# Fairy Tail's Guild...

You said... Demon?

Y-Yes... But I sensed  
a small presence...

That's why I need to  
make sure... My apology.

Since you rushed in  
and said someone released it...

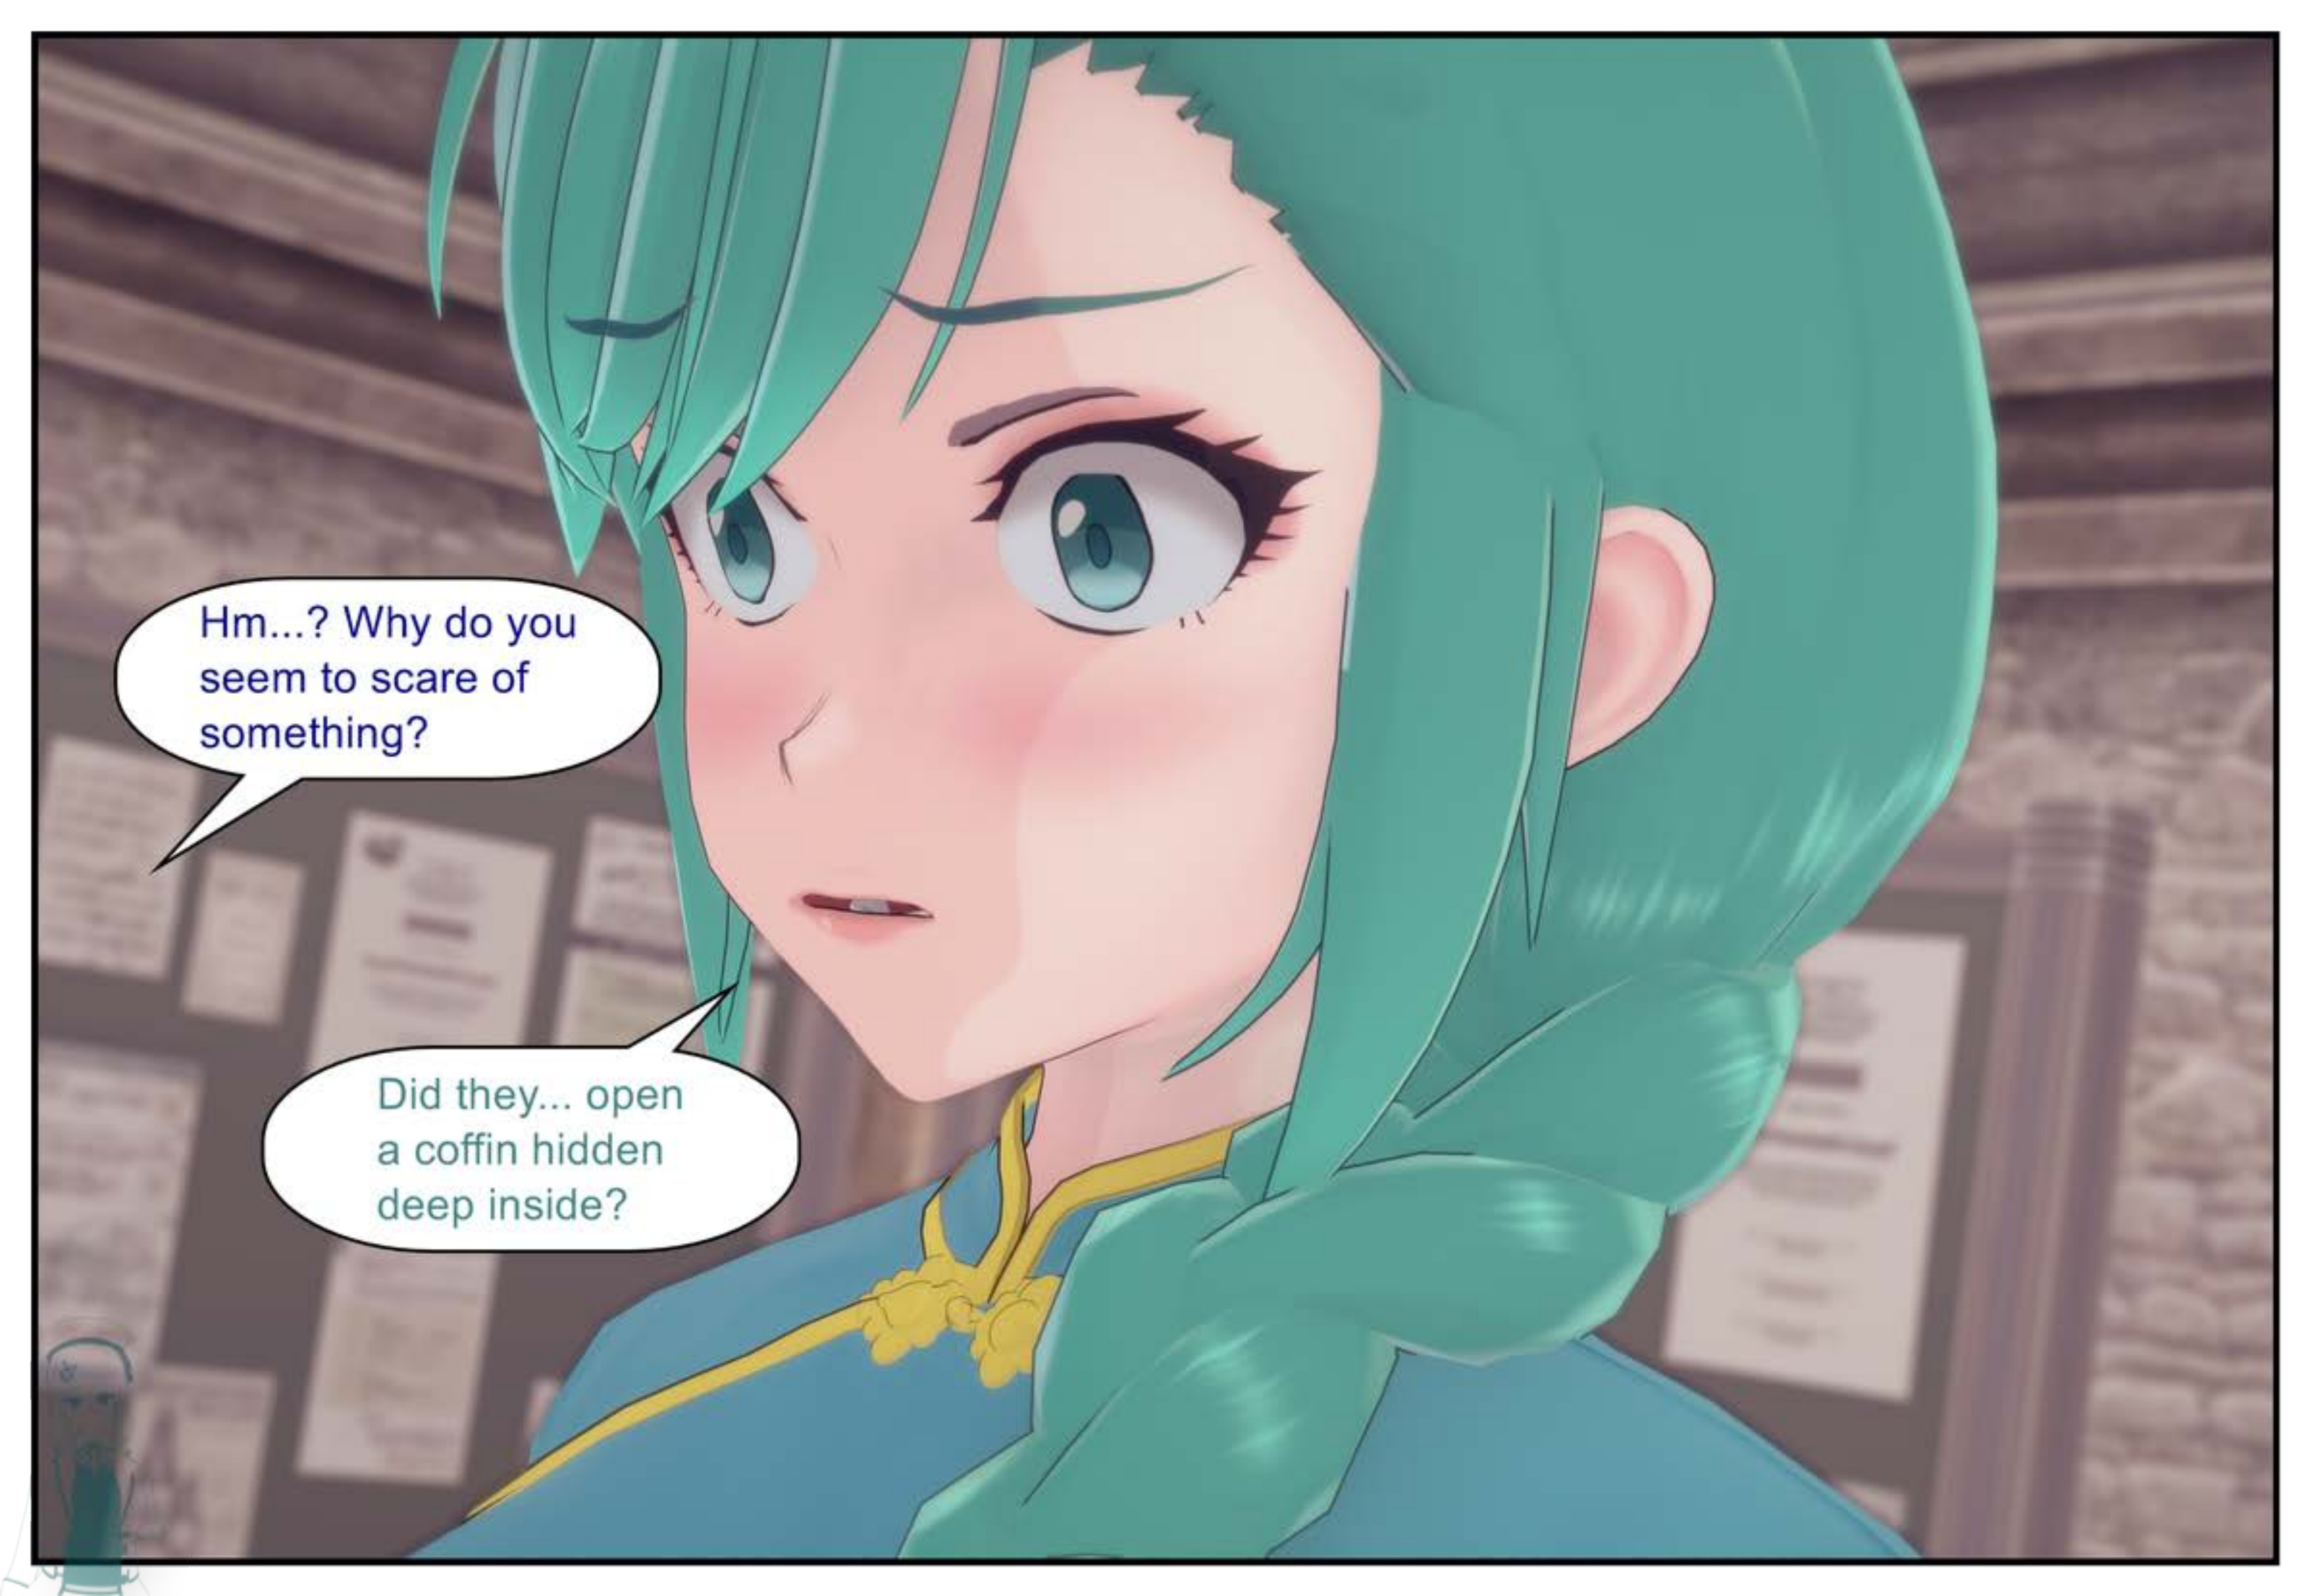

Was your Guild travelled to any dungeon before?

Hm... There's two...

But they looked fine  
to me. Nothing bad happened.

Hm...? Why do you seem to scare of something?

Did they... open a coffin hidden deep inside?

Yes, but it was empty  
and no treasure.

Are you... telling  
me the truth...?

Y-You... okay?

No one should open  
that coffin!!! EVER!!!

H-Hey... Calm down...  
You are hurting me!

Guh... Uh...

Can you hear me!? Hello!?

Get off from me...  
Right now!!!

I mean it!!!

S-Sorry... You held me too hard...

...Kill...

Mmm

A-Are you... alright?

Aaahh... Guuuuhhh...

No one... can keep me...

S-Stop!!! What  
are you...!?

A character with teal hair styled in a braid, red eyes, and a blue and gold outfit is shown in a state of shock or distress. She is shouting, as indicated by the speech bubble. The background is a wooden structure, possibly a staircase or a hallway.

Gaaaaahhhh!!!!

I told you to  
calm down...

"...If you don't stop..."

Meanwhile...

Hm... Strange...

How strong Erza is...  
Fighting from inside.

"No use... I can't get into her mind with this much resistance."

"Think I should take over you completely the other way, Erza."

Ah... Fresh air...

"Though, I don't want myself to be exposed."

"Which puppet should take the honor?"

"Of course you are,  
Lucy Heartlifa~"

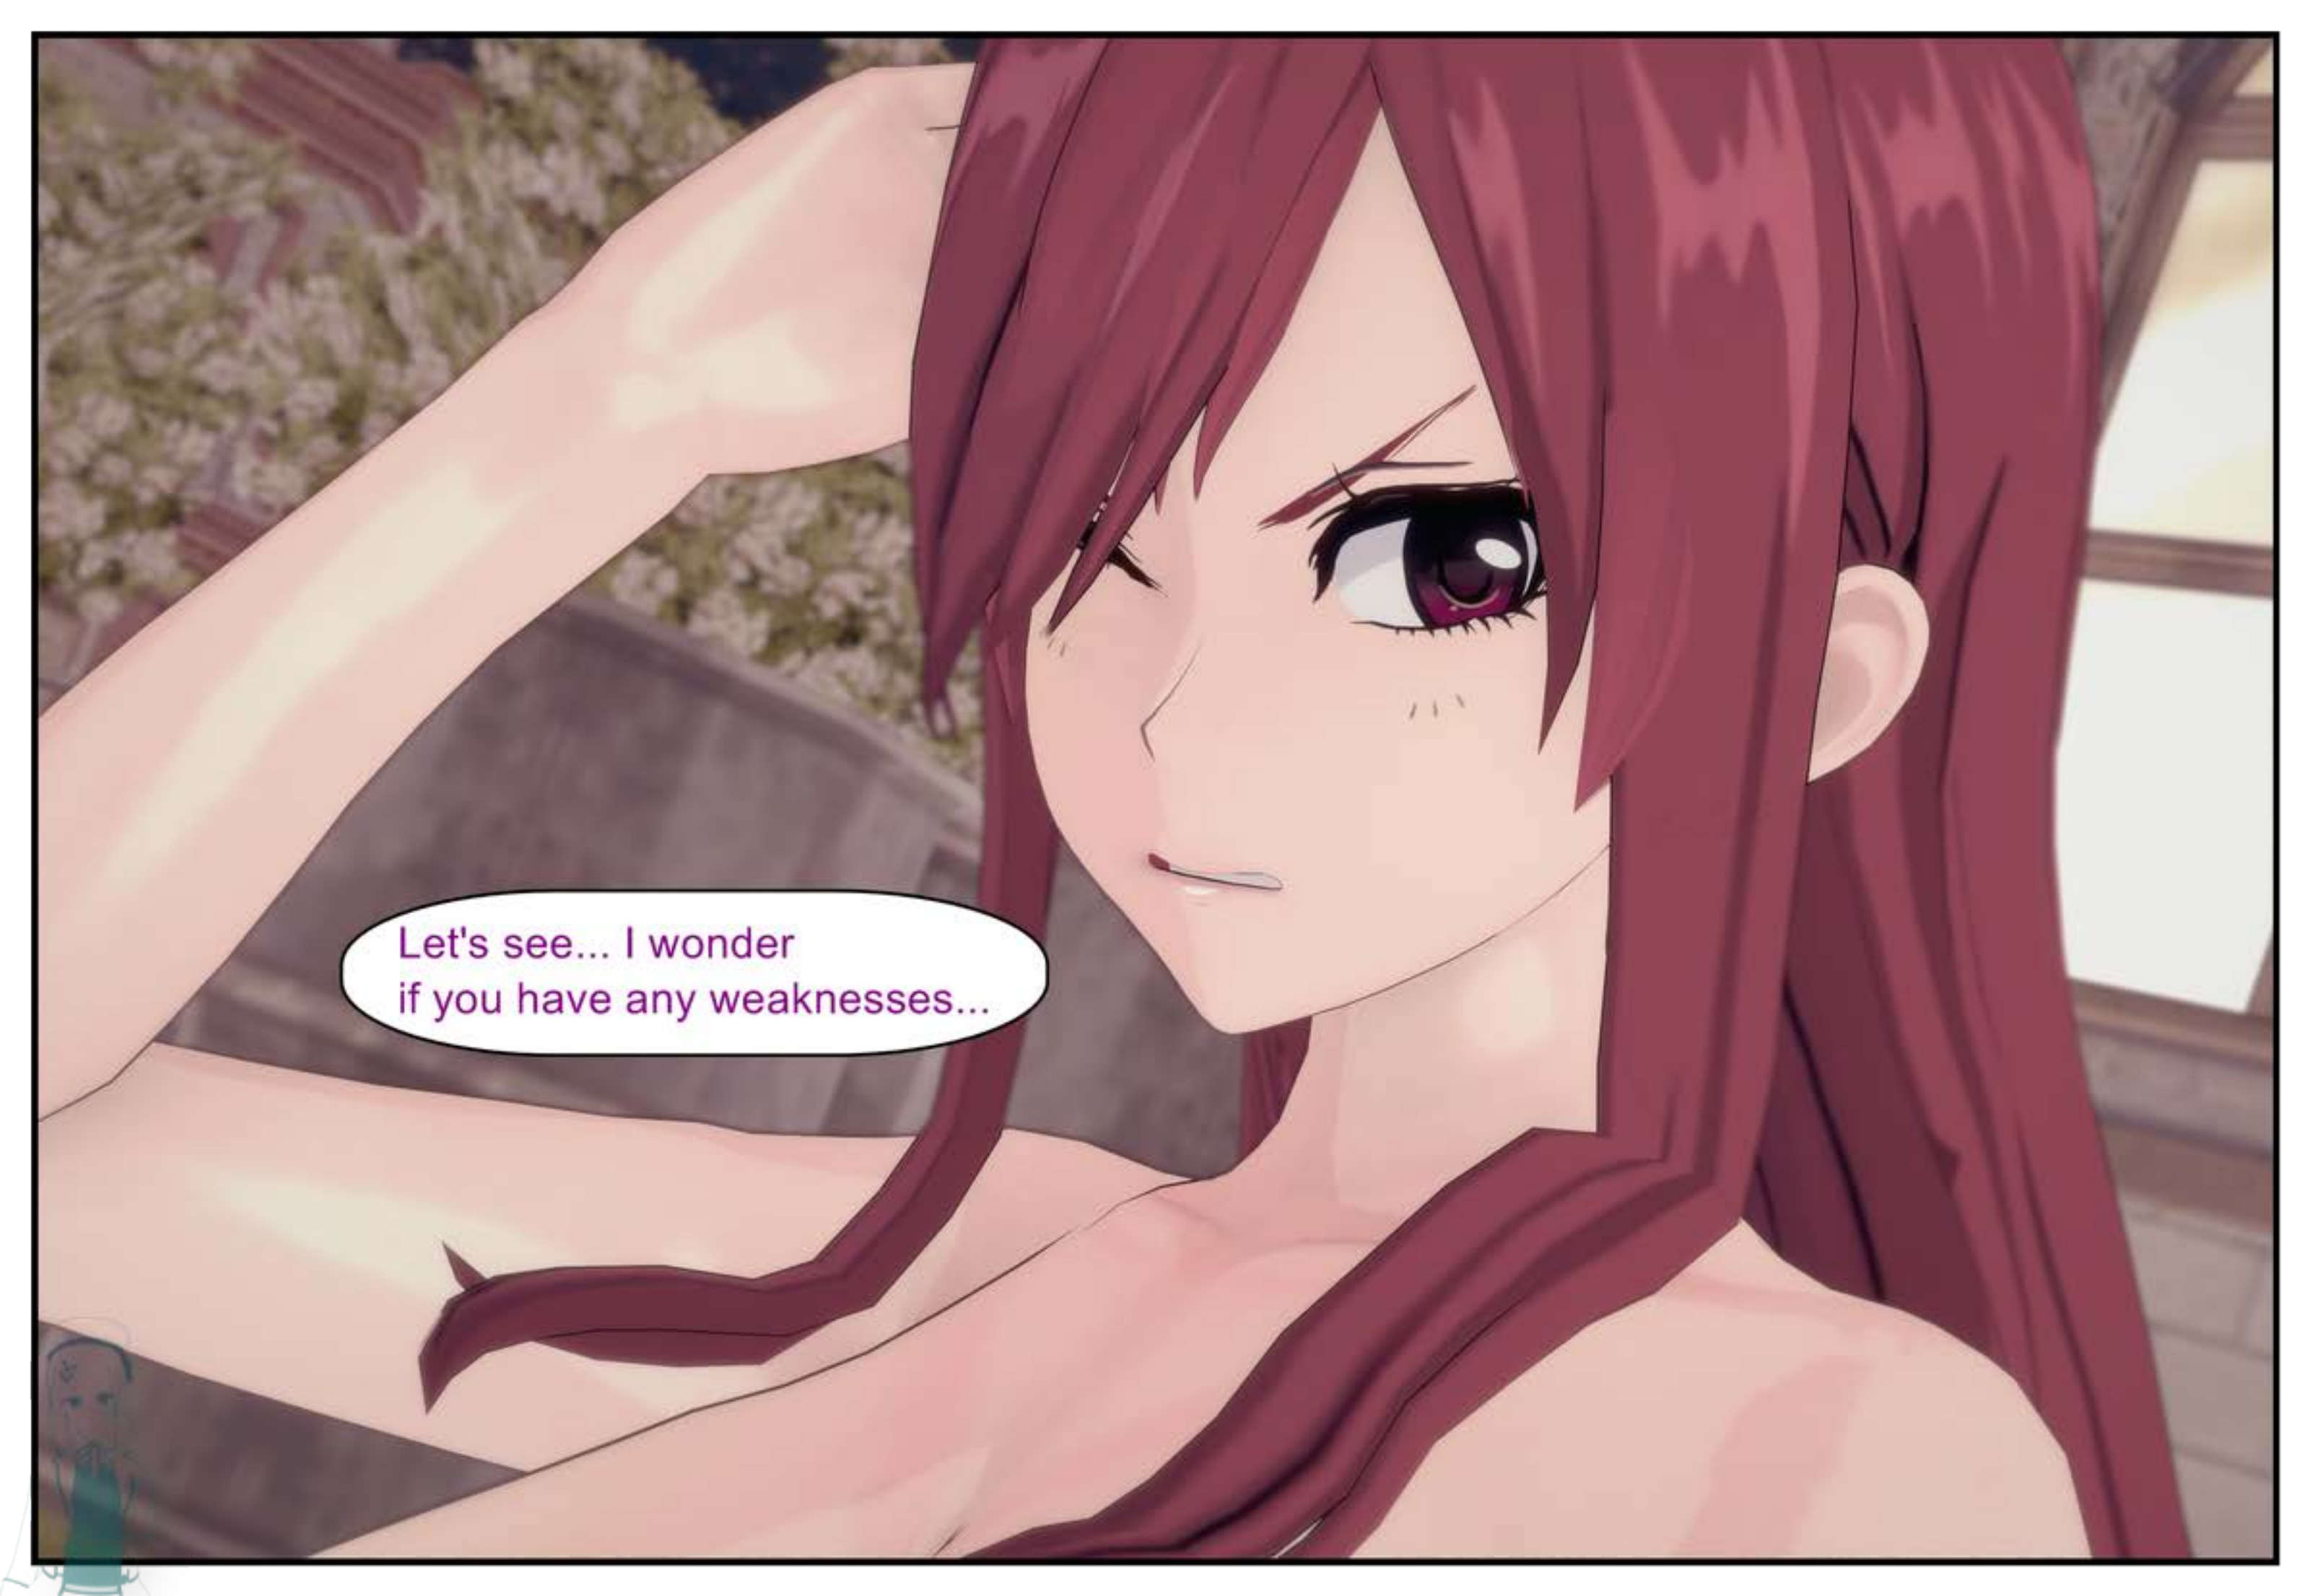

Such a persistence...

But I liked it... How  
you struggled to get  
your body back, Erza.

Let's see... I wonder  
if you have any weaknesses...

You asked the  
wrong target!!!

"I miss her!?"

"C-Can't be... Is her speed or... my strength is..."

Ah... What should I say?  
For insurance, I took all  
what you capable of away.

Even that I won't  
back down from you!  
Leave Lucy and  
Wendy alone!!!

M-My body...  
I can't move...

Oh my Erza... You are nothing but my puppet right now.

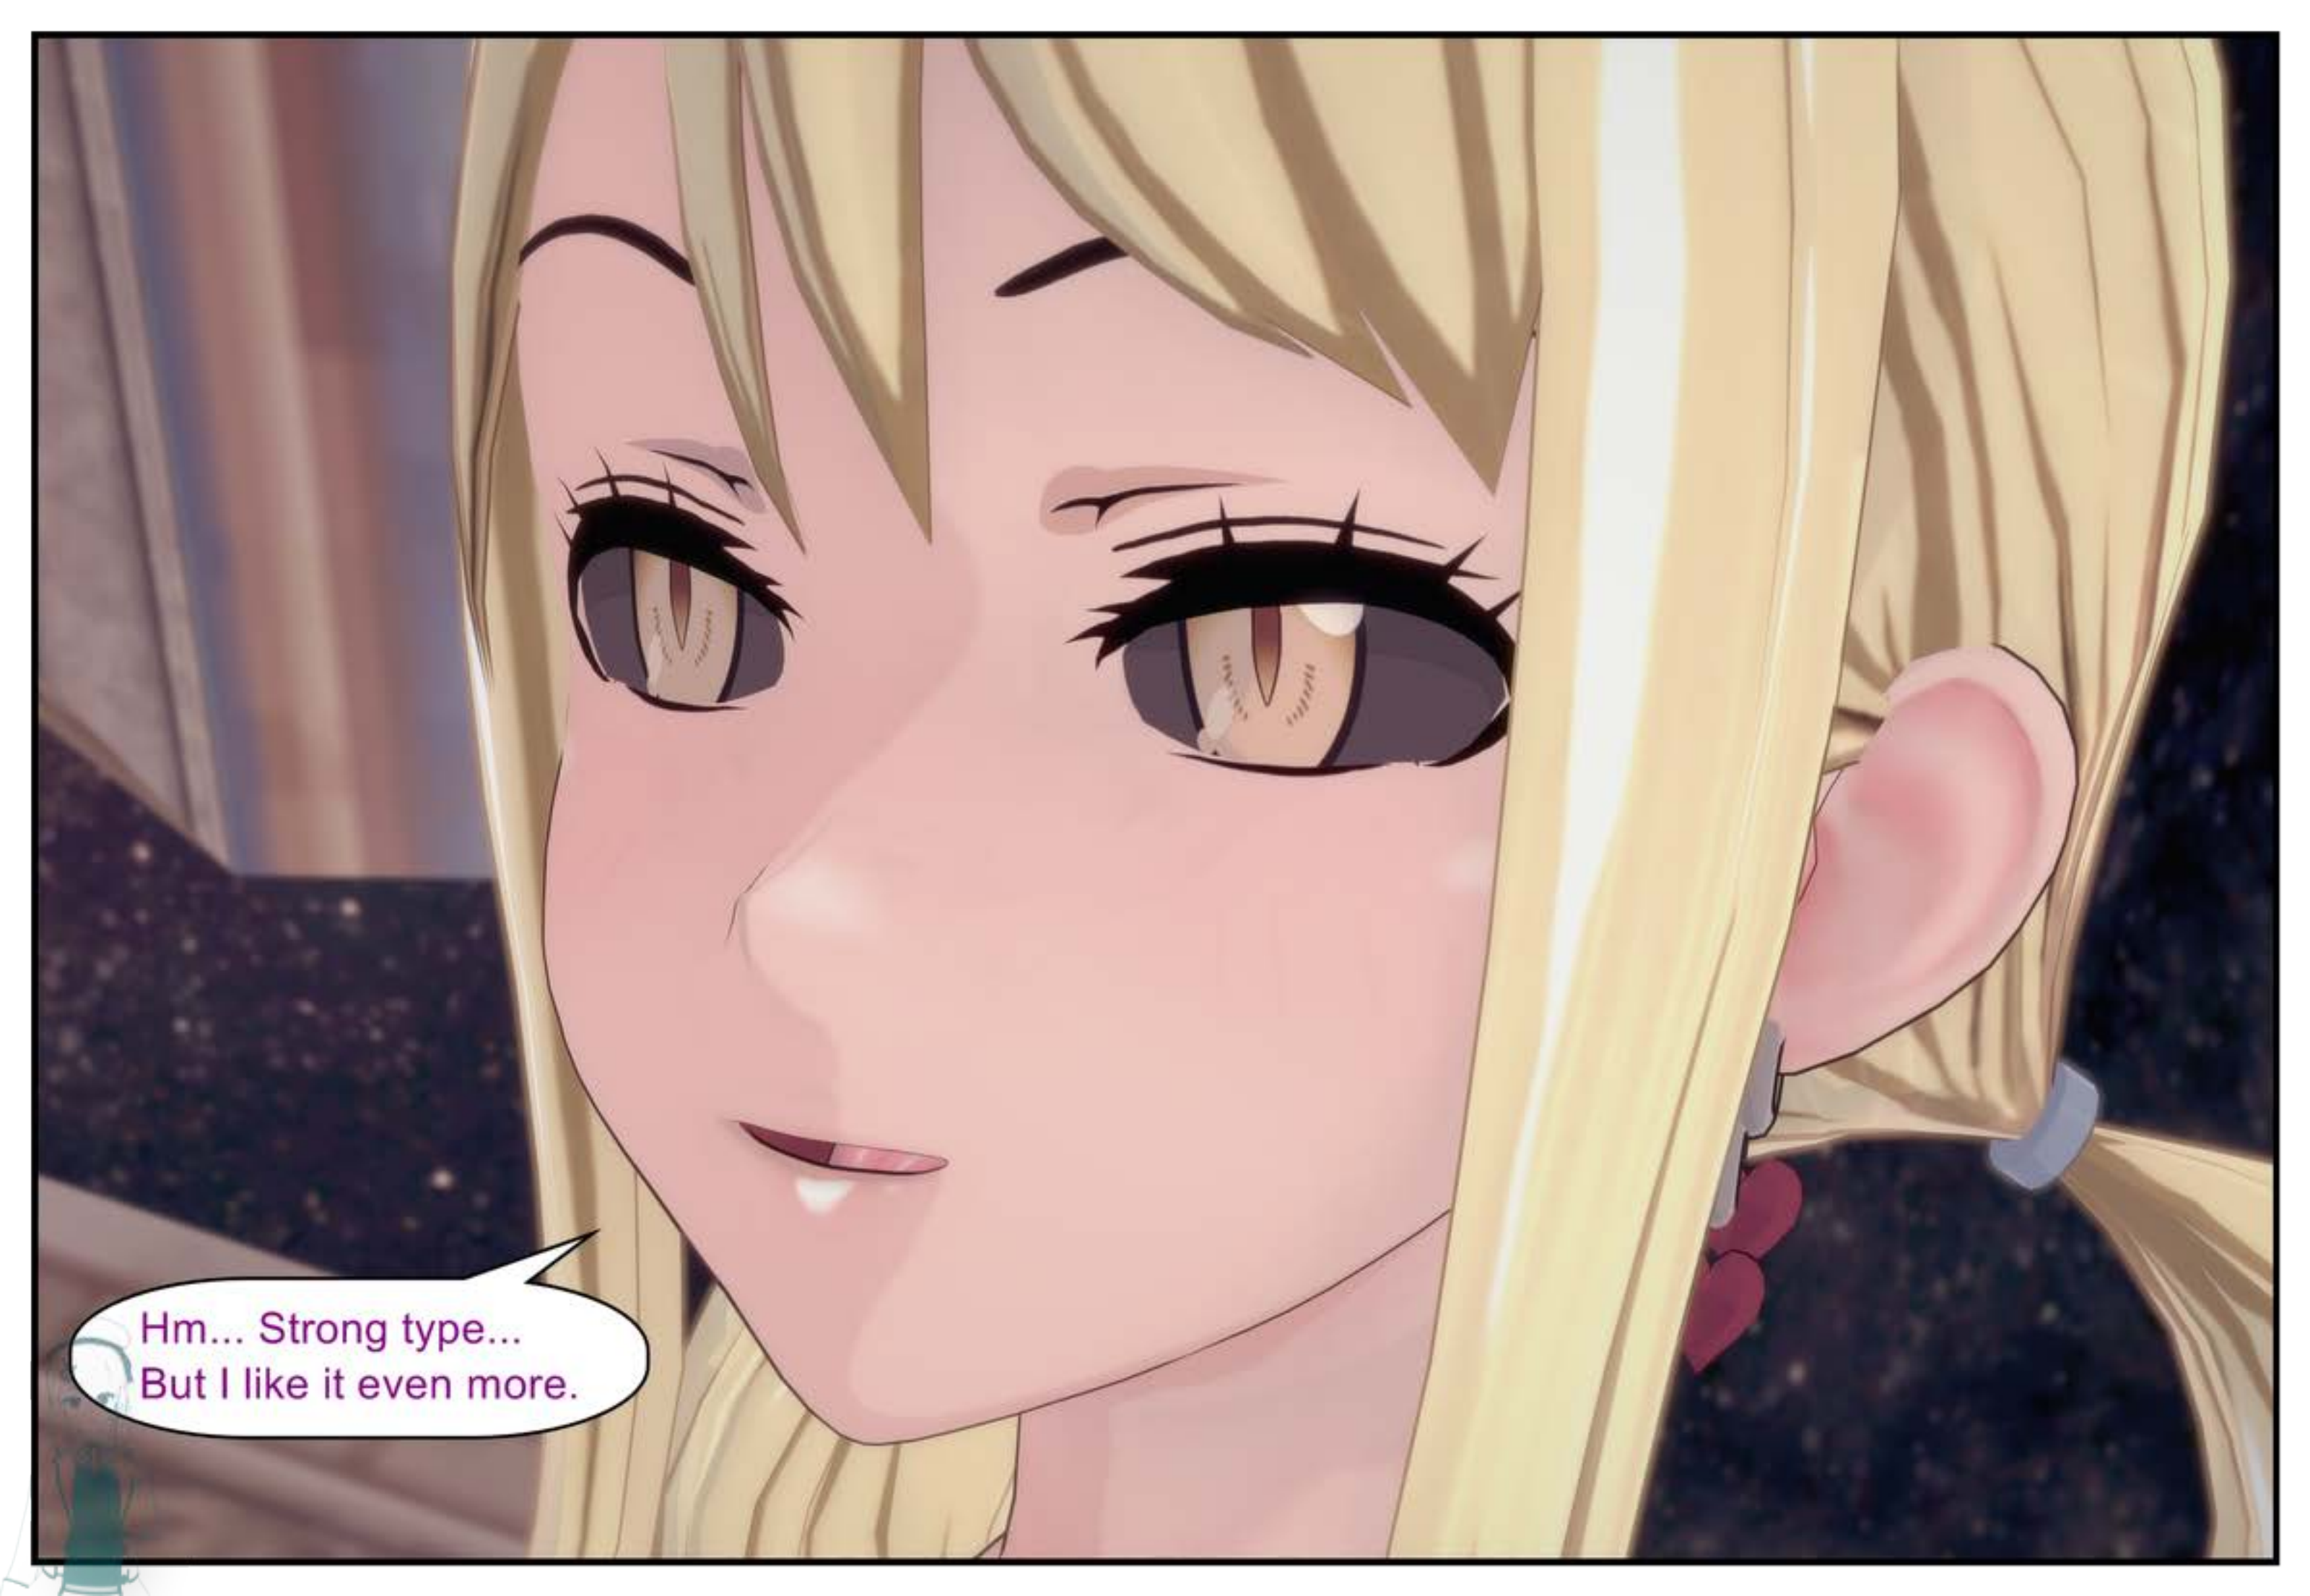

I can play with you  
everytime... until you  
break completely.

You can do that in Hell, Demon...

A close-up anime-style illustration of a young woman with long, straight blonde hair. She has large, expressive blue eyes with long, dark eyelashes and a slight, confident smile. Her hair is styled in a way that frames her face, with some strands falling over her forehead. The background is dark with some faint, out-of-focus lights, suggesting an indoor setting at night. A speech bubble is positioned in the lower-left corner of the frame.

Hm... Strong type...  
But I like it even more.

U-Um...!!??

"Let us go somewhere...  
More private... Erza."

"She... stopped  
all of sudden?"

Uh... Guuhhh...

ん

I'm sorry... I was  
out of control...

A character with vibrant teal hair styled in a long braid, wearing a blue traditional-style outfit with yellow floral accents and ruffled sleeves. She is looking down with a somber expression in a courtyard setting with stone buildings and a window in the background.

This was... from the  
Demon that we sealed  
in that coffin...

If there was a threat, why didn't anyone notice about that?

She shouldn't be acknowledged by anyone...

People who involved with her were killed, or died trying to seal her away...

Worst, some got cursed to become blood thirsty... hunted each other... Just like what I did to you...

I'm truly apologise for trying to attack and wasting your time.

Hah... After everything,  
I think I could believe  
what I saw.

That explain the smell on them... Also, the Guild is empty currently.

But when Erza and everyone else back, you are going to come with us, got it?

Of course! With more help, we can easily to seal the Demon again!

Be careful and control...  
the curse in you.

I need to make some  
preparation. Will  
come again tomorrow.

"A strange threat happened to be under our roof... Nothing to proof... Can I trust this mage?"

Uh... Where... am I?

W-What is this!?

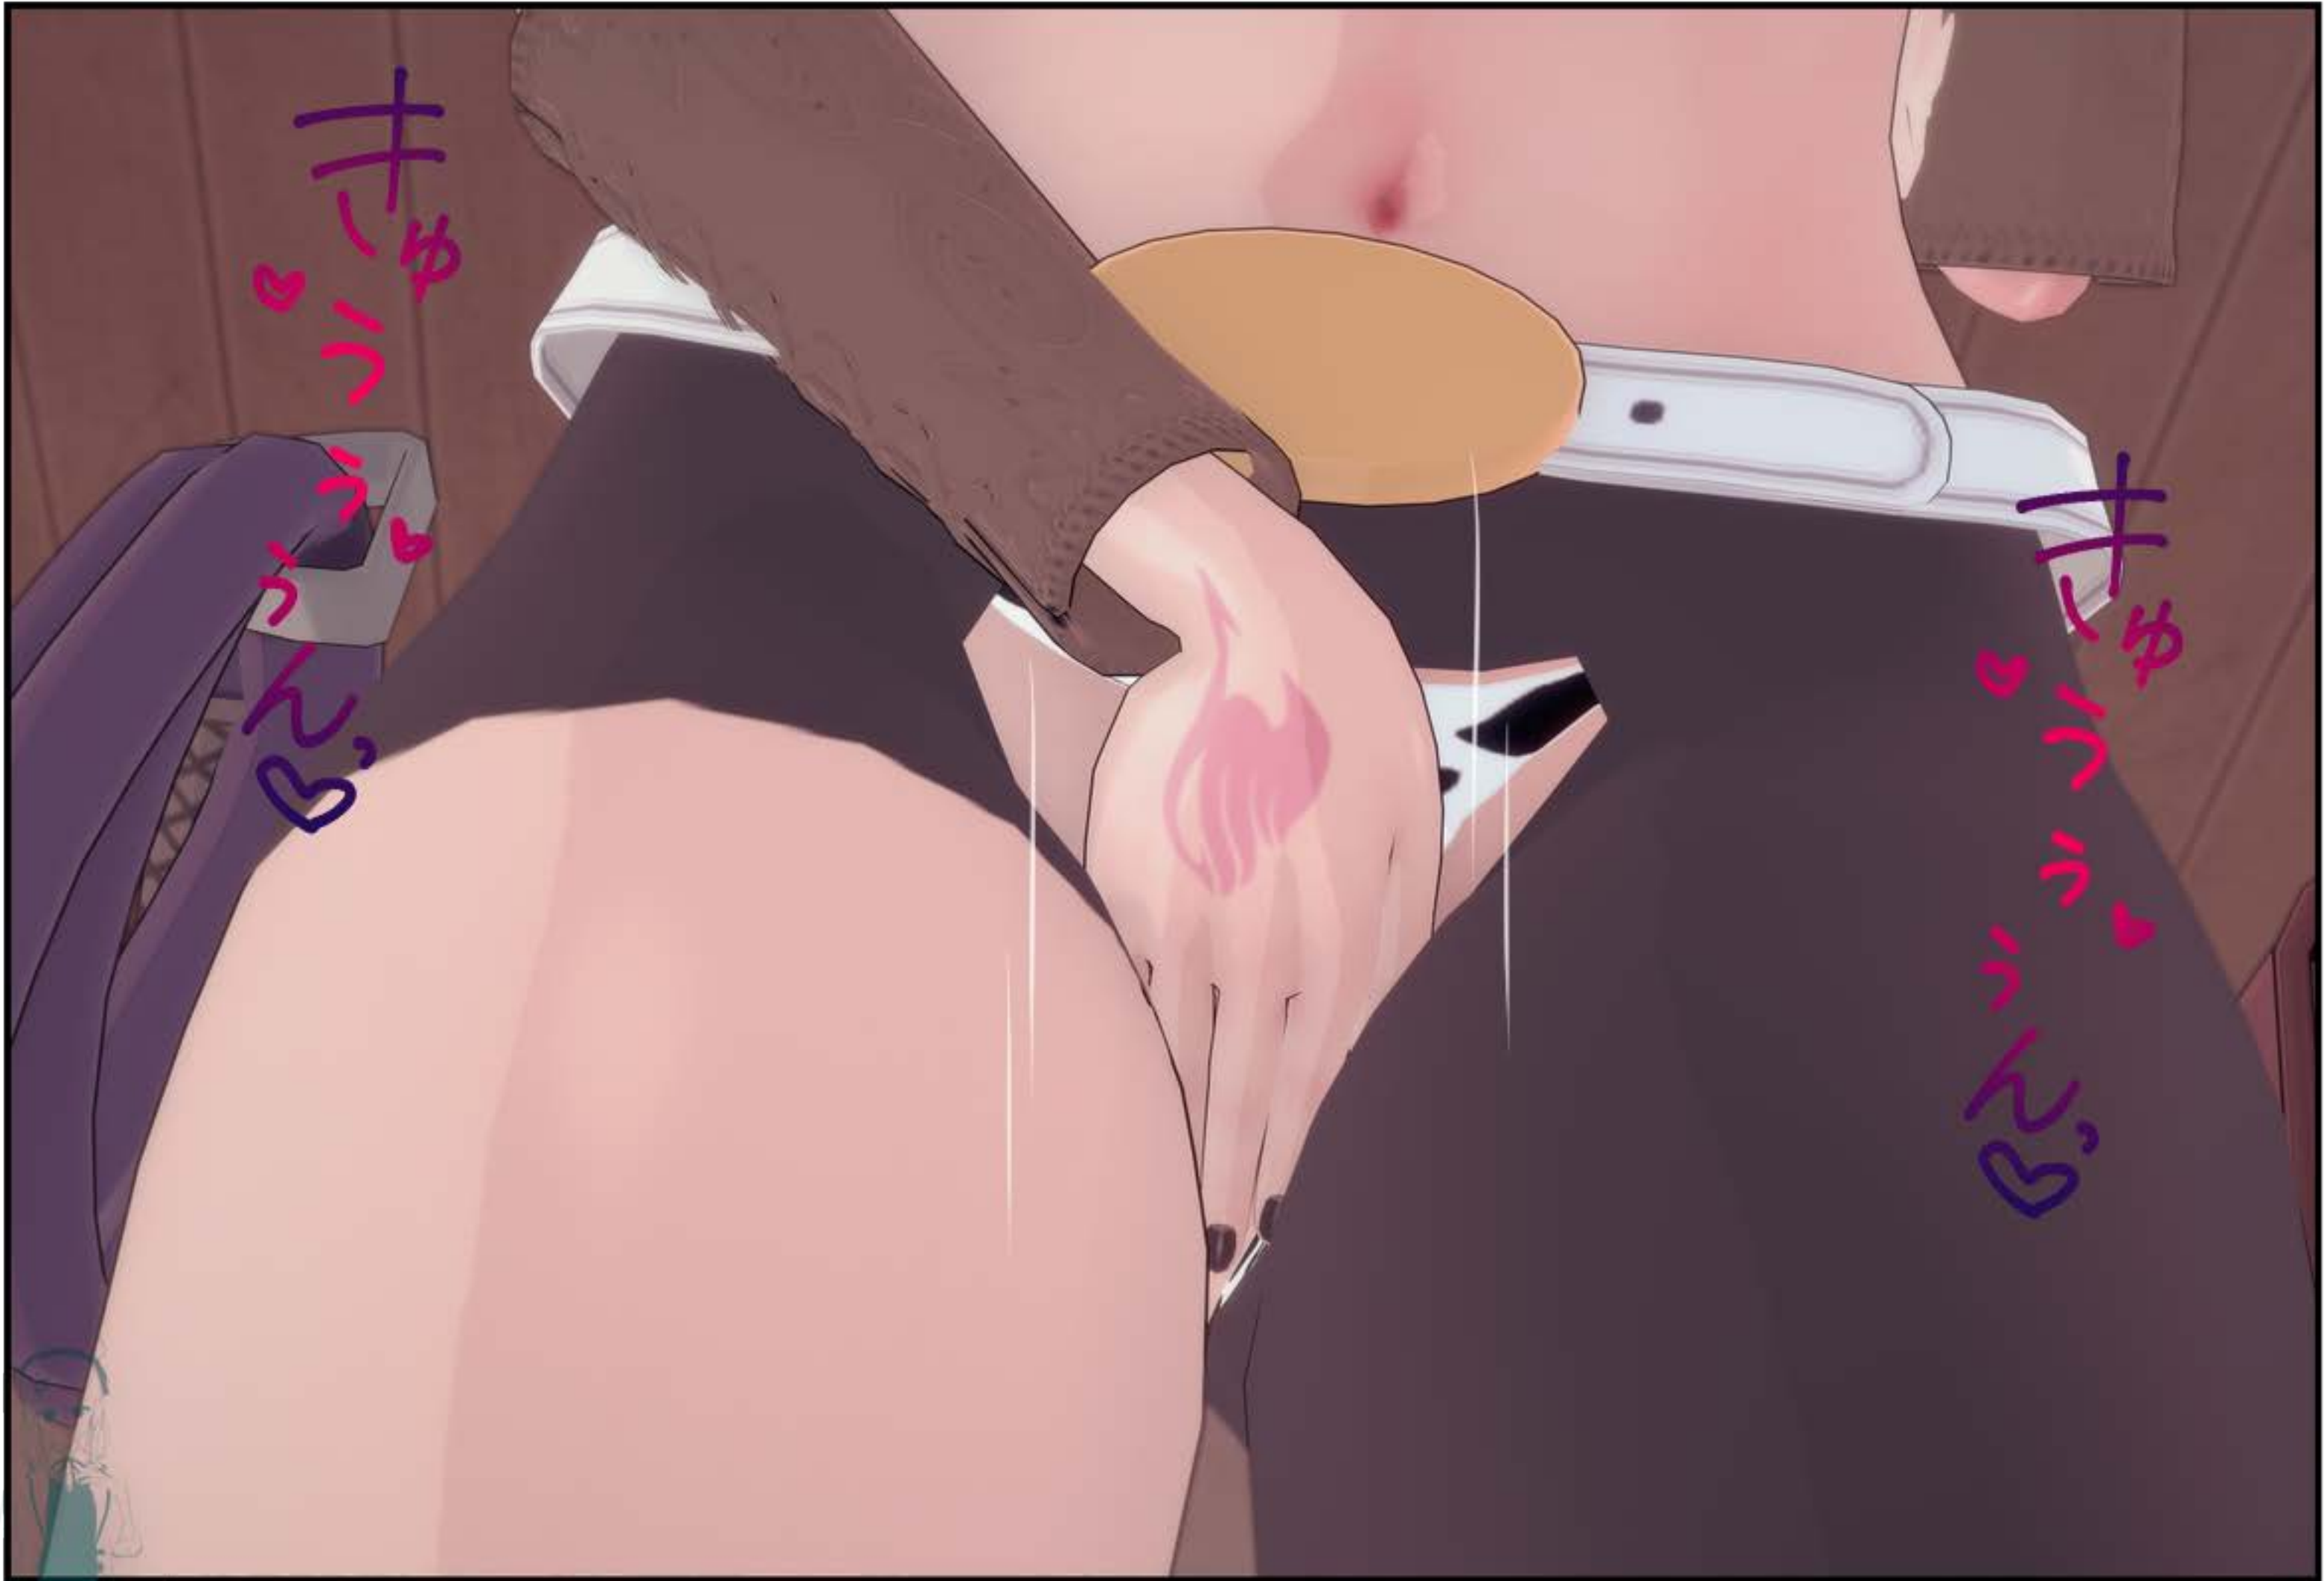

www

A rope to constraint  
puppet like you, Erza.

What's your game?  
Trying to make me go  
soft by doing that  
with Lucy!?

Why should I  
do that?

Since I was just enjoying  
my time before coming to you.

I found that Lucy has a lot of clothes too...

Let her go right now...

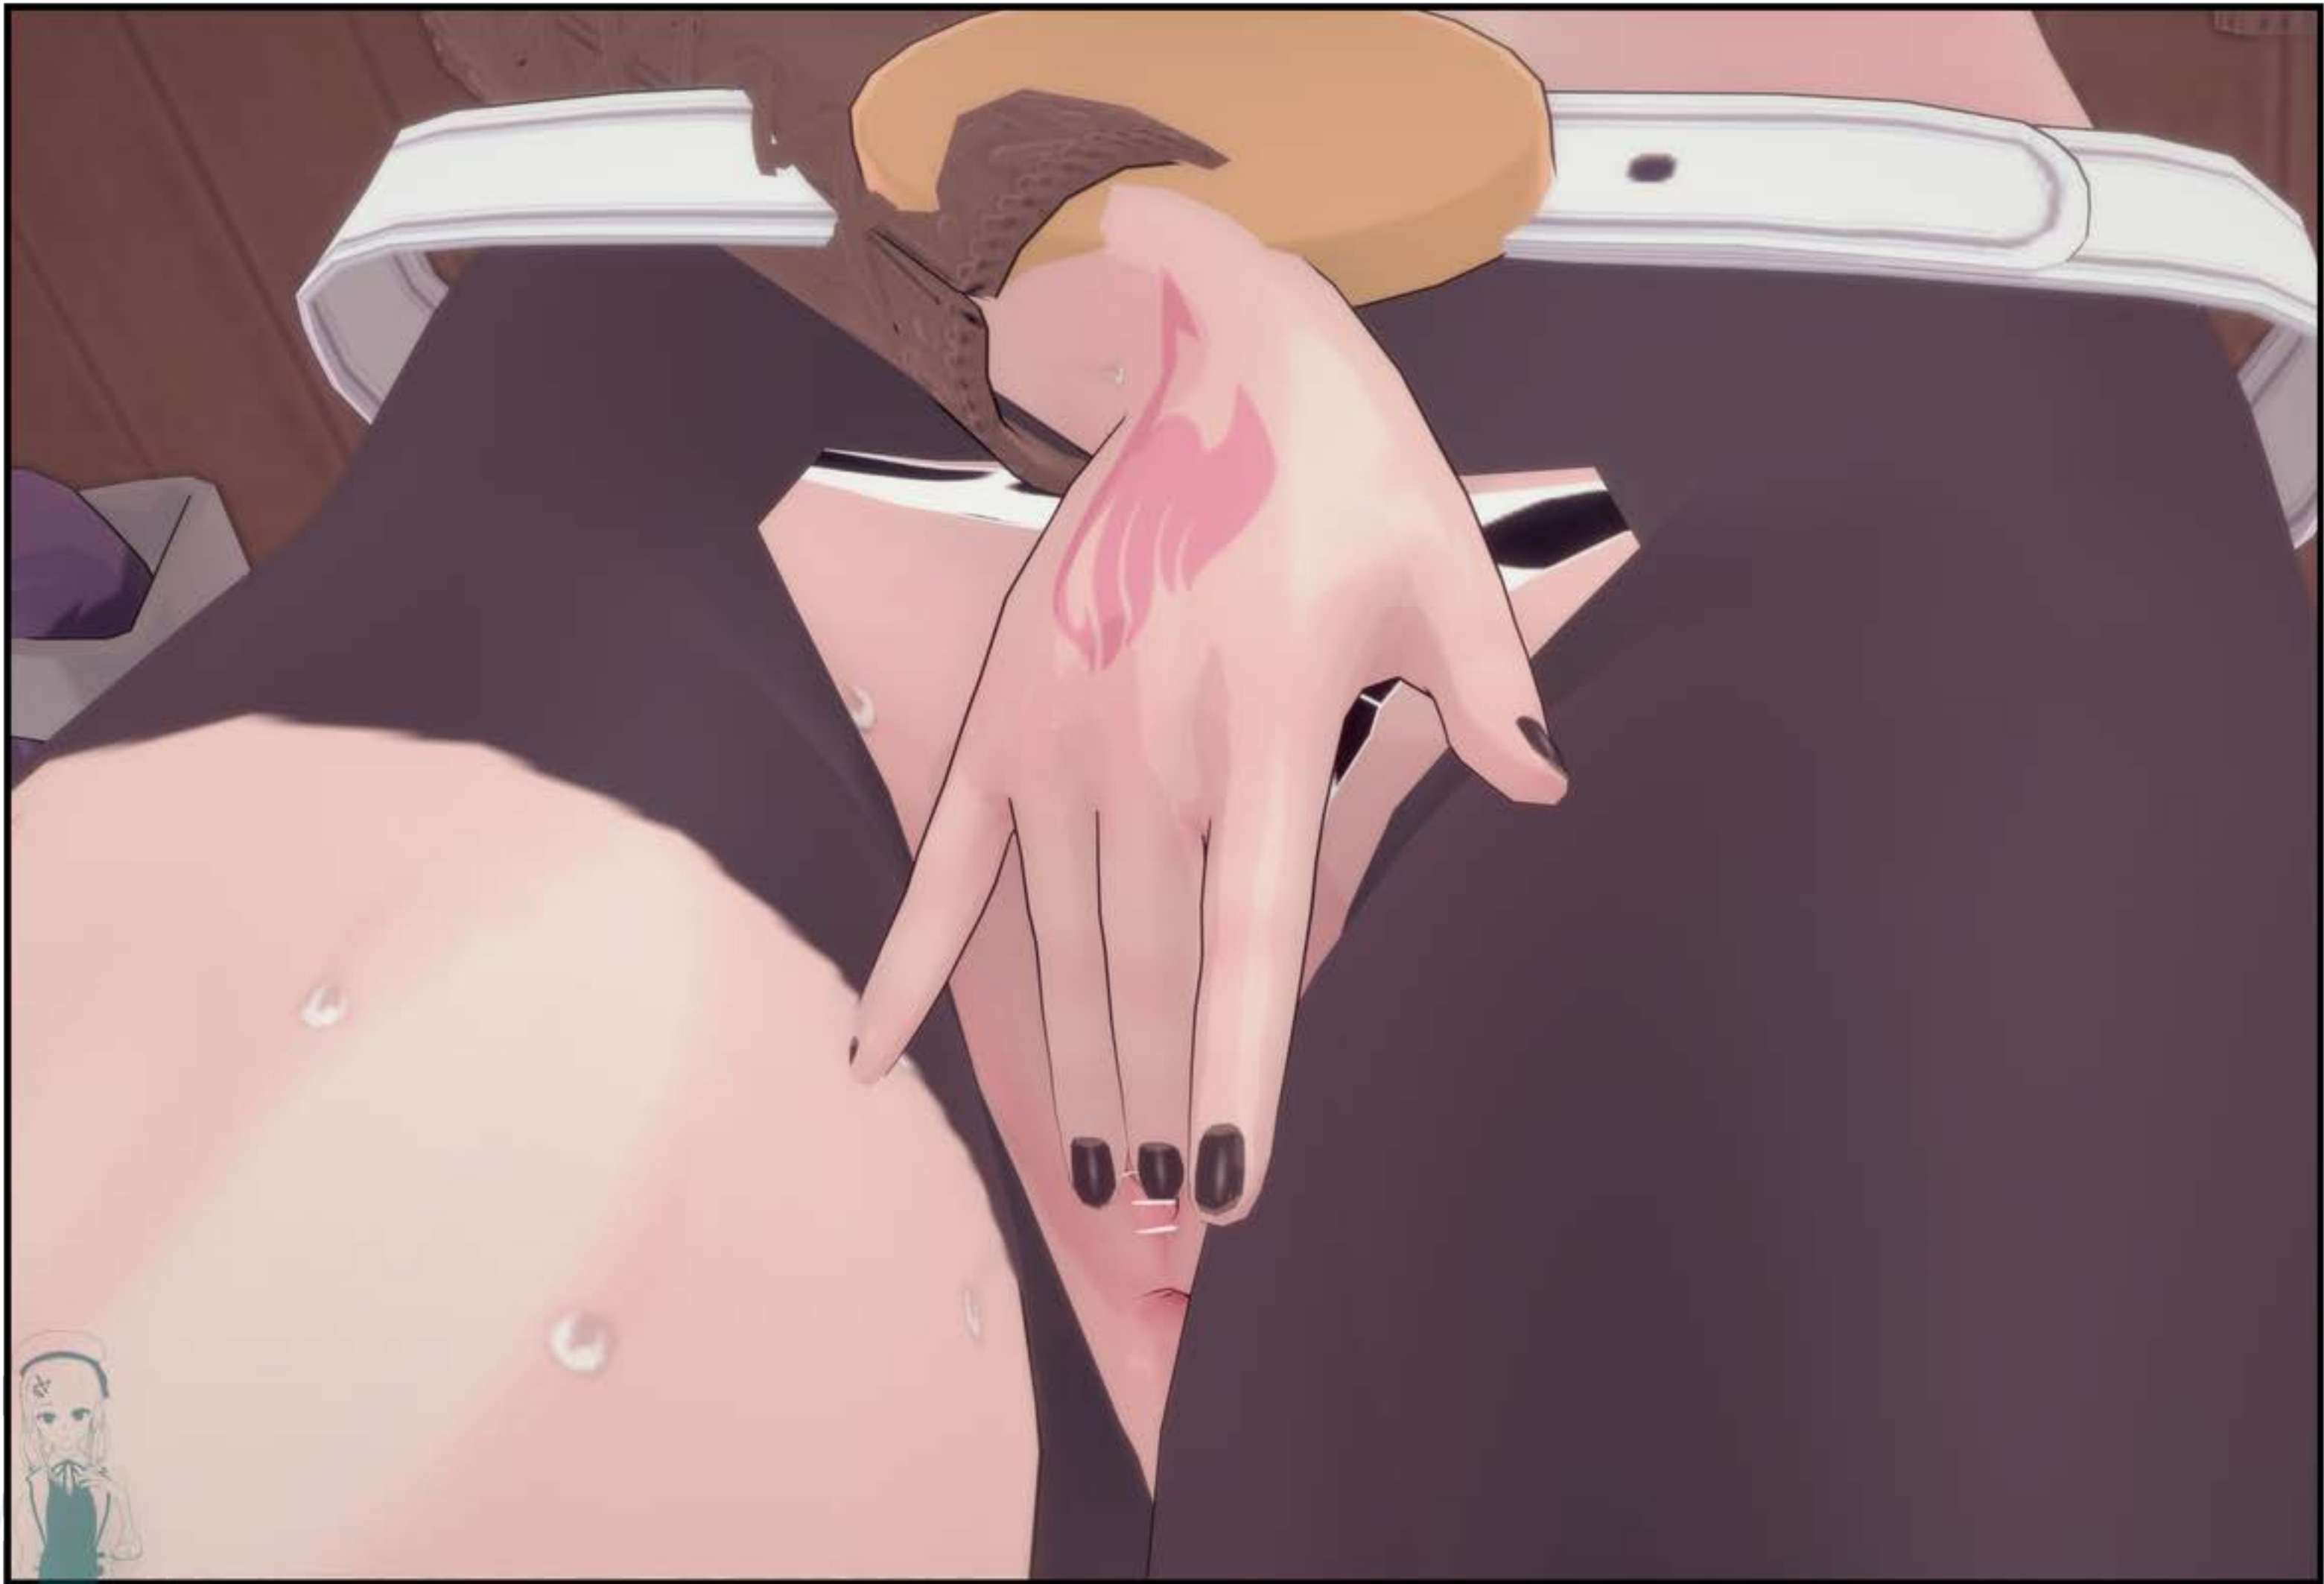

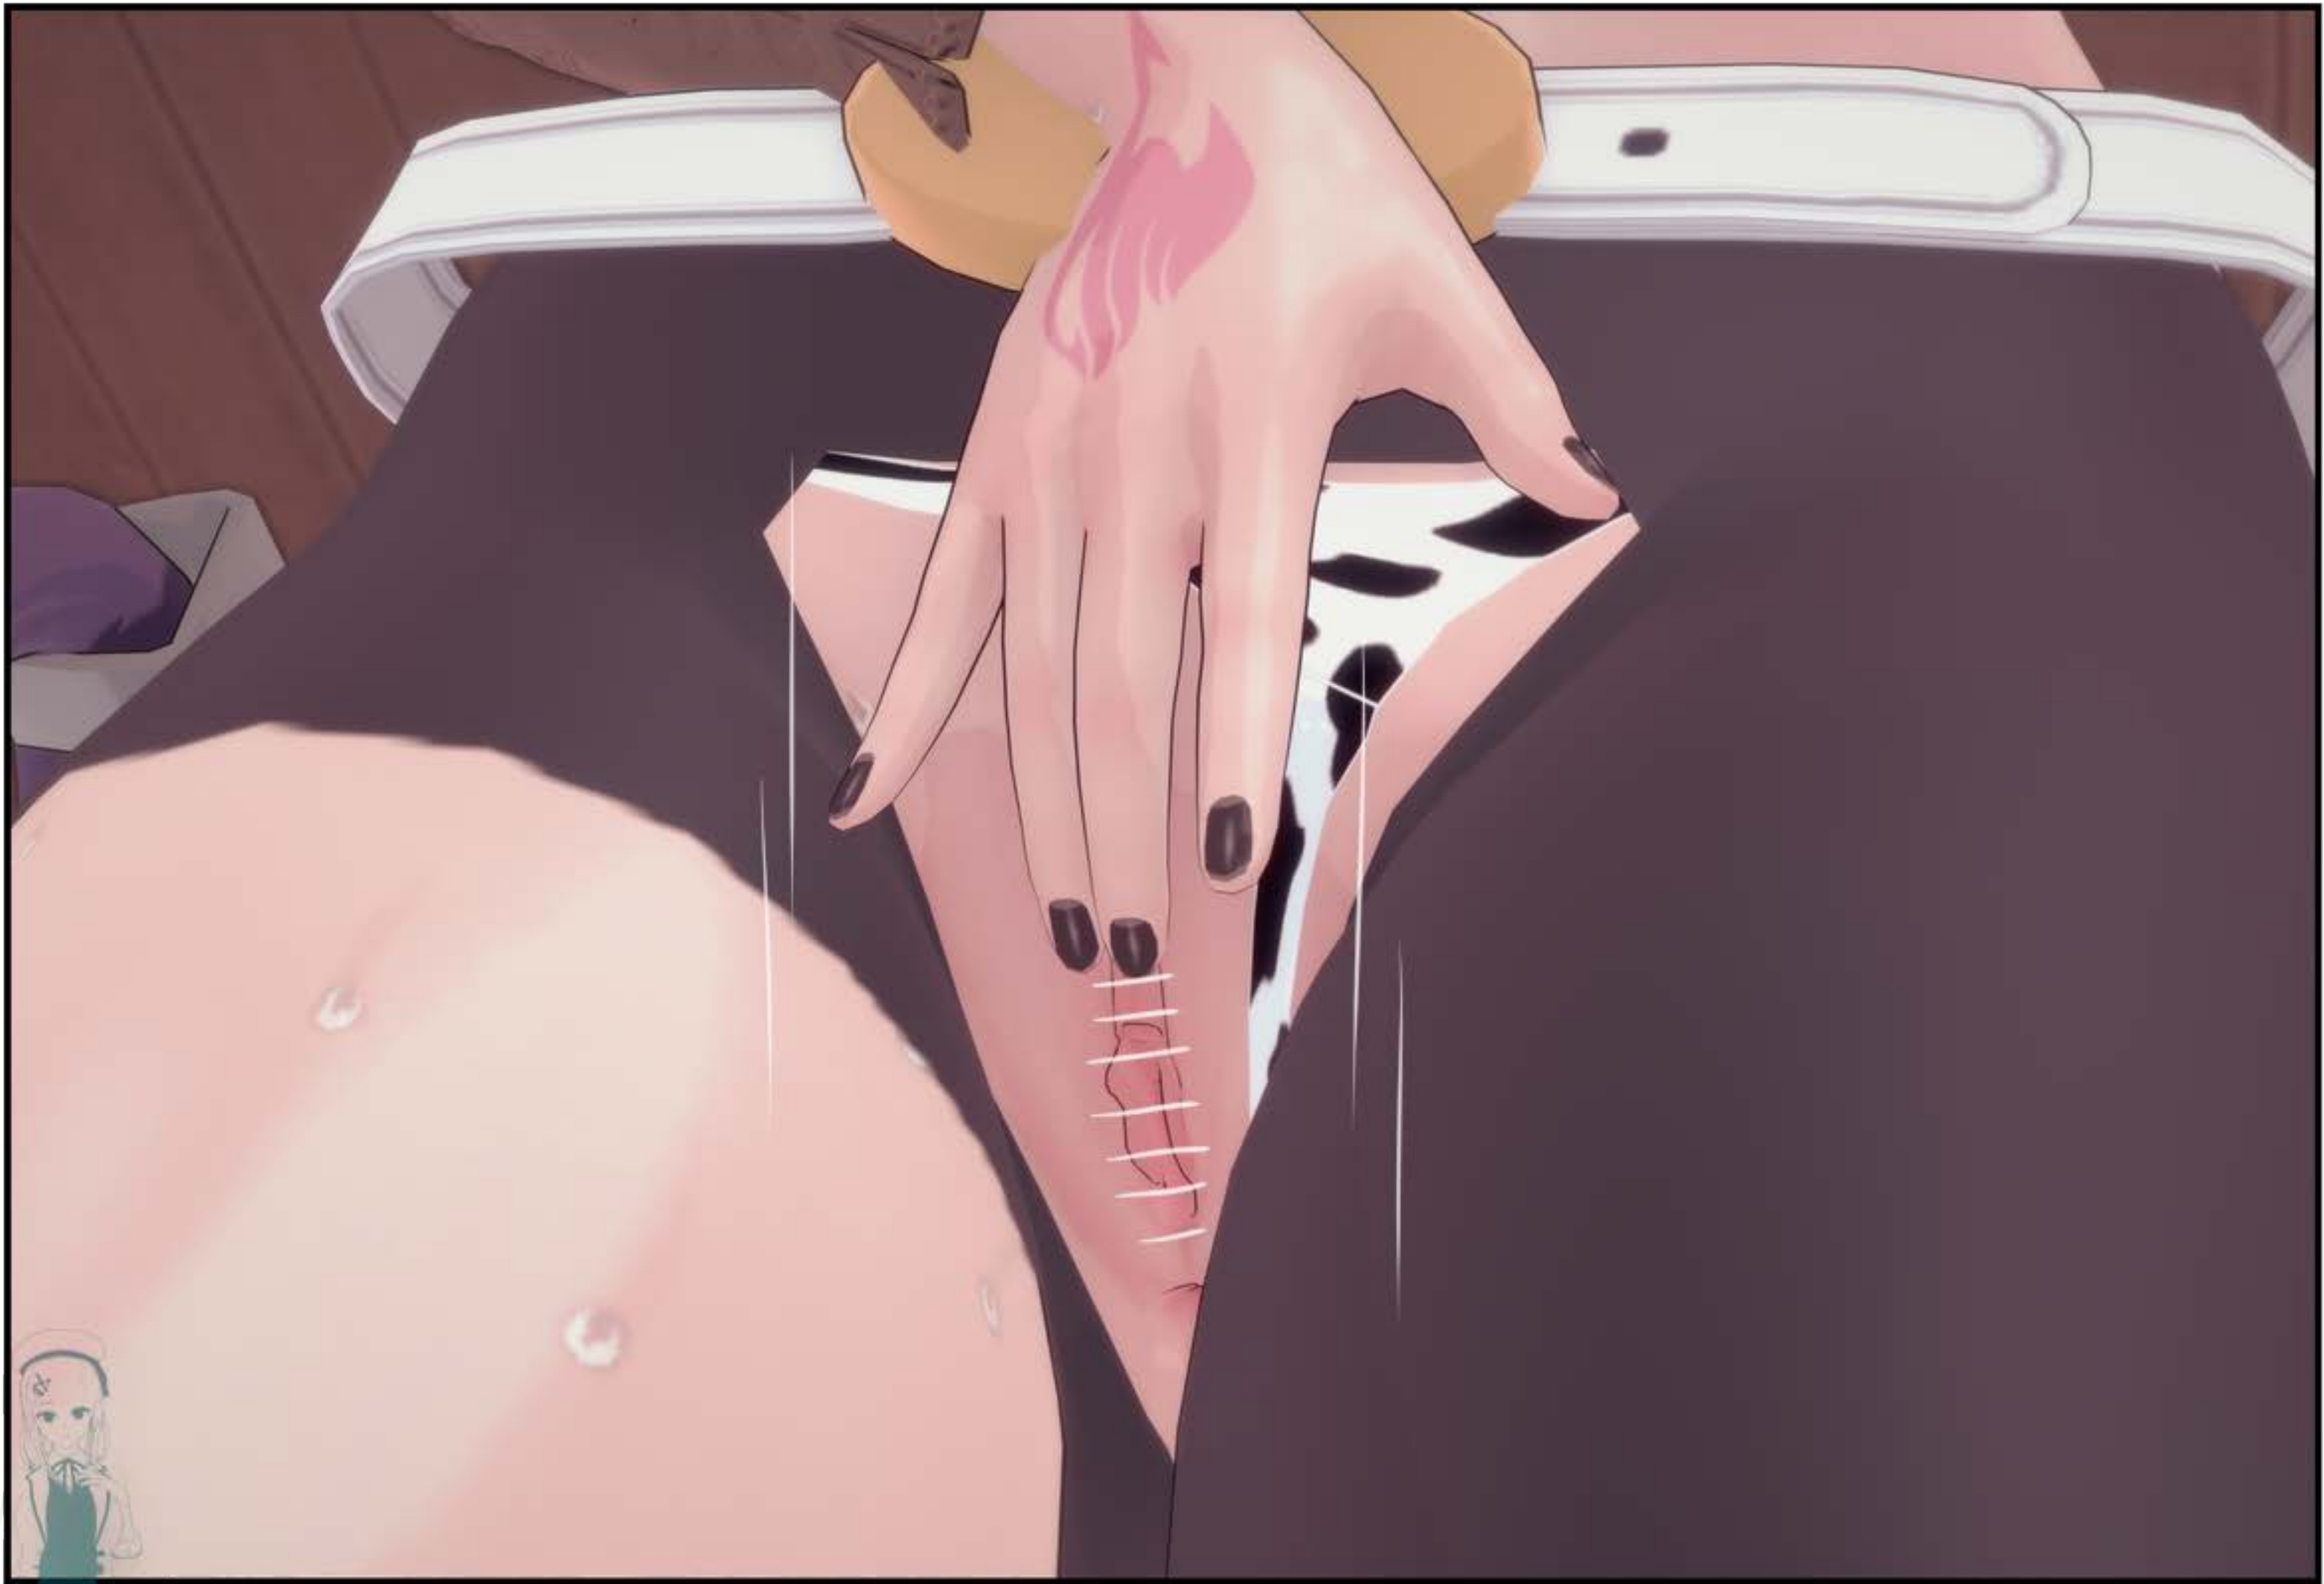

Bust Bust

What are you going to do about it? While you are being tied.

These puppets are mine, and I can do whatever I wanted.

Y-Yes... I'm going...  
to cum now!!!

Ah... Lucy is so nature at this...

A close-up illustration of a blonde anime-style girl with her hair in two buns. She has a black choker with a gold bell and is holding a large, pink, ribbed vibrator. She has a slight smile and is looking towards the viewer. Her skin is glistening with sweat. A speech bubble on the left contains the text "There's still more...".

There's still more...

Time to you, Erza...

Now, I will force  
my way inside your mind.

Making you no longer  
to resist me...

As my love for  
your body... Erza.

Here I come...

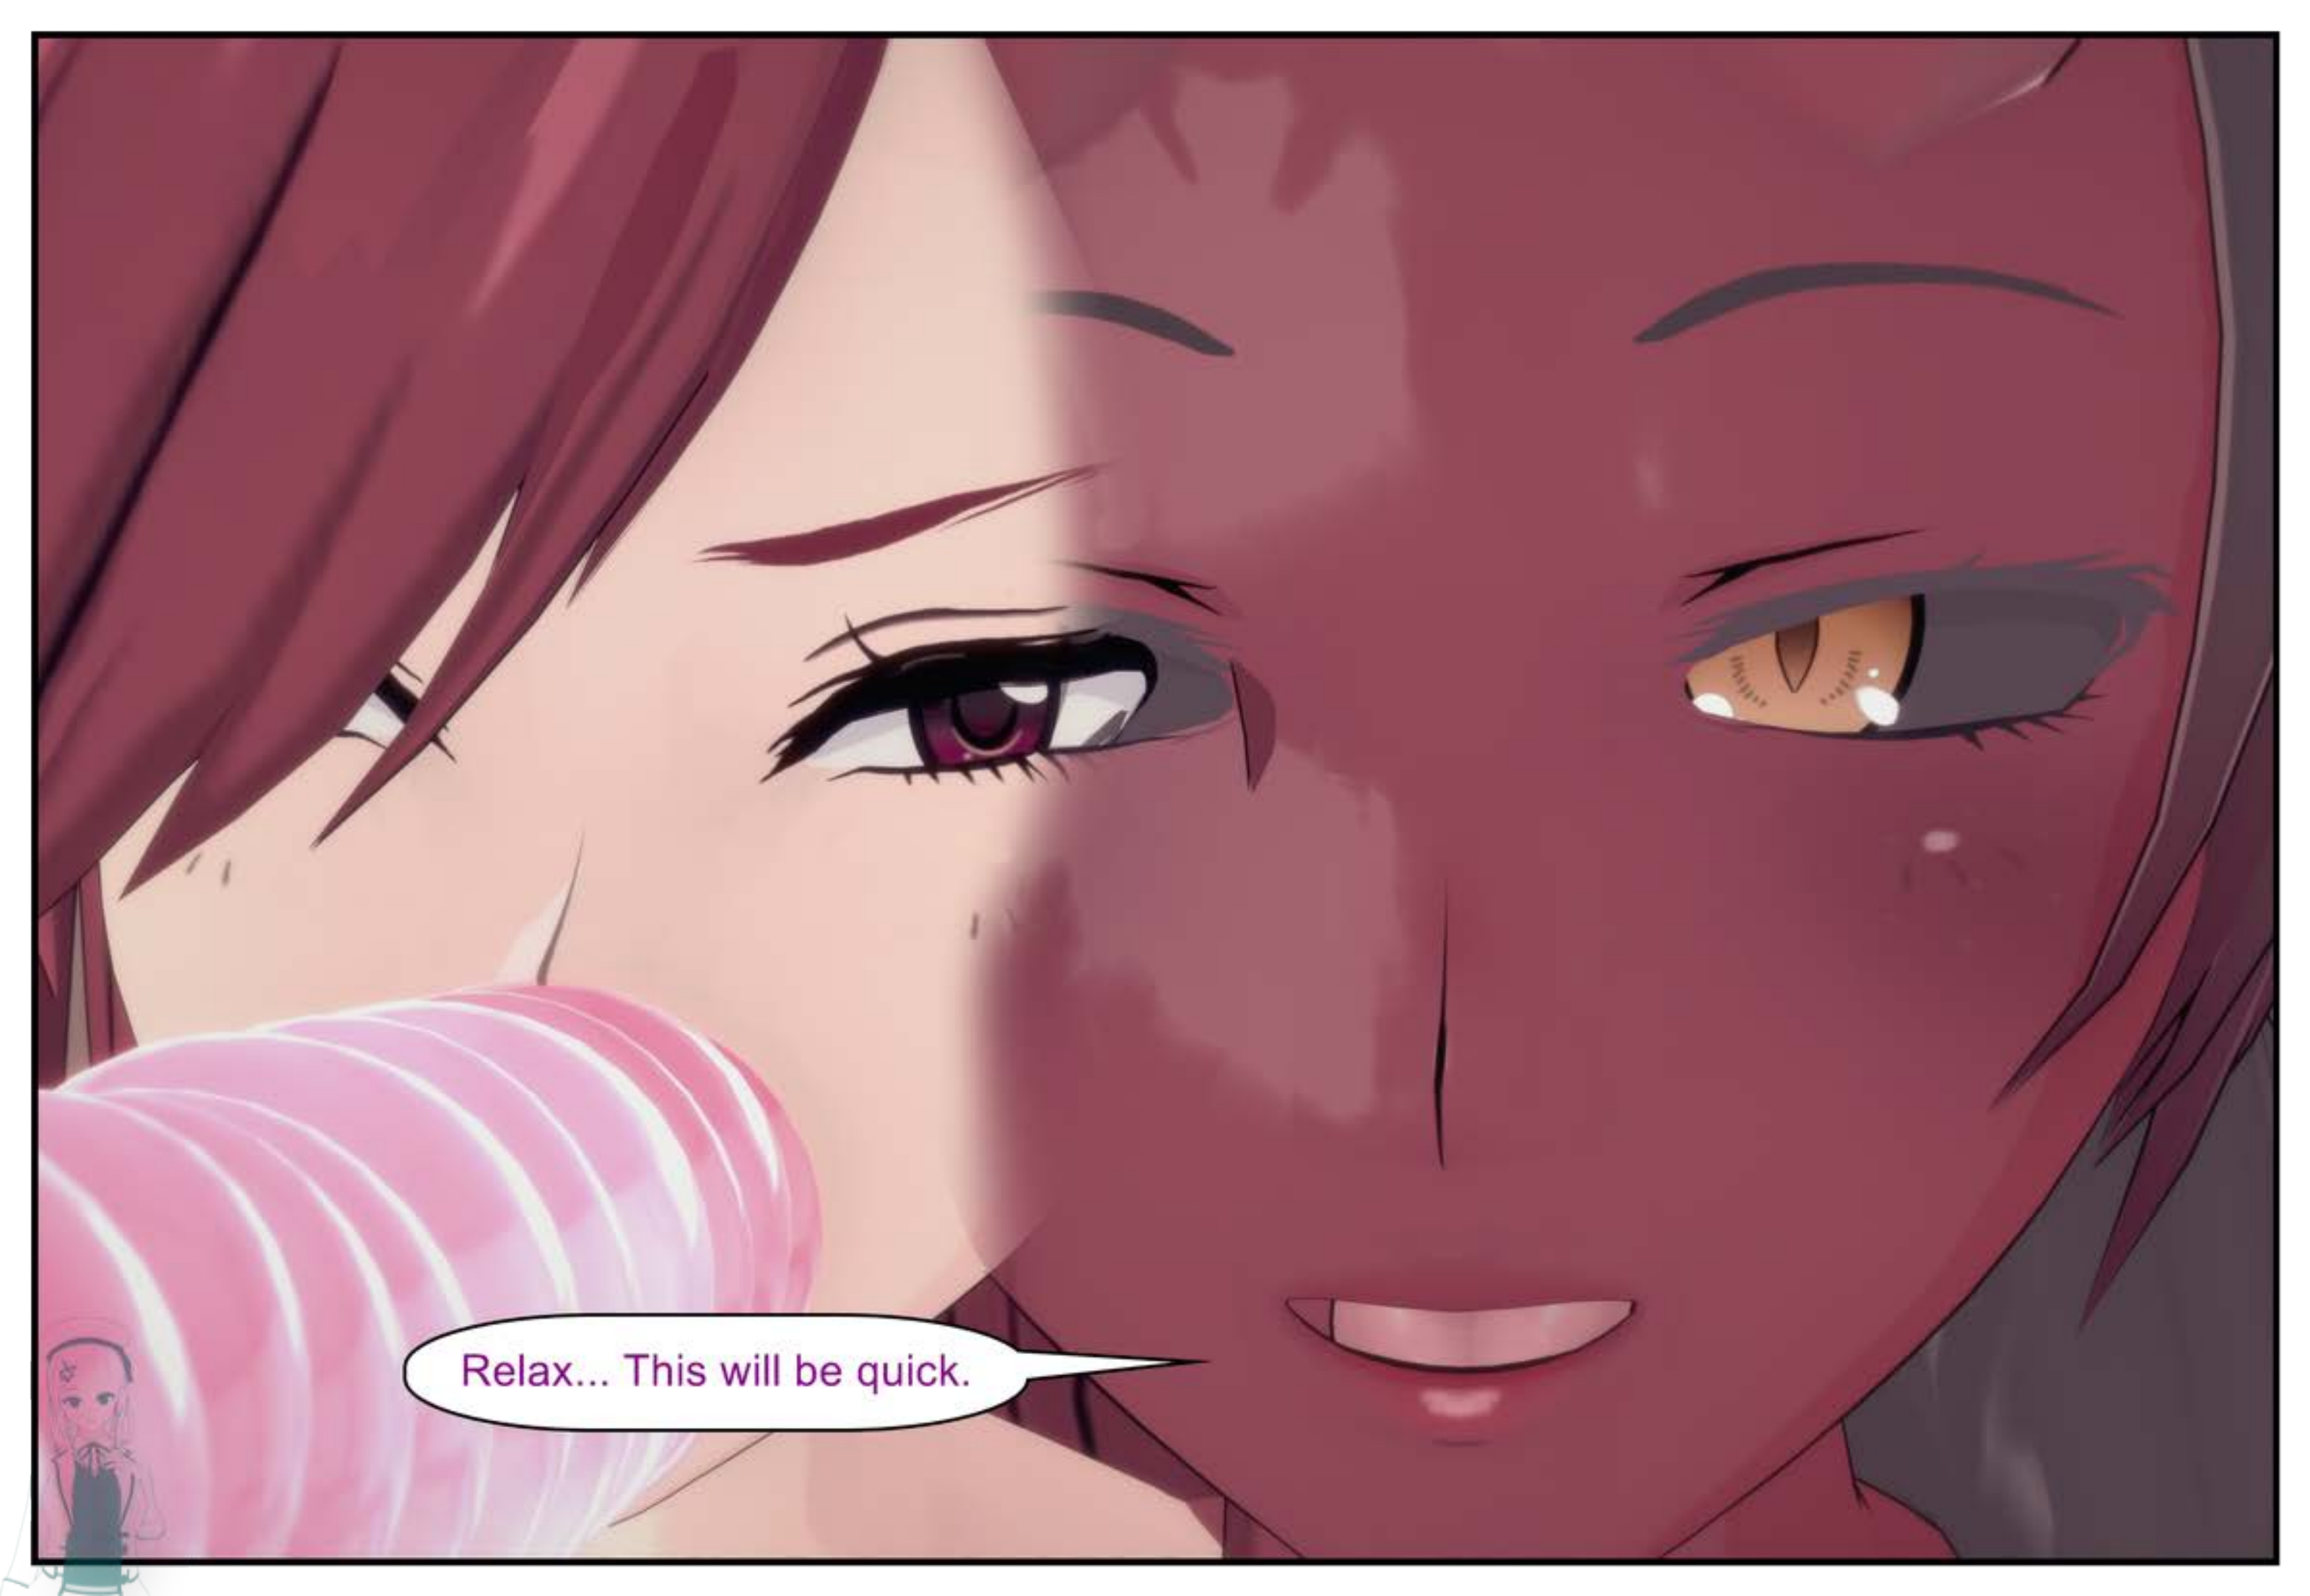

A small signature of the artist, a character with a star on their forehead, is located in the bottom left corner.

Uh... Uuummm!!!  
Ummmm!!!

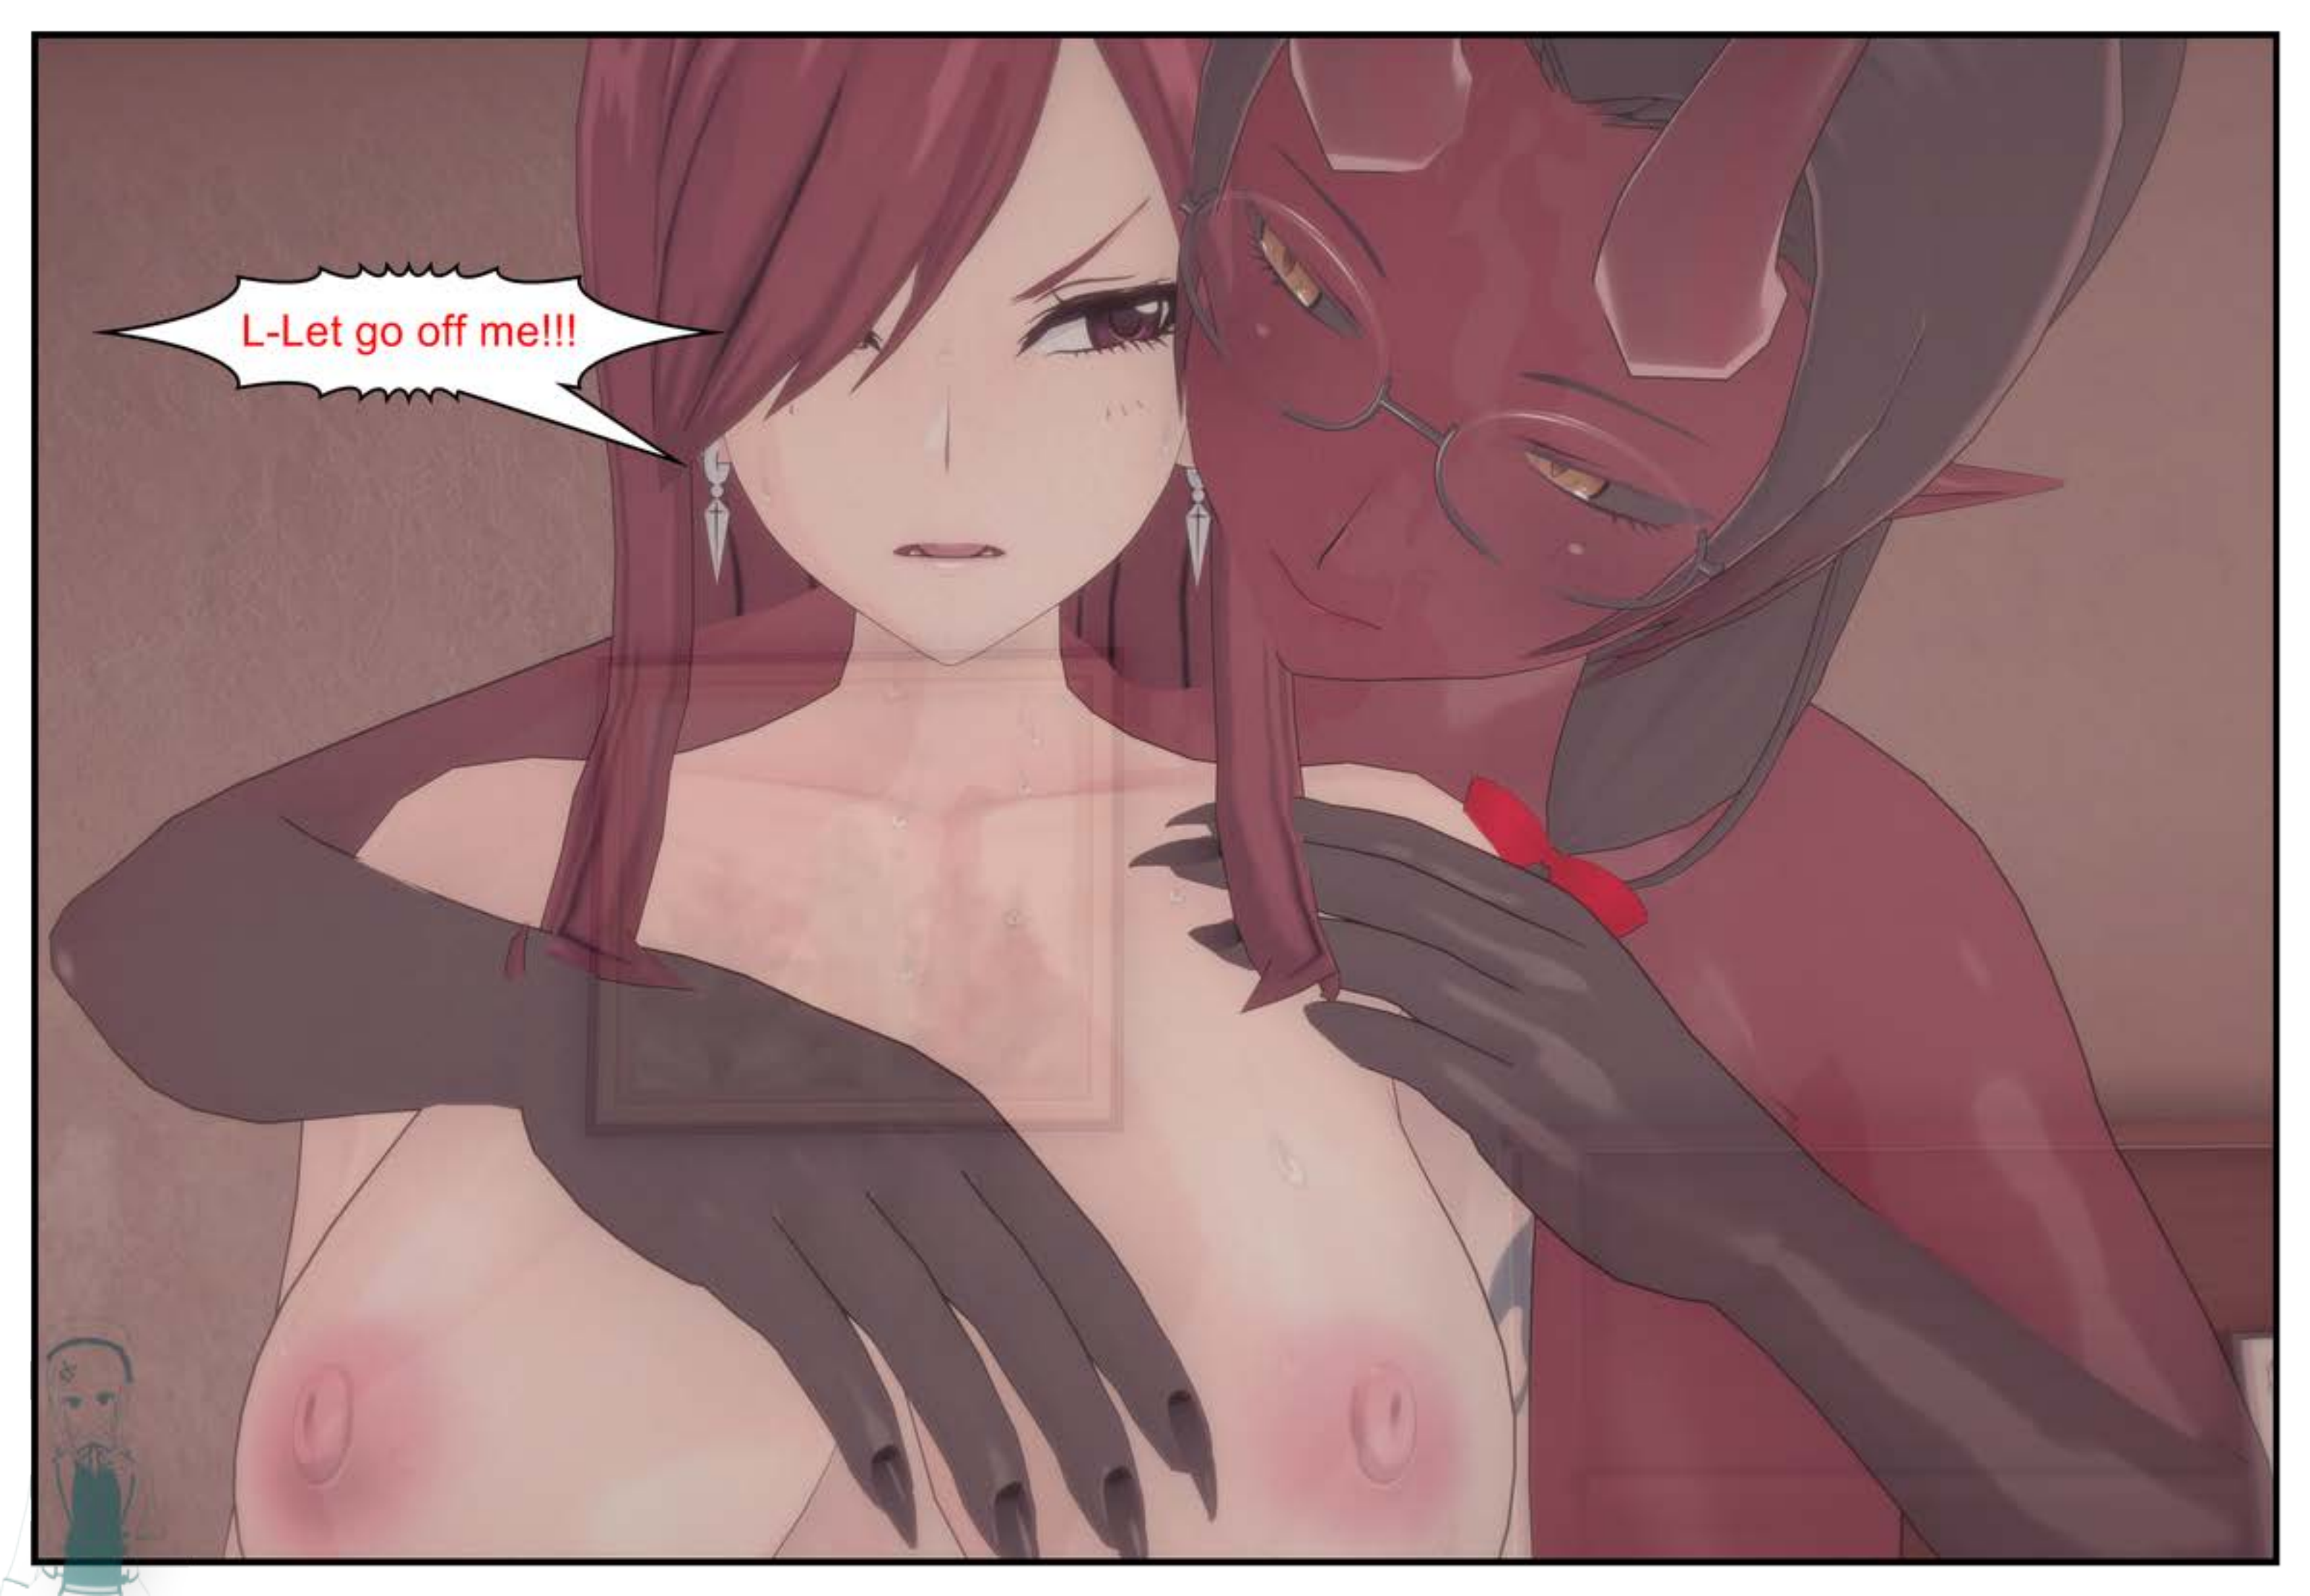

Relax... This will be quick.

L-Let go off me!!!

Like your friend, Lucy...  
Everything of her is mine...

SO ARE YOU!!!!

Gaaaaaahhhhhh!!!

I won't... give... in...  
Ugh... Nn...

Hehe... Let us return  
to 'our' body at once...

Now...

...you are completely mine... Erza.

Yes... I'm so glad to have your body!!!

Erza Scarlet... Your  
name... Everything  
belong to me!

My dear puppets...

Your Master is  
now reborn...

...in a complete new form...

As well as her...  
The one who sealed me.

"N-No... What is...  
happening to me!?  
Not again...!?"

"I can't... stop it...  
The curse... it's...  
reacting... strong!"

To be continued?

Run... while you  
still can...
