Welcome to Saint Trinity!

You've been invited to join us here in the glorious Caribbean in order to enjoy a little fun in the sun with some of the hottest, most mouth-watering men the Class Comics Universe has to offer.

In the traditional of the classic Marvel Swimsuit Specials of the 1990s, the Fillion Swimsuit Special brings you beautiful heroes in a magnificent tropical setting. The muscles are bulging, and so are the baskets that have been stuffed to the brim with thick, veiny, hairy and sweaty meat-rockets.

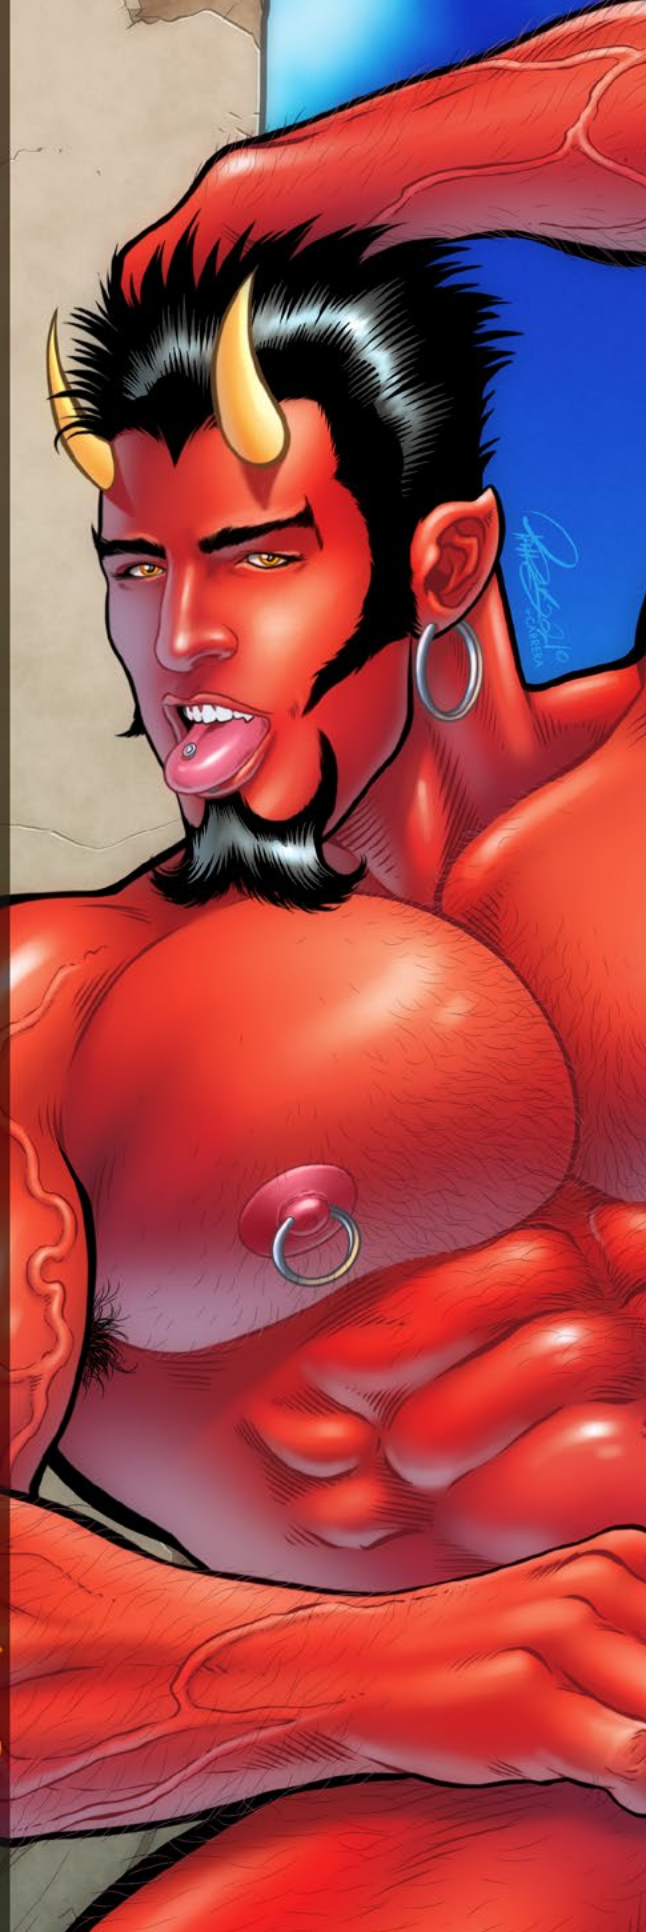

Unlike the Marvel Swimsuit Specials however, you get to see what's hiding beneath the fabric of the thongs and the swim trunks.

These hunks happily whip off their banana hammocks to reveal the full glory of their masculine physique for our cameras!

Strap yourselves in and prepare to salivate! Summer is forever in Saint Trinity, and it's hotter than anywhere else on Earth when the exquisite men of Patrick Fillion are on duty!

FILLION

SWIMSUIT SPECIAL

The boys of the BRIGAYDE
sure know how to throw a
hot tropical beach party! All
that's missing now is YOU!

Thongs come off, and
dongs come out! Now
it's a mother-effing
celebration!

The allure of the Caribbean sunset gets a little hotter as DEIMOS flexes for our camera, a hairy, Heavenly vision of muscle and true masculine beauty.

Of course, he keeps his biggest muscle in his swimtrunks!

PHILIP CASSELLA

MAKO FINN and a few of his closest friends throw their own party, deep below the soothing waves!

Lucky for us, this party seems to be "clothing optional"!

Ever the free spirit, the deliciously playful and rather generously endowed **DIABLO** hungrily soaks up the rays of the tropical sunshine, sans swimsuit.

Rosaño
CABRERA

The heat makes DIABLO so horny! Who doesn't love some anal bead play on a hot summer day?

Rosario
CARRERA

Not one for crowds, LANOR, Prince of the Felinoids finds himself a lovely, secluded perch where he can enjoy an afternoon catnap and the warm, tropical breeze in the buff.

Rasolo
CABRERA

Oh dear! It would seem that the silver prince has gone and had himself a rather wet dream!

Rosillo
-CABRERA

Swet and innocent, TYDE may be the last Merman, but that doesn't keep him from frolicking and having a blast under the tropical sea.

This little prince of the deep is no diminutive minnow. Rather quite the contrary, that is one very impressive sperm whale sprouting out of his fishtail!

It would be impossible to ignore the breathtaking beauty of the stunning ISAIAH SHADE as he rocks his hot pink, two-sizes-too-small 1980s-inspired leopard print string bikini.

CARRERA

Even more striking is this gorgeous hunk in his flawless, uncut birthday suit. They say clothing makes the man, but in ISAIAH'S case, we're always happy to take the man out of the clothing!

CABRERA

Quite at home in the sweltering jungle, a playful PUMA decides to treat himself to a sunset swim. No swimsuit required here! Besides, one doubts his engorged manhood would fit in one, anyway!

Shooting your wad in the water can be so handy! It washes right off once you're done!

PATRICK CABRERA

Before he become a daring super-hero, PETER was a gymnast! The proof is in his mouthwatering male physique. L o o k i n g gorgeous in his oh-so tiny string b i k i n i , GHOSTBOY turns heads no matter what he wears.

PATRICK
+ CABRERA

When the slinky swimsuit comes off, and that big, beautiful kosher wiener swings heavily into view, jaws drop and boners pop, no matter what time of the year it is!

PAUL SANCHEZ
+ CABRERA

Q oiled up and glistening in the brilliance of the tropical sun, **BYRON** can't seem to remember where he left his swimsuit. Somehow, we have a feeling you won't object!

Is there anything more glorious than a handsome young hunk covered in his own cream? Watching BYRON shoot his big load, we're truly hard pressed to think of anything!

Ever on the lookout for potential threats, it's hard for LOCUS to relax, no matter how glorious he may look in his stuffed-to-the-brim golden banana hammock.

Rafael
+CABRERA

He breathes a little more easily once the pressure in his swimsuit is released, and that big, massive Sektan boner of his can swing freely in the breeze.

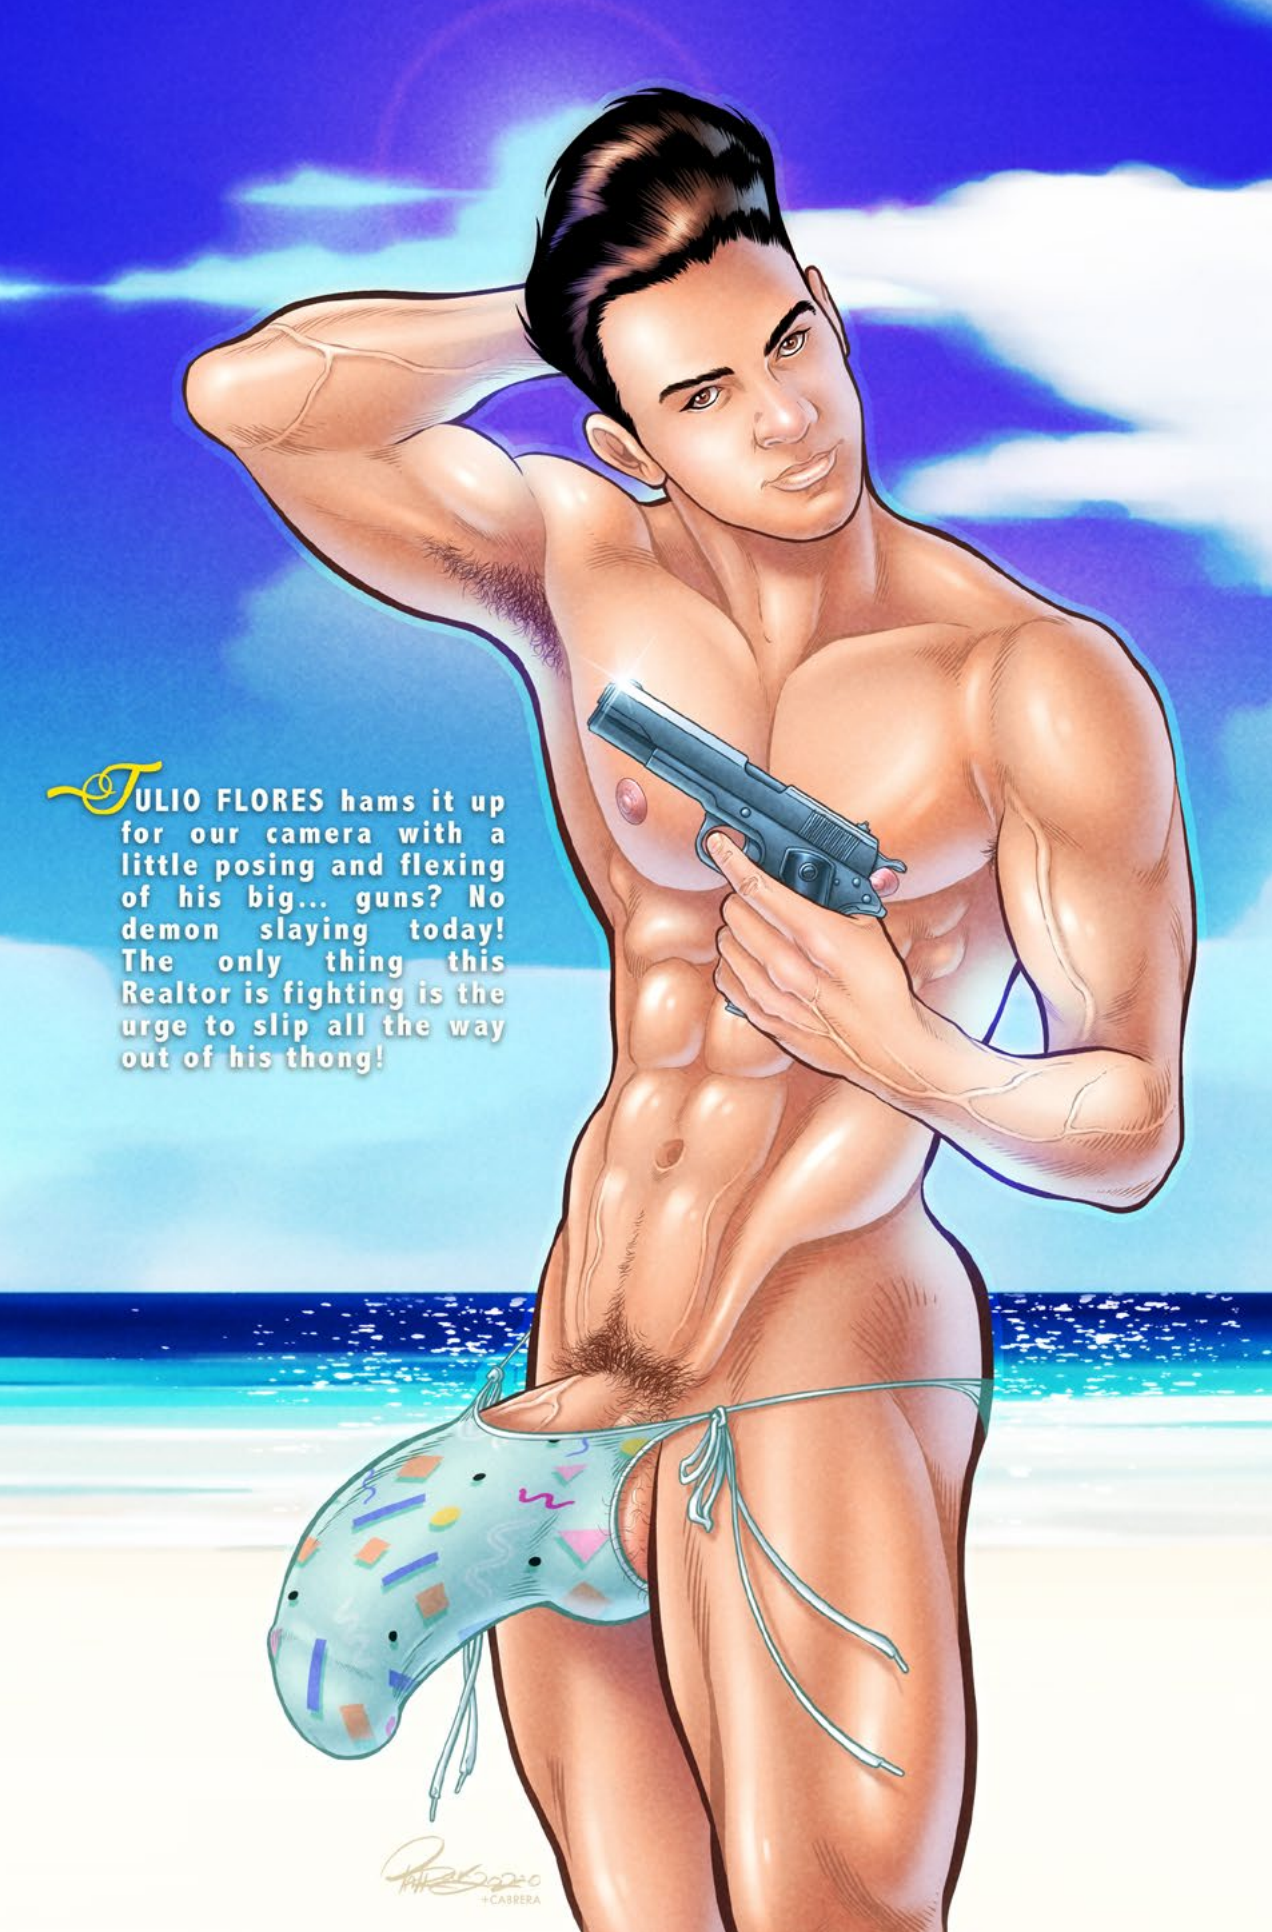

TON DAZY proves that the emerald carpet matches the drapes as he models his wonderfully form-fitting floral thong. Who wants to pollinate him? Careful! This snapdragon has bite!

FATRICK SANCHEZ
+ CABRERA

*N*ature buffs take note:
He also has serious
length and impressive
girth.

A full-page illustration of a very muscular man with dark hair, wearing a light blue bikini with colorful geometric patterns. He is holding a silver handgun in his right hand, pointing it towards his chest. His left arm is raised behind his head. The background is a beach scene with a blue sky, white clouds, and a blue ocean. The man's physique is highly detailed with visible muscle fibers and veins.

*J*ULIO FLORES hams it up for our camera with a little posing and flexing of his big... guns? No demon slaying today! The only thing this Realtor is fighting is the urge to slip all the way out of his thong!

Rosendo
+CABRERA

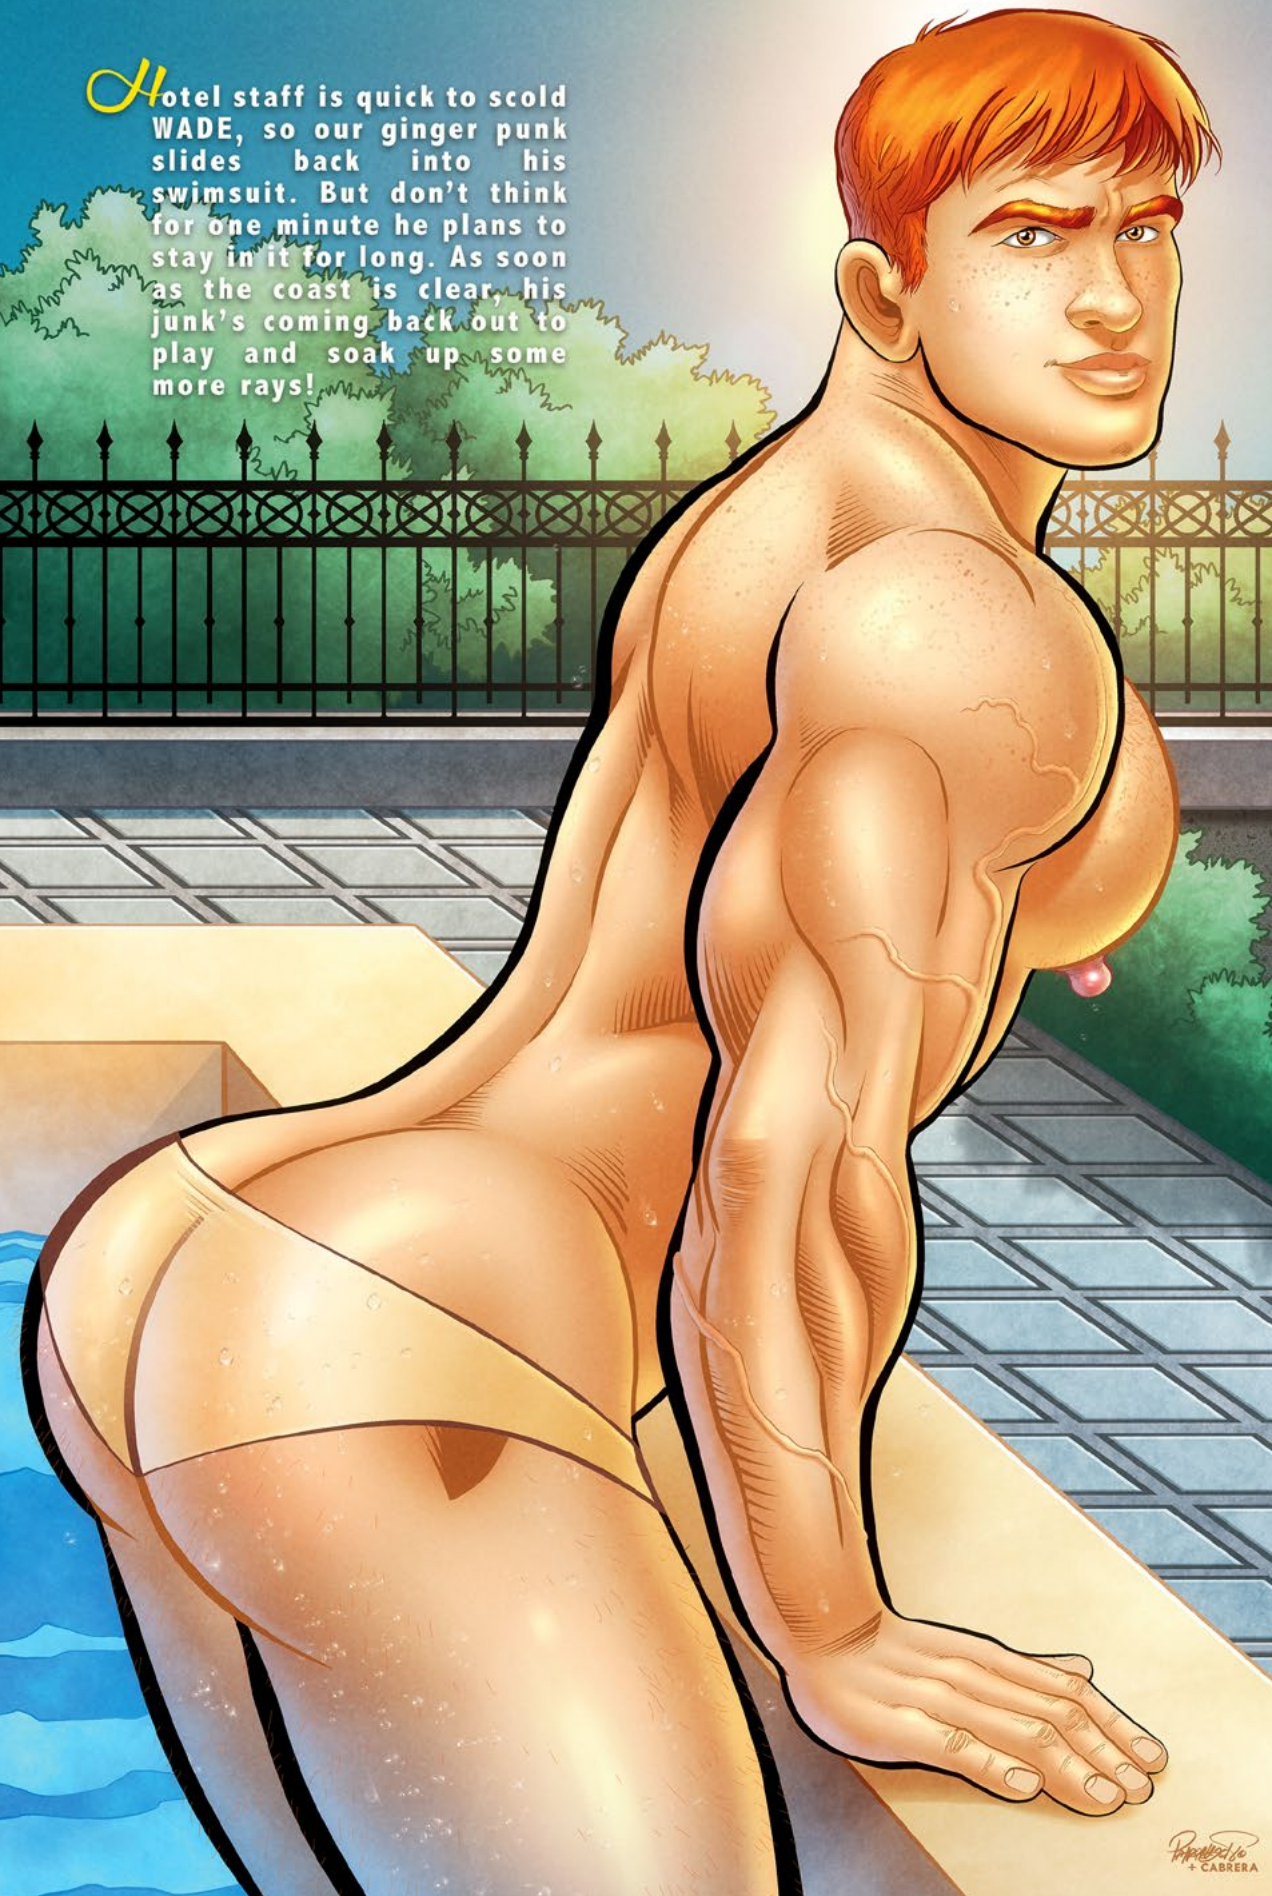

Does JULIO realize he needs a special permit for such an oversized weapon?

WADE doesn't care much for rules! That's why this bad boy is swimming naked in his hotel pool, despite the very clearly-posted "no nudity" signs! Guess this kind of rule-breaking is what got you kicked out of the Zeta Mega Phallus fraternity! Don't worry, stud! We won't tell if you don't!

Hotel staff is quick to scold WADE, so our ginger punk slides back into his swimsuit. But don't think for one minute he plans to stay in it for long. As soon as the coast is clear, his junk's coming back out to play and soak up some more rays!

ZAHN knows how to beat the Summer heat! A spontaneous snowfall on a warm sunny day cools the body right down! As unusual a sight as snow in the Caribbean may be, all eyes still remain glued to the Son of Winter's gloriously muscled physique and bulging swim-trunks.

Rosendo
+CABRERA

The Son of Winter rejoices as the refreshing snow falls and melts on his hot muscles. He laughs whole-heartedly, inviting you to join him for a beach-side romp!

Rosario
+CABRERA

CAMILI-CAT is one beautifully put together guy! Look at that sweet smile and those piercing emerald eyes. His thick beeftits aren't bad, either! He knows what we wanna see, but he's such a tease. His dick's getting harder under the fabric of his thong, and he's determined to make us work for it!

All it took was a little convincing for CAMILI-CAT to whip off his swimsuit. He's such a giving soul! Just look at that mouthwatering, gloriously hard cock, and those full, sweaty balls. This Felinoid is one tropical treat we can't refuse!

Nothing turns WARREN on more than a tropical storm! In awe of its power, its beauty, and its soothing, cooling rain, Warren can't help himself! The moment the droplets hit his skin, his dick begins to get hard. Bring on the thunder!

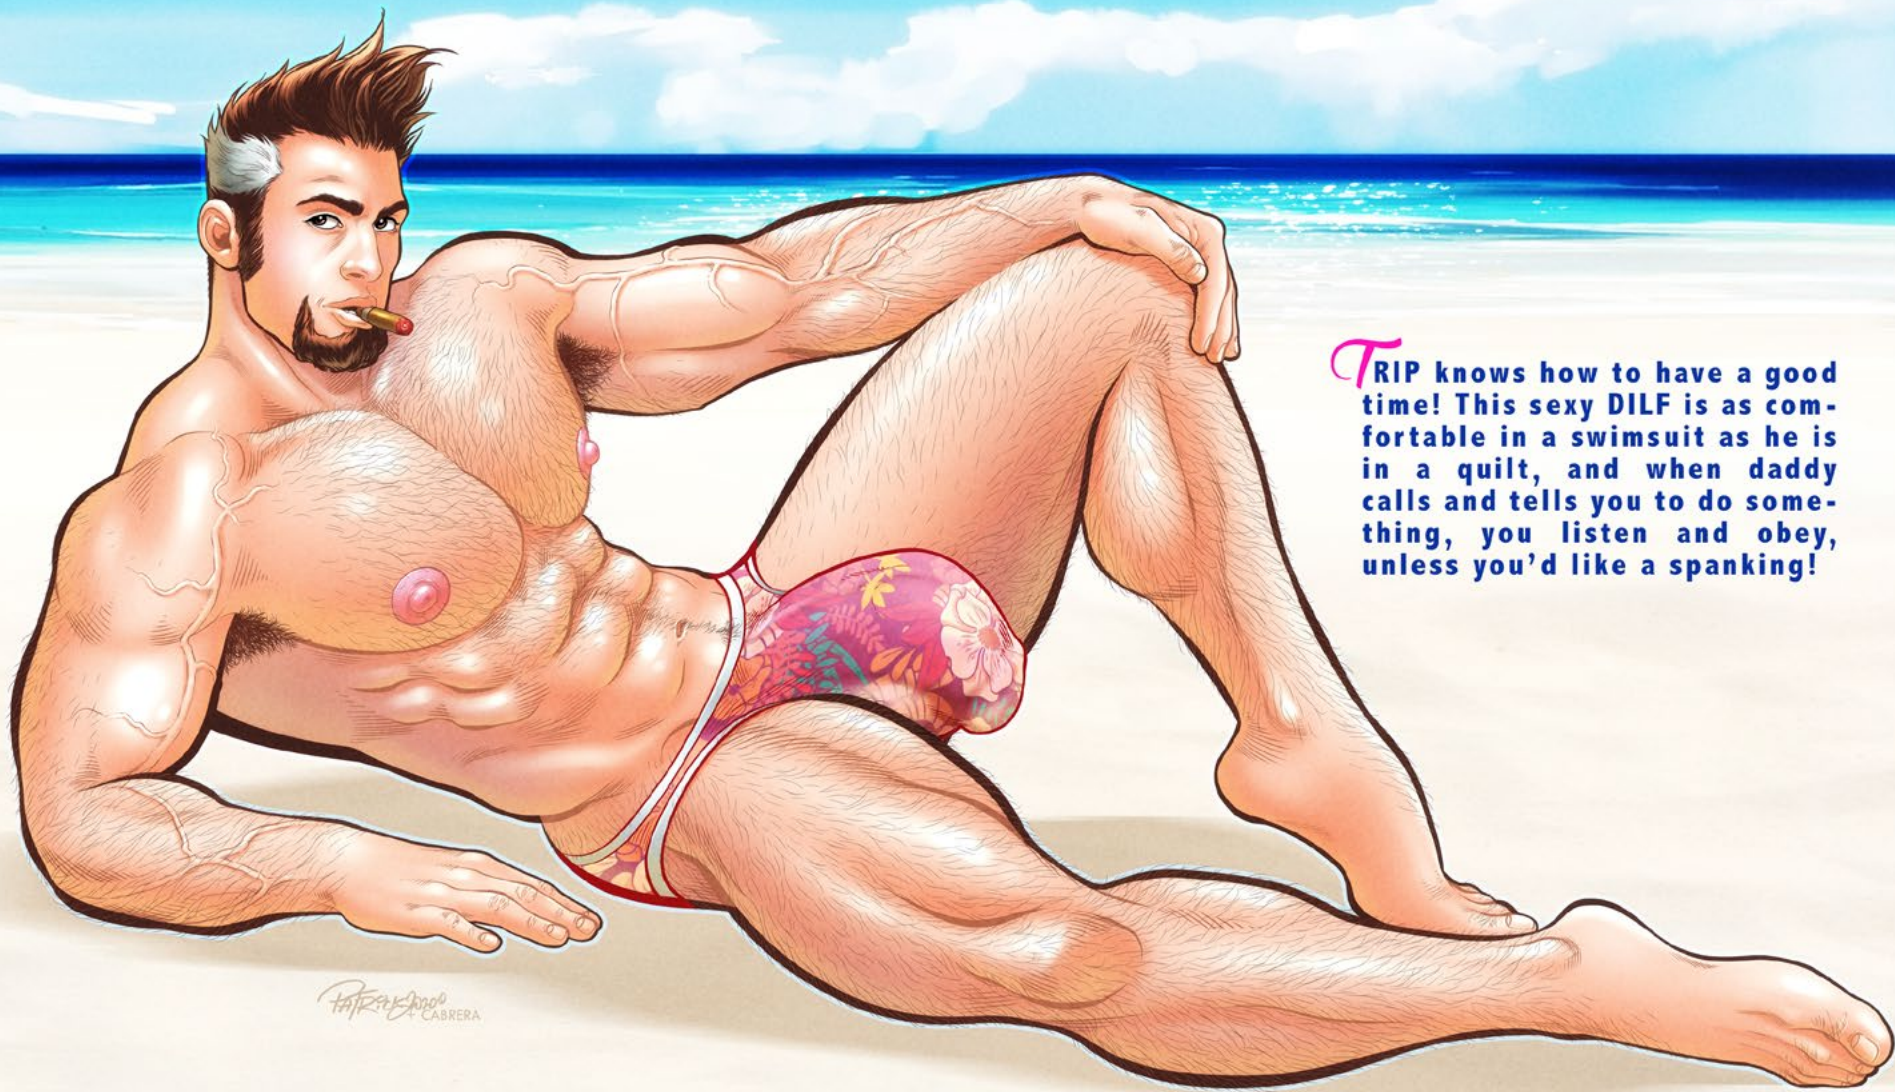

Patricia Cabera

For a shy dude, WARREN sure doesn't mind showing off his big uncut wiener! And we didn't mind seeing it, either! Still, we never expected this kind of a show when we suggested photographing him in the tropical rainfall! It's the timid ones you have to watch out for!

Patrick Cabera

TRIP knows how to have a good time! This sexy DILF is as comfortable in a swimsuit as he is in a quilt, and when daddy calls and tells you to do something, you listen and obey, unless you'd like a spanking!

TATIANA CABRERA

PAPELONDO
CABRERA

Vacations are nice, but there's only one TRIP we're interested in taking. Preferably, right here! Right now! On this mother-freakin' beach! Who cares if he gets sand in his foreskin... we'll help him clean it out!

We're not accustomed to **NAKED JUSTICE** wearing anything, but somehow, seeing his big British tallywacker tightly bound in this hot pink sausage sling makes us completely weak in the knees! **FELIX** knows how to make an entrance and capture the attention.

*H*mmm...? Well, we suppose this Speedo is a little bit less revealing than the sausage sling... but not by much! FELIX, you ginger bastard... you certainly are a cock-tease and our camera loves every freckled inch of your impeccably groomed body!

FELIX!? Are you TRYING to KILL US?! It goes without saying that your most sensual swimsuit is your birthday suit. What a beautiful work of masculine art you are!

Ah, the boys of Summer! What would life be without them? Rather unbearable, we think!

We hope you've enjoyed your stay in beautiful, paradisaical Saint Trinity.

We also hope you've thoroughly enjoyed spending time with the men of Class Comics. These gorgeous hunks do have a way of making the Caribbean sun seem even hotter, don't they?

May these playful and sensual images of masculine beauty leave you with tingly feelings and raunchy imaginings to warm you the whole year through.

The editors, stylists, MUAs, photographers and fluffers... literally **EVERYONE** on The **FILLION SWIMSUIT SPECIAL** team wishes you all the very best.

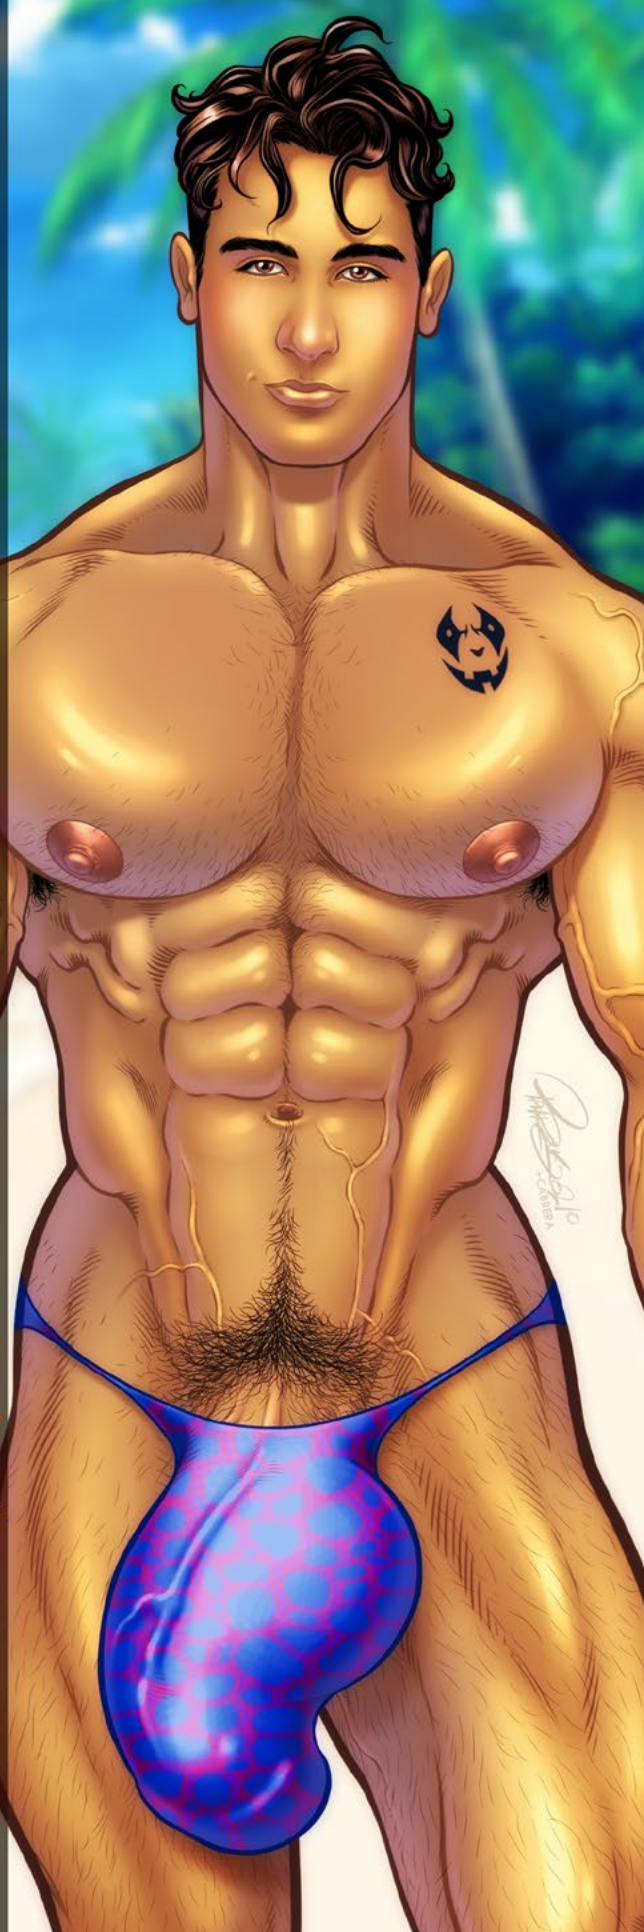

May you have clear blue, sun-filled skies, soothing ocean breezes and floral fragrances throughout all your days.
