view of a female character with long, dark, straight hair. She is wearing a futuristic headset with glowing blue lights. Her eyes are looking downwards and to the left. The background is dark with some teal-colored structural elements and a circular light source.

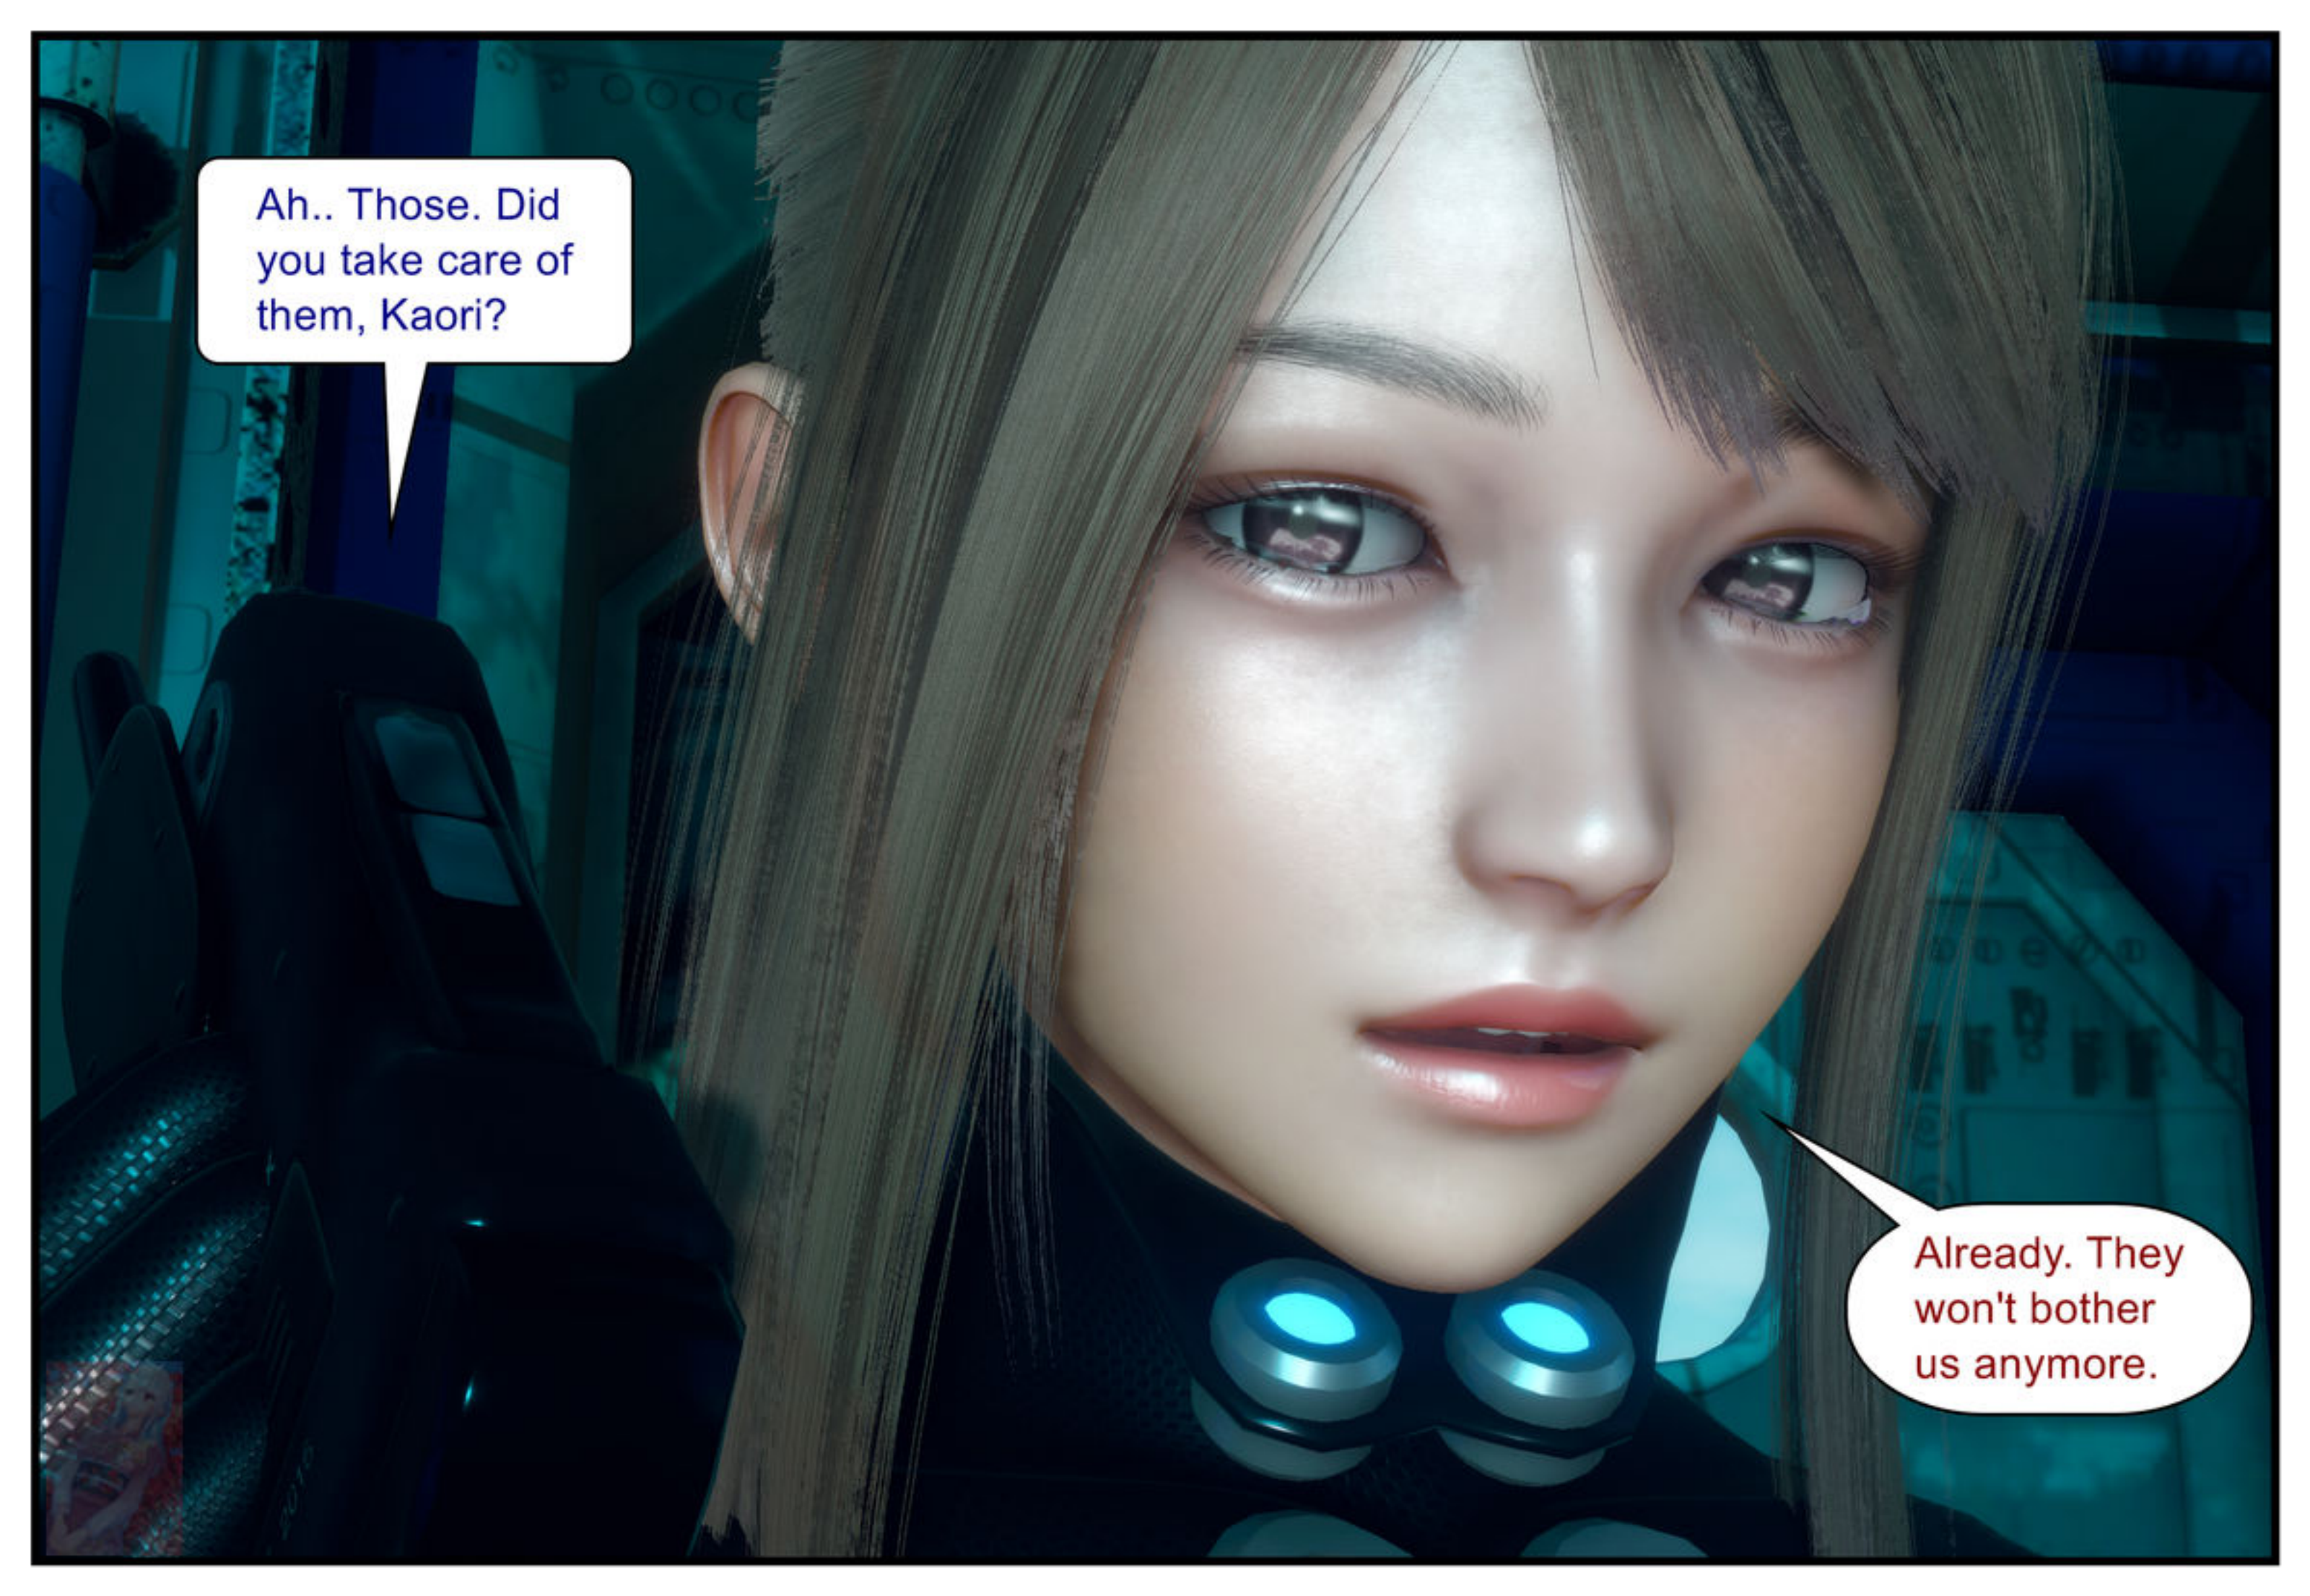

You still there?  
Kaori? What's  
the situation?

Kaori!? Is something happened!?

Nothing.. Captain.  
It just an alien bug.

Ah.. Those. Did you take care of them, Kaori?

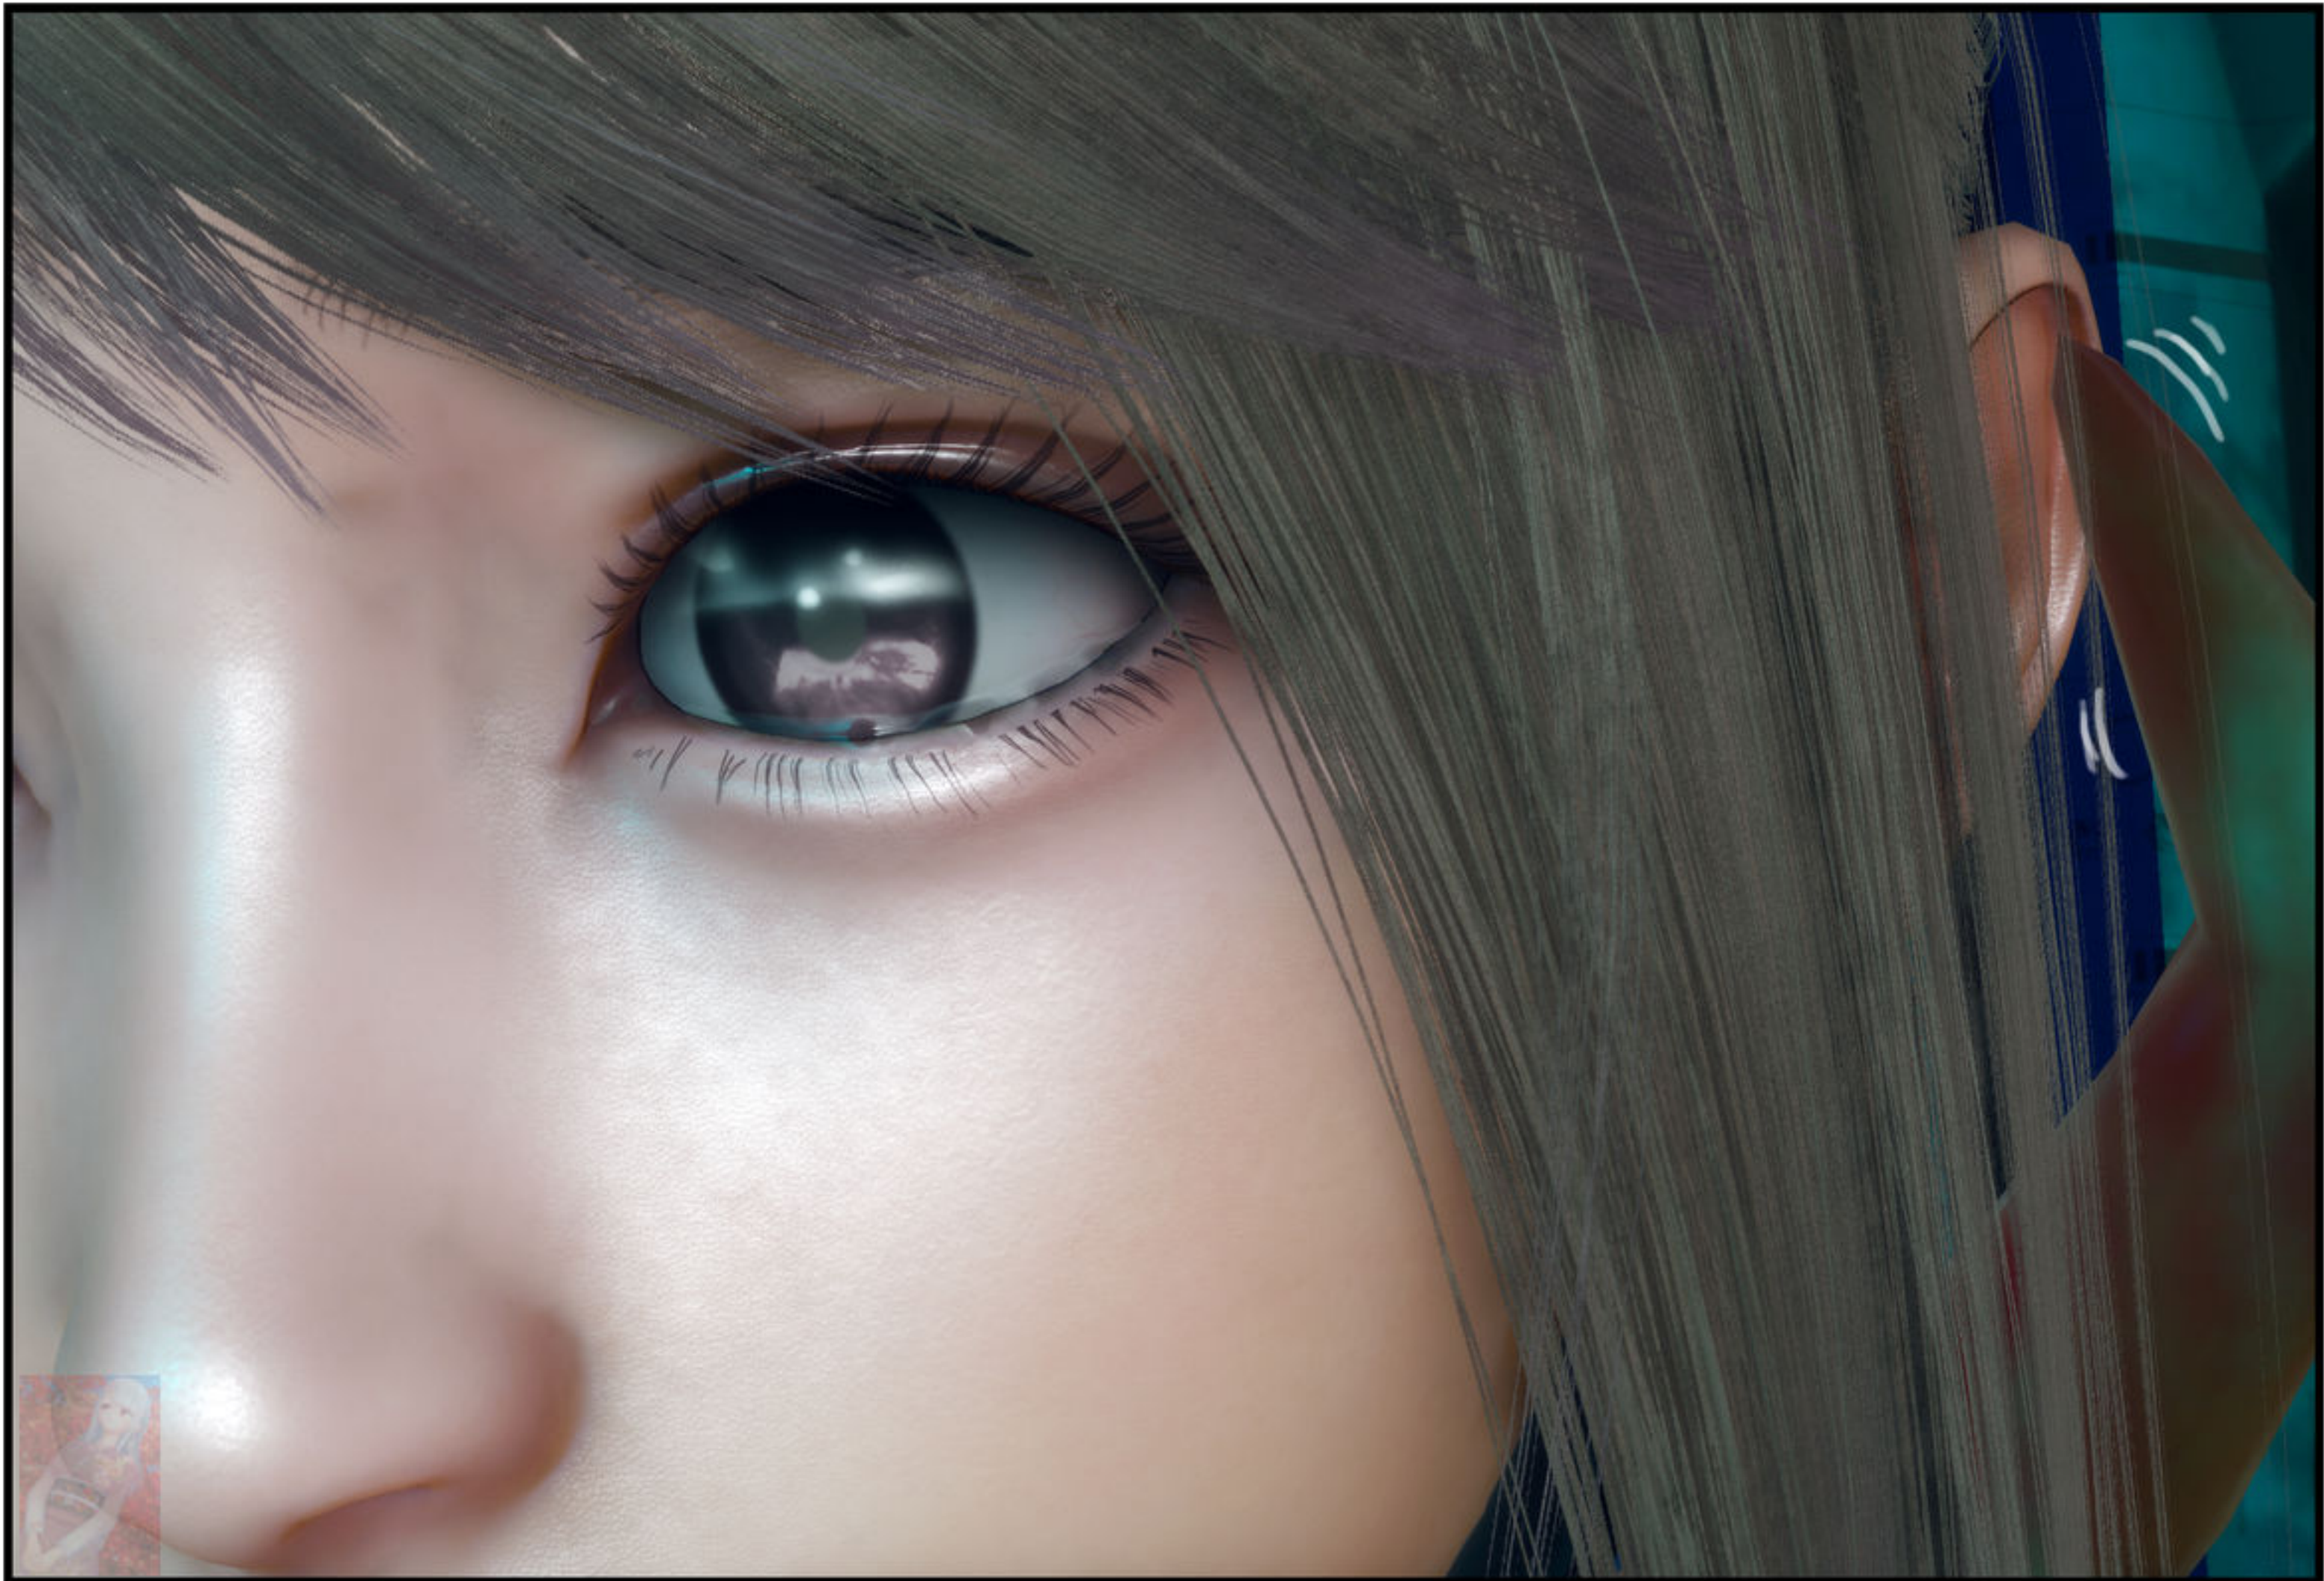

Already. They won't bother us anymore.

A close-up, high-resolution image of a character's face, focusing on the eyes and nose. The character has light-colored hair and is looking slightly to the right. A speech bubble is positioned in the upper right quadrant of the frame. The background is dark and out of focus.

Airi finished her 31th  
research, see you  
on the bridge later.

Yes. I will see  
you later, Captain.

Captain!! There  
are alien tentacle..  
Captain!? Hello!?

No..!! Why the  
radio is charging  
this time!!??

A close-up, cinematic shot of a character with long, straight black hair. The character's eyes are closed, and their expression is one of unconsciousness or pain. They are wearing a futuristic, metallic collar with glowing blue accents. The background is a dimly lit, teal-colored environment with some mechanical details. A speech bubble is located in the bottom left corner.

"These.. tentacle..  
they are.."

Ah.. Ack.. I..  
Uhm.. am..

Oh okay. I'm  
about to go to  
the storage..

I'm doing fine,  
Airi. Prepare to  
go back now.

Is everything alright  
down there? I heard  
you and Captain..

Just some bugs,  
nothing much.

Okay, I will  
see you soon.  
Airi out.

"Hm.. A new life  
form with this  
weird body shape."

Also, thank you  
for your help,  
my kids.

But I have no  
difficult to get  
this one as new host.

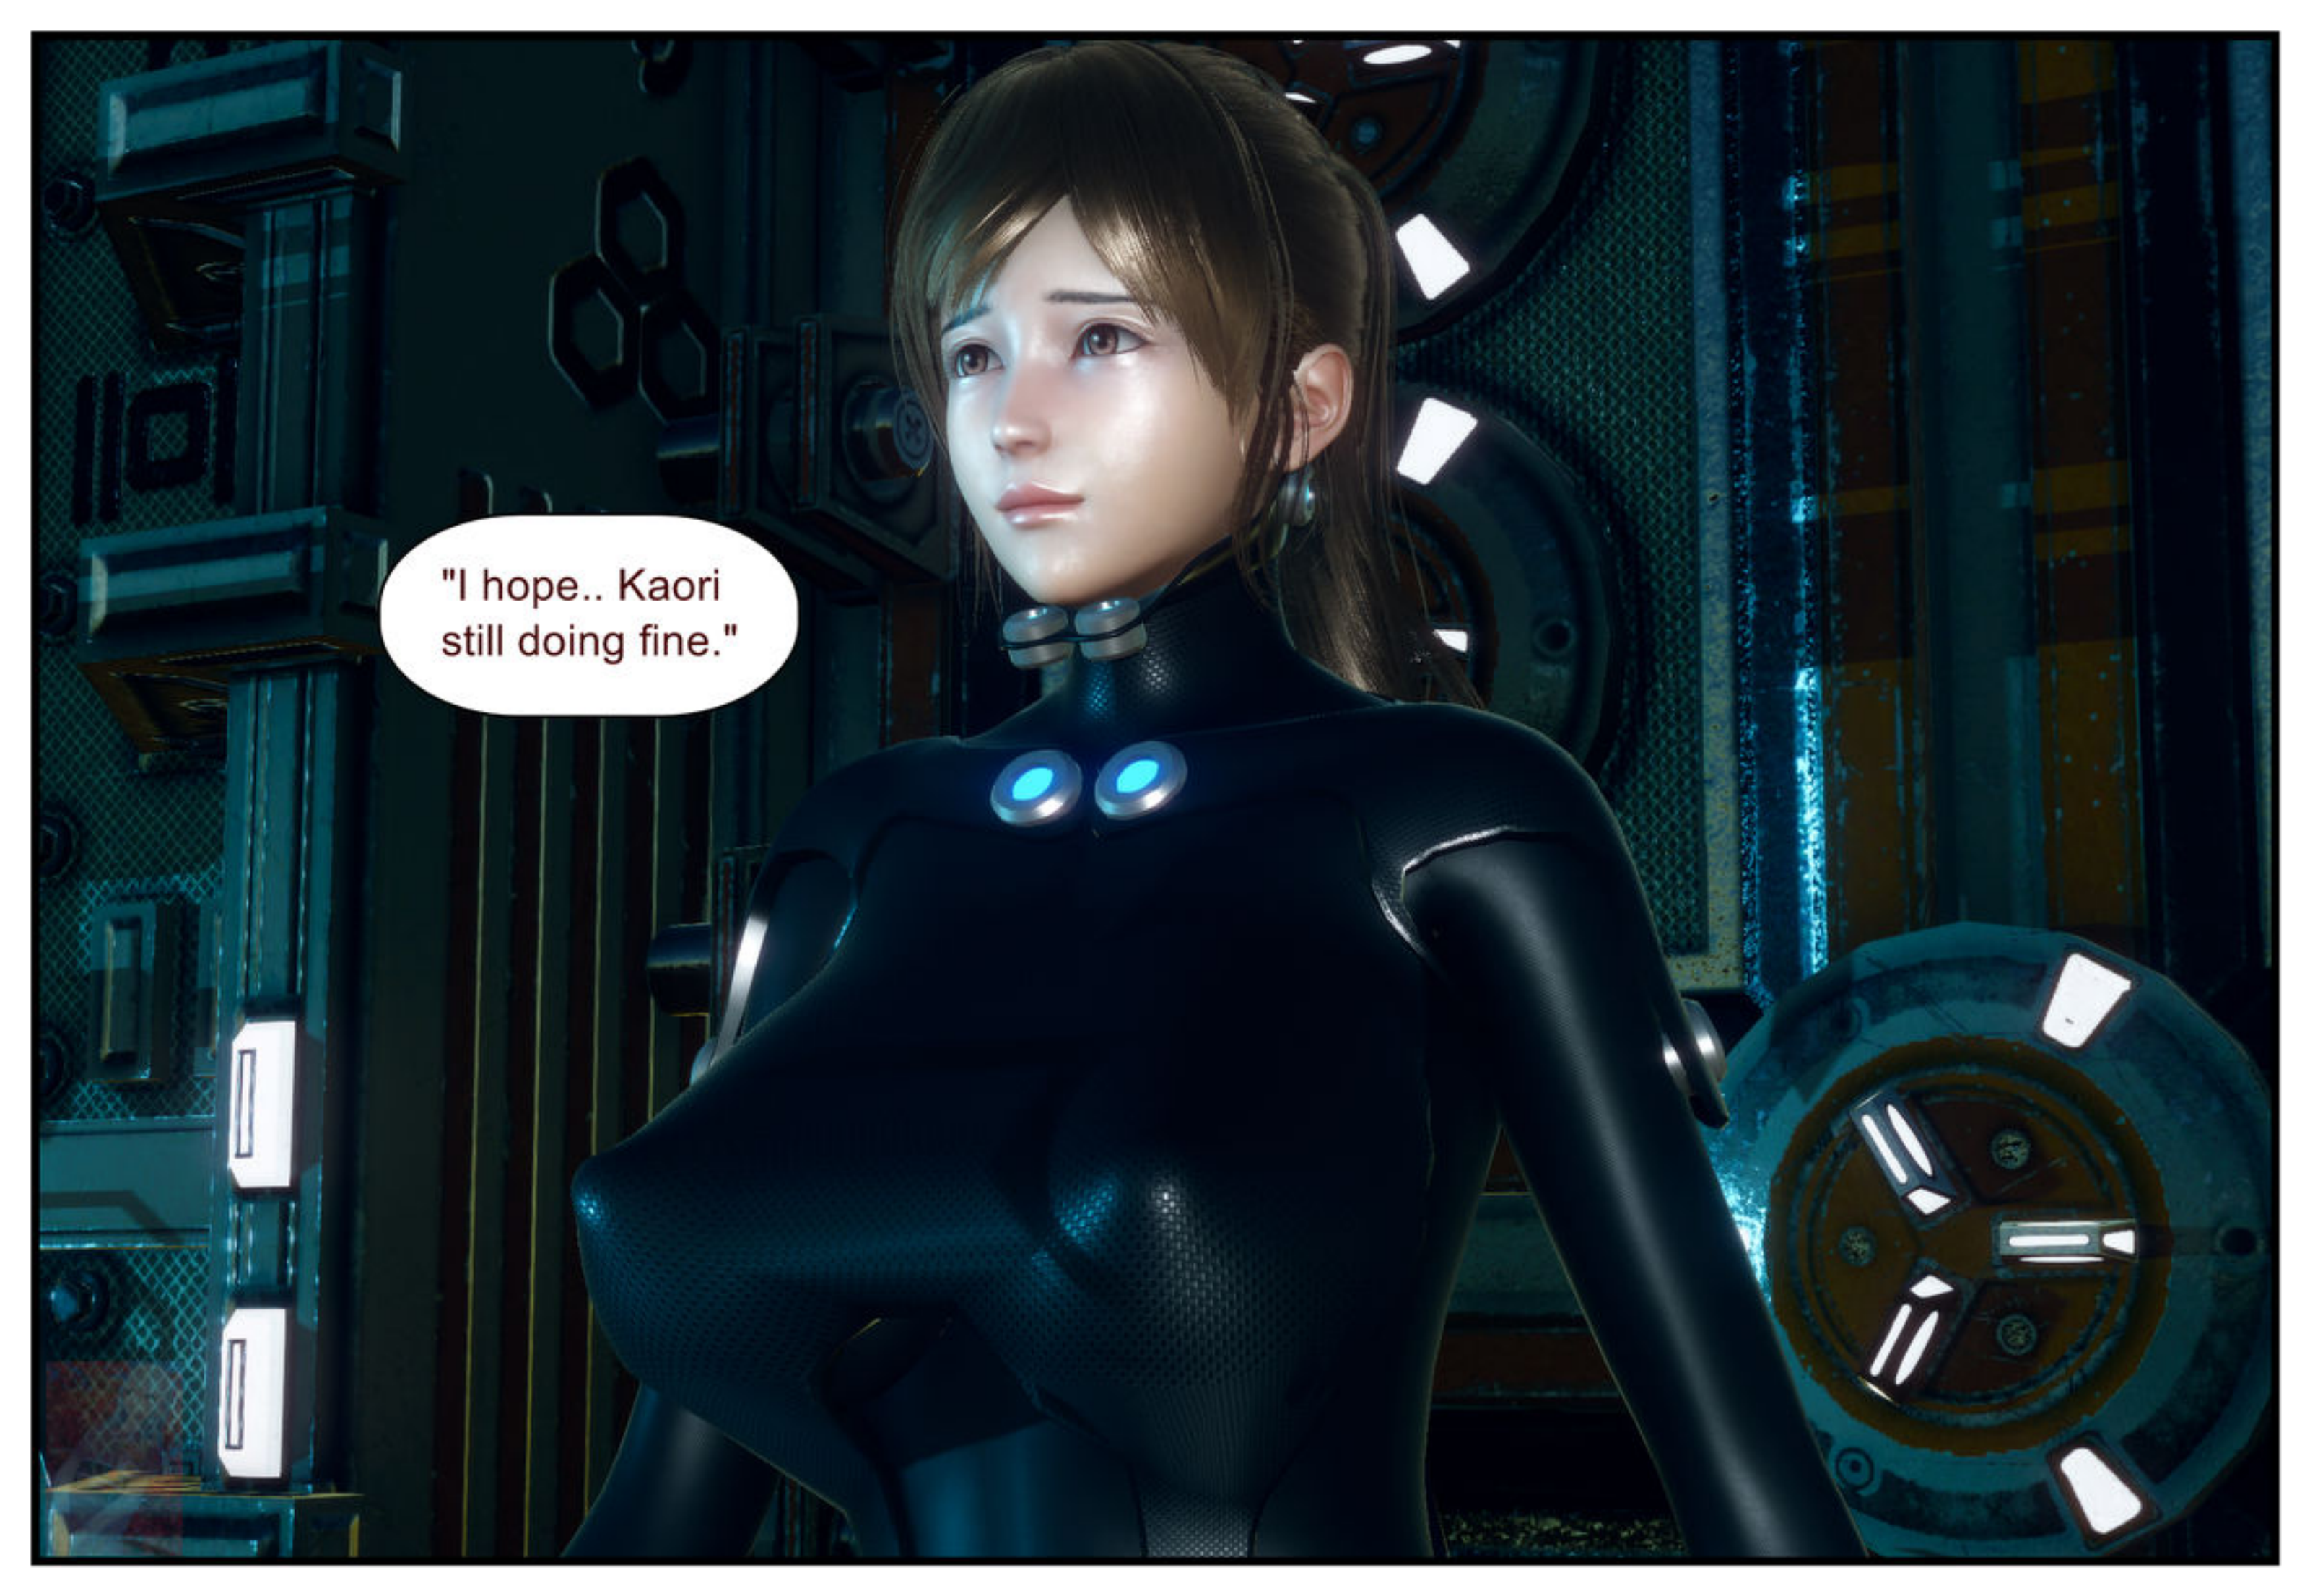

Your job here is done. From now on..

..I will take role of this Kaori.

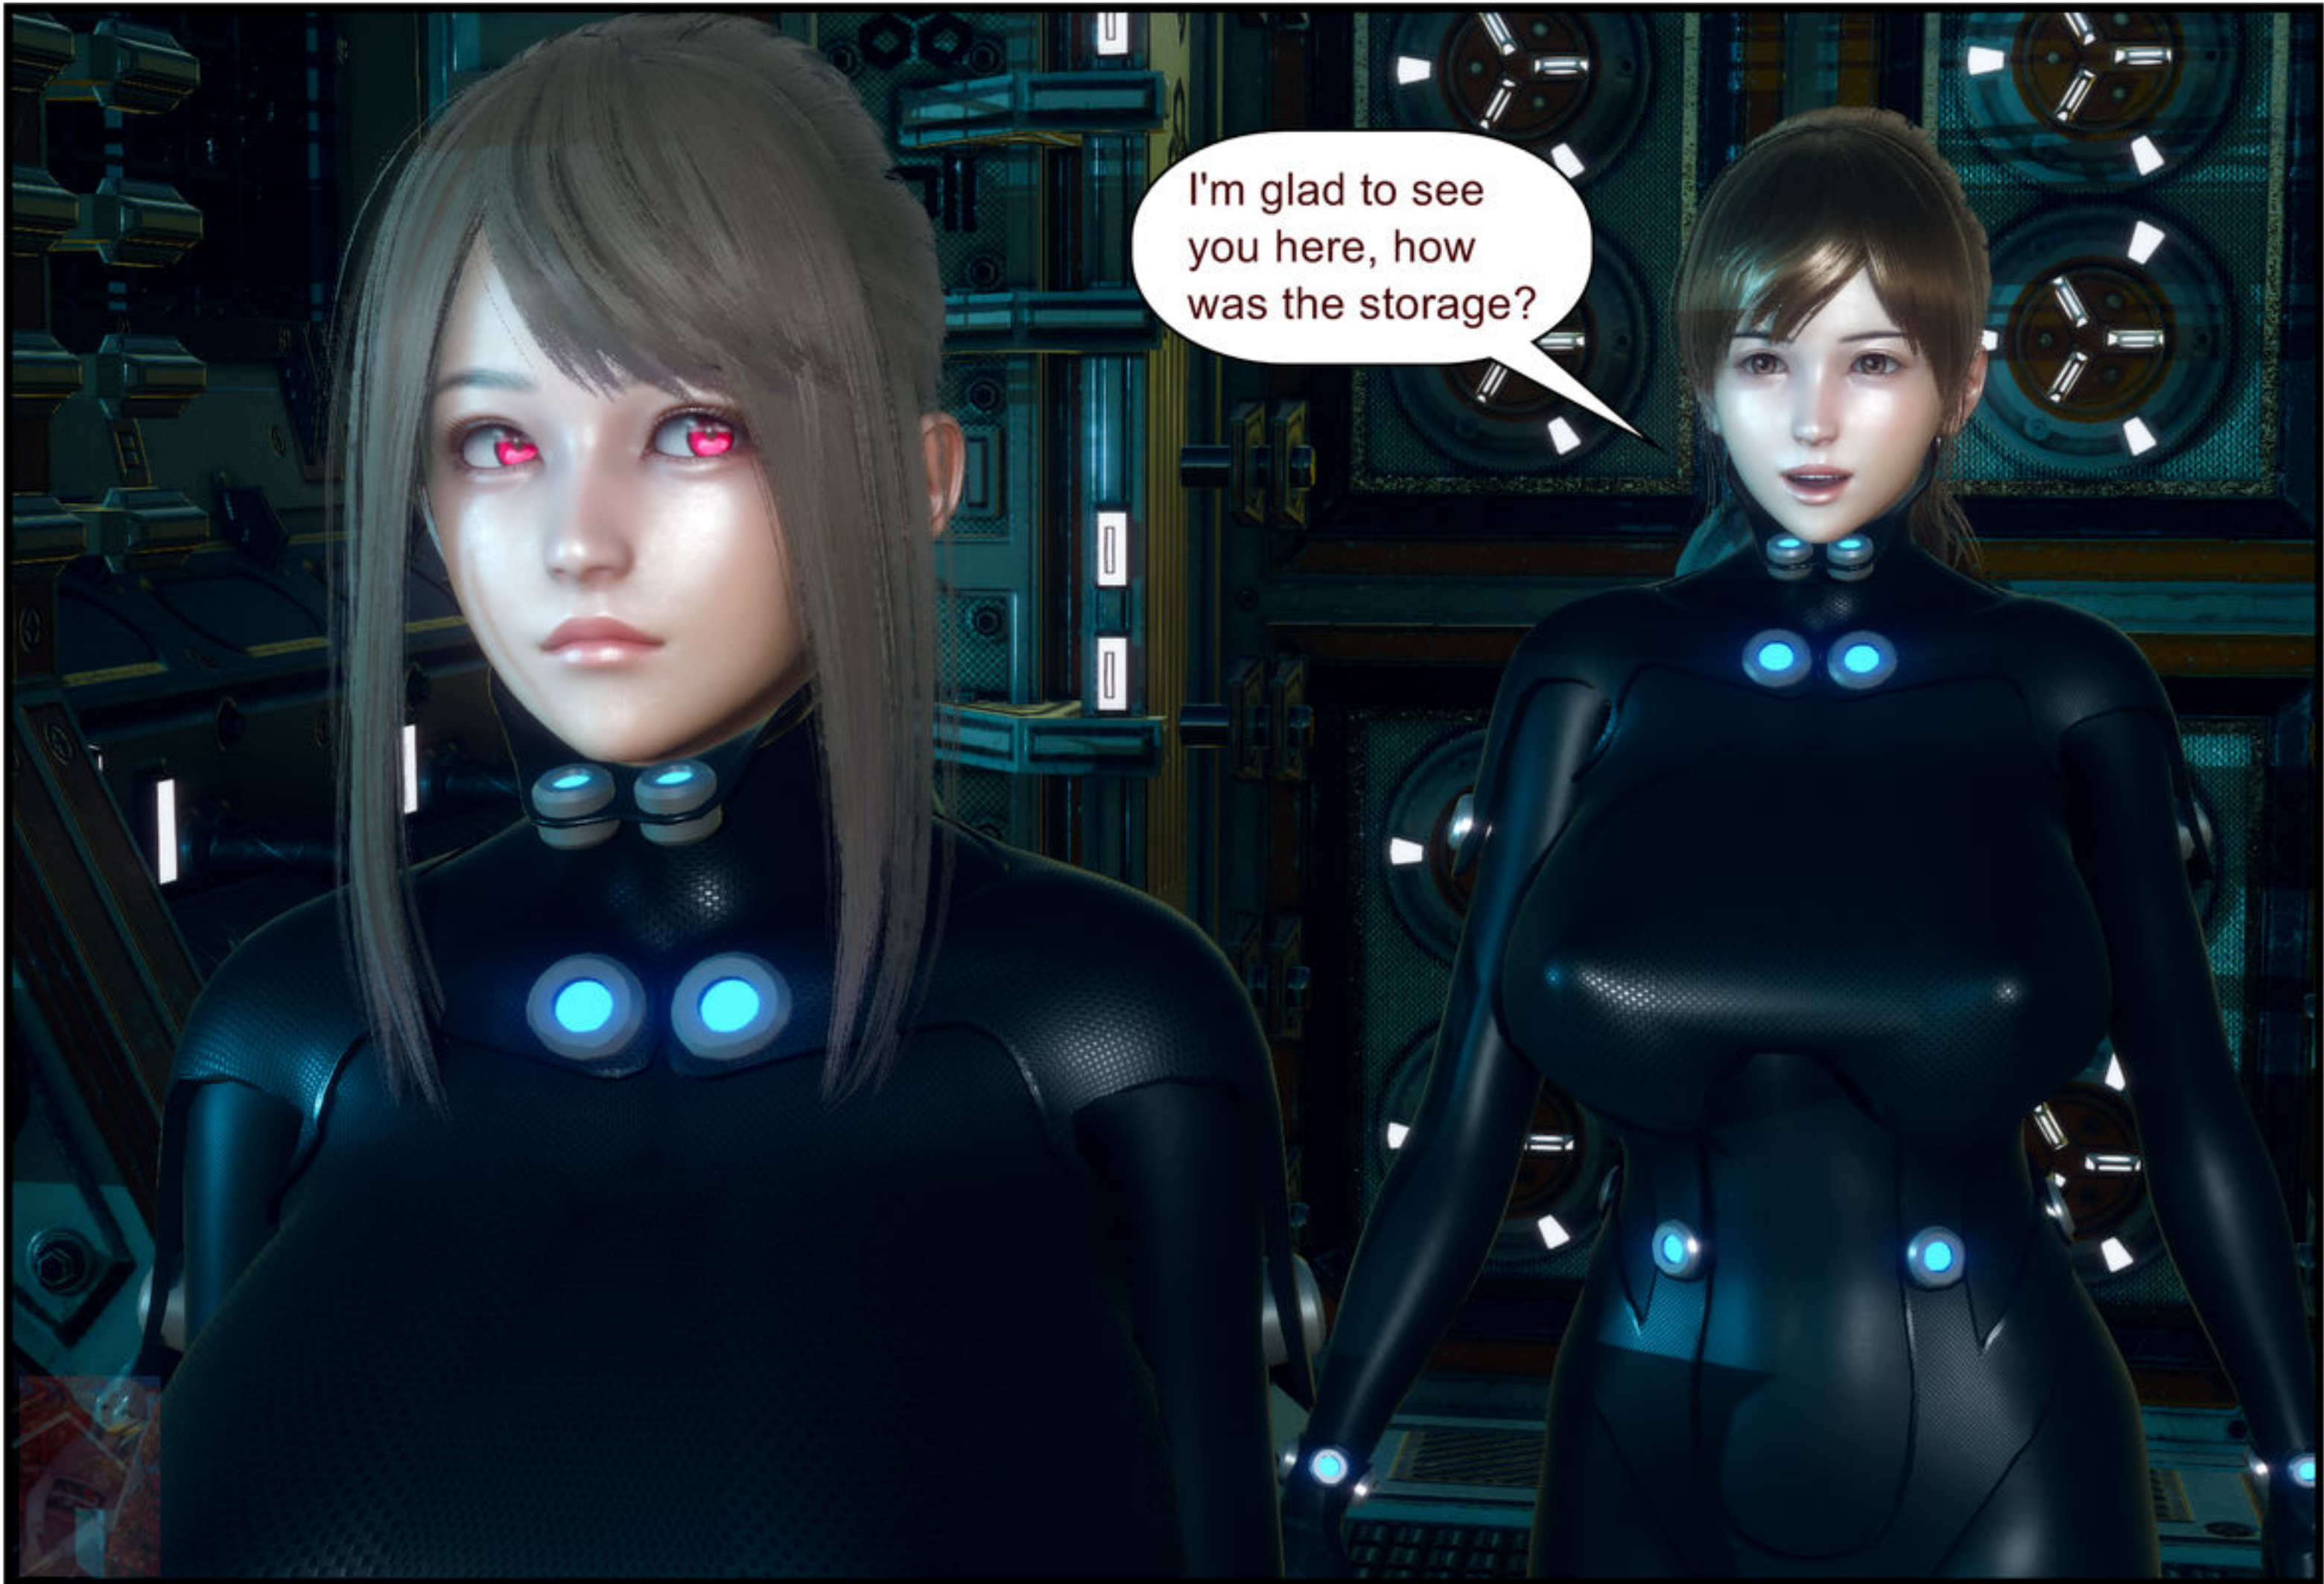

"I hope.. Kaori  
still doing fine."

Ah? Kaori?  
Did you wait  
for me here?

I'm glad to see you here, how was the storage?

A bit scary but  
it was interesting.

Ahaha.. You  
are so brave..

By the way.. I failed again.. in making the cure.

Oh.. I'm sorry, Airi. You tried.

HANGAR A113

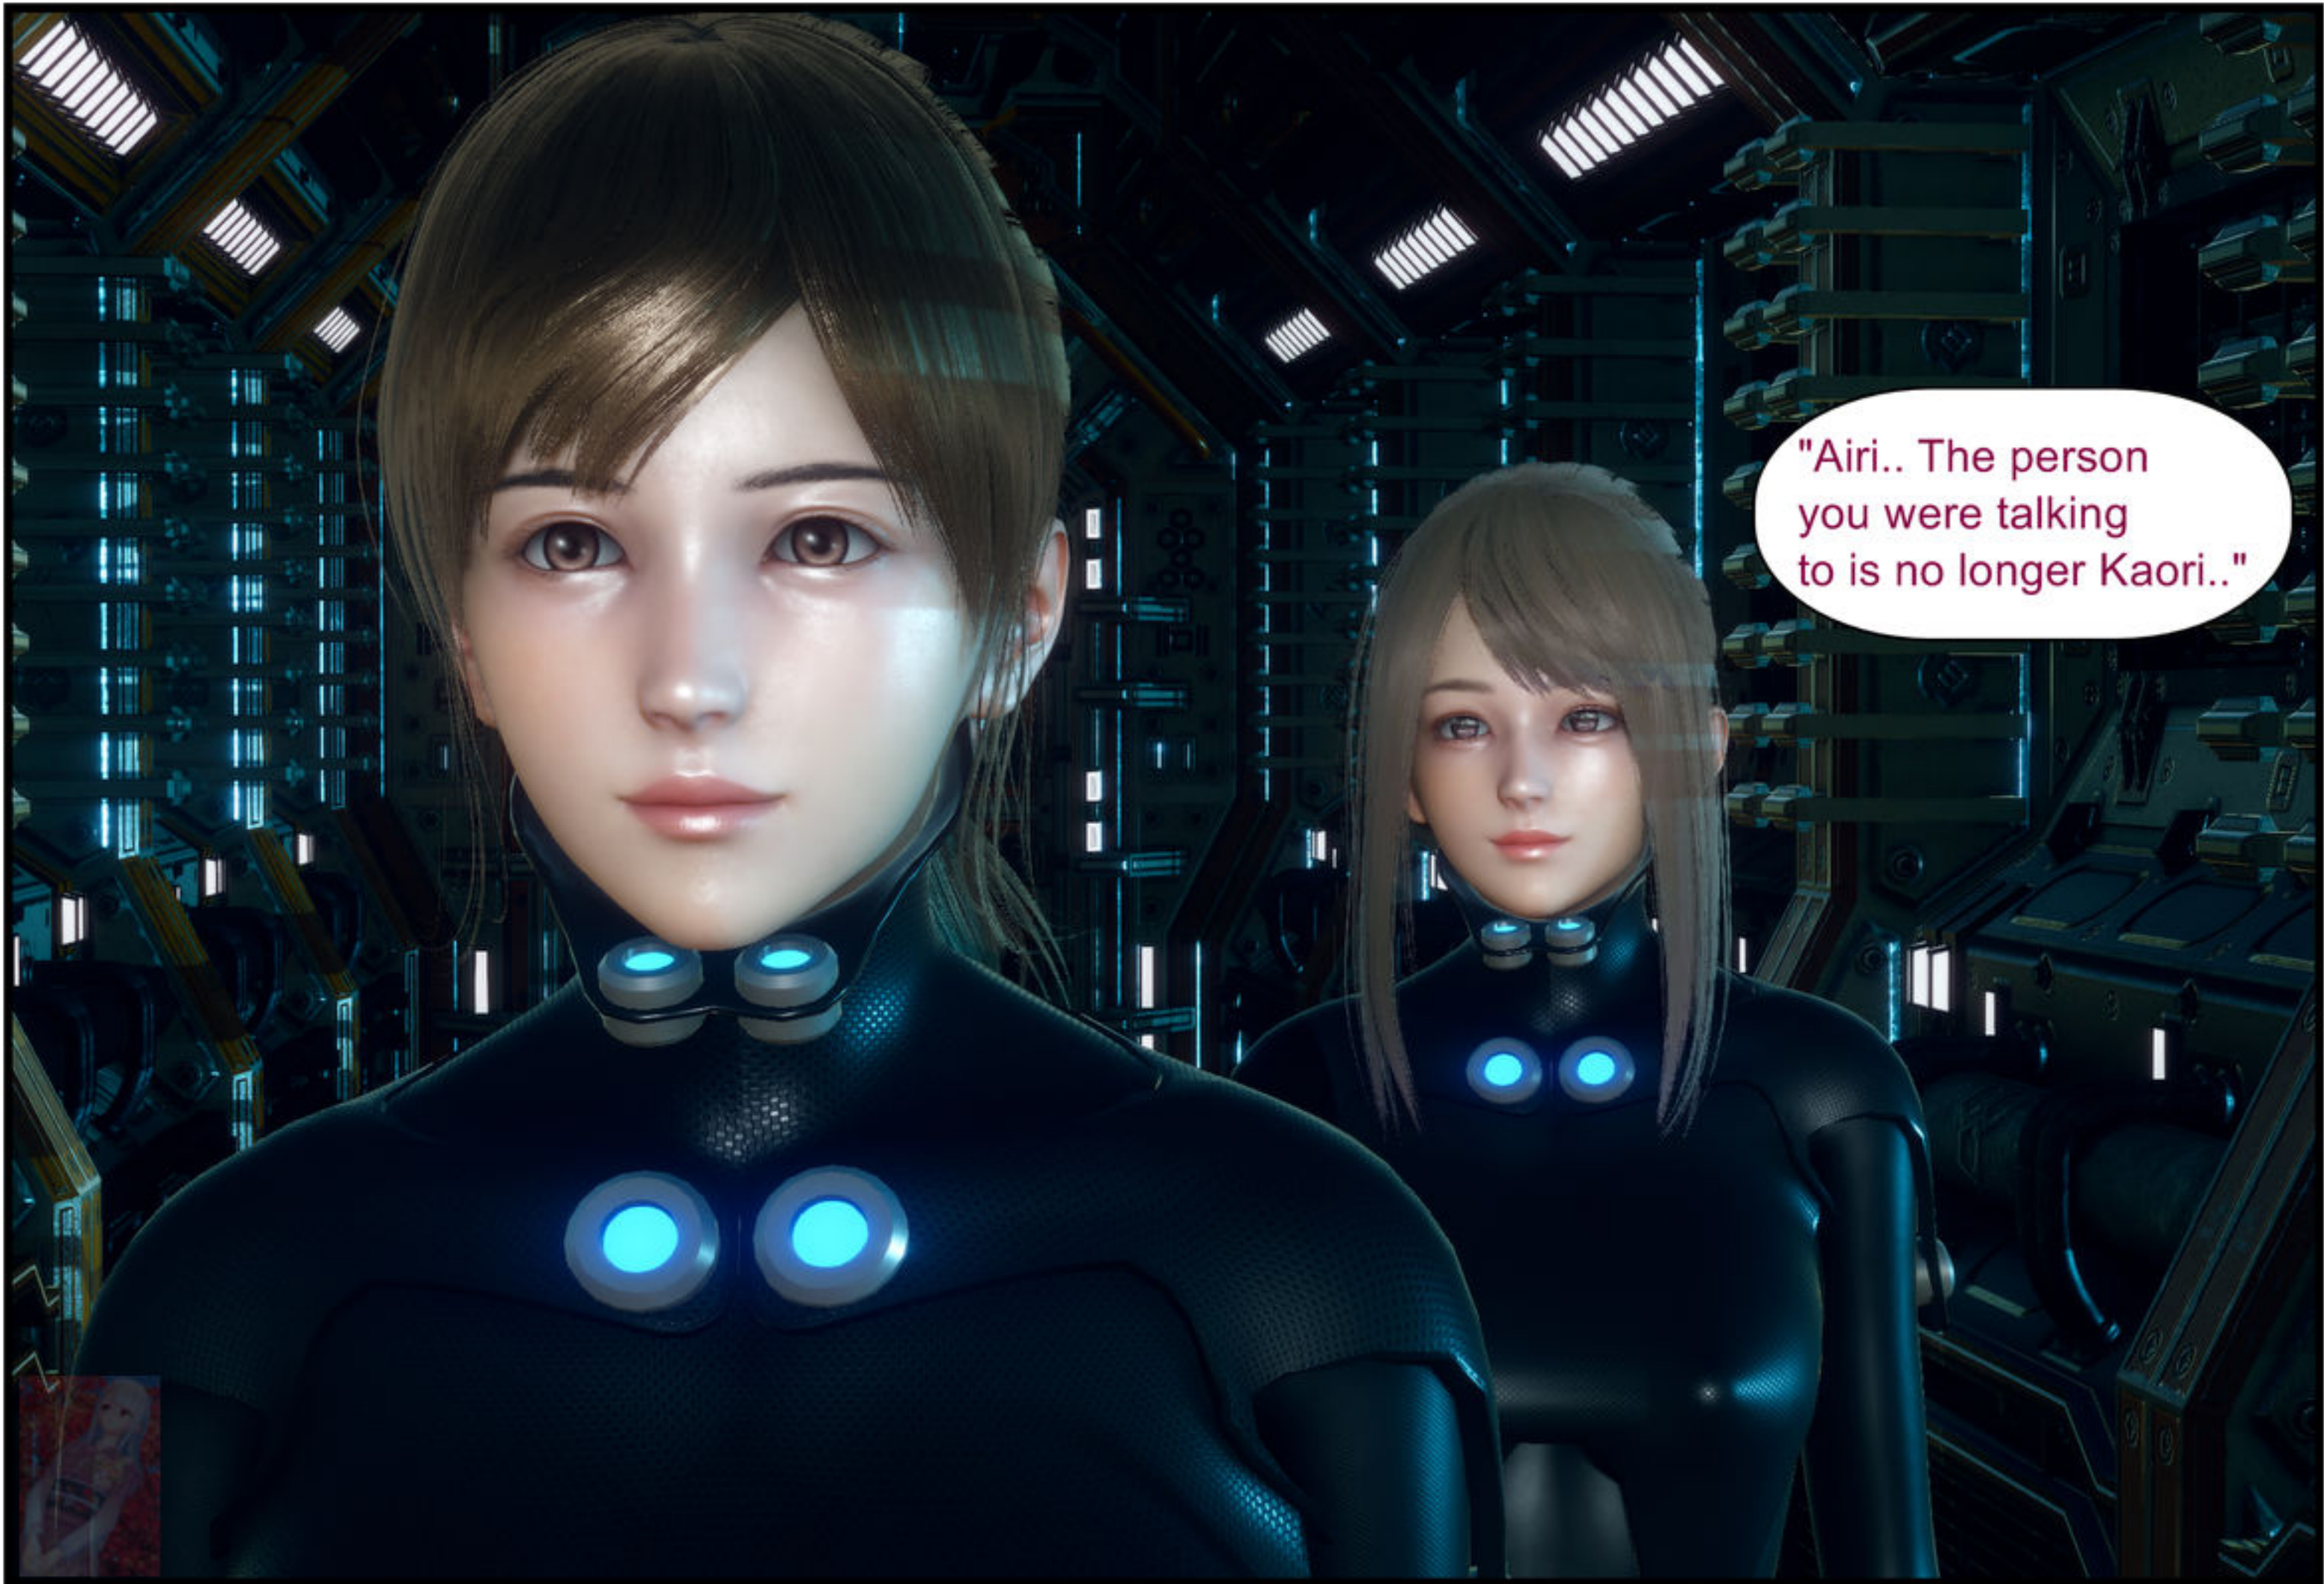

It's okay.. But I'm  
a bit.. "yawn"..  
sleepy now so..

Oh.. You must be  
really tired..

Ahaha. Just a bit  
of rest and we will  
have some coffee  
together, Kaori.

"Airi.. The person you were talking to is no longer Kaori.."

A close-up shot of a female character with long, straight black hair and glowing red eyes. She has a slight smile and is wearing a dark blue or black outfit with two glowing blue circular lights on her neck. The background is dark and industrial, with some blue lighting. A speech bubble is overlaid on the left side of the image.

"Because.. she was  
already gone.."

A female android with dark hair in a ponytail, wearing a black, form-fitting bodysuit with several glowing blue circular lights. She is sitting on a bed with a floral patterned sheet. The room has wood-paneled walls and a window with blinds. A speech bubble is positioned to her right.

June 10th, 3029.  
The ASR ship did  
feel like home.. but  
we have been on  
here for 5 years..

There's only 3 of us left.. Although we have enough supplies for the rest of our life.. no contact from the Earth.

How are everyone  
at home? We don't  
know.. But if I died,  
hope you would find  
and read this diary.

Oh and I love beers  
a lot, what about you?  
I only have it when I  
don't feel so good.

Nah, don't drunk on your duty, as a Captain, I must find a way to fix the ship and get Kaori, Airi and me home.

Or if someone..  
anyone who passed  
through.. God helps us.

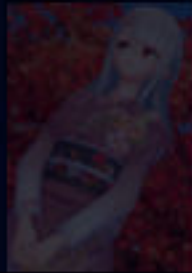

"Go on, my kids.  
Make her brain  
become yours."

A close-up, high-resolution image of a woman's face. She has long, straight, dark brown hair with bangs. Her eyes are a striking, glowing red color. She has a soft, slightly open-mouthed expression. The lighting is soft, highlighting her skin texture. A speech bubble is positioned on the left side of the frame, containing text. In the bottom-left corner, there is a small, semi-transparent inset image showing a character in a red and white outfit.

Make it slow.  
Don't cause her  
brain too much  
pressure.

That's enough.  
We can use her  
for a while.

That's a nice  
clothes strip,  
my kids.

Yes.. You got a nice face and body, Airi.

Ah.. I can feel it..

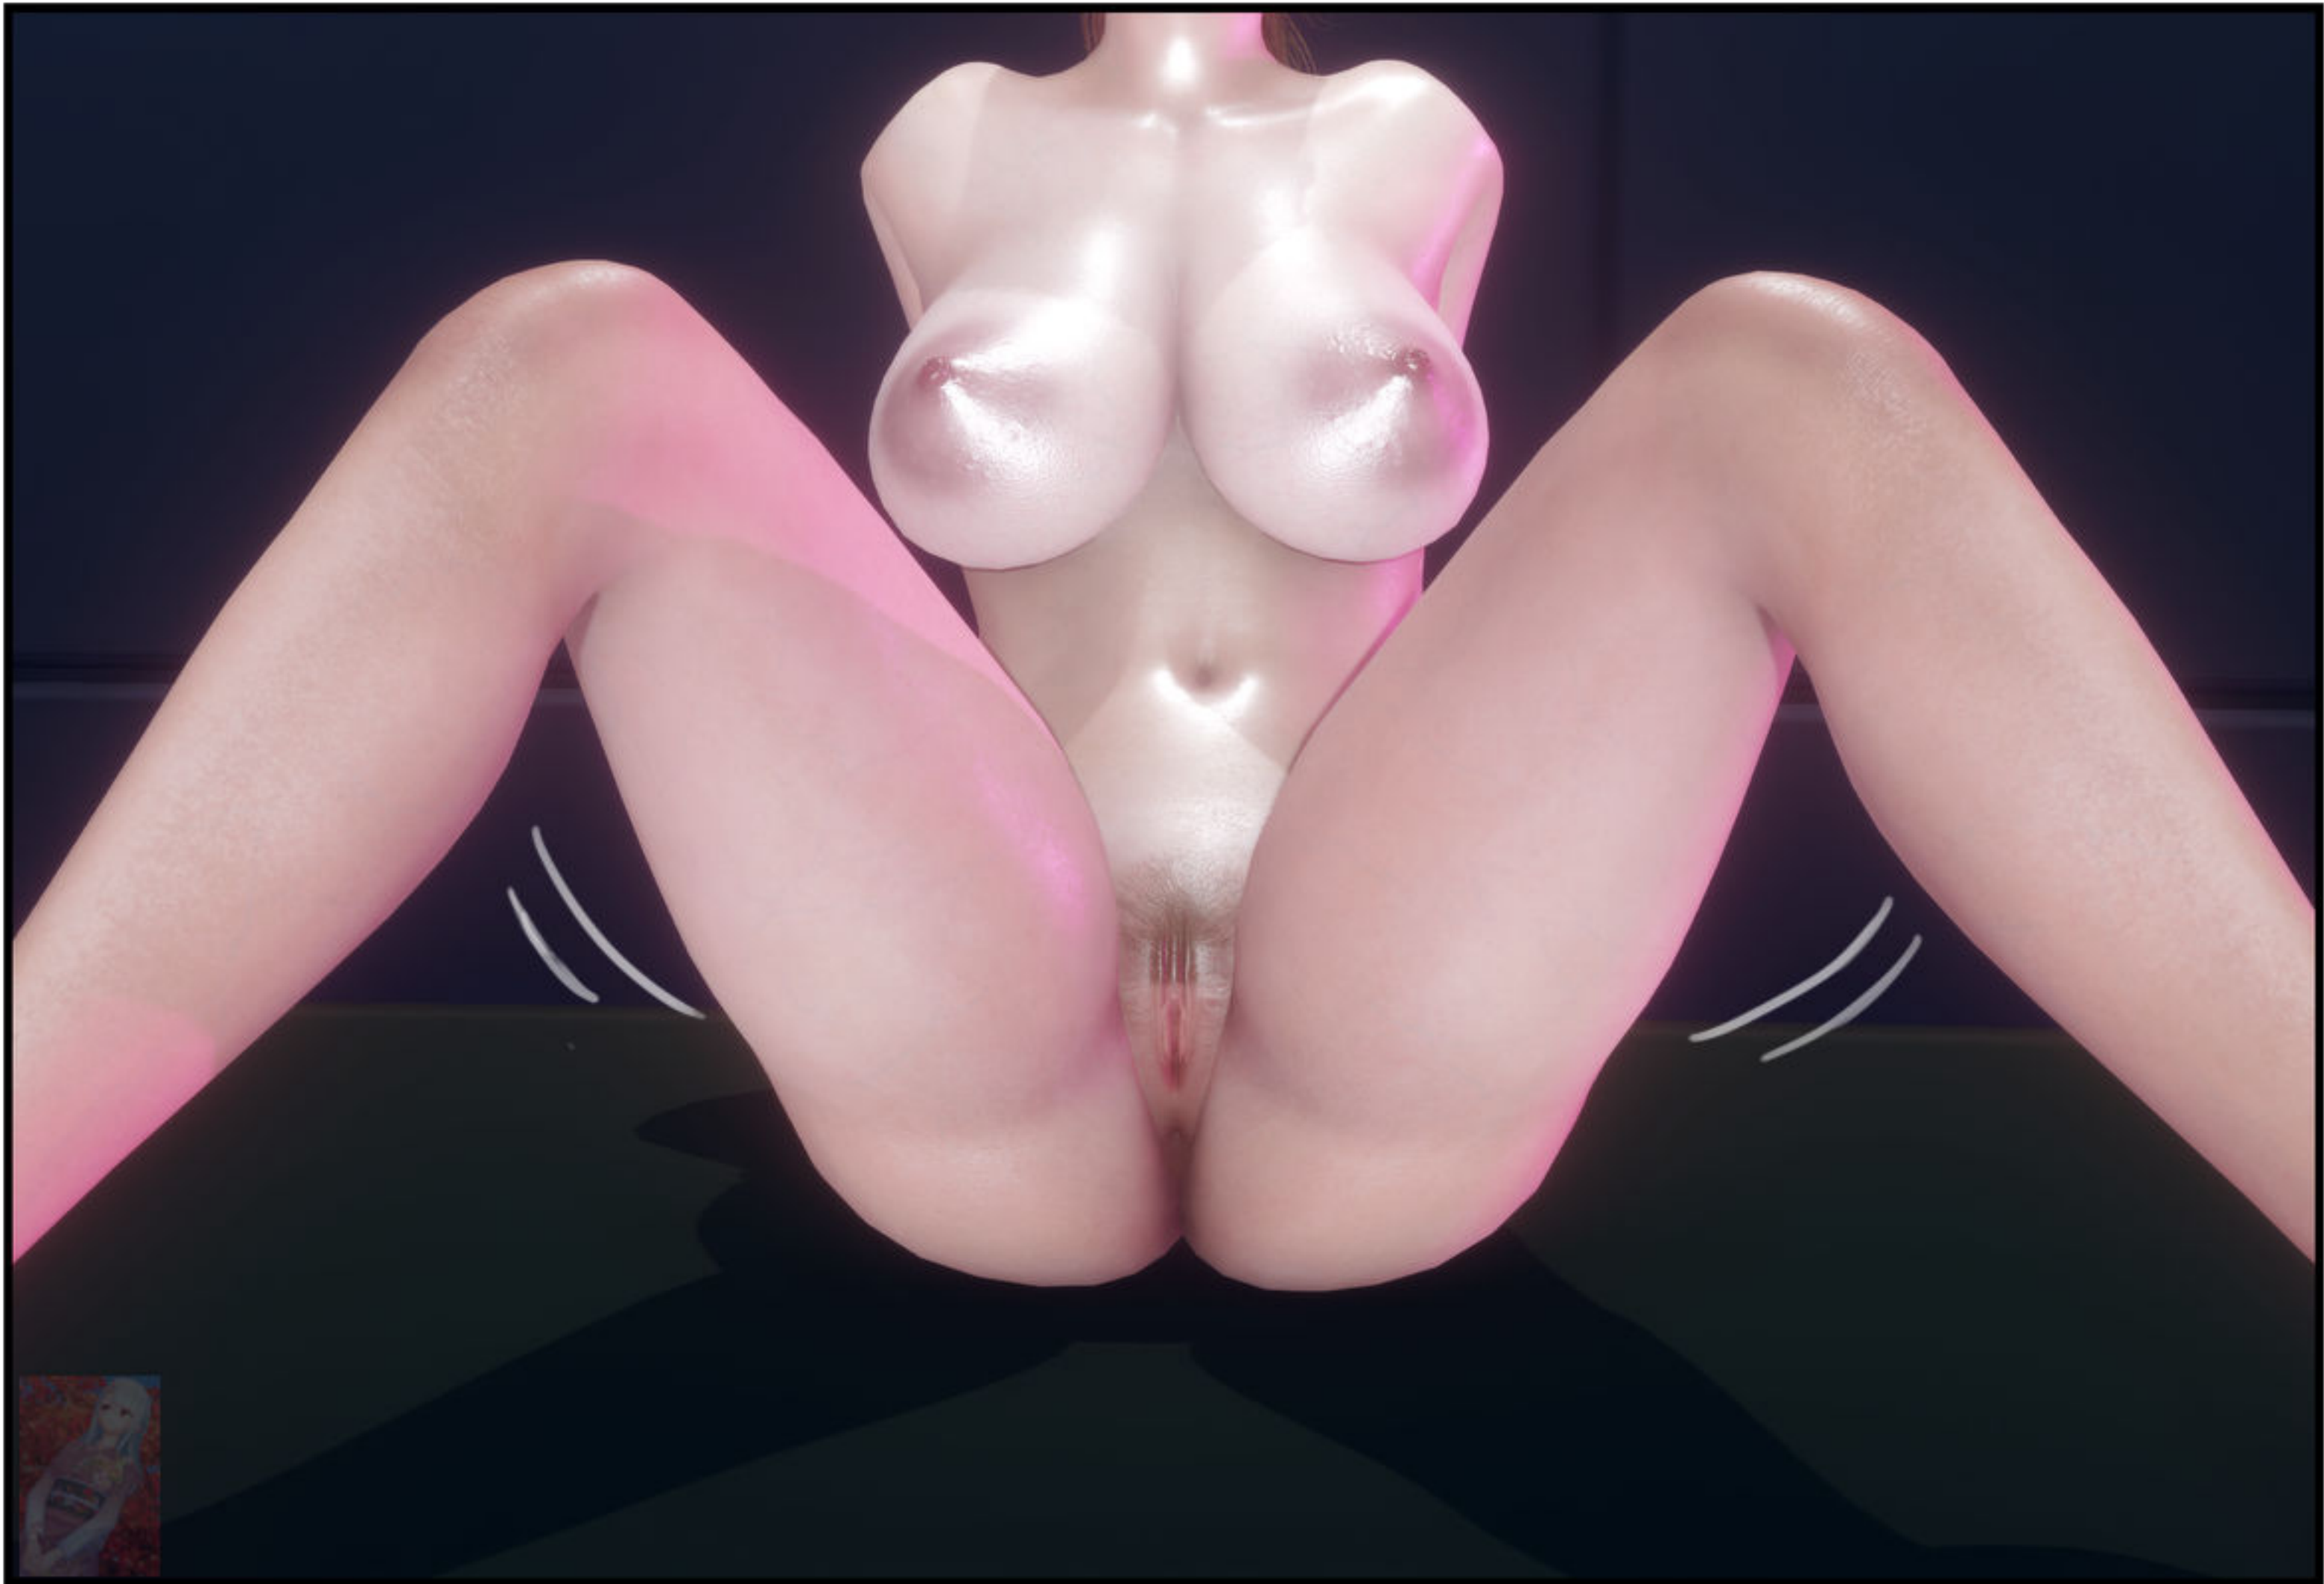

Let us have  
some enjoyable  
moment..

Spread your  
legs for me, Airi.

That's nice..  
with your brain  
is temporary mine.

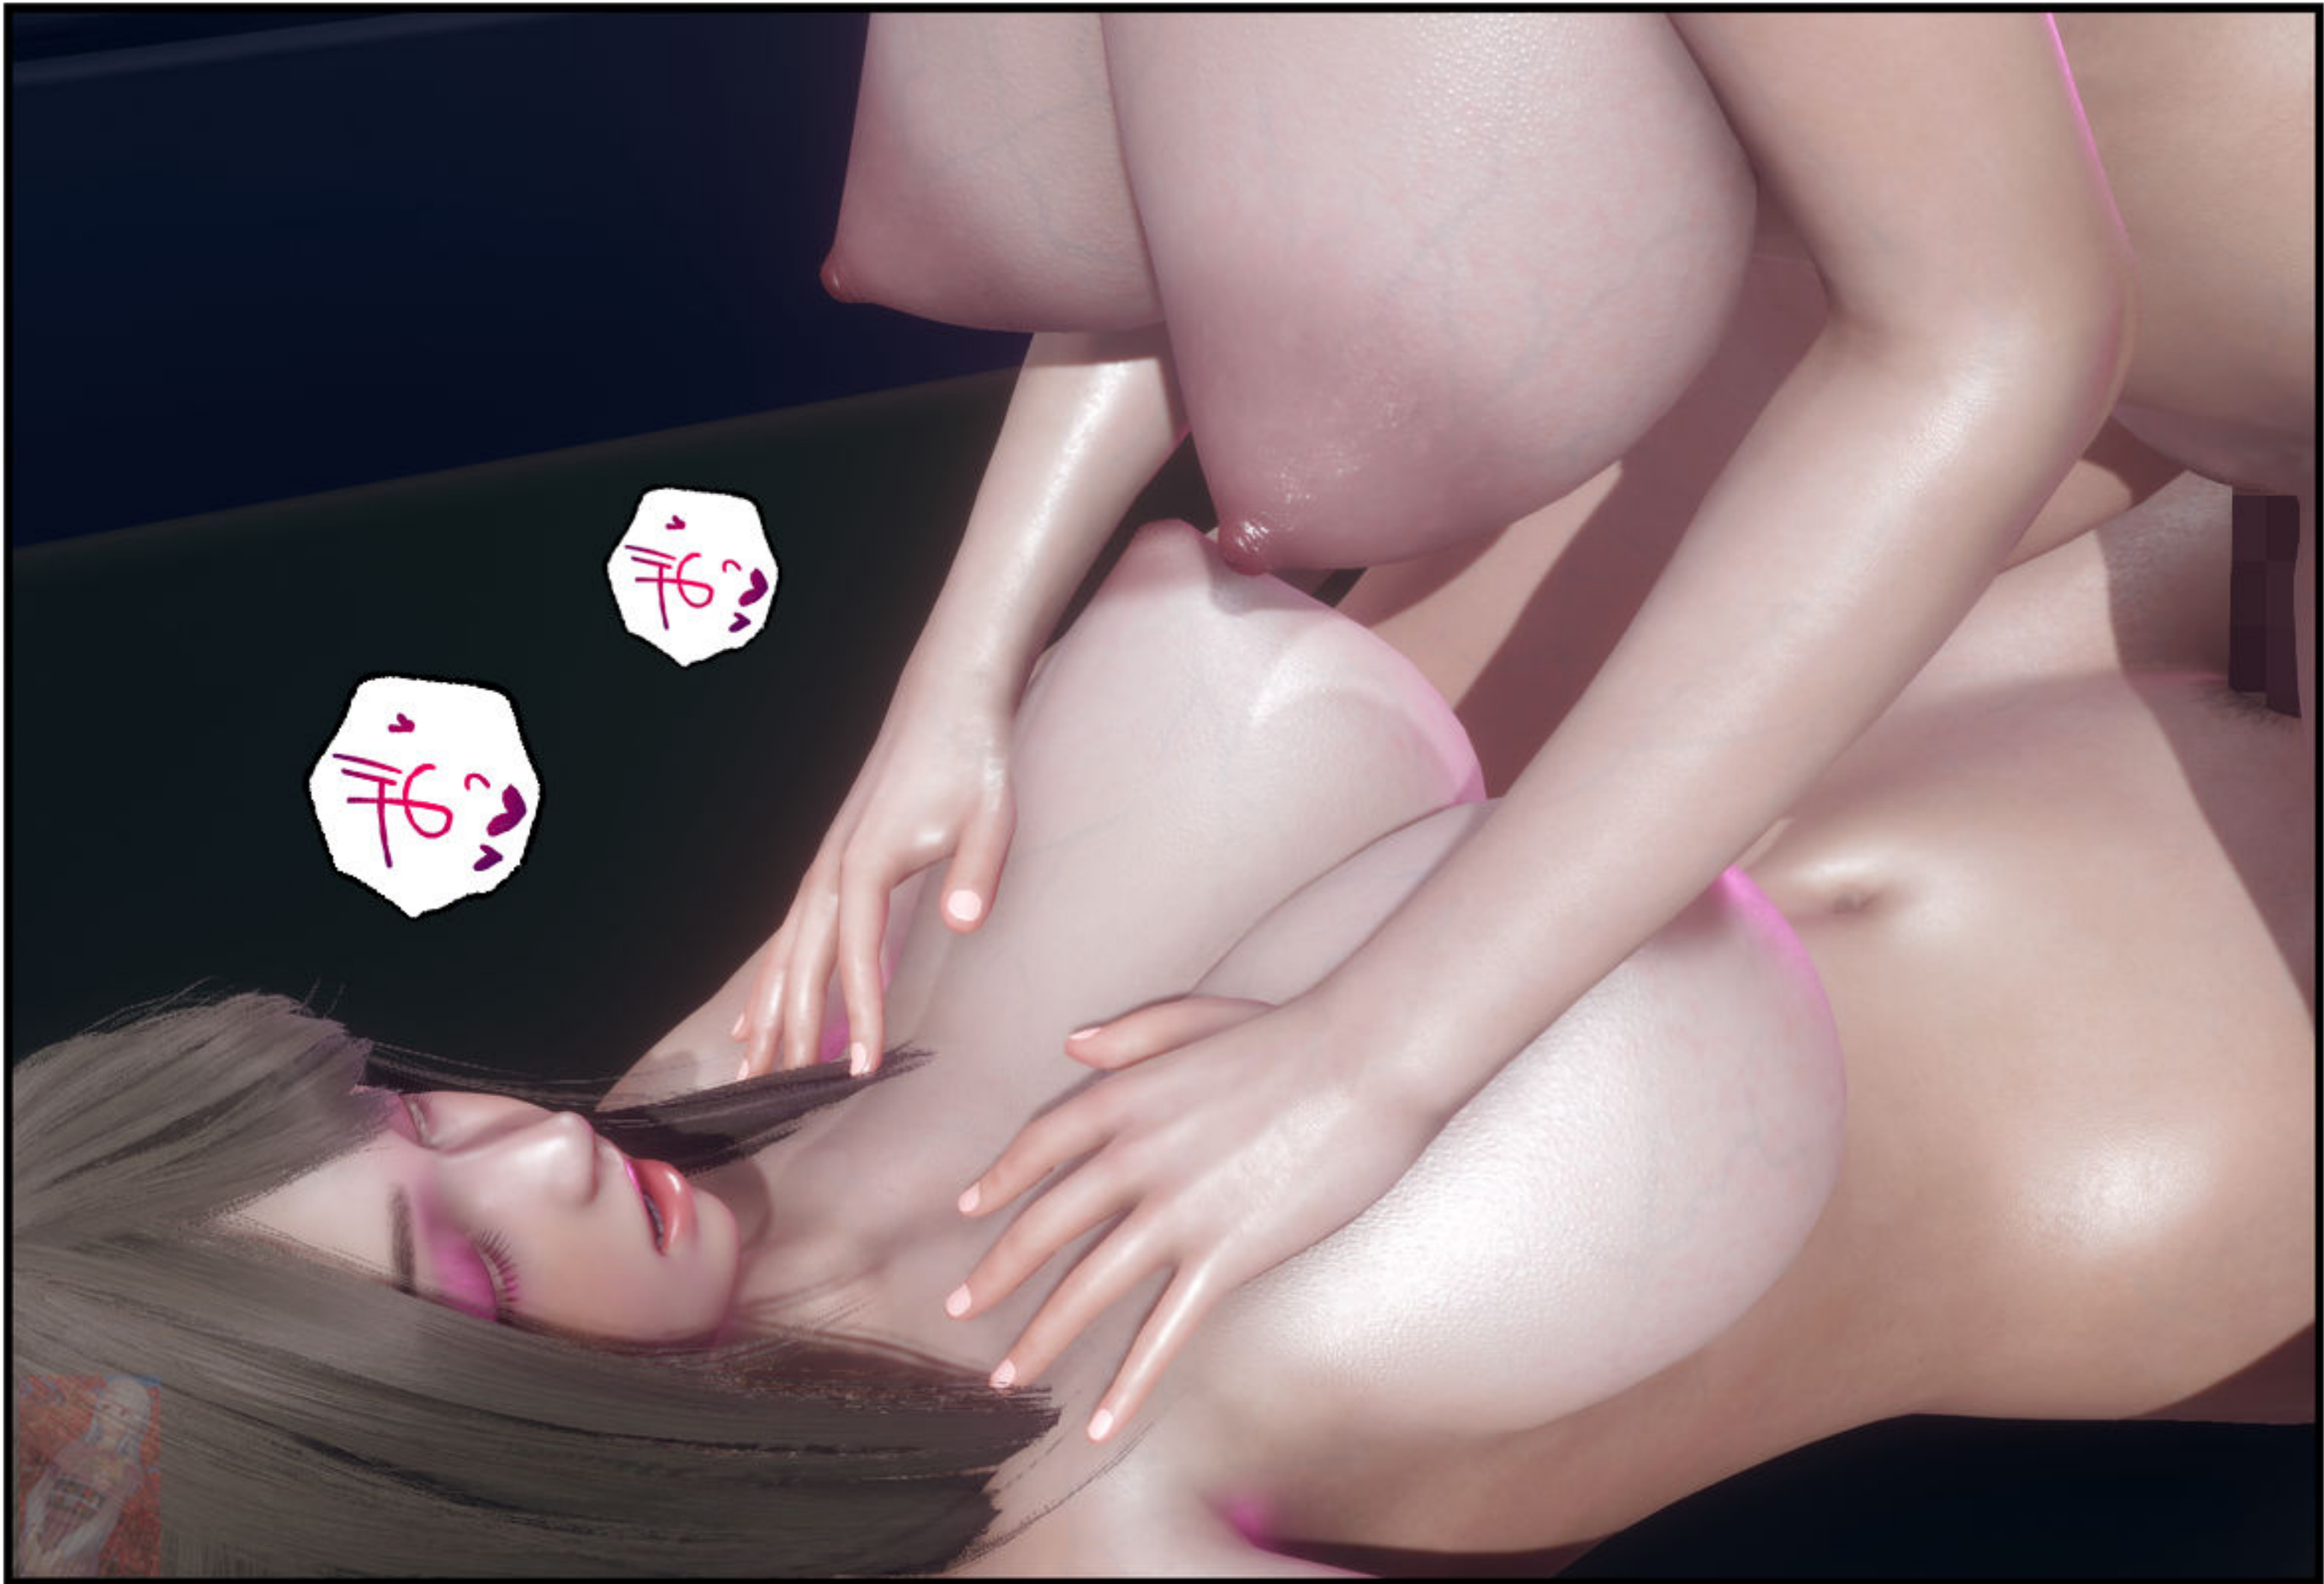

A close-up, high-angle shot of a woman's face. She has long, dark hair and is looking upwards with a slight smile. Her eyes are a striking, glowing red color. To the right of her face, a large, red, fleshy, and somewhat translucent object is visible, resembling a tongue or a piece of skin. The background is dark and indistinct.

Oh? I didn't forget  
you, my kids.  
Come out and play.
