A-Amber...?

Are you... okay?

You don't need to worry about me, Traveler. But yourself, instead.

M-Me...?

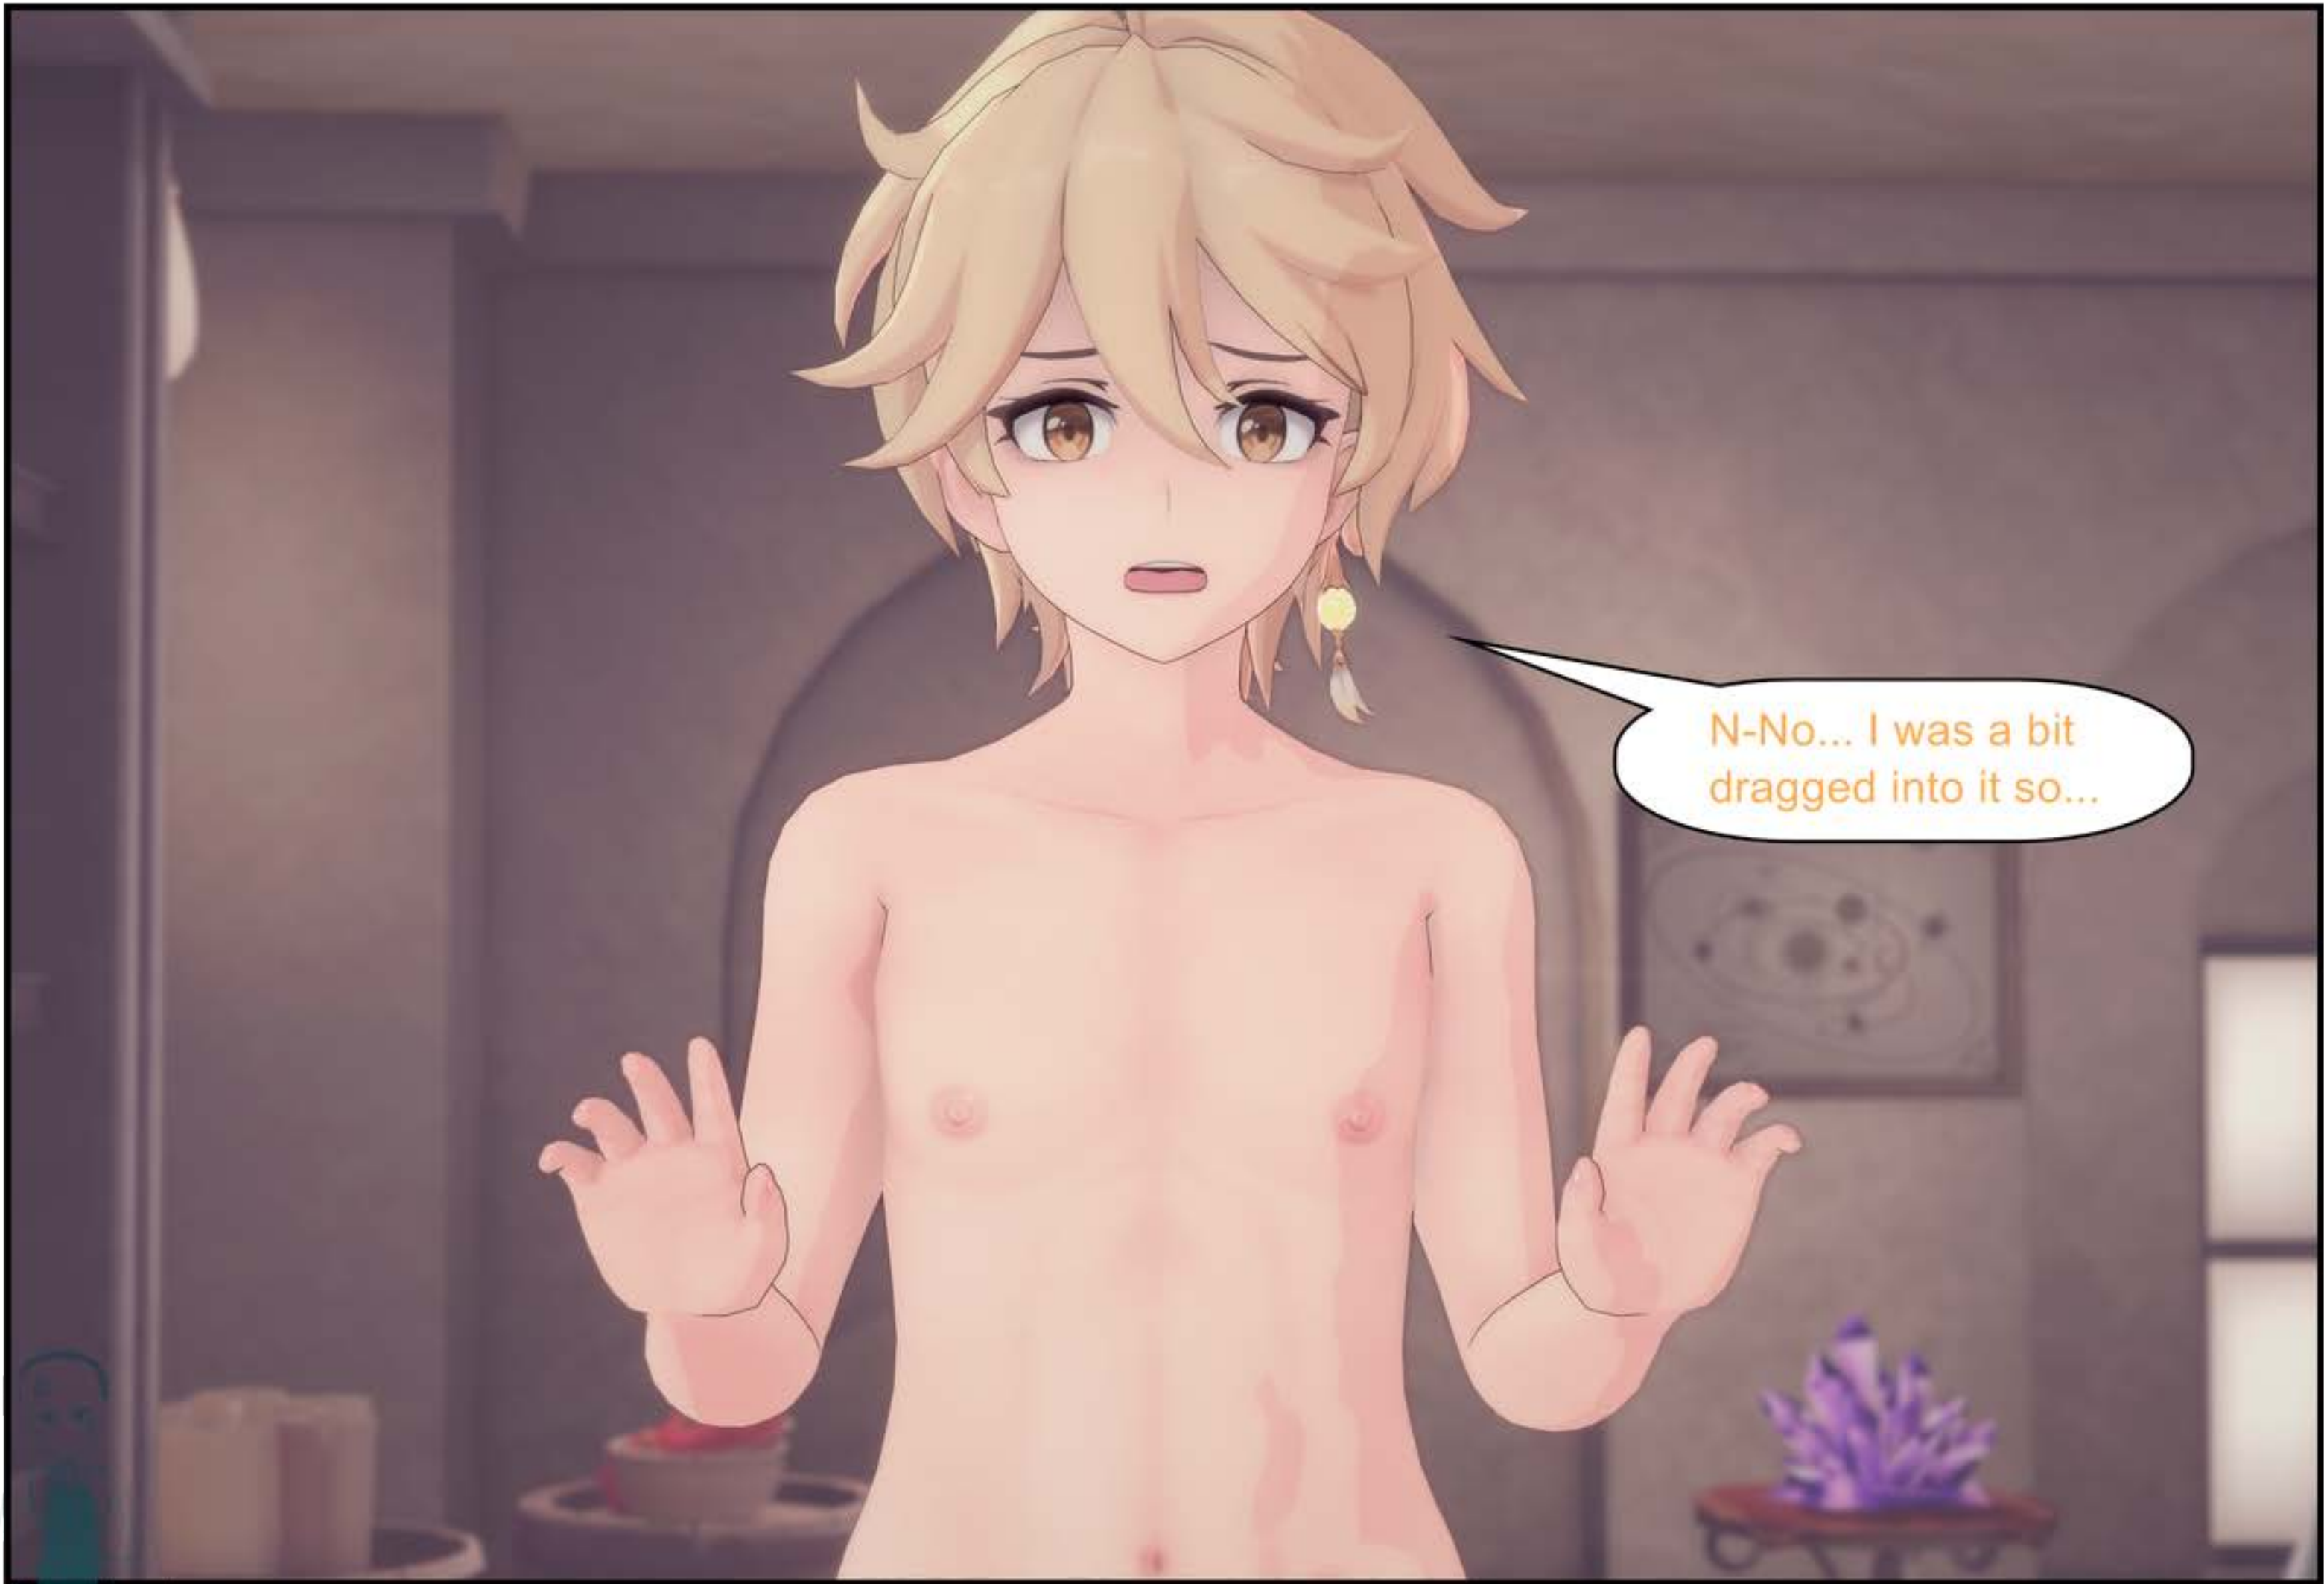

About what you were doing with Mona?

N-No... I was a bit dragged into it so...

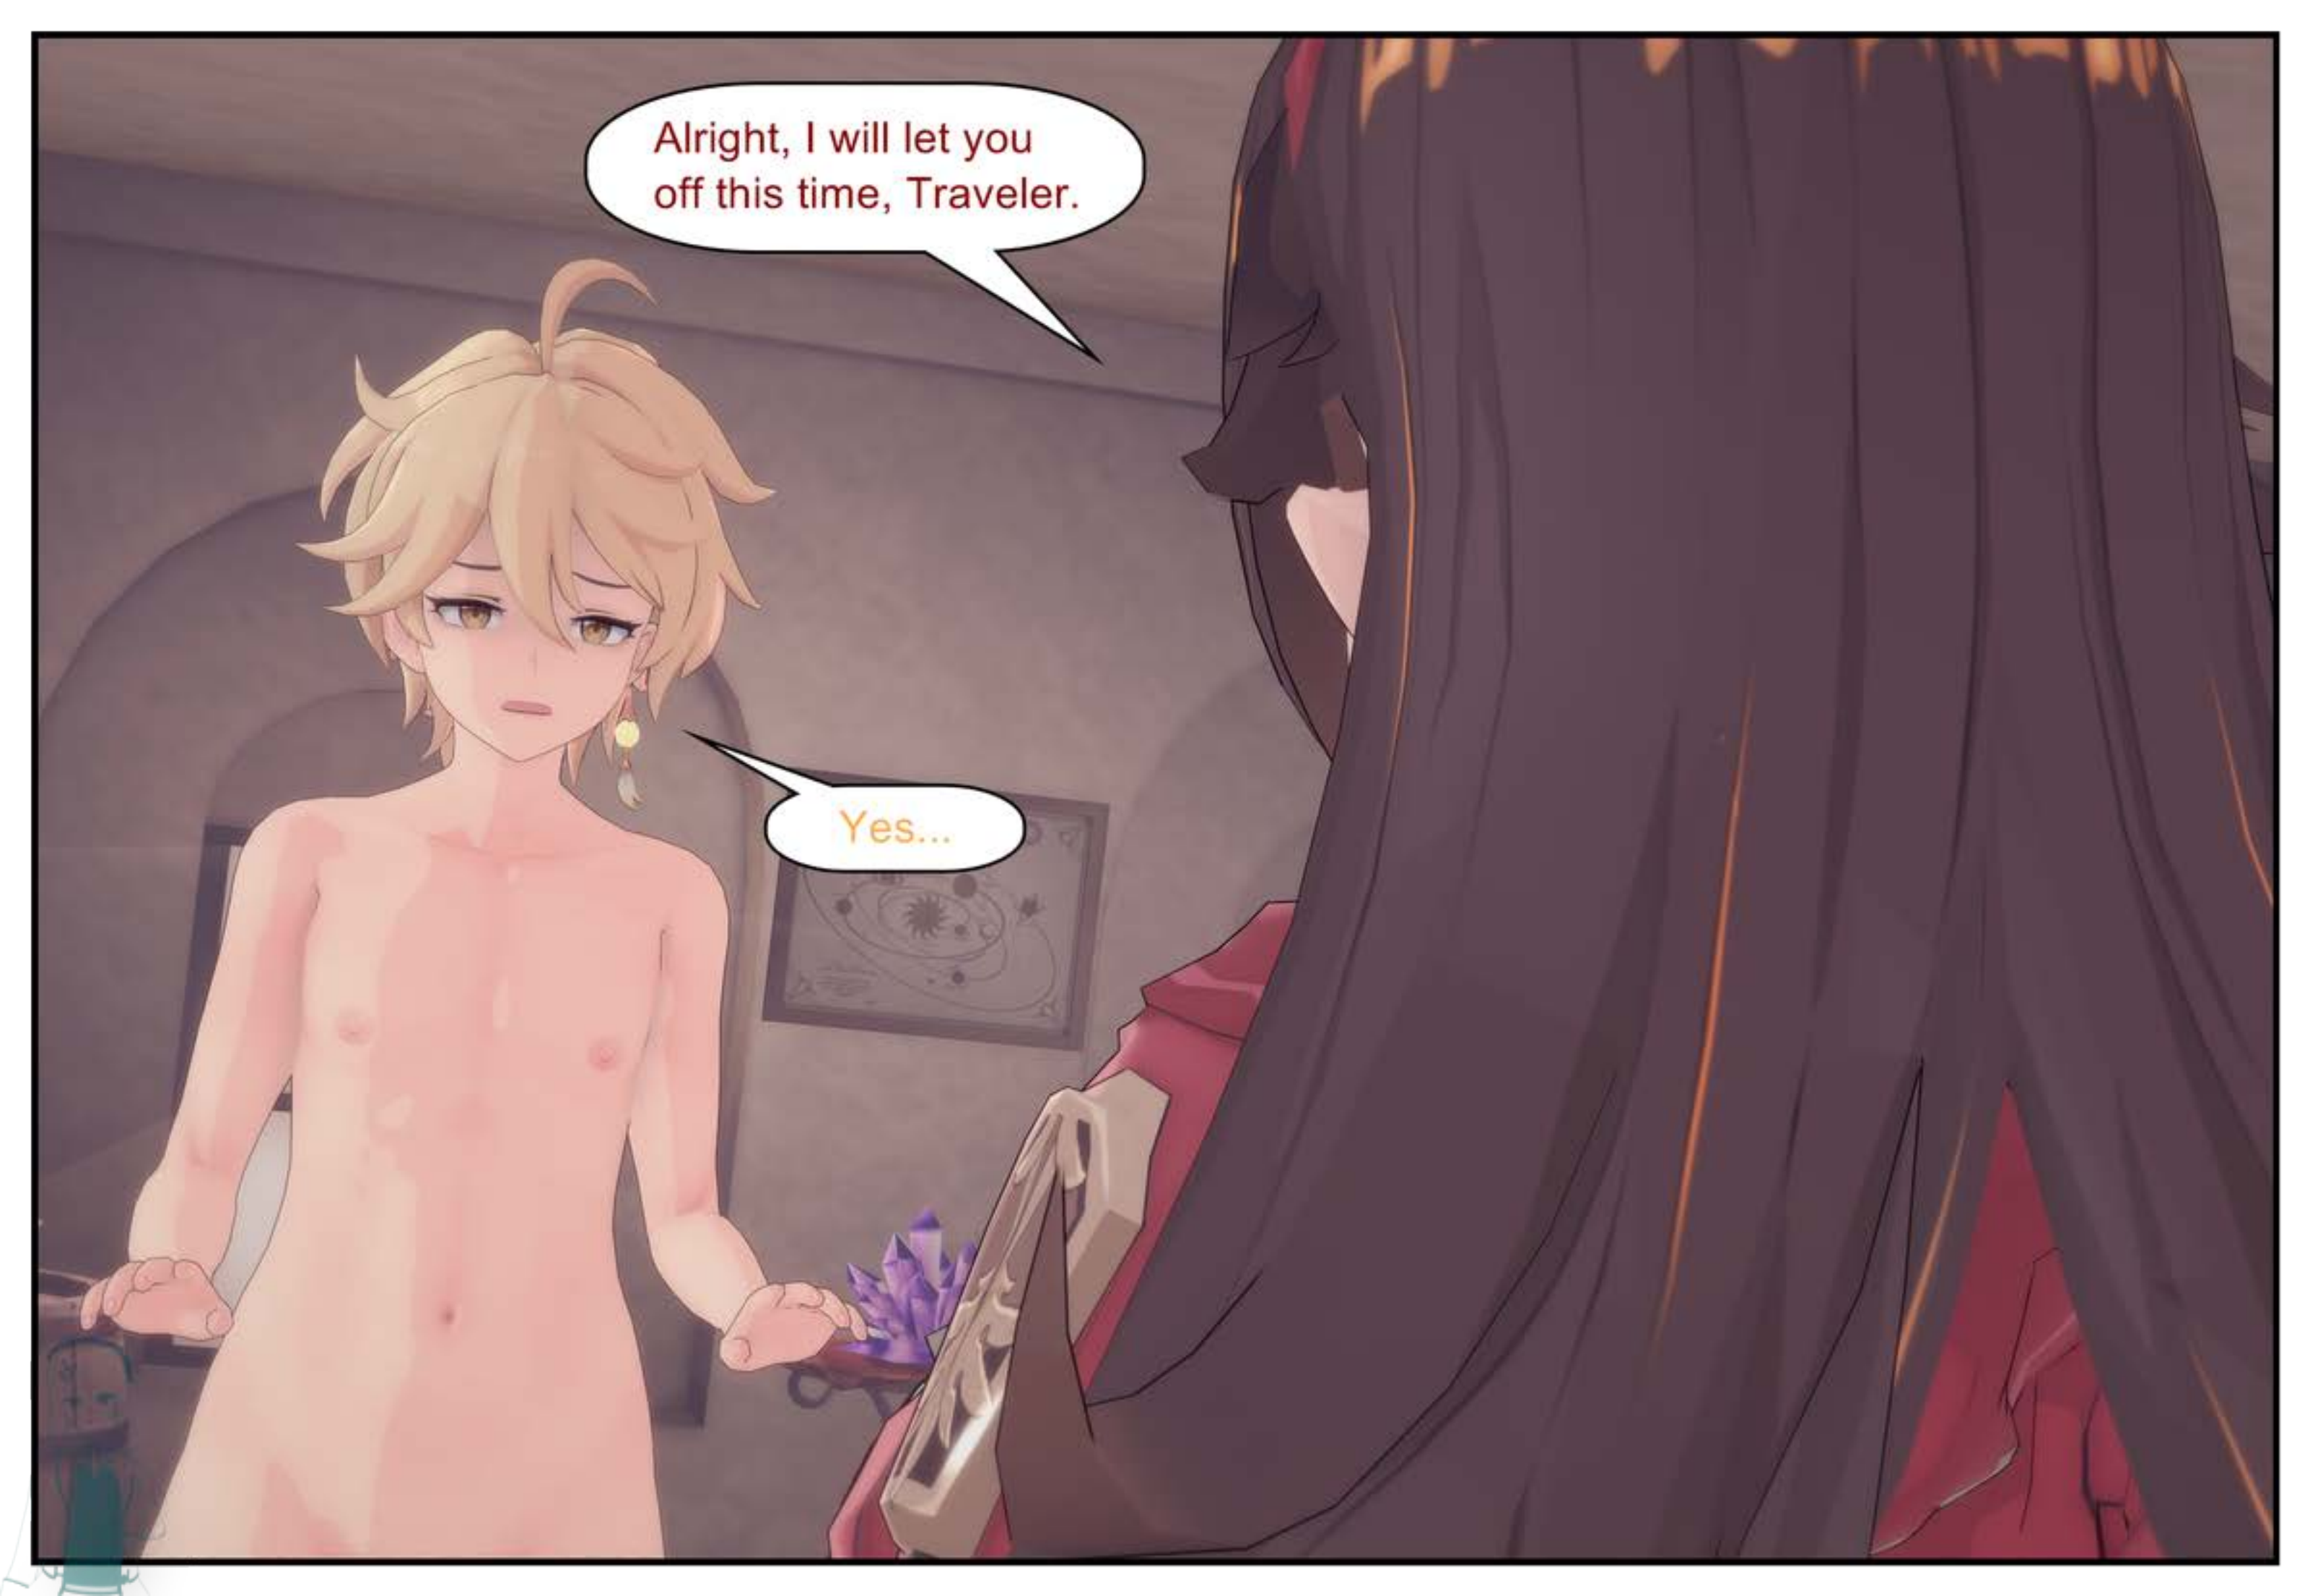

"Heh... It's so fun  
to tease him."

I was too excited... probably...

A manga-style illustration. On the left, a young character with short, spiky blonde hair and green eyes stands nude. They have a small, sad expression. On the right, a large, dark, hooded figure with long black hair is shown from the chest up, holding the blonde character's hands. The dark figure's face is mostly obscured by shadow. The background is a dimly lit room with a framed picture on the wall and a purple flower on a table. Two speech bubbles are present: one from the dark figure and one from the blonde character.

Alright, I will let you  
off this time, Traveler.

Yes...

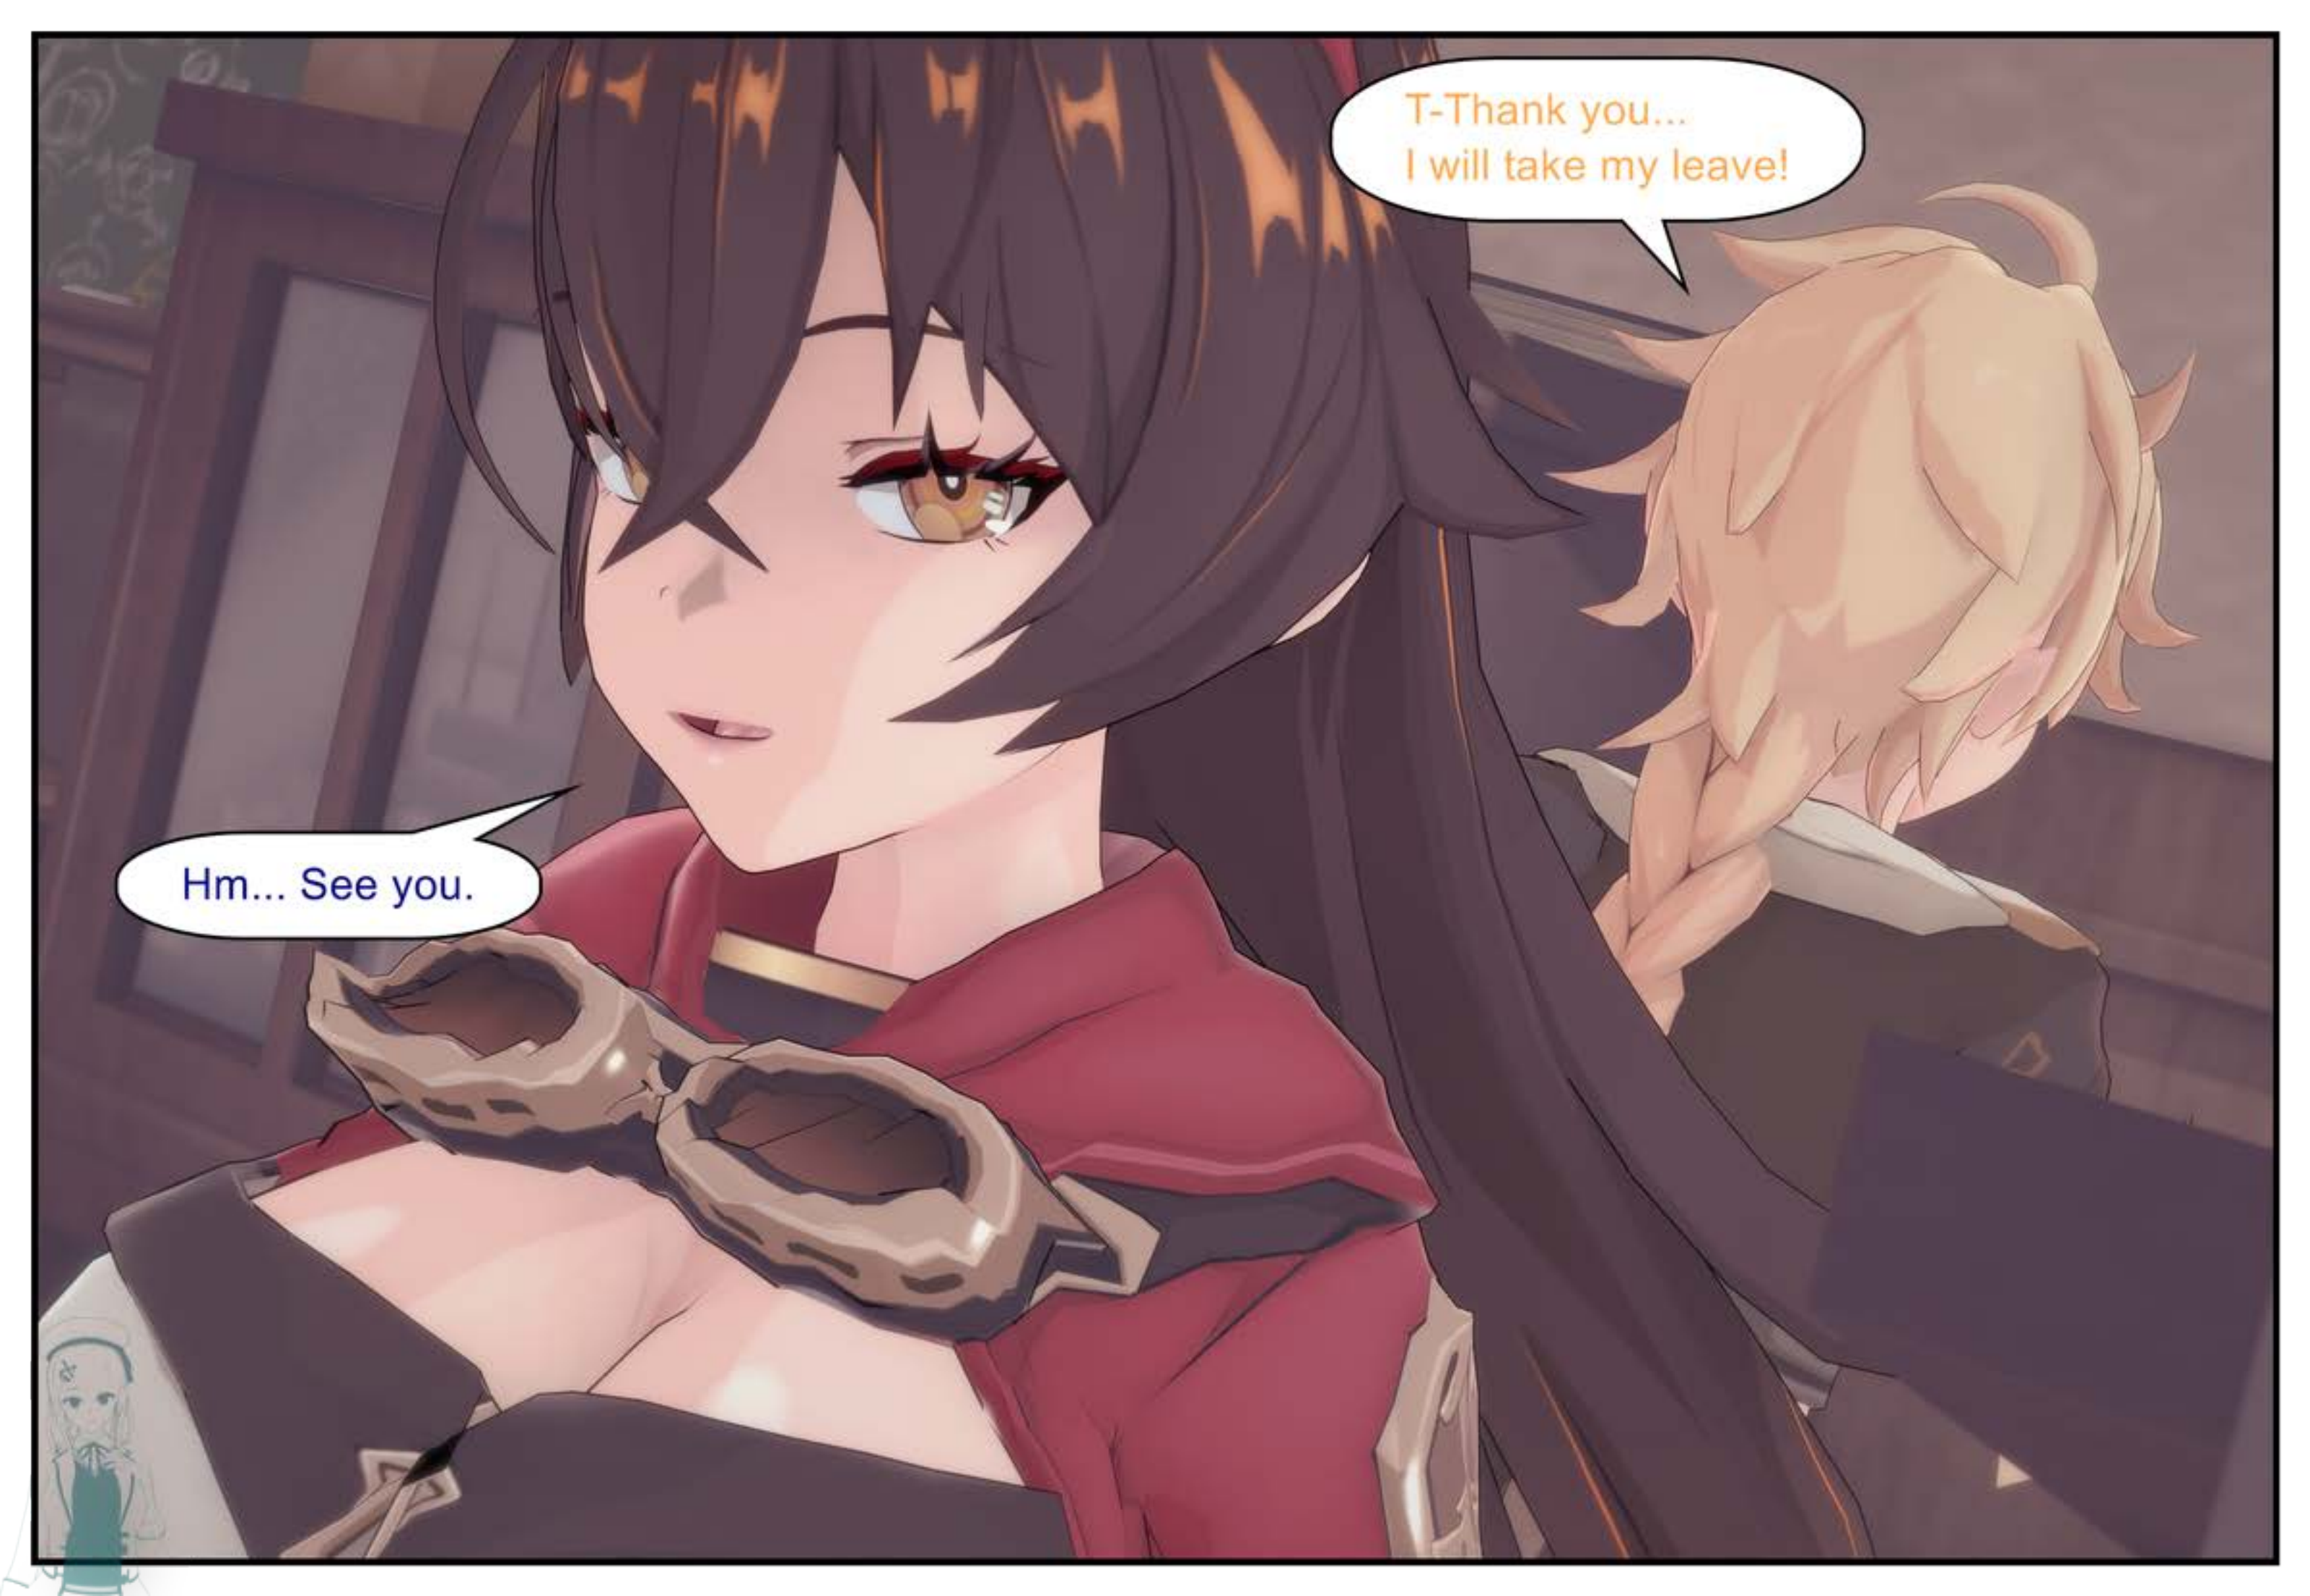

But I don't know if  
other people see this...

T-Thank you...  
I will take my leave!

Hm... See you.

"I accidentally mixed something with potions."

"The result was...  
both my soul and body  
became one with the hat."

"As long as someone put it on..."

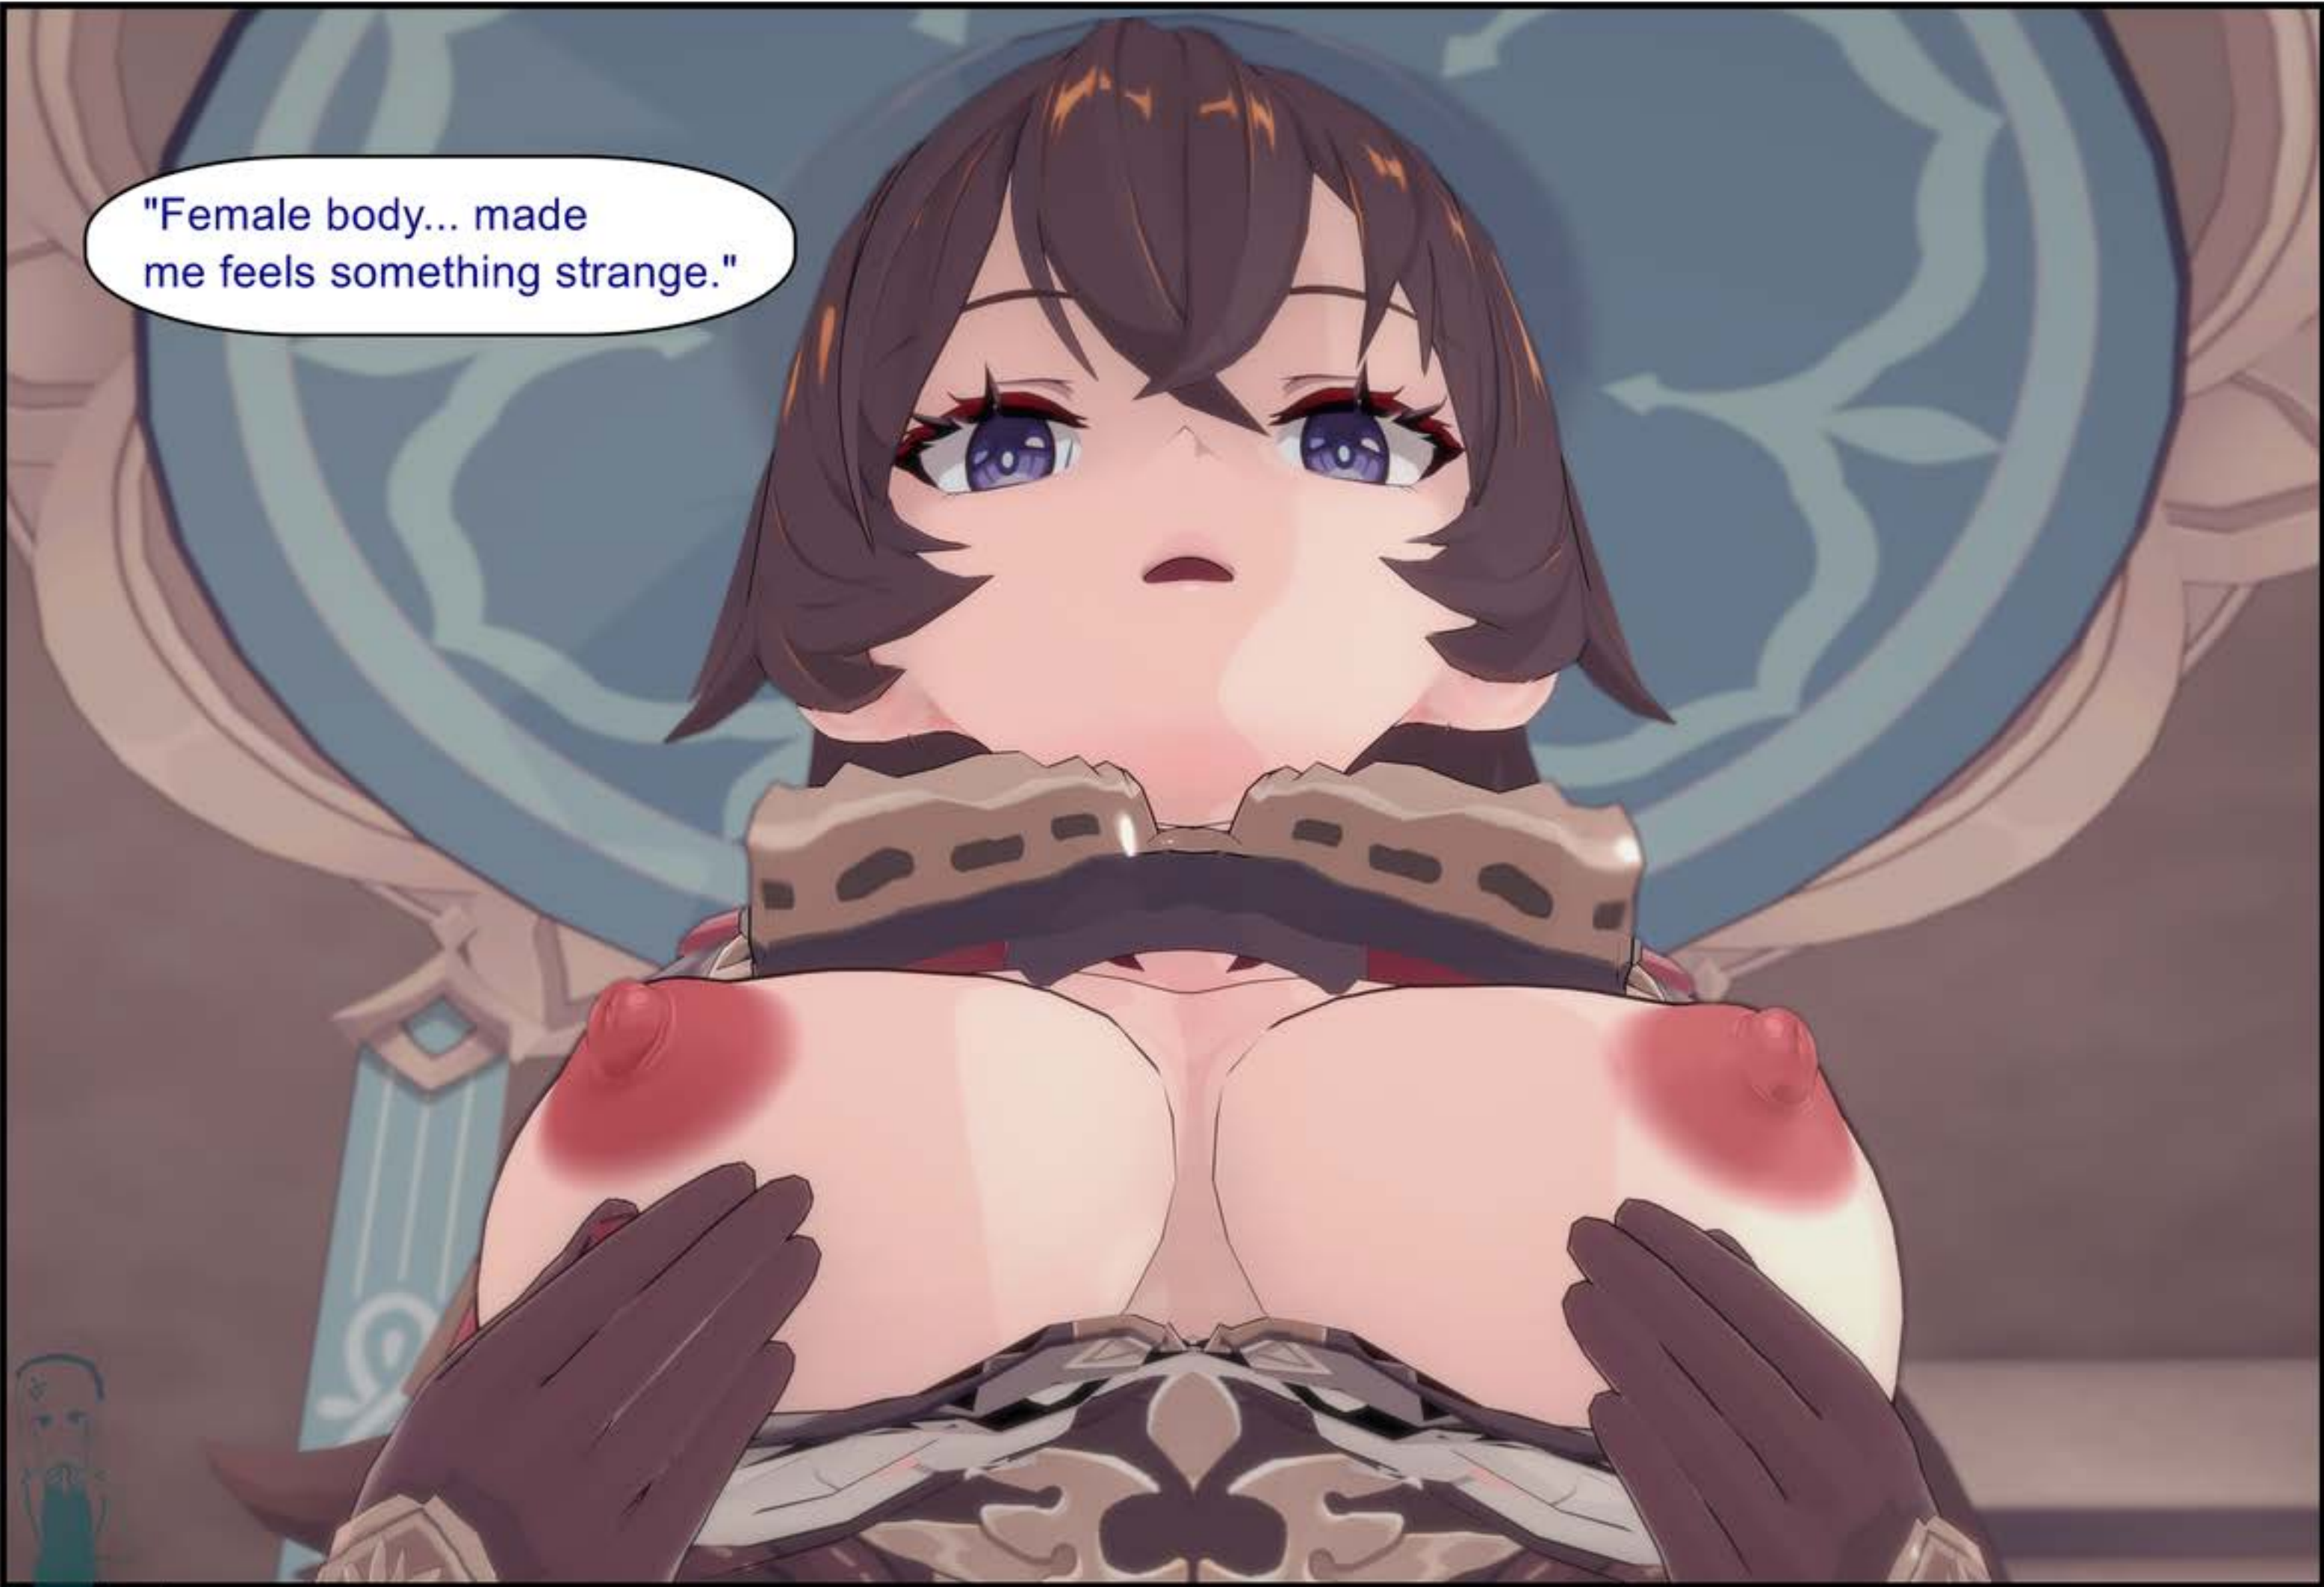

"I will be able to take over that person's body."

"Female body... made  
me feels something strange."

"I should get use to  
until I find a way  
back to normal."

A-Ah...

An urge feeling...  
Hah... Um...

"Whole body is  
trembling..."

I see... This is how we express inside a woman's body.

"And I'm no longer  
feel bored in this trip."

"Also, there's something that I haven't tested."

Haha...

"If I wanted to perform experiment..."

"...Adventure Guild  
would be a good place  
to start."

Good morning, Amber.

Q-Quest...?

Do you have any  
quest for me?

A-Amber... They are  
for Adventurer only...

Is that so...?

"Tsk... I don't want  
to waste time with  
weak mob on the field."

Hey, are you  
done yet?

Don't you see I'm  
busy here, bald?

W-What!?

A-Amber... He was  
the strong soldier...

This little one...  
I will show you  
some manners!

Uhhhh aaaaarrrggghhh!!!

Stop it! Both  
of you!!!

Think you can  
handle this!?

Flame up!!!

What did you say before? Show me some manners?

A character with long white hair, wearing a red and white outfit with a gold emblem on their thigh, stands over a person lying on the ground. The scene is set in a stone building with a balcony. A speech bubble contains the text "Open your eyes and see it again."

Open your eyes  
and see it again.

You already lost from the beginning.

What's going on  
in here!?

Amber... You understand it as a Knight of Favonius.

Do not use Vision to  
attack normal people.

Tch... I'm not dumb,  
so shut up, will you?

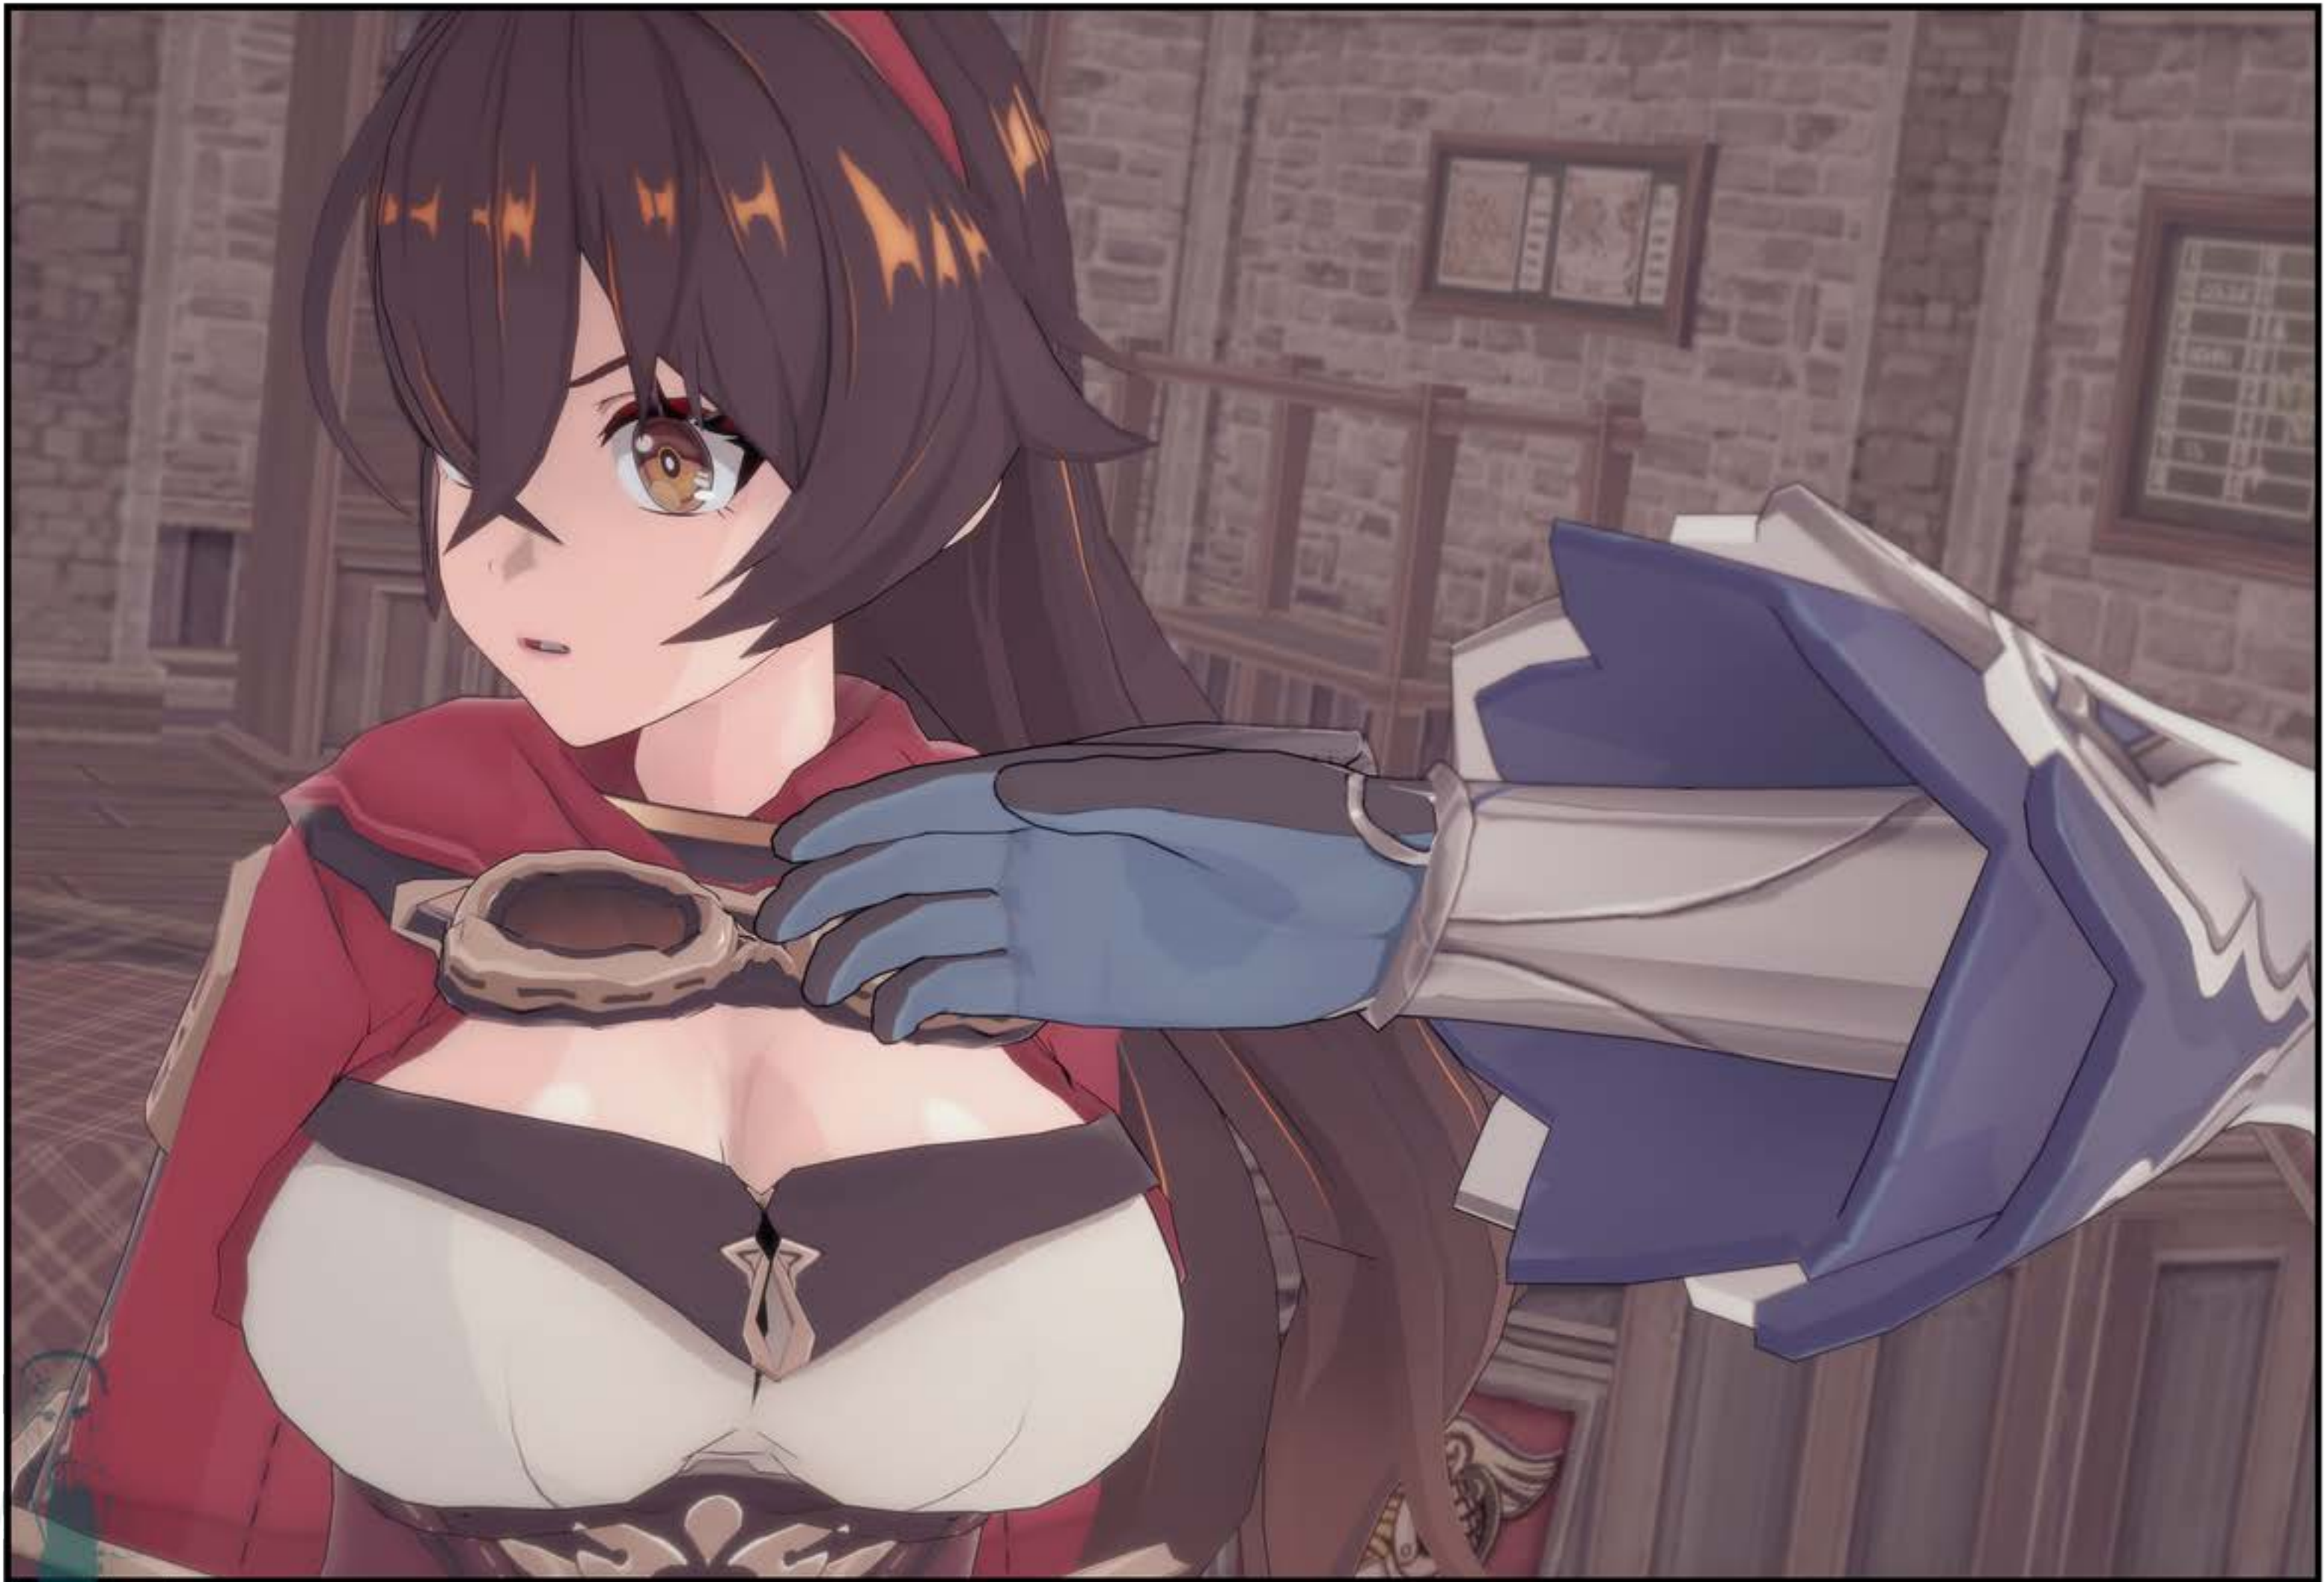

A close-up illustration of a character's legs from the waist down. The character is wearing a dark, possibly black or dark blue, outfit with intricate, light-colored patterns and designs. The outfit includes a corset-like top, thigh-high stockings or leggings, and high-heeled shoes with decorative elements. The character is standing on a stone or brick floor. In the background, there are stone walls and architectural details, suggesting an indoor setting like a courtyard or a large room. The lighting is soft, highlighting the textures of the clothing and the floor.

Lucky for him that I haven't killed...

We will talk about  
this outside, Amber!

"This knight... She  
think herself is  
honorable enough..."

Long time no see...

Y-You are...

Don't tell me... you forgot your past-self?

So... You reseted everything, even yourself?

Yes, you were just  
an error version of me.

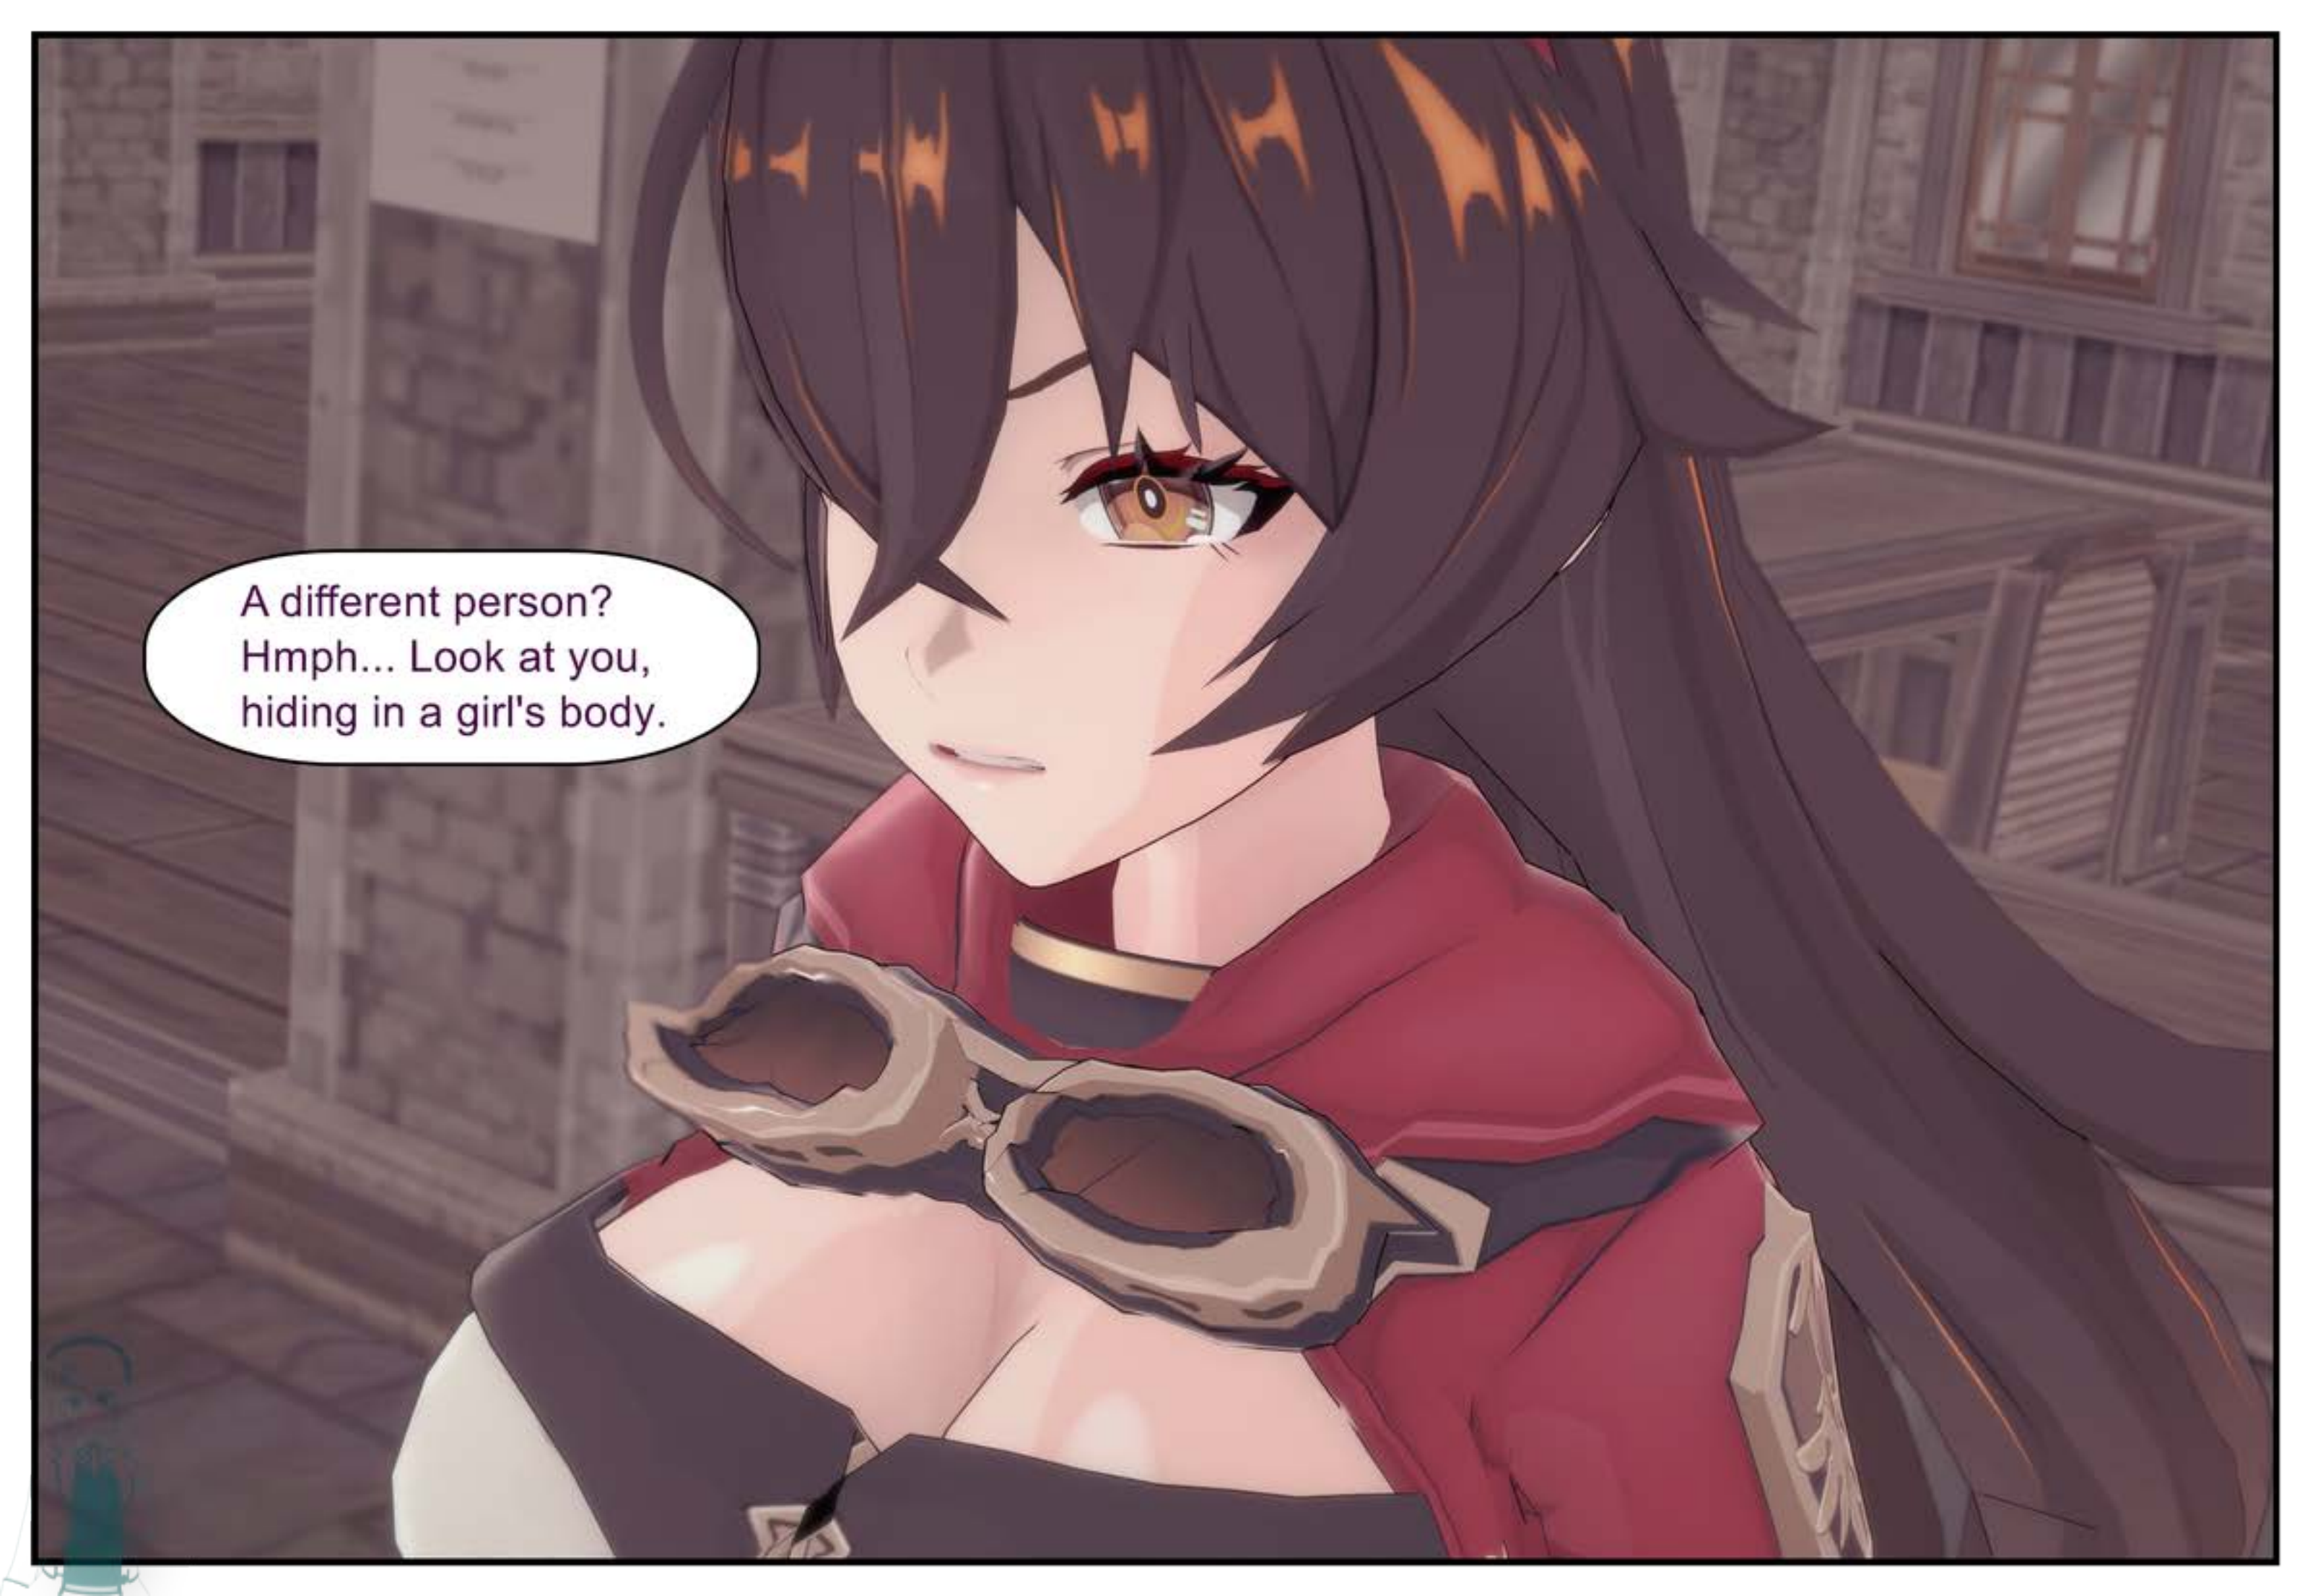

I'm now a completely different person.

Amber... Who is she talking to?

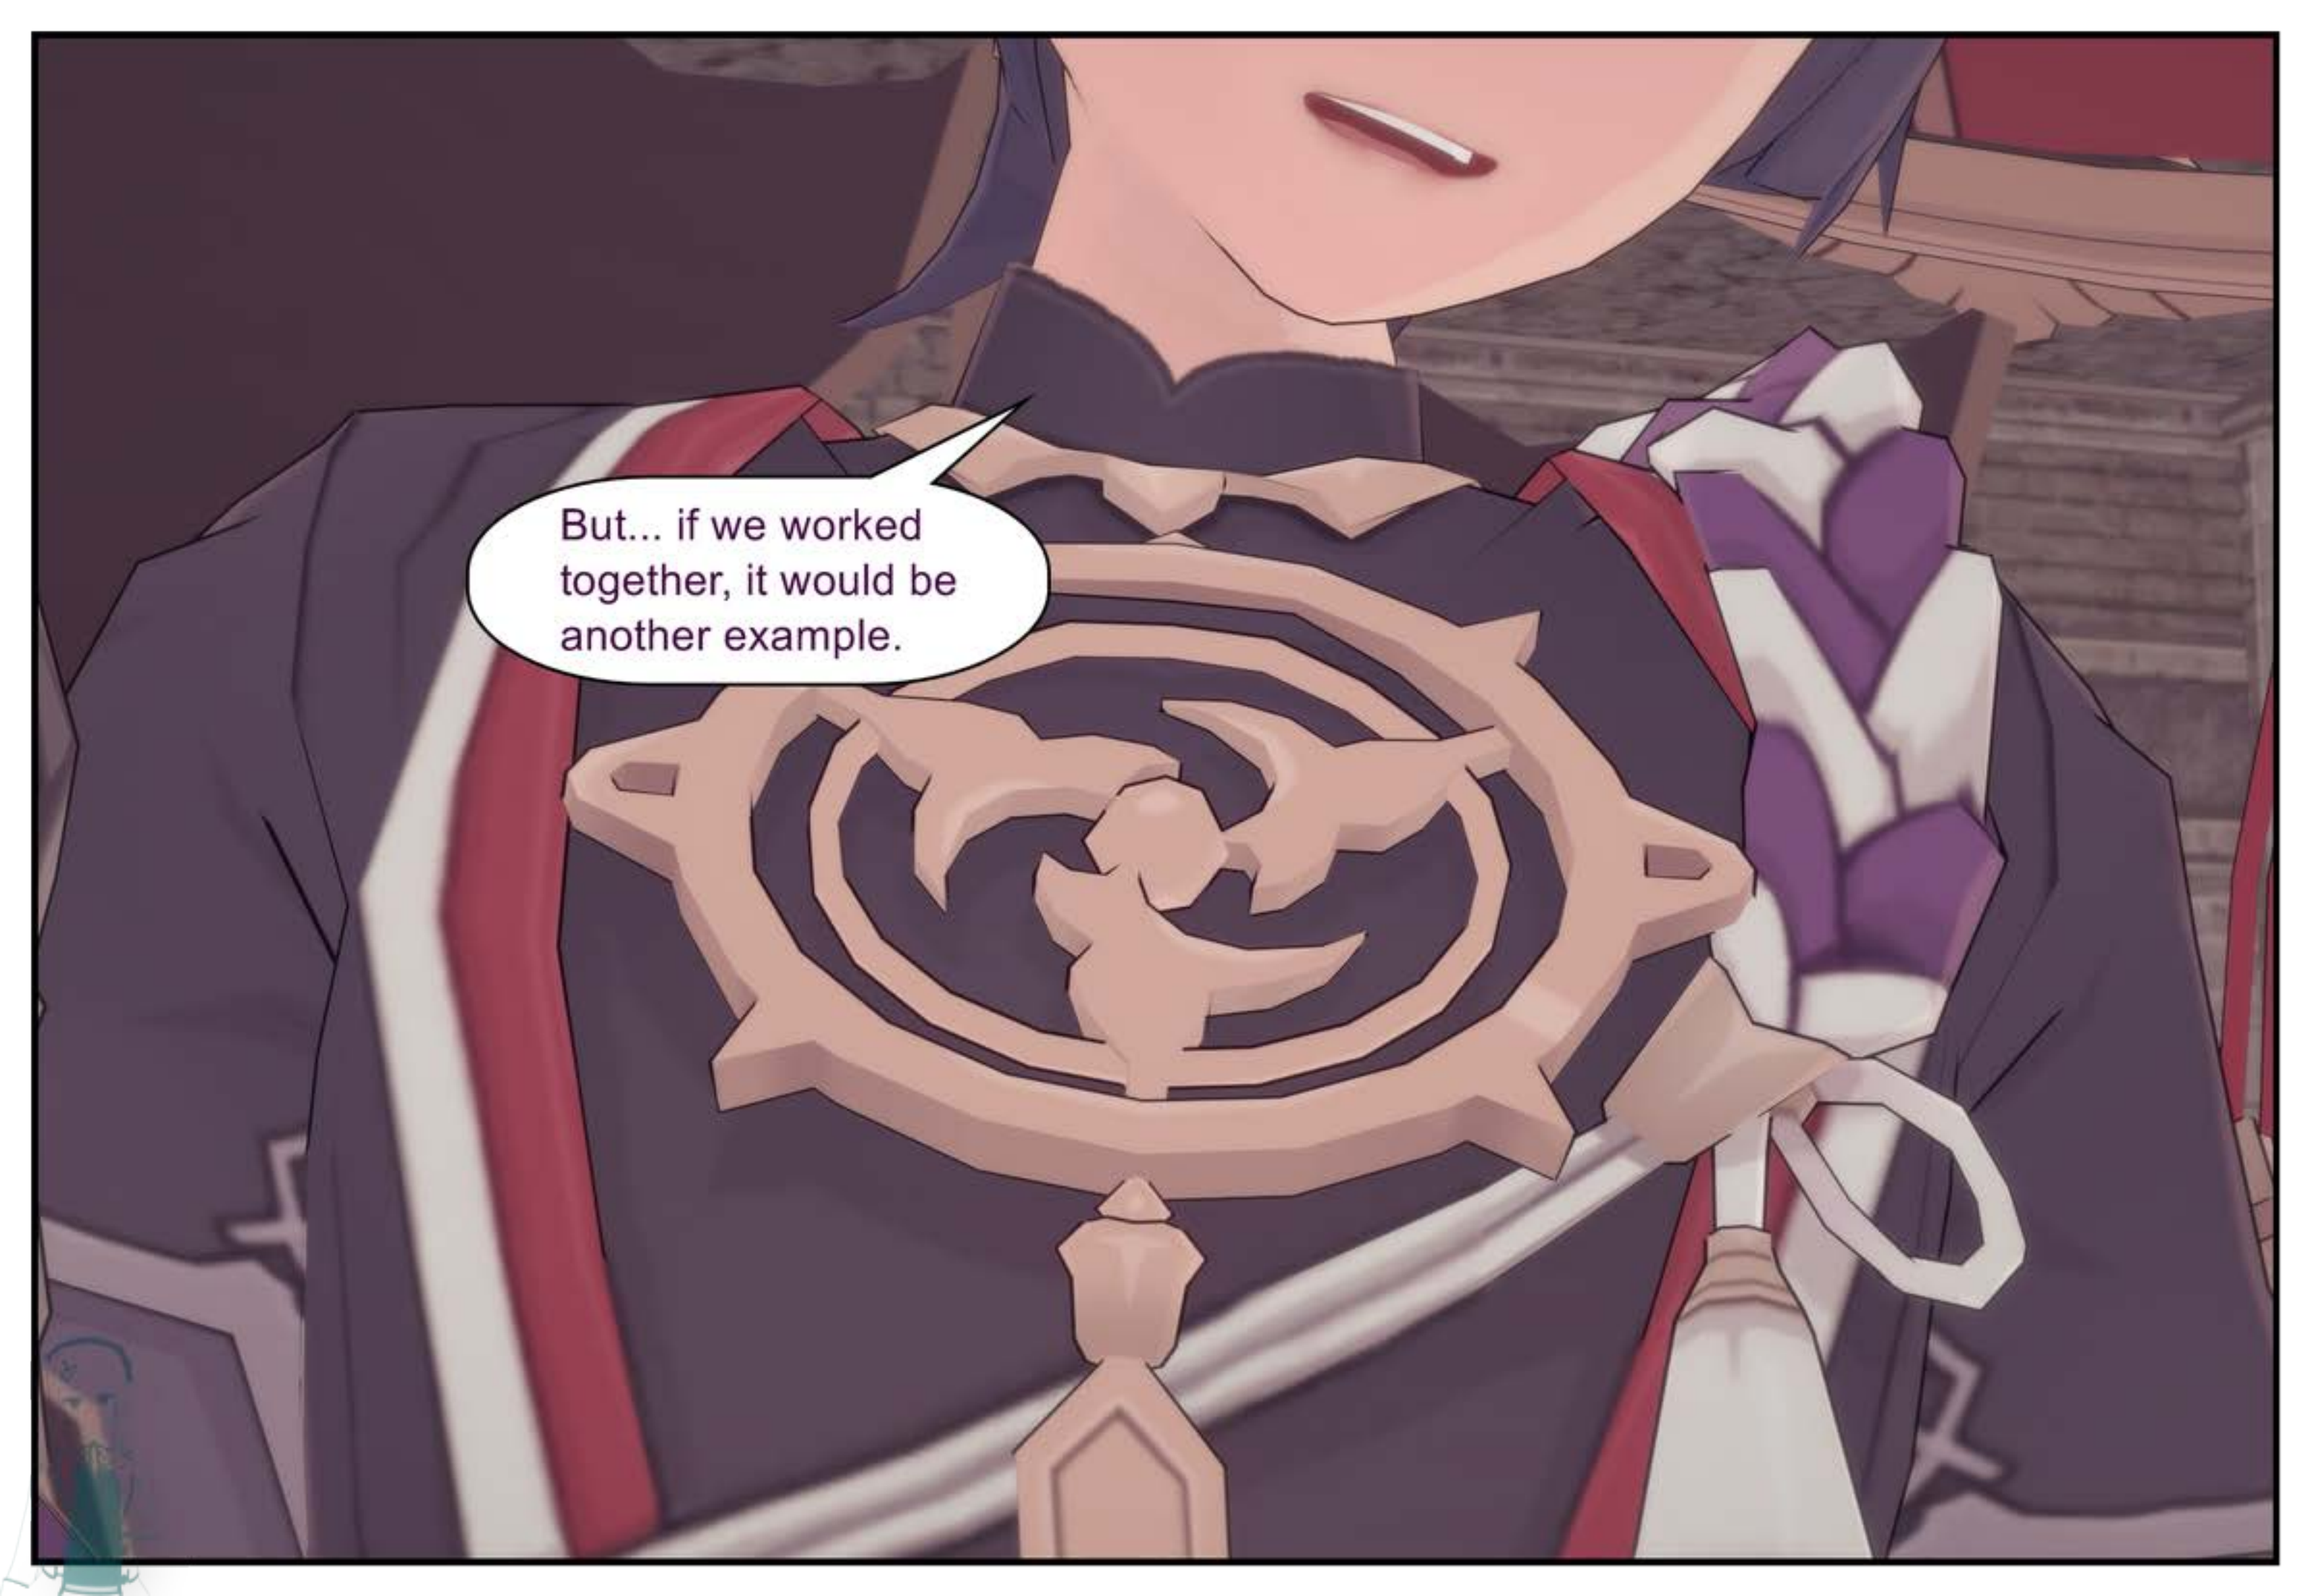

A different person?  
Hmph... Look at you,  
hiding in a girl's body.

Same as always. You never know how to use your power well.

But... if we worked together, it would be another example.

Start with the girl  
who just slapped  
you in the face...

This is... just in  
time I have nothing  
else to do.

I will return her  
in full.

Start to explain,  
Amber.

Do you understand that action will have consequences?

What you did back there was not right...

Um... Nn... Nn...  
Un... Mm... Chu...

Hah... Ah.. Amber?

Um... Nn... Chu...  
Mm... Nn... Chu...

Nn... Slurp... Um...  
Nn... Mm... Mm...

Um... Nn... Slurp...

Let's get naughty  
together...

A-Ah...

A-Amber... This is not... appropriate...

Why not? Hm?

Why can't I play  
with you for just  
a moment?

Come on, it will be fun...

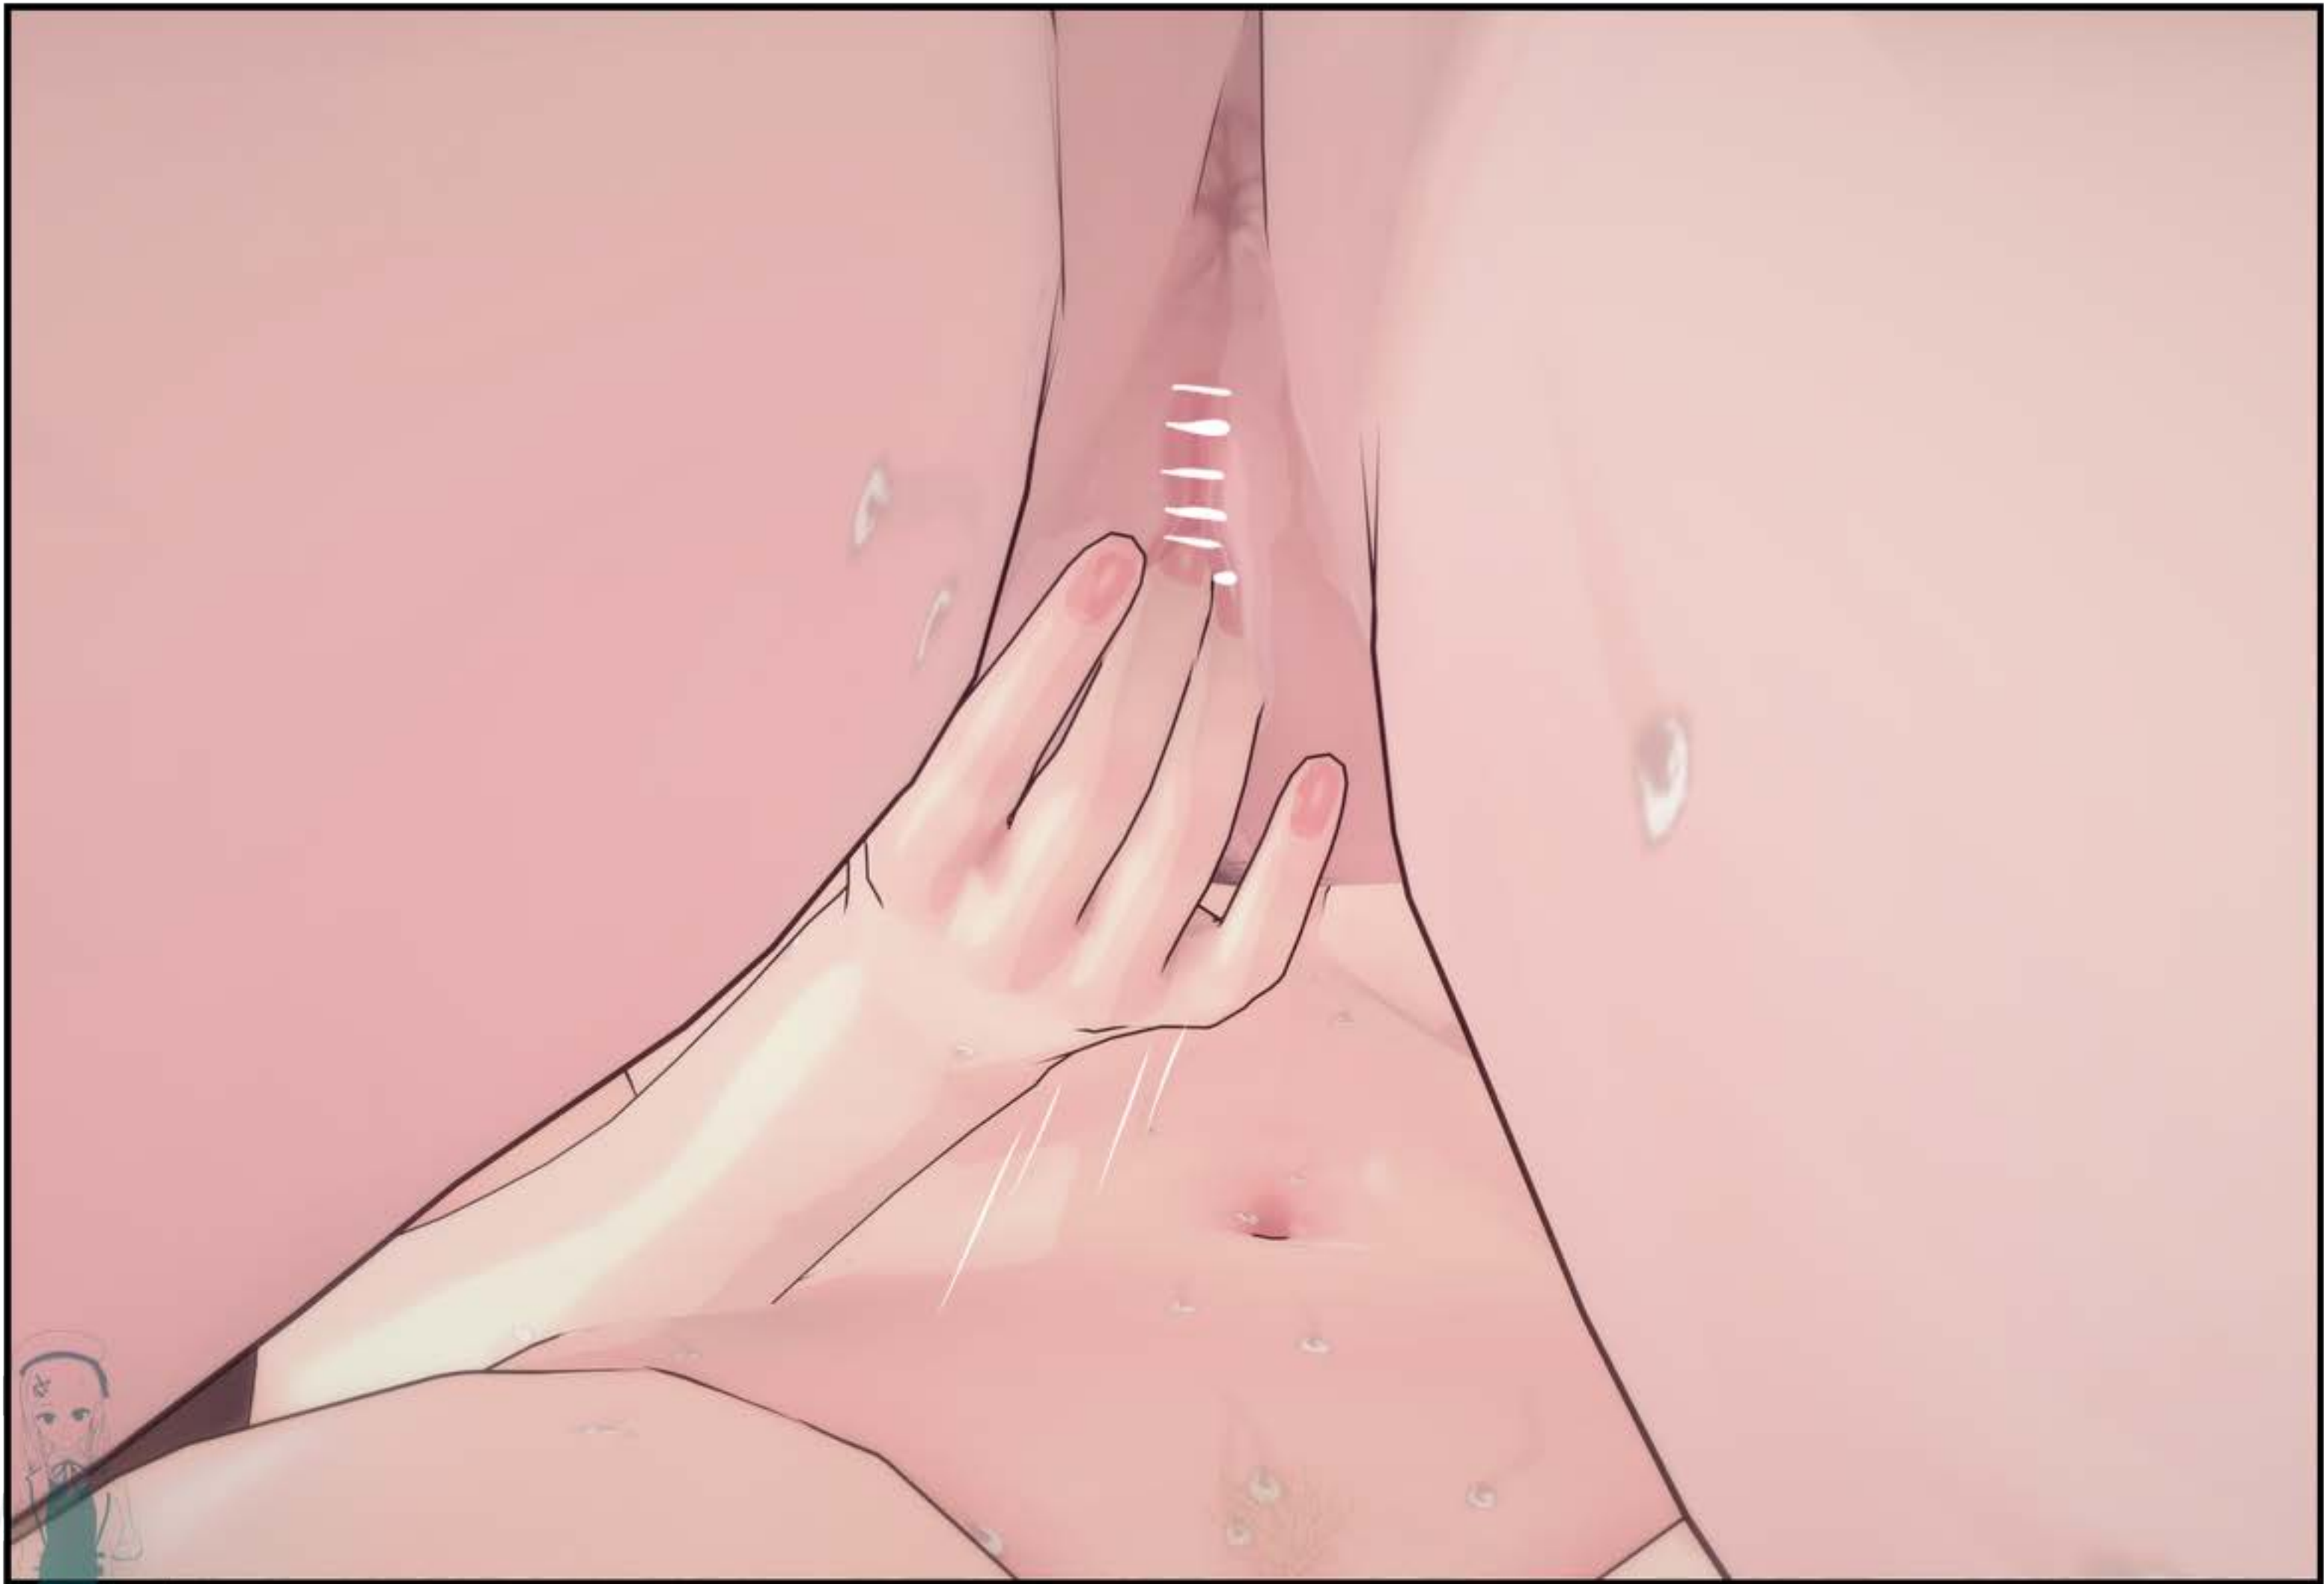

This is... for the  
slap you gave me.

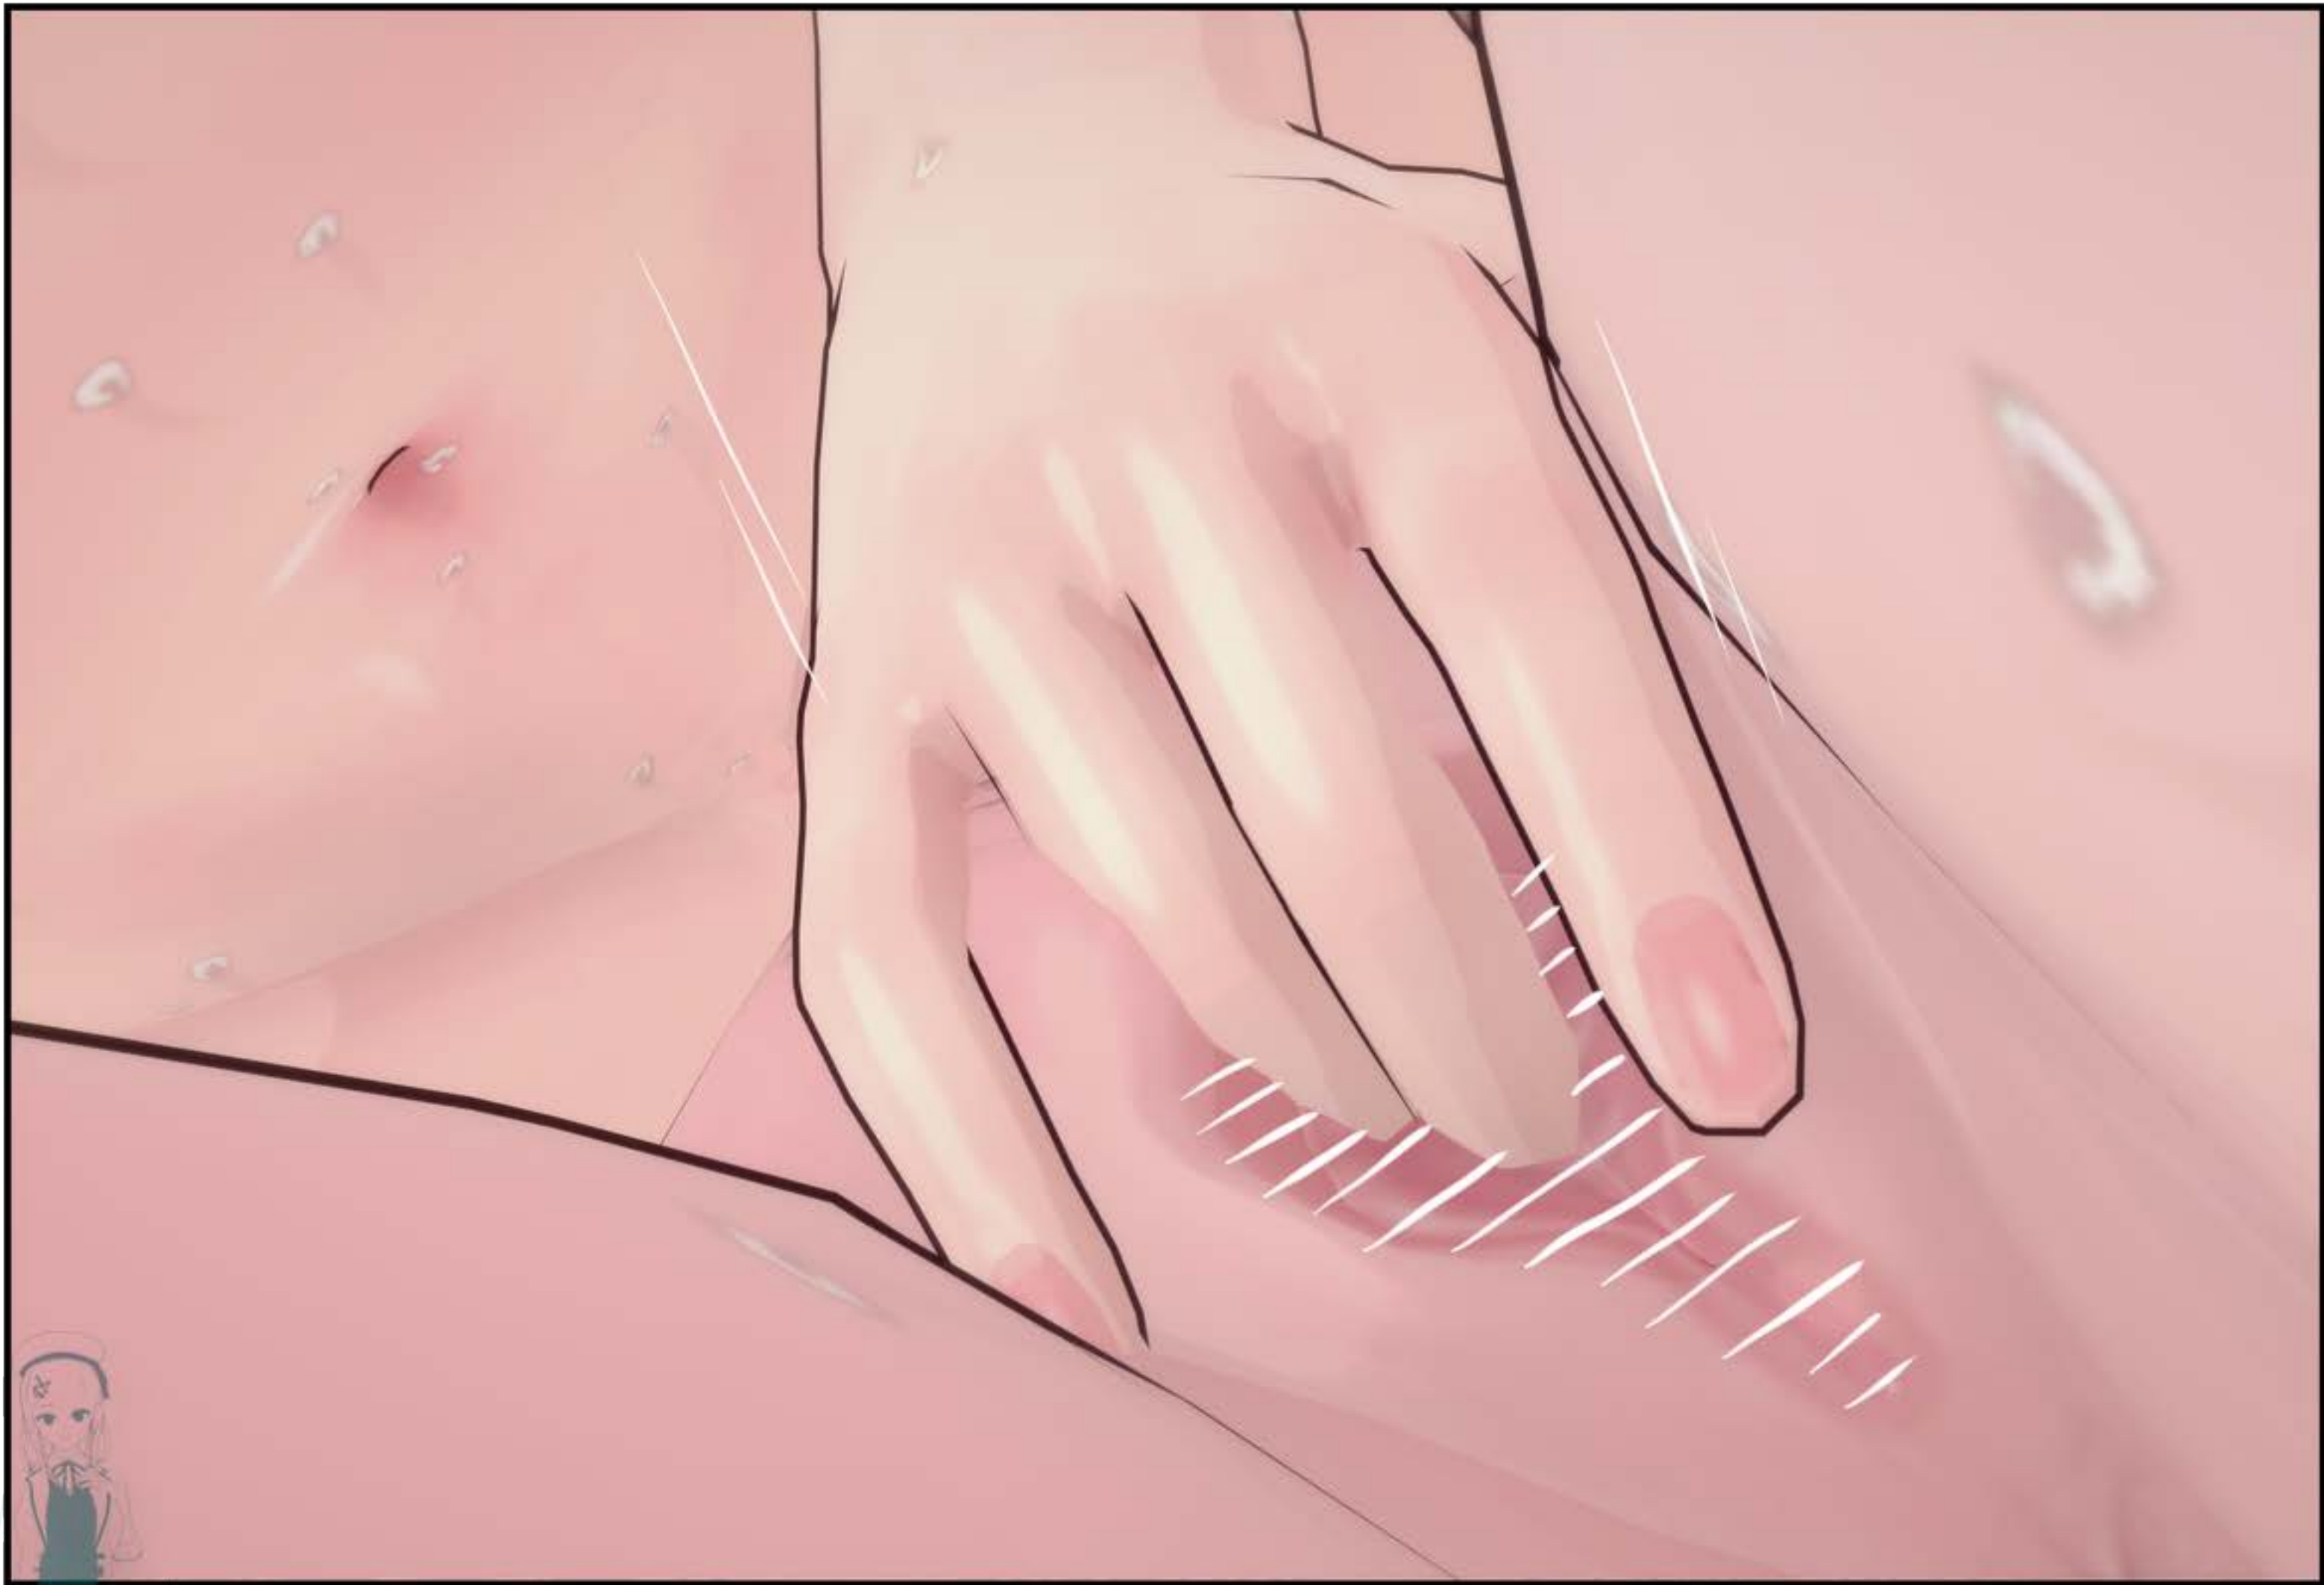

I knew it... You are not...

Let it go... Don't hold back...

How do you feel now?

Stay back!!! You are not Amber! Who in the world are you!?

H-Hey...

W-What is this hat!?  
Get it off!!!

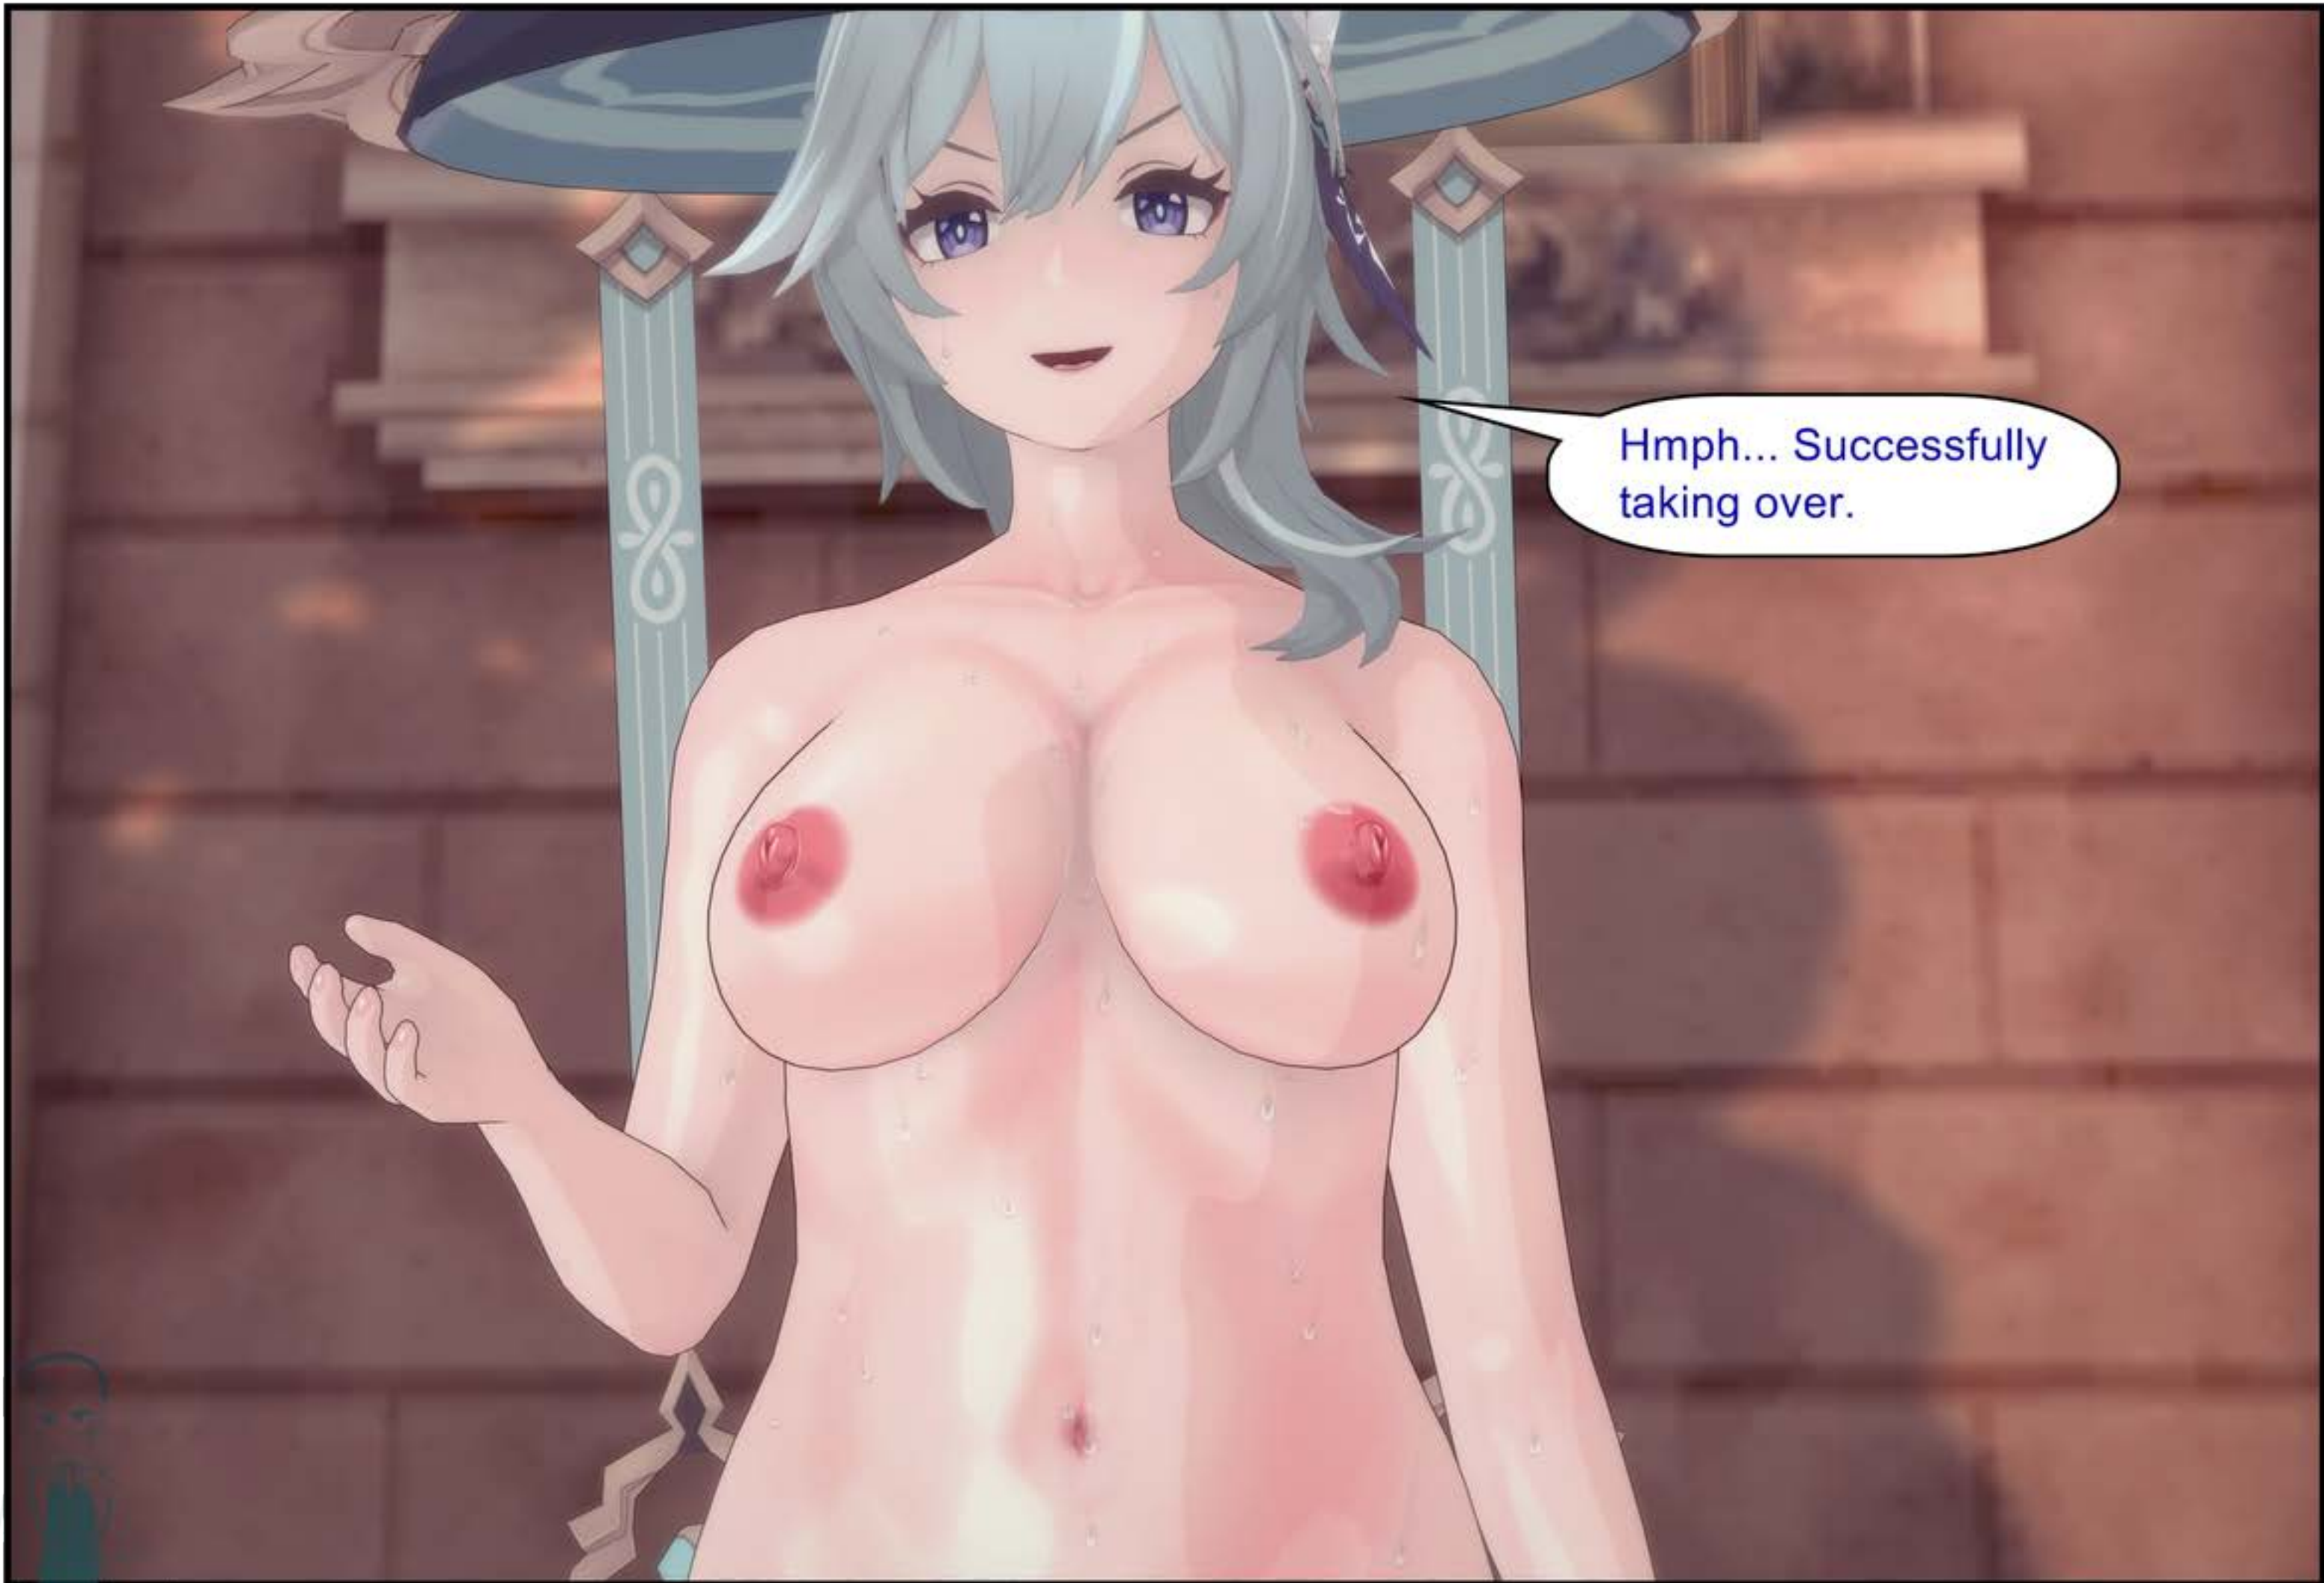

Hmph... Successfully taking over.

I don't think this is  
enough fun yet...

"I want more..."

"Is that... Nilou and Traveler?"

Ah... I'm so full

You traveled far  
from Sumeru here,  
it's already late.

Sorry for... troubling  
you a lot.

It's okay. I don't  
really mind.

Are you going to  
let them be that way?

Of course not.

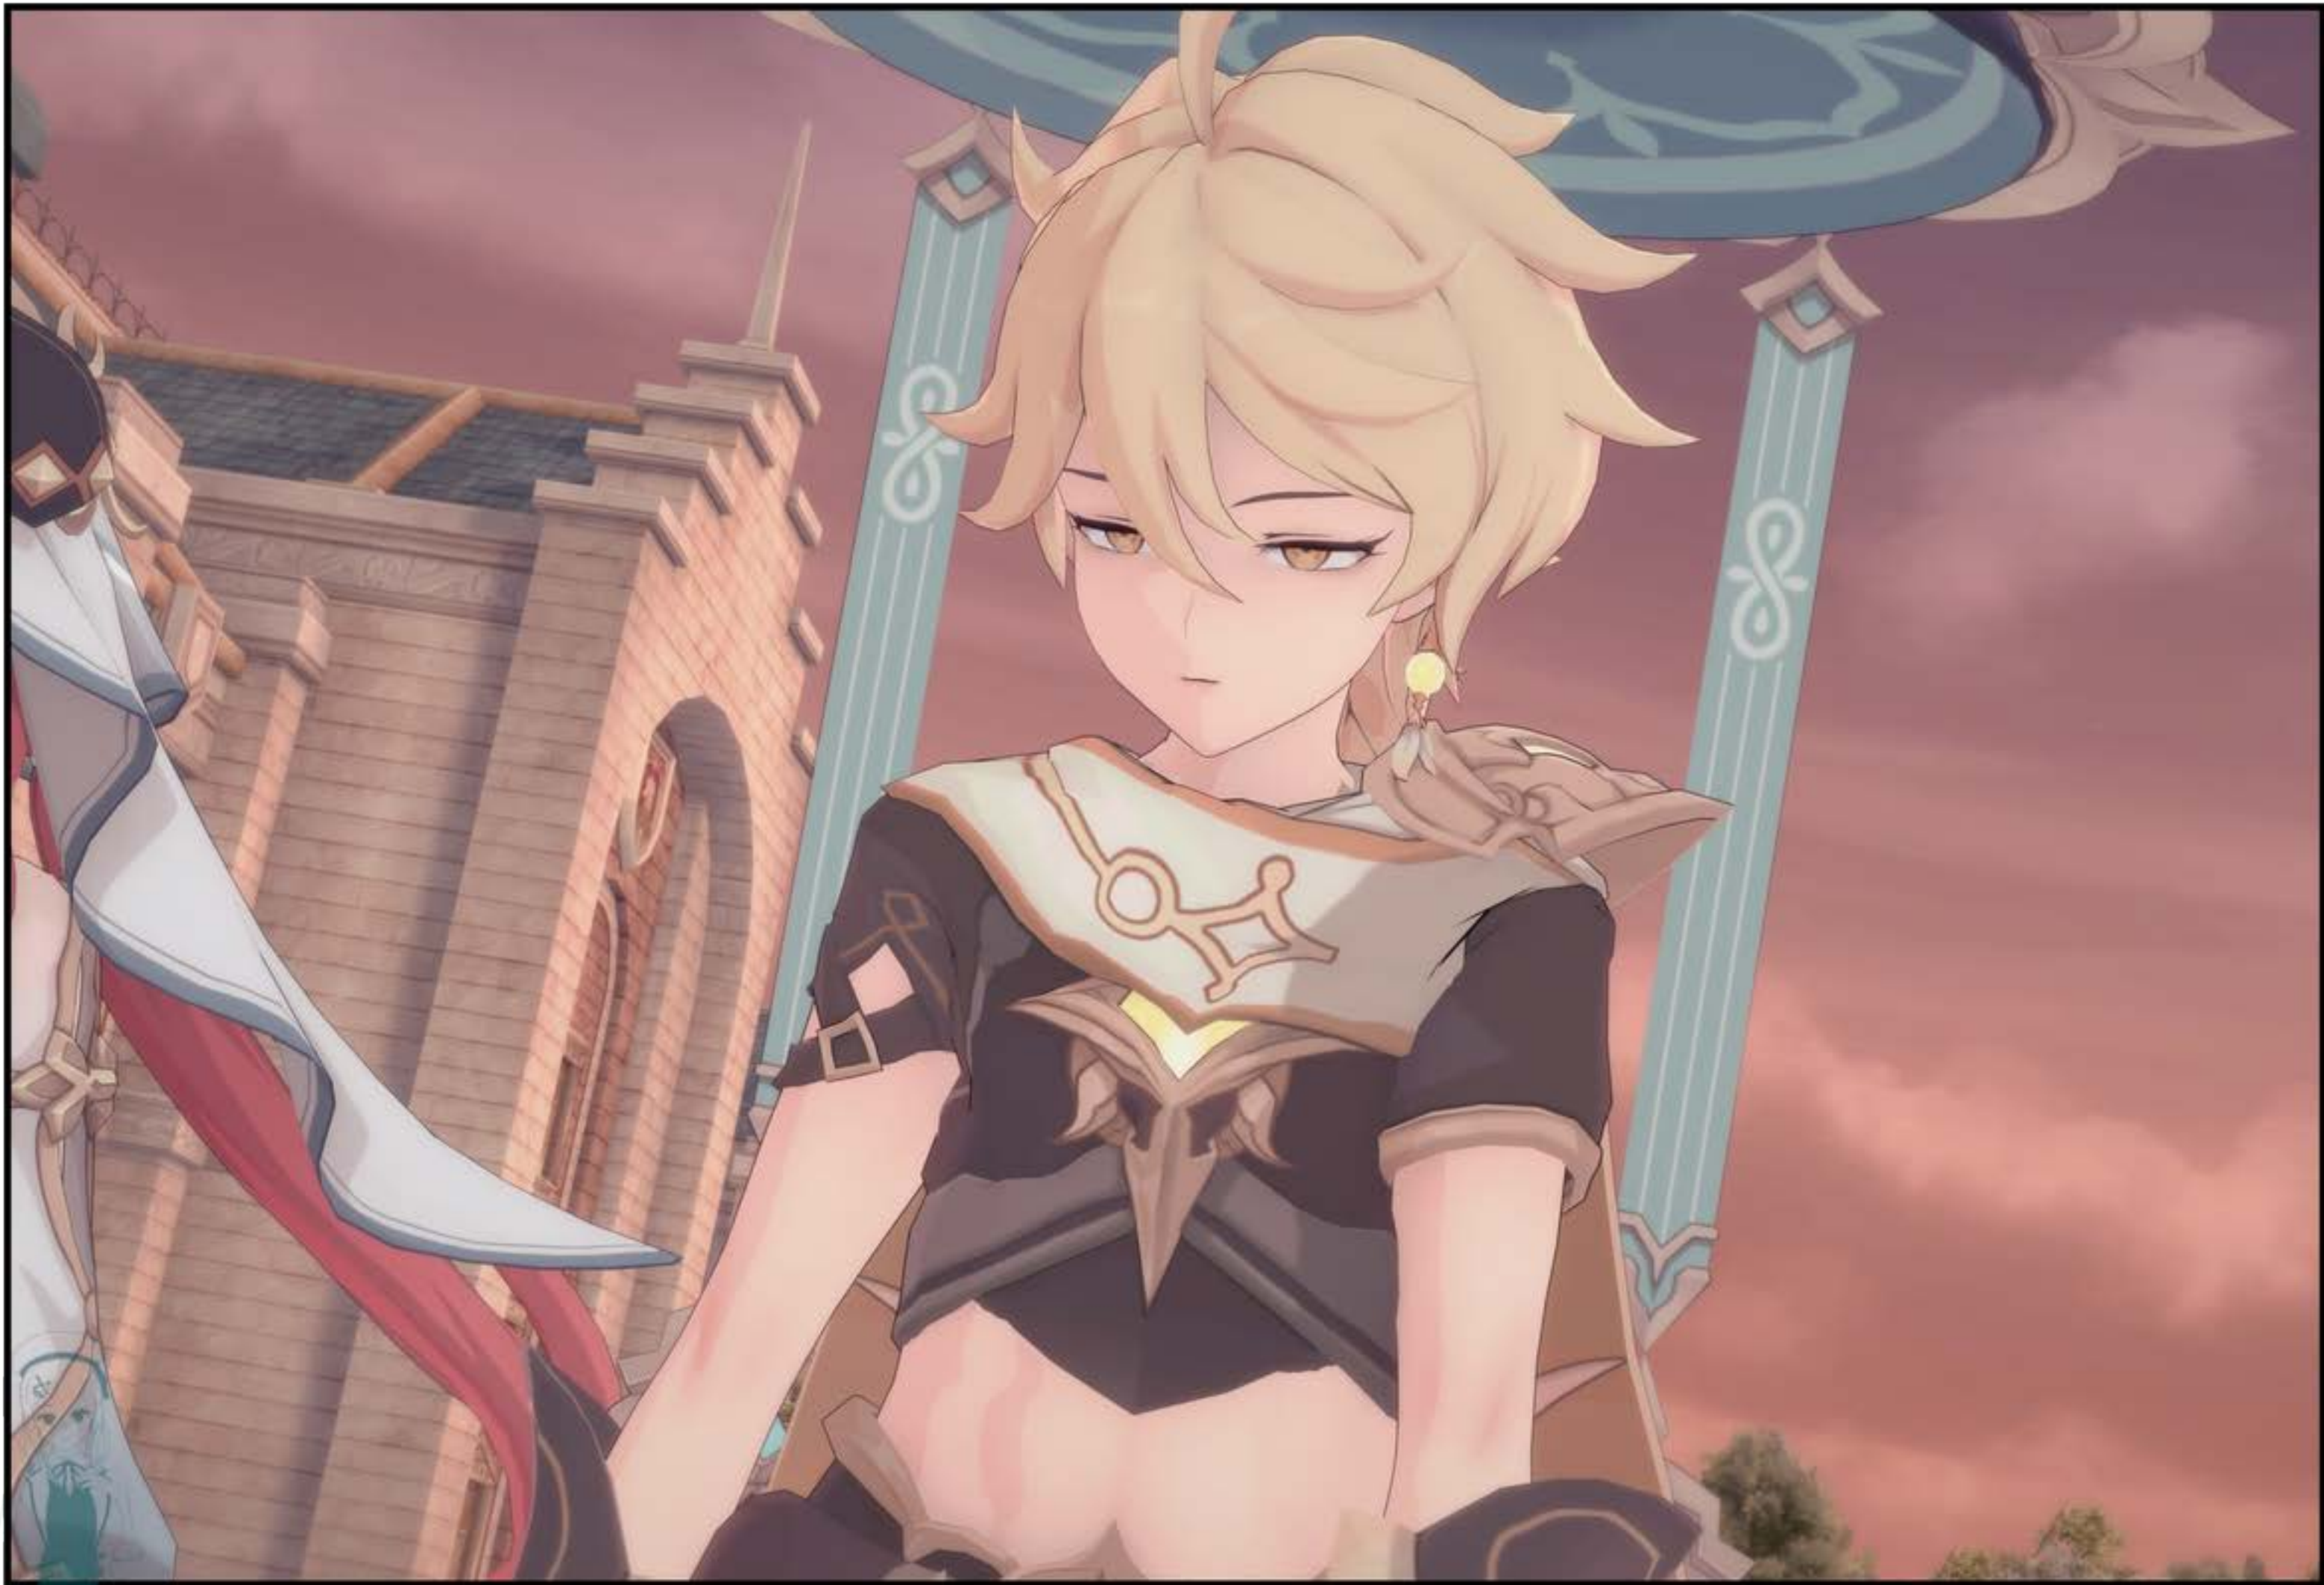

Nilou...?

Traveler? Is there something wrong?

No, what is it, Nilou?

I think... we should  
go somewhere... private.

Um. I'm excited for it.

"Body swap... but they didn't know that they were swapped."

It feel... so good...

Uhm.

Y-Yes... Nilou...  
Can you...

Uh... Um...

Slurp... Um... Nn...  
Nn... Um...

Um... Nn... Nn...  
Slurp... Mm... Nn...

Slurp... Uck... Mm...  
Nn... Slurp... Um...

A red-haired anime-style woman with a pixelated mouth is eating a large piece of food from a large hand. She has a speech bubble above her head containing the text "Ah... Mm.. Un... Slurp... Unm...".

Ah... Mm.. Un...  
Slurp... Unm...

Slurp... Nn... Mm...  
Nn... Mm... Slurp...

N-Nilou... I'm  
cuminnnggggg!!!

U-Uh Um...  
Who... am I...?

To be continued?

"Oh...? Look like something happen."
