

### **Beach Day with Kirishima and Bakugou | Vacation Series EP. 2**

\*starts with Bakugou and Kiri making lil sleepy sounds. Bakugou is breathing and Kirishima is sleeping a little louder. Stirring slightly from his sleep and waking up next to the listener. You can hear Kirishima lightly snoring in the background.\*

Bakugou: Mn.... nnn.. Huh.. You're awake? Did you just lay there staring at me..?

\*Bakugou stretches a bit, making a "mmnng" stretching sound\*

Bakugou: How long have you been awake huh? ... oh. You just woke up too? .. Must be because of this bastards snoring. Hey, weird hair- wake the hell up. You're loud.

Bakugou: ... Oi. Kirishima. Wake up or I'm gonna kick you.

\*Wait a few seconds, then Bakugou sighs heavily, then kicks Kiri a bit, see if we can find a sound that can signify this\*

Kirishima: Ngh! Huh? Wha-? ... Oh.. Good morning to you too Bakugou.. Jeez, man...

\*Bakugou grunts in reply, and Kirishima does a big yawn. Add some bedsheet noises for realism as they shift around/stretch\*

Kirishima: Mnn, did you sleep well, roomie? .. heh, I slept like a rock!

Bakugou: That's 'cause you *are* a rock.

Kirishima: Well, you're not wrong, I guess-

Bakugou: Mn... hungry.

Kirishima: Same... hey, you guys wanna go to the cafe and get some free breakfast? I heard that it's all you can eat!

Bakugou: Mm.. yeah, lemme just get dressed first.

Kirishima: Alright, same here! You can have the bathroom again, roomie! I don't mind changing with Bakugou in here, it's not like I haven't seen-

Bakugou: Can you shut up? Why do you have to make that sound so weird?

Kirishima: Sorry! I didn't mean it in a weird way or anything, I just mean like.. Changing rooms and stuff!

Bakugou: Yeah, yeah. Get up and get dressed already so we can eat.

Kirishima: I would, but you have your leg over both of us, Bakugou~

Bakugou: ... shut up.

\*He moves it, sheet rustling sound\*

Kirishima: Heh, alright! Let's get dressed then!

\*Sheets rustle a bit as everyone gets up, and then there's footsteps as the listener walks into the bathroom and closes the door. Clothing noises as they change, and you can hear Bakugou and Kirishima muffled through the door\*

Kirishima: Sooo... were you actually cold last night?

Bakugou: Hah?

Kirishima: You know, asking us both to uh.. Cuddle you like that. Haha.. I won't judge you Bakugou, It was kinda nice!

Bakugou: ... I was just cold.

Kirishima: Ahh, okay. I believe you~

\*The door to the bathroom opens again and the listener comes out, and now their voices are not muffled anymore\*

Bakugou: You ready? Let's go then, I need food.

Kirishima: Heh, alright! Let's go~

\*They walk over and open the door. They head out into the hallway\*

Kirishima: I hope they have bacon. Or pancakes.. Oooh and muffins. You know those really sweet ones with the blueberries?

Bakugou: .... You mean blueberry muffins?

Kirishima: YEAH those!

Bakugou: \*laughs a bit, make him say this line a little less mean\* Man you're an idiot sometimes.

Kirishima: Hah, come on! I just forgot! ... You know, you seem like you're in kind of a good mood today, Bakugou~

Bakugou: Huh? I'm always in a good mood, weird hair.

Kirishima: .. Yeaah, haha. Totally!

\*They end up in the buffet area, and there's murmured talking and sounds of plates clinking here and there\*

Kirishima: Oh wow, look at the buffet! There's so much food... I'm gonna need 2 plates!

Bakugou: Looks like we're the only ones from our class up this early.

Kirishima: Heh, means more food for us!

Bakugou: Dumbass, there's a literal mountain of food, I doubt even you could put a dent in it.

Kirishima: Don't tempt me~

Bakugou: Yeah yeah, just save some for the rest of us.

\*Plate sounds as they're getting food\*

Kirishima: I'm gonna have like 5 pancakes, do you guys think that's too much?

Bakugou: Just get whatever, I don't care.

Kirishima: Oooh, look! They actually have blueberry muffins!

Bakugou: Where's the sriracha?

Kirishima: .. Huh?

Bakugou: The sriracha sauce.

Kirishima: ... You're gonna put hot sauce on your breakfast? Well, alright! Good way to wake up, I guess. I think it's over there with the other toppings.

Kirishima: Hey roomie, got everything you wanted? Let's go find a place to sit!

Kirishima: ooh, look, over there. There's a table right next to the window! Let's go, Bakugou will catch up.

\*They walk over and sit down\*

Kirishima: So, until the gala happens Aizawa said we're pretty much allowed to do whatever as long as we stay close to the hotel! Did you have anything you wanted to do during the vacation?

Kirishima: I mean, I'm excited to be able to just relax honestly! This hotel is super nice~ I mean, just look at the beach out there! Maybe we should have a beach day!

Deku: Hey! Good morning.

Kirishima: Oh, Midoriya hey! You're up early! Where's Todoroki, still sleeping?

Deku: Hm? Oh, yeah! He's still sleeping.

Kirishima: ah, okay! Wanna sit with us?

Deku: Oh, I'm on my way back up to my room actually. I stumbled across this really cool spot on the beach earlier! It's kinda like a little secret oasis, with a little waterfall and everything!

Kirishima: Woah, for real? Dang, you must have gotten up pretty early to go find that! Where is it, I totally wanna see it!

Deku: When you step outside of the resort, just turn left and keep walking up the beach! It's at the very end, you just have to walk through the trees a bit and you'll see it!

Kirishima: Oh, cool! Thanks Midoriya!

Bakugou: The hell is this stupid nerd doing here?

Kirishima: He was just telling us about this cool little place he found! We should check it out, Bakugou!

Bakugou: Hah? Why?

Deku: It's really cool! Trust me, Bakugou! You guys will love it. Anyways, I gotta get back to my room! See ya guys!

Kirishima: okay! Bye, man!

Bakugou: ... Huh. Weird.

Kirishima: Huh? What's weird?

\*Bakugou sits down at the table\*

Bakugou: ... Eh... forget it. ...

Bakugou: So, what was that idiot talking about anyways?

Kirishima: Oh, he said that there's like this secret oasis on the beach! \*Kiri takes a bite of his food, talk like you have some food in your mouth\* I'm so curious, we should definitely go!

\*Make sure to add sounds like utensils scraping on the plates a bit\*

Bakugou: I mean.. Why?

Kirishima: Huh? Why not, man? By the way he described it, \*Take a bite of food, his mouth sounds full again\* .. It sounds pretty neat.

Bakugou: \*Mouth full\* Mh...I guess.

Kirishima: You okay, Bakugou? You seem a little off ever since- heh. Well, I know Midoriya seems to get on your nerves but usually a run in with him doesn't leave you in *that* bad of a mood!

Bakugou: I'm fine, the hell do you mean?

Kirishima: \*Mouth full\* eh, okay! ... Mm.. hey roomie, have you tried the pancakes? They're so fluffy!

\*more eating sounds/cutlery sounds\*

Kirishima: Ah, I definitely got more food than I can handle. I'm stuffed!

Bakugou: You eat too fast.

Kirishima: Naaah, I didn't eat that fast!

Bakugou: You literally inhaled 5 pancakes, dumbass.

Kirishima: Heh, I know but they were too good!

Bakugou: \*takes another bite, with his mouth full\* Mhm. Whatever.

Kirishima: So, I'm gonna go grab our bathing suits from the room if you guys wanna finish your food! That way we can head to the beach right after eating! Sound good? I'll be quick!

Bakugou: Yeah, sure. I left mine with the rest of my stuff.

Kirishima: No problem! I know where they are. Alright, I'll be right back!

\*Kiri gets up and walks off, maybe make a chair scooching sound and some footsteps that fade off\*

Bakugou: Are *you* done eating too? Damn, I feel slow around you idiots.

\*quiet for a little bit, cutlery sounds\*

Bakugou: I haven't been on a beach in a while. I guess it's gonna be nice to just... relax. I don't really like having nothing to do all day, but taking time off sometimes is cool, I guess. I can't remember the last time I even got to go swimming.

\*pause, cutlery sounds\*

Bakugou: Eh, I'm stuffed. Breakfast food is too goddamn filling. \*soft sigh\*

Bakugou: So, you planning on going to the hero gala? ...Oh? Of course you are. Like I said before I don't really like parties, but I know for a fact Kirishima's going to make me go with you two. Damn idiot doesn't take no for an answer.

Bakugou: It'll be fine, I guess. It's not like I care about seeing the other pro heroes, I'm going to surpass them all anyways. So why should I have to suck up to them?

Bakugou: Mn... Anyways. I'm gonna put these plates back, I'll be back.

\*Bakugou grabs the plates, either find or make some sounds for that. Then he walks off. He's gone for about 10 seconds, and he comes back\*

Bakugou: Alright, I see Kirishima coming back. Come on, get up.

Kirishima: Hey, all our stuff is in this bag! I also brought some sunscreen, some water, and some snacks!

Bakugou: Alright. Let's get going then.

\*They start walking towards the exit. Door opens and closes as they get outside.\*

**Ambience: Cicadas, tropical birds, gentle wind and rolling waves on the beach.**

Kirishima: Oh wow, it's super hot! Look at all the people on the beach!

Bakugou: Ugh, too many people. There's no place to even set our stuff down.

Kirishima: We could head to that little oasis Midoriya told us about!

Bakugou: Ehh- whatever. Fine. Let's go.

\*They start walking along the beach\*

Kirishima: The sand is so hot, it kinda hurts my feet, haha!

Bakugou: Stop complaining.

Kirishima: Nah, I'm not complaining! It's fine~ Look how beautiful the water looks!

Bakugou: It's really clear.

Kirishima: I've never seen such blue water before. It's super pretty! I'm gonna go see if it's warm!

\*He runs off to the water\*

Bakugou: \*sigh\* So how far away is this damn "Secret Oasis" thing?

\*Few seconds of silence as they keep walking\*

Bakugou: ..... The end of the beach? It's not that far at least. Hopefully there's no goddamn kids there... There's way too many here... Annoying little shi-

Kirishima: Guys!

\*Kirishima is running back, his voice is ever so slightly out of breath\*

Kirishima: The water is so warm, guys! I can't wait to go swimming! Heh, so the oasis is just at the end of the beach right?

Bakugou: Yup.... How the hell did Deku even find that spot? The hell was he doing out here so early on his own?

Kirishima: Huh.. You're right. No idea! Maybe he was going for a morning run? He does that sometimes, right?

Bakugou: You think I know what Deku does in his spare time?

Kirishima: heh, well.. No! Just sounds possible, you know?

Bakugou: ... Yeah. I guess.

Kirishima: You sure you're doing okay, Bakugou? I can tell when you're overthinking something, you know. You get this concerned look on your face.

Bakugou: No, I told you I'm fine.

Kirishima: Come on, Bakugou, you can talk to us. Neither of us are gonna judge you, man!

Bakugou: I said I'm fine!

Kirishima: Eh, alright. I won't push you, then.

Kirishima: ... Sooo, roomie. How you liking the beach so far? It's pretty nice, right? Hah, I could honestly stay out here all day. I might get burnt as hell though-

Kirishima: Oh, hey! Look at this massive shell! Hah, the color of it kinda reminds me of your eyes... wanna keep it? Here~

\*Few seconds of silence as they keep walking\*

Kirishima: Ahh.. Feels nice to be outside like this in the sun. The sound of the waaaaves, the smell of the salt water~ So refreshing, you know? .. Oh, hey! We're at the end of the beach. I guess we just head into the trees here, then?

Kirishima: Dang, these bushes are thick! What if there's spiders... Well.. Let's go!

\*Bushes sounds as they head into the small forest\*

Bakugou: ... Be careful.

Kirishima: We'll be fine! Come on, stay close~ If there's any spiders though, can you blow them up for us?

Bakugou: ... Yeah, whatever.

\*silence for a bit as they are walking through the forest. Lower the sounds of the waves now and add tropical bird calls\*

Bakugou: Hm... \*Deep sigh\* Stop. Both of you.

Kirishima: Hm? Baku-

Bakugou: Alright, look. I feel like an idiot for worrying about something so damn insignificant and small but... ugh.. Listen.

Kirishima: Eh- Okay..! We're all ears, Bakugou.

Bakugou: You know when Deku was talking to us earlier?

Kirishima: uhh, yeah.

Bakugou: He called me Bakugou.

Kirishima: .... Huh.. You're right. He did, didn't he?

Bakugou: Yeah. He did. He always calls me Kacchan, no matter what. Don't you think this is weird? He shows up, tells us to come to this random secluded place far from the resort...

Kirishima: ... I mean, Midoriya wouldn't do anything malicious-

Bakugou: You idiot. I know... What I'm trying to say is.. What if that wasn't-

Shigaraki: \*Chuckling as he steps out of the brush\* You're annoyingly smart, you know that? It's such a shame that you came to your little revelation too late~ Toga quirk is pretty useful for tricking dimwits like you~

Kirishima: You're kidding me..! Villains followed us here?!

Bakugou: GET BEHIND ME!

\*Running sound\*

Kirishima: Bakugou! Don't..!

\*Bakugou runs in and tries to attack Shigaraki, but he's covered in purple mist and warped off\*

Bakugou: Bastard!! He's gone....It's that damn purple-mist warpy idiot again...

Kirishima: We need to get out of here... Come on, both of you! We have to get back to the resort and warn the others!

\*Sudden sound of shooting fire\*

Kirishima: Get down!! Holy- .. hot..! Stay behind me, roomie..!

Bakugou: Blue fire....

Dabi: Heh... Hey. We're gonna need you to hand over your classmate.

Bakugou: Yeah, right. How about I hand your ass to you?

Dabi: Man, you're as annoying as always. Why is it always *you* that I gotta deal with? Brat.

Bakugou: nnngh.. Deal with *this!*

\*Explosion sound\*

Dabi: Ngh..! You... I'm gonna burn you good.

Kirishima: Bakugou! Don't run off!! We have to protect our friend, the villains are after them! Ah.. just.. Stay behind me, kay? Oh crap.. There's that purple mist again.. He's back...!

Shigaraki: Now that your explosive friend is busy with Dabi, Kurogiri and I can easily take care of you.

Kirishima: I won't let you touch them! Stay back!

\*Hardening sound\*

Shigaraki: Wanna go for a swim?

Kirishima: Wh..what?

Shigaraki: Kurogiri, warp him into the ocean~

Kirishima: H-huh?! Ah..!

Shigaraki: \*laughs\* Have fun, you better not respawn anytime soon.

Bakugou: DAMNIT!! Kirishima!! Nnghh...! You're going to die, you damn villain!!

Shigaraki: Nice job at keeping him preoccupied, Dabi... Kurogiri! Warp him out with his friend.

Bakugou: Nnghh..! Damnit..!!! Get this stupid mist off me!

Shigaraki: I hope you know how to swim~

\*evil shiggy laugh as Bakugou gets warped off\*

Bakugou: Damn you...! Aghh..! \*His voice fades into nothing\*

Dabi: Man, I hate that guy.

Shigaraki: Dabi, you were supposed to handle the exploding one. You let him nearly attack our only way of successfully completing the mission.

Dabi: Yeah, lemme see you fight him then, crusty.

Shigaraki: Don't c all me that-

Dabi: Then don't be crusty.

Shigaraki: Dabi- NNgh I swear to- \*sigh\* Tie them up.

Dabi: Alright, whatever.

\*Footsteps as Dabi approaches the listener\*

Dabi: heh. You look so scared. Hm... Alright, here's how this is gonna go. You're gonna sit there, while I tie you up, and you're not gonna move a muscle or I'll turn you to ash, kay?

\*He ties them up, maybe find rope/handcuff clicking sounds\*

Dabi: Alright, we're good to go. I'm gonna pick you up, you better not squirm or things'll heat up pretty quickly for you. Hup'

\*he picks them up over his shoulder\*

Shigaraki: Good, now let's get back to the base~ Kurogiri, warp us out~

Dabi: This was way too easy.

\*Both chuckling as they step through the warpgate and fade out. The end is left with the birds  
ambiance until it fades out\*
