Sex Tapes

I. Overview

In each of the ship's bedrooms, there will be a sex tape involving that character, hidden somewhere in the room. Krystal can break in and find them, and then bring them back to her quarters to watch.

- i) Krystal's Room: Starring herself and Fox
 - Full-on sex; Slashy's choice as to how. Something tasteful
- II) Miyu's Room: Starring herself, Falco and Katt
 - Standard threesome; or Miyu could be used as a cum dumpster. Slashy's choice
- III) Fara's Room: Starring herself and Miyu- strap-ons and bondage!
 - Have fun with this, Slashy!
- IV) Slippy's Room: Starring himself and Jenny
 - Slippy giving it to Jenny hard! Woot!
- V) Peppy's Room: Starring himself and Lopunny *important to Good Ending*
 - Bunnies fuckin' like bunnies. Should be a younger Peppy, though- like, in his twenties.
- VI) Fox's Room: Starring Panther and some random girl *important to Slut Ending*
 - Panther should demonstrate superior technique and know how to please a woman; I sure as hell don't have a clue. We should check Yahoo Answers, or something...
- VII) Falco's Room: Starring himself and an ex-girlfriend (Blaziken?)
 - Slashy's choice as to how

VIII) Fay's Room: Starring herself and Gen. Pepper

- Doin it doggy style. Because they're dogs.

IX) Katt's Room: Starring herself and Falco

- Should probably differ from the constant loop going on in Falco's room, but have a finishing cumplasion
