They still talk about it
The one day in town
When a blob monster came
And vored everyone around

It was Balthazar's fault
He created the beast
But let me tell you the story
Of the Gobbledegoop's feast!

Balthazar was in his room
Doing a science task
When two compounds mixed
And oozed out of it's flask

It was green, it was thick
And it was slimy, and what's more
It was very very hungry
As it leaped out the door

Balthazar took it to a scientist friend...

But the Gobbledegoop swallowed him up!

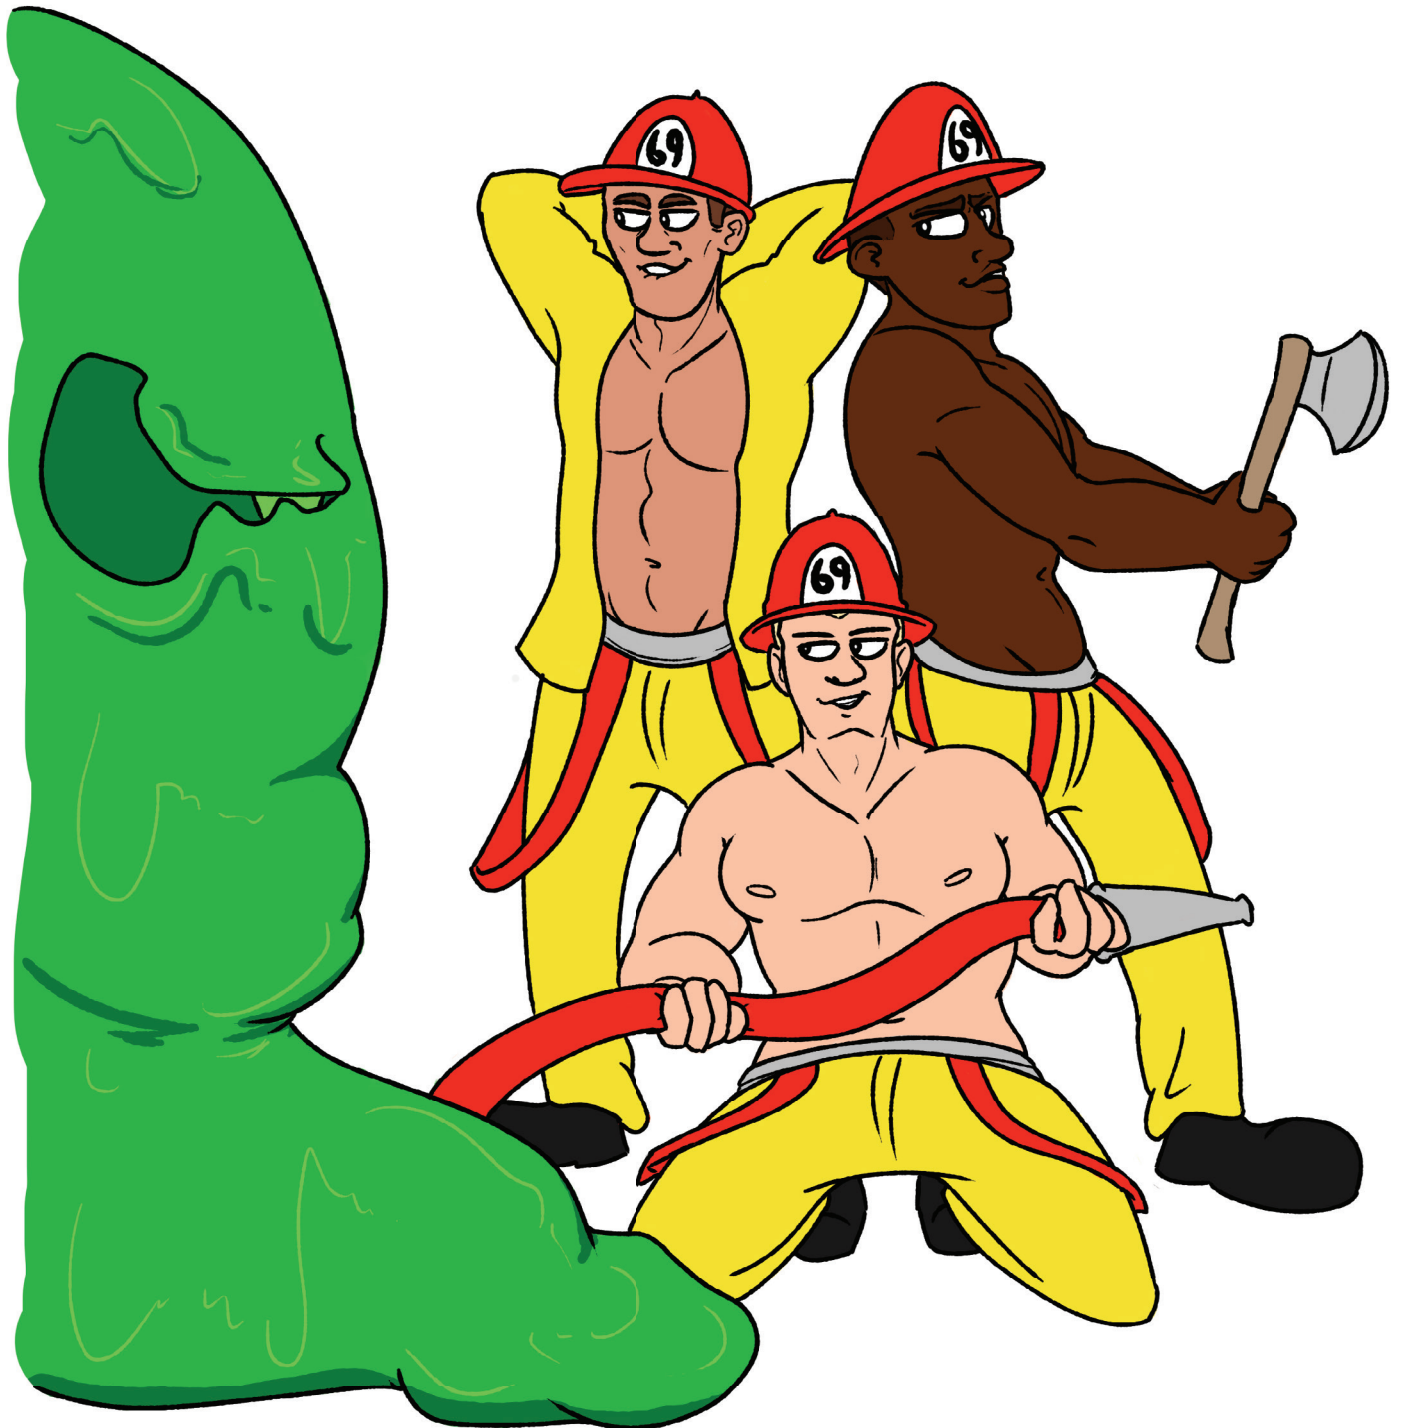

He tried to warn the other scientists...

But it swallowed them up too!

He asked three firemen for help...

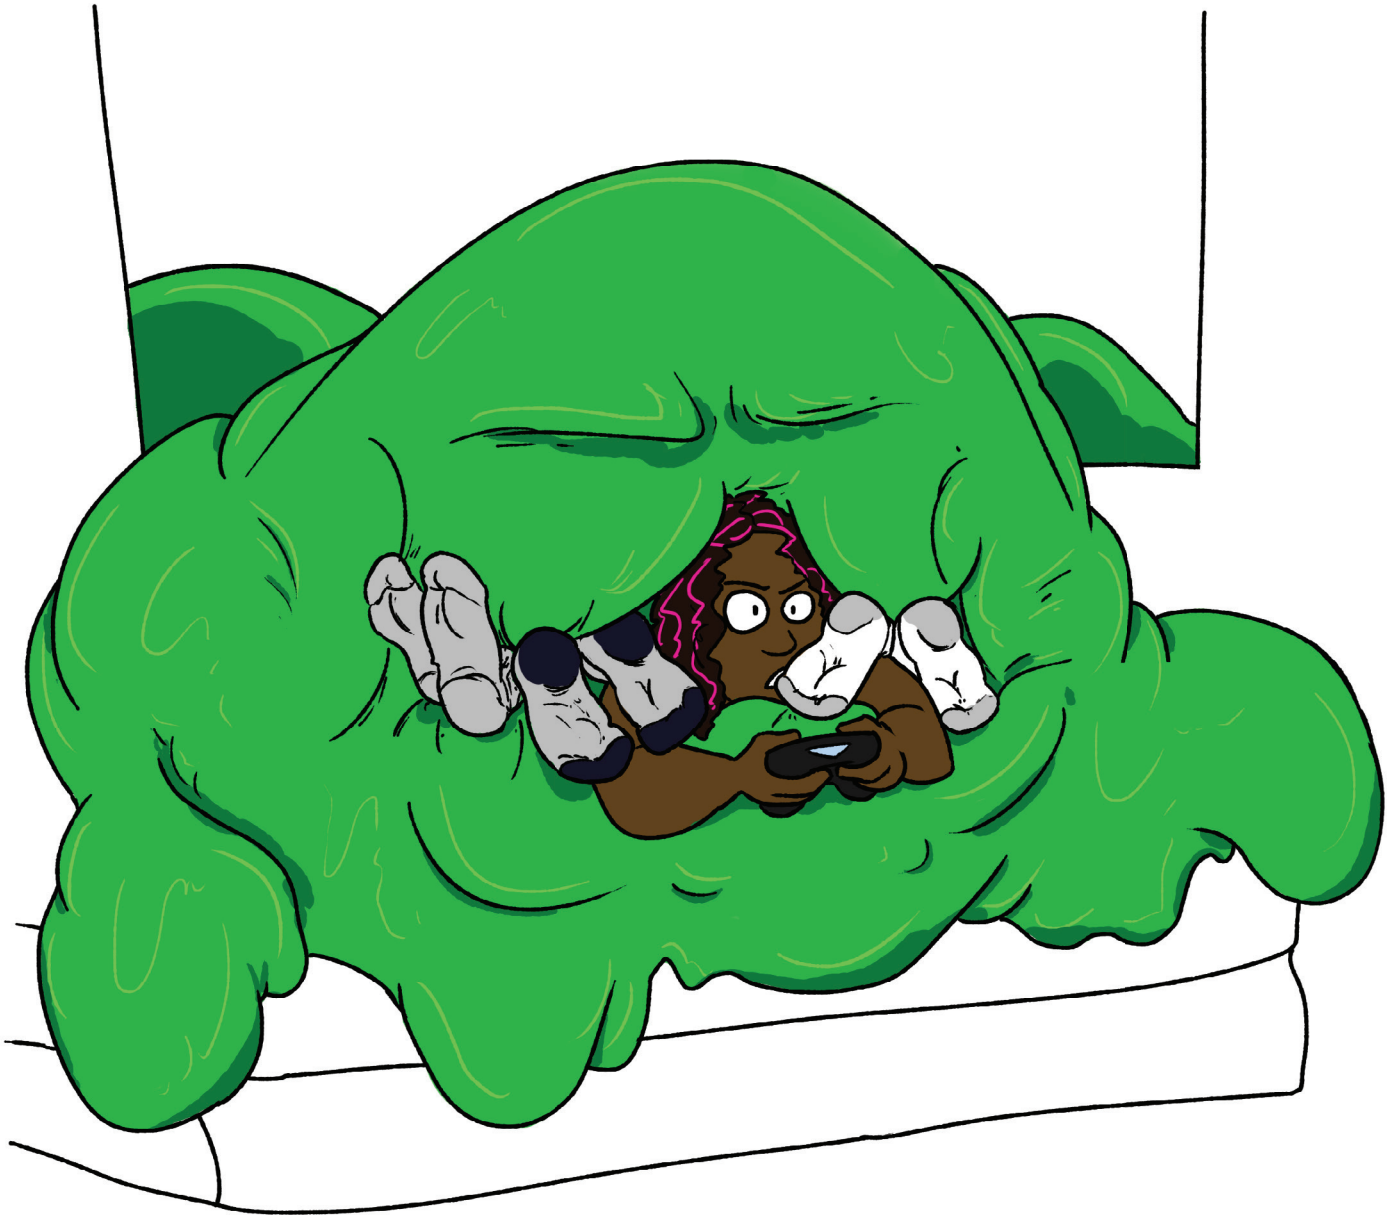

But it swallowed them up too!

The Gobbledegoop found four gamers...

But it swallowed them up too!

He recruited five surfers...

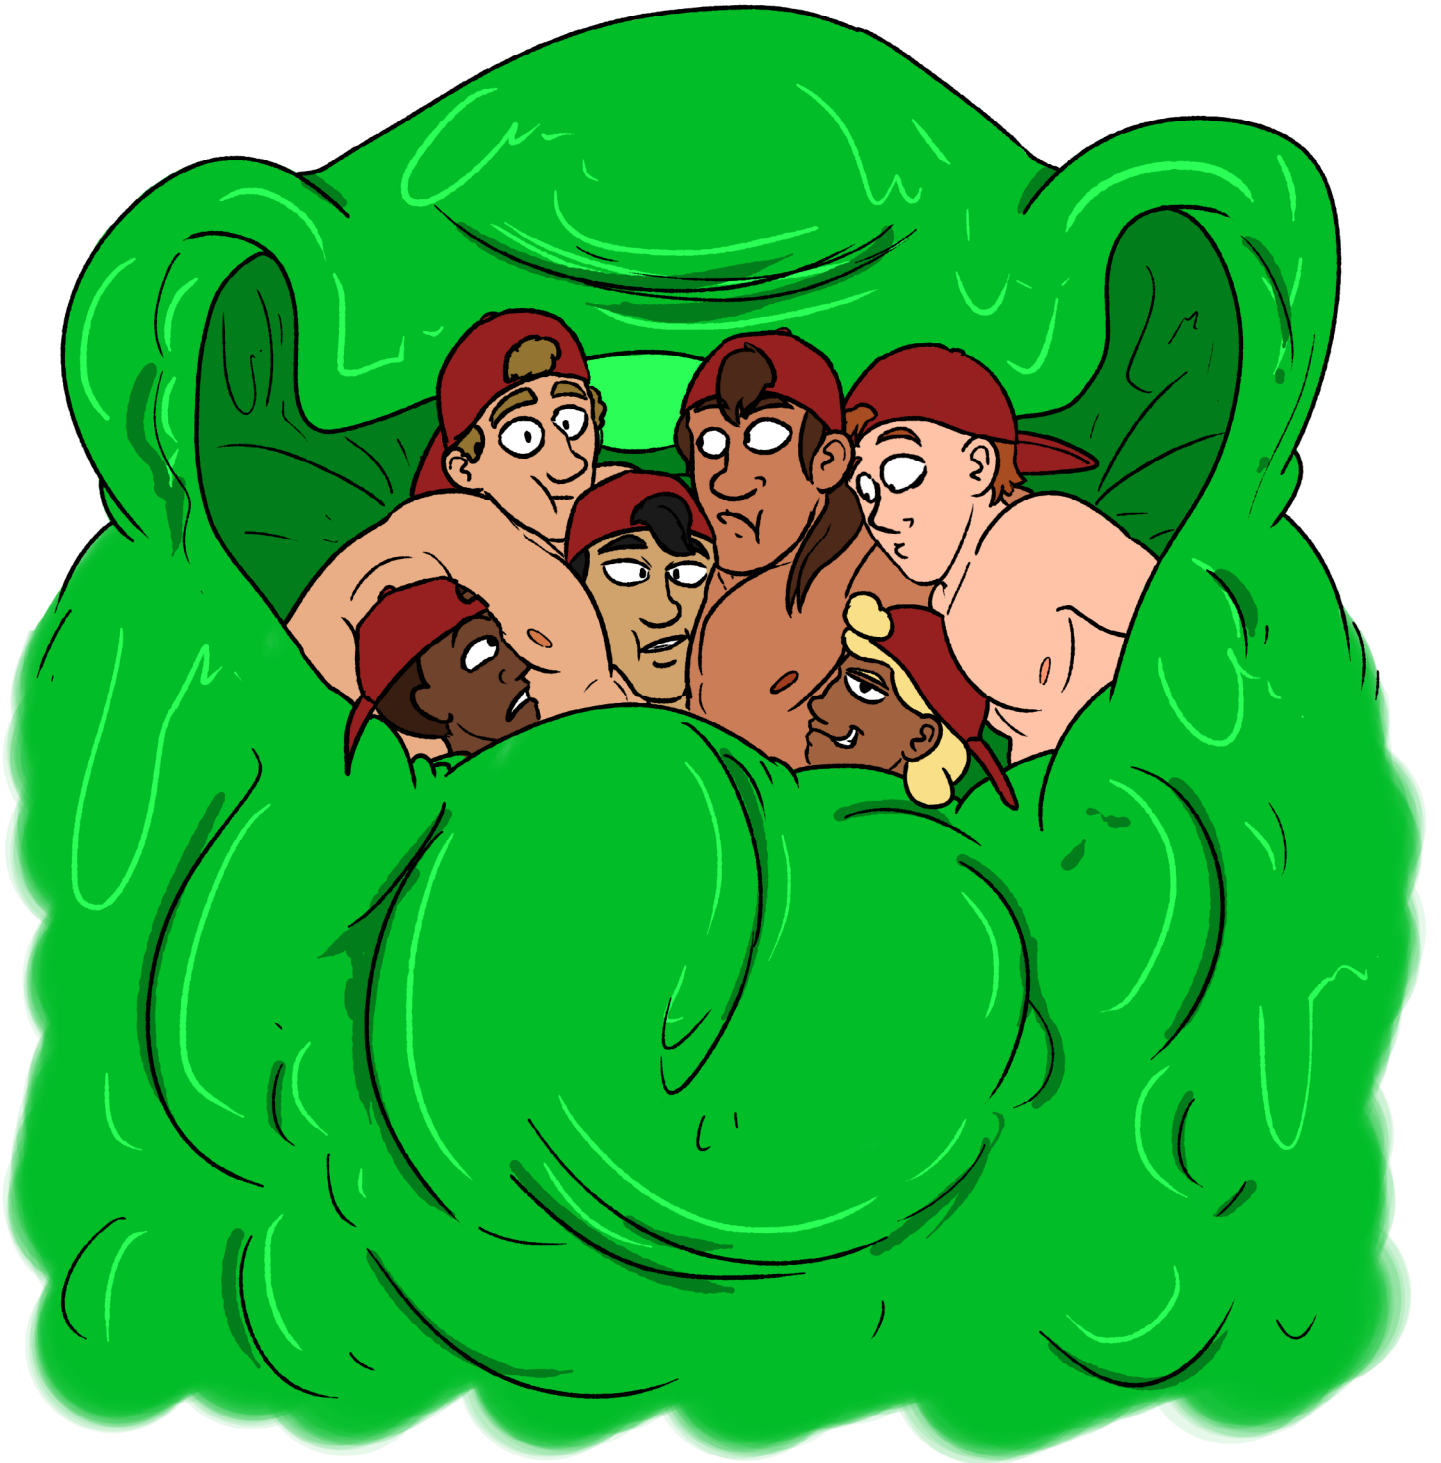

But it swallowed them up too!

He sent six jocks upon it...

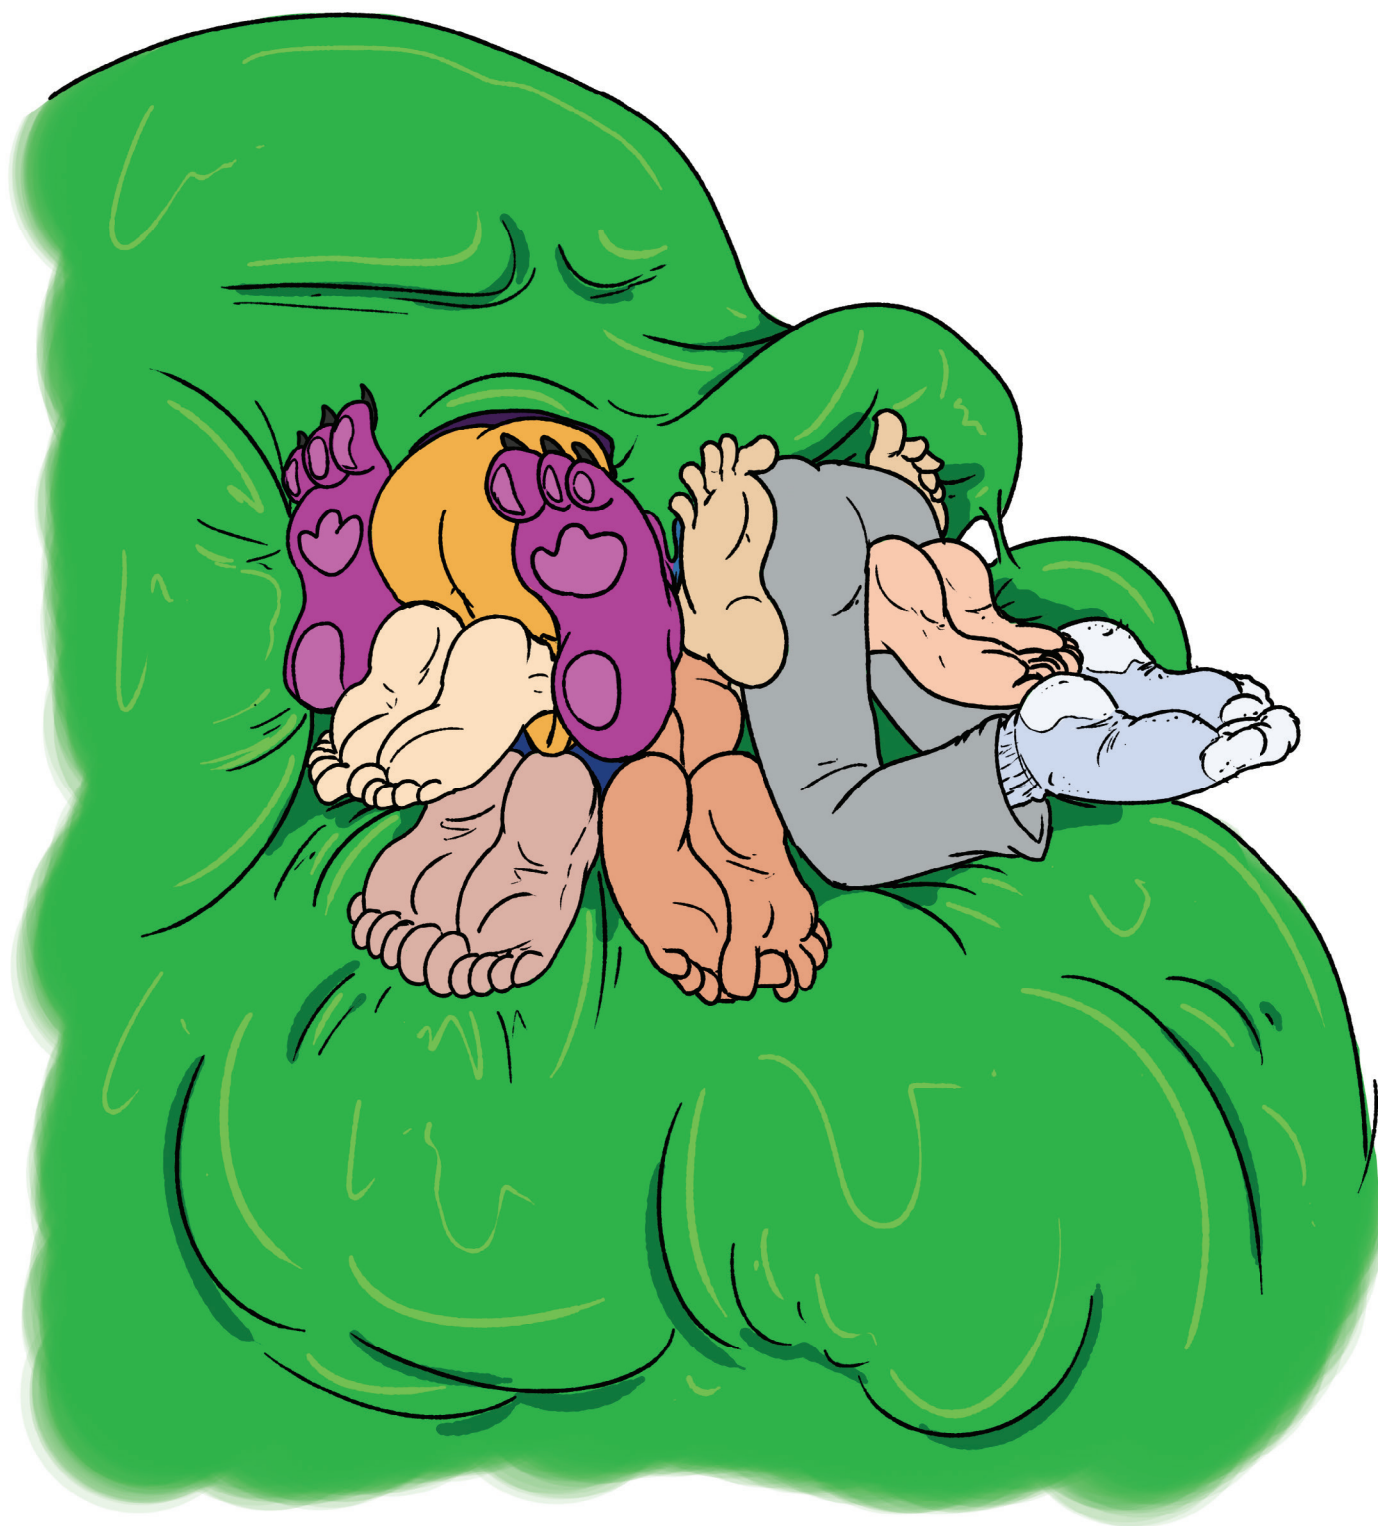

But it swallowed them up too!

Balthazar had enough and called
seven Patreon supporters

But it very easily swallowed them up too!

Finally, the Gobbledegoop
oozed towards Balthazar...

AND IT SWALLOWED HIM UP TOO!

Balthazar slipped and
slid down the goopy throat.
As with yet another meal
it's belly did bloat.

But inside it's belly
something was happening
Everybody was covered
in green slime and fapping

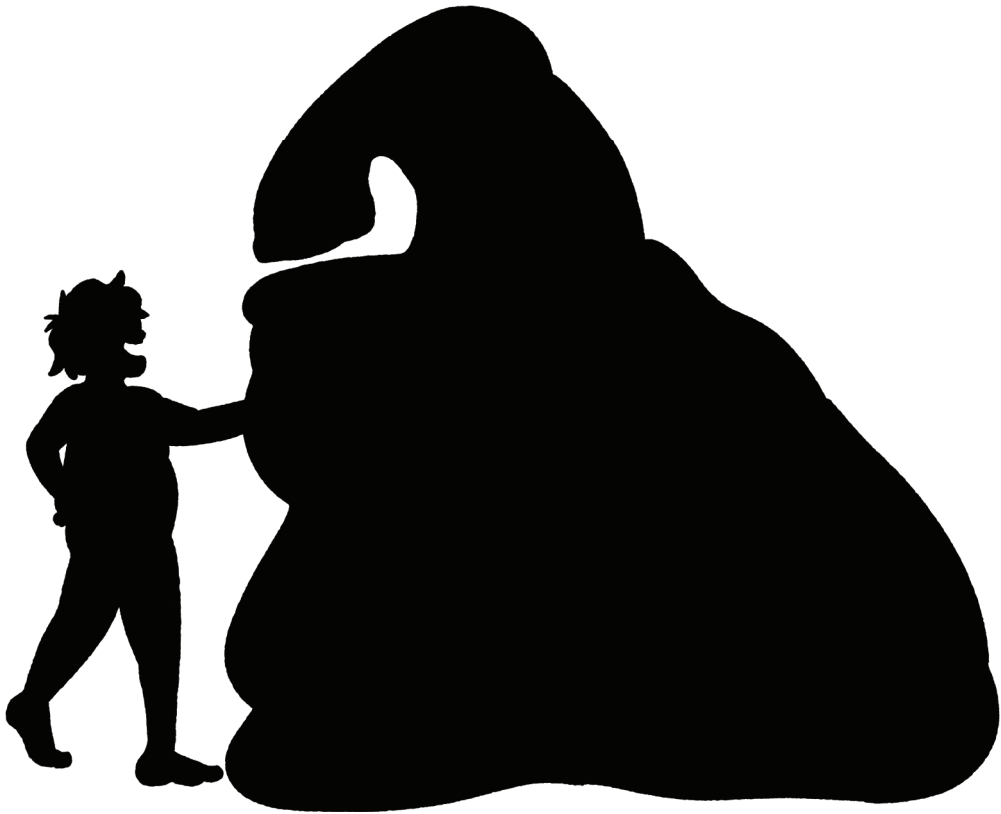

It was a big kinky party,
everyone was in the mood
They were all hot, squeezed in tight
and covered in lube.

Balthazar shrugged,
because everyone seemed alright
So he dived into the pile,
making out left and right

No lessons were learned,
no morals were known
Everybody got vored
and then they all boned.

Sometimes a book can be
just horny and dumb
Plus everybody was still alive
and had tons of fun.

If you take anything out of this,
let me tell you
Keep an eye out for the Gobbledegoop
or he just might vore you!

If you read this without knowing
about vore....

...sorry!

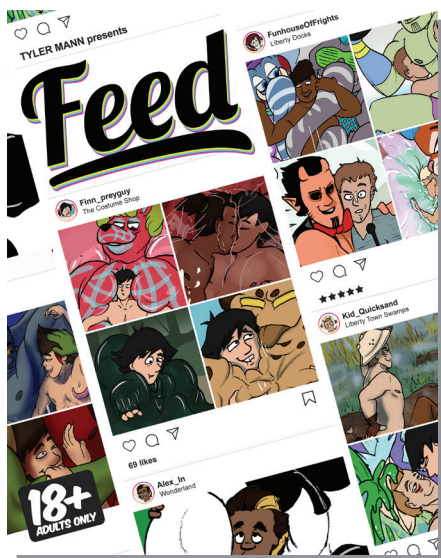

(not really sorry!)

EVEN MORE FROM

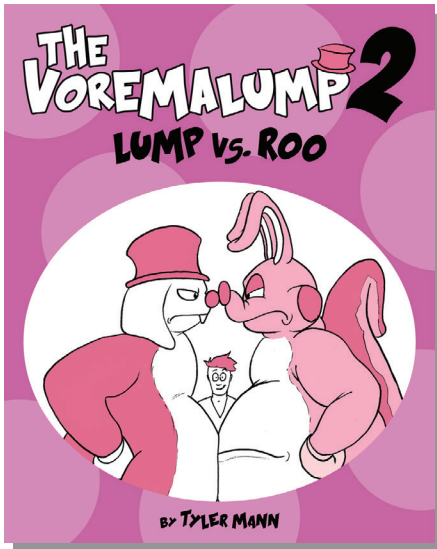

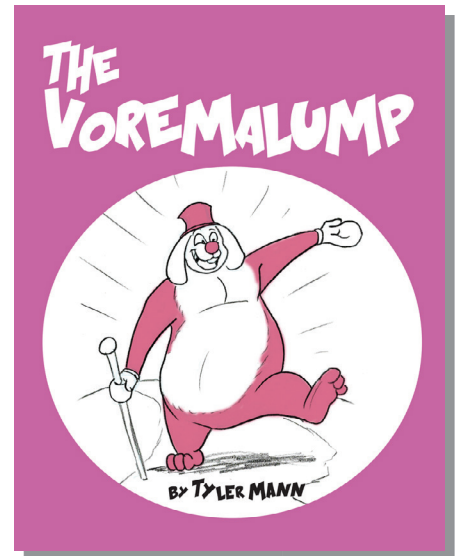

The Costume Shop Season 1
Collecting the first four chapters of the story, where Finn starts working at this haunted Halloween store.

Funhouse OF Frights: Big Tent Edition
Four stories of kinky fun in this NSFW spin off of The Costume Shop.

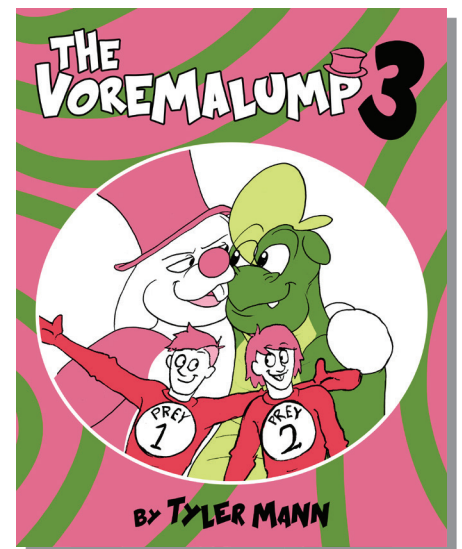

Feed
A compilation of the comics, artwork, and commissions I did from 2013-2020.
