

***HELP! I'M STUCK AS AN E-GIRL!***  
**A PANEL COMIC**  
**BY FAKENAMEYFAKENAMEY**

***ISSUE 2***

*hi! my name's Jensen, and ever since I was young, I wanted to be a streamer*

*Last week, my mate Paul talked me into doing a cross-promo with his makeup tutorial class. Since then, things have gone a little crazy.*

*With the help of a super popular streamer named DropsBalls, I did a makeover with a huge \$10,000 donation goal.*

*My name's DropsBalls!  
We agreed that Jensen would pay me \$6,000 for helping him meet his goal, lol ez. ;)*

*For the promotion, I agreed to dress as a girl on stream for a week.*

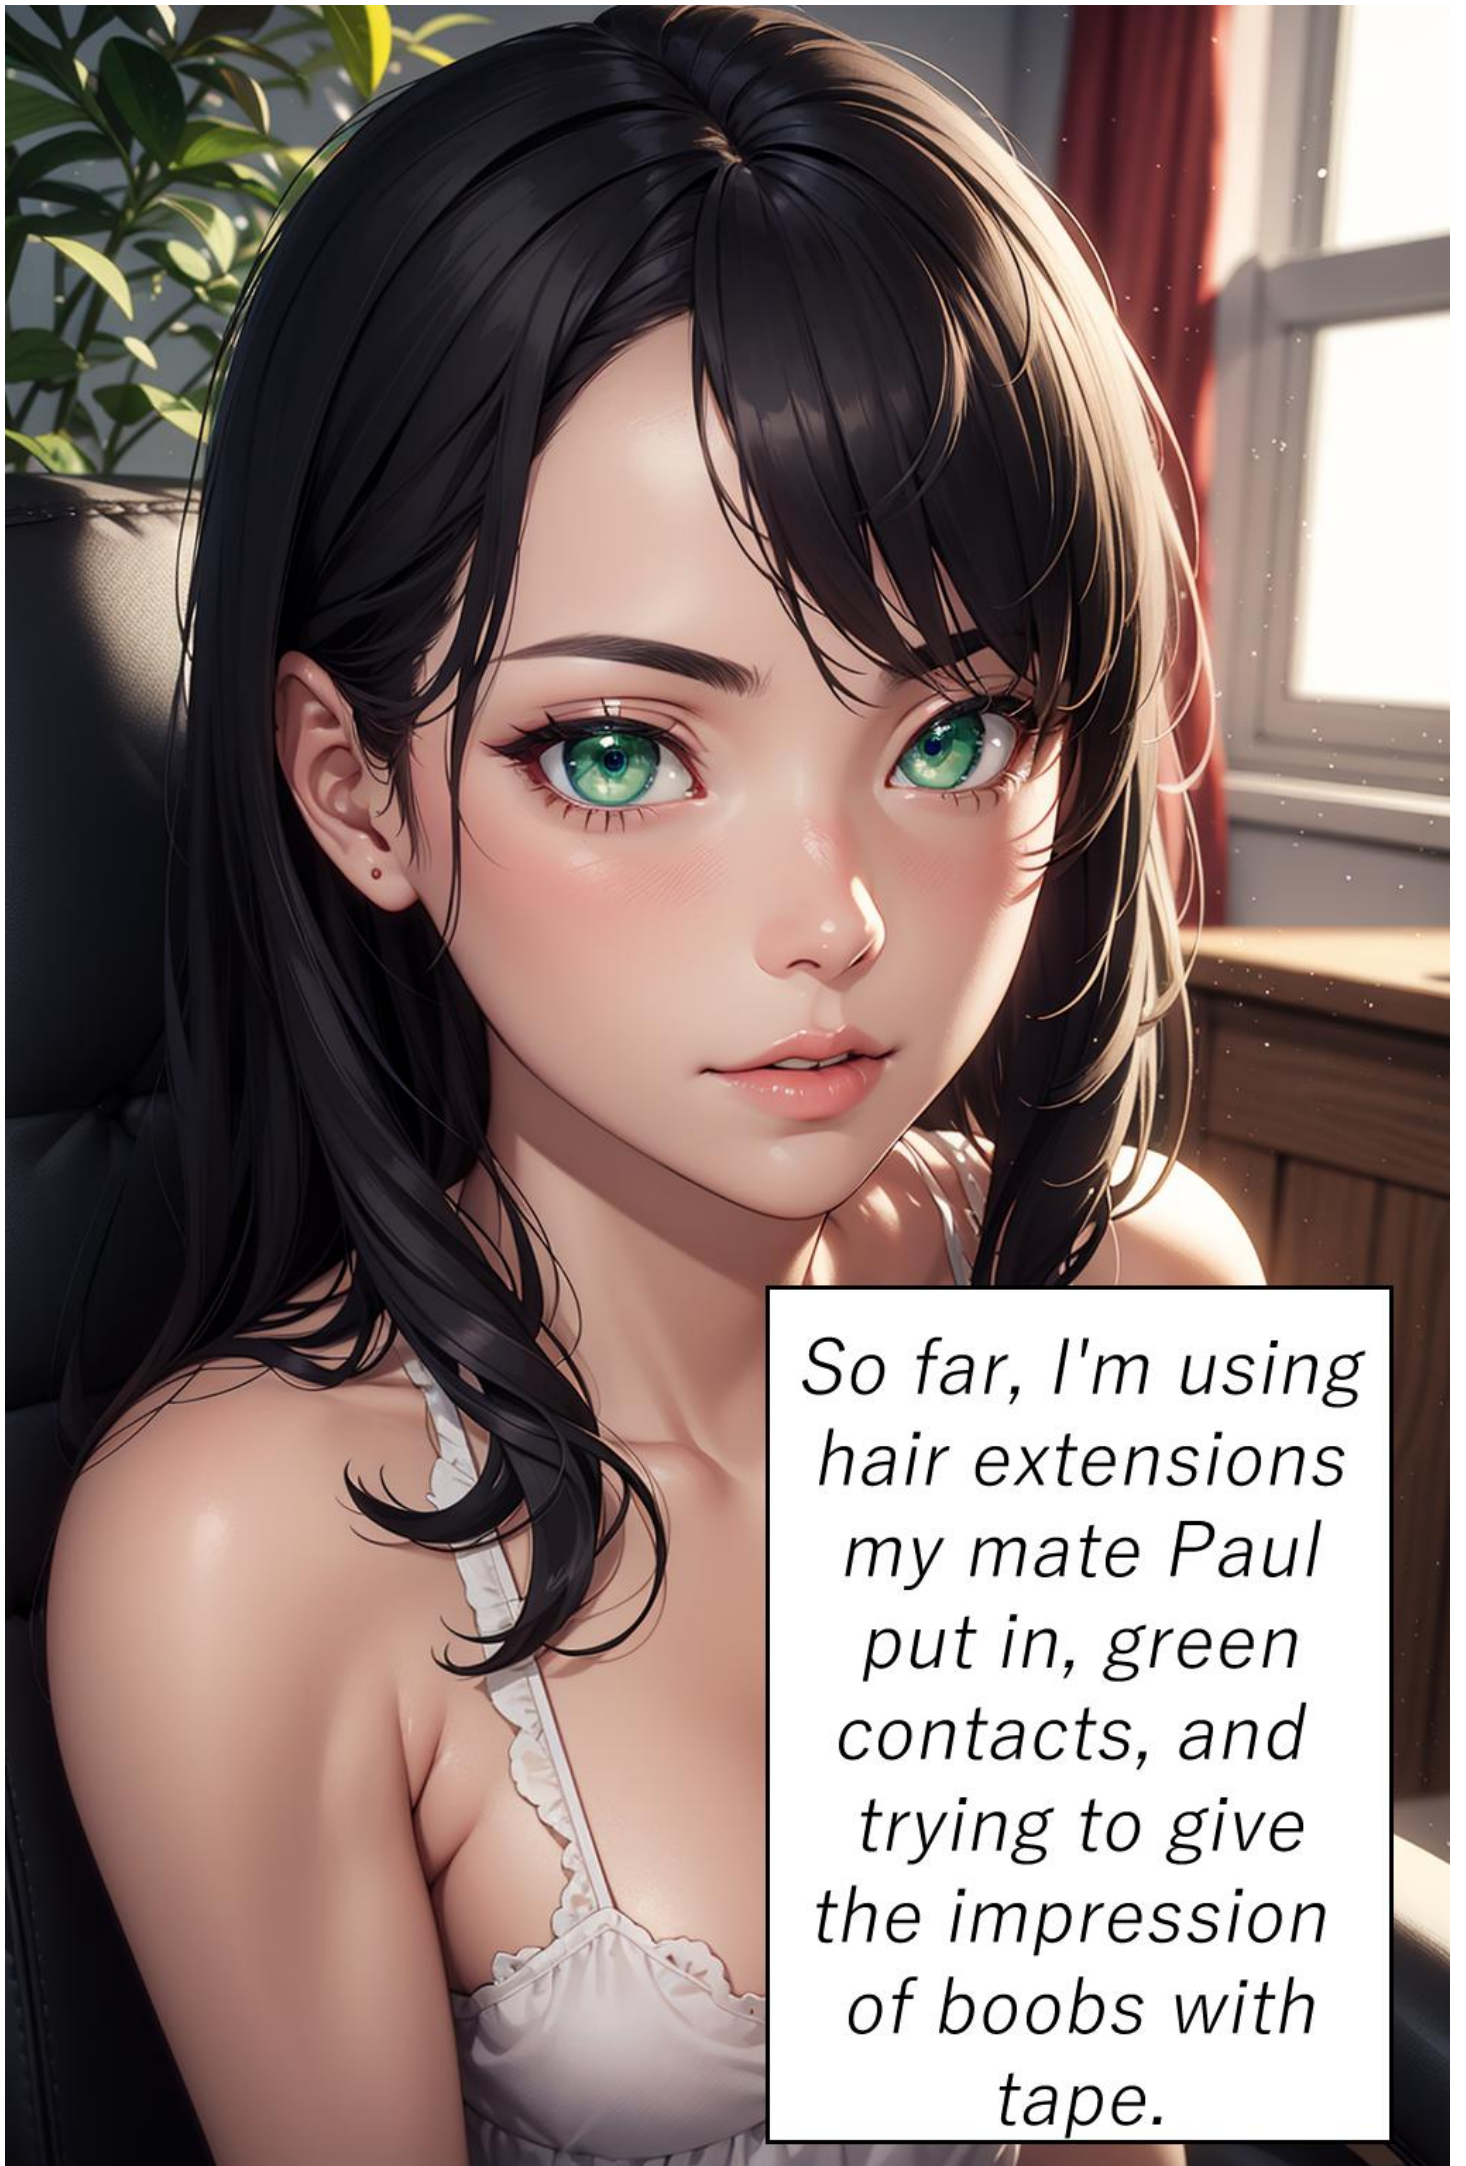

*The goal was mostly met by one huge \$9,000 donation from someone named MrStan.*

*I'm super excited to finally have an engaged audience for my streaming! Even if this has all been a bit strange for a guy like me.*

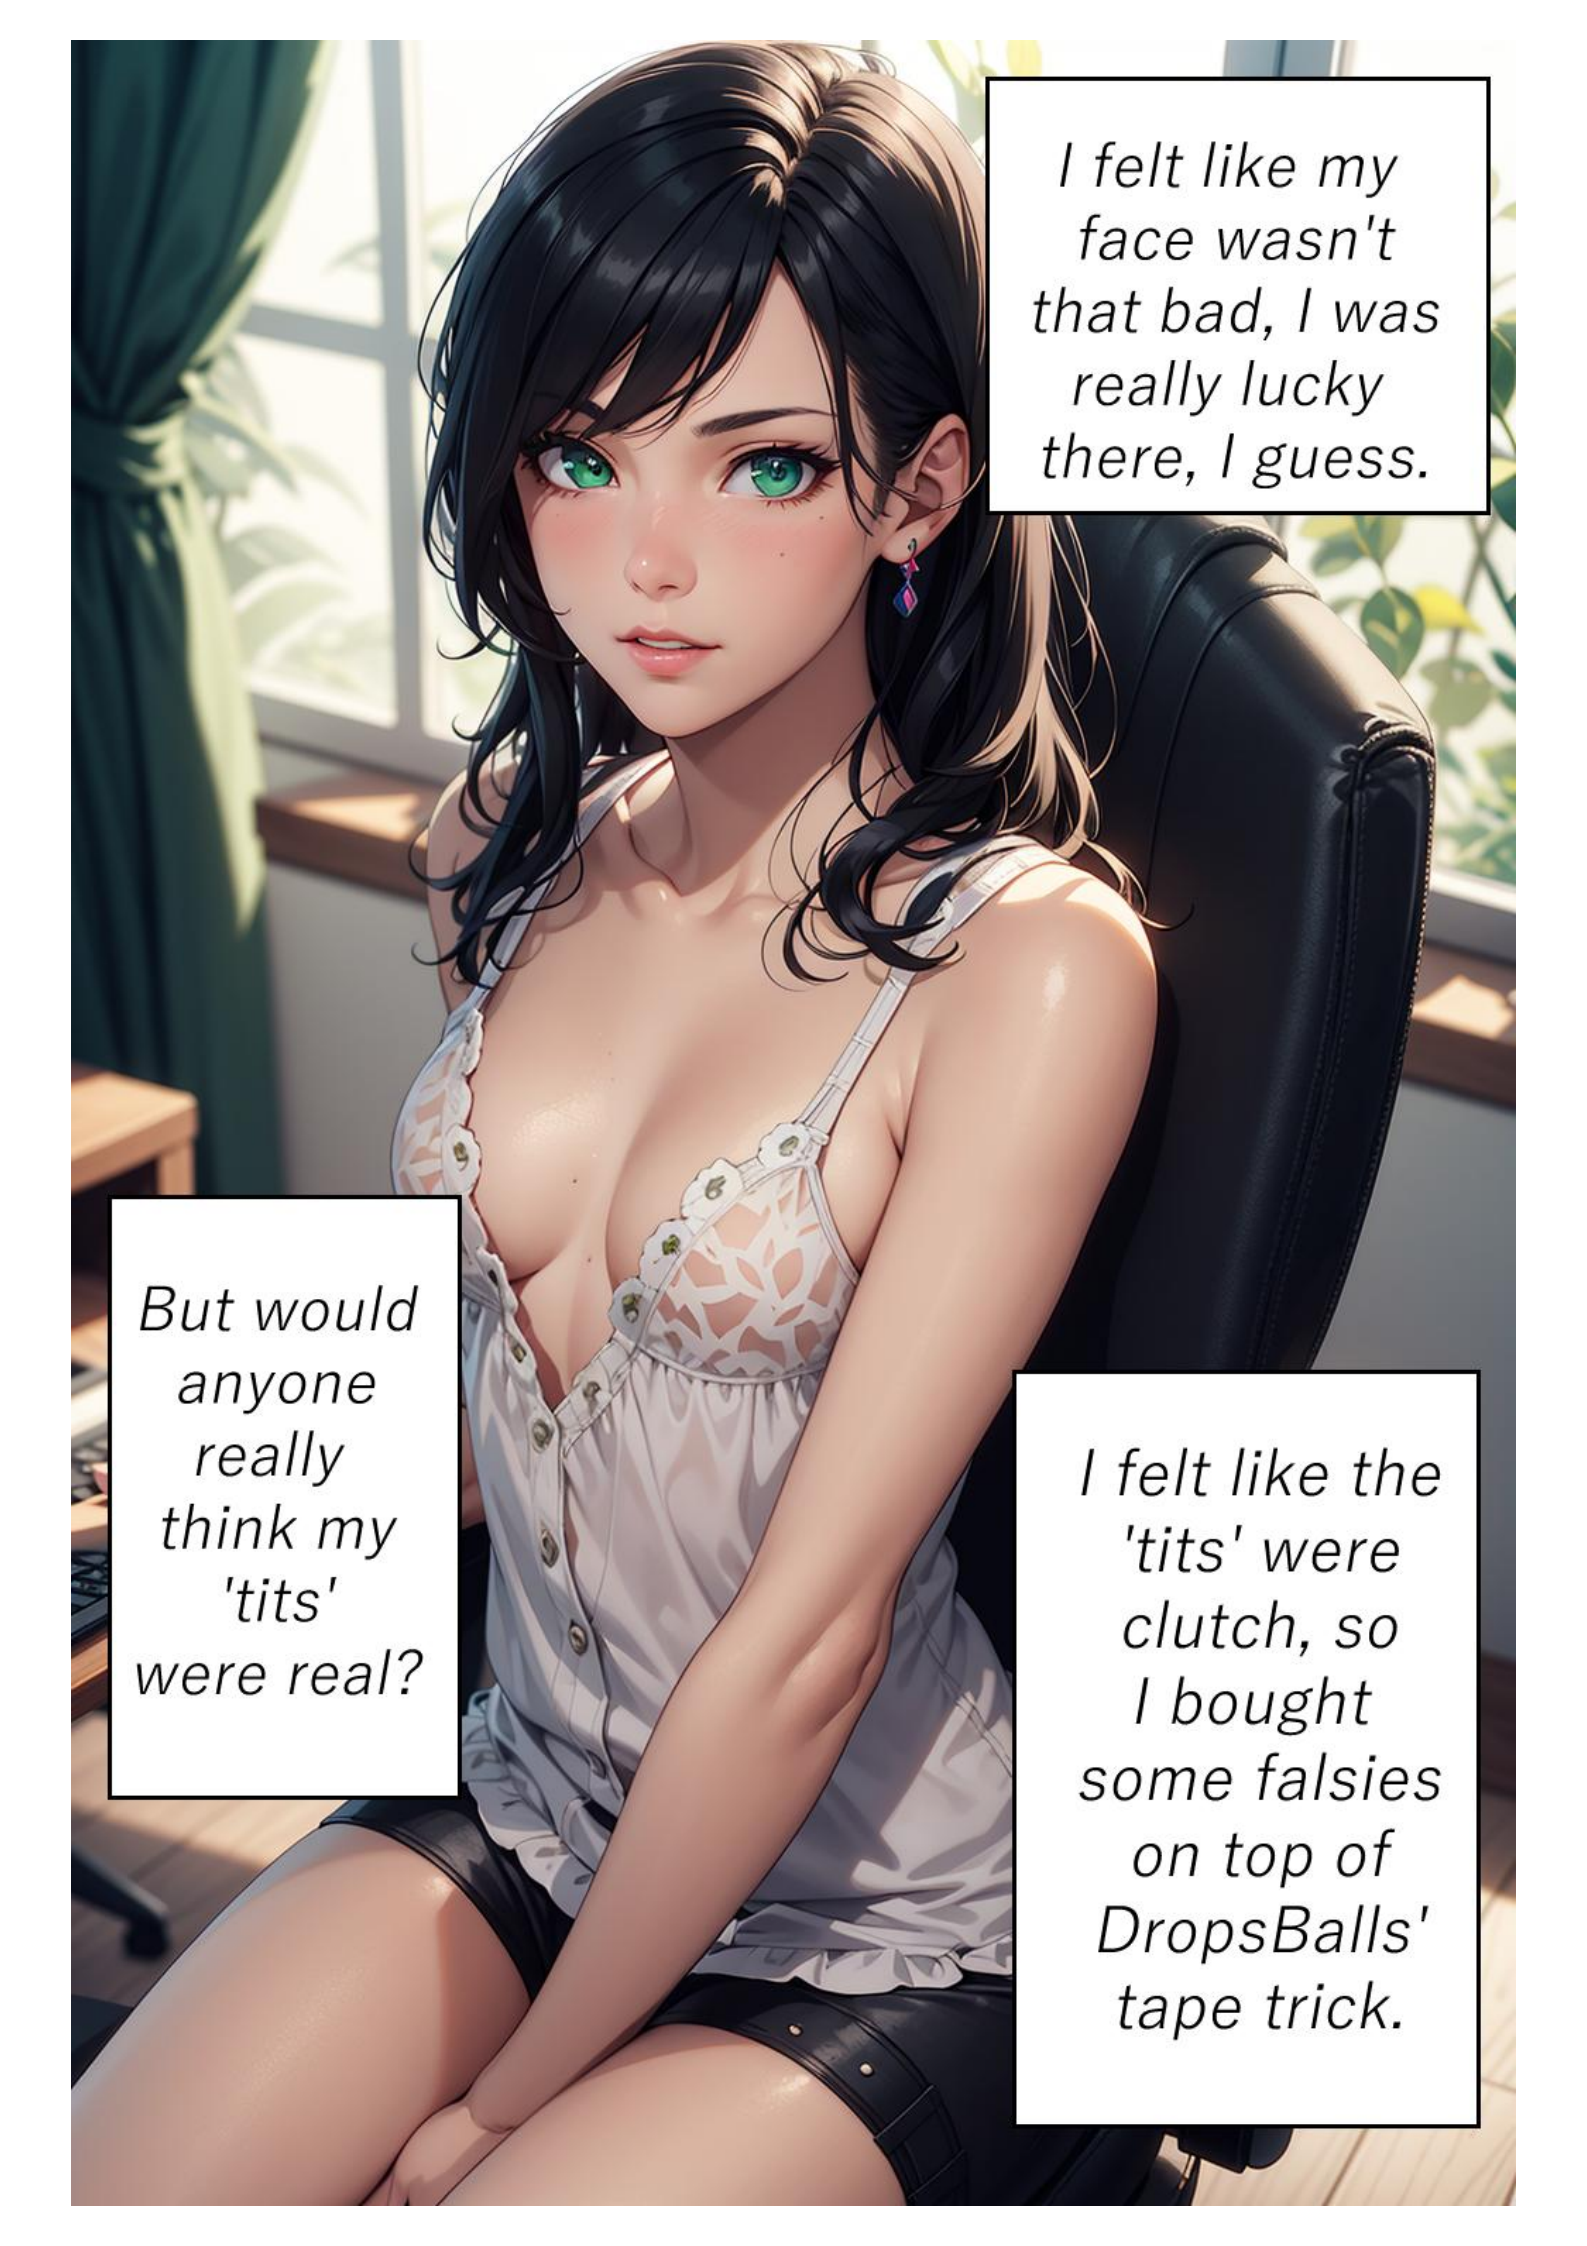

*So far, I'm using hair extensions my mate Paul put in, green contacts, and trying to give the impression of boobs with tape.*

*To be honest, it's super surreal having rolls of what I can only think of as "boob tape" now sitting around my room...*

*I felt like my face wasn't that bad, I was really lucky there, I guess.*

*But would anyone really think my 'tits' were real?*

*I felt like the 'tits' were clutch, so I bought some falsies on top of DropsBalls' tape trick.*

*Of course, as soon as I'd get a sense I was starting to solve one problem, I'd run into a bunch of other new problems. One of them was that--I didn't want to get banned. I'd have to be really careful to never show 'too much'*

*My share of the \$4,000 from my big stream was still processing to my bank, but I at least had the money from the earlier goal already. But it was obvious quickly I was going to need to spend a lot of that on the cosplays, costumes, clothing and props for this week's worth of streams.*

*I got started at one store, still trying to figure out what cosplays would really be satisfying for the stream but that I could also execute well. I didn't want to just go to Spirit and pick up some cheap pirate costume or something. But it's not like I could spend big bucks and commission a bespoke cosplay either.*

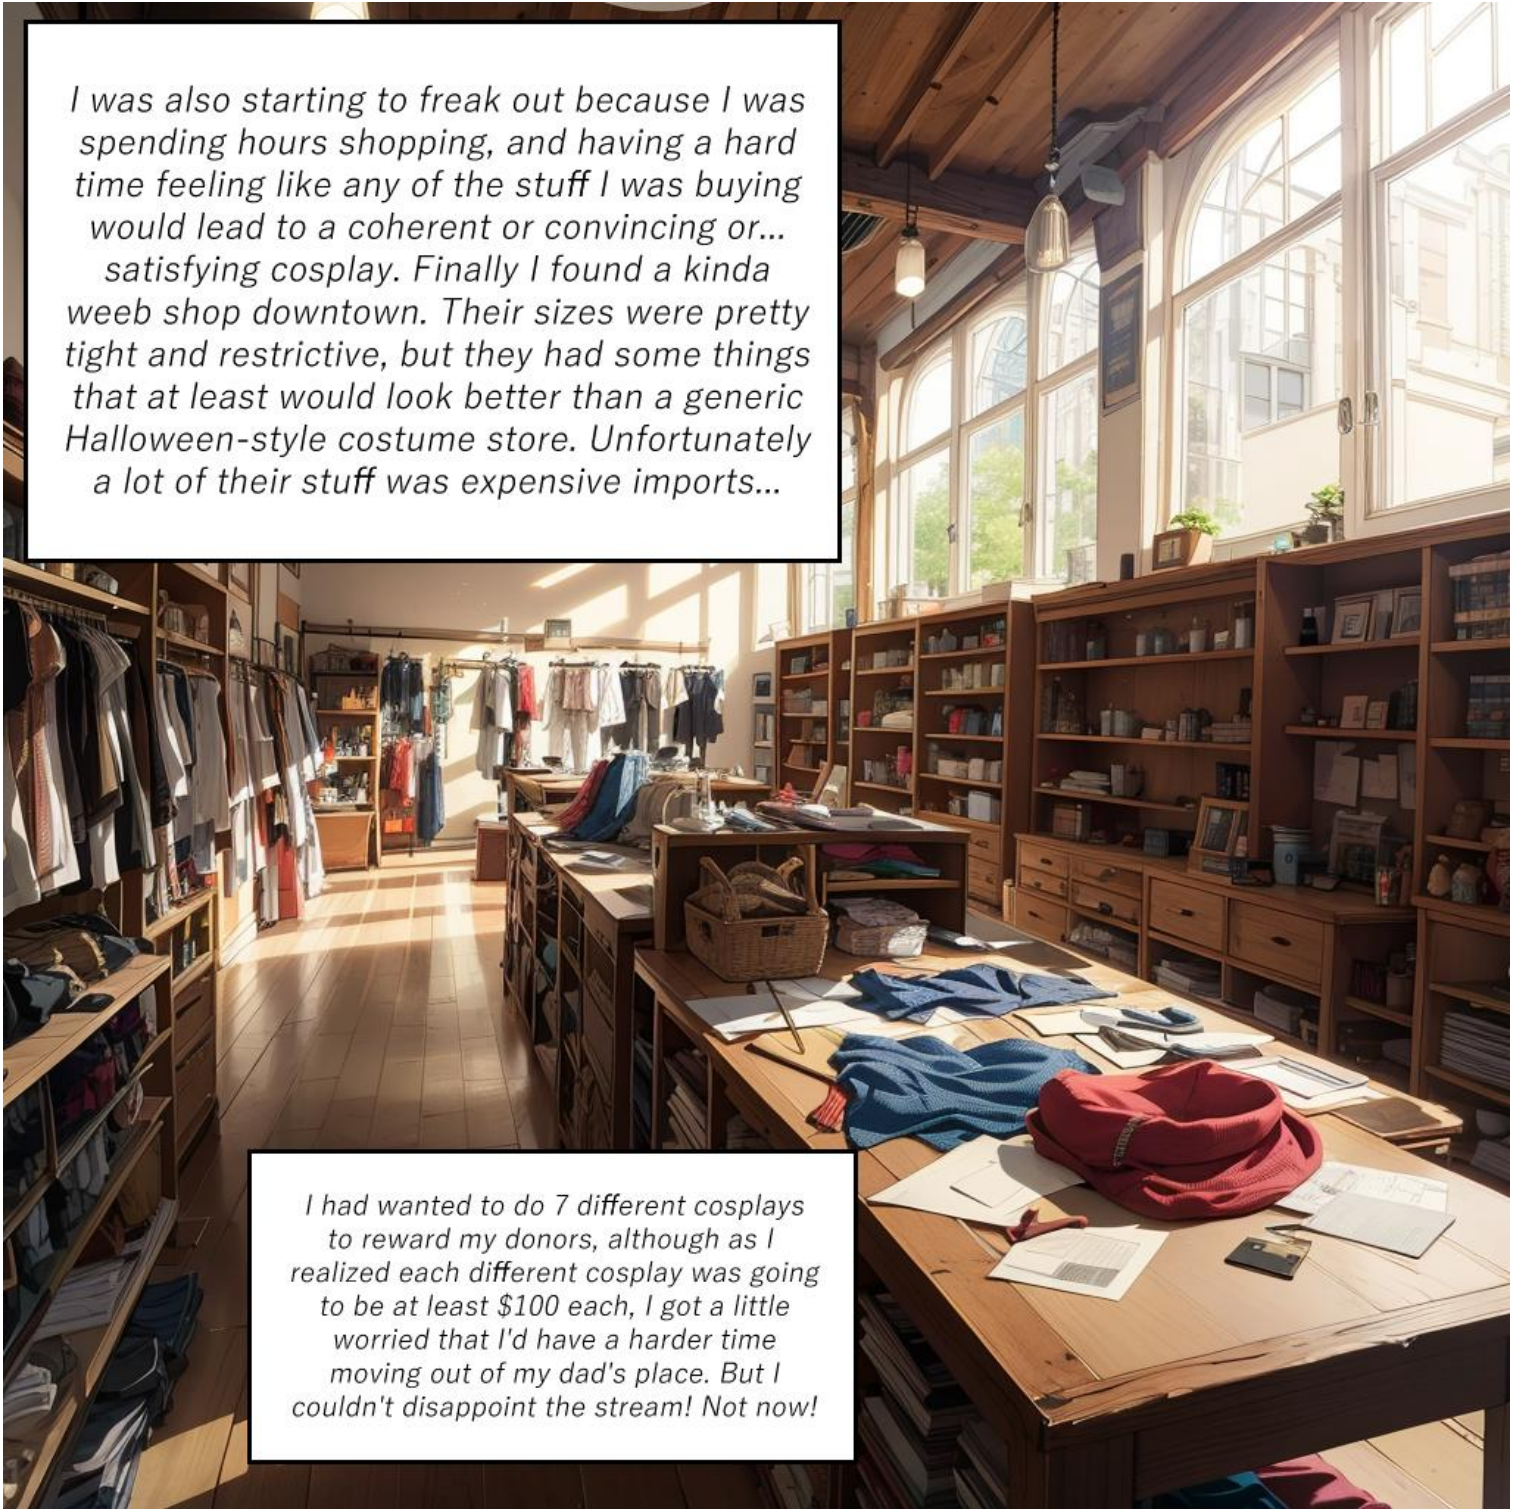

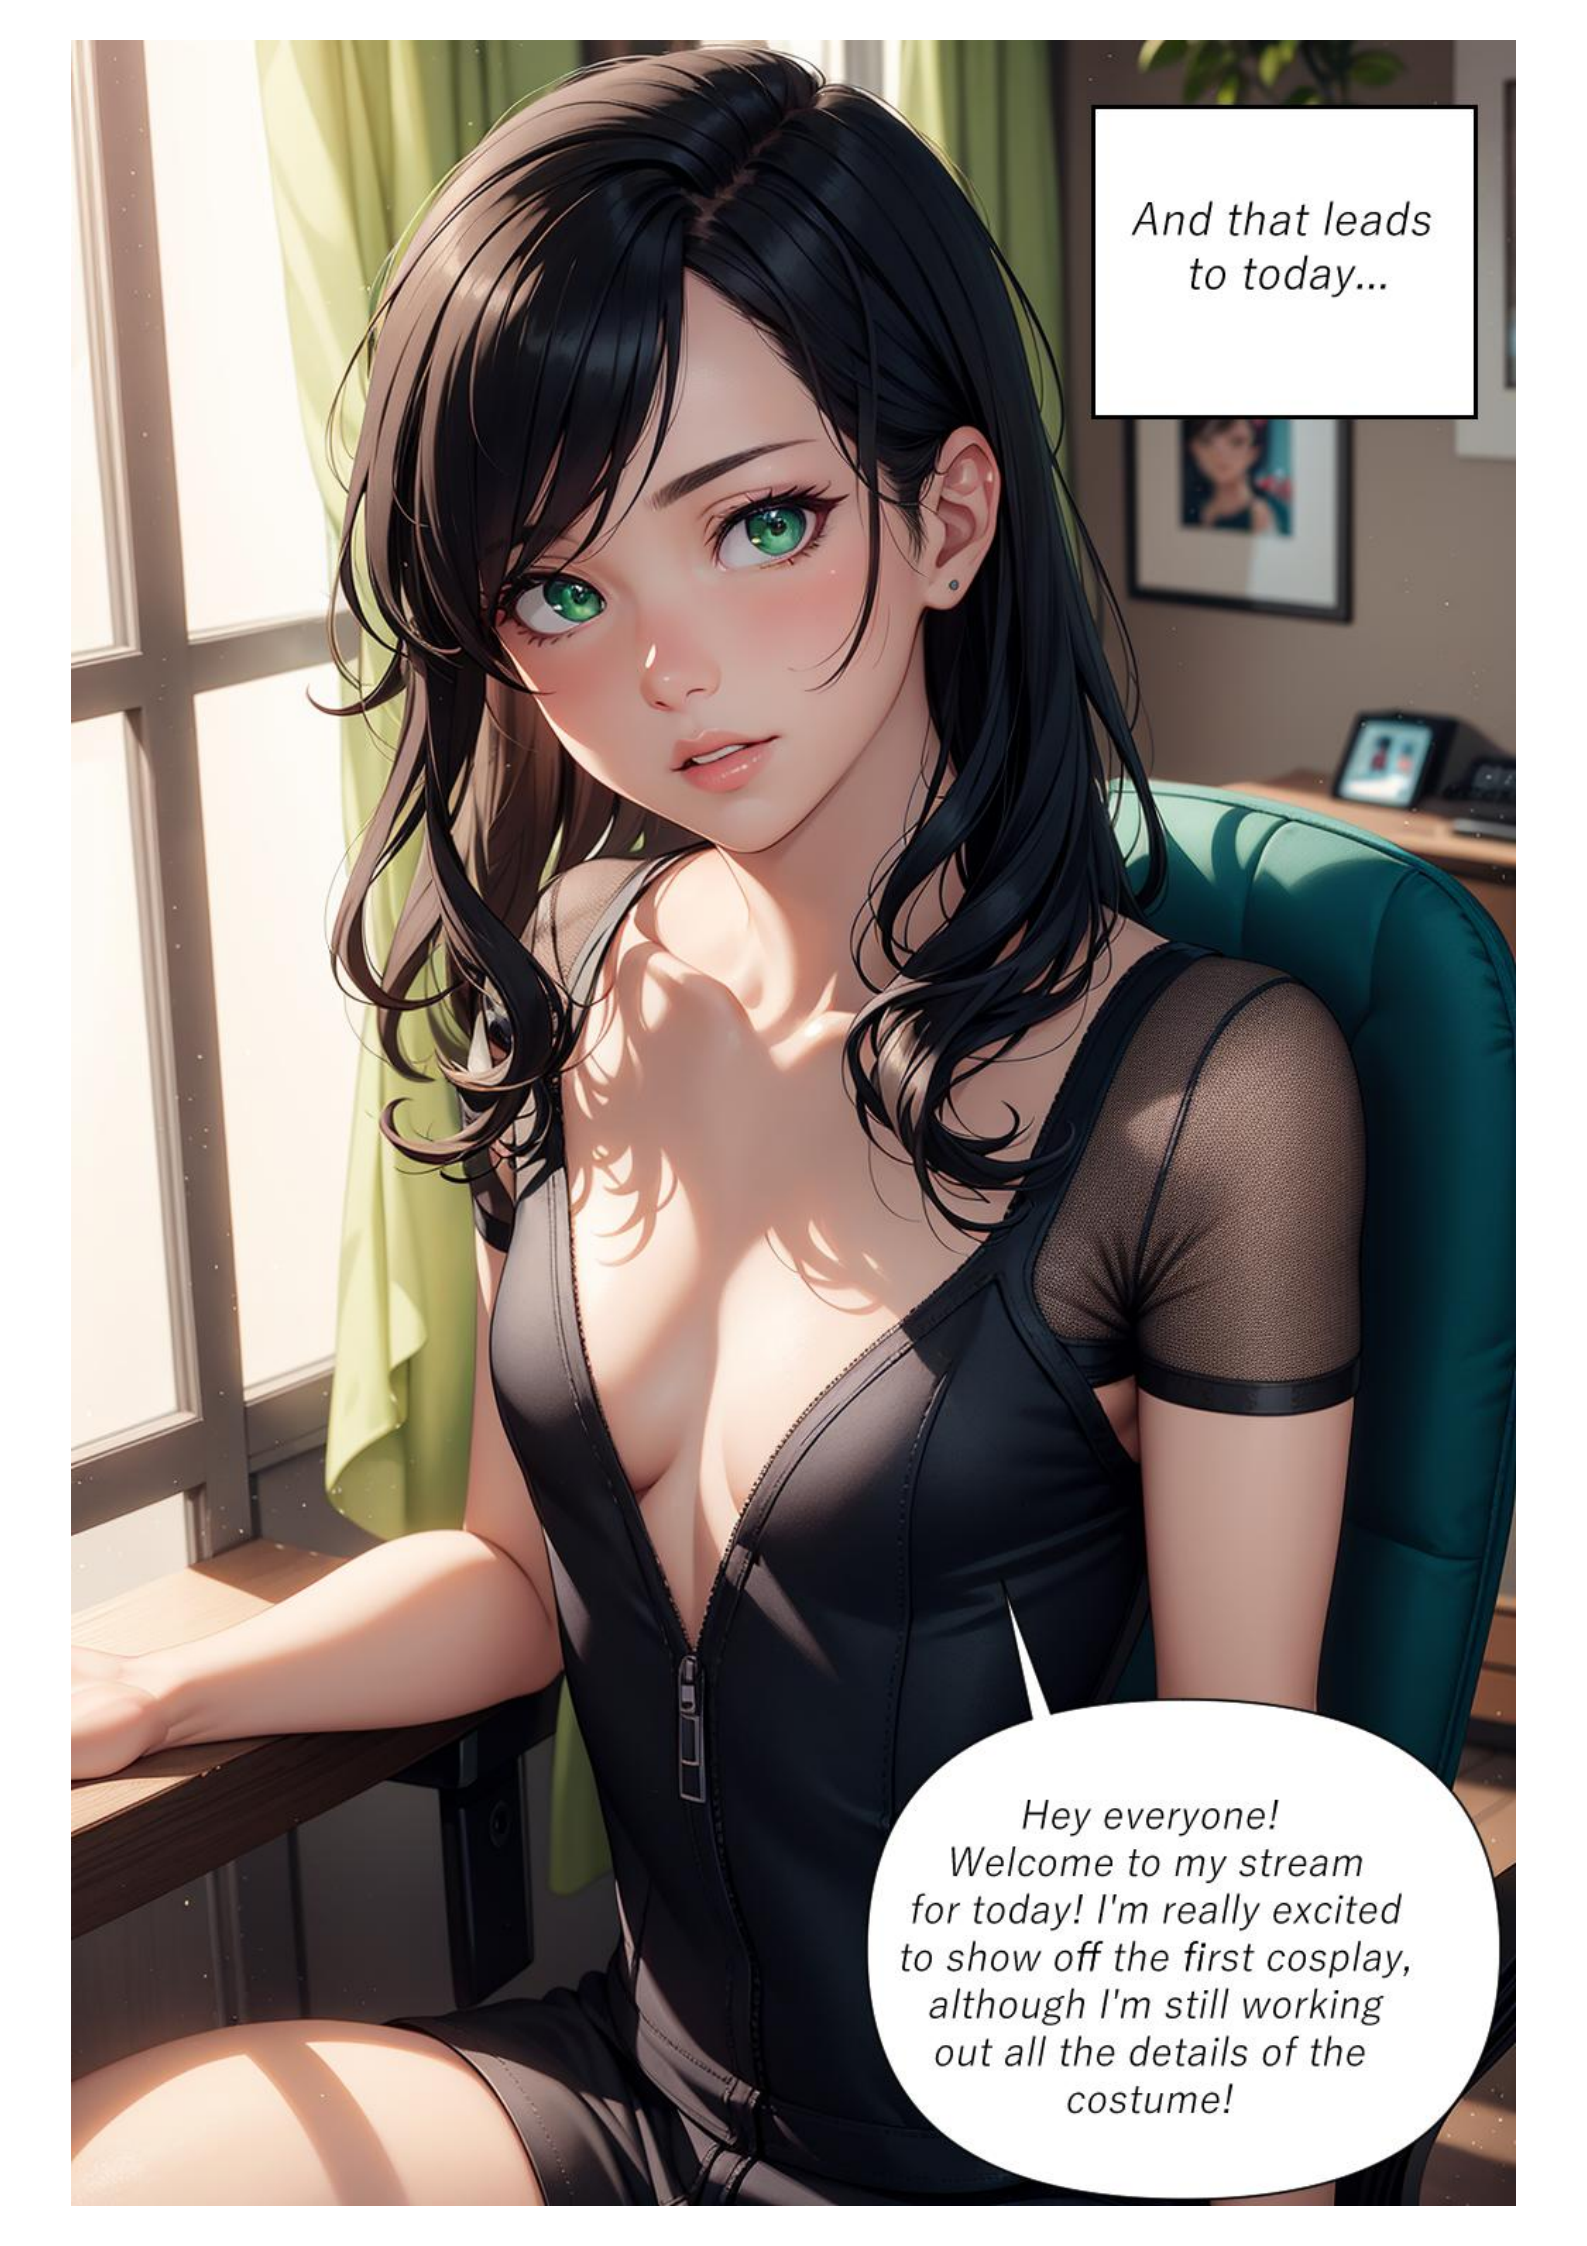

*I realized that, when I agreed to this, I should have been preparing the costumes non-stop at that moment. But I hadn't really been sure it would even happen. I suddenly felt overwhelmed and unprepared. I really didn't want to disappoint my fans especially after such a big donation goal. I didn't want to make DropsBalls look bad either after supporting me so much!*

*I was also starting to freak out because I was spending hours shopping, and having a hard time feeling like any of the stuff I was buying would lead to a coherent or convincing or... satisfying cosplay. Finally I found a kinda weeb shop downtown. Their sizes were pretty tight and restrictive, but they had some things that at least would look better than a generic Halloween-style costume store. Unfortunately a lot of their stuff was expensive imports...*

*I had wanted to do 7 different cosplays to reward my donors, although as I realized each different cosplay was going to be at least \$100 each, I got a little worried that I'd have a harder time moving out of my dad's place. But I couldn't disappoint the stream! Not now!*

*And that leads  
to today...*

*Hey everyone!  
Welcome to my stream  
for today! I'm really excited  
to show off the first cosplay,  
although I'm still working  
out all the details of the  
costume!*

Alright,  
everyone!  
Sorry about  
the little delay  
in the stream!  
This first  
costume for  
today has a  
few different  
layers and  
some detachable  
sections, so  
let me know  
what you  
think for  
each  
layer!

MakeupQueen: SHOW US THE MAKEUP!

HisNamesND: looks pretty good so far

Firebot: Enjoying the stream?

Subscribe today to unlock channel emotes!

SkyWardGal: this is already fun!

DropsBalls: wow jenny's going hard

BlushMe: omg yeah jenny u go grrrl

She-Ra-Fan: I think I can tell where this costume is going already

PatriotBoi: some of the cosplays don't have to be slutty, right? also come on guys his name's jensen

BlushMe: relax jenny's a really cute nickname

CraftFan420: i feel a little mixed, i agree jenny's a cute nickname but i really think jensen's still just jensen, right?

MakeupQueen: YOU NERDS STOP MAKING IT WEIRD AND FOCUS ON HIS MAKEUP ITS SO CUTE

Alright, chat!  
Here's my makeup!  
Honestly, I'm  
still messing with  
it. I think I added  
too many fake  
makeup moles  
and also these  
hair clips are  
too uncomfortable.

*This cosplay still has  
a whole another layer  
to go on top, I'm going  
to be putting on the  
sleeves soon. And  
what's this in chat  
about 'Jenny'?*

# TWEAK CHAT

MakeupQueen: SO CUTE! <3

HisNamesND: Hmm yaeh I'd take off the extra fake moles it looks a little weird. wait those aren't fake moles those are fake freckles aren't they?

PatriotBoi: jensen i think if u don't want to be 'jenny' u gotta shut this down rn

SkyWardGal: ooh I think I know this cosplay, but is this alt costume>

MrStan: \*Donated \$5\*

MrStan: dang I missed start of stream

DropsBalls: hiii staaan the maaan~~

BlushMe: jenny tell patriotboi to shut up lmao

She-Ra-Fan: oh wait is this alt costume?

MakeupQueen: STAN DONT MAKE IT WEIRD

MrStan: ...I literally just got here

BlushMe: ooh maybe confirming jenny name can be stream goal?

Oh, hi Stan! I hope you had a great day! Thanks for the donation! And thank you so much for your big donation that has me doing this in the first place!

I've changed the fake freckles and added the arm plates... yeah, sadly this is an alt costume, but I love the options!

As for Jenny... well, I guess I don't mind it, especially when I'm in cosplay like today. But I don't mind staying as Jensen either. Should we do another competing stream goal?

ADWA

# TWEAK CHAT

- MrStan:** You're welcome to do a stream goal, I promise I won't swing it for a name.
- MakeupQueen:** I LOVE THAT MAKEUP!
- HisNamesND:** idk I still think it's too many fake freckles, maybe add some to other side?
- PatriotBoi:** even without Stan swinging i think it's really obvious that 'jenny' would win on a goal, u just should decide who u r
- MrStan:** To be clear, there's things I would donate for if you're open to them, but they might be 'weird'
- MakeupQueen:** HE WILL DEFINITELY MAKE IT WEIRD
- DropsBalls:** MUQ u might wanna chill grll
- BlushMe:** I'm okay with stream goal for jenny confirm. no need for competition
- She-Ra-Fan:** GG... other catchphrases?
- BlushMe:** jenny gogogo

I guess I don't want it unclear what the goal is. How about, for a \$200 goal, I'll go by 'Jenny' for the rest of the week, with no counter-goal or anything. I don't mind it, it's a cute name.

And yeah, I tried adding a freckle to the other side, but this suit is still so stuffy I might take off some extra parts.

# TWEAK CHAT

- Firebot:** A new stream goal is active!  
If the stream hits \$200,  
Jensen will go by Jenny for  
a week!
- SkyWardGal:** \*Donated \$5\*
- DropsBalls:** tempting... but now I wanna  
make it 'thot' instead lmaooo  
DB you're such a troll!
- BlushMe:**
- She-Ra-Fan:** Did we confirm the costume?  
It's DVa, right? But an alt  
sigh... kinda thought you'd  
just say you prefer being  
'jensen'
- PatriotBoi:**
- BlushMe:** she was jenny all along, we  
just cracked her egg that's  
all
- CraftFan420:** wait is that true?
- MakeupQueen:** STOP.
- MakeupQueen:** MAKING.
- MakeupQueen:** IT.
- SkyWardGal:** C-c-c-c-combo breaker!
- MakeupQueen:** WEIRD.
- MakeupQueen:** ...gdi Sky

A detailed illustration of the character D.Va from the game Overwatch. She is shown from the waist up, sitting at a desk in a room with a window and a computer. She has long black hair and green eyes. She is wearing her signature black and purple tactical suit. The suit features a white chest plate with a pink 'DVA' logo and a pink 'V' on her collar. She has black wristbands on both wrists. The background shows a desk with a computer monitor, keyboard, and mouse, and a window with green curtains. The lighting is warm, suggesting a sunset or sunrise.

DB, I love you, but I really don't want to just be 'thot' thanks.

Anyway, I took off one layer of the shoulder plates. And yeah, you guessed right! I'm DVa! GG! Although Blizzard kinda sucks now

# TWEAK CHAT

- She-Ra-Fan:* I knew it! I almost thought Zero 2 but the initial hair clips were a big hint.
- PatriotBoi:* holy nipples batman
- BlushMe:* lol its true blizzard does suck
- CraftFan420:* what's wrong with blizzard? some friends still play WoW
- MakeupQueen:* omg Patriot not you too!
- SkyWardGal:* google it
- MrStan:* Seeing more of the costume does give me an idea I'd like but I'll wait for this name thing to resolve first.
- MakeupQueen:* so if we DON'T donate then Stan can't make things even weirder!
- HisNamesND:* I'm actually kinda with Patriot actually, I kinda don't want Jensen to go by Jenny unless he actually likes it.
- PatriotBoi:* Wow ND, based
- DropsBalls:* That's right, Jenny's too normie.

A character with long black hair and green eyes, wearing a pink and black futuristic suit with horns. The character is sitting in a room with a desk and a chair. The suit has a high collar and various panels and straps. The character is looking towards the viewer with a slight smile.

Wow, that is so divided!  
You guys are really making me think today!

And yeah, the nipples were too much, right? I bought some falsies and they came with these really pronounced nipples. Honestly I think it was way too much. I'm gonna keep them covered or maybe return them or something I guess.

As for the name... I guess so long as I'm in costume, I guess Jenny seems fine...

Here's the extra layers and the hair clips so you can kinda see the full costume now. Let me know what you think!

I guess I don't want to be seen as tricking people... I'm still Jensen really.

# TWEAK CHAT

- DropsBalls:** lol Jensen doesn't want to be a trap. i got bad news for u bae*
- PatriotBoi:** That settles it right? Jensen is Jensen, not Jenny.*
- She-Ra-Fan:** idk I thought he said he said he doesn't care. so long as he's in costume, he's Jenny!*
- BlushMe:** lmao im so confused*
- CraftFan420:** chat moves so fast now like I still don't know what's wrong with WoW*
- MakeupQueen:** I like the single fake freckle on your right cheek, so cute!*
- SkyWardGal:** idk is this DVa tho rly?*
- MrStan:** I for one really didn't mind the nipples being visible*
- MakeupQueen:** STAN!*
- HisNamesND:** If Jensen is Jensen then Jensen is Jensen.*
- PatriotBoi:** I found the nips kinda ... weird tbh*

A character with long black hair and glowing green eyes is shown from the chest up. She is wearing a pink and black futuristic suit with a glowing green emblem on her chest. The background shows a desk with a computer monitor and a window with a view of a city.

Okay, I think I've settled on adding on the white shoulder pads. And yeah, it's not the iconic DVa look, but I still thought it would be a great way to start the stream. Especially as we get into some video games. I do still want to do at least some gaming!

*I guess I'll go ahead and cancel that stream donation goal. SkyWardGal, thank you for the donation, but I also don't know how to refund it if it was just for that goal. Sorry, ugh, it's still hard to get a sense of how to handle the stream goals while I'm doing the cosplays! Bear with me everyone!*

# TWEAK CHAT

*SkyWardGal:* you said we could call u Jenny, right? if so I'll take it!

*MrStan:* So the current stream goal is cancelled now then right? I had a request. You don't have to do it of course.

*MrStan:* \*Donated \$50\*

*PatriotBoi:* Oh boy here we go

*MakeupQueen:* STAN! DOWN BOY! DOWN!

*CraftFan420:* i'm not muted right? people can see my questions?

*She-Ra-Fan:* we all moved on from blizzard craft sorry

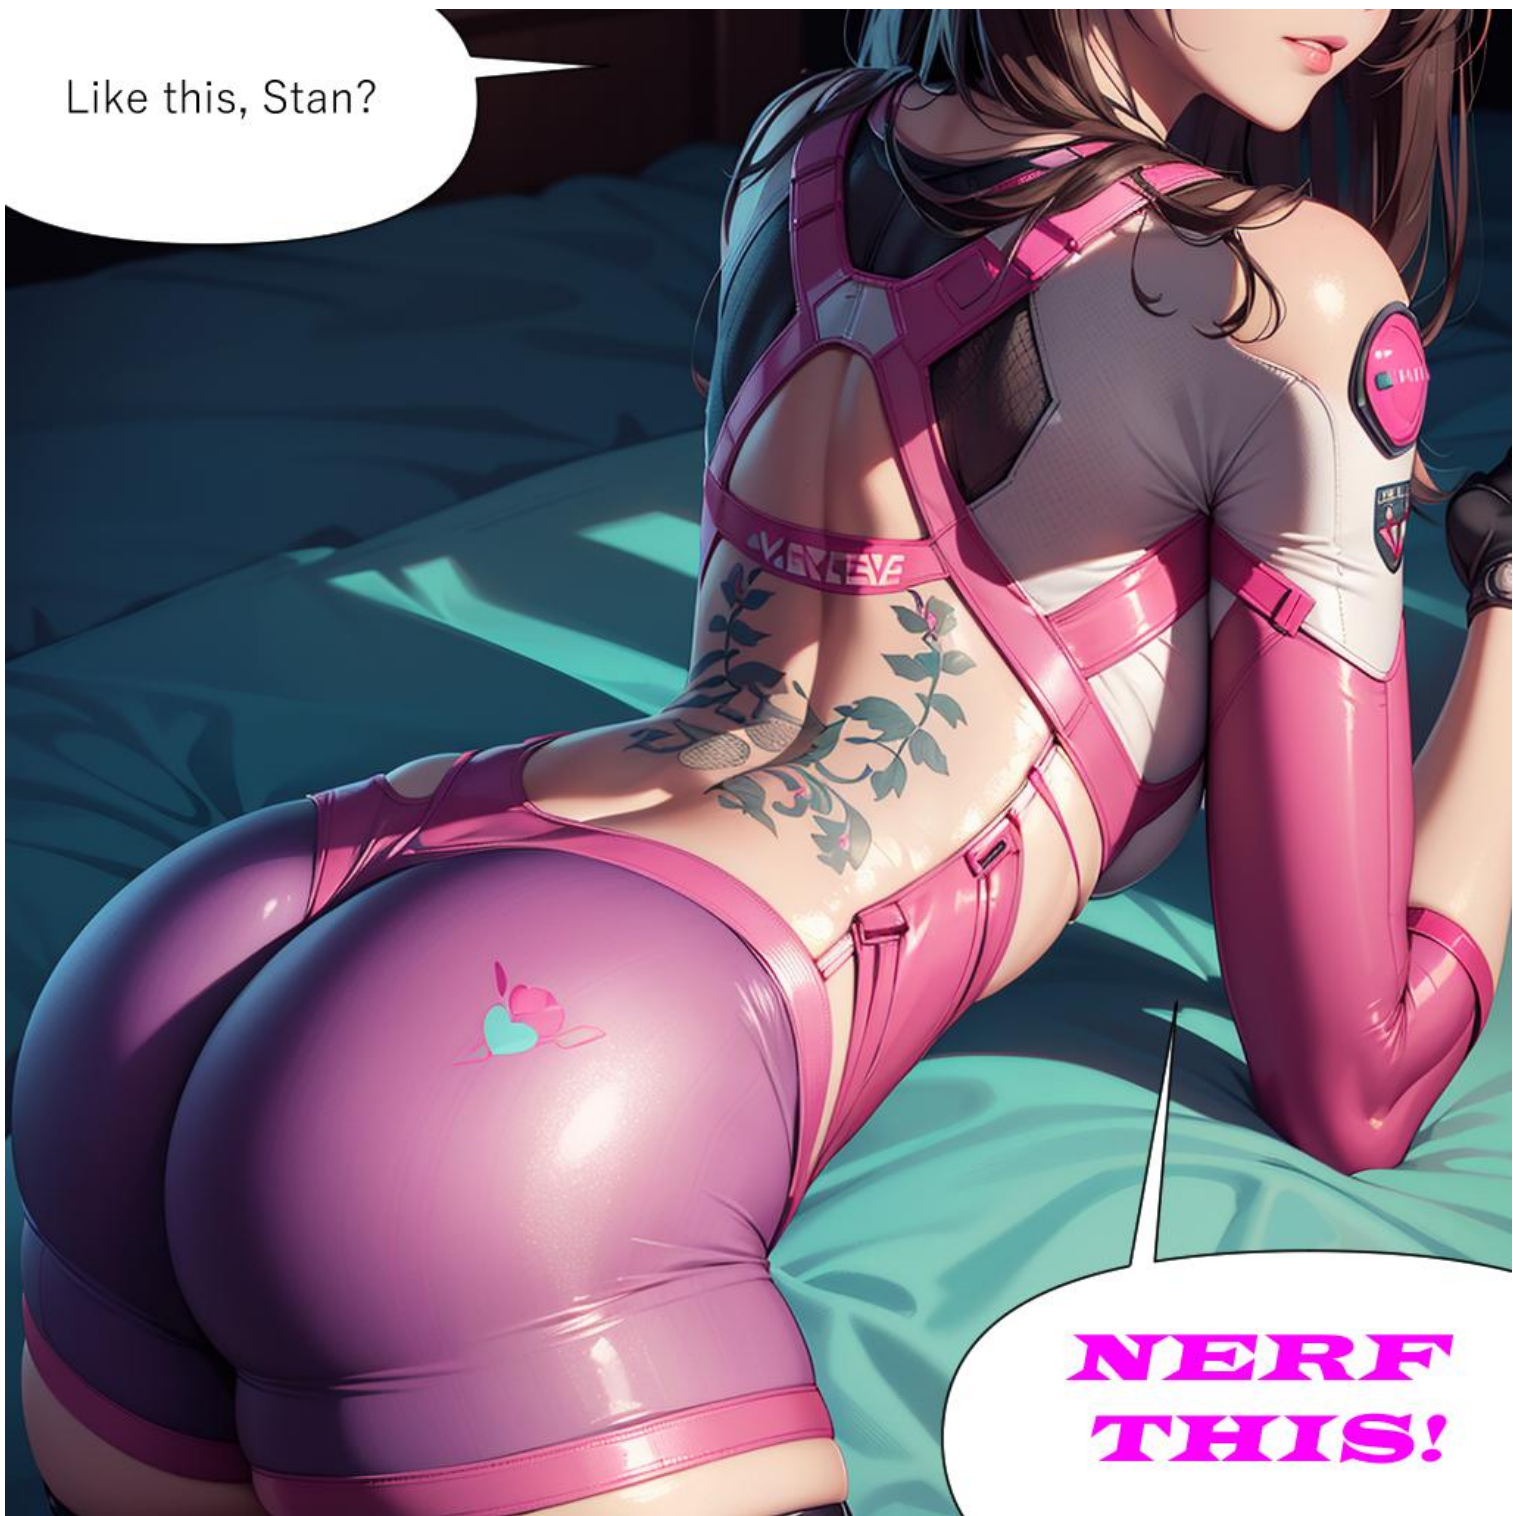

*DropsBalls:* chat can't agree on a stream goal so Stan gonna take over

*MrStan:* I just thought the costume was cuter with less armor. I want you to lay on the bed with less armor and say 'Nerf this' -- \$200 donation if you do

*BlushMe:* this dude thirsty

*MakeupQueen:* jeez Stan relax lmao

Like this, Stan?

**NERF THIS!**

# TWEAK CHAT

*MrStan: \*Donated \$200\**

*MrStan: I am a man of my word.*

*PatriotBoi: the 'his name's Jensen' discussion seems so trivial after that*

*DropsBalls: I really feel like we're learning about who Jenny really is*

*PatriotBoi: sigh...*

*MakeupQueen: STAN!!!!!!*

*CraftFan420: i wish i looked like that*

*MakeupQueen: Real talk those fake tattoos on the back were a nice touch*

*She-Ra-Fan: \*Donated \$5\**

*BlushMe: ???*

*She-Ra-Fan: I honestly enjoyed that even if it was Stan's request lol*

*HisNamesND: Jensen really though is it rude to ask, it's just--you make it look so easy--but are you really cis?*

*MakeupQueen: Jeez ND now you're being intense!*

To be perfectly honest, I don't even really know what that means, but I'll definitely look it up and think about it tonight!

*After the  
stream*

That stream was...  
kinda intense.  
I couldn't get a  
stream goal going,  
and then I felt  
a little odd  
going for Stan's  
request.

*And now, even  
when the camera's  
off, I'm narrating  
my life to myself...  
yikes.*

Hey there, champ!  
Have a good  
stream today?

Yeah, dad!  
Thank you so  
much for helping  
me get around  
on the shopping  
yesterday!

A digital illustration of a man with dark, wavy hair and a beard, wearing a dark blue polo shirt and khaki pants. He is sitting on a bed in a bedroom, looking off to the side with a thoughtful expression. The room is lit with warm sunlight from a window on the right. In the background, there is a bed with white linens, a nightstand with a lamp, and a framed picture on the wall. A speech bubble is positioned to the left of the man.

No problem!  
You seem a  
little stressed  
though, at a  
glance.  
Everything  
okay?

Thanks for asking,  
but I'm okay.  
I'm just trying  
to figure out  
some things on  
how to keep the  
stream going  
well. It's different  
without DropsBalls  
here.

That girl was really pretty. I know you have a professional relationship, but if your job is done, I don't see why you don't ask her out.

*Anyway, soup's nearly boiling, come get your dinner soon!*

A young woman with dark, wavy hair and green eyes is looking out a window. She is wearing a light-colored top. The scene is lit with warm, golden light from the window. Two speech bubbles are present, one above and one below her head.

Gosh, I would feel so weird if dad came in while I was doing a request for Stan...

*And why didn't I just say I was cis to chat... obviously I am, it's just, I don't know, everything seems so much more complicated now...*

How am I supposed to prepare my next costume while I also edit my videos and do things like... eat food and sleep? I'm so tired...

*The next morning, I looked over my numbers. When I really looked at it, Mr. Stan had really donated way more than anyone else in my community-- more than everyone else in my community combined, actually.*

*But that wasn't all.*

*When I released my stream highlight videos that I edited the night before, I saw that my reaction to getting 'pranked' by MrStan was also getting the most views...*

*More than that, my gameplay videos in comparison to my cosplay content, was basically a blip. My cosplay and makeup videos were getting way more traffic and comments.*

*I was thrilled that I finally felt like I had an audience, but finally seeing it all laid out in front of me, I suddenly got a little nervous. I'd had these dreams of being able to move out... but that plan entirely hinged on MrStan for now...*

Alright,  
got my extensions  
on, got my contacts in,  
and I did just a bit of  
light makeup before we  
start the show...  
The pre-stream launch is  
ready. Man, I barely  
had any time to think  
about what chat was  
talking about  
last night though.

*But here we go!  
Good morning  
everyone! Welcome  
to my stream!  
It's me, Jen!*

# TWEAK CHAT

*PatriotBoi:* 'Jen' not 'Jensen? Gosh is that a sign already?

*MakeupQueen:* Jen your lips are so cute today you look great!

*CraftFan420:* Yeah Jen are you gonna do another makeup tutorial today?

*She-Ra-Fan:* Good morning Jen!

*BlushMe:* Are we doing another cosplay today?

*HisNamesND:* I thought that was the deal from Stan's one stream goal yeah?

*MakeupQueen:* Jeezz don't rush her err him

*HisNamesND:* Wow going right to the issue from last night huh MUQ?

*MakeupQueen:* eww call me Queen not MUQ

*MakeupQueen:* also I wasn't really trying to bring that up honestly

*SochuSlice:* do zero suit samus

*TayTayBean:* Nah do Chun Li next!

*BlushMe:* Cool some new names in chat!

Hi there, Sochu and Bean!  
Welcome to the stream!  
And yeah, Craft, glad to  
hear you like the tutorials!  
Here I'll show you some of  
what Paul showed me,  
this is his special blush,  
I really love it!

*And Patriot,  
I don't know what  
you mean, but Paul  
started calling me  
'Jen' and I just  
remembered it  
now. It feels  
fine to me.*

# TWEAK CHAT

- SochuSlice:** girl u hot u got a FanService account?
- TayTayBean:** You know he's a dude right?
- SochuSlice:** lol no way that's a chick
- HisNamesND:** If you're okay with Jen that's nice but I still wish you'd say what name you actually want
- PatriotBoi:** ND are you... okay? You're so hung up on this name thing
- MakeupQueen:** I love that blush on you!
- CraftFan420:** So you don't need any foundation before putting on blush? Your skin is so pretty!
- She-Ra-Fan:** Just do what feels right Craft
- BlushMe:** Is that Sochu guy for real lol
- HisNamesND:** I just want Jen to be real I guess. Sorry I shouldn't push so hard. I really just want to understand Jen
- MakeupQueen:** srsly ND relax lmao
- HisNamesND:** Yeah, yeah, okay, sorry
- MakeupQueen:** The Queen has Spoken!

You're okay ND.  
I'm sorry that honestly  
I've been kinda confused  
myself lately. Like, I've always  
just been seen as a guy and  
that was it. I'd never really  
thought about it at all.  
How do I put this....  
like...

*Uhhh... I think  
it's funny that people  
can see me as a  
girl now at a glance.  
That's just new  
and fun. But...*

I guess at some level I... kinda don't care? Is that weird? Like I am a guy, but being a guy isn't... like, important to me. It's just something I am that I've never seen a way to change.

Sorry, I wanted to think about your question more last night, but I've been way more focused on the stream and my cosplay for today. Speaking of which, I guess I should get started!

This one's quite the costume!  
It came with these cool little  
additions for the base of the  
piece but uhhh...  
they're kinda poking me in the ...  
everywhere?  
Think I'm gonna have  
to take these off.  
One second, lads and ladies!

*I'm hoping you really  
enjoy the final cosplay,  
although this is honestly  
my first time trying it!*

# TWEAK CHAT

*SochuSlice:* u see that shot this is totes a chick

*HisNamesND:* It is honestly pretty crazy how fast Jen mastered the art of tucking

*CraftFan420:* omg just a short shot of the bottom but I'm pretty hyped

*MakeupQueen:* How much do you think Jen paid for this? Why do I feel like if I got one I'd look worse but spend more

*TayTayBean:* Hey Queen u got an insta?

*SochuSlice:* yee shoot that shot TayTay!

*She-Ra-Fan:* TayTay got that thirst but kinda surprised you all can focus with Jen about to drop next part of this cosplay

*PatriotBoi:* man this stream has changed

*BlushMe:* yeah idk about Tay and Slice

*SochuSlice:* wtf I do?

*CraftFan420:* I agree it's different but I still like it

Well, I bought a few pairs of shoes. I think I have to return these ones though. I thought with my feet I'd need to get the 'wide' style pairing, but I didn't try them on very well and well... you can see the issue. I'm swimming in this right shoe!

*Gosh, I know I need to play to the whole stream, but I feel like I almost want to slow roll in case Stan gets here... is that bad?*

# TWEAK CHAT

Feetman: Yes more feet please.

SochuSlice: this 'guy' can't even fill a girl's shoe lol

HisNamesND: Yeah Slice you need to back off man

SochuSlice: What's your problem with me man?

HisNamesND: Don't call me 'man' man

CraftFan420: wtf how are you two so riled up with Jen showing her super cute shoes

MakeupQueen: right? I wonder if I can find some in my size!

TayTayBean: aww Queen you ignored me

She-Ra-Fan: Not surprising. You're too thirsty

SochuSlice: This chat is so hostile

PatriotBoi: I kinda think Slice needs to get banned

SochuSlice: I literally didn't even do anything

BlushMe: how is there even drama lol

CraftFan420: can't we just enjoy Jen's outfit in peace?

Okay, I had to change shoes, this pair fits a lot better and... what on earth is going on in chat! Sorry guys. Yeah, Slice, I'm a guy. A real manly man at that!

# TWEAK CHAT

- Feetman: Yes! Keep the feet coming!
- HisNamesND: Now I'm a little annoyed cause Jen was opening up and now he's back to the gimmick line.
- SochuSlice: I mean, yeah the voice is deep. I guess it's a guy.  
Like Scarlett Johansson
- She-Ra-Fan: ScarJo literally was the voice of 'Her' no one thinks she sounds like a guy
- CraftFan420: what is 'Her'?
- She-Ra-Fan: Movie where she's a robot
- HisNamesND: But like are we going to deal with guys saying Jen's a chick everyday?
- TayTayBean: I mean dude looks like a lady
- MakeupQueen: I do think it's a little hard to avoid at this point
- SochuSlice: I'm still a little skeptical ngl
- PatriotBoi: lol dude what more do you want? Wait, don't answer
- SochuSlice: I want her FanService!
- SochuSlice: \*Timed out for 2 minutes\*

*This Slice guy is kinda annoying me but I don't want to make it normal to be mean to every new guy that comes in thinking I'm a girl when that's kinda a big part of the stream at this point. Maybe I can make the rules kinda fun?*

*Alright Slice, you've been a naughty boy and you're making daddy Jen really annoyed. I understand thinking I'm a girl, since I'm going out of my way to look like a girl. But we've kinda already explained it once. I guess I need some mods for chat now. Anyone?*

# TWEAK CHAT

- Feetman:* I will donate \$20 if you do 20 minutes of just your feet.
- TayTayBean:* Wow 'daddy Jen' lol hot
- She-Ra-Fan:* I agree this energy from Jen is really hot wow. Daddy Jen!
- HisNamesND:* Sigh now we're fully into a new gimmick.
- CraftFan420:* wow I really love how you put your foot down Jen!!!
- PatriotBoi:* I could help mod but I am a little worried I'm more just 'still here' than all about the direction of the stream
- HisNamesND:* I guess I could mod
- MakeupQueen:* No offense ND but maybe you shouldn't lol
- PatriotBoi:* Actually Queen you'd probably be a good mod.
- CraftFan420:* I'd be okay with Patriot or Queen being mods, they seem like good people
- MakeupQueen:* I mean I don't really wanna ban annoying guys... or DO I?

Very well.  
King Daddy  
Jen now speaks.  
Sir PatriotBoi, and  
Lady MakeupQueen,  
I hereby vest you with  
the power of mod  
status. Please only  
snap ban spambots  
and racist trolls.  
For confused thirsty  
boys, please only  
time them out  
if they refuse  
to get it.

*I'll send  
you two  
my Jangle and  
we can talk  
after the stream  
if you're still  
around by then.  
I'll write up  
more guidance  
on rules and  
stuff, okay?*

# TWEAK CHAT

**Firebot:** PatriotBoi is now a Mod

**Firebot:** MakeUpQueen is now a Mod

**PatriotBoi:** Okay, Jen, I'll do my best!

**PatriotBoi:** Oooh my name looks good in bold!

**MakeupQueen:** Now I can ban anyone that calls me MUQ! :P

**Feetman:** My offer will stand tomorrow too if I'm on

**She-Ra-Fan:** Congrats Queen!

**CraftFan420:** Congrats you two! And I love your look, Jen!

**TayTayBean:** step on me daddy

**HisNamesND:** I still don't why you didn't want me

**MakeupQueen:** I'm sorry ND! You're great!

**MrStan:** Good afternoon, all. Today's cosplay looks great!

**SochuSlice:** FUCK YOU BITCH

**Firebot:** \*MakeupQueen permanently banned SochuSlice\*

**MakeupQueen:** So that's how that button works

**HisNamesND:** I told y'all

*Hmm, I shouldn't  
make Stan a  
mod, should I?  
But he donated  
so much...*

Oh, hi Stan!  
Welcome to  
today's stream! Yeah,  
we just did a little  
housekeeping so far.  
We're attracting some  
new viewers, although  
some of them are  
being naughty little  
boys. Daddy Jen  
had to lay down  
some new rules.

# TWEAK CHAT

*MrStan:* Daddy Jen, huh? Neat

*PatriotBoi:* Queen, you're a natural!

*MakeupQueen:* Thanks!

*She-Ra-Fan:* Huh Queen didn't you not like Stan though?

*MakeupQueen:* Oh. Uhh, well, I was trying to get him to not always make it weird. But I don't dislike him?

*MrStan:* Oh there's new mods! Congrats you two!

*PatriotBoi:* Thanks, Stan!

*CraftFan420:* This is kinda funny

*HisNamesND:* More strange than funny

*MrStan:* I imagine modding is a lot of work. Can I donate so you can pay them?

*MakeupQueen:* Aww Stan that's sweet!

*PatriotBoi:* lol Stan

*TayTayBean:* please Jen step on me

*PatriotBoi:* I guess Tay's thirsting is... okay?

*MakeupQueen:* I mean... I guess we ask Jen?

Uggh, did I screw up making Queen a mod when she's been the one trying to make Stan less weird? I don't want to scare off Stan-- I need him to move out!

I need to keep it together--maybe this is okay, because Stan can't get me banned either. I need him to stay good.

Those are really good questions! Yeah, Stan, if you want me to pay Queen and Patriot, I'll do my best! Although I'll have to talk to them after the stream to figure it all out. As for TayTay, I mean, I'm not going to step on him, but so long as he doesn't spam I don't mind him or anyone else asking.

# TWEAK CHAT

*TayTayBean:* if I spam will u step on me  
*PatriotBoi:* She won't but I will ban you!  
*PatriotBoi:* \*he GDI  
*She-Ra-Fan:* Even the mods can't keep Jen straight  
*BlushMe:* Even Jen can't keep Jen straight  
*CraftFan420:* LMAO  
*MakeupQueen:* That's a thought, Patriot. I guess we're okay with simple mistakes on Jen's gender so long as it doesn't seem mean?  
*MrStan:* Queen and Patriot doing great work!  
*MrStan:* \*Donated \$200\*  
*PatriotBoi:* Whoa Stan!  
*MrStan:* I'll let you figure out a rate with Jen that is fair to you.  
*MakeupQueen:* Wow!  
*PatriotBoi:* Stan is kinda a wild man  
*MrStan:* I like this stream and as it grows we need good people to help Jen.

Wow, I've been so focused on trying to move out, I hadn't even considered paying Queen or Patriot... I thought most mods were just volunteers? But this might be way better...

Thanks Stan, you're amazing! I honestly don't think I've ever seen donations given to the mods of a stream before, although maybe that is a thing I've missed. I'll definitely talk to them after and figure it out. Is there anything I can do to say thanks, Stan? You've been incredibly generous every day you come in here and it really means so much to me!

# TWEAK CHAT

**MrStan:** Well, there is one thing you could do to say thanks

**TayTayBean:** ask him to step on me?

**Feetman:** Have him take his shoes off on stream?

**MakeupQueen:** Can we calm on the feet just a little, please?

**PatriotBoi:** ^

**She-Ra-Fan:** lol you guys know it's possible Stan's request will be weirder than feet?

**MrStan:** I'd like Jen to lay on the bed and say 'Thank you, Daddy'

**PatriotBoi:** LMAO

**HisNamesND:** Isn't that kinda against the grain of this cool 'dommy daddy' Jen is playing today?

**MrStan:** Oh is it?

**She-Ra-Fan:** did I call it or what?

**PatriotBoi:** Stan is nothing if not consistent.

*Thank you,  
Daddy*

# TWEAK CHAT

- Feetman:* So is that the rate?  
Could I get 20 minutes of Jen's feet for \$200?
- MakeupQueen:*** that isn't spamming but it feels so repetitive it's making me want to time out
- PatriotBoi:*** Hope feet doesn't get FILLED WITH RAGE like that Slice guy.
- Feetman:* I'm just negotiating a price that's all
- She-Ra-Fan:* somehow him saying it like that makes it worse
- MrStan:* somehow Jen having the 'king daddy' persona made that more satisfying for me
- HisNamesND:* Just a heads up -- feet content is prohibited on Tweak
- PatriotBoi:*** Oh I didn't know that
- Feetman:* I would also pay for a FanService account...
- MakeupQueen:*** my gut says ban this guy

Can you all relax, a little please? This is why I used to only play video games. I want a fun and positive stream, not all this drama. Feetman, I'm sorry, I'm just not doing that today, I'm not changing platforms.

*I'm really proud of this Boswette cosplay, even though maybe that doesn't make sense... I didn't make it, I bought it. But I'm having a lot of fun wearing it. I enjoy talking to you all, but I also really don't want to get banned from Tweak!*

# TWEAK CHAT

- PatriotBoi:** Feet guy, you're stressing out Jen. Feet content is prohibited. You can stay but you can't keep asking.
- Feetman: I understand. I respect that.
- She-Ra-Fan:** Feet guys are also so damn intense
- HisNamesND:** Talking from personal experience?
- MrStan:** This is great, Jen! It's very good to set clear boundaries. I like this stream and I don't want you to get banned or change platforms.
- PatriotBoi:** Nice, Stan
- MrStan:** Even though I would subscribe if you did decide to also do a FanService.
- PatriotBoi:** .....
- MakeupQueen:** Please don't pressure Jen right now, Stan.
- MrStan:** I'm sorry, that was not my intention.

A character with dark hair, green eyes, and a golden crown with a pink and purple gem. She has large, curved horns and is wearing a black, strapless, form-fitting outfit with a blue gem at the bust. She is sitting on a bed with white sheets and pillows. The background shows a window with curtains and a potted plant.

Honestly, I'm still learning how to handle everything, everyone. I'm sorry if I'm struggling with how many new people and ideas I'm seeing. I don't even really get why Tweak bans foot content.

Sorry that today has had so much drama! And thank you Patriot and Queen for agreeing to be mods. Your guts have seemed really good so far. And thank you again Stan for your kind donation. Feet guy, I guess I can't dwell only on my feet, but you're welcome to see my ankle here. No kink shaming on my stream! For now though, I'm gonna go.

Queen, Patriot, I'll send you my Jangle in a minute.

Jensen  
Queen  
PatriotBoi

Jensen: hi! thank you two for being mods today! sorry it was so chaotic

PatriotBoi: It was okay, I guess I need to look at the rules for Tweak more carefully now.

Queen: I wonder if I was wrong to shoot down ND. they seemed to know the rules really well

Jensen: should I add ND as a mod too?

PatriotBoi: I dunno, they seem kinda intense, too

Jensen: I'll think about it. For now though, I don't know what a good rate is for you two. But I guess 50 each for today and tomorrow?

Queen: Wow!

PatriotBoi: Keep mine.

Jensen: ???

PatriotBoi

PatriotBoi: Keep mine.

Jensen: ???

PatriotBoi: You're trying to move out, right? You need it more than me.

Jensen: Oh! Wow, thank you!

PatriotBoi: I mean I can't donate as much as Stan, but I do what I can.

Queen: Patriot trying to make me look bad...

Jensen: Not at all! Queen send me your CashFriend info in a DM

PatriotBoi: Remember Tweak takes \$2.50 so Queen should get \$47.50 for each day of modding.

Queen: Going into my makeup fund!

Jensen: And uhh... please don't ban Stan unless he really crosses the line

Queen: I got u bae

Hey son, dinner's just about ready and--  
oh, I see you're...  
not quite done yet.  
Sorry.

Oh, dad, sorry, I haven't changed yet--I was finishing some things up. Please knock in the future!

Quite right--  
I helped you buy  
the outfit, but I  
still wasn't quite  
ready for that.  
I'll see you at  
dinner.

I feel so weird...  
The stream is just going to ask me to do stranger and stranger things, and I can't have dad walking in or hearing me while I'm working...

*Everything with the stream feels in flux and chaotic, and there's all these problems... but I really need to move out. Ideally I'd need a studio even, although I probably can't afford that...*

Alright, I'm out of my Bowsette costume. I thought that the whole stream people would just be making puns about it, but instead it was just nonstop drama. And that foot guy nearly got me banned.

*Now I just need to go have dinner with dad. He's so good to me. Am I rash in wanting to move out?*

A digital illustration of a man with dark hair and a beard, wearing a dark polo shirt, sitting at a table in a restaurant. He is holding a white bowl of food with both hands and a fork. On the table in front of him is a plate of food with a glass of beer. A speech bubble is positioned to his left, containing text.

Listen, Jensen, I'm sorry again about walking in on you. Still, go ahead and sit down and tell me about how it went!

Thanks for dinner, dad!  
This looks delicious. The stream... is tricky. I guess I felt a little weird you saw me in costume, even though you helped me buy it. I know this all has to be super weird for you, although I'm still going to be in costume for the rest of the week!

*I gotta be honest, I know you still don't want me to do streaming. But today was actually really stressful and I totally could just vent for a while. I have to keep making all these rules for the stream and figure out what's allowed and not and it's actually pretty stressful. But I think I'm learning fast!*

To be honest, a lot of my concern as I said was that I'd rather you get a good union job. I don't like the idea that you're basically an employee of Tweak but without any real benefits or pension.

*But, I can appreciate your desire to be your own boss. That being said, this seems really different from how you were streaming before. I just have to ask-- is this still really what you want? I'll support you, but I want you being true to yourself.*

Today was definitely the most stressful day of streaming I've had so far, but I think I'm feeling the stress in part just because I want it to keep working so badly. I'm really getting to know my community.

*I know how hard this is for you, and I appreciate you being so calm and collected about how weird I am. I still feel like I should move out so I can give you your space. I don't know how stable the income is right now, but if you have an idea I'm listening.*

Well, I've suspected you'd want your own place for a while now. Let's go ahead and see if we can get you set up, and if this streaming gig dries up, you can move back in

Thank you so much, dad!  
Wow, you always have such a straightforward approach to problems!  
You're right, nothing has to be forever...  
I can try moving out for a few months.  
If you can help me get a lease I'd really appreciate it!

This is it! With dad's help, I'm finally going to move out! I'm going to be a full time professional streamer!

*Although, I guess, since all of this is only possible since I started doing cosplay on stream, I wonder...*

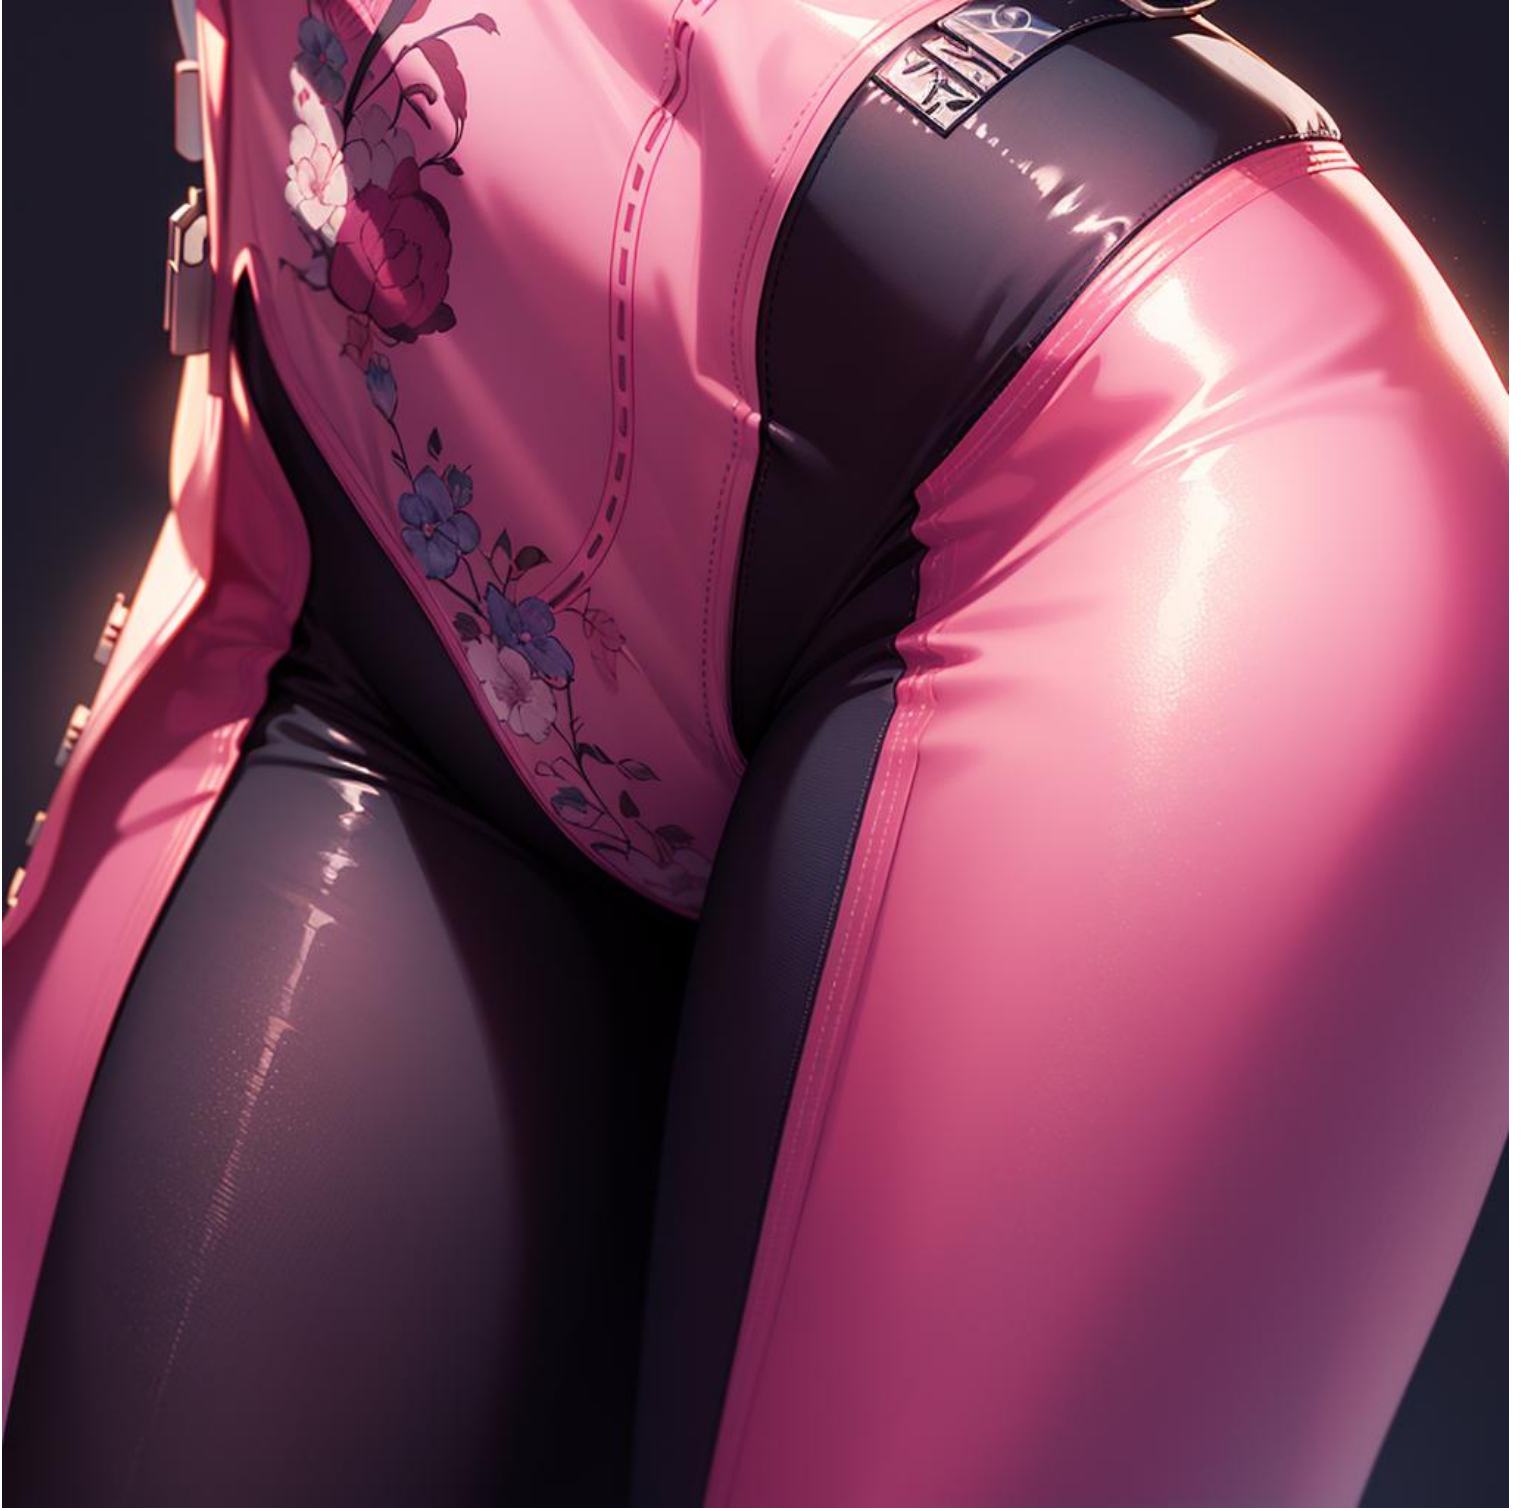

Am I...

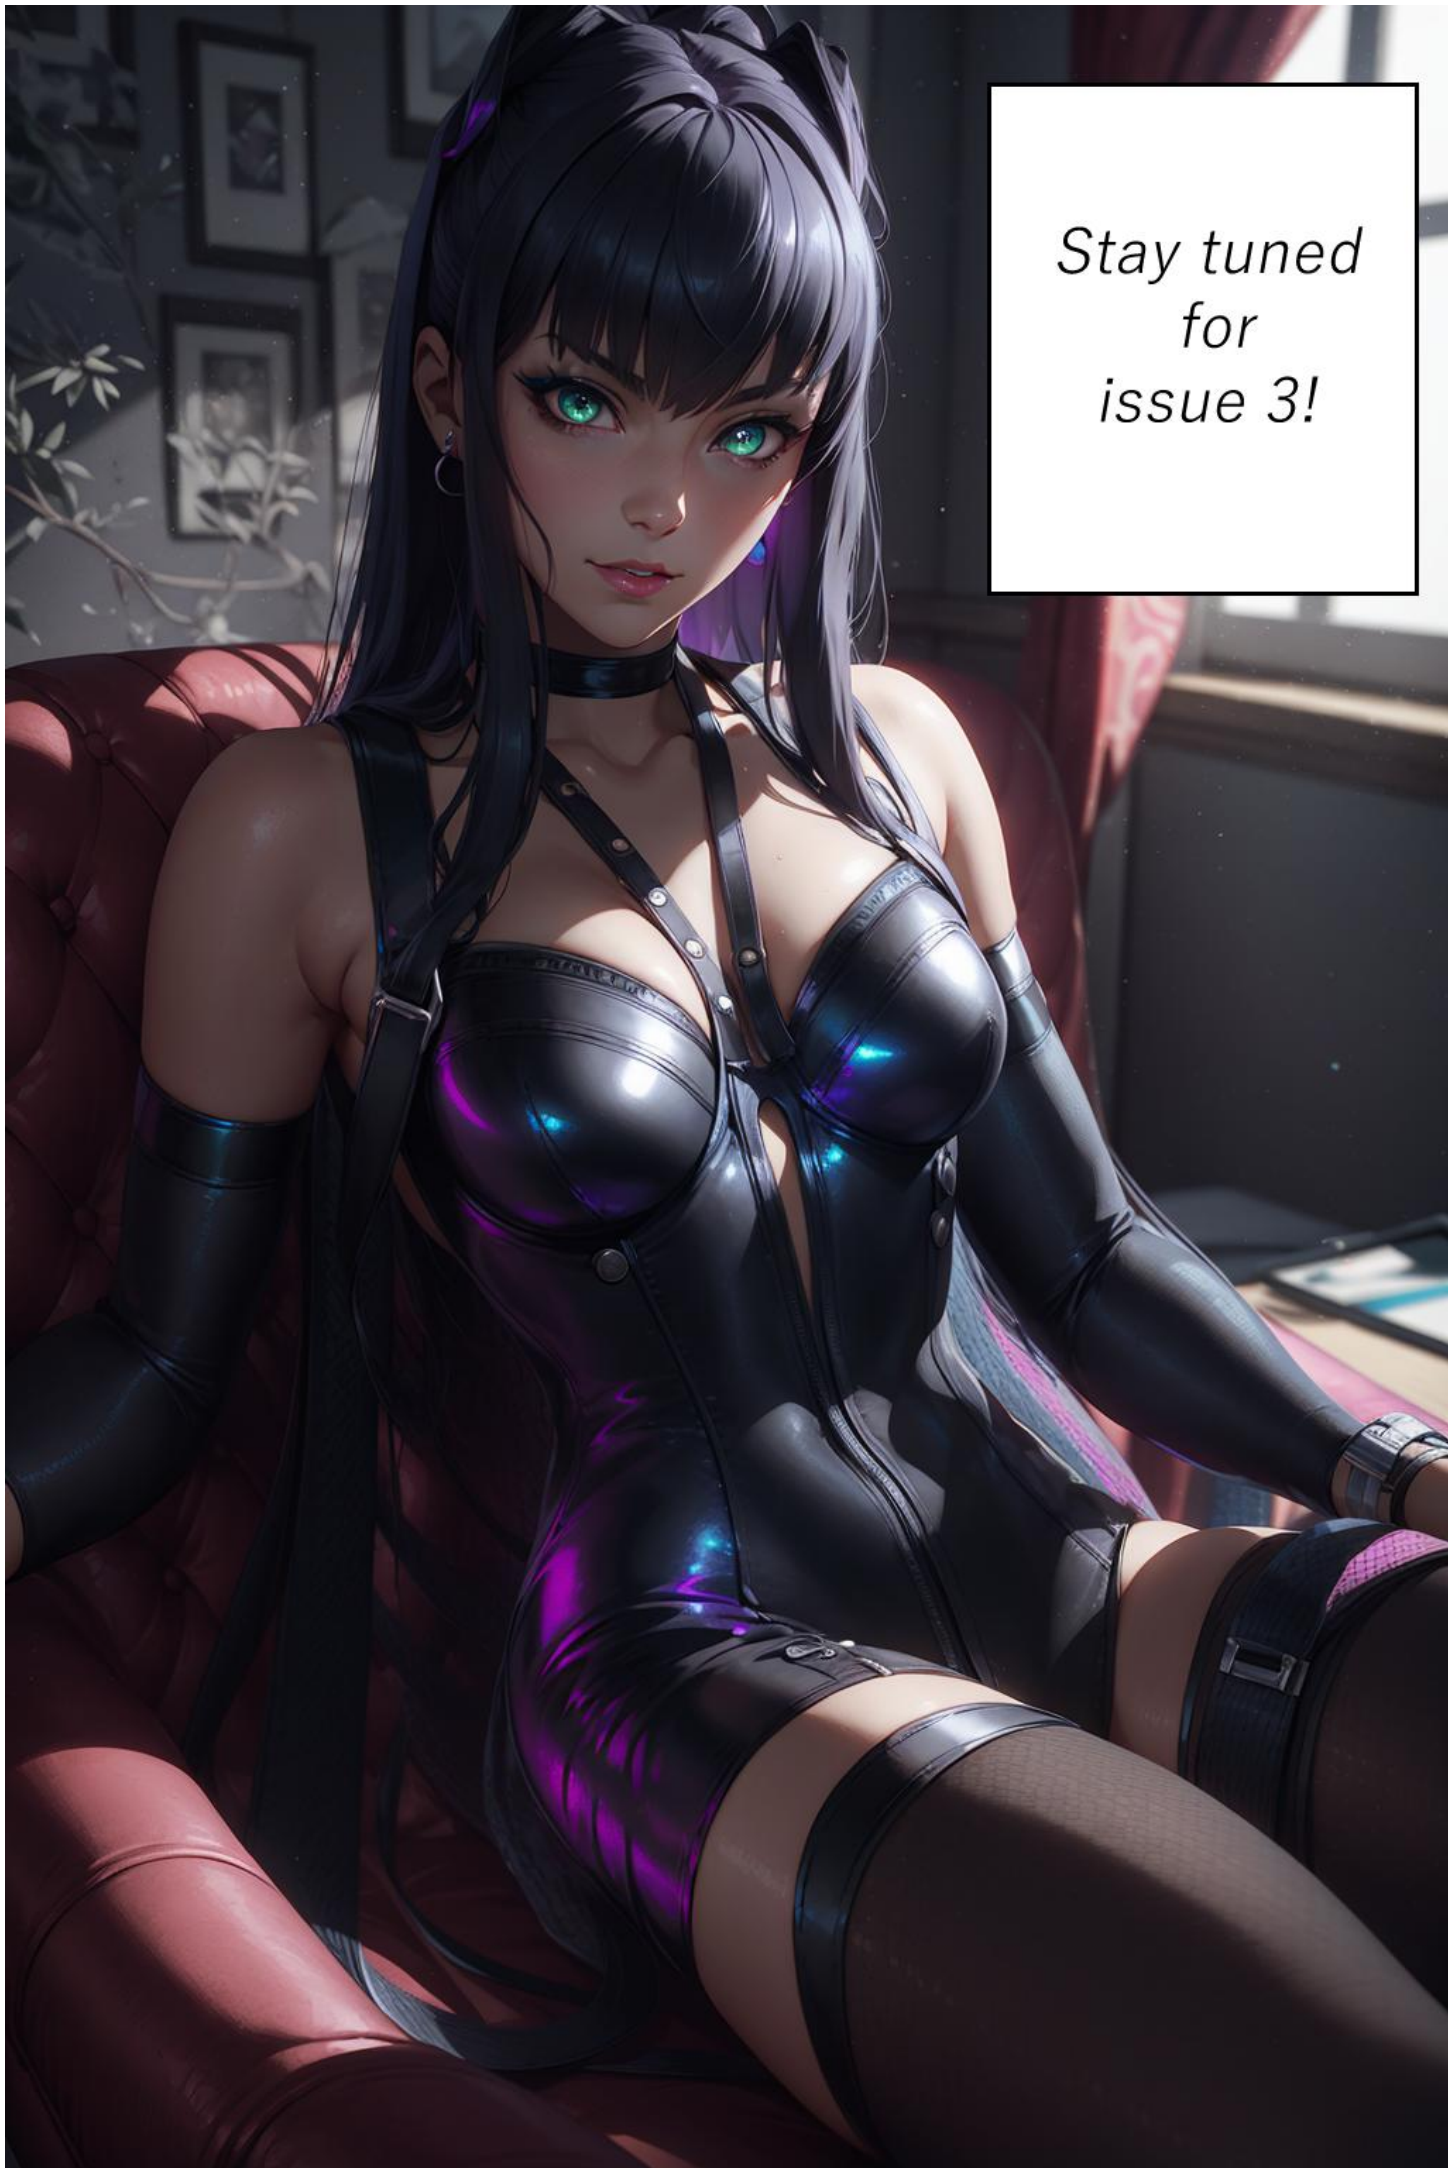

...an  
egirl?

*Thank you for  
your  
support!*

*Stay tuned  
for  
issue 3!*
