

Adjusted for The Idle DM item cards. **Use Avery 5388 Index Cards, Wide**

To insert item cards into the table, simply follow these instructions:

Select a cell by clicking inside it -> Select the Card JPG file -> Click 'Okay' -> Repeat

Images should be flush with each other. If encountering error, please report it!

This document has already been adjusted as to be fitted for the cards.

Do not change any settings in this document, or formatting may fail!

If you encounter any problems you cannot fix yourself, contact me.
