Videl is really incredible.

Heh. She must be tired from all her work.

Wow! He's such a hottie!

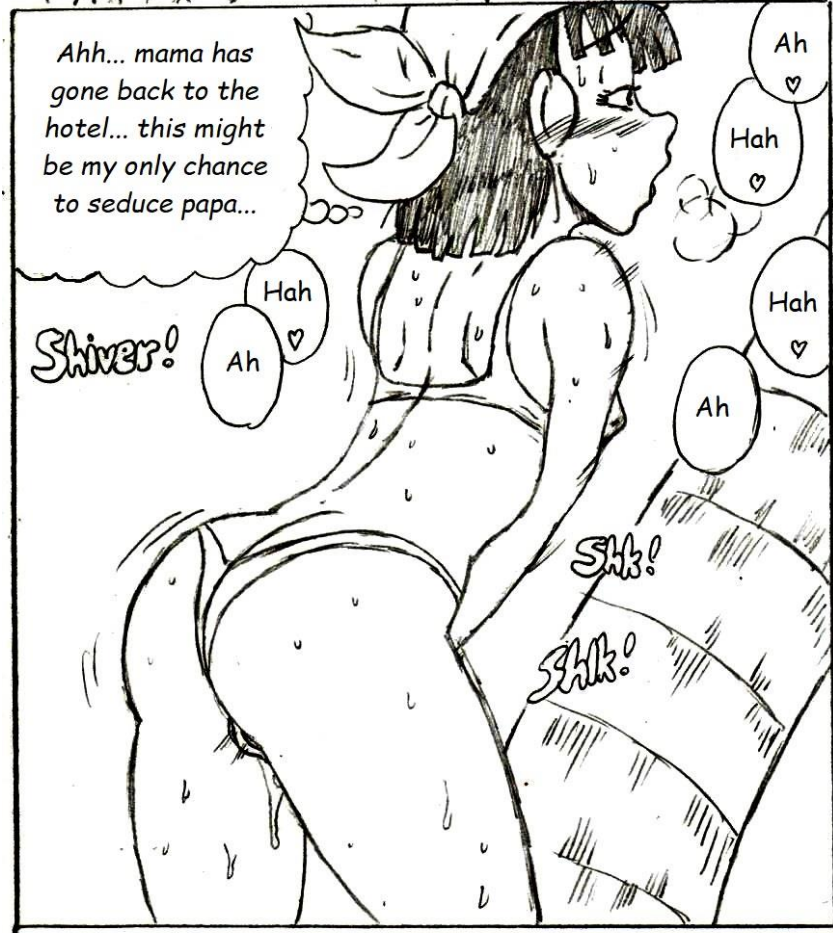

Long weekend. South Beach.

I'm going to get something to eat, okay babe? Then I'm going back to the room for a nap.

Alright, V!

Ahh... mama has gone back to the hotel... this might be my only chance to seduce papa...

Shiver!

Hm. This island is much bigger than I thought.

Uh-huh.

We've walked quite far from the resort. I don't sense anyone near here...

DASH!

Huh?

Thp!

The island is beautiful down this way. What do you think, sweetie?

Hm?

Uhm...p-papa!

What's wrong, honey?

But I can't help it.

P-Papa. I know that it's wrong...

Wh-... Pan-chan? Are you okay? What's going on?

I noticed it over the last few months. My body gets so hot every time I look at you... and I get so worked up... I feel like I'm gonna explode!

I love you, papa! Not just as your daughter, but as a woman!

I can't hold back anymore.

And make babies with you, just like mum! I want to be yours!

I love you! I... I want you... I want to mate with you! To make love with you...

You don't mind having a couple extra, hot, horny teens joining in on this little party of yours? Cause I'm down.

SHOCKE...

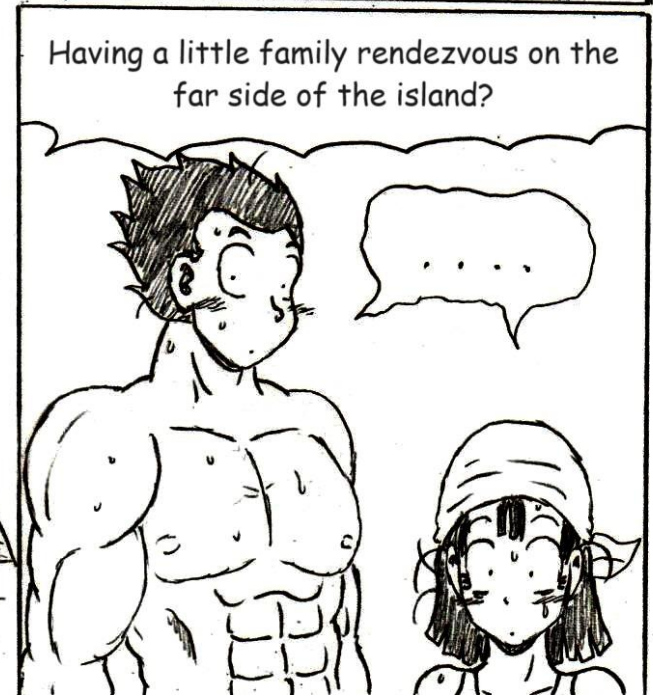

W-We should really stop, baby.

Yeah. B-But I don't want to.

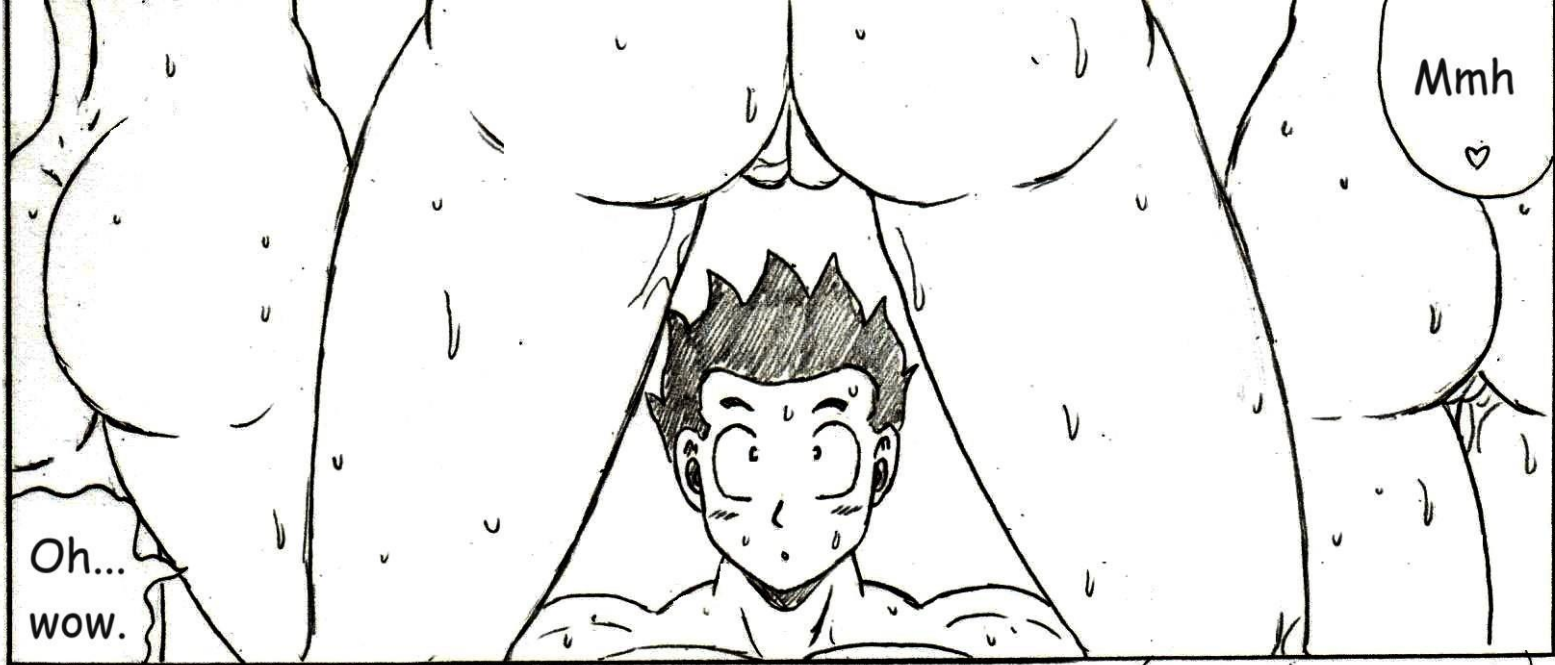

Hey there, you two love birds.

Having a little family rendezvous on the far side of the island?

The Saiyan stud repeatedly and continuously brought the three girls to orgasm again and again, in a passion neither of them have ever experienced before.

And so, over the next few hours, Gohan, Pan, Marron and Bra continued their orgy on the beach, on the far side of the island.

By which point, all three of the girls had been entirely fertilized and filled with Gohan's seed, and impregnated.

They continued fucking until the sun had set over the ocean.

W-What do you think, papa? ❤️❤️
