

WALK OF SHAME!

Dear Diane
You can't seriously still be going along with this, I know I've had the weekend to prepare & practice makeup and walking in heels, but I really don't see how You & Knox dressing me in Women's clothing and making me show up at work Monday Morning as Mr Knox's Personal Assistant is going to help appease the fictional people who I've supposedly sexually harassed!?

Tomorrow's my first day and Knox wants me to call him 'Sir' or Master Knox while we're in the office. I still don't understand why you and the Board are just going along with all of this!

Knox has laid out the clothes he expects me to wear Monday... There's High Heeled Platforms with Padlocks and some sort of 'Breast Prostetic' Diane **HE'S GOING TO PADLOCK HIGH-HEELS TO MY FEET** and he even has an insane list of Rules and Regulations I have to adhere to, as his Personal Assistant, to help atone for my imaginary sins, Including Something about No Cumming & Sucking Cock, What the F**K!?!!!!

At this point I know you're not going to reply (Since you haven't replied to any of the dozen messages I've sent), but I'm still going to keep messaging you, because I really need you to know I didn't do any of the things Mr Knox has accused me of... I know you don't believe me, which was pretty clear when I found myself locked out of our home and Mr Knox standing by our Front door ready to escort me to an empty building and this small studio apartment, which I've been confined to for the past 2 Days.

I've tried contacting both our Personal & Company Lawyers for advice, but they're both saying I need to speak with you first, Diane... Please Diane, I really Need to talk to you as I'm feeling like I'm the only sane person in a World of Crazy People and what's worse is that I'm being punished for it!

Yours Truly
Michael

SITTING PRETTY!

Dear Suzanne in Human-Resources,

I'm not quite sure where else to turn, but I thought since you have access to ALL the Personnel files Suzanne, maybe you could help me convince My Wife & the Board that I haven't sexually harassed anyone.

In actual fact I would like to report being sexually harassed by the New Temporary Co-CEO... He's Blackmailing me with the threat of involving the Police if I don't do what he says.

Jerome Knox is literally taking-over My Life..!

Where I live!

What I wear!

What I eat!

When I'm allowed to leave work.

... And I'm currently writing this letter to you here in the office on a Tiny Desk with a Name Label Calling Me Muffi S. Milkins, while I'm strapped to some sort of arm & ankle bondage bar's and being ordered to mount myself on a Lubed Bildo Stool, because I tried to sneak-off to speak with my Wife.

My Wife has frozen my access to our Joint Bank Account and thrown me out of our home...

Suzanne You're the only one who can help me convince My Wife & the Board that Knox has done something, or is doing something to them, which is making them all act Strangely! I just saw Stacey from accounting walking around the office dressed in a bikini!!

Please HELP...!!! Yours Truly,
Michael Madison

MUFFI'S MAKEOVER!

Diane... Mr Knox gave me one of those really old phones with the green screens, he's adamant I cumtinue to message you.

I Swear I'm not Attracted to Men!...You're the only person I care about Diane!!!

I'm so ashamed and so, so, S0000 sorry you saw me acting like... Like... Like some sort of slutty secretary!
It really wasn't what it looked like, the perfume Mr Knox gave me, made me do it! Mr Knox even told me it was the perfume.

One second I was standing in the door-way of His office and the next moment it was like I was standing before a GOD!
His Stature, His Power, His Presence, I felt so... I felt so small, so Cumsumed, so Overwhelmed & sooooo Overcum with a level of arousal & Lust I've never experienced before!!!

It was like *HE* was my whole world and every part of me was cumsumed by the urge to be Near Him, to please Him!

I don't even remember removing my clothes and the thought of you walking in to his office never even popped into my mind, even though I knew you were probably going to cum.

BUT...
Did you hear what Mr Knox said?! He said I'm making 'POSITIVE STRIDES'... Not that I care about what He thinks, but He's even sending me to our in-house Salon, for a Make-Over!
Mr Knox says a Make-Over will help the staff to find me more approachable.

Diane, do you think Mr Knox might let me see his Cock after the Makeover???

Huh... There's a noise from another part of the Apartment Cumplex, I wonder if that's Mr Knox doing something in one of the apartments upstairs.

BOARD REVIEW!

Diane, Please talk to me...

Please say Something...

I feel like I'm losing myself, you've always been the one person who I could turn to, to show me a path, to give my life purpose...

Without you, I don't know if Muffi is strong enough to take back the Company from Mr Knox's grasp!

The makeover has helped make Muffi more Approachcumble... Too Approachcumble! :(

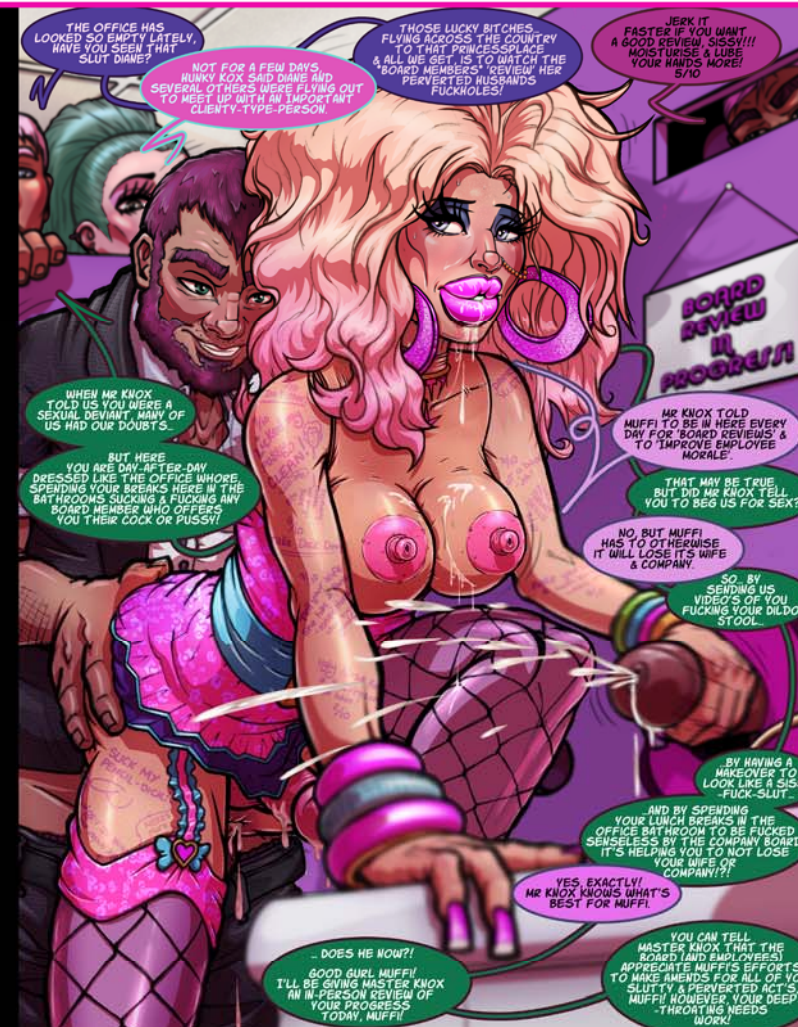

The Men and Women around the office keep Staring at Muffi, pinching Muffi's Bum & saying 'sexual stuff' to Muffi, even more than before.

...And... Mr Knox has given me permission to Cum, BUT only if someone is 'inside me'.

I feel more than a little cumflicted, Mr Knox's words are starting to make sense to me, even though I know they are wrong, I know they are lies... But Muffi doesn't know how much longer Muffi cum fight off the urges it's been feeling.

Especially since Mr Knox now has Muffi taking part in Daily *Board Review Sessions* during Every Morning, Lunch & Afternoon Break. Mr Knox thinks they will improve Employee Morale... And I cannot think of a reason why they wouldn't.

Muffi is to report to Mr Knox at the end of each day, so he cum read the Reviews left by the Board, during the Board Review Sessions!

DICK OR DIVORCE!

MUFFI ACCORDING TO THE BOARD REVIEWS, THEY ALL SEEM TO THINK YOU'VE BEEN MAKING POSITIVE PUSSY-BOI PROGRESS!

Almost a Success, there's just a few loose ends to wrap up.

I think I can handle those loose ends, cusider your Contract Complete and your 'Co CEO Title' Revoked.

DD, DD... I don't leave until the Job is DONE... And the Job is NOT yet Done!

Besides, you cannot revoke My CEO Title when your own CEO Title was revoked in last week's Board Meeting!

I don't understand?? I say the Job is Done!!!

But DD, How can the job be done, if you're Spending Every Hour of the Day Thinking about Pleasuring COCKS & PUSSIES! Instead of thinking about work?!

WHAT... No... How Did You?!

Touch Your Pussy DUMB DD! YOU KNOW YOU CAN HELP YOURSELF, IT FEELS SO GOOD TO BE A DUMB HORNY SLUT!!!

BEAUTY-BUBBLE COSMETICS HAS BEEN ON THE RADAR OF THE PRINCESSVILLE COSMETICS COMPANY FOR A NUMBER OF YEARS, SO IT'S BEEN MY JOB TO FIND WEAKNESSES WITHIN THE COMPANY OR RATHER THE PEOPLE WORKING AT THE TOP OF THE COMPANY.

MYSELF AND MY COLLEAGUES WERE ABLE TO EXPLOIT YOUR COMPANY'S MOST GLARING WEAKNESS, YOUR EX-WIFE'S POWER-HUNGER & SLUTTY LIRDO! SHE OPENED THE DOOR FOR YOUR COMPANY'S TAKE-OVER AND THE ACQUIREMENT AND RE-LOCATION OF THE MAJORITY OF THE COMPANY'S EMPLOYEES!
